Dear Johnny,

Blessings to you in the name of our Lord and saviour Jesus Christ.

I wanted to ask you about 5g.

I have just returned from a retreat. It is in the middle of beautiful countryside and I went there last year and it was lovely and peaceful. I downloaded some of your shows but I did not need to as they had installed WiFi. So instead of hearing birdsong and people singing as they worked, everyone was on their phones and did not acknowledge anyone. At dinner last night a man had his iPad propped up with BBC news on - I did a Paul Begley - are you serious!!

Anyway I went for a walk and the wet leaves reminded me that they can shield against certain frequencies. As I was walking a revelation came to me about a dream I had a couple of months ago about being tortured with electricity. I shared it with Jeff Byerly and just thought it was an end time dream. Now I understand it is about 5g. Basically there were 4 blocks (representing 1-4g) I started off with thick soled shoes and I deliberately moved slow but the man in charge said I am sorry but you have to move to the end where there was no protection on my feet and the current was very much stronger. It was a frightening dream and I wondered your thoughts.

In the UK they are planning on covering the whole country with 5g by the end of this year and I believe president Trump has signed something similar. I read a very informative book called " under an ionized sky " by Elana Freeland. I have lent it to my only awake friend (!) who is very concerned about the effects 5g has on not just physical health but can also change a peaceful crowd into a violent mob for example. In the dream I wanted to move slowly and took my time changing shoes but in the end had no choice but to move to the final block. Thank you for all you do and all your wonderful guests. I listened to Sarah Menet's broadcast and have bought her book, I wondered why she did not have the internet. My friend is trying to have her smart meter uninstalled. I do not have one but I know the British government is planning on making them compulsory. Things are indeed moving rapidly.

Love and prayers,

In Jesus name,

Mary

Well gosh. I am basically the equivalent of an electronics engineer and cybersecurity specialist by trade. So I am intimately familiar with all these technologies. I remember when everyone was just going nuts over CERN and how huge demons were being let into the earth through portals. I also remember in the 1960-70's how the churches were screaming bloody murder that the American Express credit card was absolutely "The Mark of the Beast". We have had sooooooooooooooooo many (i mean like hundreds) of false alarms over technologies being evil that I tend to just kick back and take things with a grain of salt. To me, 5G is just a frequency range. Nothing more nothing less. Now granted this particular frequency range is high (microwave tech) and there is some legitimate concern about its possible long-term effect on unborn babies ONLY if it is received in extremely large doses which is very very very unlikely. Now could it be possible for the evil ones to "inject" a mind control carrier wave over the 5G signal and do some bad things; well I guess maybe. However the black ops governments have had GWEN towers and other mind control towers installed all over the world now for about 15 years (and longer). Russia installed a mind control tower called the "woodpecker" (because of the sounds it made over Ham radios which I have heard myself because I am an extra class Ham operator). This humongous mind control tower now sits defunct just to the north of Chernobyl. Its no longer used. And then you have HAARP which has all sorts of amazing capabilities. And there are mind control technologies that are portable and can be used in helicopters etc.

The Vatican, the Third Temple, and the Burdensome Stone

And in that day will I make Jerusalem a burdensome stone for all people: all that burden themselves with it shall be cut in pieces, though all the people of the earth be gathered together against it. (Zechariah 12:3)

As investigated by myself and Cris Putnam in our bestselling book [*Petrus Romanus*](#), there is ample evidence to suggest that the Vatican has had a long-running interest in controlling Jerusalem and, by extension, the Temple Mount—with possibly the objective of a Third Temple.

Over the last decade alone, surreptitious negotiations have included Netanyahu seeking to give David’s Tomb to the Vatican,^[vii] claims that the Vatican is hoarding Second Temple treasures until geopolitics allow for a rebuilt Temple under their control,^[viii] and even efforts by the United States via Secretary of State John Kerry involving plans “for eastern Jerusalem that calls for an international administrative mandate to control holy sites in the area” including the Temple Mount. Kerry’s plan recommended a coalition under Vatican oversight with Muslim countries such as Turkey and Saudi Arabia.^[ix]

The possible Vatican connection to a rebuilt Temple is intriguing when one considers Peter Goodgame’s convincing argument that the Roman prince seen in Daniel 9:27 who sets up the Abomination of Desolation is the False Prophet rather than the Antichrist.^[x] He cites Revelation 13:14, in which the False Prophet “deceiveth them that dwell on the earth by *the means*

of those miracles which he had power to do in the sight of the beast; saying to them that dwell on the earth, that they should make an image to the beast, which had the wound by a sword, and did live” (emphasis added), and Daniel 11:31, which prophecies, “And **arms shall stand on his part**, and they shall pollute the sanctuary of strength, and shall take away the daily *sacrifice*, and they shall place the abomination that maketh desolate” (boldface added; italics added). These passages clearly show it is the confederates of the Antichrist who set up the desolating image connected to a rebuilt Temple. Goodgame also argues that because Daniel refers to the Antichrist as a king (Hebrew *melek*) in 7:24, 8:23, and 11:21–35, it seems unlikely that he would call him a prince (Hebrew *nagiyd*) in 9:26–27. We can safely assume that he is Roman by the phrase, “And **the people of the prince** who is to come, shall destroy the city and the sanctuary” (v. 26; boldface added), which necessarily refers to the Roman sacking of Jerusalem in AD 70. Goodgame’s exegesis and reasoning are sound and compelling.

In line with Daniel 9:27’s prediction of a covenant for one week, Goodgame argues that this infers that a pope will broker an agreement over Jerusalem.

This final seven-year period will begin when the future Roman prince “confirms a covenant” that will involve the nation of Israel and the city of Jerusalem, which many evangelical scholars connect to a “deal” resulting in the building of the Third Temple. This has led to the belief that this future Roman prince will be the False Prophet of Bible prophecy, and that he may indeed be a leader of the Roman Catholic Church. It is clear from Scripture that the False Prophet will be a powerful and

well-respected global spiritual leader, and there is none more powerful or more respected in religious matters than the Roman Catholic Pope. [\[xi\]](#)

THE ANSWER TO THIS PROBLEM

Here is an exercise of amazing mathematical genius. Do you think you are up to it? How smart do you think you might be?

I challenge you to do the following.

Write a genealogy of Hebrew names in the Greek Language using the following rules.

- 1.The number of words must be divisible by seven evenly
- 2.The number of letters must be divisible by seven evenly
- 3.The number of vowels must be divisible by seven evenly
- 4.The number of consonants must be divisible by seven evenly
- 5.The number of words that begin with a vowel, divisible by seven

6. The number of words that begin with a consonant, divisible by seven
7. The number of words that occur more than once, divisible by seven
8. The number of words that occur in more than one form, divisible by seven
9. The number of words that occur in only one form, divisible by seven
10. The number of nouns, divisible by seven
11. Only seven words, shall not be nouns
12. The number of names, divisible by seven
13. Only seven other kinds of nouns may be used
14. The number of “male names”, divisible by seven
15. The number of generations, divisible by seven

This is Matthew Chapter One – Verses 1 – 11

'If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for. '

...Charles Spurgeon

SMITH WIGGLESWORTH

Be on Guard

But the Lord is faithful, who will establish you and guard you from the evil one.

—2 Thessalonians 3:3

Scripture reading: 2 Thessalonians 2

*T*hese are the last days, the days of “*the falling away*” (2 Thess. 2:3). These are days when Satan is having a great deal of power. But we must keep in mind that Satan has no power except as he is allowed.

It is a great thing to know that God is loosing you from the world, loosing you from a thousand things. You must seek to have the mind of God in all things. If you don't, you will stop His working.

The striking thing about Moses is that it took him forty years to learn human wisdom, forty years to know his helplessness, and forty years to live in the power of God. It took one hundred and twenty years to teach that man, and sometimes it seems to me that it will take that many years to bring us to the place where we can discern the voice of God, the leadings of God, and all His will concerning us.

I see that all revelation, all illumination, everything that God had in Christ was to be brought forth into perfect light so that we might be able to live the same way, produce the same things, and in every activity be children of God with power. It must be so. We must not limit the Holy One. We must clearly see that God brought us forth to make us supernatural, so that we might be changed all the time along the lines of the supernatural. He wants us every day to live in the Spirit so that all of the revelations of God are just like a canvas thrown before our eyes, on which we see clearly step by step all the divine will of God.

Thought for today: We will never know the mind of God until we learn to know the voice of God.

"A Prayer for Spiritual Revival":

Disturb us, Lord, to dare more boldly, To venture on
wider seas Where storms will show your mastery;
Where losing sight of land, We shall find the stars.
We ask You to push back The horizons of our
hopes; And to push into the future In strength,
courage, hope, and love. Because we have
dreamed too little, When we arrived safely Because
we sailed too close to the shore. Disturb us, Lord,
when With the abundance of things we possess We
have lost our thirst For the waters of life; Having
fallen in love with life, We have ceased to dream of
eternity And in our efforts to build a new earth, We
have allowed our vision Of the new Heaven to dim.
Amen.

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

General William Booth TRY TEARS -

On April 9, 1865, Lee met Grant in the parlor of a private home at Appomattox Court House. He surrendered his army and brought an end to four long years of death and devastation called the Civil War. In the same year a 36 year old Englishman by the name of William Booth declared war on the powers of darkness by founding the Salvation Army.

One of the most effective weapons in General Booth's arsenal was fervent prayer. It was not unusual for Booth to hold "an all night of prayer" when he came to preach the Word of God. People would flood the altars every where he went. "The power of God was wonderfully manifest in the meetings . . . people were frequently, struck down, overwhelmed with a sense of the presence and power of God."

The Salvation Army's success at freeing the captives was uncanny, especially when one considers those who it strived to reach. General Booth's battle cry was "Go for souls and go for the worst." The worst of sinners were saved, saloons were closed and entire cities were shaken.

Booth's success attracted not only supporters but also enemies. Those who served in the Army were pelted with hot coals, sprayed with tar and burning sulphur, beat, stoned and even kicked to death in the streets. The Salvation Army resisted their enemies with a cheerful "God bless you", and a prayer. General Booth, himself was often in the thick of it. When spit on during the Midlands tour, Booth encouraged his fellow soldiers, "Don't rub it off - it's a medal!"

Night after night Booth would come home bleeding and bruised after being attacked for preaching in the slums of England. After such nights of testing he would take his wife's hand and say, "Kate, let me pray with you." After praying with Catherine he would rise from his knees armed with fresh courage and hope. Booth needed all the valor his wife Catherine could inspire

in him. She encouraged him, "if we get tired we had better go and be done with, anything is better than a dead church." Despite the grinding pressures of the ministry the Booths had a happily united family. The General had nine children and loved to play and romp with them, especially in their favorite game of "Fox and Geese."

Once while traveling, General Booth's car was detained. He took advantage of the opportunity and exhorted some idle factory workers. He said, "some of you men never pray, you gave up praying long ago. But I'm going to say to you, won't you pray for your children that they may be different?" Within minutes 700 men knelt in silent prayer.

At another time, two Salvation Army officers set out to found a new work, only to meet with failure and opposition. Frustrated and tired they appealed to the General to close the rescue mission. General Booth sent back a telegram with two words on it, "TRY TEARS." They followed his advice and they witnessed a mighty revival.

During the course of William Booth's ministry he traveled 5,000,000 miles and preached 60,000 sermons. God help us in this desperate and distracted day in which we live to heed the General's advice. "Work as if everything depended upon your work, and pray as if everything depended upon your prayer."

Luke 18:1-8 (The Persistent Widow)

Then He spoke a parable to them, that men always ought to pray and not lose heart, 2 saying: "There was in a certain city a judge who did not fear God nor regard man. 3 Now there was a widow in that city; and she came to him, saying, 'Get justice for me from my adversary.' 4 And he would not for a while; but afterward he said within himself, 'Though I do not fear God nor regard man, 5 yet because this widow troubles me I will avenge her, lest by her continual coming she weary me.'"

6 Then the Lord said, "Hear what the unjust judge said. 7 And shall God not **avenge** His own elect who cry out day and night to Him, though He bears long with them? 8 I tell you that He will avenge them speedily. Nevertheless, when the Son of Man comes, will He really find faith on the earth?"

Food For Thought
by George Davis

In 1949 the communist revolution marked the end of all missionary efforts in China. All foreign missionaries were expelled. After the communist takeover the Chinese government bitterly attacked the Church in China, driving it underground.

For 25 years China was closed to any outside "Christian" influences. Little information filtered through the tight-knit bamboo curtain. All remaining Christian leaders were rounded up wholesale and were either imprisoned or killed outright. Everything that was considered "Christian" was destroyed, church building, bibles, hymnals, everything. For 25 years a holocaust far exceeding that, inflicted on the Jews by Nazi Germany, ensued. It is estimated that about 27 million died during this purging.

In 1978 Deng Xiaoping came into power and China opened her borders once again. The western world stood in breathless anticipation. What would they find in the aftermath of such a horrible slaughter? Missionaries from around the world stood ready, poised in anxious intrepidity. Would there even be one surviving believer? Nothing could have possibly prepared them for what they were about to see!

After 25 years of horrendous persecution the missionaries returned to find that the church in China had not been obliterated, as many had feared, but that they had grown in number from the estimated one million believers before the 1949 revolution, to about 30 million. The contrast was amazing! What had caused such unprecedented growth? How could this be? Not only had they grown numerically but they had grown spiritually. The tales of their devotion to Christ are nothing short of inspirational. Most bewildering is the fact that this unparalleled growth occurred without the aid of any of those things that are thought to be essential in denominational churches today. Without the aid of professional pastors/priests, church buildings, bibles, Sunday-school materials, homilies, hymnals and mass gatherings, the Church in China has grown numerically and spiritually to be the most victorious expression of Christ's Church on the earth today. By all accounts, nothing like it has existed since the early Church. The very gates of hell could not prevail against her!

Makes you think doesn't it?

Ya know what's really fascinating Terri, is that in Pastor Sori Parks' visit to heaven and vision, he was shown that NASA comes forward to tell the whole world that "Aliens" too the people who were actually raptured.

I find this amazing. I wonder if this is "counter intelligence" being used by "the Devil" to trick the entire general population of the world about a program that doesn't really exist so that when they announce this after the rapture, everyone will say OHHH YEAH PROJECT BLUE BEAM

It will be quite interesting to see how this all unfolds. My "guess" is that we will be at the marriage supper by then LOL

Quote:

After a huge globally publicized deliverance of a possessed woman in the Philippines, on international radio, the demons came back into the woman a day or two later:

This is a quote of what happened next:

. I ordered the demons to tell me why they had returned. They spoke in English through her lips, "She has not asked us to go. She wants us. It is only you who desires for us to leave." Again I demanded that they leave her. Clarita told me they were gone through the window. I explained to her why they returned and told her to tell them to leave and never return. She did. Then, I led her in prayer, pleading the blood of Jesus against them. It was about noon. Clarita was weak from the ordeal. I told the prison officials to let her rest and to give her food. As I was leaving, I said, "Clarita, I am sure these devils will return again. After I am gone, they will come. Then you must order them to leave without my being present to help you. You must say, 'Go, in Jesus' name,' and they will obey." With that, I left the prison compound.

ALBERT PIKE WORLD WAR THREE

"**The Third World War** must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm which in all its horror will show clearly to the nations the effect of absolute atheism, origin of savagery and of the most bloody turmoil. Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view. This manifestation will result from the general reactionary movement which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time."

THE PILGRIM CHURCH

The Pilgrim Church:

- A Second Century Letter to Diognetus

He writes “Christians are distinguished from other men neither by country, nor language”, living in such places “as the lot of each of them has determined, and following the customs of the natives in respect to clothing, food, and the rest of their ordinary conduct, they display to us their wonderful and confessedly striking method of life. They dwell in their own countries, but simply as sojourners. As citizens, they share in all things with others, and yet endure all things as if foreigners. Every foreign land is to them as their native country, and every land of their birth as a land of strangers.... They pass their days on earth, but they are citizens of heaven. They obey the prescribed laws, and at the same time surpass the laws by their lives... they are reviled and blessed”. Then, speaking of God, he says, He, “who is almighty, the Creator of all things,... has sent from heaven, and placed among men, Him who is the truth, and the holy and incomprehensible Word, and has firmly established Him in their hearts.

A Pastor's Mansion

I saw a very gorgeous mansion, then a certain man was coming out, I knew he had been a pastor on earth. In heaven, they told me, the reason why he had a large and beautiful mansion in heaven, was primarily his giving & helping the needy and the poor, and his praying. These provided materials for his mansion in heaven.

They also explained to me, That different works we do on earth carry different weights in heaven, what God values and esteem high is very much different from what people think, they told me, the works we do that are unnoticed, behind the scenes, that people don't know about and unappreciated are the works that God values more, the works we do out of a pure heart and selfless love, they have great reward in heaven. Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.

I looked over the City, the bright lights, the golden doors of mansions facing east, the majestic palace, the mansions and houses, the transparent streets of gold, the chariots travelling around, the children playing, saints talking and walking, the gardens, I said "Wow, Heaven is so wonderful". I didn't want to come back but I knew it was my time to go.

Pt 1 Listen! The Lion Roars! The birds take flight. You can see the beasts of the earth running.

Look at the sky-it's clear. Shhhhhh. Listen! I hear thunder. I know-How can there be thunder? the sky is clear.

I know, but it looks strange. Something's not right. I have a peculiar feeling. Look over there-it looks like it's

Lightning. I think we should go inside-it's lightning and thundering to the east.

I'm going to put the news on to see if something is going on. The newsman says "the lightning and thunder can be

Heard and seen all over the world. The lightning is causing fires everywhere.”

