We All See Through the Mirror Dimly

1 Cor 13:12

For now we see in a mirror, dimly, but then face to face. Now I know in part, but then I shall know just as I also am known.

Tracking visions, dreams, and prophecies is always very challenging. Remember the devil seeks whom he may devour so we must always seek Jesus first, and trust in God alone, not "man".

If you decide to track the prophetic information from any of these sources, please watch and pray and remember that we must discern and measure all things against the Bible.

FIRST-FRUITS GOVERNING BODY AND THE CHOICES OF THE LEFT BEHIND

Message received May 25, 2019

All those who are made in My image have been given choices, purposes have been ordained, and desires of My heart have been placed within. It is up to each one to choose to serve Me and obey, to choose to manifest My life's example here on earth, or to refuse the invitation to a glorified, eternal life with one's Creator.

We have placed each one here for a specific role and sanctified those My Father has given Me for His will. Those who have been chosen are those who answer the call on their lives and come to call on Me as their Messiah.

Within this vast group of those who come to know Me in this lifetime, there are specified groups, the outcome of their destinies determined by the degree of their surrendered lives.

Those who have fully surrendered and given over their lives and their entire being, heart, mind, soul and will have been sealed first, and will be taken by Me first as a first-fruits harvest, preceding the much larger group who have allowed the desires and distractions of this world to hold their interest, focus, and priority. This first very small group comprises My jewels who will translate and enter into glory ahead of the rest. This group will be rewarded accordingly, as they have learned

the obedience and discipline in their lives through following My example and through the trials, suffering and refining they have endured. I tell you this now, this group's reward comes quickly now!

The time is upon you! This group is expecting Me now and has made her garments clean in holiness, repentance and humility.

Within this first group, those who have completed the tasks they were given will stay with Me during the great tribulation on earth, and not be required any further service here. There is another part of this first-fruits group whose lives have been the training ground for their final assignments, and I will translate them as a testimony of My Glory which will be granted as a gift to the much larger group, as the world plunges into darkness under the beast system. They will minister for a time, performing great exploits in My name. They will glorify Me as they present themselves to those in the valley of decision, testifying of My love for all My creation. Then, I will bring them home.

Those in this larger group, often referred to as those left behind, will still be afforded many graces, although they were not ready for My coming earlier. They, too, are a sealed group, having accepted Me as Messiah, and will move forward under greater trials- by fire, persecution and suffering, in order that they receive the reward that is available to them. Greater sacrifice by the laying down of one's life sooner will yield a greater honor in My Kingdom.

I have gifts and crowns to give all those who choose Me in this

life, but it is up to you the level of glory I reveal to you and the rewards you receive. Those who have chosen Me sooner are those who are granted to be My governing body and will rule and reign with me in My Kingdom, as mature sons and daughters who inherit the authority, power, and rulership that My Father has given Me.

The larger group who also receive My sealing will then be presented with choices of service to Me. Within this group will be many who will be given the opportunity to lay down their lives for Me, but for them by this time, it will mean their physical death by martyrdom. These will receive a great reward for this ultimate sacrifice, as those who have gone before them have received. They, too, will enter immortality with Me. Those who remain faithful through the darkness under the beast's control, but who are not required to lay down their lives, will enter immortality, be translated (glorified/raptured) when I come for this group; and although they will not be comprised of My governing body, will remain to live in peace and harmony during the 1000 year millennial reign on earth.

The level of intimacy We share now in this life, determines your position in My Kingdom. Once understood, this revelation will help many who are having difficulty choosing the direction and choices that have and will be presented to them.

Just as I have said, in My Father's house are many mansions. All that is spoken in My Word has many layers of meaning and revelation. Again, to those who are intimate with Me, I reveal the secret mysteries. I am not interested in lip service to

Me, just as I do not honor or reward vain sacrifices and traditions of men. You are about to suddenly see that without intimacy, your religious practices are dead in spirit. Religion-charities and organizations dedicated to good works, anything led by man and man's desires and who does not carry My Spirit within is dead. I cannot emphasize this enough.

Come out of the Babylonian system; come out of the world as those who I have chosen are not of this world, just as I was not of this world. Hear what My Spirit is speaking to you.

Many are called, few are chosen.

Every single choice you make each day determines your eternal destiny. Does this sink in with you at all? You are walking a path that results in a determined outcome that cannot be reversed after you leave this earth. Why would you choose to accept anything less than the full outpouring of My blessings for you because you chose very poorly in the here and now?

I am Limitless, and all that is of Me is offered to you. What greater gift could there be? I implore you. Take these, My words to heart. Meditate deeply on everything I am revealing to you. I have so much more to share with you than what you have perceived. Come to Me and pray for revelation and wisdom, as I give freely to all who ask and all who seek Me with all their heart.

Choices for many of you reading this must be made this instant, because judgment is set and is now here, and many

will enter this day into eternal separation or eternal glory with Me. If these words have not pricked your heart; if you are not convicted of all that has been spoken; if you go from here back to your comfortably numb state of being; if you still have the thirst for entertainment and the ways of this world, continuing to be indoctrinated and programmed, then there is nothing more your Creator and Father can say to you, is there?

I love you beyond measure, but I force no one to return that love. What a man sows, he will reap. The reaping is begun. The Great Harvester comes with all His Heavenly hosts mustered for battle.

DREAM of THE MIGRANT WORKERS

by Bryan Hupperts

I had a detailed dream where I was standing in a sea of people before the throne of God. I saw well known ministers, invisible ministers, people who had falsely accused me, people who had justly accused me, and many people I didn't know. Weird, but everyone had a black spot on their chest. The numbers were too vast to count. I was standing pretty close to a tele-evangelist known for \$1,000 suits and for boasting of many healings. I had the distinct impression he was impatiently waiting for the Lord to finish speaking to hand him a microphone!

We were all wearing name badges and (like military insignias) badges of rank. The Lord spoke to this vast group yet we each heard him as if he were only speaking to us individually, "Lay down your ministry, your vision, your promises. I have new assignments for each of you." We all assumed a promotion. Then all went dead silent while the Holy Spirit ministered to each of us. To me he spoke, "I want you to become a field hand, a migrant worker. Go pick fruit."

I was horrified. What is lower than a fruit picking

migrant worker?

I burned with shame wondering what my family would think. How would we live? What about my hard won education? I have struggled with Lupus for years and cannot stand being in sunlight for long stretches of time. Such a call to work in the fields would surely kill me!

Finally, I bowed my head while weeping and said, "Thy will be done." I stripped myself of my nice suit and donned the cheap clothing of a migrant worker. I told myself that if all I am capable of doing is harvesting fruit for the Lord then I would do it with all my heart. I felt something inside of me begin to shake violently, burn and finally die.

Though he slay me, yet will I serve Him, indeed! It occurred to me much later that migrant is just another way of saying "stranger and alien".

Anyway, I looked up and saw a great separation take place. I realized that the Lord had whispered this exact same calling to everyone there. We were all being called to be migrant fruit pickers.

This vast company were all ministers of the Gospel. The hard shock was that the great majority of those standing there heard this call to go be migrant

laborers and had said, "No."

I could hear the angry complaints: I built this church... I am too important ... This ministry cannot survive with my leadership... If these fruit picking fools actually succeed, send the tithers to my church... and on and on. I could see sheep being culled from goats. It was like watching the birth of Gideon's Army. Our ranks were greatly thinned and we were an unimpressive, motley lot. There was not a name tag, title, or rank insignia to be seen.

So there we were in our migrant worker clothes like people you would glance at and turn away from uncomfortably pretending that you did not see them. I noticed we all had a dark hole burned in our chests where the black spot had been and someone called out and asked about it. The Lord of the Harvest replied, "That thing that burned and died in each of you was your blinding pride." And he breathed on us and the hole was filled with a kind of liquid light, His abiding Presence and glory!

I thought, "Oh, you cannot fill that which is full. You can only fill a vessel that has been first emptied." I looked back at the great company of ministers who had disqualified themselves from their

true callings and was suddenly glad to be in ragged clothes and holy company. The black marks on their chests were like a plague infection that suddenly began to ooze and spread. I thought, "They're dead already and they don't even know it."

God is looking for those who will faithfully laborer for him to bring in the great harvest of souls that the seed of His blood had spilled into the earth to bring forth. Faithful Labor: There is no other qualification.

The Lord told us, "The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field. Go forth. Be fruitful and multiply my Kingdom!"

As our company marched off into the harvest field to be inglorious, nameless field hands, I could hear those left behind sneering in contempt, shouting out catcalls about what fools were all were.

They seemed oblivious that the Lord of the Harvest was standing in their midst watching, listening, weighing their every word. And his eyes burned with holy fire...

TRANSCRIPT:

Daughter speak the truth that no one wants to hear or believe. This truth is for the unrepentant and the mockers and scoffers. I have called and warned you over and over yet every one sleeps. My prophet's and messengers are tired. No one will listen. No one will believe what is upon them until they see the fire and brimstone raining down from the heavens. Everything will be burned. I will remove every trace of the abominations from my sight. I will send the waters to wash it away and cleanse the land. You arrogant and proud people will not humble your selves and kneel before me. I will do what I have done in the past, again. If you know Me you know My ways. Judgement comes to the evil and wicked generation. Only the remnant will be spared.

[SPEAK THE "TRUTH" THAT NO ONE WANTS TO HEAR OR BELIEVE!](#) ***

Many Huge Planets to Pass Very Close to the Earth & A Space Rock to Hit the Earth

I'm calling My bride away. Your eyes will not see the sudden destruction coming as My wrath is poured out on the nations of the earth for their pride and abominations. My bride, you will rest safely with Me, your bridegroom. You have been refined in the furnace and you are now without spot or wrinkle. No more tears. All tears will be wiped away. The marriage supper awaits you. You have made yourselves ready. You will hear a shout. Our time is here.

