RESCUE

In the days of Noe there was no place left for a righteous man to dwell,
So Noe builded him an ark in which he could ride the waves and swells.
The remnant through obedience found safety in a world experiencing destruction
The righteous were not forsaken they were spared by God's word and His instruction.

Living in Sodom Lot's heart was grieved and vexed from day to day
There was no respite from the evil and God's judgment would not be stayed.
Angels sent from heaven came to rescue Lot from this land both evil and perverse
They were a very tiny remnant but God made a way for the righteous to be preserved.

Just two examples of destruction that came because of sin
Is it so very different now? The land we're living in?
Is there a place for the righteous man to dwell in safety anymore?
Are we left alone to face the judgments that surely are in store?

The watchmen cry out day and night does anyone listen to these men?
If dead men's bones were brought to life would the people listen then?
Or would they be enthralled thinking zombies have finally come to life,
Giving attention to their fantasies not the warnings though they're rife.

The minds of men are shaped by fantasy and not by the Word of God.
What if men not of this world were to come and dwell upon this sod?
Will men know who they are or will they swoon in science fiction fantasy
And will there be a place for the righteous man to find escape from such calamity?

Even now the wicked rule and God's word has become defiled
There is no place where the righteous are accepted for all have been beguiled!
Are we left without the hope of rescue, must we dwell in fear each hour?
Will we be sacrificed like the unborn; are we alone to face a malevolent power?

I feel like the prophet Elijah who sat under a Juniper tree alone and wished to die
In fear that he was left alone in a world of danger and none would heed his cry.
But God had spared a remnant whose knees had never bowed to Baal
And like Lot, Elijah and Noah the righteous remnant, God will never fail.

What lies yet ahead we cannot fully know but the watchmen cry out a warning
It is time for the people of God to return to Him for soon we will see mourning,
Sorrow for those who live for self for those who bowed their knee to Baal
But God has made preparation for a remnant that is repentant when judgment is assailed

For the Lord loves the just and his love cannot be severed
He has promised in His word to protect the faithful forever.
The righteous the Lord will help, and from the wicked He will deliver them,
But rescue is preserved for those who take refuge in the Lord and turn away from sin

Can we afford to ignore the cry? Can we survive if we deny
The call for repentance and the conditions required to survive.
Will we believe the lies we are told by the powers of the air
And find ourselves in deep regret offering too late our prayers.

TURN YOUR EYES UPON JESUS
(short harmonic)

WILLFUL INACTION IS A SIN

James 4:17

17 Therefore, to him who knows to do good and does not do it, to him it is sin.

NKJV

Luke 12:47-48

47 And that servant who knew his master's will, and did not prepare himself or do according to his will, shall be beaten with many stripes. 48 But he who did not know, yet committed things deserving of stripes, shall be beaten with few. For everyone to whom much is given, from him much will be required; and to whom much has been committed, of him they will ask the more.

GREAT QUOTES

SAMUEL CHADWICK

"It would seem as if the biggest thing in God's universe is a man who prays. There is only one thing more amazing, that is, that man, knowing this, should not pray

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

Duewel, Wesley L. (2013-08-20). Mighty Prevailing Prayer:

The chief danger that
confronts the coming century
will be religion without the
Holy Ghost, Christianity
without Christ, forgiveness
without repentance, salvation
without regeneration,
politics without God, heaven
without hell.

“Not called!” did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there.

Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

I DON'T CARE FOR HOW YOU PRAY

Pastor Moody, I don't much care for the way that you pray.

I don't care for it much either, tell me how do you pray?

Oh I don't really have a way.
Well then, I like my way much better after all.

"If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. "

Faith Is the Victory

This is the victory that has overcome the world; our faith.

—1 John 5:4

Scripture reading: 1 John 5:4–15

W

hen I was ministering to the sick, a man came who was shriveled and weakened; his cheek bones were sticking out, his eyes sunken, and his neck all shriveled. He was just a form of a man. He whispered, for he could only speak with a weak voice, “Can you help me?”

I asked “What is it?” He said that he had had surgery to remove stomach cancer. As a result of the operation, he could not swallow.

He said, “I have tried to take some juice today, but it would not go down.” He whispered, “I have a hole in my stomach. As I pour liquid in through a tube, my stomach receives that. I have been living this way for three months.”

You could call it a shadow of life he was living. Could I help him? Look! This Book can help anybody. This Book is the essence of life. God moves as you believe. This Book is the Word of God. Could I help him? I said, “On the authority of this Word, this night you will have a big supper.”

But he said he could not eat. “Do as I tell you,” I answered.

“How can it be?”

“It is time,” I said, “to go and eat a good supper.” He went home and told his wife.

She could not understand it. She said, “You cannot eat. You cannot swallow.”

But he whispered, “The man said I had to do it.” He became hungry and ventured, “I will try it.” His wife prepared his supper. He took a mouthful, and it went down just as easy as possible. He went on eating food until he was full. Then he and his wife had one of the best times of their lives. The next morning he was so full of joy because he had eaten again. He looked down out of curiosity to see the hole and found that God had closed it up!

But you ask, Can He do it for me? Yes, if you believe it. Let God have His way. Touch God now. Faith is the victory.

Thought for today: The Word of God is marrow to your bones. It is resurrection from every weakness; it is life from the dead.

"Nehemiah's Prayer":

4 As soon as I heard these words I sat down and wept and mourned for days, and I continued fasting and praying before the God of heaven.

5 And I said, 'O LORD God of heaven, the great and awesome God who keeps covenant and steadfast love with those who love him and keep his commandments,

6 let your ear be attentive and your eyes open, to hear the prayer of your servant that I now pray before you day and night for the people of Israel your servants, confessing the sins of the people of Israel, which we have sinned against you. Even I and my father's house have sinned.

7 We have acted very corruptly against you and have not kept the commandments, the statutes, and the

rules that you commanded your servant Moses.