What’s that? It looks like airplanes. I don’t know, but I can hear sirens. No, there is something else! Yes, I hear it.

It sounds like a trumpet blowing. Did you hear that???? The news says the government has ordered our planes up.

They are tracking something on the radar.

Let’s go down the street and look at the national guard armory. I can see the trucks coming up the road. I think we

Should go over to the store now. The local news just cut in and said the schools are all being let out early. All the national Guard units are on alert. I’m going to stop at the bank first. Hurry up so we can get back before the kids come home.

Pt 2

We’d better hurry! The place looks jammed already. Put the news on. I can’t. The tv stations are all off the air.

I'll try the radio. There's nothing. It's off the air too. I think I know what's going on. Let's get what we need and get home.

Look! None of the street lights are working. We will have to take the back roads. See if your cell phone works. No-it's dead.

I can feel the earth shaking. Remember that earthquake we had? The doors were moving and the pictures. I think this is

What the Bible calls "the end of time" when Jesus returns, or The Day of the Lord. They say it will be a regular day.

No one knows when, but the signs are all available to see for those with eyes, and those with ears can hear the warnings.

I guess God gave warnings like He did in the time of Noah, and no one listened. They all laughed at the warnings.

God (?) made fun of it until it started to rain. Guess what? I think it's raining.

Barb adds:

That's very intriguing. It's a glimpse. It's going to be a regular day. The Second Coming of Christ- no one is going to expect it,

Just like the Day of Noah. Everyone was just going about their regular business...

You know time is short when I'm getting a prophecy like this about The Day of the Lord and the Second Coming of Jesus.

The Seven Thunders Revealed

Posted on December 21, 2011 by John Baptist

They Fly Like the Wind And Come From Afar

The Seven Thunders of Revelation have been revealed. I am satisfied what these saints have been shown in the truth. It matches everything I have uncovered in my research over the years. Glory to Jesus and our Heavenly Father for revealing these things in the "latter times". Indeed we live in the "latter times".

Praise the Holy Lord Jesus Christ and our awesome Heavenly Father God. Since many people cannot access You Tube videos, I have manually transcribed (as best as possible) the prophecy shared in the video below.

The DAY OF THE LORD

Isa 13:1-16

The burden against Babylon which Isaiah the son of Amoz saw.

2 "Lift up a banner on the high mountain,
Raise your voice to them; Wave your hand,
that they may enter the gates of the nobles.

3 I have commanded My sanctified ones; I
have also called My mighty ones for My
anger — Those who rejoice in My
exaltation."

4 The noise of a multitude in the mountains,
Like that of many people! A tumultuous
noise of the kingdoms of nations gathered
together! The Lord of hosts musters The
army for battle. 5 They come from a far
country, From the end of heaven — The
Lord and His weapons of indignation, To
destroy the whole land.

6 Wail, for the day of the Lord is at hand! It
will come as destruction from the Almighty.

7 Therefore all hands will be limp, Every

man's heart will melt, 8 And they will be afraid. Pangs and sorrows will take hold of them; They will be in pain as a woman in childbirth; They will be amazed at one another; Their faces will be like flames.

9 Behold, the day of the Lord comes, Cruel, with both wrath and fierce anger, To lay the land desolate; And He will destroy its sinners from it. 10 For the stars of heaven and their constellations Will not give their light; The sun will be darkened in its going forth, And the moon will not cause its light to shine.

11 "I will punish the world for its evil, And the wicked for their iniquity; I will halt the arrogance of the proud, And will lay low the haughtiness of the terrible. 12 I will make a mortal more rare than fine gold, A man more than the golden wedge of Ophir. 13 Therefore I will shake the heavens, And the earth will move out of her place, In the wrath of the Lord of hosts And in the day of His fierce anger. 14 It shall be as the

hunted gazelle, And as a sheep that no man takes up; Every man will turn to his own people, And everyone will flee to his own land. 15 Everyone who is found will be thrust through, And everyone who is captured will fall by the sword. 16 Their children also will be dashed to pieces before their eyes; Their houses will be plundered And their wives ravished.

[Destruction Unleashed](#)

My children, as the destruction falls, you will see terrible things in your atmosphere. I desire to warn you of this so you will understand.

Destruction unleashed is something you have only glimpsed in make-believe. You have never truly seen destruction unleashed in your world and it shall be a terrifying sight. With destruction come many demonic entities that have heretofore been in another realm where you could not see them. These were not meant to dwell on the earth, but will be loosed for a season upon the wicked. You cannot kill these with weapons, and this, too, shall make you afraid, but you, My children, have the true weapons to keep them away from you – My Word, My Blood, and My Name.

This is part of why it is imperative you learn about Me now. You need these weapons and the knowledge of how to use each one stored up on your heart for that time, for it is not far into the future for you.

I forewarn you in My Mercy.

32 'If you love those who love you, what benefit is that to you? For even sinners love those who love them.

33 And if you do good to those who do good to you, what benefit is that to you? For even sinners do the same.

34 And if you lend to those from whom you expect to receive, what credit is that to you? Even sinners lend to sinners, to get back the same amount.

35 But love your enemies, and do good, and lend, expecting nothing in return, and your reward will be great, and you will be sons of the Most High, for he is kind to the ungrateful and the evil.

Godshealer7 - The Man of Sin will be Revealed for Who He Is (Obama)

Part 1 Daughter: speak this warning and tell the people what I have

shown you. The restrainer will be taken away.

The man of sin will be revealed for who he really is-The Beast. Mr. Obama will return in his new position as ruler.

The streets will be filled with violence, civil unrest and war. The weak will be murdered, unable to defend themselves. Children will murder parents for what they have and take it from them. Your militia will be unable to keep order or gain control.

There will be riots and fires. There will be no safe place. The unbelievers will rise to power. Behold, I come quickly.

Part 2 (after Barb prayed about the initial prophecy)

Abbara, you have seen well and have understood. This is The Tribulation coming upon the whole earth. Many will be killed

For My Names sake.

Barb then said she saw a glimpse of the “deep part” of the tribulation where children were killing their parents while she was receiving this prophecy.

Then Dan said this video might get GH7 taken off youtube, so this might be the last video from them.

Dan said he has received a portion of a Word in recent days: we are on the brink of “the time of trials”.

Dan then said they are criticized by some who say GH7 is just trying to stir up drama. Dan said they are just trying to prepare

People and get sinners to repent. Dan said he thinks we are right on the edge of something major.

CONTRAST THIS WITH

PILLOW PROPHETS:

The Ex's have reconciled! Jesus is married to America'. Since the day of inauguration we have been praying for our President, prayer mapping our entire nation and daily interceding for the United States of America and for President Trump. In 2017 and 2018 God said He was returning to America. God is back and we are a godly Christian nation once again. In the next decade we will see the Glory of God in America, we will see the wicked punished or brought to repentance, we will see America great again, not just because President Trump is in office but truly because Jesus is married to America. Thank You Jesus. We love you. We are your nation. We are in the last days and America is going to finish well in End Times. We are a sheep nation again. America, get ready for REVIVAL!

I Will Draw a Line

By Glynda Lomax on Feb 08, 2019 12:00 am

My People (I heard such great sadness in the Lord's Voice), a very great war is coming which will affect all peoples. During this war, violence will overtake your lands. The enemy is preparing the hearts of his people for this war. Tensions are increasing quickly, it is not long (until it begins)– many, many souls will be lost to the kingdom of darkness in this war. Those souls who are not rooted and grounded in Me will stand no chance.

For My People, I will be the difference in what is coming to your land. Just as I drew a line in Goshen for My People Israel who followed My Servant Moses, so will I draw a line for My People.

I will punish the servants of Satan in the time of this war and you shall see it, but My Punishment shall not come near

those who serve Me with their whole hearts. I shall guide you and provide for you and only with your eyes shall you behold and see the reward of the wicked.

This war will be a very sad time for all mankind, for the destruction will be very great. Great cities and lands shall be lost forever in this war. Bodies will lie rotting in your streets for it will not be safe to bury your dead. When this happens, know the end is very near, and you have little time left in the earth.

Tell men of My Coming, for it is very near now. Tell them to give their hearts to Me, for I am coming back soon to gather My Children to Me. Tell them that they not suffer an eternity without My Great Love.

SARAH MENET PROPHECY 1979

(Biological, Chemical, Nuke, Comets, a Year of Horror)

SARAH MENET PROPHECY

(Biological, Chemical, Nuke, Comets, a Year of Horror)

INTRODUCTION

As I tried to look away from my black surroundings, a small light started to shine in front of me, and the darkness, sounds and feelings that had so completely oppressed me started to fade into the background. The light grew bigger, and a window opened up much the same as when I had witnessed my life's review. This time however, a panoramic view of the entire earth lay before me. It came closer and closer as if I had been out in space and was flying toward it. I knew what was happening was intended to help me make my decision about going back to the earth and my terrible life. A part of me wanted to go back to the beautiful spirit world, or paradise, that I had seen, and another part of me felt the need to be reunited with my body so I could change my life. It was a tug-of-war, and what I was about to see was to help me understand what I would be going through if I chose to go back to my 'body of clay.' Again the view before me played out like a videotape in fast forward motion, and yet I could see the scene in perfect clarity and was able to comprehend everything that transpired.

IRAN (LYBIA) NUKES ISRAEL

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start

was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

OTHER NUCLEAR MISSILES FIRED

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

THE PRECURSOR EVENTS

EVENTS LEADING UP TO NUCLEAR WAR

My focus then changed from the Middle East to the United States, and I understood that I was about to see some of the things that would lead up to the nuclear holocaust that I had just witnessed.

SHE SEES 911 NYC

As I looked upon the continent of North America, I zeroed in on the eastern coast and then on New York specifically. I saw New York City with all of its people and buildings. I then saw some tall buildings crashing to the earth surrounded by tremendous amounts of smoke, dust, and debris. I zoomed in closer into the smoke and dust, and I saw a woman holding a little girl's hand

and running from the crashing buildings. The woman had long dark hair, hanging past her shoulders and curled inward slightly. She wore a beige business suit, heels of a slightly darker color, perhaps tan, and she was not wearing glasses. The little girl appeared to be about 6 or 7 years old with short brown hair reaching below the chin and cut in a type of pageboy look. They ran together, holding hands and trying to escape from the falling buildings. As they ran through the heavy smoke and dust, they were forced to let go of their hands and became separated. The child was terrified, and I could hear her screaming, "Mommy, mommy!" over and over again. I don't know their outcome, if they lived or died, but I can still see the face of the woman clearly and could easily identify her from a photo or describe her to a sketch artist. I asked if an earthquake had caused the buildings to fall and felt impressed that the answer was no. However, I was not given any indication as to the cause of the destruction. (Incidentally, I told this story many, many times before September 11, 2001. When I did see on television the World Trade Center towers collapsing, I knew that this was what I had seen.

THIRD SEAL - FINANCIAL COLLAPSE

The next thing that came to me was more felt than seen. It was the understanding that shortly after the crashing of the buildings in New York City, commerce ceased. Shopping and buying seemed to stop, and the economy failed **throughout the world**. Few had any money at all, and those who did have it could not buy anything of worth with it. Gold and silver and other commodities had value and could be traded.

CHEMICAL ATTACKS

I then saw a man walk into a middle of a crowd of people and drop what seemed like a quart jar full of liquid. The jar broke and the liquid spread. I understood that people nearby had become infected with a disease from the liquid, and ***they didn't even know it***.

A day or two later the people became sick and started dying. I saw that this would happen in four particular cities: New York, Los Angeles, San Francisco and Salt Lake City.

The disease started with white blisters, some the size of a dime, appearing the hands, arms and face of the victims. The blisters quickly developed into white puffy sores. Those with the disease would stumble around and fall over dead. Many died within a short time, perhaps 24 hours.

EBOLA

I also saw other people with a flu-like virus that spread more quickly than the first disease. The victims had blood coming from their nose, mouth, eyes, and ears. These people died even faster of this disease than the ones who had the first sickness.

DISEASE SPREADS MURDER MAYHEM

These diseases became wide-spread across the United States with hundreds of thousands infected. As the people were fleeing the cities in the hope of saving their lives, gangs were attacking them and killing them.

In the towns that were struck with disease there was chaos, with looting, rioting and murders involved in a complete breakdown of society. Many people seemed to go crazy.

EMP NO ELECTRICITY (US & ISRAEL)

I sensed that the electricity had failed everywhere and that nothing was running throughout the country, including any of the communication systems. I watched people throw rocks through windows to steal TV's that would not work and thought it was very strange.

While I watched all this happening in the United States, my view instantly jumped back to the Middle East, and I saw the same thing taking place in Israel. The same sores and the same types of sickness and disease that were plaguing the U.S. had also been unleashed in Israel. The switch in view only lasted an instant, and I was back in the United States.

HORRIBLE WINTER

There was a tremendously long winter that caught everyone by surprise following the siege of sickness. It started early and lasted into the summer months. A famine had begun over the few years leading up to the long winter because of storms, droughts, floods and other plagues that had taken place; and the abnormally long cold period seemed to cause the famine to suddenly increase to its full measure.

In the period of time following the disease, which was quickly followed by the long winter, things started going down hill very quickly. Events piled up one on top of another without any breaks.

(SENSE OF TIMING OFF)

My sense of timing was not very clear at this moment; however because I was seeing several things happening all at the same time or very close together.

CHAOS, STARVATION, MAYHEM, CONTINUES

During and after the long winter, the disease spread everywhere and increased in severity. The economy and the electricity were completely gone. Chaos and anarchy reigned over the entire United States. Without any government there was a total breakdown, and I saw people panicking everywhere. They were trying in vain to find food. There was none. I saw people even digging in the ground for worms to eat because they were so hungry from the lack of food. Also, during this time I became aware that there was very little drinking water, and the remaining water had become contaminated, so that if a person drank it they would contract the disease and die. Because of their great thirst many people drank the water in spite of the danger of poisoning and died. I mentioned earlier the gangs that killed people trying to escape the cities. It seemed that some of the people had lost their minds and went around in these gangs killing people just for the sake of killing; others killed for food or to gain some material possessions from their victims. Those that were killing for no reason were like beasts: animals completely out of control, as they raped, looted, burned and butchered people. I saw these gangs go into the homes of those who were hiding. They would drag them out of their hiding places, rape and dismember them. For many there was an unnatural fear and hatred that came over the people. Family ties that once existed between husbands and wives, parents and children no longer mattered. The only thing that mattered was individual survival. Men would kill their wives and children for food or water. Mothers would kill their children. For me, the events that then lay before me were horrible beyond description and almost unbearable to watch. The air everywhere was filled with smoke as many buildings and cities burned with no attempt to control the fires.

HOMES/CITIES OF LIGHT & REFUGE

(ISAIAH 60:1-3)

(Glory Light)

As I looked upon this scene of chaos, smoke and destruction I noticed that there were small pockets of light scattered over the United States. There were, I would guess, about twenty or thirty of them that I saw. I noticed that most of the locations of light were in the western part of the United States, with only three or four of them being in the east. These places of light seemed to shine brightly through the darkness and were such a contrast to the rest of the scene that they caught my attention.

I focused on them for a moment and asked, 'What are these things?'

I was then able to see that these points of light were people who had gathered together and were kneeling in prayer. The light was actually coming from the people, and I understood that the light was showing forth their goodness and love.

I further understood that they gathered together for safety and that, contrary to what I had witnessed everywhere, they cared more for each other than for themselves. Some of the groups were small with only a hundred people or so, but other groups consisted of what seemed to be thousands. I realized that many, if not all, of these places of light, or cities of light as I began to think of them, had somehow been established just before the biological attack, and that they were very organized. It was as if they had known what was coming and had prepared for it. I did not see who or what had organized them, but I did see many people struggling to reach them with nothing but what they could carry.

(ISAIAH 60:1-3)

The cities of light had food that others outside of those groups did not have, and within the cities of light food was readily shared with those who joined their groups. In these places there was peace and safety. The inhabitants were living in tents of all kinds, many of which were no more than blankets held up by poles. I noticed that the gangs made no threats on these groups and left them completely alone, choosing to pick on other targets and unprotected people, as many of the people in those cities had guns that they would use for self-defense. The gangs also preyed upon the people who were traveling, trying to reach the cities of light.

CITIES OF LIGHT MOVED OFTEN

As I looked upon them, I realized that these cities of light were temporary and that in a short time the people living within them would go to another place. I do not know where they were to go but seemed to think that they gathered in the mountains, to higher places.

BABYLON THE GREAT DESTROYED

FINAL NUCLEAR DESTRUCTION

As I was viewing the cities of light, my focus changed, and I became aware of missiles being launched and hitting U.S. cities. I watched as mushroom clouds started forming over many areas of the United States. Some of the clouds came from missiles that I knew were fired from Russia, and others were not from missiles at all, but from bombs that were already in the United States. These latter bombs had been hidden in trucks and in cars driven to certain locations and then detonated. I specifically saw Los Angeles, Los Vegas, and New York City hit

with bombs. New York City was hit with a missile, but I think that Los Angeles was hit by at least one truck bomb, if not several, because I didn't see any missile. I also saw a mushroom cloud from north of Salt Lake City, but without the aid of a missile.

SIXTH SEAL - FIRE BALLS & COMETS START FIRES

In the darkness I also saw little fireballs. I'm not sure if this happened just before or during the mushroom clouds. The balls fell from the sky, were of different sizes – most being the size of golf balls – and were very hot. There were millions of them. As they fell from the sky they left streaks of flame and smoke behind them. Everything they touched started on fire: people, buildings, trees, or grass. Everything burned. I didn't ask what they were or where they had come from because by this time I was sick because of the scene before me, and so I observed without asking many questions.