TRANSCRIPT: Do you know Me? Do you know My ways? I'm coming for My bride. Once you are removed from earth evil will flourish, crying will be heard in the heavens. Those who have not heeded My words will see a whirlwind of destruction coming upon the nations. The leaders will hide underground to escape My wrath. The remaining people will be tortured

and slaughtered by the beast. I love My children. I have waited because I don't want any to perish. I paused time for you to come to Me. Many have come. Many have rejected Me, ignoring My messengers and prophets warnings and calls to repentance. I must take action now to prevent more innocent bloodshed. Because you know Me I have given you understanding and wisdom to prepare for the coming days before your departure. You will be safe. Do not fear any man. I will protect you. TRUST ME. Keep your focus on Me. Do not get involved with the world or worldly people. Separate yourself now if you haven't already. Your Bridegroom is coming.

A DESPERATE AND URGENT PROPHETIC WARNING

OUTSTANDING

R. Loren Sandford - Prophetic Moments #121

loren@newsongchurchandministries.org

February 2019

The prophets of the Old Testament were desperate to awaken Israel from spiritual slumber in order to prepare for or avoid the troubled days

The prophets of the Old Testament were desperate to awaken Israel from spiritual slumber in order to prepare for or avoid the troubled days about to come upon them. Their desperation flowed from a depth of love for God and for His people. If you read the prophets as they're meant to be read, you can feel their grief coming through in their words.

Today I understand their desperation and grief more deeply than I ever have, but I have hope. When I travel I see a remnant - a growing remnant - longing for God. They don't want hype. They're tired of the show. They won't respond to manipulation or deceit. They just want Jesus. There's a purified hunger growing in them. They love worship and will linger in it for extended periods of time. They love the Word, they love to pray, and they love one another. Their passion is growing.

I remain convinced that, although that remnant hungers for God and is alive to His reality, the vast majority of the body of Christ remains tragically sound asleep during a vital time of lessened pressure intended to give us time to prepare for what is coming. We

in the U. S. live in a window in time of economic expansion, when pressure on Christians is less than it has been because of an administration that favors both the church and Israel. Religious freedom has been upheld in Supreme Court decisions. It would be too easy to fall asleep during this season, too easy to fall into complacency. If we allow that to happen, we will find ourselves unprepared for the troubles to come.

In December, 2016 God gave me a vision that told me we had four years to prepare, but that in middle of the fourth year, there would begin to be real trouble. If the current U. S. administration is voted out in the election cycle of that fourth year, the radical left will take control of the nation. In the name of the left's version of "justice" and "equality", laws will be passed that Christians will be unable to obey. Freedoms will begin to vanish. The economy will enter an accelerating decline because of higher taxes and the destruction that socialism has always wrought wherever it has been tried. Our military will be gutted in the name of peace and budgetary constraints and the Pax Americana that has held the bad guys at bay in the world and fed every economy on the planet will sputter and come to an end as the power of the United States fades. At that point, war will become inevitable and it will be the most destructive the world has ever seen.

In the midst of this, we must prepare to shine in the darkness and walk in the most glorious days of our lives when this season of ease inevitably comes to an end. Isaiah 60 is the word of hour for us, filled with power and promise.

"Arise, shine; for your light has come, And the glory of the Lord has risen upon you. For behold, darkness will cover the earth and deep darkness the peoples; But the Lord will rise upon you and His glory will appear upon you. Nations will come to your light, and kings to the brightness of your rising. Lift up your eyes round about and see; They all gather together, they come to you. Your sons will come from afar, and your daughters will be carried in the arms" (Isaiah 60:1-4).

As we shine in the darkness, wielding the power and love of God in

an unprecedented outpouring of the Holy Spirit, a great harvest of souls will be won to Jesus, drawn by the brightness of our rising.

Know, however, that we're on the clock and we must make the most of the time we've been given to prepare. We can pray for an extension of this season of grace and ease and I believe God will grant it if we accompany our prayers with deep cries of repentance, both in our personal lives and on behalf of the church and our nation. Pray for the coming presidential election. Many have prophesied that President Trump will be reelected, but know that this is not a certainty without the prayers of the saints, refining in the president's character and rhetoric, and an awakened church.

Many of us cry for revival, and I support that cry because I know what we mean, but we don't need revival. We need an awakening. We must come alive to the touch of God and sharpen our senses to the moving of His Spirit as well as the condition of the world around us. This is a time for renewed passion in love for our Lord and for people in this dying world. It's a time for prayer on our faces and for battle on our feet.

The prophets of the Old Testament were desperate to awaken Israel from spiritual slumber in order to prepare for or avoid the troubled days

Daughter, you will speak today to My children. This is the appointed time of the End of Days. You are

speaking to those with open ears and eyes. You are speaking to those who hear My voice and do My will. You are speaking to My called and chosen. The

Beast stands before the multitudes. He stands in plain sight, yet many can't see him. He has gained much favor. He is loved by many. They will call him Master and Messiah. They will follow him down the path of destruction. They will bow to him and question nothing he says. He will be appointed King and ruler over all the nations of the world. Death is his comforter - hate, his friend. He will cause many to be put to death. The blood of the martyrs will cover the land and cry to Me. I have revealed his name to My prophets and messengers. They have been warning you of what is coming. He knows who they are. He will have them put to death to silence them. He is the man called Obama. Behold, a great change is coming. Get your house in order. Prepare for the Beast and his decree. He is prepared to step forward now, so all may worship him as he is.

Attacks from Every Side

My Children are being attacked on every side. The enemy knows his time is short, My Children, and he seeks to dissuade you from your path, to discourage you and leave you weary. He desires to provoke you through others to cause you to discredit your witness for me by becoming angry or striking back at those who attack you.

Do not fear the small, insignificant attacks of your enemy. Only pity the ones being used, for they shall pay a great price. I am never mocked,

whatsoever a man sows, that shall he reap and I watch over My Word to perform it. Know that vengeance is indeed Mine and I repay in far more serious consequences than you are able to. I do not take lightly attacks and slanders against My Children.

Rest, My Children, for your Father sees what is happening and I never sleep nor slumber. I will repay for you and you will see it.

Donald Trump is a JUDGEMENT, not a blessing. – Mary Fitzgerald Rodriguez

6-25-19

I had just finished replying to a comment on one of my earlier posts when the Holy Spirit started pouring words into my spirit. Then I heard the Lord God say.... “WRITE IT daughter. Exactly as you hear it. It is crucial and deperate for people to come to the knowledge of My truth. I am giving the wisdom they need to understand. “.

This is what HE says,.

Donald Trump is a JUDGEMENT, not a blessing. God has placed him in power as a judgment against a fallen church and nation. God has placed him to do harm and not good. You argue, “but he is better than Hillary. ”

Listen!!! Could Hillary have deceived the “church”? Of course not because they knew she was a snake.... But Trump has done more spiritual damage than Hillary ever could. He is a two headed snake...

He and his spiritual advisors, including the Pope-loving apostate evangelists, have managed to deceived, if it were possible, even the elect. They have led millions to believe false prophecies and doctrines. They have attacked the very True Remnant of God who were not led astray by their promises of peace and prosperity. His ties to the Jesuits and Freemasonry are only part of his blighted history.

“Christians ” would not have accepted Hillary and maybe would have prayed more and sought truth and Holy Spirit guidance. But instead, they believed a deadly lie and are following and defending one more dangerous.

The fat , lazy and selfish church deserves judgment... And Trump is one of it’s judgments....to be tempted and see how quickly it took the snare, indeed showing its true character. Dangerous it is to one’s soul to be so easily misled!

The evil putrid foul murderous nation also deserves judgment and it will also surely come!

You have no more excuses for believing a lie. Repent and return to the God of truth, and renounce your sin that so easily ensnared you . Trump will continue to deceive. It is his nature, his character, and his mission. He will be responsible for and cause great harm. Repent while there is still time.

**TRANSFORMATION OF THE CROWN JEWELS
WITHIN THE BRIDE
MESSAGE RECEIVED SEPT. 5, 2018**

It is I, King of all that exists, Master and Lord, Divinity that came into flesh, Messiah to all who trust and believe. There is no other besides Me.

You are on the cusp of a new dawn, before an open door that very few will enter into at the end of this age of man, when I take to Myself My first-fruits, the manifested sons and daughters of the Most High.

There is a cost to walking the narrow way, and most have not chosen My way in its fullness. I have taught and counseled, warned and implored My church, even those who consider themselves to be My remnant church, My Bride to open their eyes to truth. So many though continue to give their affections and attentions elsewhere. I am jealous for My church, but many do not desire Me as I desire her. The patterns for what I

am speaking are found throughout My Word for those who seek to know truth.

As the end tells of the beginning, I am dividing, yet again, a first-fruit within the larger group known as My remnant. I am dividing those who call Me Messiah, but whose fruits do not reflect this, with those who have laid their entire lives down on My altar as living sacrifices, those who are My crown jewels, those who desire Me and only Me. These are those who have forsaken all else, those who care not for things of this world. These are those with their oil lamps full, ready and waiting for their Groom, those whom I will marry. This is the first remnant I will transform into My image, to assist Me in power and mighty authority as the world plunges into tribulation. This is also My remnant Bride who will come with Me at the close of the tribulation to declare My victory won. The remainder of the remnant church who require further refining will undergo persecution and great tribulation in order to be called My wedding guests. Seek My truth in My Word and you shall find it.

Can you even hear what My Spirit is speaking to you as the midnight hour strikes? Not all who call Me Lord will enter into the wedding chamber. Those not walking in complete obedience, truth, and holiness will remain to endure great turmoil such as the world has never seen. The comfortably numb positions this larger group has embraced will suddenly become a grave and stark reality check as they realize they did

not take My warnings and instructions seriously enough.

Too many believe they will escape tribulation and go about their lives, living the way they feel like living, not seeing a problem with it. This is not of Me! Deception runs deep in My church and only you are accountable for your journey with Me. I desire only purity and will not take as My Bride anything but that purity. Darkness and light cannot dwell together, therefore ANY FORM of darkness, however slight, when willfully accepted in one's life, will not be accepted to be My holy Bride.

Events unfold now with terrible speed, and for those still dabbling in the things of the world but professing Me, the outcome will be bitter, but I will never forsake you if you continue to seek Me. After I translate My pure Bride, they will be a great comfort to the remnant left, for a time, as you will witness My glory radiating from them and truth will manifest before your eyes. There is still a moment to choose to repent, but I tell you, this opportunity will end suddenly and abruptly..