8 Remember the word that you commanded your servant Moses, saying, 'If you are unfaithful, I will scatter you among the peoples,

9 but if you return to me and keep my commandments and do them, though your outcasts are in the uttermost parts of heaven, from there I will gather them and bring them to the place that I have chosen, to make my name dwell there.'

10 They are your servants and your people, whom you have redeemed by your great power and by your strong hand.

11 O Lord, let your ear be attentive to the prayer of your servant, and to the prayer of your servants who delight to fear your name, and give success to your servant today, and grant him mercy in the sight of

this man.' Now I was cupbearer to the king (Nehemiah 1 : 4 - 11 - ESV)

Humility in Daily Life

00- Humility by Andrew Murray –

Tribulation Now

(6 minutes)

If someone says, ‘I love God,’ but hates a Christian brother or sister, that person is a liar; for if we don’t love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here’s a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn’t genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God’s presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

This lesson is crucial. The only humility that really belongs to us is not what we try to show before God in prayer, but what we carry with us and live out when we get up off our knees. The insignificance of daily life is the test of eternity. It proves what Spirit really possesses us. It is in our unguarded moments when we show who we really are. To know the humble man, you have to follow him around and watch his daily life.

Isn't that lesson exactly what Jesus taught? His great teachings about humility came when He saw the disciples arguing about who was greatest or the Pharisees competing for the place of honor at banquets and in synagogues. He taught again after He had given them an example by washing their feet. Humility before God is nothing if it isn't proved by humility before men. Paul of course taught the same practical lesson. To the Romans, he wrote: "Love each other with genuine affection and take delight in honoring each other...Live in harmony with each other. Don't try to act important, but enjoy the company of ordinary people. And don't think you know it all!"(Romans 12:10,16). To the Corinthians, he said: "Love is not jealous or boastful or proud or rude. Love does not demand its own way" (1 Corinthians 13:4-5). There is no love except what grows from the root of humility! To the Galatians, Paul wrote:

"For you have been called to freedom...freedom to serve one another in love...Let us not become conceited, or irritate one another, or be jealous of one another" (Galatians 5:13,26). To the Ephesians, right after those three wonderful chapters about living in Heavenly Realms, he said, "Be humble and gentle. Be patient with each other" (Ephesians 4:2). "And further, you will submit to one another out of reverence for Christ" (Ephesians 5:21). To the Philippians, Paul wrote: "Make me truly happy by agreeing wholeheartedly with each other, loving one another, and working together with one heart and purpose. Don't be selfish; don't live to make a good impression on others. Be humble, thinking of others as better than yourself...Your attitude should be the same as that Christ Jesus had...He made Himself nothing; He took the humble position of a slave and appeared in human form. And in human form He obediently humbled Himself even further by dying a criminal's death on the cross" (Philippians 2:3, 5, 7-8).

BE NICE TO EACHOTHER

Col 3:12-15

12 Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; 13 bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. 14 But above all these things put on love, which is the bond of perfection.

Potentially dangerous asteroid to fly by Earth on January 26

Published time: January 05, 2015 12:16

AFP/NASA

A potentially hazardous asteroid, at least 20 times the size of the Chelyabinsk meteorite, will approach the Earth on January 26. The rock is expected to fly by at a distance of 1.2 million kilometers.

Science

The asteroid, named 2004 BL86 by scientists, is estimated to be between 440-1,000 meters in diameter. 1.2 million kilometers is approximately three times the distance from the Earth to the Moon.

According to astronomers, there is no threat of the object colliding with our planet. The Goldstone Observatory, located in California's Mojave Desert, will observe the asteroid during its approach.

[READ MORE: Erasing memories and landing on a comet: How science rocked in 2014](#)

2004 BL86 was discovered on January 30, 2004, by the Lincoln Near-Earth Asteroid Research (LINEAR), responsible for the majority of asteroid discoveries from 1998 until 2005, when it was overtaken by the Catalina Sky Survey (CSS). As of mid-September 2011, LINEAR had detected some 231,082 new objects, of which at least 2,423 were near-Earth asteroids and 279 comets.

A space object is considered potentially dangerous if it crosses the Earth's orbit at a distance of less than 0.05 AU (approximately 19.5 distances from the Earth to the Moon), and if its diameter exceeds 100-150 meters. Objects of this size are large enough to cause unprecedented destruction, or generate a mammoth tsunami in case they fall into the ocean.

Col 3:2-3

Let your mind on things above, not on things on the earth.

James 4:4

Adulterers and adulteresses! Do you not know that friendship with the world is enmity with God? Whoever therefore wants to be a friend of the world makes himself an enemy of God.

1 John 3:7-9

7 Little children, let no one deceive you. He who practices righteousness is righteous, just as He is righteous. 8 He who sins is of the devil, for the devil has sinned from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil. 9 Whoever has been born of God does not sin, for His seed remains in him; and he cannot sin, because he has been born of God.

John 14:12

12 "Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father. 13 And whatever you ask in My name, that I will do, that the Father may be glorified in the Son.

2 Cor 10:4-5

For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, 5 casting down arguments and every high thing that exalts itself against the knowledge of God, **bringing every thought into captivity to the obedience of Christ,**

1 Cor 13:1-7

Though I speak with the tongues of men and of angels, but have not love, I have become sounding brass or a clanging cymbal. 2 And though I have the gift of prophecy, and understand all mysteries and all knowledge, and though I have all faith, so that I could remove mountains, but have not love, I am nothing. 3 And though I bestow all my goods to feed the poor, and though I give my body to be burned, but have not love, it profits me nothing.

4 Love suffers long and is kind; love does not envy; love does not parade itself, is not puffed up; 5 does not behave rudely, does not seek its own, is not provoked, thinks no evil; 6 does not rejoice in iniquity, but rejoices in the truth; 7 bears all things, believes all things, hopes all things, endures all things.