RUSSIAN CHINESE INVADE

(part of nuclear war)

At almost the same time and in the same locations as the mushroom clouds, I saw Russian and Chinese troops invading the United States. The Russians were parachuting at many spots along the Eastern Coast; I also saw them parachuting in Utah. Chinese troops were invading from the West Coast near Los Angeles. They were met with resistance from those who had survived the disease and bombs. I did not see any United States military there at that time. The invasion was part of the nuclear war that I had seen earlier, and I knew that similar events were taking place all over the world as I had seen previously.

RUSSIAN CHINESE INVASION SHORT DURATION

I did not see much of this war, but was impressed that it was short in duration and the Russian and Chinese armies lost and left. No explanation regarding how or why was received. Now the smoke became very heavy, dark and thick.

GLOBAL MEGAQUAKES TSUNAMIS VOLCANOS, US SPLITS, MAYHEM

Just as things appeared to be as bad as they could get, the earth began to quake. This occurred during a winter, seemingly the winter that followed the very long one I had seen earlier. The chaos had existed for almost a full year by this time.

The earthquakes began in the west, around Idaho and Wyoming, and then quickly spread in every direction. I saw a huge earthquake hit Utah, and then California. There were earthquakes all over California, but they were especially devastating in the Los Angeles and San Francisco areas. San Francisco appeared to turn upside down.

The multiple earthquakes triggered volcanoes all over the west, and they started spewing a tremendous amount of ash and smoke into the air, causing it to become very dark and dirty and blocking much of what was left of the sunlight. There were also huge waves of water that swept over the west coast, and as I saw them I realized that this same thing was happening to coastal cities all over the world. The waves were so huge that Los Angeles was nearly swept away. I saw a wall of water taller than some of the buildings, perhaps as high as fifteen or twenty feet, sweep through Salt Lake City. I thought this was strange because of its location so far from the ocean, and wondered how a wave could travel all the way to Salt Lake City. I was impressed that the wave had not originated at the ocean, but was from under ground. I quickly noticed great cracks in the earth around Salt Lake City opened up and saw water shooting up out of the ground. I felt that

deep under the ground was a huge amount of water and that the earthquakes had forced it up to the surface. Most of the buildings were swept away or destroyed when the water swept over the city. In fact there had been tremendous destruction, with only a few buildings left standing. The water coming from underground stretched from Idaho down to near Cedar City, Utah, and was very destructive. As I looked, I could see that cities all over the country had been devastated, and there was rubble everywhere. Most of the buildings were destroyed.

However, I realized that even though there was tremendous destruction from earthquakes, disease, floods, volcanoes, and tidal waves, the majority of the deaths were caused by the gangs of roving marauders that killed for pleasure. As I studied the scene for a moment, the thought occurred to me that the earth itself had become sickened at the terrible acts of cruelty that were happening upon it and was finally reacting through these natural disasters. The earth was attempting to cleanse itself of the chaos and evil that had engulfed the people.

The ash and smoke from the volcanoes had increased, and there was now almost complete darkness everywhere upon the earth. The diseases also increased in devastation, and I saw people literally dying on their feet. I saw another particular disease that started with red blotches, and then the victims would start to bleed from every opening in their bodies. Then the people literally disintegrated, or melted into unrecognizable masses of flesh and bone. The sight was horrendous, as death and the dead were everywhere. After this second terrible winter, I saw the survivors pile up the dead into huge piles to burn them. The stench was sickening. Some of the bodies had been burned during the time of chaos, but because people were more concerned with their survival they had mostly ignored the dead around them.

A huge earthquake occurred in the middle of the United States. It was tremendous and seemed to split the United States in half about where the Mississippi River is. The crack in the earth that resulted was huge, miles wide, and as it opened up the earth seemed to swallow everything. Water flowed in from the Gulf of Mexico all the way up to the Great Lakes. The Great Lakes did not exist any longer, however, as they became part of a large inland sea.

MEGAQUAKES WORLDWIDE

Then I saw another series of tremendous earthquakes all over the world. But they were not many, separate earthquakes, rather it was all part of one gigantic earthquake that shook the entire earth. Because of this earthquake waters overflowed their boundaries onto land all over the world. There were again huge walls of water along all of the coastal regions. This earthquake and the walls of water made the earlier ones seem small by comparison. I am not sure if the earthquake that split the United States in two was a part of this worldwide quake or not.

PLANET X, HUGE WHIRLWIND, PEOPLE HIDING IN ROCKS

(More Sixth Seal)

Next I saw a mighty wind come upon wind come upon the earth. As the wind hit, I saw people go into caves and into the cracks of rocks to try to escape its fury. It appeared to be stronger than any hurricane or tornado. It seemed that everything that had been left was now blown away. I understood, without asking, that the great worldwide earthquake and the mighty wind were somehow caused by a huge planet-like object, that had come very close to the earth and had disrupted everything. It was also made clear to me that it was very near the “end” when this happened.

FIRST TRUMPET (BURNING)

Now my perspective changed: I once again viewed the entire earth from a distance. I then saw a huge fireball, much larger than the earth, approaching our planet. It was extremely bright red and gold in color, and it engulfed the whole earth. When I witnessed this event I could not help but feel the difference between it and everything else that had occurred, and so I asked what this was that I saw. I was impressed that it was the burning of the earth that is described in the Bible.

RAPTURE JUST PRIOR TO FIRST TRUMPET (pre-wrath)

I understood that just before the fireball's appearance Jesus had appeared, and the good people I had seen earlier had left with Him and were no longer on the earth. The few people left behind were those wicked who had survived the earlier devastations. The picture of the earth engulfed by this huge ball of red and gold fire slowly faded away into blackness.

VISION ENDS

I was thinking that I have to go down and take care of my children so that they could be protected from the terrible things that were going to happen and then I don't remember any more until I woke up in the hospital."Thanks for taking a gander at all the news I have compiled here as always Stay Safe!

(NOTE – I have posted a few reader comments at the bottom of this page.)

I am sending out this prophetic alert because God's people need to pray. If you have followed this ministry for any length of time, you may know that it has a history of prophetic glimpses that have been shared over the years. Some have come to pass, some are in motion, and some are still in the delay of God's mercy.

A few nights ago, I had another prophetic dream. It happened on December 5, 2015. I shared it that day with Doug Hagmann because I wanted to find insight on the meaning. After several days of holding onto it, I now feel prompted to share it with the brethren. Please take it under prayerful consideration. If anyone has insight on this information [please let me know.](#)

The Dream Begins

I was in the sky looking down and saw three aircraft carriers next to one another. I heard the words, "inland." It could have been in a shipyard, but I am not certain.

As I watched the ships from above, one of them began to rotate counter-clockwise towards the left. The ground under the turning ship was very shallow. It scraped the earth under it while it rotated. I am not certain where the ship was located. It might have been at a port. *(The ship could have been in a dry dock getting repaired, serviced, or it could have even been a brand new ship.)*

After it rotated, the carrier left the port traveling south to southwest. When it reached "deeper water" *(I heard the words – deeper water,)* it began to sink.

It did not sink entirely, but it tilted which caused the end of the ship to begin submerging causing part of its platform to go underwater.

Treacherous Times

Treacherous times are upon you, My children, and what is coming will be far worse. The darkness and evil that await those who are not saved now will be worse than Hollywood's darkest horror film, for Satan's wrath shall be upon them.

The Door to heaven is soon to be closed and the grace upon My people shall be reduced. Everyday life will be more difficult and you will strive to keep your faith alive as everything in the earth changes. Much treachery will be revealed, but much will be kept hidden.

Know in this time that what you see is not what is. Darkness lurks behind the governments you trust. Much evil is planned and will soon be released. Snares will be set for My people as the enemy's plans are unleashed. Many who are Mine will die in this time and come home to Me, but this is My mercy on them. Those who are lukewarm will be left on the earth that their faith may be refined.

Guard your hearts, My children, for evil abounds as never before. Be careful when you think you stand, lest you fall and lose your faith.

GODSHEALER7 – I have already opened the 1st Seal, those with Understanding Know this Truth

Daughter, speak this message. Prophecy to the multitude, for I see many asleep. This is not the time to slumber. These are dangerous,

perilous times. As was written, the foolish virgins are busy spreading lies and false stories to the sheep. Not called, they in turn repeat these stories, and pass along false information, lies, to anyone seeking a sign or word of knowledge. This will remove all hope and faith. Children, you must endure many trials. You will see tribulation. Do not be deceived by liars and sorcerers. Test all spirits. My Word is Truth. The time is later than worldly men and scholars believe. I have heard and seen their lies with My own ears and eyes! You now must discern the truth. The seals as opened will create great quakes on your earth. This is the truth. I have already opened the first seal. Those having wisdom, knowledge and understanding know this truth.

REJOICING IN JUDGMENT

Rejoicing in Judgment

Posted on 12 March 2017 by Stephen Hanson

"For the judgment is merciless to one who has not shown mercy; mercy triumphs over judgment," James 2:13.

"For you see, people rejoice in a promise that is given. Most do not rejoice when judgment is coming.

Why would some rejoice in these things and others would not?

It is because very few know why I do these things. For My intention is to bring man to a place of repentance.

But man only sees the outcome from his point of view. Very few of my own long for Me to bring judgment upon the earth.

When I come back will I find faith upon the earth?

Many of you believe, but very few truly know Me in my judgment. For judgment is not a wreaking ball, but rather, it is done in mercy. And mercy triumphs over judgment.

Why would I destroy a land never giving people a chance to repent?

Why would I destroy a people who have rebelled against Me constantly, and yet, their heart is still searching for the truth?

I extend My arm to all who would listen to Me; My gift is freely given. It is a land that is founded by your fathers and yet, you have strayed far from My purposes.

The smoke and the stench of it, has long been reaching my throne. I have grown weary and tired of waiting upon you to turn from your evil ways. The safety net has been lifted."

Two End time Open Visions

(By Ken Roman)

In the summer of 1956-57 I was walking along the sidewalk of my house and all of a sudden the entire atmosphere to my right became a blinding brilliant white. I was in New Jersey about 12 miles from NYC which was to my right. The intensity of this light was so all encompassing that it totally filled the entire eastern sky. Today I can say it was at least from the George Washington Bridge to the Statue of Liberty. I was young then and really did not know what I was seeing but I kept it to myself. Only several years later when I was participating in a US Navy NBC warfare class did I realize a brilliant white sky is what results after a hydrogen bomb.

In 1983 I was in a church service being held on the ORU campus and then while standing during the worship I saw a city like any major US City but it was such that there were no cars or any vehicles and there was no activity on the street or in the buildings that were there at all. What I saw was a line of people along the curb and they were missing legs, arms, eyes, feet, hands, and more. The next thing I saw was someone going down the line and praying for them and instantly there were now legs, arms, eyes, feet, hands, and other body deformities that were no more. What amazed me was the speed of this. I could not detect anything but a touch by the person and it was literally like Bing, Bing, Bing, that quickly! Then as the vision ended the Word of the Lord came to me and He said : "The Church started in the street and will end in the street"

To God Be the Glory.

Amazingly Bill Cooper, the author of [Behold a Pale Horse](#), made the following statement on page 177 of the book.

*“Can you imagine what will happen if Los Angeles is hit with a **9.0 quake**, New York City is destroyed by a terrorist-planted **atomic bomb**, **World War III** breaks out in the **Middle East**, the **banks and stock markets collapse**, **Extraterrestrials** land on the White House lawn, food disappears from the markets, some people disappear, the **Messiah** presents himself to the world, and all in a very short period of time? "A Prayer for Spiritual Revival":

Disturb us, Lord, to dare more boldly, To venture on
wider seas Where storms will show your mastery;
Where losing sight of land, We shall find the stars.
We ask You to push back The horizons of our
hopes; And to push into the future In strength,
courage, hope, and love. Because we have
dreamed too little, When we arrived safely Because
we sailed too close to the shore. Disturb us, Lord,
when With the abundance of things we possess We
have lost our thirst For the waters of life; Having
fallen in love with life, We have ceased to dream of
eternity And in our efforts to build a new earth, We
have allowed our vision Of the new Heaven to dim.

QUOTES

Link Angels

It was during that last visit to California that one of the incidents happened that started me on the road to accepting Christ, started me questioning Satan's claim to being more powerful than God. The high priest gathered a number of us together and told us that there was a family nearby who had been interfering with Satan. They had been converting a number of the cult members to the enemy, Jesus Christ, and were making a nuisance of themselves. Satan had given the order for them all to be killed. The high priest told us that we were all to go together in our spirit bodies (astral project), and kill them. So, we sat down in a circle with our candles in front of us and consciously left our bodies going in our spirits to the house to destroy these people. I was not at all enthusiastic about the project, but had no choice. If I had disobeyed I would have been killed.

Much to our surprise, as we arrived at the edge of this family's property, we could go no further. The whole area was surrounded by huge angels. The angels stood side by side holding hands. They were dressed in long white robes and stood so close together that their shoulders touched. They had no armor or weapons. Nobody could get through them, no matter how we tried. Any kind of weapon used merely bounced off of them doing them no harm. They laughed at us at first, daring us to come ahead and try to get through them. The other cult members got more and more furious with each passing moment. Suddenly their countenances changed and the fierce look from their eyes made all of us fall backwards onto the ground. A very humbling experience, I might add!

I will never forget — as I sat on the ground looking up at them, one of the angels looked directly into my eyes and said to me in the most loving voice I had ever heard, "Won't you please accept Jesus as your Lord? If you pursue the course you are taking you

will be destroyed. Satan really hates you, but Jesus loves you so much that He died for you. Please consider turning your life over to Jesus." That was the end of the battle for me. I refused to try any longer to get through. I was very shaken. The others tried for awhile longer, but none succeeded. I doubt the family ever knew of the battle going on outside their house. They were completely protected! We called this particular type of special angels "link angels." Absolutely nothing can get through them. I was secretly thankful that we did not get through and the link angels had given me much to think about.

PRAYING

THROUGH

What it means to Pray Through

Personal experiences in the availing and prevailing' intercessory ministry of Sister E. J. Dabney, as related in an interview and through letters to Sarah Foulkes Moore.

My first acquaintance with Sister Dabney was gained through letters which she sent to a friend from Norfolk, Va., describing the prayer revival which the Lord gave her in that southern city. These letters so stirred me that I made carbon copies of them and mailed them out to prayer group leaders in Los Angeles. AH who read the letters were given a new vision of what it really means to "pray through." Later, Sister Dabney came to Pastor Couche's Church at 33rd and Compton, Los Angeles, where in a prayer revival of a few weeks, God saved almost 200 souls and baptised as many with the Holy Ghost and fire.

Sister Dabney is a sister who makes prayer a business. If she sleeps at all, it is to be refreshed to resume her day and night vigils of prayer and waiting on God. She confines herself to one simple meal a day. She never indulges in any personal friendships, nor does she have light conversation with anyone. Usually she comes quietly to a meeting an hour before the time announced and begins to pray. When the meeting is over she slips quietly away to her room where her REAL ministry of travail for the deliverance of souls is carried on, far into the night.

In an interview Sister Dabney revealed how she came to enter this effective work for God and for souls. Her husband is a preacher. He was sent from a prosperous church in Philadelphia to labour in a poor one. At their first meeting no one was present but themselves. She saw it was going to be a

difficult field for it was in the most wicked part of the city. She was made to know that nothing but prayer would touch the situation. She determined to give herself to prayer. She made a vow to God that if He would send sinners to that place and save them, she would give herself three days and three nights each week in the Church to prayer for three years. She vowed during two of these years to fast as well as pray. When she first told her husband of her intentions, he was unwilling to have her spend three days and nights each week in the mission alone in prayer. But the Lord made him to know it was of Him so he took her the next morning early to the river side where she knelt and made her vow unto the Lord.

As soon as this little wife of a hard-pressed minister began to pray alone in her husband's mission, God began to work. Sinners were sent in and soon their little hall was crowded out. Her husband asked her to pray for a larger place. God moved a merchant out of a nicer and larger building across the street and gave them this building. As she continued to pray day and night three days a week in her husband's new church it, too, was crowded out. Again her husband asked her to pray for a larger church. She did and God gave them a fine large church on a main boulevard in the same neighbourhood. Always the meetings were packed out and souls were delivered from sin and believers baptised in multitudes.

One morning at the church door as she was entering to keep her vow of prayer the Lord met her and said, "Go Home." But she did not want to go home. She wanted to pray. Then He asked her if she knew what day it was. She felt led to open her purse and read her vow and discovered from the date on the vow that she had exactly completed the three years she had given to God for prayer. Even though the Lord had shown her that her vow had been fulfilled, she wanted to go into the church and adore and worship Him, but He said again, "Go Home."

She obeyed, everything about her seeming to praise and worship the Lord. When she got home the Lord drew her inside. Her soul was exalting in His Presence. Then He said to her "Go to the basement." She was afraid of the dark basement and hesitated. Why should the Lord ask her to go to such a place? She said, "Lord, if you are going to take me home to glory, first let me see my husband and son." She was afraid the Lord was going to take her home in the midst of all this rejoicing. But she put on perfectly new pumps and went to the basement. Instead of darkness it was filled with a wondrous light. Then the

Lord spoke to her again and said, "You have prayed through. Now I have come to bless you."

From the ceiling a fountain poured forth living water and this water rose higher and higher until it engulfed her. The joy and the presence of the Lord was so gloriously manifest to her that she began to dance. The Lord told her wherever she went and prayed He would deliver sinners from their sins, and fill believers with the Holy Spirit. She danced the heels and toes off her brand-new pumps.