For My jewels, your feet will tread on the paths of the ancients and walk on My streets of gold. My Comforter is always within to assist you and guide you. Your steps are not taken alone and your labor has not been in vain.

As Heaven and earth collide, you will fly like doves

and join Me, your Espoused, in all of My glory. Cast your cares on Me and be anxious for nothing. The earth will soon dissolve like snow and the mountains will melt with fervent heat at the great and terrible day of the Lord. You have nothing to fear as you remain immersed in My fountain of blood and water and dwell in the safety of My mercy and grace. I have spoken of the sudden-lies being upon you. My first-fruits, in the blink of an eye, you will find yourselves face to face with Me!

Rejoice in that your King comes! Great manifestations of My glory are upon you!

Your King, Your Bridegroom,

YAHUSHUA

Christians Will Take the Mark In Concentration Camps - David Eells

I was in a mid sized American city. Larger than Pensacola, but smaller than the larger cities, like Chicago. In the city, chaos and panic were taking place. Martial law had been implemented and the streets were flooded with people panicking and UN troops – The UN being the United Nations. I was filled with the Holy Ghost, as I remember it in this dream. In this dream, my life on this earth was soon to be over. I knew it. I believe this dream could be a glimpse of what my end could be. I believe the Holy Spirit prepares people for things to come.

In this dream I was running from the UN Troops, and I hid in the crevice of this high rise building. It had a small entrance way, nobody could get in there. as you had to be really skinny to get in there. I was being chased by UN troops. These guys were in full

combat riot gear and they had a black police style fatigues on. They were wearing black combat boots, black shirts, with white patches on their shoulders which said the UN, they had black bullet proof vests on, riot helmets and they had a fully automatic firearm on one arm, and they were well prepared. They had what appeared to be mini tanks and paddy wagons on the street where they were gathering up people.

They found me, hidden in the crevice of this building, they had a lot of advanced technology, far beyond anything we have known today. They could find you, it didn't matter where you were, or who you were, or how well hidden you might have been.....they could find you. They called me out of the crevice of this building.

After having that dream, I looked into the technology that they have, and they do have a lot of advanced technology, far beyond what we can even comprehend. They found me out, and I came out of the crevice building. I was filled with the Holy Ghost, and was submissive to the authority, that the Lord had placed over me, which was these people.

They threw handcuffs on me, and brought me into what appeared to be a paddy wagon. They shipped me off to a large gymnasium. As I entered into this large gymnasium, there was two lines in front of me....real long. At the end of these two lines, were these tables established with two government employees, and at the tables there were ladies.

The people in this line, a lot of these people were from church. Most of them however, were regular folks,you know citizens. A lot of them were from church. As I first entered into the gymnasium, at the very front of the line, I saw them take one person, and take them to this part of the building, to my right, and they took them into the room, where nobody knew where they were taking them. I had my own ideas, but I wasn't for sure.

Everyone else was willing to accept what they were doing, and everyone INCLUDING the brothers and sisters that,.....well that I believed were the brothers and sisters from my church were entering into the other room, and after they entered that room, the whole side of the gymnasium, you could see glass, you can see outside. They were exiting this

room, admiring their new microchip implant that had just been injected into their right hand. They were outside the perimeter of this building. Around this building was barbed wire. They were actually able to leave the area and go back into population. After they got their new micro chip identification.

It grieved me, because I saw people from church accepting this thing. I believe that thing was the mark of the beast. The thing is, I didn't feel sorry for those people, because I realized that weren't really my brothers and sisters, that they had made their decision was to choose what I believe was the mark of the beast, and they had chosen death. The bible says if you receive that thing, your going to burn. I didn't have any kind of feelings towards those people. My focus was dead set on the Lord.

When I reached the front of this line, I got ushered to one of the tables, and one of the ladies there, started asking me for all of my information. She asked me for my name, my social security number, my telephone number, my address, and all my information. I gave it to her, I answered each question. I felt like a double portion of grace and

mercy, and peace rise up in me. I really felt the fire of God, start to be stirred within me. It was almost as if the closer I came to my flesh being killed, the closer I got to being at peace. I knew where I was going, I knew the Lord ...and I knew the Lord was in me. As far as I was concerned, I was already dead, because Jesus lived in me.

After I got to the table after she asked me all these questions, ...the lady asked me 'Are you ready to receive your new micro chip implant'and I looked at her and was kind of amazed and marveled at her in amazement, at how people could be so diluted, and blind and not know the truth. The bible clearly tells us about these things to come. You would have to be seriously blind or diluted not to know. I said 'excuse me ma'am, I will have nothing to do with that. I believe in Jesus Christ, and I believe that is the Mark of The Beast, I will have nothing to do with that. She looked at me and said 'oh, well, you need to put those kind of thoughts to death right now' And she said 'read this', and handed me a piece of paper. She said 'come back after you read this'. I glanced at the heading and it said 101 reasons why you should receive the new

micro chip implant. Listed were all the benefits to this. I guess if you were an average citizen, you would think it was an excellent thing. Stop crime, no missing children anymore...It solved a lot of problems. It seemed like an excellent benefit program. The only thing is, this paper didn't list all the down sides to it.

So I looked at this paper in horror, and crumpled it up, and felt even more of the fire of God come through me, righteous indignation rise within me. Almost as if fire could shoot out of my eyes, and blow this table in front of me. I felt burned up inside, at this lady, at what she was asking people to do. I crumpled this paper up and threw it on the ground, and I looked at the lady, and said 'look, lady, I cannot deny that Jesus Christ is Lord of Lords, and King of Kings, and If I were you I would chop off my right hand and beg for his mercy. The lady looked at me, and just laughed. I guess I amused her. She said to a close by guard....'we got another fruitcake'. Here, take him over there. I was the ONLY one, since I got in that whole line of two major lines in front of me. When I first came in there, there was one person, out of the whole line

that went into this room. I was the only one since that person. There might have been anywhere from one hundred to two hundred people that went before me. So there had only been one person, other than me that didn't receive this thing.

They ushered me up to the room where they had a guillotine in there. That kind of surprised me. None of the dreams surprise me, they all sort of happen how I thought they might happen. The thing is I was brought up to believe that we were going to be raptured before all that happens. The Holy Spirit has led me to believe otherwise since then. The guards got me all strapped in and I was looking up, and the guillotine was getting ready to come down on my head, and praise and gratitude and peace flooded my heart, and joy because I knew that my end on earth was coming, and was soon going to receive my reward for what the Lord had done in my life here on earth. I knew where I was going, and I was sure of it. I started saying 'hallelujah, Lord, I am coming home', right before this thing landed on my head....and then I woke up.

UN Police In America “I saw what looked like riot police. Like you see sometimes coming in, with helmets on. Some of them had light blue hats or helmets, I am not sure. It didn't look American, it looked like it was more of a UN type of, or international type of thing, I don't know. They started entering into homes, and they gave the people a choice. They came in heavily armed, with machine guns. They said, ‘either you, come with us, ...we have a place for you’ . They dragged people out of their homes and brought them to these, they looked like concentration camps. But they didn't look like the world war II type. They looked like they were made into that from schools, corporate buildings and warehouses. There were a lot of them. I knew this was happening, not just in America, but this was happening world wide”

UN Police Rounding Up People “The people who refused to go were just shot. And that was awful, I was just shocked. They just shot them and left them in their homes”

Famine, Concentration Camps Warnings “I saw what looked like small.... I am not sure what to call them, they looked like kiosk. It was a small building that was like a prefab type of building. These little kiosks were set up in every little town.....everywhere. People were starving, they had no food, there was looting, and gangs were going about,it was just awful. People were starving. These things were sophisticated and well advertised. ‘Food, water and shelter, just come in here and we will help you’ It was very inviting and a lot of people went’there’s food lets go’. It was a trap, they went in, and it was just like in the bible, it talks about the mark of the beast.

Mark Of The Beast, Concentration Camps “There was this hologram movie kind of....where the antichrist was three dimensional, it was like he was in front of you, but he wasn’t. I have never seen technology quite this advanced. They said’your going to be alright, we’ll take care of you, just bow down on your knees, and receive me’ Almost like he’s Lord, but he said it in such a way that it didn’t seem like a big deal, but it was. They could

not touch the person until they got down on their knees. I didn't put that in what I wrote, but when they got down on their knees, then there was this automatic thing that they got stamped. It looked like an electronic tattoo or stamp. I believe in some parts of the world, it was on their forehead, some parts was on their hand. The right hand, but I saw a forehead. And then they went into this room in the back, and they had food and they could eat, they slept, but when they came out, they were like zombies. They had lost their mind, they were in a complete takeover, like "i robot" movie. It was like a taking over of their whole being. They lost their soul. You could tell. Many of them, the ones that were young, the ones that were fit, were immediately brought into the military, this police force, and they were given weapons and they were like zombies, they went out and joined the police that were rounding everyone up"

Torture, Concentration Camps, Hunting Down Of Christians "Then there was some, that I watched, two or three....." It was horrifying. There were some that didn't. They said ' no, I can't do that. I will not take that stamp, I will not bow to you, I will not bow

to you....’ Then there was this terrible torture. They were tortured, and yet nothing was happening on the outside, it was the pain centers of their brain. They were screaming. They would scream and scream and finally if they would still not yield, then there was like this light that went on, and then these lasers would just.... it was like a red laser, or orange-red and it shot right through their brain and their heart, and then it sliced their head right off. Right after that, it was like they were just burned. I don’t know if this was just a dream, but it was very very vivid”

The Process Of Killing Is Quick After Not Accepting The Anti-Christ He talks later about those who didn’t bow down, their body was incinerated within seconds. Their bodies would be burned, resulting in a small pile of ashes from these lasers. He said it happened so fast, and the efficiency was frightening. He remembered back to the holocaust, this was so much quicker and more efficient. He mentioned that this process was one happening globally, not just in America.