NKJV1

Peter 3:13-17

13 And who is he who will harm you if you become followers of what is good? 14 But even if you should suffer for righteousness' sake, you are blessed. "And do not be afraid of their threats, nor be troubled." 15 But sanctify the Lord God in your hearts, and always be ready to give a defense to everyone who asks you a reason for the hope that is in you, with meekness and fear; 16 having a good conscience, that when they defame you as evildoers, those who revile your good conduct in Christ may be ashamed. 17 For it is better, if

it is the will of God, to suffer for doing good than for doing evil.

Gal 5:22-26

22 But the fruit of the Spirit is love, joy, peace, longsuffering, kindness, goodness, faithfulness, 23 gentleness, self-control. Against such there is no law. 24 And those who are Christ's have crucified the flesh with its passions and desires. 25 If we live in the Spirit, let us also walk in the Spirit. 26 Let us not become conceited, provoking one another, envying one another.

“Humility is perfect quietness of heart. It is to expect nothing, to wonder at nothing that is done to me, to feel nothing done against me. It is to be at rest when nobody praises me, and when I am blamed or despised. GODLY WARNING PLEASE DISCERN

A real quick word to the wise heart, any of these prophecies and prophets could prove to be wrong or become incorrect at any time. ***There are also "non-prophetic" sources added to this document to add additional information for your discernment.***

We All See Through the Mirror Dimly

1 Cor 13:12

For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.

Tracking visions, dreams, and prophecies is always very challenging. Remember the devil seeks whom he may devour so we must always seek Jesus first, and trust in God alone, not "man".

If you decide to track the prophetic information from any of these sources, please watch and pray and remember that we must discern and measure all things against the Bible.

Deut 18:22

Please Commit the Verse to Memory

When a prophet speaks in the name of the Lord, if the thing does not happen or come to pass, that is the thing which the Lord has not spoken; the prophet has spoken it presumptuously; you shall not be afraid of him.

THE VOICE OF THE VICTORIOUS CHRIST
by David Wilkerson
[May 19, 1931 – April 27, 2011]

WE MUST LISTEN TO
GOD'S PROPHECIES
OR FACE RUIN!
DESTRUCTION

When God said, "Once more I shake not the earth only, but also heaven" (Hebrews 12:26). He was saying, in essence, "I shook the earth at Mount Sinai. But when I speak in these last days, My voice will shake both the natural and spiritual worlds. The status quo will tremble; nothing will remain as it is. Whatever is called religious—all that is of Christ or the Church—will be shaken by the voice of My Son speaking from heaven."

God had warned Israel that all who refuse to listen to His prophet would be brought to account: "And it shall come to pass, that whosoever will not hearken unto my words which he shall speak in my name, I will require it of him" (Deuteronomy 18:19). He was saying, "I'm going to pursue every disobedience—and you'll account for it all."

Scripture reveals that those who ignored the words of God's prophets fell into ruin. They became withered and bitter, dying without any joy or peace.

See that ye refuse not him that speaketh. For if they escaped not who refused him that spake on earth, much more shall not we escape, if we turn away from him that speaketh from heaven" (Hebrews 12:25).

Beloved, neither will we escape God's wrath—either as a nation or as individuals. And right now Jesus' voice is shaking every nation, causing institutions, leaders and economies to tremble. He is saying to the wind and the elements, "Blow upon the earth." He is saying to the clouds, "Withhold rain." He is saying to the economies of the world, "All greed—be judged."

God is also commanding, "Prisons, shake. Governments, shake. Financial systems, shake. Schools, shake. Military forces, shake. Courts and legislatures, shake. Everything on earth, shake until there is no foundation left but the Lord."

It is not the devil who is shaking everything. The whole world is being shaken by the voice of the victorious Christ. The Man in glory has risen in power upon His throne and He is speaking a word to shake all things.

The Bride's Glorified Bodies

Transcript:"Warning to the Bride - 278pikelk 05/14/14I'm going to be obedient and put this message up. Lord led to Revelation 22, I will not leave you blind to what comes."My daughter, share this message with those who have ears to hear. Catastrophic events warned of by many of My messengers are coming to your once great nation and world soon. Not one will be shielded from seeing the destruction. Destruction will come from the elements: fire and water primarily, but you will also experience earthquakes and volcanoes throughout your earth. Outer space will begin colliding with your once great nation and the world like nothing you've ever witnessed in the past. Things will never go back to what you perceive as normal. Once these things start, the end of the earth as you've known it will have begun. Disasters that have taken place in the past and recent past will not hold a candle to what is coming, My Children. You will only have your memories of what once was. There will be three days of darkness where My Bride will be transformed into her new, incorruptible body. During this time she will be visible to others, but they will clearly see the changes taking place in My Bride. People will look on and off as My Bride puts on the new and discards the old. She will be given a new flesh, that is not flesh as you would recognize it as flesh: an incorruptible flesh. She will be given heightened awareness into the spiritual realm. She will be one in thought with the entirety of My Bride, and they will come together to receive their garments and their duties. There are many who will remain on this earth who My Bride will be in charge of turning towards their Creator. There will be an evil and a good. There will be evil and good hearts, and the good hearts will truly know their Father and will be able to see that MY Bride is of Me and that the others are imposters. My Bride are spirit-filled believers that have emptied their flesh of this world and fully surrendered to Me. They are My warriors for this time and will be warring for the hearts and minds left on this earth. To either eventually turn to Me, or to take the