This happened six years ago, and God has kept His word. Wherever Sister Dabney goes and gives herself to prayer, sinners are delivered and the saints are filled with the Holy Ghost and fire. Thus the Lord mightily anointed her to pray. She does not preach but only counsels saints and sinners to seek the Lord till He is found. The following letters written in the midst of her prayer revival in Norfolk, Va., give an intimate insight into her life of prevailing prayer,

[12] AE vol. 7, no. 6, May 1941

The yearning to know what cannot be known, to comprehend the incomprehensible, to touch and taste the unapproachable, arises from the image of God in the nature of man. Deep calleth unto deep, and though polluted and landlocked by the mighty disaster theologians call the Fall, the soul senses its origin and longs to return to its source

Eyes of Faith ***(Goiter Lady)***

Eyes of Faith

Jesus went about... teaching... preaching... and healing.

—Matthew 4:23

Scripture reading: Isaiah 58:8–12

One day, a young woman from a place called Ramsbottom came to be healed of an enlargement of her thyroid gland. Before she came she said, “I am going to be healed of this goiter, Mother.” After one meeting she came forward and was prayed for. The next meeting she got up and testified that she had been wonderfully healed. She said, “I will be so happy to go and tell Mother about my healing.”

She went to her home and testified to her wonderful healing. The next year when we were having the convention, she came again. From a human perspective, it looked as though the goiter was just as big as ever, but that young woman was believing God. Soon she was on her feet giving her testimony, saying, “I was here last year, and the Lord wonderfully healed me. I want to tell you that this has been the best year of my life.” She seemed to be greatly blessed in that meeting, and she went home to testify more strongly than ever that the Lord had healed her.

She believed God. The third year, she was at the meeting again, and some people who looked at her said, “How big that goiter has become!” But when the time came for testimonies, she was on her feet and testified, “Two years ago, the Lord gloriously healed me of a goiter. I had a most wonderful healing. It is grand to be healed by the power of God.” That day someone questioned her and said, “People will think there is something the matter with you. Why don’t you look in the mirror? You will see that your goiter is bigger than ever.” The young woman went to the Lord about it and said, “Lord, You so wonderfully healed me two years ago. Won’t You show all the people that You healed me?” She went to sleep peacefully that night still believing God. When she came down the next day, there was not a trace or a mark of that goiter.

Thought for today: A faint heart can never have a gift. Two things are essential: first, love; second, determination—a boldness of faith that will cause God to fulfill His Word.

PROPHETIC WISDOM

"[A]bout the time of the end, in all probability, a body of men will be raised up, who will turn their attention to the prophecies, and insist upon their literal interpretation in the midst of much clamor and opposition.[65]"

Syrian Refugee Mother Tells Christian Worker, 'God Doesn't Love Us - He Only Loves Americans'

Syrian refugee mothers suffering in makeshift camps across Turkey have expressed a belief that God has "forgotten" them and only cares for Americans, a Christian missionary has revealed.

A Christian leader based in Turkey whose ministry provides aid in unofficial refugee camps shared with [Christian Aid Mission](#) that often, Syrian mothers bring their children to aid workers and ask missionaries to pray over them.

"They bring their children to us for prayer," he said. "We ask, 'What would you like us to pray for your child?' They say, 'May they grow up to live a better life, and be healthy.'"

"They are more concerned about their children and ask us for milk, baby food and blankets for their little ones," the director added, explaining that while they have little hope for their own lives, the mothers hope their children will be able to live a better life someday.

The ministry director shared the story of one Syrian woman, whose husband had died fighting for Syrian government forces battling Islamist insurgents. She and her three children, a teen boy and twin 4-year-olds, had gone to Istanbul, Turkey where they begged in order to survive.

Iran Now Has One of Fastest Growing Christian Population As More Muslims Are Having Dreams and Visions of Jesus

By PRECY DUMLAO (email protected) Dec 08, 2015 05:53 PM EST 4 Comments

Despite severe persecution and acts of terror from ISIS headlining the front pages, Christianity remains strong and is, in fact, a fast growing religion in Iran - one of the most hardline Islamic countries in the world today.

In a report from CBN, wherein the interviewees - Iranians visiting Kurdistan - have requested anonymity for their protection, former Muslims are revealing that many are coming to Jesus through supernatural dreams and visions. The dreams are giving them hope amidst the desperation and hardship facing many in the Islamic Republic today.

"Dennis," one such ex-Muslim who had converted to Christianity after having a dream about Jesus, admits that desperation in Iran is driving more people to run to Christ as the answer to their predicament.

"Yes, many people are coming to Christ through a dream. You cannot imagine how Jesus is appearing to them...You know the experience that the Iranian people are passing through right now is very difficult. The only one who can change that situation is Christ Himself," Dennis said.

INTENSIFIED PREVAILING PRAYER

Intensified prevailing prayer is God's ordained law and method for implementing His redemptive plan in this age till Jesus returns. It is the highest, holiest, and mightiest effort of which a child of God is capable. It is God's chosen way to bring heaven's power, heaven's resources, and heaven's angels into action on earth.

Spurgeon says, "He who knows how to overcome with God in prayer has heaven and earth at his disposal." 1 Intensified prayer is clothed with the might of God Himself.

Duewel, Wesley L. (2013-08-20). Mighty Prevailing Prayer:

General Booth

“Not called!' did you say?

'Not heard the call,' I think you should say.

Put your ear down to the Bible, and hear Him bid you go and pull sinners out of the fire of sin. Put your ear down to the burdened, agonized heart of humanity, and listen to its pitiful wail for help. Go stand by the gates of hell, and

hear the damned entreat you to go to their father's house and bid their brothers and sisters and servants and masters not to come there. Then look Christ in the face — whose mercy you have professed to obey — and tell Him whether you will join heart and soul and body and circumstances in the march to publish His mercy to the world.”

Humility in Daily Life

00- Humility by Andrew Murray – Tribulation Now

(6 minutes)

If someone says, 'I love God,' but hates a Christian brother or sister, that person is a liar; for if we don't love people we can see, how can we love God, whom we have not seen? (1 John 4:20) Here's a sobering thought:

God measures our love for Him by the love we show our brothers and sisters in every day fellowship with them. It is a serious thing to realize that our love for God just isn't genuine if it fails the test of daily life with our fellow human beings. The same thing is true with humility. It is easy to think we humble ourselves before God. But humility before people is the only real proof that our humility before God is more than just a figment of our imagination. It is the only true evidence that humility has made a home in our hearts and become our

nature. How can we know that we, like Christ, have made ourselves of no reputation? By the reality check of daily life. When in God's presence humility has become more than just a feeling we have when we think about Him or pray, but instead the very Spirit of our lives, it will show itself in the way we treat our brothers and sisters.

OSWALD CHAMBERS

My Unstoppable Determination for His Holiness. "Whether it means life or death—it makes no difference!" (see [1:21](#)). Paul was determined that nothing would stop him from doing exactly what God wanted. But before we choose to follow God's will, a crisis must develop in our lives. This happens because we tend to be unresponsive to God's gentler nudges. He brings us to the place where He asks us to be our utmost for Him and we begin to debate. He then providentially produces a crisis where we have to decide—for or against. That moment becomes a great crossroads in our lives. If a crisis has come to you on any front, surrender your will to Jesus absolutely and irrevocably. 

OSWALD CHAMBERS

Will You Go Without Knowing?

Will You Go Out Without Knowing?

"He went out, not knowing where he was going" (Hebrews 11:8).

Have you ever "gone out" in this way? If so, there is no logical answer possible when anyone asks you what you are doing. One of the most difficult questions to answer in Christian work is, "What do you expect to do?" You don't know what you are going to do. The only thing you know is that God knows what He is doing. Continually examine your attitude toward God to see if you are willing to "go out" in every area of your life, trusting in God entirely. It is this attitude that keeps you in constant wonder, because you don't know what God is going to do next. Each morning as you wake, there is a new opportunity to "go out," building your confidence in God. ". . . do not worry about your life . . . nor about the body . . ." (Luke 12:22). In other words, don't worry about the things that concerned you before you did "go out."

Have you been asking God what He is going to do? He will never tell you. God does not tell you what He is going to do—He reveals to you who He is. Do you believe in a miracle-working God, and will you "go out" in complete surrender to Him until you are not surprised one iota by anything He does?

Believe God is always the God you know Him to be when you are nearest to Him. Then think how unnecessary and disrespectful worry is! Let the attitude of your life be a continual willingness to "go out" in dependence upon God, and your life will have a sacred and inexpressible charm about it that is very satisfying to Jesus. You must learn to "go out" through your convictions, creeds, or experiences until you come to the point in your faith where there is nothing between yourself and God.

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

OTHER NUCLEAR MISSILES FIRED

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

On January 19, 2009 she thought everything could change when Maksim, described as charismatic and sociable, invited her to his apartment where he was partying with friends. When she arrived, Maksim ushered most of the guests out. Karina went to the bathroom, filled the tub with hot water, undressed and got inside.

Soon after, Glavatskikh joined her. He then sneezed three times – a prearranged signal according to prosecutors – and his friend Yuri Mozhnov burst in. Together they held Karina's head underwater until she drowned.

'Something Very Special and Historic Is Happening'; Muslims Encounter Christ Through Dreams, Visions

1:00PM EDT 10/24/2013 | MICHAEL IRELAND/ASSIST NEWS

(istrahm/istrahm)

More Muslims have come to faith in Christ in this generation than in the last 14 centuries of Islam combined. The Church in Iran is now estimated to be between 1 million and 3 million strong.

That's the analysis of Shadi Fatehi from the PARS Theological Center in London, England, speaking at a suburban church in Minneapolis earlier this month.

In 1979, the Islamic Revolution occurred in Iran when the Ayatollah Khomeini overthrew the Shah of Iran, and Iran became one of the only theocratic Islamic countries in the whole world.

It was the year that Presbyterian missionaries were kicked out of the country after serving faithfully for about 150 years since the 1830s—accused of being CIA agents—and the church was concerned about what was going to happen in that country.

"Everyone thought that the church would be entirely closed down, and that Christianity—the little remnants that still existed—would die down," said Fatehi.

"At the time there were only 350 Christians living in Iran from a Muslim background. Today, 40 years later, the statistics are about 1,000,000 to 3,000,000 Christians from a Muslim background living in Iran today.

Syrian Pastor Says 'Hundreds of Thousands of Muslims' Coming to Christ: 'God is Moving'

By LEAH MARIEANN KLETT () Jun 07, 2017 11:11 AM EDT 0 Comments

The Syrian civil war has displaced thousands of Christians and Muslims, many who have fled to Lebanon. Open Doors

A Syrian pastor who has shared the gospel in the war-torn country over the past six years despite continued dangers has said he's witnessed a staggering number of Muslims, disillusioned by the atrocities committed in the name of Islam, come to Christ.

"God is moving and doing great things around us," Pastor Simon, who ministers in war-torn regions of Syria, shared with persecution watchdog [Open Doors USA](#). "What the Lord did in the past six years, he saved hundreds of thousands of Muslims in different countries. Before the war, we only saw some believers from a Muslim background. God is moving and doing great things around us, many are being saved."

The pastor revealed that that since the start of the [Syrian civil war](#) in 2011, hundreds of thousands of Christians have fled the country. In the city where he ministers, there were some 900 Christian families in the city when the crisis began. Now, only 310 Christian families stayed, including three evangelical families.

A devout Muslim woman who harbored a deep hatred of Christians converted to Christianity after Jesus appeared to her in a dream and told her to visit a local church.

According to [Christian Aid Mission](#), the young woman, whose name was not disclosed for security reasons, lived in Turkey's Black Sea coast along with her strict Muslim family. One Sunday, she showed up at the church of Pastor Matta, the leader of an indigenous ministry reaching Turkey's 96-percent Muslim population.

Through tears, she told the pastor she had seen him preach on weekly Web posts of the church's services.

"I did not know you, and I hated the Christians, and for this reason I was intending to make fun of you when I started watching your videos in the Internet," she said. "But the things I was hearing from you spoke to me of the love I was always looking for, and the words of faith and courage were doing away with my fears."

Her heart transformed by the truth of the Gospel, the young woman converted to Christianity. However, fearing for her life, she was hesitant to attend a worship service. That is, until Jesus appeared to her in a dream.

Muslim Who Tried to Kill Pastor Embraces Christianity After Dreaming of Man with 'Nail Scarred Hands'

By LEAH MARIEANN KLETT (email protected) Mar 27, 2017 12:54 AM EDT 0 Comments

Central African Republic is ranked 34th on the World Watch List of 50 countries where it is most difficult to be a Christian, according to Open Doors AP Photo

A Muslim extremist who dedicated his life to persecuting Christians embraced the religion he once despised after a man with nail-scarred hands appeared in his dreams.

As the dedicated leader of a mosque in a central African country, Ibn Yakoobi routinely targeted Christians, and even attempted to [kill](#) the pastor of a local church, according to a report from [Bibles for Mideast](#), an underground Christian ministry that distributes Bibles and conducts evangelism in Asia, South Africa and the Middle East.

However, after witnessing an angel thwart his attempts to kill the pastor, Yakoobi was shaken and became increasingly curious about the Christian faith.

During Friday's Day of Assembly at the mosque, another religious leader warned Muslims not to believe the Christians nor attend their prayer meetings. The Imam shared how, during the time of the prophet Moses in Egypt, many black magicians performed miracles before King Pharaoh. But with power given to him from God, Moses destroyed such miracles.

"So don't believe and follow the black magic done by Christian followers," the Imam cautioned them. "Be on the alert."

Powerful Shaman Embraces Christianity on Deathbed After Dreaming of Man in 'Brilliant White Robe'

By LEAH MARIEANN KLETT () Jul 10, 2017 09:46 AM EDT 1 Comment

A powerful Shaman embraced Christianity in China after dreaming of a man in brilliant white robes. Open Doors USA

The Shaman of a village in northwest China has shared how she embraced Christianity after dreaming of a man dressed in a "brilliant white robe" while on her deathbed.

Persecution watchdog Open Doors USA shares the story of Ting, a Shaman widely respected for her ability to connect with demons of the spiritual world. Villagers in the surrounding area would seek her out for her wisdom, asking her questions like, "Who should I marry? What must I do to be successful? What does my future hold? Have I offended the spirits?"

However, Ting's talents and involvement with dark spirits came with a price. Her health began to rapidly deteriorate, and in just a few days, she was bedridden and completely paralyzed.

Doctors were unable to diagnose Ting or explain her mysterious illness. Aware that every moment could be her last, the elderly woman felt terrified, unsure of what faced her after death.

Kissing Cousins? Donald Trump and Hillary Clinton Share Royal Ancestry

News Staff (Apr 20, 2016)

Talk about a family feud!

(United Kingdom)—The news is currently circulating in several media outlets that Democratic candidate Hillary Clinton and her Republican rival, Donald Trump, are distant cousins. However, the story actually broke almost two years ago in the UK-

based *Daily Mail*, but nonetheless, it's still interesting, especially considering that each is a leading candidate in one of the two main political parties and seems to have a decent chance, at least at this point in time, of winning the presidential race. *(Photo: AP/via United With Israel)*

Trump's latest nickname for Clinton is "Crooked Hillary." She doesn't seem to like him much either. But then again, isn't that often the case with relatives?

The two candidates, it seems, are 19th cousins, descending from 14th-century 1st Duke of Lancaster John of Gaunt and his third wife Katherine Swynford, according to the ancestry site *MyHeritage.com*.

According to historical records, Swynford was Gaunt's mistress, but they married after he divorced his wife.

"Clinton claims the lineage to her 18th great-grandparents through the Rodham family of her father's side, while Trump is related to her through his mother Mary Anne Macleod, who was born in Scotland. The common relative means that the Democrat and Republican are 19th cousins," the *Daily Mail* reported.

"John of Gaunt, a royal in the 14th century, was the son of King Edward III and featured in the Shakespearean play *Richard II*, named after his nephew," the *Mail* continued.

Then again, if we go back far enough, aren't we all related?

One thing they do have in common is that they both offered strong support for Israel in their recent AIPAC speeches. Let's hope that if one of these candidates is elected, he or she will stay true to that promise.

Hey John, Good morning brother. I was wondering if you had some thoughts on the new behold i come prophecy? specifically about multiple 3 days of d...

John Baptist <jbaptist777@gmail.com>

to Chris

Well gosh. I've never met anyone who felt as strong about eating as you do brother, although I do have an old trucker friend who would get downright nasty when eating time was late. I really can't suggest anything to you in that regard. I do wish I could. Disciple comes from the word discipline and God definitely restate our absolute requirement (over and over again throughout the Bible) to discipline (e.g., force ourselves) to comply in all aspects of our lives. And yes it SUCKS!

One of my questions for Jesus will be how his yoke and burden is light?

That scripture has to be relative to a person's current situation because some things we have to do definitely don't seem like light anything to me.

Regarding the TDD thing. I have learned to take all these prophecies with a total grain of salt. We live in such dorked up times and over the last ten years I've seen so much stuff said from very meaningful good people that just simply has not come true. So I "put it on a shelf" and go "mow the lawn" (if you get my drift).

We are all going through times of obedience testing. I am getting my butt kicked into another dimension right now. I can't even review mentally the last 14 months of my life because I will absolutely break down into a state of depression borderlining on anger. I have to "close my eyes" to it all and just "discipline" myself to keep improving "one day at a time".

Which circles us back to the fasting. God (praise His name) is unbelievably patient with us. PS 103:11-13 says because He remembers we are "dust" (mere men). While this doesn't mean we get "off the hook" to be obedient and discipline ourselves, it does mean the Lord will be patient with us as we "work out over time" our method to achieve obedience. So why not be creative and get yourself some good quality protein shakes and protein bars and fast on those. If you were told water fast only then that's your ultimate goal but practice with something less demanding.