The Image Of The Beast, A Holographic Image?
“This man that rose up, the antichrist, I didn’t see

him, but I saw this movie thing, it was like he was there. I think that is what it means by “the image of the beast”, because it was an image, but it wasn’t the beast. But, it was still very real”

Provisions For Christians In The End Days “I believe the last outpouring will not happen in a time of prosperity, but great horror. People will cry out to God, and He will bring them to their knees. I saw these big outdoor meetings, where God had risen up these end times prophets and apostles, and there was amazing miracles of food and water. What struck me was there was NO FOOD AND WATER. People were starving. People would get to these refuge placesbig fields, and they would see awesome miracles, healings and creative things. I just knew that millions would be pouring out all over the world. He was pouring out his Spirit, and harvest and people were crying out, and there was great martyrs and heroic things”

UN Troops As Authority Figures -“Right about at the time that this earthquake hit, very unusual things began happening with the laws. I began to see local municipalities and no longer were the police departments the enforcers of the laws. But military police driving very unusual looking vehicles that I now know are called Humvees. The vehicles I saw were black and were on just about every corner of every main thoroughfare. The back cans were campus and there were men standing in the back of them wearing black uniforms and blue ball caps or blue helmets.”

Cannot Cross State Lines Without Paperwork “One thing that was happening was you could not cross state lines at this time without papers. Current papers were required to cross state lines. That was very strange to me”

Television Sets Monitor People -“As time progressed in the dream, I was given the ability by being in homes that television sets not only broadcast and transmitted programming but they now had the capacity to actually send signals about what you are doing in your living room. I was able

to see the television sets were actually watching people in their homes, monitoring their movements, monitoring their conversations. I was shown in the dream that the television did not even need to be on. It just needed to be plugged in.”

Detention Centers For Christians – “In 1983 the Holy Spirit Told me he was allowing the devil to build prisons in the state of California that would eventually become detention centers for Christians. These prisons were being built in rural areas that were normally 15 to 25 miles off of any main highway. I asked him why would that be the case and he said, “So that those people can be taken during the night hours.”

Concentration Camps

They took me to this government building. It was a large building. They took me into a room and there was my wife and this older gentleman that I began to call you evangelist. They had already been captured. These people knew exactly where to take me. That was very astounding to me because I wondered how do they know all of these things about people.

They began to politely interrogate us. They began asking us to be cooperative and to come into agreement with this new government and everything will be fine for you. Well, my wife is one of the boldest Christians I have ever met. She is also one of the kindest and most gentle believers I have ever met. But she will get in the devil's face. She and this older man began to preach to these people that were trying to convince us of this new alignment of this government.

So they took us out of that room and let us in another room. Now there was a lot of mind control interrogation. I could feel my mind being pulled into this new order. I began thinking if we just don't cause any trouble it will be okay. That is how my mind began to function. But the older gentleman and my wife began to fight this with all of their spiritual strength and they challenged it with scriptures.

It was amazing to me because our capture was almost as though they had planned it out.

When we were being interrogated the mind control was phenomenal. It was not like any human being could do in an interrogation. My mind began to really be slept with anxiety and fear. Because my wife and this older gentleman kept being very bold and in your face with them they took us out of that room and into this very long corridor. In this corridor there were thousands of people lined up. The corridor seemed to be at least 100 yards long. It was probably longer than that. Every five or six minutes the people in this long line would take a step forward.

We had been in this line for a long time when people would barge in through the doors on the sides of the corridor and began to grill people and tell them to renounce their faith. They would never use the name Jesus. They would never use the name Jesus Christ. They would never use the name God. They would say you should renounce your faith in him while you can still live. They would say your faith is empty. It was a blasphemous challenge that these people were bringing against the people in the line. Every so often, someone in the line would crack. They would

just collapse and these people would drag them away. They would renounce their faith in Christ.

It made me very uneasy to be in this line because I was not sure what they were going to do to us. I wondered if they were going to put us in prison or maybe beat us up.

Eventually we made it through a battery of three double doors. After going through the last double doors we were put into a holding cell. There was the old man in the front of the line and then my wife and then myself. They took this older gentleman into the room and closed the doors very quickly. I do not know what happened to him.

About six minutes or so later they opened the doors wide open and what I saw made me experience the emptiest feeling I have ever experienced in my whole life. I saw this man that was very big. He was tall like a professional basketball player but was very big like a professional football player. He had a big satin hood over his head with eyeholes to see out.

My wife was in front of me and they began telling her she should renounce her faith and live. Now I realized what was happening because this man was standing there with a huge sword. It was a very frightening looking sword. I saw this table that was a little longer than the average human being and a little bit wider. My wife said she was not going to renounce her faith in Jesus. She began to preach to them powerfully. She began to rebuke the devil. They got angry and strapped her down on this table with her face up. This man was standing behind her with this sword. So he took the sword and chopped her head right off, right in my presence, I saw it.

Atheist Has A Vivid Dream of Heaven – AC (anonymous)

DREAM

I was raised an atheist.

Utterly godless.

Not even agnostic.

No gods.. fairies.. Santa's or bunnies...Believed nothing at all.

I saw all the trouble and confusion it caused and wanted nothing to do with it.

I see Christians always fighting and debating and being hypocrites all the time.

I see new agers not really having a clue what it is they actually believe in, and going in circles.

I see all the other religions all banging their head on a wall but achieving nothing but headaches.

I wanted no part in it and still don't.

But I had a dream / vision when I was 15 that changed my life, but it was not until about a year ago it took effect, and according to the dream it will not be until after tomorrow (*28 December 2012*), when I turn **44**, that it finds fulfilment.

I was 15...still a kid.. but wondering what it was all about, seeing as everything was so totally pointless and without a reason or a goal.

Being an atheist is the most pointless life one can live.. so empty of purpose or meaning.

And like all kids I needed purpose and meaning.

So the dream./ vision...

It was September the 28th 1984....a day I will never forget, because its the day my life was taken right OUT of my hands, and I realised that none of us really have a choice...only a will directed by the one who makes the choices.

I remember so clearly.. sitting on my bed that night...looking out the window at the stars. Wondering why they were there.. what purpose they served.. if any at all. I remember asking the same thing of myself.. what was my purpose.. did I have a purpose...or was it all pointless.. an illusion.. meaningless and dead?

That night I lay down on my bed.. still wondering what it was all about... and I had a dream....or a vision.. not sure which but it was incredibly vivid.. I was there.. could feel.. hear.. smell....

Where was I?

(Keep in mind up UNTIL that point I had never even looked into a bible or any religious book.. so what I saw was not previously planted in there)

One moment I was on my bed.. in a half awake half sleep state.. a trance you might call it. That zone you are in where you are still aware but also.. not aware. I found myself about 200 meters in the air...an air that was NOT air as we know it. I looked around in shock...I was there.. this was no dream.. I panicked at first cause I thought I was dead.. and for all I know.. I was.

After adjusting to this "Shock" I was able to look around me.. where I was...and what I saw....Spreading around me in every direction to a horizon that just was not there.. was THE most incredible landscape I have ever seen. No majestic scene on earth comes close to this.. awesome.. the SCOPE of it... endless.. and solid and real.

Vast jungles.. parks.. majestic mighty mountains.. oceans the size of earth itself.. and lakes as big as oceans.

Waterfalls a hundred kilometres high.. mighty rivers packed with life.. crystal clear...the trees...small and great.. colourful.. detailed.. each one unique and some full of flowers of colours vivid and bright.. some full of fruit of weird shapes and hue.

ALL was alive.. in a life that was LIFE.. not just living things.. but LIVING beings.. they were not just alive.. they WERE life in its essence...each leaf.. blade of grass.. creature and fish.. bird and reptile.. were not JUST alive.. its like they WERE EMANATING life...

This mighty and majestic landscape went on and on.

What I thought were small hills in the distance, turned out to be mighty mountain ranges that make the Himalayas look like a badly thought up joke in comparison.

The waterfall immediately to my left upon arrival there...WOW...it was (I later found out) over 300 kilometres from where I floated.. and even at that distance it was so utterly magnificent...rising up and up.. above eye level.. like looking UP at a river.. It descended down the side of a “small” (compared to some of the other mountains there) 100 kilometres high cliff face...falling.. cascading.. majestic.. and throwing of rainbows in its mighty mist...

I could go on and on about the details.. but I am going to stick with the main part...and that is.. WHO was standing “Or floating” there beside me.. who until that moment I had not noticed..

I turned to my right...and...wow...there was this bloke...who I Immediately KNEW was The creator of all I saw. I didn't know his name.. I just KNEW HE was responsible for it all..

He was about 6 foot...medium build.. strong.. yet supple.. he had an air of authority about him.. like a mighty fighter who could whip anyone but with ease.. and KNEW it.. but was humble and gentle and didn't brag about it.

His hair was white...but not from age.. more of a symbol of purity kind of white. Like a judge would wear a white wig as a symbol. But this hair was no wig. It was his own.

He wore a sort of robe.. not ancient.. yet not modern. Like a royal robe of state. Across his chest from right shoulder to left hip was a red/purple sash about 6 inches wide, interwoven with gold threads.

The robe went to just above his ankles. He had sandals on. But not ancient looking. More of a modern look. But in looking there.. at his feet...I saw holes in them...Then with a shock.. I saw his hands.. they too had holes in them.. just at the ends of his wrists.. each hole about half an inch wide. There was no blood and the wounds were not festy or horrible. They.. were worn like a status symbol.. a mark.. more than an annoying wound. I had the urge to kneel.. but realised I didn't have a body to kneel with.

So I just looked at him.. KNOWING he could read every thought...and knew my intent was to kneel if only I could have.

He knew.

He just smiled at me.. joy glittering in his eyes.. eyes.. so.. blue.. gold.. green...all colours.. fire.. eyes of fire.. like an opal of magnificent brilliance.

He seemed to radiate a real.. friendliness.. happiness.. total peace.. yet utter and mighty authority.

You felt at ease with him.. yet so humbled as well.

I finally said to him (Well.. I thought it)...."You are God?"

He said simply..."(I AM)"

I thought to myself "This cant be real.. there IS no "God" ... I am imagining all this.. I MUST be..."He smiled even broader.. if that were possible.. like he was amused at my simple yet certain belief in nothing. It was not a snide enjoyment he was feeling.. it was more like you would smile at a toddler who said something cute.