mark of the beast. My Bride is very important and will lead many Home to Me. When they see the impostors - when people see the impostors - they will think that they are part of My Bride, but people with Me will quickly figure out the Truth. Warn people! The "people of light" are truly dark and they are put on this earth to be nothing but deceivers. There are very many believers who have never received My Holy Spirit or who have received My Holy Spirit but have quelled Him to where He has never been able to bring them along on their journey towards Me. There are many who believe in Me, but who have become entangled in false teachings and doctrines of men. They will not want to believe that this is the end. My Bride will have to educate them. There are millions and millions of people who know OF Me, but aren't seeking to know Me. My Bride will introduce her Groom. The job of the Bride will not be easy, but she will be equipped with her new and glorious body, filled with My supernatural Light and Love. The impostors - though children of light - will be filled with darkness sent to confuse and mislead humans, choosing Satan as their father, instead of their actual Father Creator. These impostors will be arriving on the scene soon. Most of the people of the world are completely unaware of all that is to come and will be totally taken by surprise. Just remember Children, that there is NO man good. Do not be deceived. Come to Me in prayer for all of your questions. The deceivers will try to place an impostor in front of you that is so real, if you did not know My Word you would be fooled. But many WILL be fooled. I must use My Bride to convince those that know of Me and just don't KNOW Me OR My Word not to fall for this great deception. My Children, I love you so! My Bride must know she will remain protected until she reveals herself in her new, uncorrupted body. My Bride needs to be aware of what is coming. I have chosen some very unlikely vessels to be My Bride. Do not doubt your worthiness, My Bride. Because NO one is worthy, but by the blood of the Lamb. Prepare for battle, My Bride." <https://www.youtube.com/watch?v=Hpx3wp0cwqE>

The Vision of the 12 Houses

(by C. Alan Martin 1971)

C. Alan Martin had a vision back in 1971 prophetically depicting 12 presidents of the United States. The “LAST” President was unknown to him even after updating the information in the late 90’s. We know today that the “LAST” President would have been Barack Obama. This is what the prophecy says about this 12th House or President.

House 12 President: ?

This is the last house that I saw in this vision of the night. After this house was a dirt path that lead toward a collection of boulders arraigned in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rock looking at the ruins of a world rocked by the (*great*) tribulation. In the ruins of these boulders I found a witch doll. I knew immediately that one (sic) of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium.

In the vision of the night (after I saw the star fall to the earth)

[Note: Could this be the Puerto Rico Comet event?]

I heard a voice say “Look to the east”. I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the blood moon and the dark sun.

[Note: This is the Sixth Seal Rev 6:12-17]

Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the ancient army approaching from the east through the yards of all the houses of the presidents.

[Note: This is Russia and China moving / conquering from the East to West and USA, Gog/Magog Ezekiel 38, 39]

It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved. Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a “temple fortress” who was dressed in a diplomatic suit and carrying a briefcase. A voice said “He claims to be God, but is of devil”.

[Note: This is Obama, the Antichrist]

Then the dream ended.

PASTOR TD HALE DREAMS

The TD Hale Dream Locks these Events to 2016

Moreover we have the prophetic dream given to pastor TD Hale in December of 2011 showing the nuclear destruction of the United States **WHILE** Obama is in the Office of

the President. Here is a [LINK](#) to the dreams in text format. Hale not only saw the destruction of the US (burnt from end to end, totally destroyed) but he also saw the aftermath with people hiding from the FEMA police and soldiers. He also saw the FEMA prison camps in operation and saw the "trains" (FEMA Trains) at those facilities used to transport the victims to their fate.

Here is the audio clip from the [TruNews Show](#).

[LINK HERE](#)

Please Note: It is crucially important to note, with the exception of the Obama Presidency timeline, the TD Hale dream matches the testimony of many other Godly sources including:

- AA Alan's Vision from 1954
- Dimitru Duduman's Visitation from 1983
- Henry Gruver's Vision from the late 80's

There are others as well. To listen to these testimonies you can go to this page (Apocalyptic Signs – Prophecies and Predictions [HERE](#).)

THE THIRD SECRET OF FATIMA

Evidently, according to this author (below), Father Malachi Martin reported that the Third Secret of Fatima was ultimately the Rev 6:12-14 “pole shift” and the First Trumpet CME (solar flare). The most amazing part is that this is reportedly to happen

POLE SHIFT
Before
2017

Revelation 6:14
;and every mountain and island was moved
out of its place.
NKJV

by 2017 Fatima author Father Malachi Martin has said that “the Third Secret is your worst nightmare, multiplied exponentially.” (<http://www.tldm.org/News10/MalachiMartinBelievedInBayside.htm>) In an interview with Art Bell in 1997, he explained that “I was

shown the Text of the third secret in February 1960. I cooled my

heels in the corridor outside the Holy Father's apartments, while my Boss, Cardinal Bea, was inside debating with the Holy Father (Pope John XXIII), and with a other group of other bishops and priests, and two young Portuguese seminarians, who translated the letter, a single page, written in Portuguese..... on the content of the Third Secret, Sister Lucy one day replied: 'It's in the Gospel, and in the Apocalypse, read them.' We even know that one day Lucy indicated Chapters 8, 13 of the Apocalypse.

(<http://garabandalnews.overblog.com/2014/01/fatima-3rd-secret-and-facts.html>)

Father Martin said of the fulfillment of the Third Secret that these events are "not 200 years away, it is not 50 years away, it is not 20 years away..." He expressed the view that major portions of end times events would be underway before the centennial of the Marian apparitions (**before May 13, 2017.**)

Multiple Blood Moon Tetrad High Holy Days

While solar and lunar eclipses are common occurrences and for the most part have no great prophetic significance, when they fall on the biblical Feast days, we should pay close attention. In Revelation 6:12, the Bible declares that the sun will become black as sackcloth of hair, and the moon as red as blood. Most scholars believe this important end-times sign is speaking of solar and lunar eclipses. The significance of a total solar eclipse or total lunar eclipse, if it happened on one of God's Feast days would be a powerful message. Knowing this, be advised there are four total blood moons coming, back to back, right in a row, all falling on Feast days. Equally incredible is how within the very same timeframe, two solar eclipses are scheduled to arrive. Read that again and let the significance of these comments sink in. Prophetically speaking, we are talking about the equivalent of six grand-slam homeruns in a row—a mathematical improbability that stands out against the randomness of natural cycles and strongly suggests a miraculous sign or “omen” of intelligent design is coming. Of significance to this book is how these “grand slams” are set to unfold between the years 2012-2016, specifically 2014 and 2015.