Marines don't run 5 miles with a 50 lb sack on the first day.

I hope this is helpful

God bless you

A Multitude from the Great Tribulation

⁹ After these things I looked, and behold, a great multitude which no one could number, of all nations, tribes, peoples, and tongues, standing before the throne and before the Lamb, clothed with white robes, with palm branches in their hands, ¹⁰ and crying out with a loud voice, saying, "Salvation *belongs* to our God who sits on the throne, and to the Lamb!" ¹¹ All the angels stood around the throne and the elders and the four living creatures, and fell on their faces before the throne and worshiped God, ¹² saying:

"Amen! Blessing and glory and wisdom,

Be to our God forever and ever.
Amen."

¹³ Then one of the elders answered, saying to me, "Who are these arrayed in white robes, and where did they come from?"

¹⁴ And I said to him, "Sir,* you know."

So he said to me, "These are the ones who come out of the great tribulation, and washed their robes and made them white in the blood of the Lamb. ¹⁵ Therefore they are before the throne of God, and serve Him day and night in His temple. And He who sits on the throne will dwell among them. ¹⁶ They shall neither hunger anymore nor thirst anymore; the sun shall not strike them, nor any heat; ¹⁷ for the Lamb who is in the midst of the throne will shepherd them and lead them to living fountains of waters.* And God will wipe away every tear from their eyes."

Attacks on Emotions

EMOTIONAL
Sponge

My Enemy has begun attacking the emotions of My Children. You must steel yourself against these attacks, My Children.

Fear is sent to nullify your faith just as chaos is sent that you might get out of order and lust is sent to remove your covering of protection and give your enemy inroads into your life to destroy.

Every emotion your enemy provokes has a purpose that is against My Purposes for your life.

Pray, My children. Do you not know that prayer is your greatest weapon in this time? You could have so much more blessing if only you would give yourselves to prayer.

TRANSCRIPT:

Daughter speak the truth that no one wants to hear or believe. This truth is for the unrepentant and the mockers and scoffers. I have called and warned you over and over yet every one sleeps. My prophet's and messengers are tired. No one will listen. No one will believe what is upon them until they see the fire and brimstone raining down from the heavens. Everything will be burned. I will remove every trace of the abominations from my sight. I will send the waters to wash it away and cleanse the land. You arrogant and proud people will not humble your selves and kneel before me. I will do what I have done in the past, again. If you know Me you know My ways. Judgement comes to the evil and wicked generation. Only the remnant will be spared.

Time is weary for this is the season of change. Purim comes quickly! I have anointed you to do my good works. I have spoken and you have listened. The harvest remains great while time is short. The days of repentance are but a few. Many have grown weary for the battle rages. Now is the time to go to the rooftops and proclaim my glory. Do not turn to the left nor the right for the path of redemption lies ahead. Today's sorrows shall turn to joy. Today's pain will be forgotten. Satan's time is short but I am eternal; I am the everlasting light. I am with you and will fight this battle. We shall be victorious. Be steadfast for soon you shall be with Me in My Father's house.

[New Evils](#)

By Glynda Lomax on Mar 02, 2019 12:00 am

My Children, new evils will come to light in this time. Evils that have been hidden from view until now. Watch carefully, you will see the signs of them as they emerge from the shadows.

These evils will make you gaze in horror as you think it can get no worse, and then it will get worse.

Satan has come down to you in great wrath, for he has but a short time to enhance his kingdom.

Stay near Me, and all will be well for you. Pray for the protection of your loved ones and I will watch over them.

The Truth About Trump

— Ruth Smith

Mar 11, 2019, 5:33 AM

In February of this year, I have been seeking the Lord for the truth of Trump for days, because there are two voices in this world, one says he is the Cyrus who the Lord God has set, one says he used Christians to sit on the throne of the president. I have prayed for Trump to be elected. After he won the election, I have prayed for him that he could lead American people to repent, to return to the Lord God, the Most High, the Holiest, the Almighty God of Israel just as the king of Nineveh. But I need to know the truth about Trump from my Lord God directly. Finally, the Lord said to me:

“Trump is the one to prepare the way for the antichrist, just as John the Baptist prepared the way for me.

He is the one who I have allowed to be in the office, but he doesn’t belong to me, his heart is not with me.

Many, many people have been deceived by him, even my very elected ones. People are worshiping him more and more like a god, they believe he is the

Cyrus, he is doing my Will, they believe he will make the United States great again.

Only I, the Lord of all, the Creator of the whole universe can make a country great. There is no other god beside Me.

Very soon, Trump will be removed, the antichrist, Obama, will return to power. More and more people are missing Obama because of Trump. This laid the groundwork for the return of antichrist Obama and the total, utter destruction of the United States eventually.”

Quiet Before the Storm

By Glynda Lomax on Feb 25, 2019 12:36 am

My Children, in times coming, watch for the quiet before the storm.

There will be a period of time where tensions will escalate and then escalate more quickly. Then there will be a sort of quiet...this is the quiet before the storm that is coming that will change all of your lives.

When this storm comes, there will be no question about what is happening. You will not wonder if it is **the** storm you were watching for. It will be a storm you can do nothing to effect or stop. It will be a storm that leads into other storms, all of them filled with great suffering and much misery. As you watch it all unfold, you will think it cannot get worse, and then it will. And then it will get even worse.

My judgments are not easy for man to bear, My Children, but I have given many warnings and sent many prophets to those people and those nations that needed to repent, and finally I can wait no longer.

The portions of My Word you have hidden in your heart will be of great comfort to you in this time, My Children.

With Empowerment Comes Persecution!"

by Lonnie Mackley Jan. 12th, 2019

Very soon many of you are going to see the Lord start doing amazing miracles through you as you pray for people. People will be genuinely healed, evil spirits will be cast out, and the baptism of the Holy Spirit will accompany every believer that wants it. It will be a time of great celebration and rejoicing, but it will also be a time of great persecution as the enemy tries to knock you off your game in order to get you to shrink back and slow down. One of the main reasons that God has been allowing certain problems to come and challenge us is because He wants to draw out and expose our weak areas before this outpouring so that we can recognize them and allow Him to help us to get rid of them, because these will be the very areas we will most get attacked in.

If you have read through the book of Acts then you have probably noticed a pattern of Holy Spirit outpouring and then also persecution over and over again. You can expect this same scenario to also repeat itself in this last harvest. The attacks will come through jealous Pharisaical Christians, the occult, the government, family, friends, and even the medical profession as mass amounts of people get healed by Jesus and medical revenues drop. But if you will stay the course and not shrink back or get in your flesh you will see God's purposes win out every single time. You see, God's plan is guaranteed to win every time as long as we do not give up or give in to temptation. Your job is just to stay clean, obedient, and filled up with the Holy Spirit and God's love everyday.

The best thing you can do when you are attacked is to hold your peace, ignore it, and pray if need be. Don't let slander, accusations, or false-guilt creep into your thinking; and understand that we are all still a work in progress. We all have to minister flawed so stop thinking that you have to be perfect to minister; you just have to be willing! Know too that you will be betrayed by some people close to you and this will likely hurt a lot; so pray for these people instead of talking about it with everyone, and know that God will bring justice at the proper time. Stay on mission no matter what and don't let yourself be distracted for any reason. These are days of great victory and harvest, but remember this is a war; and although empowerment comes with persecution, we always win!

Terry tell them of the impending judgement. Tell them of the end of My book. Tell them of My prophets of old. The time they spoke of is now upon you. My people feel it.

Sadly, many are not preparing or seeking Me with all their hearts. Warn them My son.

Every word, verse, and chapter of My book will come to pass. My remnant will receive their glory. Their light will shine brightly. All will see the change in them. Many will be saved because they have seen, but My people who believed and worked on faith alone will be rewarded greatly. They will dine with Me and My Bride.

Woe to those who do not see! The wrath to come will not be quenched. Follow Me My children. The time is at hand.

Assignments Against the Prophetic

By Glynda Lomax on Jan 22, 2019 12:00 am

My Children, new assignments are being issued against My True Prophets who are speaking My True Words and preaching against sin in the Earth. My True Prophets are those who tell you of the coming destruction.

I desire you would pray for them. Pray for their protection and fruitfulness in this time for many of them are being called home soon as their work is done, they have suffered much, and I desire they would not see the evil to come. Fewer will be required in what is coming as most of the wicked will refuse to listen then as they do now.

Pray for My Prophets, My Children. Pray for their protection that they may complete their assignments in the earth. Pray for their fruitfulness, that they may receive all I have to speak to them in this time before their time is done.

Finish Line

A time is coming soon when some of My People will be cut off. They will be cut off from communicating with My other children. They will be cut off from things they need. Pray now, My Children, for these times, for some will not survive this if you do not pray.

I have told you many intense events are about to happen in your world. Some of them will be so horrific, your mind will have difficulty accepting what has happened. Be careful that you do not let down your guard in these times, for the enemy seeks to attack you if you do. Keep moving forward. Keep your eyes on the finish line.

Keep your eyes on Me, for you are all coming home soon.

Make Ready

The Lion of Judah is roaring. I saw Him in the Spirit and He is terrifyingly fierce! He is roaring to let the enemy know his time is up. He is roaring over the slaughter of His enemies, and He wants you to know this is a year of Recompense – both good and evil. Those who have done good will be recompensed with good many times over. Those who have done evil will be recompensed with evil many times over. Many people have done some good and some evil, they will be recompensed accordingly. Prepare to receive your recompense.

For those of you who have sown into My Kingdom, get ready to receive a harvest at My Hand for you shall indeed enjoy blessings on earth as well as in heaven. You have pondered the lies of the enemy that your life would not ever get better but I say to you, believe Me instead! Believe I am a Rewarder of those who diligently seek Me.

Make room! Make room! Make room to receive the blessings you have asked Me for! You must make room in your life for what you are asking of Me. You must be ready to receive it now. You must search your heart and ascertain it is what you really want. I am answering prayers for many of My Children now, but you must make ready.

Politically Irrevocable

By Glynda Lomax on Jan 16, 2019 12:00 am

A time of great sadness is coming to America. There is much death coming in an event just ahead that will sadden many hearts.

Pray, My Children – pray that I spare the lost from this event, that they not go to an eternity without Me, for it is not My Will they perish.

NOTE: I saw something in the spirit had happened and I heard the words “Politically Irrevocable,” but I can’t see the event. I see a big mess at the White House because of this – like a mess between the people there (though things are a mess there already) and it looks like our country has suffered a wound that cannot be undone, but I have no sense of what has happened, I just keep seeing the mess at the white house and hearing “Politically Irrevocable.”

POPOCATEPETL, MEXICO CITY, VOLCANOES, FINANCIAL COLLAPSE

Vision of What's Coming to America

Aug 13, 2012

Randy Hecker

spiritofprophecy.maxforum.org/

www.randyhecker.wordpress.com

*Anyway here goes. The sequence I am watching (as a Watchman of the Lord) begins with Mt. Popocatepetl in Mexico. There will be a sudden very powerful eruption that will blow its lid off. Within hours an 8+ magnitude earthquake will strike Mexico City and virtually level it. Thousands will be killed. Hundreds of thousands will be injured. And millions will be displaced from their homes. **The economy of Mexico**, bad as its, **will collapse** except for precious metal values. There will be anarchy throughout the land.*

*This event will radically increase pressure on the San Andreas Fault to the north. The fault is locked up in an area from Palm Springs in the south to Palm Dale to the north. HAARP will be used to create a super earthquake in this area. The magnitude and duration of the quake will both be magnified. The earthquake will strike (I believe) in the afternoon either this coming October or the following May. It will occur just after a complete **economic meltdown of the American dollar**. The **magnitude of this quake** will reach somewhere between **9.5 and 10.5** and it will last for nearly three minutes. Two to three million people will be killed outright. Millions more will be injured.*

*The worst part of this is not the earthquake itself but the events that will be associated with it. The ground shock from this quake will cause every other stressed fault within 1,500 to 2,000 miles to release all pent-up stresses. As the ground shockwave moves to the north the Sierra **Nevada volcanoes** will be triggered, the Cascadia volcanoes, and also the **Yellowstone super volcano** will also be triggered. This is both a blessing and a curse.*

The nation will be so disorganized after this event that martial law will be declared , but it will be completely unenforceable.

*Two to four days after this earthquake America will be further devastated a **nuclear sneak attack** on American cities, that will coordinated and started by our own Shadow Government. There will also be **some Russian and Chinese nukes** as well. The world will very quickly descend into global thermonuclear war (Gog Magog war).*

For This Were You Born

I had been inquiring of the Lord about the time of increasing suicides He told me is coming. This word during my prayer time today was His answer.

Yes, many suicides are indeed coming in the future, for there is coming a time so bleak, so dark, many of you will not wish to live through it. Those without the hope of My Son's Name will not know how to go on, but My people shall.

They shall move forward in victory, in determination, on assignment from on High, for I Myself shall command them to their destinies!

When all hope appears to be gone is when I do My greatest works and I require only your faith for these, My precious children.

When this dark time arrives, look up, My children, for many great miracles are to take place before your very eyes. For this were you born. For this have you been prepared.

Do not give up hope as the unbelieving Gentiles do, for this is the very arrival of the time you have prayed for!

Not Ever

A time is coming when My churches on earth shall stand empty. Not because My shepherds stop preaching My Word, but because my people shall fail in believing it.

It shall be a frightening time when evil is increasing all around you and many of you – you, My children – not unbelievers – shall think I have surely abandoned you. Those who truly believe My Word shall know this is not true.

The key to surviving this time is to continue in My Word. Keep believing as you always have. Know My promises are true and My Word never changes, though circumstances may and will.

The time I am telling you of is the falling away. My people's love for Me shall diminish when they do not see what they expect. They expect Me to always make things better, but scripture must be fulfilled, My children, just as when My Son died on the cross. Scripture must be fulfilled so the time may come when I may call you home to Me.

Be strong and courageous, My precious children, for I shall never abandon you ever! My love for you does not change or cease – not ever.

Remember I have told you these things and be strong for Me. Strengthen your brethren when you see these things happen.

ELECTRICAL GRID GOES DOWN

1996 - DAVID DOUGERTY

<http://www.fivedoves.com/letters/feb2009/davidd210.htm>

By remembering these visions, it will or can save you much needless suffering.

The Lord does not want to hurt his bride.

The Appearance of a Large Sphere in the Sky

There is going to appear above the earth (in the sky) a strange object, it will be large and sphere shaped, like a ball. It will look like it's been built in sections, like a football with huge rivets at the seams. Many will call this a UFO, I don't know. It will have the color of copper or bronze. It will be on every TV around the world. People will be shocked like the World Trade Center. People will be glued to their TV's but you don't.

The minute you see this, run to the closest food store and get enough canned food and bottled water for about three weeks, because between one and 24 hours after this object is seen world wide there is **going to be a massive impact or collision on our sun's surface.** It is going to happen on our blind side, we can't see it coming. It's going to be a super size twin asteroid hitting the sun in a vital spot, **releasing a major solar storm, knocking out all of earth's electricity, all over the world.** Those of you who read this will save yourself and your family much misery.

2 to 3 Weeks of Trial and Miracles

Now, this is what's going to happen in the next 2 or 3 weeks, while the electricity is off. Within a few days the whole world will start to go crazy with hunger. The banks and ATM's can't work without electricity. No gas pumps for food transportation, no

refrigeration, **total darkness.** The robbers, rapists, and murderers will see right away that no one can call the police for help, because the solar storm has burned up all communication satellites, cell phones and telephones. The law can't even call each other. It's going to be **total breakdown in large cities.** There will be gun shots and screams all night long. **Millions will be behind locked doors, praying and begging for God's mercy,** for help and protection. **He will answer millions of prayers. Millions will ask for forgiveness, and the Lord and his saints will perform millions of miracles during these three weeks.**

3 Weeks Later "The Rapture"

Then after about 3 weeks of this, the Rapture will happen. Although there are different time zones around the world, the Lord showed it will be night here in Florida, USA. In this vision, I was taken in the spirit out in the woods behind my house in Florida.

SATELLITE IMAGES SHOW LIKELY IRANIAN MILITARY INSTALLATION IN SYRIA

By JNS March 14, 2019 , 2:43 pm

“I will strengthen the house of Judah, and I will save the house of Joseph. I will bring them back because I have compassion on them, and they shall be as though I had not rejected them, for I am the Lord their God and I will answer them. *Zechariah 10:6 (The Israel Bible™)*

Safita, Syria: The construction patterns, the compound location and the activity signs at the compound and its region, increase the probability that this is a missiles manufacturing site.

A military installation near the Lebanese-Syrian border is being utilized to produce precision surface-to-surface missiles, likely with Iranian backing, according to an intelligence report published on Wednesday by ImageSat International.

The firm mentioned that neither warheads nor missile engines are being manufactured at the compound in the northwestern Syrian city of Safita, which is almost five miles from the border with Lebanon.

The factory, which is being built in the town of Safita, east of Tartus on the Mediterranean coast, is in an area controlled by the Syrian regime and in the vicinity of Russian SAM (surface-to-air missile) deployment.

The president complained their treatment of him was 'like an advertisement without consequences' and a boost to help Democrats.

'It's truly incredible that shows like Saturday Night Live, not funny/no talent, can spend all of their time knocking the same person (me), over & over, without so much of a mention of 'the other side.' Like an advertisement without consequences. Same with Late Night Shows,' he wrote on **Twitter**.

(CNN) — The staggering death toll from the mass shootings at two Christchurch mosques has climbed to 50, New Zealand police confirmed Sunday, as the country continued to grapple with the emotional fallout from the atrocity.