He said, knowing my turmoil and thoughts, "Come.. let me show you your destiny" as we started moving through this "Air" that was not air...gliding off at about 60 k an hour it seemed. I was able to measure the speed we were moving, because we floated over a sort of highway with trees planted at regular intervals along it.

It was a twin highway.. divided in two by a river. The river was about 40 meters across.. clear as crystal.. pure and so inviting. I had the urge to go and swim in it for some reason...even though I didn't actually have a solid body.

The highway was about 15 meters across on each side of the river. And spaced about 200 meters apart were bridges. There were people down there below us.. ordinary .. people.. some dressed in modern garb.. some in robes like togas.. some wearing nothing but light.. if that's possible. All were people.. they looked to be about 25 or so.. healthy.. vibrant.. solid and real.

I saw children as well.. playing in the river.. laughing and jumping off the bridges into the water. Laughter.. lots of laughter and joy. It seemed to permeate this amazing place. Here and there among the people I saw beings.. LIKE people but different. Taller...powerful.. yet gentle. Talking to people.. walking with them.. some carried books and other things. They seems to be instructing.. and also being instructed. Like they were learning as well. (These, as it turns out, were angels.. and NO.. they DID NOT have wings)

I saw benches.. tables.. set along the river under the trees. People and beings alike would sit and talk.. smiling.. laughing.. some in deep thought or conversation.. some being light-hearted, some being serious.. like they were contemplating some new revelation they had just stumbled upon.

In all it was a very busy.. yet very relaxed scene.

The trees themselves were amazing. Mighty branches.. spreading out in majestic awnings of life over the river and the benches below. I saw fruit in the trees.. gold.. green.. orange.. purple.. blue.. all sorts of colours. People were picking the fruit here and there and casually eating it.. like it was just the "Done" thing...and there were no scraps. There were no pips or skins left over.

People looked up at us as we passed overhead. They waved and smiled.. at BOTH of us.. yes.. I was very visible to them. I was not sure how to wave back.. because I had no body to wave with.

“Jesus” or “Yeshuah” or whatever you want to call him...waved back.. smiling.. laughing.. joyful and at peace with his creatures.

I looked out beyond.. to what was ahead of us. I saw fields. Stretching on and on and on.. I saw lights dotted here and there over these fields.

I asked “Jesus” “What are those lights?” He said.. “They are cities.. or towns. Dwellings and hubs of commerce.” “Commerce” I thought? Of what USE is commerce in this place?

He just looked at me and smiled.. and said “you will know in time.. see.. there is our destination” He said.. pointing directly to the end of the highway...

I looked.. way way ahead...seemed like thousands of k's.. into the far distance...there was a bright light.. like a brilliant sunrise.. multi hues.. radiating colours beyond description...and the music...you could FEEL the music coming from it. It was everywhere.. yet I was not actually conscious of it till I concentrated on it. Harmony.. pure harmony.. rising from one stanza to the next.. to reach a crescendo.. only to fade out into the next phase.. ever building to a climax.. but never reaching it.. music without beat.. without end.. timeless.. eternal.. pure..

I was STUNNED...nothing on earth was anything like this music of colour blended with sound...had I had a body I would have exploded in sheer joy at just five seconds of exposure to this eternal symphony...I was surrounded by it from the moment I arrived.. but not until THIS moment had I actually put my focus on it..

I was hooked...

I said (Or thought) in stunned amazement...“WHAT is THAT?”

HE smiled and said simply.. “THAT..is the capital.. where my father dwells.. and where we are now going”

So on we went. He was talking to me the whole time.. but I was not really paying attention. I was utterly wrapped up with where we were heading.. trying to lose myself in the eternal song...I wanted to BE the song.. to join with it.

But try as I might I could not quite grasp the flow of it. It changed from one moment to the next.. always ascending into a new and unique stanza.. and just when I thought I “Had” it, and was about to hum along with it.. it would blend and change into something new.. and no two stanzas EVER repeated.. each was unique.. each a masterpiece.. each never to be heard again.. as ever new stanzas were created and blended into the whole.. always building.. always growing.. always new.. always.. utterly without description.

He kept speaking to me.. telling me of events to come in my life.. main points and turnings in my life ahead. I was half aware of what he was saying.. but he knew I was lost in the song.

And this was why he waited until I was lost in the song to tell me. Because everything he told me about my life ahead was forgotten on my conscious level.. like a half remembered dream. But as each event actually took place in my life, the memory would surface.. like a vivid Deja Vu.. and it would all be clear...and I would KNOW this event.. good or bad.. was ALL part of the plan.

We travelled for what seemed like days...or hours.. or minutes.. its hard to tell time in a place that has no time. He laid out my entire life before me.. from conception to birth, to the present (That moment when I was 15) to the very end.. which is only a few years away now ..going by the events and their sequence.

Tomorrow I turn 44.. (*28 December 2012*) THAT year is PIVOTAL for me (AND.. for the world as a whole).

As to why??.. well.. its something he said when we reached the capital. I will get to that soon.. because I want to describe the capital.. its AWESOME.. and one heck of a work of master building and insane architecture..(Insane as in AWESOME.. not crazy). As we drew closer the music did not get “Louder”.. it was at the same volume no matter where you were. But the light display that accompanied it grew ever more brilliant.

The colours would flow with the music.. each wave of scintillating fire.. colour fire...wove through the sounds as they emanated from the centre.. like an explosion of choreographed fireworks accompanying the music. The sounds were the colours.. and the colours were the source of the sound.

The centre.. where the brilliance emanated from, still seemed hundreds of kilometres away...still set on this impossible horizon that was not a horizon.. and at this point we reached the outskirts of the main capital.. and WOW....

I saw the first buildings. Modest really. Reasonably “Simple”.. compared with what I saw further in. But even these “Simple” structures put to shame anything on earth.

Take your basic hovel there for example...the LOWEST of the simple buildings...I focussed upon one in particular, just to burn into my memory what the LEAST of the creative powers of the master builder was capable of.. It was about the size of your average house here on earth.

It was constructed of pure elements.

There were no bricks or mortar.. no alloys or mixtures. Each part of that building was pure element. For example.. the windows.. framed with a rich ebony like substance, shot through with gold veins.

Each pane was.. what LOOKED like pure diamond.. or crystal. The walls of the house were like a sort of moonstone.. opaque.. yet solid. Light flowed in and through the walls themselves.. like a fibre optic cable in actual application.

The light was taken from all around and magnified throughout the house. The windows would break the light into amazing colours and decorate the interior with rainbows of fantastic hue.. then the walls would absorb and magnify the light, and sent it streaming outward.. to the house next to it.. and the process would repeat.. along each house.. all sharing this amazing visual display and amplifying it to its peak.. only to send it along again to the next dwelling.. and the next...

I was utterly flabbergasted...WHAT a design.. and the mind who thought up this amazing idea of optical brilliance must be unfathomable.

I looked at the creator there next to me...amazed at how brilliant he was.. that even the "Simplest" of his building designs were thousands of light years beyond the most brilliant minds of earth.

I saw Him with an ever increasing respect.. and awe.. He just looked at me and smiled again.. enjoying the moment.. like you would enjoy the look on your child's face as he sees with awe something his father had spent time and effort on constructing JUST for you...a sort of pride of workmanship.. satisfaction in a job well done.

Yes.. he enjoyed making all these constructs.. he really enjoys creating things...and loves to challenge himself in each ones uniqueness from the next.. and each ones amazing simple complexity.

He IS an artist without compare.. and keep in mind.. this was just one of his "SIMPLE" designs...there was far more amazing things ahead as we headed towards the centre of the capital.. I took my focus then off this one house.. and noticed with awe.. again.. HOW the "Suburbs" were designed.

No two houses were the same.. each had it own unique design.. and yet.. each and every house.. some close to others.. some farther apart.. each one when seen from the air as we were...fit into a grander pattern.

Have you ever seen a fractal?...design and structure without end?

It was like that.

The suburbs were woven into an ever expanding pattern of extreme order.. and no two streets.. or houses.. were the same.. but all fit together into an amazing grand work of art. The very colours of the houses.. silver.. gold.. platinum.. marble of all hues.. ebony.. copper.. crystal.. diamond.. amethyst.. citrine.. even a sort of purple metal that I could not name.. all wove together to form an amazing tapestry of design.

Some single storey.. some double.. some triple.. and these were just the OUTTERMOST buildings...the "Simple" ones.. and the light flowing through each house.. from house to house.. flowed from the centre.. the storm of ordered colour and sound.. flowing throughout the houses.. in an ever changing spiral of amazing complexity.. lighting up the entire scene in a kaleidoscope of utter amazement.

I simply could not grasp it all...I looked at my creator again...with awe.. and he just enjoyed the moment.. he even pointed out some unique parts of the design.. like the way the river we had been following all this time was woven into the suburbs in vast spirals.. interwoven waterways...each house having a small part of this river flowing near or through or under it.. feeding the whole.

The main river flowed on ahead...surrounded by the most majestic landscaping I have ever seen.. parks.. fountains.. groves of trees planted in amazing patterns.. according to size and colour.. all woven around the river which was the main theme.. all flowed from the river.. and the river flowed from..... well.. the THRONE.

There.. in the distance.. rising above the houses.. was a building unlike all the others in size. But.. it was also.. easily recognised AS a throne. Hard to explain unless you actually see it. We travelled on and on...following the river...towards the centre.. where the light and sound had its source..

We began to rise up higher.. we reached about.. I would estimate.. about ten kilometres. He did this JUST so I could grasp SOME of the layout.. and even then from that height the city stretched out seemingly forever.. I could NOT see the edge of it.. we were close to the centre now.. only a few hundred kilometres away.

I looked down in awe.. yet again.. as I saw SOME of the overall design. It was indeed a fractal.. a very organic fractal. Spirals of ever increasing complexity.. colours of amazing hue and vibrance flowed majestically through each “Suburb”.. blending with the whole in an endless dance of incredible design and workmanship.

The river.. flowing ever straight towards the centre.. the tributaries woven into and through the “Suburbs” like a blue/silver lattice work.. woven INTO the grand design like threads of a complex embroidery.