Vilna Gaon: The Russian invasion of Crimea is a sign of impending redemption

<http://ruchoshelmashiach.blogspot.com.au/2014/03/russias-invasion-of-crimea-sign-that.html>

On Purim (Monday March 17th), Rabbi Moshe Shternbuch, Head of the Rabbinical Court of Jerusalem, allowed a secret to slip out. He peeled back the curtain and offered a peek into a tradition handed down from his grandfather, the Vilna Gaon, a prominent 18th-century Kabbalist:

"Even though I am careful not to share the mysteries, I feel that this is something I am permitted to reveal.. This was something Rabbi Isaac had received directly from those who heard it from the mouth of the Vilna Gaon, who said, shortly before his passing:

"When you hear that the Russians have invaded Crimea, you will know that the bells of Redemption have begun to ring. When you hear that the Russians have reached Constantinople (Istanbul, Turkey, as it is called today), you can already don Sabbath clothes and await the appearance of Moshiach."

"Last week the Russians invaded Crimea and the world slept.. According to our tradition from the Vilna Gaon, this is a sign of impending redemption ... Perhaps what the Gaon meant by 'bells of the redemption' is like a bell that signals the arrival of someone or something."

Why did the world ignore Boko Haram's Baga attacks?

As media coverage focused on the Paris terror attacks last week, more than 2000 Nigerians were reported to have been killed by Islamist militants. What makes one massacre more newsworthy than another?

France spent the weekend coming to terms with last week's terror attacks in Paris that left 17 dead. The country mourned, and global leaders joined an estimated 3.7 million people on its streets to march in a show of unity.

In Nigeria, another crisis was unfolding, as reports came through of an estimated 2,000 casualties after an attack by Boko Haram militants on the town of Baga in the north-eastern state of Borno. Amnesty International described as the terror group's "deadliest massacre" to date, and local defence groups said they had given up counting the bodies left lying on the streets.

ISLAMIC STATE PREPARES TO SLAUGHTER CHRISTIANS IN LIBYA

Another chapter of the clash of civilizations agenda

by KURT NIMMO | INFOWARS.COM | JANUARY 12, 2015

The overriding agenda of ISIS or the Islamic State is not to proselytize or establish a sharia state.

It is designed to enflame the West and push the neocon version of the clash of civilizations.

Through terrifying headlines and shocking videos, ISIS is being used as a tool to justify war in the Middle East and to cause fear and panic worldwide. No, this is not a "crazy conspiracy theory", it is simply the oldest trick in the book. ISIS was created by the very forces that are fighting it.

Ever since the creation of democratic nations – where public opinion somewhat matters – the political class is faced with a dilemma: War is needed to gain power, riches, and control, but the general public has a tendency to be against it. What to do? The answer was found decades ago and is still used successfully today: Create an enemy so terrifying that the masses will beg their government to go to war.

This is why ISIS exists. This is why the beheading videos are so "well-produced" and publicized worldwide through mainstream media. This is why news sources regularly come up with alarmist headlines about ISIS. They are used to serve the best interests of the world elite. The current objectives are: Sway public opinion to favor the invasion of countries in the Middle East, provide a pretext for "coalition" intervention across the world, and manufacture a domestic threat that will be used to take away rights and increase surveillance. In short, ISIS is yet another instance of the age-old tactic of creating a terrifying enemy to scare the masses.

Sure, the horrific series of terror attacks that rocked France last week could have been carried out by Islamist terrorists. But, if you are at least one member of Paris's French-Algerian community, it could have been the work of "magical shape-shifting Jews."

ORANGE COUNTY, Fla. — In about a week, students in Orange County high schools could have been picking up Bibles or pamphlets about atheism on nationally recognized Religious Freedom Day, but it's all on hold for now because of concerns fueled by a coloring book from the Satanic Temple.

"It seems like the momentum right now is to a policy that would exclude all religious materials, which is unnecessary," said attorney Roger Gannam.

Gannam is one of the attorneys representing the Christian group that left Bibles in schools the last few years.

He's concerned they could lose the opportunity all together, which is what David Williamson and his atheist group said they've been hoping to accomplish.

(NaturalNews) Every once in a while I suddenly remember there are still people who watch the mainstream news and actually believe the lies. As all of us who are truly informed via the independent media fully realize, those people are hopelessly beyond reach. After all, they still think chemotherapy prevents cancer, flu vaccines prevent the flu and that government police state surveillance is awesome because it makes society safer.

There are still people who think the national debt doesn't matter, too, and because of that faulty faith in fiat currency, they will of course be caught totally unprepared when the U.S. dollar eventually collapses.

Although no one can predict when it's going to happen, the certainty of the collapse of the dollar is inescapable. And when it does collapse, things are going to be so bad for the average CNN watcher that they will be absolutely clueless about what to do or where to turn.

Don't worry, the stores "are full" says the government

As you might expect, the Venezuelan government lies to its own citizens with the same veracity demonstrated by the U.S. White House when trotting out falsified unemployment and inflation figures in the USA.

In Venezuela, Interior Minister Carmen Melendez said, "Don't fall into desperation -- we have the capacity and products for everyone, with calmness and patience. The stores are full..."

Of course, any fool with a set of eyes can see the stores are mostly empty, just as the photos show below. Then again, since when did government ever feel any need to tell the truth?

Logically speaking, if the store shelves were full, then *they wouldn't be empty*. But such logic never quite seems to sink in with governments that are running on smoke and mirrors. Perhaps the same economic fairies that calculate U.S. unemployment statistics are also busy stocking the shelves of Venezuelan stores with toilet paper and laundry detergent...