The body of the 50th victim was discovered at the Al Noor mosque, where most victims were killed, when officials were removing the victims' bodies on Saturday, New Zealand Police Commissioner Mike Bush said, told reporters on Sunday.

The victims' names were not made public. While a preliminary list of the victims has been shared with families, Bush said their bodies have not yet been released.

The number of wounded also increased to 50, he said. Of those, 34 remain hospitalized in the Christchurch Hospital and 12 are in critical condition, Greg Robertson, the hospital's chief of surgery, said.

Migrants seek refuge in churches in the US

Trump is forging ahead with his border wall and crackdown on migrants and asylum seekers but behind the political posturing are the lives of real people.

As part of its crackdown on migrants, the Trump administration has already stopped providing care for asylum seekers. One church in San Diego which provides shelter for migrants has been overwhelmed with people needing help.

But it has now been told to turn them away because of fire safety rules.

Tensions between the two nuclear-armed Asian powers escalated last month, after an incursion into Pakistani territory in Kashmir by Indian Air Force warplanes to strike at Jihadist militants led to skirmishes in the air and small arms and artillery fire along the shaky Line of Control border.

Major combat units of the Indian Navy including the INS Vikramaditya aircraft carrier-led battle group, nuclear submarines "and scores of other ships, submarines and aircraft" were quickly shifted from exercises to operational deployment as tensions between New Delhi and Islamabad escalated, India's Ministry of Defence revealed in a [statement](#) Sunday.

"A clear and resolute message regarding the operational posture of the Indian Navy to prevent, deter and defeat any misadventure by Pakistan in the maritime domain was also issued during the tri-services press conference" on 28 February, the statement added.

The Defence Ministry did not clarify which "nuclear submarines" were deployed, although the Indian Navy presently has two kinds of nuclear-powered subs at its disposal, including a single Chakra (Akula II) class attack submarine leased from Russia, and the INS Arihant, an Indian-made ballistic missile submarine capable of firing up to 12 submarine-launched nuclear ballistic missiles. The Navy also has some 14 diesel-electric subs.

Japan Developing Missile to Strike Enemy Outside Air Defences' Reach – Report

The new missile is expected to be an upgraded version of the Japanese supersonic cruise missile ASM3 which was developed in 2017 and has a range of 200 kilometres.

Japan is developing a long-range cruise missile capable of attacking enemy targets outside the reach of its air defences, something that will be the first such weaponry in the country's history, [the Yomiuri Shimbun newspaper](#) reported, citing Japanese Defence Ministry sources.

The so-called standoff missile, which will have a range of 400 kilometres and a speed of Mach 3, is expected to be used to attack enemy ships in the event of an immediate threat to Japanese territory.

[READ MORE: Japan Successfully Tests Missile Interceptor off Hawaiian Coast](#)

The missile will be created on the basis of the ASM3 supersonic cruise missile which was completed in 2017 but failed to get into the procurement plan for the needs of the Japan Self-Defence Force for 2018 and 2019.

The decision was made by the Japanese Defence Ministry, which questioned the ASM3's effectiveness in light of China's growing defence capabilities and ordered the missile's modernisation so that it can be created in the next few years.

The Yomiuri Shimbun newspaper reports that the development of such missiles with offensive capabilities may be out of line with Japan's "peaceful" constitution.

 Conflict Between India, Pakistan Escalates Over Exchange of Airstrikes in Kashmir (97)

Tensions between New Delhi and Islamabad culminated on 27 February, when the two sides' warplanes engaged in an air battle over Kashmir just a day after India's airstrike on an alleged jihadist camp on the Pakistani side of the Line of Control. During bilateral sparring in February, India and Pakistan threatened to launch missiles at each other and only US officials' interference helped defuse a bigger conflict, [Reuters](#) reports, citing unnamed sources.

According to sources in New Delhi, Islamabad and Washington, the threat emerged after Pakistan downed an Indian plane and captured its pilot following a dogfight between Pakistani and Indian warplanes over Kashmir.

Missouri lawmaker introduces bill that would require AR-15 ownership

ST. LOUIS (KMOV.com) – A bill introduced in Missouri would require residents to own AR-15 guns.

Andrew McDaniel (R-Deering) introduced [House Bill 1108](#) late last month. The bill would establish the McDaniel Militia Act, “which requires every person between 18 and 35 years of age who can legally possess a firearm to own an AR-15 and authorizes a tax credit for a purchase of an AR-15.”

According to the proposed bill, any person who qualifies as a resident on Aug. 28, 2019 who does not own an AR-15 would have a year to purchase one. In addition, anyone who becomes a state resident after Aug. 28, 2019 would have no later than a year to purchase an AR-15.

Pentagon Hopes to Test Neutral Particle-Beam Weapon in Next Six Months

TECH 23:51 15.03.2019 (updated 23:55 15.03.2019) [Get short URL](#) 11 6 28

The Pentagon wants to explore the utility of a neutral particle-beam weapon in orbit as a missile defense weapon, according to its 2020 budget proposal. It's just one of many ways the US is rushing to become the first nation to introduce weapons into space.

It sounds more like a fixture in a science fiction film than something you'd find on the Pentagon's budgetary requests, but the proposal for Fiscal Year 2020's budget includes a \$304 million request for funding for a program to develop directed energy weapons that can be deployed in space as a next-generation missile defense system, Defense One reported Thursday.

The problem is, these weapons don't exist right now. That means that first the Pentagon must demonstrate that such a weapon is possible before it can even begin to develop a device usable for missile defense, something it's requested \$15 million and six months of time to do. The Missile Defense Agency (MDA) hopes to have a working weapon in orbit by 2023.

On Thursday, around 150 Jewish settlers, backed by at least 30 Israeli policemen, stormed East Jerusalem's Al-Aqsa Mosque complex, according to Palestinian officials.

"About 150 Jewish settlers — backed by at least 30 policemen — have forced their way into the mosque compound since morning," Firas al-Dibs, a spokesman for Jerusalem's Religious Endowments Authority, told Anadolu Agency, also adding that some of the settlers tried to perform Talmudic rituals before exiting the site. The Talmud is the main text of Rabbinic Judaism.

The U.S. has sent nuclear-capable Boeing B-52 Stratofortress bombers to the United Kingdom for strategic missions in Europe.

A "Bomber Task Force" arrived at the Royal Air Force (RAF) Fairford on Thursday from the 2nd Bomb Wing at Barksdale Air Force Base, Louisiana, U.S. Air Forces Europe-Africa (USAFE) said in a [press release](#).

"The deployment also includes joint and allied training in the U.S. European Command theater to improve bomber interoperability. Training with joint partners, allied nations and other U.S. Air Force units contributes to our ready and postured forces and enables us to build enduring and strategic relationships necessary to confront a broad range of global challenges," the statement read.

According to Gloucestershire Live, two B-52s arrived at RAF Fairford on Thursday with more expected Friday.

Attacks could reverse gains in Congo's Ebola fight, says WHO

By JAMEY KEATEN and KRISTA LARSON Associated Press | MARCH 14, 2019 — 10:40AM

GENEVA — Attacks on Ebola treatment centers in eastern Congo threaten to reverse the gains being made against the current outbreak of the deadly virus, the director-general of the World Health Organization said Thursday as a fourth assault on a health center was reported.

Nearly 600 people have died from Ebola in the volatile region, making it the second most deadly in history.

Tedros Adhanom Ghebreyesus, who has just returned from a visit to the affected areas in Congo, insisted that efforts to contain Ebola are succeeding. He said that the WHO hopes the outbreak will be brought to an end in the next six months.

His optimistic assessment Thursday starkly contrasted to one offered last week by the head of Doctors Without Borders, which has had to pull out of two Ebola centers following attacks. Eastern Congo is home to a myriad of armed groups, and the Ebola epidemic has deepened the political and economic grievances of many in the area.

Doctors Without Borders said over the last several weeks that some 43 percent of new cases in the epicenter towns of Katwa and Butembo had no known links to other cases. That means the vigorous efforts to track the contacts of the sick are not entirely successful.

And more than 40 percent of the deaths are still taking place in communities rather than at Ebola treatment centers. The bodies of victims are highly contagious, and the aid group said that figure shows community mistrust is still widespread.

Here's What Facebook Said About Yesterday's Huge Outage

Facebook Says Outage That Hit Instagram And WhatsApp Too, Was Because of an Incorrect Server Configuration

The company hasn't elaborated on what the server configuration change exactly meant.

Associated Press | Updated: March 15, 2019, 8:48 AM IST

The company hasn't elaborated on what the server configuration change exactly meant.

Facebook and its apps Instagram, Facebook Messenger and WhatsApp suffered outages for a considerable time on Thursday, which was because of a "server configuration change," the social media giant has confirmed. Facebook did not say how many users were affected or why the outage took so long to fix. In a tweet about 24 hours after the problems began, Facebook apologized and thanked people for their patience. It didn't elaborate on the server change.

The outage is yet another publicity problem for a company already dealing with privacy issues and regulatory probes.

ISIS TORTURES 11-YEAR-OLD IN FRONT OF HIS CHRISTIAN MISSIONARY FATHER, CRUCIFIES THEM FOR NOT CONVERTING TO ISLAM

More incredible horrors from the evil Islamist terrorists of ISIS.

From [Christian Aid Mission](#):

“ At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

At several steps on their path to death by beheading and crucifixion last month, 11 indigenous Christian workers near Aleppo, Syria had the option to leave the area and live. The 12-year-old son of a ministry team leader also could have spared his life by denying Christ.

The indigenous missionaries were not required to stay at their ministry base in a village near Aleppo, Syria; rather, the ministry director who trained them had entreated them to leave. As the Islamic State (ISIS), other rebel groups and Syrian government forces turned Aleppo into a war zone of carnage and destruction, ISIS took over several outlying villages. The Syrian ministry workers in those villages chose to stay in order to provide aid in the name of Christ to survivors.

“I asked them to leave, but I gave them the freedom to choose,” said the ministry director, his voice tremulous as he recalled their horrific deaths. “As their leader, I should have insisted that they leave.”

They stayed because they believed they were called to share Christ with those caught in the crossfire, he said.

And then they became captives of ISIS. Relatives relate what happened.

The relatives said ISIS militants on Aug. 7 captured the Christian workers in a village whose name is withheld for security reasons. On Aug. 28, the militants asked if they had renounced Islam for Christianity. When the Christians said that they had, the rebels asked if they wanted to return to Islam. The Christians said they would never renounce Christ.

The 41-year-old team leader, his young son and two ministry members in their 20s were questioned at one village site where ISIS militants had summoned a crowd. The team leader presided over nine house churches he had helped to establish. His son was two months away from his 13th birthday.

In front of the team leader and relatives in the crowd, the Islamic extremists cut off the fingertips of the boy and severely beat him, telling his father they would stop the torture only if he, the father, returned to Islam. When the team leader refused, relatives said, the ISIS militants also tortured and beat him and the two other ministry workers. The three men and the boy then met their deaths in crucifixion.

“All were badly brutalized and then crucified,” the ministry leader said. “They were left on their crosses for two days. No one was allowed to remove them.”

The martyrs died beside signs the ISIS militants had put up identifying them as “infidels.”

Somehow people want us to believe that these evil monsters would have been boy scouts if George W. Bush hadn’t invaded Iraq. And of course, it has absolutely nothing to do with Islam, right?

Unfortunately, other horrors were recounted as well. These perpetrated on Christian women.

Eight other ministry team members, including two women, were taken to another site in the village that day (Aug. 28) and were asked the same questions before a crowd. The women, ages 29 and 33, tried to tell the ISIS militants they were only sharing the peace and love of Christ and asked what they had done wrong to deserve the abuse. The Islamic extremists then publicly raped the women, who continued to pray during the ordeal, leading the ISIS militants to beat them all the more furiously.

As the two women and the six men knelt before they were beheaded, they were all praying.

“Villagers said some were praying in the name of Jesus, others said some were praying the Lord’s prayer, and others said some of them lifted their heads to commend their spirits to Jesus,” the ministry director said. “One of the women looked up and seemed to be almost smiling as she said, ‘Jesus!’”

After they were beheaded, their bodies were hung on crosses, the ministry director said, his voice breaking. He had trained all of the workers for their evangelistic ministry, and he had baptized the team leader and some of the others.

This is what is happening in the Middle East right now.

And instead of doing anything about it, Obama is sitting back and letting Turkey’s Erdogan attack his enemies among the Kurds in Syria, and letting Putin attack the enemies of his pal Assad. We’re not even leading from behind anymore, we’re just ceding ground to Satanic evil every day.

HARVARD UNIVERSITY UNCOVERS DNA SWITCH THAT CONTROLS GENES FOR WHOLE-BODY REGENERATION

'Master control gene' controlled by 'junk' DNA acts like a power switch, turning regeneration on or off

The Telegraph - MARCH 15, 2019

Humans may one day have the ability to regrow limbs after scientists at Harvard University uncovered the DNA switch that controls genes for whole-body regeneration.

Some animals can achieve extraordinary feats of repair, such as salamanders which grow back legs, or geckos which can shed their tails to escape predators and then form new ones in just two months.

Planarian worms, jellyfish, and sea anemones go even further, actually regenerating their entire bodies after being cut in half.

A Thrift store in North Carolina recently posted up a warning notice about a bedroom suite's haunted past.

Habitat for Humanity Rowan County's ReStore made a point to inform potential buyers that a hand-crafted two-piece bedroom suite that it was selling had a rather sinister reputation.

"Please note," the warning reads, "previous owner reports that the highboy is haunted. He reports continuous nightmares for he and his wife while it was in their room."

"He also reports that the dogs would not stop barking at it."

The warning didn't seem to do much to deter interest however as store director of operations Elizabeth Brady later reported that two regular customers had purchased the furniture for the full asking price.

While the notice had intrigued them, it seems that they did not actually believe that the items were haunted when they decided to make the purchase.

How they got on with their new acquisitions after bringing them home however remains unclear.

An Ohio family is at war with their local high school after their daughter was suspended for posting Bible verses in response to LGBT-pride flags on campus.

"Lebanon schools celebrates [sic] evil and punishes righteousness!!" proclaimed Tina Helsinger, the mother of student Gabby Helsinger, on Facebook.

The dispute at Lebanon High School began when Gabby wrote Bible verses on Post-It notes and stuck them in various locations, after having seen numerous rainbow-colored pride flags throughout the building.

She described on video what happened, explaining:

"So on Thursday when I got to school, I see that there were pride flags, posters around my school. And I felt the need to write down some Bible verses so I could put them around my school," she said. "And I wrote them down and I put them around my lockers, the walls."

Irish Man Claims Witches Made Him Smash His Neighbor's Windows

Brett Tingley

March 16, 2019

Throughout history, using the excuse “witches made me do it” has come in and out of acceptability. It certainly isn’t the kind of excuse you would have wanted to use in 17th-century colonial Massachusetts, but times have changed – *somewhat*. Witchcraft remains as prevalent and popular as ever, though, and there are even signs that Wicca and other Pagan belief systems [are on the rise](#) worldwide. Is that what drove one man in Ireland to smash all of his neighbor’s windows and blame it on local witches?

Patrick O’Leary, 69, of Kenagh in County Longford, Ireland recently plead guilty to damaging four windows of a neighbor’s house on January, 16. Police found O’Leary at the scene and watched him speed off in his car – a pretty open-and-shut case. Until the courts heard O’Leary’s defense, that is. When brought before a local judge, O’Leary claimed that seven of his neighbors engage in black magick or witchcraft and are possibly even using dolls or other effigies to inflict harm on him and others. Worst of all, he claims his photograph had even been taken against his will as he stepped out of his door one day. Blasted witches!

Cause of loud boom still a mystery

By Lars Tordson | Thu, 03/07/2019 - 6:00pm

Category: [News](#)

Just Googling the words “unexplained boom” will lead an amateur sleuth toward a dozen different websites and articles, on sites primarily dealing with unexplained phenomena, that detail the many instances in which residents in communities across the globe report loud noises waking them or startling them during the day and night.

Block Islanders — some Block Islanders — experienced just such an unexplained boom in the early morning hours of Friday, March 1. Several people reported the noise and talked about how it shook their houses, causing some to get up to see if something had exploded right inside.

Police dispatch told *The Block Island Times* later that same day that they had received some phone calls, but a cruise around the island showed no damages and no injuries had been reported. The boom was reported at 4:21 a.m. Friday.

A posting on *The Block Island Times* Facebook page, as well as other social media sites, indicated that more than a few people had heard the noise, which has yet to be explained. The explanations were mostly whimsical.

“Must have been the *General* firing off another cannon ball,” someone posted, referencing the boat docked in the Great Salt Pond that used to salute sunset with a cannon blast.

“It was legit!” said another. Still another, in this hyper-political world, said the noise was the sound of “liberals waking up finely realized (sic) what a great president we have.” This posting began a vigorous debate that had nothing to do with the boom.

“I wonder if that’s what woke me up,” still another asked.

Passengers Quarantined After Mysterious Mass Illness on International Flight

A Virgin Atlantic flight from Barbados to London was quarantined this week after dozens of passengers simultaneously came down with a mysterious mass illness. While in-flight sicknesses aren't entirely curious on their own right, this latest incident follows on the heels of several other grounded flights and mysterious mid-flight illnesses. Given that NASA has in recent years warned against the risks of increasing cosmic radiation in the skies, are we beginning to witnessing a new level of danger in the skies?

The Earth's magnetic field helps to keep cosmic radiation at bay, but the magnetic field has been weakening in recent years and scientists don't know why.

Someone with more resources than an internet connection and a healthy dose of curiosity will have to figure that one out. Still, given the frequency with which [similar events have occurred lately](#), it seems as if *something* is happening but we don't know what it is. These incidents may merely be a sign of aging aircraft and lax safety protocols, but then again there's always the possibility they may signal something more mysterious or dangerous.