And everywhere.. people.. LOTS of people.. and angels.. and millions of children. Running.. playing.. having an awesome time. No tears...no cries.. all happy and all having an absolute BLAST. The kids.. I tell you.. the kingdom of heaven IS theirs.. there are SO MANY of them there.

But considering there are 30 million abortions each year.. its not really surprising. I looked around.. I saw ahead a “Blank” spot in the series of majestic spirals and parklands. A field.. a circle.. of pure gold.. like a field of burnished glass.. like a bright citrine colour. It was about 200 kilometres across from edge to edge. It was transparent.. because I could see the river flowing UNDER it...from right under the structure in the centre.. the building that was ALSO a throne....and looked to be about two kilometres high. We began to descend towards it.

Gradually getting closer and closer.. the field was empty.. not a thing stirred on it.. not a bird flew over it.. like.. it was “Reserved” for something.. untouchable until the moment its use was ready. The creator and I settle down and down.. drifting closer and closer to the throne...and this is the weird part...AS we drew closer to the throne.. WE either became bigger.. OR.. the throne became smaller...not sure which.. The throne was white.. pure white shot through with veins of gold-like fire.

Solid.. eternal.. and yet.. it was also a structure.. a dwelling. I never did get an explanation for that except to realise that it was also an “Admin” building.. like a courthouse.. seat of parliament.. something like that.

We settled down right in front of it. I reached out to touch it.. and then realised I had no body.. as such. But I DID feel something...like a purity.. awesome power of utter authority.. like the place where ALL decisions are made and all cases ended.

This is where it got serious for me...There I “Stood” .. at the base of the throne.. KNOWING I had been there before.. like a massive.. MASSIVE Deja Vu hit me all at once. I RECOGNISED this sea of fire.. of golden glass.. I KNEW this throne.. I KNEW this entire field.. but WHERE..WHEN??.....

My creator looked at me.. like he was waiting for the realisation to hit me fully...he was not smiling at this moment.. he was rather serious.. like he WANTED me to remember.. the moment...of WHEN I had been there before...and was just patiently waiting for the memory to take shape...

Having realised I HAD been there before I said

“Lord creator. (I didn’t know how else to address him at that time). I know.. I know YOU..I KNOW you now.. I’ve seen you.. this place.. this throne.. this sea of fire/glass.. I HAVE been here.. with you.. but.. when?.. It does not seem like long ago.. and yet.. HOW?..”

He looked at me with a slight grin.. he kinda looked proud of me in a way and said ”

“15 years ago earth time you sat with me on my lap, up there on that throne. You were an infant.. full of life and questions and curiosity. You were fresh from my mind.. created almost an instant before, brought into being on earth direct from my very spirit itself. You were born very premature. You did not want to stay at first so I brought you here to explain a few things and give you a choice. But first I sent you back telling you your time was not yet.. you had a destiny to fulfil and if you had stayed you would never see it take place. being an infant you did not understand, so back you came, rather stubbornly I might add. ”

He continued.. despite my looks of.. confusion ???...

“So I explained patiently.. while bouncing you on my knee...the joy that awaited you.. and millions of others.. IF you went back and lived out your planned destiny. I told you that the reward for going back would be well worth it, and beyond imagination. You looked at me with baby blue eyes asking why.. eyes I fashioned to look similar to mine. I like blue.. its my favourite colour.. as it is yours” (Yes.. I love blue.. always have.. and there I found out why).

He went on to say...

“15 years ago earth time you didn’t want any part in that destiny.. you kept trying to leave your body.. small and frail as it was.. you wanted to be here with me.. your “Daddy” as you called me from the depths of your innocent infant spirit. How I loved it.. to hear you call me that. I am your “daddy”... I am everyone’s “Daddy” if only they would realise it.. and through your final decision to return and live your life... many millions WILL.”

I asked him.. rather dumbfounded “So.. I died as an infant.. willingly.. died.. JUST so I could be here with you?”

He said “Yes.. twice you actually succeeded.. and you tried many other times as well.. before you managed to stop your own heart by an act of your will. The first time I sent you right back after a brief explanation. The second time.. I KNEW you would come back because I was the one who created IN you the curiosity and pure stubbornness to GET a full explanation of the facts. You have an inquiring mind.. one I created

FOR the purpose of your destiny.. you will find it very useful in the days ahead.. but also.. it will also be a hindrance at times.. but that's why I gave you a mind like this.. to BE an "Overcomer".

An "overcomer" I said?...WHAT is that?

He smiled broadly and motioned his hand out over the sea stretching out before us to the "horizon"...See this field.. this sea of glass??. in a few decades you, and millions of others will be here.. and yes.. your sister and daughters as well (Daughters.. I will have DAUGHTERS??) will all be here.. jumping and leaping for joy.. as the climax of all creation is made known to all.

I asked him...

"So I've been here.. and chose to go back once you explained WHY I had to go back. "He said "Yes.. I was very proud of you.. you are a fighter.. you never give up.. although you do tend to be discouraged easily.. but you also get up again and again.. you never quit.. THAT is why I am proud of you. You fall and fail.. yet you try and try again. Its not how many time you fail I take note of.. its how many times you get up again and keep going.

THAT is character.. and character is all important and vital for what comes after your life on earth is complete."

I looked at him and said "Huh"?..(rather stupidly I might add)

He just grinned and said "There is coming a time soon.. a few decades from now earth time...when all you have learnt.. and all you will learn will find its meaning. You think you will sit around being all happy here in this place doing nothing forever? NO.. you will have work to do.. places to oversee.. administration.. government.. all very busy.. and decisions will be needed.. from people with character.. people who have gone through the fires and beat them.. and.. people who are wise.. strong.. resilient.. steadfast.. in a word.. overcomers"

He went on to say "Now you know why you never knew me except as an infant. You know why...because in all the things you have gone through these last 15 years.. you grew character.. without the "Crutch" of religion....you fought on and on.. you overcame your weak frail body.. it grew strong.. you overcame the sicknesses that resulted from your premature birth... you overcame the anger and grief of your mother...you overcame the incessant teasing at school.. the bullying and the physical beatings.. just because you were "Different"...you saw through the lies on TV.. you never bought into the rubbish...the deceptions.. you kept on and on.. always asking.. looking.. reading and searching.. for deep down you KNEW there was more to this life than met the eye.. and deep down.. was the seed I had planted there when you and I had our little chat.. and now here you are today...and I am answering your question in full.. for know.. that all was not in vain.. life DOES have a purpose.. far greater than you can ever imagine."

I stood there.. taking it all in.. it suddenly all made sense...all the trouble I had been in.. the hurt.. the pain.. the despair.. the victories.. again and again.. a cycle of defeats.. followed by victories.. and followed again by defeats.. and followed again by victories.

I was always alone.. never a friend...but I kept going.. I KNEW.. even though I actually “Believed” in nothing.. that I was WRONG somehow in that “belief”.. which.. after all.. was NOT a belief but an assumption.

He stood there...letting it all soak in.. it all fit together.. and explained a lot of what had happened in my childhood.. the early formative years of the basic character I would need in the next three decades.. as he was just about to warn me about... He said “Come with me.. up there..”

We both rose up to the throne.. and we sat on it together.. looking out over the sea of citrine yellow fire.. glowing in awesome majesty.. vacant.. for now...

(I was not actually “Sitting” as I was in spirit.. no body as such.. but you get the idea)

He pointed down to a spot near the front of the throne.. slightly to the right of it and said. “Know this for a fact...in less than 4 decades from now earth time.. YOU.. and your two daughters.. will be standing right there.. on that very spot.. you will be leaping and shouting victory.. joy.. gladness.. your arms around your young ones, who I will bless you with at the right time.. and there you will finally understand all that you are to go through in the next 35 years. Behind you.. surrounding you.. will be many many people.. who will only be there because of your words.. what you say.. and because of the moment you said them. No one will know you.. you will not be on a stage.. or on a movie or in a book. Just your words.. will spread out and impact many lives.

There.. standing there where I am pointing

(He raised his hand and pointed to the exact spot I will be standing in three decades or so from then)

I will acknowledge you to the others.. the ones who are there because you CHOSE to stay on and fight through.. I will let them all know your name.. and then you can spend the rest of the 1000 years meeting them all.. and sharing your testimony in person.. and hearing theirs. It will be an amazing time for you.. you will be utterly astounded at just who you reached with your words.. and their effects.

Nothing happens for nothing.

Your words.. born in the fires of agony and trials.. will touch many lives.. and also save many lives.. and the reason I tell you this now..”

(He suddenly got all serious.. His smile of joy at the future memory of this event faded.. and the present came rushing back in.. and with.. a tear?...in his eye.. and a sadness I could only see the edge of..)

He continued...

“In the years ahead.. you will try to find me.. here.. there...you will look and search...you will try churches.. drugs.. alcohol.. parties.. friends.. all looking for me...trying to find WHERE I can be found on earth. You

will forget most of what I have told you today UNTIL the day BEFORE it all comes to pass.. and your true destiny begins.. which will be in your 44th year”

(THAT is tomorrow.. I turn 44..and YES.. its only NOW.. the DAY BEFORE.. that I remember EVERY WORD he said to me that day so long ago.. until TODAY...I could only remember bits.. and the place itself.. NOT the warnings or the details)

He continued...

“...in the years ahead.. you will long to die.. you will experience such deep despair.. such grief.. so much pain. The fires will forge you.. stronger and stronger you will become with each forging. There will be three times you will attempt to take your life.. which I will prevent.. three times you will survive.. and get up and keep going.. again.. each step.. closer to the final product.”

“You will die to yourself.. you will die to this world.. you will eventually die out to the “Need” of human love.. finding it to be untrustworthy and fickle .You will know in the end.. only MY love is certain.. and only I can be counted upon.

And on that day.. you will walk as a lion.. fearless.. dead to the world.. trusting only in me.. and THAT.. is the reason I will let you wander.. to find out once and for all as Solomon once did.. that ALL.. apart FROM me.. is vanity.