As Bloomberg.com reports, the citizens of Venezuela aren't fooled by government delusions:

"You can't find anything, I've spent 15 days looking for diapers," Jean Paul Mate, a meat vendor, said outside the Luvebras store. "You have to take off work to look for products. I go to at least five stores a day."

Whether it's glowing lava snaking into the sea or lightning blooming in billowing ash clouds, the sight of an erupting volcano inspires awe and wonder.

Now imagine 1,500 of these suckers all shooting off at once. That's how many active volcanoes dot the Earth, plus an unknown number [hidden under the ocean](#). Every day, between 10 and 20 volcanoes are erupting somewhere on Earth, but

scientists say the chance of every volcano on the planet erupting at once is so small that it's impossible. But what if it did happen? Would Earth as it we know it survive?

Not likely, said Parv Sethi, a geologist at Radford University in Virginia. Even if only the volcanoes on land blasted in sync, the effects would trigger an environmental domino chain many, many times more powerful than a nuclear winter, Sethi said. "Things will become so bad that I wouldn't want to survive on an Earth like this," he told Live Science. [[Top 10 Ways to Destroy Earth](#)]

The two big hazards from a worldwide volcanic cataclysm are ash and volcanic gases. (While the explosions and outpourings of lava would be deadly to people living close by, the number of deaths would pale compared to those caused by the ensuing climate change.)

Plunged into darkness

Sethi predicts that a thick layer of ash would blanket the Earth, completely blocking incoming sunlight.

"The planet would be pitched into complete dark, and that is going to devastate photosynthesis, destroy crop yields and cause temperatures to plunge," Sethi said. The ash would linger in the atmosphere for up to 10 years, he added.

RATTLE & HUM: “It’s A Mystery,... It Sounded Like Thunder,... You Could Feel The Ground Shaking,...” – Thunderous Mysterious Booms Rattle Homes, Scare Livestock In Oklahoma; Heard And Felt Over A Wide Area?!

JAN 10, 2015 by ANDRE HEATH in EARTH CHANGES

January 10, 2015 – OKLAHOMA, UNITED STATES – A spate of mysterious booms that has been shaking central Oklahoma returned for a second day Friday, again rattling houses and frightening livestock.

Oklahoma Geological Survey research seismologist Austin Holland said a series of booms, much like a sonic boom, rattled the Norman area starting at 11:19 a.m. Friday. Numerous others had been reported Thursday in the same area at about the same time.

Friday's booms weren't "quite as frequent" as Thursday's, Holland said. "It's quite interesting."

The windows of Anthony Young's home in the town that's the outskirts of Oklahoma City rattled. "We thought some nut was out here, you know, with explosives," Young told KOCO-TV. "**It sounded like thunder, you could feel the ground shake, but it was nothing like an earthquake**"

Both Holland and National Weather Service meteorologist Matthew Day didn't have an explanation for the booms.

No earthquakes have been recorded in the area, Holland said, noting that “we would have seen them on our seismic stations in the area.” And it’s unlikely that it’s due to a drilling process known as fracking, he said, because the booms were heard and felt over a wide area including Norman, Edmond and Shawnee.

Holland’s best guess: It must have been something just above the surface of the earth or in the atmosphere.

Day, who’s based in Norman, said a phenomenon known as cryoseisms also isn’t likely. Cryoseisms, or “frost quakes,” occur when water quickly freezes in soil or rock, then expands and cracks.

“There are some stories going around that’s what it was, but based on the research we’ve done here, it doesn’t appear what people heard is related to the cryoseism phenomena,” Day told The Norman Transcript. “There’s not enough moisture, and the temperatures are not cold enough. That happens in areas where you have a lot of water flowing through a lot of rock,” Day said.

“We don’t know what it was, we just know what it is not,” according to Day.

Holland said the booms occurred on generally regular interval, initially occurring 40 to 60 seconds apart, then about 20 seconds apart.

“It’s a mystery to us as well,” he said. – AP.

Unprecedented earthquake in non-seismic region of Yucatan confounds scientists

Posted on January 14, 2015

January 2015 - MEXICO - An earthquake was registered on the evening of Sunday January 10th, with an epicenter near Playa del Carmen, Quintana Roo, an area traditionally considered non seismic. According to Margarita Vidal Amaro of the National Seismological Service, an earthquake of magnitude 4.2 on the Richter scale occurred at 9:49 pm on Sunday January 10th 2015. The epicenter was located exactly 67 kilometers (41 miles) southwest of Playa del Carmen, in Quintana Roo. Several Twitter users posted comments regarding this unusual event in this part of the country. The government of Quintana Roo requested support from national institutions on Monday January 12th, to help determine the causes of this earthquake that occurred off the coast of Tulum. But the National Seismological Service in Mexico City officially confirmed the event since Sunday January 11th with no plausible explanation. Vidal Amaro explained that the quake occurred on the mainland and so there was no danger of a tsunami in the area. She added that even though earthquakes are unprecedented in the area, there are tectonic plates all over Mexico, which can lead to earthquakes. The quake was felt with greater magnitude in the town of Tulum, according to reports on social networks.

Ebola death toll reaches 8,220 – no end in sight for outbreak in Africa

Posted on January 7, 2015

January 2015 – AFRICA – The death toll from the current Ebola outbreak has reached 8,220. As many as 20,712 are infected, the World Health Organization (WHO) said in a statement on Tuesday. These cases were reported from Guinea, Liberia, and Sierra Leone. In line with statistics, the maximum number of Ebola-related deaths and cases has been registered in Liberia – 3,496 cumulative deaths and 8,157 cumulative cases. Liberia is followed by Sierra Leone (2,943 deaths and 9,780 cases) and Guinea (1,781 deaths and 2,775 cases). The number of Ebola deaths in these three countries rose by 56 and the number of cases rose by 67 since January 5. Separate cases have also been registered in Mali, Nigeria, Senegal, Spain, Britain and the United States. In most of these countries the number of Ebola-related cases does not exceed ten, with the only exception of Nigeria, where 20 people are infected by Ebola virus and eight have died.