An Ancient Japanese Shrine Debuts a Buddhist Robot

A high-tech twist hopes to offer Buddhist wisdom that's easily understood by younger generations in Japan.

By Thisanka Siripala
March 05, 2019

Kyoto, Japan's ancient former capital, is home to temples, shrines, and imperial gardens. As the birthplace of Japanese tradition, the city attracts some 53 million tourists every year.

Recently, the famed 400-year old Kodaiji Temple in Kyoto unveiled a modern makeover. The world's first sutra-chanting android deity, modelled after Kannon the Buddhist Goddess of Mercy, was introduced to the public last week. Kannon is worshiped by thousands of temples in Japan as a deity who helps people in distress; now the country's fascination with robotics has made its way into that worship.

Kodaiji Temple Administrator Tensho Goto wanted to spread the word of Buddhism to a younger generation losing touch with the tradition. He enlisted the help of pioneer Professor Hiroshi Ishiguro, head of intelligent robotics at Osaka University, who has made a name for himself in robotic research on the world stage.

Image Credit: Flickr/ bethom33

The resulting android version of Kannon, named "Mindar," stands on a pedestal at 195 centimeters tall (6 feet, 4 inches), weighs 60 kilograms, and is made with silicon and aluminum. Like many of Ishiguro's popular telenoid robots, Mindar takes a gender-neutral human form. The appearance is kept to a bare minimum — almost like a naked robot. But as an android embodying the Goddess of Mercy, Mindar had special features designed to evoke both feminine and masculine qualities. With an open head of exposed aluminum wires and a mechanical lower half, Mindar might not be how some would picture a robotic Kannon. However, the plain facial features give room for visitors to use their own imagination in how they'd like the deity to appear.

Google Has Edited Out 2 of 3 Photo Indexes Of Alien Base At Zeeman Crater, moon, March 2019, UFO Sighting News.

Date of discovery: 2006-2007 abouts

Location of discovery: Edge of Zeeman Crater, Earths moon

Source: Google Earth Map (push moon button)

I was exploring Google map (free to download) when I found the infamous ET base at Zeeman crater. I was astonished that Google had not deleted it yet. Google had already deleted the ET base from both the *VISIBLE IMAGERY* and the *COLORIZED TERRAIN* photo map. Lucky for us the Lunar Orbiter Mosaic map has less editings...so far, but I'm sure this wont last. So I made this video which is 100% proof that Google is working with the US government to hide the existence of alien life from the public. Google is part of the problem, not part of the solution. Google is making a covert war that the public doesn't know even exists right now under our noses...the war on information. A war that fights to keep the public in the dark, and the information out of our minds. That is something I cannot allow. By editing what information the public sees and doesnt see...Google is taking part in **THOUGHT CONTROL**. The information the public knows is like programming code, it determines the future actions of those with it. Thus...by editing out certain alien info...they control the public by making them passive.

GIRL SCOUT'S PRO-ABORTION CAMPAIGN WINS TOP AWARD

'I'm planning on hosting an event to educate people about and de-stigmatize access to women's healthcare'

Published: 14 hours ago

(Dailywire) As Girl Scout cookies season comes to a close, parents should be aware that the organization does not exactly have family-friendly values at its heart.

Though the organization's ties to abortion conglomerate Planned Parenthood have been known for years, the Girl Scouts of America have yet to be so forthright about their closeted support for abortion.

Until now.

According to LifeNews, the group MyGirlScoutCouncil.com, which has been monitoring the organization for years over its pro-abortion stance, discovered last Friday that the Girl Scouts of Southern Arizona honored a girl for her volunteer work on "reproductive health justice."

Former NASA Consultant Finds Evidence Of Alien Civilisation on Mars

© March 7, 2019 · LUFOS · Aliens, Conspiracy, NASA, UFO News · 0

A former NASA advisor has shockingly claimed that Mars was the home of ancient alien civilisation until they were all wiped out with a devastating nuclear war.

A conspiracy theorist and a former NASA consultant Richard C Hoagland said that extra-terrestrials once existed on Mars and other planets in the solar system. He argued his claim could be proven with ample of photographic evidence from Viking missions of NASA. He explained that NASA photos from the Cydonia region of Mars show pyramids, ancient habitats, and organised structures. He stressed the destructive power of nuclear warfare cut short the thriving alien civilisation in the Red Planet.

The conspiracist said the Viking lander discovered evidence of anomalous isotopes, which are known as Xenon 129. He pointed out that these isotopes strongly point towards nuclear detonations on the surface of the planet.

Mr Hoagland, together with plasma physicist John Brandenburg and a team of investigators, explored the possibility of Mars' ancient alien civilisation. They came out with the idea that a global Martian nuclear war destroyed the civilisations they have been looking.

The theory comes from large concatenations of radioactive Xenon 129 on the Red Planet.

The radioactive isotope is usually found on Earth around the fallout from nuclear explosions and near nuclear fission reactors.

Mr Hoagland strongly believes that the entire solar system was colonised at one point and the evidence is out there to collect.

Antarctic Mountain Rumoured to be 'Earth's Oldest Pyramid' Built By Aliens

While adherents of the “alien builders” theory speculated that the Antarctic peak might be some kind of “master pyramid” or even a node in an energy-generating network of pyramids spanning the globe, at least one geologist proposed a much more mundane explanation.

While some conspiracy theorists and UFO hunters explore theories about aliens building pyramids in ancient Egypt and Mesoamerica, others now claim that the oldest pyramids in existence may have been erected by extraterrestrials amid the frozen wastes of Antarctica, the Daily Express reports citing the History Channel's Ancient Aliens TV show.

As the newspaper notes, one Antarctic geological feature in particular draws the attention of conspiracy theorists: a “pyramid-like structure” located near the Shackleton mountain range, whose “four steep sides” make it look somewhat like the Great Pyramid of Giza.

David Childress, an American author and the owner of Adventures Unlimited Press, even speculated that this so called “Shackleton pyramid” might be “the oldest of its kind” on the planet.

"If this gigantic pyramid in Antarctica is an artificial structure, it would probably be the oldest pyramid on the planet and in fact it might be the master pyramid that all the other pyramids on planet Earth were designed to look like," he said.

Can LARGE earthquakes hit Los angeles in the near FUTURE? Three independent models converge on the high earthquake potential of Los Angeles

By Strange Sounds - Mar 9, 2019 1

Like 97

Metropolitan Los Angeles is being squeezed from south to north at 8-9 mm/yr ($\frac{1}{8}$ inch per year). This squeeze was the ultimate driving force behind the 1971 San Fernando, 1987 Whittier Narrows and 1994 Northridge earthquakes, three days Angelenos need no reminder of. The tolls of these earthquakes prompt a natural question. Could larger squeeze-driven earthquakes hit LA in the near future?

Damage at the San Fernando Veterans Administration hospital in Sylmar killed 49 people. Photo by Orange County Register.

In one of many ongoing efforts to answer this question, a team from Caltech, NASA's Jet Propulsion Laboratory and USC has recently developed a model of which faults may be feeling the squeeze and how much, within a swath of southern California extending from Catalina Island to Palmdale. They found that three large thrust faults, the Sierra Madre, Puente Hills and Compton faults, may be taking up a lot of the squeeze – and therefore might release a lot of it in future earthquakes.

Tropical Cyclone Idai set to be the fourth strongest since satellites records began with winds reaching nearly 150mph in the Mozambique Channel

Photo NOAA

At least 10 people have been killed after heavy rains deluged two flood-prone provinces of Mozambique, the UN said Monday, as meteorologists issued a cyclone warning.

Six people died in the central Tete province in recent days while four were swept away in the coastal Zambezia province, the UN Office for the Coordination of Humanitarian Affairs said in a report.

More than 62,000 people have so far been affected by floods in the two provinces as well as in the northern Niassa province.

"At least 10 deaths reported, and 62,975 people were affected by the floods," the UN said.

National authorities have warned that "at least 120,000 people are at risk of flooding and heavy rains in the coming days," the UN said.

Tropical Cyclone Idai rapidly strengthened to a Category 3 storm in the warm waters of the Mozambique Channel over the weekend. This image, seen from the NOAA-20 polar orbiting satellite on March 10, 2019, shows Idai brushing the island of Madagascar before it gradually moves south and west toward the coast of central and southern Mozambique.

The worst flooding in more than 50 years devastates the Plains and the Midwest threatening to close a nuclear power station and is causing dams to fail

ktiv.com

The worst flooding in more than 50 years is causing grave concern in the Plains and the Midwest, dams are failing and preparations were being made to shut down a nuclear power plant along the rising Missouri River. According to the Weather Channell, a dam failed in Spencer, Nebraska, and another dam was at high risk of failing in north-central Nebraska.

The National Weather Service's Omaha office was forced to evacuate Friday due to the flood threat.

A Nebraska farmer was killed trying to rescue a stranded motorist.

The Missouri River reached near-record levels after Midwest and Great Plain streams were swelled by a massive storm that soaked fields and dropped heavy snow from Colorado to Canada this week.

At Rulo, Nebraska, Missouri was forecast to crest within 6 inches (152 millimetres) of its record height set in June 2011, the National Weather Service said.

Further downstream in St. Joseph, Missouri, it's expected to reach within a foot of its all-time high.

While weather conditions have eased, rivers throughout the Midwest and Great Plains will remain high through the weekend, said Marc Chenard, a senior branch forecaster at the Weather Prediction Center.

Nebraska Public Power District's Cooper nuclear plant will close when Missouri reaches 901.5 feet above sea level, which is forecast for early Saturday morning, said Mark Becker, a utility spokesman.

The staff has placed sandbags along the river levee and the plant itself should remain "high and dry" because it was built 903 feet above sea level, he said.

After surveying the extensive flooding from the air, Nebraska Gov. Pete Ricketts said in a Friday press conference that it was the "most widespread flooding damage we've had in the last half-century."

Almost three thousand people have been evacuated from the worst affected areas, however, the main worry is the thousands of livestock left stranded.

Offices in 49 of South Dakota's 66 counties were closed Thursday as the National Weather Service warns of blizzard and winter-storm conditions a day after a massive late-winter storm hit Colorado.

Gov. Kristi Noem said only essential personnel in the affected state offices should go to work.

A week after deadly tornadoes, Alabama braces for severe storms again

By Christina Maxouris, CNN

Updated 3:29 PM ET, Sat March 9, 2019

(CNN) — The worst may be over for Alabama -- but much of the state will be drenched this weekend in another round of severe weather.

Severe storms will unleash heavy winds, rain and thunderstorms on northern parts of the state Saturday afternoon through Sunday morning, and will include a "risk of isolated tornadoes," the National Weather Service said.

The county hardest hit by last weekend's tornado, Lee County, is in the southeast part of the state.

"How soon is now?" The cities around the world which have almost run out of drinking water affecting millions and it is getting worse

Photo dnalndia.com

The world's largest underground aquifers a source of fresh water for hundreds of millions of people are being depleted at alarming rates, according to new NASA satellite data that provides the most detailed picture yet of vital water reserves hidden under the Earth's surface.

Twenty-one of the world's 37 largest aquifers in locations from India and China to the United States and France have passed their sustainability tipping points, meaning more water was removed than replaced during the decade-long study period.

Zimbabwe

Zimbabwe's capital, Harare, says it will limit running water to two days a week due to a drier-than-normal rainy season. The aim of water rationing is to help distribute water equally among Harare residents, said Mike Chideme, the Harare Town House spokesman.

"We did not receive enough rainwater this season," Chideme said.

"That has also negatively affected our capacity to deliver water to the people, so this is a natural cause."

Some of our supply dams and water levels are low, and the water is heavily polluted.

The water demand management program will actually improve on the health of the people in Harare in that we will equitably distribute the resource that is available, unlike in a situation where some areas go dry 24/7.

But this time around, all areas will have a fair share of water available."

However, the plan has sparked fears of water-borne diseases such as cholera and typhoid in the city as people turn to unprotected water sources.

CELESTIAL PERFECTION

While in heaven, I somehow realized that knowledge is flawed and did not seem to be of great significance. Truth is what prevails and has supremacy in heaven. When I had questions or needed understanding it seemed to be imparted automatically and directly into my heart.

Just one of the things I somehow seemed to “understand” was that heavenly order was everywhere and in everything. I understood in my heart that God’s will was perfection and His Word was the source of all creation. As I considered all that I had seen, I understood that the Word of God was and is the foundation for everything. God was the heart of heaven, His love, His will, His order.

Somehow I recognized that Jesus, the Word, was the structure that held it all together. Like the rib cage around the heart. He was the creative power that brought everything that I saw into place and stabilized it.

The multitudes of angels and people were responding to the will of God and acting in perfect order to accomplish His will. Even light—the way it traveled and reflected—was highly complex, yet mathematical and precise. The melodies and rhythms of the music were all in perfect order. Nothing out of sync. No part of heaven was independent of the whole. There was complete unity.

Between the central part of the city and the city walls were groupings of brightly colored picture-perfect homes in small, quaint towns. I’ll call them townships, because I can’t think of a better word for them. I focused on only three townships, but certainly there were more. A lot more, no doubt. The dwellings in these townships were not arranged in a uniform or symmetrical manner but appeared perfectly balanced somehow. Each home was customized and unique from the others yet blended harmoniously. Some were three or four stories, some were even higher. There

were no two the same. If music could become homes, it would look like these, beautifully built and perfectly balanced.

The flowers in heaven fascinated me. Again, a delightful and delicate balance between diversity and unity. Each was unique. All were one. And they were beautiful to behold. Each petal and leaf illuminated with that glorious light and added just the right splashes of color to the velvety expanse of green grass.

As I described previously, the grass, the sky, the walls, the houses, everything was more beautiful than I ever dreamed anything could be. Even the colors. They were richer, deeper, more luminescent than any colors I have ever seen in the farthest reaches of earth or in the most fantastic of dreams. They were so vibrant they pulsed with life. Each and every color, no matter how varied, took its color from the glistening whiteness that permeated heaven.

If millions of jewels had been gathered into one place and the brightest sunlight shone through them, it wouldn't begin to describe the colors I saw. Heaven was filled with a rainbow of hues and provided me with a sensory feast.

My eyes were next drawn to a river that stretched from the gathering area in the middle of the city to the wall. It flowed toward the wall and seemed to end there, at least from my vantage point. The river was perfectly clear with a bluish-white hue. The light didn't shine on the water but mysteriously shone within it somehow.

The wall to the city was not a single wall but rather a series of walls layered next to each other. The wall was made of three outer layers, three inner layers, and one higher wall in the center. The outer layers of the wall were about forty feet tall. Each layer of the wall was taller as it got closer to the center, like a staircase. At its tallest point the wall was a couple hundred feet. And surprisingly, it was as thick as it was tall. The wall was massive and stretched out to my left and right as far as I could see in both directions.

The outer wall was greenish in color with a hint of blue and a hint of

black mingled within it. It was made entirely of translucent stones. Large multicolored stones were built into the base of the wall in layered rows. A powerful light permeated the wall, and you could see all the colors of the rainbow in it. Strangely, whenever I moved, the colors moved ever so slightly as if sensing my movement and making an adjustment.

The two angels that had escorted me there were still with me, moving me along, the three of us in sync, making sure I was *where* I should be, *when* I should be there.

I was eye-level with the base of the wall now and no longer hovering above it, but standing in front of an impressive opening. It was an archway that seemed to be approximately forty feet high and thirty to thirty-five feet wide.

A tall, majestic angelic being stood to the right side of the gate, dressed similarly to my escorts with the exception of the golden belt wrapped around his upper waist. A large emblem was located on the belt where a buckle would normally be. He appeared very strong and masculine. His hair was either white or it was the light radiating from him. But his entire being, and his head, specifically, was illuminated in bright white light. His face seemed to light up with love and joy at seeing me.

The entrance, or gateway, was opalescent in color, as if it had been made of pearls that had been liquefied, and then solidified onto the wall. The entrance was completely composed of this mesmerizing substance that also coated the entire inside of the opening as far as I could see. The ornamentation around the entrance included phenomenal detail. It was the most astounding sight I had ever seen. As I basked in the beauty that adorned the gateway, I noticed large gold letters emblazoned above the opening. They seemed to quiver with life. The single line of letters formed an arch over the entrance. I didn't recognize the letters but knew the words were as important as any words could be. Other letters were written in honey-colored gemstones on the ground in front of the entrance and included several lines. The entrance through the thick wall was breathtaking. The opening seemed filled with light that was the purest of white,

yet it seemed to have countless hues that changed with even my slightest movement. I was filled with excited anticipation of entering that beautiful gate.

I was immersed in music, in light, and in love. Vibrant life permeated everything. All these weren't just *around* me, they were *inside* me. And it was wonderful, more wonderful than anything I had ever experienced. It felt as if I belonged there. I didn't want to leave. Ever. It was as if this was the place I had been searching all my life to find, and now I'd found it. My search was over!

A smaller group of people in soft-white robes had congregated to my left in the lush grass just off the roadway. It now seemed as if the music was orchestrating the event, moving people to their proper places. They had just arrived and were waiting in the wings, on time and in place, as if they followed a director's cue.

Who are these people? I wondered. And why are they here?

As suddenly as I had wondered, the answer came. They were here *for me*. Wherever they had traveled from and however far they had traveled, they had traveled *for me*. The looks on their faces, their excitement at seeing me, at welcoming me, was overwhelming. I felt so special, so loved. I had never felt such a deep sense of belonging. They radiated profound joy at seeing me. Everyone smiled, their eyes warm and kind; their hearts so filled with unconditional love that it spilled out of them onto me. No one was recognizable as an earthly acquaintance, but all seemed remarkably familiar. I didn't know these people, but somehow I knew they were my family—my spiritual family, my brothers, my sisters, spanning generations.