And there.. lies real strength...and courage.. and wisdom...and with those three attributes forged INTO you by the fires of life itself.. you will march forth in your 44th year.. and devastate so many lies...so many half truths.. you will clear a pathway.. just with your words.. to truth.. to life.. and many will follow.. but NOT YOU...they will follow the TRUTH you have learnt so hard.

No one will EVER know who you are.. until that day.. the day I tell all, in front of the vast crowd.. your accomplishments. Both yours.. and many other warriors who will have done similar to you.

You will receive your reward then.. no sooner.

So.. go now.. back to earth...and I will be with you every step.. I will guide your every step.. and I will not let a single hair on your head be harmed.

There will be many attempts on your life by the evil one.. I will guard you.. see there?

(He pointed out across the field.. and there.. hovering above the field were two angels.. BIG ones..stern..strong..6 feet across at the shoulders.. at least 16 feet high...each dressed like a warrior.. with a ten foot long broadsword in a jewelled scabbard.. ready for anything)

These two have been with you since birth.. they are your protectors.. in the days of your destiny you will get to know them personally.. but until then they will remain hidden.. from you.. and from others.. but NOT from the forces of darkness...who will flee left and right at their very look.. thus no harm will ever

come to you.. you must be kept alive at all costs.. even against your own attempts to end your life.. you cant even harm yourself.. much as you are going to want to.

(As it turns out.. I DID try to kill myself three times.. and each time.. it failed...overdose.. nothing.. just woke up a week later feeling great...drink myself to death?.. nup... I always passed out or vomited it all up..CAR accident?.. Head on crash at over 130 kph into a concrete pole which left the car a burning wreck?.. same.. was flung from the car as it burst into flame.. not a hair singed.. and not a scratch...that was my last attempt.. I gave up trying to kill myself after that.. no point.)

He then looked me right in the eye.. with his amazing eyes of multi hued blue fire and said..

“(My name)...in the years immediately following this conversation.. you will remember only parts of what I have said. Here and there I will allow a brief flash of remembrance. During dark times.. when you need it the most.

But for the most part your decisions.. and mistakes.. and outright rebellions, will be your own. But they too are a part of what you must learn. You will even get very angry at me in several years time.. when you fail to find me in any churches or doctrines or drugs or books or seminars. You will even curse the day you were born.. and your anger and grief will lead to some dreadful mistakes.. but those same mistakes will be the making of you.. your anger and your grief at not “Finding me” will in fact be what allows you to find me in the end.

A week before you turn **44** the final test will come.. your family will disown you and turn against you... and in that moment you will make a final decision (WHICH I did) which will enable the memory of all I have told you to re-surface one day before you turn **44**..and when you do.. begin...for your **44**th year is when everything you have ever learnt will come into play. The world will grow very dark.. people will be dying and losing hope.. BE that hope for them.. and tell them.. they DO have a “Daddy”.. that I am here FOR them.. and that nothing in their lives has happened for nothing either.. as I hold all events.. and every life.. well and truly in the palms of my hand. Now go.. and I will see you again here...in just under 4 decades your time, from now.

Then.. BANG... just like that.. I opened my eyes...and looked at the clock next to my bed...I was there for what seemed like hours.. or days.. but only about five minutes had passed.