The World Health Organization describes Ebola virus disease (formerly known as Ebola haemorrhagic fever) as “a severe, often fatal illness, with a case fatality rate of up to 90%.” Symptoms include sudden onset of fever, intense weakness, muscle pain, headache and sore throat. This is followed by vomiting, diarrhea, rash, impaired kidney and liver function, and in some cases, both internal and external bleeding. The infection is transmitted by direct contact with the blood, body fluids and tissues of infected animals or people. People are infectious as long as their blood and secretions contain the virus. The incubation period is 2 to 21 days. There is no known cure or vaccine for the disease. The only treatment offered is “supportive intensive care.” –[Itar TASS](#)

Scientists from Tokyo Institute of Technology, Univ. of California San Diego & Kyushu Univ., made available Oct 16, 2014 (emphasis added):

- We estimated a lower limit of 5.2×10^{21} slow neutrons $\text{m}^{-2} \text{ sec}^{-1}$ [$\text{m}^{-2} \text{ sec}^{-1}$ = per sq. meter per second] were emitted from the nuclear fuel rods to the sea water injected in the reactors
- Priyadarshi et al. (2011) have estimated a release amount of 4×10^{21} slow neutrons m^{-2} . The large difference with our estimation [13,000,000,000 times higher] comes from the intrinsic limit of the box model study by Priyadarshi et al.
- Our model directly estimates the amount of material released from the reactor core
- The estimated... number of neutron represent a lower limit of the amount of radiation emitted from the nuclear reactors... These values can be used as a proxy to the total amount of radiation emitted since the melt down

During the first three trading days of 2015, the S&P 500 was down a total of 2.73 percent. There are only two times in history when it has declined by more than three percent during the first three trading days of a year. Those years were 2000 and 2008, and in both years we witnessed enormous stock market declines.

#2 Very choppy financial market behavior. This is something that I discussed yesterday. In general, calm markets tend to go up. When markets get choppy, they tend to go down. For example, the chart that I have posted below shows how the Dow Jones Industrial Average behaved from the beginning of

2006 to the end of 2008. As you can see, the Dow was very calm as it rose throughout 2006 and most of 2007, but it got very choppy as 2008 played out...

#3 A substantial decline for 10 year bond yields. When investors get scared, there tends to be a “flight to safety” as investors move their money to safer investments. We saw this happen in 2008, and that is happening again right now.

In fact, [according to Bloomberg](#), global 10 year bond yields have already dropped to low levels that are absolutely unprecedented...

#4 The price of oil crashes. As I write this, the price of U.S. oil has dipped below \$48 a barrel. But back in June, it was sitting at \$106 at one point. As the chart below demonstrates, there is only one other time in history when the price of oil has declined by more than \$50 in less than a year...

#5 A dramatic drop in the number of oil and gas rigs in operation. Right now, oil and gas rigs are going out of operation at a frightening pace. During the fourth quarter of 2014, [93](#) oil and gas rigs were idled, and it is being projected that another [200](#) will shut down this quarter. As [this Business Insider article](#) demonstrates, this is also something that happened during the financial crisis of 2008 and it continued well into 2009.

#6 The price of gasoline takes a huge tumble. Millions of Americans are celebrating that the price of gasoline has plummeted in recent weeks. But they were also celebrating when it happened back in 2008 as well. But of course it turned out that there was really nothing to celebrate in 2008. In short order, millions of Americans lost their jobs and their homes. So the chart that I have posted below is definitely not “good news”...

#7 A broad range of industrial commodities begin to decline in price. When industrial commodities go down in price, that is a sign that economic activity is slowing down. And just like in 2008, that is what we are watching unfold on the global stage right now. The following is an excerpt from a [recent CNBC article](#)...

#8 A junk bond crash. Just like in 2008, we are witnessing the beginnings of a junk bond collapse. High yield debt related to the energy industry is on the bleeding edge of this crash, but in recent weeks we have seen investors start to bail out of a broad range of junk bonds. Check out [this chart](#) and [this chart](#) in addition to the chart that I have posted below...

#9 Global inflation slows down significantly. When economic activity slows down, so does inflation. This is something that we witnessed in 2008, this is also something that is happening once again. In fact, it is being projected that global inflation is about to fall to the lowest level that we have seen [since World War II](#)...

.#10 A crisis in investor confidence. Just prior to the last financial crisis, the confidence that investors had that we would be able to avoid a stock market collapse in the next six months began to decline significantly. And guess what? That is something else that is happening once again...

FAKE TERROR GROUP PLANS “MASS CASUALTY ATTACK” AGAINST WEST

Scary warning issued same day Charlie Hebdo attacked

by KURT NIMMO | INFOWARS.COM | JANUARY 9, 2015

Taking advantage of the hysteria and outrage surrounding the Charlie Hebdo attack in Paris prior to the ongoing drama as the state tracks down the alleged perpetrators, Andrew Parker, director general of the British Security Service, warned Khorasan will soon strike.

“We know, for example, that a group of core al Qaida terrorists in Syria is planning mass casualty attacks against the West,” the MI5 boss told members of the Royal United Services Institute.

“Al Qaida continues to provide a focus for extremists to plot terrorist attacks against the West. British Islamist extremists still travel to South Asia, the Arabian Peninsula and other theaters to try to obtain terrorist training.”

As usual, no credible or specific information about such an attack was provided.

Even more telling is the fact Khorasan does not exist. It was invented by the U.S. government to beef up the al-Qaeda and ISIS terror narrative.

Russian Economy Minister Cites Lenin Saying 'The Era Of Peace Is Over'

Russia's economy minister Alexei Ulyukayev borrowed a quote from communist revolutionary Vladimir Lenin in his speech to the Gaidar Forum in Moscow today.