Although I didn't know them, somehow they knew me. They knew Dale Black. They knew my name. And they knew the *real* me, not the one I tried to project on earth to be accepted by someone I wanted to be friends with or to be validated by some group of peers I wanted to be part of.

They not only knew my name but somehow they knew the story behind my name. I was unaccustomed to such love and acceptance. I began to

thing wonderful but the absence of everything terrible. There was no strife, no competition, no sarcasm, no betrayal, no deception, no lies, no murders, no unfaithfulness, no disloyalty, nothing contrary to the light and life and love.

In short, there was no sin.

And the absence of sin was something you could feel. There was no shame, because there was nothing to be ashamed of. There was no sadness, because there was nothing to be sad about. There was no need to hide, because there was nothing to hide from. It was all out in the open. Clean and pure.

Here was perfection. Complete and utter perfection. The revelation of sin's absence was astounding and exhilarating. This is where I belonged. I was made to be in heaven. In a perfect place where there is no sin.

I had been in heaven for some time before I recognized sin's absence. Now I contemplated the one thing that *dominated everything* on earth . . . that *infected everything* on earth, but was missing here. It can be compared to oxygen. I went through life not really thinking about the air I was breathing while I worked, slept, ate, and drove. But take that air away and I would think about nothing else. Similarly, I was so accustomed to sin that I hadn't even recognized its far-reaching effects in every part of life. But nothing had been tainted in heaven by sin's destructive touch. This perfection I experienced was largely due to the absence of sin.

The best unity I have ever felt on earth did not compare with the exhilarating oneness that I experienced with my spiritual family in heaven. This love . . . God's love, was transforming. To experience something so sacred, so profound as the boundless love of God was the most thrilling part of heaven. It satisfied a longing in the deepest part of me. My spiritual family had shared God's perfect love with me. How could I ever be the same?

My attention was diverted to the beautiful entrance. I was certain I was going through the gate. Again I turned back toward my precious family and did not want to leave that perfect love. But because of the highly ex-

pectant look on their smiling faces, it seemed as if they knew I would be given a gift and what that gift would do for me.

I felt so special, you can't believe how special. After all, all this was *for me*. Everyone there was there *for me*. I had no idea what gift I was to receive, but the anticipation on the faces of the people let me know that it was something extraordinary.

I felt like a kid again, like that fifth-grade kid who loved God. Like that kid who used to look forward to Christmas like you wouldn't believe. I couldn't wait to open the gifts that waited for me under the tree. And I couldn't wait for the gift that waited for me now.

The music continued, such beautiful music, and I became even more excited. It swelled and with it so did my anticipation.

And then, as I was about to travel through the entrance and receive the gift . . .

I was swept away.

MY DREAM OF HEAVEN – Rebecca Springer

All through the grounds,  older people were walking, sometimes in groups, sometimes by twos, sometimes alone, but all with an air of peacefulness and happiness that made itself felt by even me, a stranger. All were in spotless white, though many wore about them or carried in their hands clusters of beautiful flowers. As I looked upon their happy faces and their spotless robes, again I thought, “These are they who have washed their robes, and made them white in the blood of the Lamb.”

Look where I would, I saw, half hidden by the trees, elegant and beautiful houses of strangely attractive architecture, that I felt must be the homes of the happy inhabitants of this enchanted place. I caught glimpses of sparkling fountains in many directions, and close to my retreat flowed a river, with placid breast and water clear as crystal.

The walks that ran in many directions through the grounds appeared to me to be, and I afterward found were, of pearl, spotless and pure, bordered on either side by narrow streams of pellucid water, running over stones of gold. The one thought that fastened itself upon me as I looked, breathless and speechless, upon this scene, was “Purity, purity!” No shadow of dust; no taint of decay on fruit or flower; everything perfect, everything pure. The grass and flowers looked as though fresh-washed by summer showers, and not a single

blade was any color but the brightest green. The air was soft and balmy, though invigorating; and instead of sunlight there was a golden and rosy glory everywhere; something like the afterglow of a Southern sunset in mid summer.

As I drew in my breath with a short, quick gasp of delight, I heard my brother, who was standing beside me, say softly, "Well?" and, looking up, I discovered that he was watching me with keen enjoyment. I had, in my great surprise and delight, wholly forgotten his presence. Recalled to myself by his question, I faltered:

"Oh, Frank, that I –" when such an overpowering sense of God's goodness and my own unworthiness swept over me that I dropped my face into my hands, and burst into uncontrollable and very human weeping.

"Ah!" said my brother, in a tone of self-reproach, "I am inconsiderate." And lifting me gently to my feet, he said, "Come, I want to show you the river."

When we reached the brink of the river, but a few steps distant, I found that the lovely sward ran even to the water's edge, and in some places I saw the flowers blooming placidly down in the depths, among the many-colored pebbles with which the entire bed of the river was lined.

"I want you to see these beautiful stones," said my brother, stepping into the water and urging me to do the same. I drew back timidly, saying, "I fear it is cold."

"Not in the least," he said, with a reassuring smile. "Come." "Just as I am?" I said, glancing down at my lovely robe, which, to my great joy, I found was similar to those of the dwellers in that happy place.

"Just as you are," with another reassuring smile.

Thus encouraged, I, too, stepped into the "gently flowing river," and to my great surprise found the water, in both temperature and density, almost identical with the air. Deeper and deeper grew the stream as we passed on, until I felt the soft, sweet ripples playing about my throat. As I stopped, my brother said, "A little farther & still."

"It will go over my head," I ex postulated.

"Well, and what then?"

"I cannot breathe under the water I will suffocate."

An amused twinkle came into his eyes, though he said soberly enough, "We do not do those things here."

I realized the absurdity of my position, and with a happy laugh said, "All right; come on," and plunged headlong into the bright water, which soon bubbled and rippled several feet above my head. To my surprise and delight, I found I could not only breathe, but laugh and talk, see and hear, as naturally under the water as above it. I sat down in the midst of the many-colored pebbles, and filled my hands with them, as a child would have done. My brother lay down upon them, as he would have done on the green sward, and laughed and talked joyously with me.

"Do this," he said, rubbing his hands over his face, and running his fingers through his dark hair.

I did as he told me, and the sensation was delightful. I threw back my loose sleeves and rubbed my arms, then my throat, and again thrust my fingers through my long, loose hair, thinking at the time what a tangle it would be in when I left the water.

Then the thought came, as we at last arose to return, "What are we to do for towels?" for the earth-thoughts still clung to me; and I wondered, too, if the lovely robe was not entirely spoiled. But behold, as we neared the shore and my head once more emerged from the water, the moment the air struck my face and hair I realized that I would need no towel or brush.

My flesh, my hair, and even my beautiful garments, were soft and dry as before the water touched them. The material out of which my robe was fashioned was unlike anything that I had ever seen. It was soft and light and shone with a faint luster, reminding me more of silk crepe than anything I could recall, only infinitely more beautiful. It fell about me in soft, graceful folds, which the water seemed to have rendered even more lustrous than before.

"What marvelous water! What wonderful air!" I said to my brother, as we again stepped upon the flowery sward. "Are all the rivers here like this one?"

"Not just the same, but similar," he replied.

We walked on a few steps, and then I turned and looked back at the shining river flowing on tranquilly. "Frank, what has that water done for me?" I said. "I

feel as though I could fly.

"He looked at me with earnest, tender eyes, as he answered gently, "It has washed away the last of the earth-life, and fitted you for the new life upon which you have entered." "It is divine!" I whispered.

"Yes, it is divine," he said.

Chapter 2

*O City of Peace! In thy palaces fair
Loved faces and forms we can see;
And sweet voices float to us thro' the calm air that whis-
per, "We're watching for thee!"*

We walked on for some distance in silence, my heart wrestling with the thoughts of the new strange life, my eyes drinking in fresh beauty at every step. The houses, as we approached and passed them, seemed wondrously beautiful to me. They were built of the finest marbles, encircled by broad verandas, the roofs or domes supported by massive or delicate pillars or columns; and winding steps led down to the pearl and golden walks.

The style of the architecture was unlike anything I had ever seen, and the flowers and vines that grew luxuriantly everywhere surpassed in beauty even those of my brightest dreams. Happy faces looked out from these columned walls, and happy voices rang upon the clear air, from many a celestial home.

"Frank, where are we going?" at length I asked.

"Home, little sister," he answered tenderly.

"Home? Have we a home, my brother? Is it anything like these?" I asked, with a wild desire in my heart to cry out for joy.

"Come and see," was his only answer, as he turned into a side path leading toward an exquisitely beautiful house whose columns of very light gray marble shone through the green of the overhanging trees with most inviting beauty.

Before I could join him, I heard a well remembered voice saying close beside me: "I just had to be the first to bid you welcome!" and looking around, I saw the dearly loved face of my old time friend, Mrs. Wickham.

"Oh! Oh!" I cried, as we met in a warm embrace.

"You will forgive me, Col. Sprague," she said a moment later, giving her hand cordially to my brother. "It seems unpardonable to intercept you thus, in all most the first hour, but I heard that she was coining, and I could not wait. But

now that I have looked upon her face, and heard her dear voice, I will be patient till I can have her for a long, long talk."

"You must come in and see her now," said my brother cordially.

"Do, do come!" I urged.

"No, dear friends, not now. You know, dear little Blossom," (the old pet name for me years ago) "we have all eternity before us! But you will bring her to me soon, Col. Sprague?" she said.

"Just as soon as I may, dear madam," he replied, with an expressive look into her eyes.

"Yes, I understand," she said softly, with a sympathetic glance at me. Then with a warm hand clasp, and the parting injunction, "Come very soon," she passed swiftly out of my sight.

"Blessed woman!" I said, "what a joy to meet her again!" "Her home is not far away; you can often see her. She is indeed a lovely woman. Now, come, little sister.

I long to give you welcome to our home;" saying which, he took my hand and led me up the low steps on to the broad veranda, with its beautiful inlaid floor of rare and costly marbles, and its massive columns of gray, between which, vines covered with rich, glossy leaves of green were intermingled with flowers of exquisite color and delicate perfume hanging in heavy festoons. We paused a moment here, that I might see the charming view presented on every side.

"It is heavenly!" I said.

"It is heavenly," he answered. "It could not be otherwise."

I smiled my acknowledgment of this truth my heart was too full for words.

"The entire house, both below and above, is surrounded by these broad verandas. But come within."

He led me through a doorway, between the marble columns, into a large reception hall, whose inlaid floor, mullioned window, and broad, low stairway at the far end, at once held my fancy. Before I could speak, my brother turned to me, and, taking both my hands, said: "Welcome, a thousand welcomes, dearest sister, to your heavenly home!"

"Is this beautiful place indeed to be my home?" I asked, as well as my emo-

tion would allow.

"Yes, dear," he replied. "I built it for you and my brother, and I assure you it has been a labor of love."

"It is your home, and I am to stay with you?" I said, a little confused. "No, it is your home, and I am to stay with you till my brother comes." "Always, dear brother, always!" I cried, clinging to his arm.

He smiled and said, "We will enjoy the present; we never will be far apart again. But come, I am eager to show you all."

Turning to the left, he led me, still through the beautiful marble columns that everywhere seemed substituted for doorways, into a large, oblong room, upon whose threshold I stopped in wondering delight. The entire walls and floor of the room were still of that exquisite light gray marble, polished to the greatest luster; but over walls and floor were strewn exquisite, long-stemmed roses, of every variety and color, from the deepest crimson to the most delicate shades of pink and yellow.

"Come inside," said my brother.

"I do not wish to crush those perfect flowers," I answered.

"Well, then, suppose we gather some of them."

I stooped to take one from the floor close to my feet, when lo! I found it was imbedded in the marble. I tried another with the same astonishing result, then turning to my brother, I said: "What does it mean? You surely do not tell me that none of these are natural flowers?"

He nodded his head with a pleased smile, then said: "This room has a history. Come in and sit with me here upon this window seat, where you can see the whole room, and let me tell you about it." I did as he desired, and he continued: "One day as I was busily working upon the house, a company of young people, boys and girls, came to the door, and asked if they might enter. I gladly gave assent, and then one of them said: 'Is this house really for Mr. and Mrs. Sprague?'"

"It is," I answered.

"We used to know and love them. They are our friends, and the friends of our parents, and we want to know if we may not do something to help you make it

beautiful?"

"Indeed you may," I said, touched by the request. "What can you do?"

We were here at the time, and looking about. One of them asked, "May we beautify this room?"

"Undoubtedly," I said, wondering what they would try to do.

At once the girls, all of whom had immense bunches of roses in their hands, began to throw the flowers broadcast over the floor and against the walls. Wherever they struck the walls, they, to even my surprise, remained, as though in some way permanently attached. When the roses had all been scattered, the room looked just as it does now, only the flowers were really fresh – gathered roses. Then the boys each produced a small case of delicate tools, and in a moment all, boys and girls, were down upon the marble floor and busy at work. How they did it I do not know it is one of the celestial arts, taught to these of highly artistic tastes but they embedded each living flower just where and as it had fallen, in the marble, and preserved it as you see before you. They came several times before the work was completed, for the flowers do not wither here, nor fade, but were always fresh and perfect. And such a merry, happy company of young people, I never saw before!

They laughed and chatted and sang, as they worked; and I could not help wishing more than once that the friends whom they had left mourning for them might look in upon this happy group, and see how little cause they had for sorrow. At last when all was complete, they called me to see their work, and I was not chary of my praises either for the beauty of the work, or for their skill in performing it. Then, saying they would be sure to return when either of you came, they went away together, to do something of the kind else where, I doubt not."

Happy tears had been dropping upon my hands, clasped idly in my lap, during much of this narrative, and now I asked half brokenly, for I was greatly touched: "Who were these lovely people, Frank? Do you know them?"

"Of course, I know them now; but they were all strangers to me till they came here that first morning, except Lulu Sprague."

"Who are they?"

"There were three Marys – Mary Green, Mary Bates, Mary Chalmers; Lulu Sprague and Mae Camden.

These were the girls, each lovely and beautiful. The boys, all manly, fine fellows, were Carroll Ashland, Stanley and David Chalmers."

"Precious children!" I said, "how little I thought my love for them, in the olden days, would ever bring to me this added happiness here! How little we know of the links binding the two worlds."

"Ah, yes!" said my brother, "that is just it. "How little we know! If only we could realize while we are yet mortals, that day by day we are building for eternity, how different our lives in many ways would be! Every gentle word, every generous thought, every unselfish deed, will become a pillar of eternal beauty in the life to come. We cannot be selfish and unloving in one life, and generous and loving in the next; the two lives are too closely blended, one but a continuation of the other. But come now to the library."

Rising, we crossed the room that hence forward was to hold for me such tender associations, and entered the library.

It was a glorious apartment the walls lined from ceiling to floor with rare and costly books. A large, stained-glass window opened upon the front veranda, and two large bow windows, not far apart, were in the back of the room.

A semi-circular row of shelves, supported by very delicate pillars of gray marble, about six feet high, extended some fifteen feet into the spacious main room and cut it into two sections lengthwise, each with one of the bowed windows in the back, leaving still a large space beyond the dividing line, where the two sections united again into one. The concave side of the semi circle of shelves was toward the entrance of the room; and close to it, not far removed from the bowed window, stood a beautiful writing desk, with everything ready for use; and upon it was a chaste golden bowl, filled with scarlet carnations, of whose spicy odor I had been dimly conscious for some time.

"My brother's desk," said Frank.

"And his favorite flowers," I added.

"Yes, that follows. Here we never forget the tastes and preferences of those we love."

It is not to be supposed that these details were at once noticed by me, but they unfolded to me gradually as we lingered, talking together. My first sensation upon entering the room was genuine surprise at the sight of the books, and my first words were: "Why, have we books in heaven?"

"Why not?" asked my brother. "What strange ideas we mortals have of the pleasures and duties of this blessed life! We seem to think that death of the body means an entire change to the soul. But that is not the case, by any means. We bring to this life the same tastes, the same desires, the same knowledge, we had before death. If these were not sufficiently pure and good to form a part of this life, then we ourselves may not enter. What would be the use of our oft-times long lives, given to the pursuit of certain worthy and legitimate knowledge, if at death it all counts as nothing, and we begin this life on a wholly different line of thought and study? No, no, would that all could understand, as I said before, that we are building for eternity during our earthly life!

The purer the thoughts, the nobler the ambitions, the loftier the aspirations, the higher the rank we take among the hosts of heaven; the more earnestly we follow the studies and duties in our life of probation, the better fitted we shall be to carry them forward, on and on to completion and perfection here."

"But the books; who writes them? Are any of them books we knew and loved below?"

"Undoubtedly, many of them; all, indeed, that in any way helped to elevate the human mind or immortal soul.

Then, many of the rarest minds in the earth life, upon entering on this higher life, gain such elevated and extended views of the subjects that have been with them life long studies, that, pursuing them with zest, they write out for the benefit of those less gifted, the higher, stronger views they have themselves acquired, thus remaining leaders and teachers in this rarer life, as they were while yet in the world.

Is it to be expected that the great soul who has so recently joined our ranks, whose *Changed Life* and *Pax Vobiscum* uplifted so many lives while on earth, should lay his pen aside when his clear brain and great heart have read the mystery of the higher knowledge? Not so. When he has conned his lessons well,

he will write them out for the benefit of others, less gifted, who must follow. Leaders there must always be, in this divine life, as in the former life leaders and teachers in many varied lines of thought. But all this knowledge will come to you simply and naturally as you grow into the new life."