Ulyukayev cited the founder of the Soviet Union as he told guests at the economic summit that the era of peace is over to be "replaced by an era of relatively much more impulsive, spasmodic, disastrous, conflict", according to Russian business daily *Vedomosti*. However, he assured his audience that there was "no reason to panic" because the Russian budget is healthier than it was in 2008.

Report: Christian Persecution Reaches New Levels, Worse to Come

Prison, torture, and rape used against Christians across the globe.

Christian persecution across the globe has reached a new high in modern times and the worse may be yet to come, according to a report from the Christian watchdog group Open Doors. The group issued on Wednesday their latest World Watch List, which ranks countries based on their hostility to Christians. They said their research indicated worldwide persecution of Christians was particularly rampant last year and only

Today, Open Doors released its annual World Watch List, which ranks the top 50 countries where it is most dangerous and difficult to be a Christian. This year, the threshold was higher for a country to make the list, indicating that worldwide levels of persecution have increased. Topping the 2015 list for the 13th consecutive year is North Korea. Africa saw the most rapid growth of persecution, while the Middle East saw targeted attacks, resulting in a mass exodus of Christians.

Approximately 100 million Christians are persecuted worldwide, making them one of the most persecuted religious groups in the world. Islamic extremism is the main source of persecution in 40 of the 50 countries on the 2015 World Watch List. While persecution can take many forms, Christians throughout the world risk imprisonment, torture, rape and even death as result of their faith.

"Even Christian-majority states are experiencing unprecedented levels of exclusion, discrimination and violence," said David Curry, president and CEO of Open Doors USA. "The 2015 World Watch List reveals that a staggering number of Christians are becoming victims of intolerance and violence because of their faith. They are being forced to be more secretive about their faith."

By Ben Wolfgang - The Washington Times - Sunday, January 11, 2015

A key senator said Sunday she believes there are terrorist sleeper cells in the U.S. that could carry out attacks similar to the ones in France that left 17 people dead last week.

Sen Dianne Feinstein, California Democrat and vice chairman of the Senate Select Committee on Intelligence, did not comment on specific threats against America but said other attacks are possible.

"I think there are sleeper cells not only in France but certainly in other countries and, yes, in our own," she said on CNN's "State of the Union" program. "This calls for vigilance. ... Hopefully, we can be even more active in terms of doing those things which enable us to find terrorists, see who they're communicating with and to track that."

Ms. Feinstein's words come the same day a new Rasmussen poll shows that 65 percent of Americans believe terrorist attacks similar to those seen in France last week are likely to happen over the next 12 months.

But administration officials say there is no information on specific plots or sleeper cells.

Word of Prophecy for 2015

By Pastor Dean Odle

On November 25, 2014, while in prayer, the Holy Spirit gave me a word about 2015. He said, "There will be a CONVERGENCE of Bible prophecies in 2015." He showed me that end-time scenarios will SPEED UP and He said that "...there will some DRAMATIC changes in America and across the world." He also revealed that the labor pains of Matthew 24 and unprecedented events (that began in 2014) will continue and intensify.

The Lord's message continued with a warning that some people only have a small window to get their lives right with the One True God of the Bible. The True God's name is Yahweh, Jehovah, Elohim, El Shaddai, Adonai and Jesus Christ of Nazareth. He is the ONE GOD Who manifests Himself in three distinct ways:

Father, Son, and Holy Spirit. He has never used the name Allah nor does the True God of the Bible even come close to resembling the false god of Islam or their counterfeit Jesus they call Isa. Furthermore, we get our lives right by repentance (turning from sin, unbelief, and worldly distractions) and drawing near to the Jesus Christ of the Bible. We must believe that Jesus Christ (God Almighty the Creator in the flesh), was born of a virgin, lived a sinless life, died on the cross for the sins of mankind and that He rose from the dead!

In 2015, we must anchor ourselves in the sound doctrines of the Bible (especially end-time prophecy) and true intimacy with our Lord Jesus Christ because demonic New Age deceptions will increase. The false prophets will continue to promise peace and prosperity while they declare that the second coming of Jesus is a long way off. Satan will increase his supernatural manifestations in and through

the various "Lightworker" meditation groups, the Roman Catholic Church, the United Nations, and the UFO/alien phenomena. And many will be deceived to follow these lying signs and wonders of Satan and the "ancient aliens" aka fallen angels.

Even now I am watching many Christians and churches fall away from the truth of Scripture and the true Jesus Christ. Many Christians are becoming universalists (believing all religions lead to God) or the lie that there is no eternal HELL for those who reject God and live in sin. Some Christians are becoming New Agers as they practice Yoga, Zen/Buddhist meditation and visualization techniques. Many are getting into shamanistic/pagan healing methods like acupuncture, Reiki, and essential oils. In the last few years I have personally witnessed many Baptists, Methodists and even Pentecostals mixing these pagan practices into their "faith." Some Protestants are even

becoming Mary-worshipping, Roman Catholic idolaters and aligning themselves with the false prophet Pope Francis. But what they don't realize is that they are opening doors to demons to come into them and build strongholds in their minds i.e. souls and when the Antichrist and his false prophet (the final pope) move into power, they will tap into the demons that these Christians have acquired and easily manipulate these compromised believers. In fact, I believe that many Christians will take the mark of the Beast and pledge allegiance to his coming world government. Many of them will betray and hate true Christians that take a stand for the Bible and Jesus Christ (which is already beginning).

However, the silver lining on these dark clouds is that the Lord has also spoken through the gift of prophecy and His Word that there will be a fresh anointing and empowerment from

His Holy Spirit for those who "know their God" and walk in truth. This anointing will begin to break the bonds of Satan off some people that we have been trying to reach. Some hard cases are going to get saved and follow Jesus! Don't give up on people this year! Keep praying and speaking the truth boldly and some people around you will be saved, healed, and delivered from demons in 2015!