And true to his word...I forgot almost everything he said...until today...

~~~~~

ADENDUM

BTW.

After I wrote it more came back to my memory of the event.

The last year for me has been hard. very very hard. I wont go into details but the events of my life just in the last 12 months leading up to today.. the last day of my 43rd year.. were the final stage. I am dead to this world now. And going by what I can remember now of that event 28 years ago...I can see why.

There is a vast and terrifying abyss just ahead. Many millions dying.. war.. death.. loss of hope. Our whole way of life.. our entire civilisation.. will soon be in ruin..

That is when lights shine the brightest.. when darkness falls.

The darkness falls very soon. Before the middle of next year... I cant see clearly WHAT it is.. I only know its devastating.. and permanent.. as in.. it ends western civilisation.. forever.

One other thing I know about what's coming..

THERE WILL BE NO WARNING...NO one will predict it.. NO prophet will warn of it.. NO one will KNOW.. until the final few seconds.

Its going to be FAST and SUDDEN and WORLD SHAKING..NO warning.. not even from the Lord.

The ONLY clue I have been given regarding the beginning of the end is...it will happen on an ordinary day. A day just like any other. No change.. no "feeling" of impending doom...just a sudden and shocking CHANGE.. and nothing will ever be the same again.

Our epoch ends.. just.. like.. that.(Snap of fingers)

Then following this change.. this devastating world rocking event.. comes the harvest.

(PLEASE DISCERN THIS LAST PART BEFORE THE LORD. IT CONTAINS LOTS OF TIME ELEMENTS AND WHEN DREAMING OR HAVING VISIONS THEY CAN BE SKEWED VERY BADLY) Before the year **2020...**the final end.

I was told I would see it.. the return. Its right at the end. I was also told I would not see the age of **50** in my current body.

I am 44 tomorrow. That is the year I was told my destiny and all these years of hardships.. stupid mistakes.. lessons learnt.. and character building would all find the uses.

We have.. I feel.. but a few weeks of "Normal" left.(So he thought)

When the change comes.. it will catch everyone totally off guard.

They are already off guard because of the December 21st 2012 campaign.. designed BY the media.. to achieve just that.

Now they have an entire world population not caring one bit about any predictions or prophecies or forebodings.

Everyone is asleep.. as planned..” and the flood came on a day they knew not.. and took them all away”...as in the days of Noah.. so shall it be again...and so it actually IS...NOW.

## BLUE 21 - David Daughtrey 1996 Vision of Rapture

the rapture takes place.

Dearly beloved doves, and brothers and sisters in Jesus name. This is the vision given in 1996 concerning world wide events to happen from one to three weeks before the actual Rapture. This I told to many friends, and was often hurt at the disbelief, and cold shoulders of many Christian friends that I finally just put it on the back shelf, and let it sit for the last 13 years. I now feel that the Rapture is so close that it needs to be told, urgently. I agree with our Christian brother John Tng that there has been so many dreams and visions of the Rapture that probably no one will believe this one either, but that is okay. All I pray for is everyone to remember. Like our Bible says, the

vision will prove itself with time and testing. By remembering these visions, it will or can save you much needless suffering. The Lord does not want to hurt his bride.

There is going to appear above the earth (in the sky) a strange object, it will be large and sphere shaped, like a ball. It will look like it's been built in sections, like a football with huge rivets at the seams. Many will call this a UFO, I don't know. It will have the color of copper or bronze. It will be on every TV around the world. People will be shocked like the World Trade Center. People will be glued to their TV's but you don't. The minute you see this, run to the closest food store and get enough canned food and bottled water for about three weeks, because between one and 24 hours after this object is seen world wide there is going to be a massive impact or collision on our sun's surface. It is going to happen on our blind side, we can't see it coming. It's going to be a super size twin asteroid hitting the sun in a vital spot, releasing a major solar storm, knocking out all of earth's electricity, all over the world. Those of you who read this will save yourself and your family much misery.

Now, this is what's going to happen in the next 2 or 3 weeks, while the electricity is off. Within a few days the whole world will start to go crazy with hunger. The banks and ATM's can't work without electricity. No gas pumps for food transportation, no refrigeration, total darkness. The robbers, rapists, and murderers will see right away that no one can call the police for help, because the solar storm has burned up all communication satellites, cell phones and telephones. The law can't even call each other. It's going to be total breakdown in large cities. There will be gun shots and screams all night long. Millions will be behind locked doors, praying and begging for God's mercy, for help and protection. He will answer millions of prayers. Millions will ask for forgiveness, and the Lord and his saints will perform millions of miracles during these three weeks.

Then after about 3 weeks of this, the Rapture will happen. Although there are different time zones around the world, the Lord showed it will be night here in Florida, USA. In this vision, I was taken in the spirit out in the woods behind my house in Florida. **During the spring or early summer, it started at night.** I didn't hear any trumpets or words (come up hither) but I know there's going to be, because the Bible says so. As I was standing there in the spirit of course, in the middle of some trees, a huge blue beam of light came down like a big flashlight, about a thirty foot circle around me. The blue light was identical in color to a welder's arc light at night. It was so blinding I put my hands over my eyes to see if I could see where or what this light was coming from. Then I noticed in the distant night sky, north, south, east, and west of me, blue colored stars jetting off the ground spiraling upwards traveling fast, they were heading for the bright blue object that was shining that beam of light down on me. It could have been the Lord or an open door to heaven. I really could not tell, it was so bright and blinding. Anyway, these little blue stars were going up in clusters. Different

numbers depending on the size of town around me. Then all of a sudden when they reached about 9:00 high they burst into 10 times their size. Then I realized it was those alive in Christ joining those dead in Christ. I was too far away to see any new regenerated bodies or white gowns, but I'm sure they were. Then suddenly I was again taken out of my body off to the side to look at myself standing in the light. That's when I saw my own flesh glossing white as lightning, all my flesh, head and arms, my clothes remained the same. Then instantly, I vanished and my clothes fell to the ground. From what I saw in this vision, I was the last to go because all the alive in Christ had joined the risen dead.

The next afternoon, I had been reading my Bible for about an hour and then stood up in my living room to take a break, when suddenly at arm's length from my face appeared a blue cloud, the same color as the beam in the Rapture vision. In the shape of something like a football on its side, about 3 ft long and 2 ft high - white, a brilliant white 21 in the middle of it. I never did understand the meaning of the 21, maybe it was the day of the Rapture. I base no idea, your guess is as good as mine. Well, that startled me, so I sat down, shocked again because this was in the middle of the day and I wasn't even praying. Well, my son was in the kitchen making some tea and he said we were out of sugar. I said OK, I'll go down the road and get some. I began to sit up when this small newborn baby appeared before my eyes. I'm starting to come unglued now, because it hadn't been 5 minutes since the blue cloud, when this happened. I told myself, O my Lord, am I losing my mind? What, O God, does this baby have to do with the Bible? I must be losing my mind. I really started crying, it was blowing my mind. Then I noticed this newborn baby had this horrible growth on the side of its head, almost as big as the baby's head. It was scary ugly, that's how bad. After about 20 seconds, the vision disappeared, the baby was gone. I told myself I've got to get out of here or I'm going to start crying again. Well, I left and went after the sugar, about 2 miles away. I walked into the store, the owner and myself were the only ones there. He was on the telephone talking to some friend of his. I was at the counter waiting to him to get off the phone, when suddenly a young woman came into the store. She walked right up beside me and spoke to my friend on the phone. She said, you haven't seen my brand new baby have you and he said no ma'am. I happened to look down at the baby and nearly fainted. There was the same baby I'd seen 10 minutes earlier. My legs went like rubber and I had to lean on the counter to keep myself from falling. This action made this young woman mad, I mean angry, my reaction insulted her greatly. She yelled at me and said, the doctor says it's just a birth mark, and it will shrink and go away. She then stormed out of the store. My friend said, did you see that thing on the baby's head? I said yes, I saw it 10 minutes before I came here. That was the last one, never again in 13 years. The only thing I can figure out is, He was showing me that every vision he had shown me was going to happen.

My friends, all I ask you is to remember what you read here. It's not important to believe this, but I beg you to remember.

**SORI PARK VISION**

Vision 2)

[http://www.heavenvisit.com/Sori\\_Park\\_2.php](http://www.heavenvisit.com/Sori_Park_2.php)

It was in the middle downtown Los Angeles, California. Holy Spirit taught me that was on the Wilshire Boulevard. A young man and woman were walking in the sidewalk along

the street. They were heading west with the man walking to the bush side and the woman walking to the street side. The man was making an impassioned speech to the woman, criticizing Jesus. Being lost in his rational criticism, he called the Bible irrational and made comments to ignore Christianity. The woman was walking carefully and praying inside without any response to his remarks with her head down a little bit and a book held in her chest.

‘Have mercy on him, Lord.’

In the middle of her prayer, she suddenly heard loud trumpet sound from the sky.

“Rise up here!!!”

She looked up in the sky with her face full of joy and excitement. She had no time to express her joy because she was raised up into the air the moment she looked up. He suddenly found her gone and looked around in bewilderment to find her, when there was a crash in the street. The downtown street was traffic jammed, which means the car accident was a fender bender instead of a huge one. God granted me spiritual knowledge as I was watching the scene and taught me that the trumpet sound are only heard by those who get raptured.

With much traffic in the area, cars were moving slowly. There would not be many people who were ascending into the air in those circumstances, which gives some idea about

how much spiritually corrupted cities are. I was looking down at the scene high up in the air and asked Jesus, "What will the world say about people being raised up into the air, Jesus?"

He gave me accurate and detailed answers:

*"NASA of the United States will make an announcement that thousands of UFO from a distant planet in the universe surrounded the entire earth and abducted numerous people around the world with a powerful ultramodern sucking machine in one moment, promising to make further investigations into the matter and trying to cover it up."*

**You Will see Them Fill your Skies and the Sun and the Moon will be Blocked by their Ships.**

Received 7-3 and 7-4-17

Woe to you mockers and scoffers who walk according to your own lusts and say "Where is the promise of His coming? For since the fathers fell asleep, all things continue as they were from the beginning of creation." (2 Peter 3:4) This was spoken almost 2000 years ago and it is spoken by foolish men to this day because they know not what they speak of.

I gave Myself as a blood sacrifice, even for the sin of My enemies and bore it upon My own body.

Men dare to blaspheme and question Me because I have had mercy and My Father gives them more time to repent of their evil ways.

I tell you the truth each one these will be held accountable for each extra second that I gave them to repent and it will not go well for them standing before

the great white throne of judgment.

All those that did not choose to forsake their sin and follow after Me in the new Spirit filled life that I freely give to all men that ask, will hang their heads in shame on that day.

"Do not forget this one thing, that with the Lord one day is as a thousand years, and a thousand years as one day. The Lord is not slack concerning His promise, as some count slackness, but is longsuffering toward us,

not willing that any should perish but that all should come to repentance." (2 Peter 3:8-9)

Do you not see that I AM still giving you space to repent even as you read this?

I AM FOR YOU I DO NOT WANT YOU TO BURN  
IN THE LAKE OF FIRE FOR ETERNITY!

This was made for Satan and the fallen angels, not for those made in My image!

I have such a great plan for your eternity if you choose to be with Me.

Cry out to the name of your savior, it is I, Jesus, Yahushua!

In My name demons flee! Serpents and scorpions, you can trample by the power and authority of My name by My blood!

I tell you the truth the time is coming that you will need to do this or you will perish.

The only way to survive what is coming upon this earth is by My name. Some of these wicked monsters are already on the earth and many more are on their way.

You will see them fill your skies and the sun and the moon will be blocked by their ships.

Men's hearts will fail them for fear but those who know Me will not be afraid.

Those who know Me will chase these fallen ones away for My power is greater than theirs. I AM their creator but I did not create them the way they now are.

They became hideous brute beasts the day they turned away from Me and My Father.

But they still do My bidding by bringing judgment down on the unrepentant sinners, who still can cry out to me even until after the final vial is emptied. They chose to rebel against Me and the Father but they have boundaries that they are not allowed to cross. Even these will be made to bend their knee before Me and say "JESUS IS LORD!"

There are evil men of this world that give these fallen ones authority over the earth but they shall turn on them for they have no loyalty or love because they are not of Me. These wicked beasts shall rule the world with their system for a short time and even convince most men on the earth that they are their creators with their lying signs and wonders. The elect, My Bride, will know who they are and have power and authority over them while the last great harvest of the guests of the wedding supper are brought in.

When the kickoff event takes place you will know these times have begun.

The time you have now is time to prepare your garments.

Wash them in My blood and get to know Me intimately.

Your Creator, Savior and Coming King,

Jesus, Yahushua

## **Godshealer7 - Even Now Your Friends Betray You and Plot Your Destruction**

Brother Dan:

Hear these words of the Lord! These

words of the Lord! These words of the Lord! Has the truth not opened your eyes to my judgement? What was spoken in a whisper shall soon be shouted from the rooftops. You are in the final hour. It is your destiny to speak these words today. My warnings have been met with indifference and ridicule. What you see around you shall not be. In the twinkling of an eye, it will be a memory. Even now, your friends betray you and plot your destruction. What they speak is not what rests in their heart. Your disobedience has sealed your fate. Justice cries for vengeance. The storm clouds gather. Shall you be found worthy to be with me in my Father's house.

Prophetic words to lift you up and encourage you to move forward in your walk with Christ.

## Ring the Bell, Sound the Trumpet

Ring the bell, sound the trumpet, for the Lord of Hosts has spoken. You have entered the Time of Judgments and now shall all lands be judged. All lands shall receive the fruit of their doings. Every people shall I now judge, saith the Lord of Hosts.

Prepare for war in your lands for a great war is coming and no man shall be exempt from the effects thereof. All lands shall suffer in this great war. Through wars I judge nations, and through wars some are lifted up, and some are put down. Prepare for war.

The time has come, I will wait no longer to judge your wicked ways.

Watch and pray, My people. Pray that you will be counted worthy to escape those things that are to come.

## [VISION OF THE TRANSFORMATION OF THE BRIDE](#)

Posted: 25 Jun 2017 07:02 AM PDT

On the night of June 24 after communion during prayer, I was shown a vision.

I was at the Throne before Yahushua, along with all the members of the Bride world-wide. We were face down and on our knees in adoration and humility, dressed for battle and spiritually armed. In the Spirit, there was a call sent forth by Yahushua, a spiritual shofar or trumpet call that went forth, drawing us collectively to attention before Him. Yahushua was in full white, gold and red battle attire, holding a sceptor and with a glorious crown. He is King of kings! He was very powerful and mighty in His appearance. He was stoic and quite serious. It seemed several minutes of 'our time' went by while we were in His soaking presence.

He then spoke to us together "**BELOVED RISE**". In one motion, the Bride as a whole stood before Him. There were people of every race, age, walk of life, and culture that we know here on earth. He spoke again to us. "***There is no more time. Your journeys as you have known them are coming to an end. All will be fulfilled. For most of you, the paths you have walked have been extremely difficult. You are My chosen because you have prevailed through it all, holding fast to My promises, trusting Me***

***and praying for continued faith to move forward. I understand all you have been through, but I know your hearts. I chose you and I love you. I know each heart, and I know you love Me. They hated Me much more than they hate you. They persecuted Me more than you have been persecuted. You are presented here to fulfill your final tasks."***

While He was speaking, I was shown in the spirit all at once, each person's obstacles, distractions, stumbling blocks, attacks of the enemy, betrayals, etc..., the tests and trials of refining for each one; everything that took place over the course of each one's life. I saw the dark cloud of the enemy and how hard he had worked to keep each chosen one from their purpose, from the relationship that Father had created intimately for each one. I saw the discouragement, resistance, doubt, fear, hopelessness at times, frustration, and weakness as each one continued on the path to holiness for His name's sake; following the extremely narrow but lighted path towards Yahushua, eyes always focused on our Savior. I saw all those who had persevered even when curses and spells had been prayed against them. Although the darkness around and coming at each one was intense to say the least, the path was protected and impenetrable for those who chose to walk on it. A pinpoint of light it seemed amongst such gross darkness.

Yahushua then paused again for some time before He spoke again.

***"All you who are the forgotten, the lowly, the outcast, the homeless, the poor, those that this world threw away, those who were nobody on the earth-- COME FORWARD."*** There was a small

group that was suddenly directly in front of Yahushua.

***"This world may not have cared of your existence, of who you are and may have forgotten you, but you will never be forgotten here. Well done My faithful ones, welcome home."***

This small group turned around towards the rest of us, because they are the humblest of all, not wanting to leave until they knew their tasks were complete, because their hearts are to serve, but Yahushua told them to turn back around. He said to them, ***"No, you will not be going back, you're coming home, your work is done."*** As we all watched, the windows of Heaven opened and we could all see for a brief moment into the Heavens and it's glory, as He took them home for eternity.

***"Now, there is no time. Turn around."*** We all turned around toward the earth, and it was burning and it was dark, and it was so demonic, people killing people everywhere, complete horror. He spoke. ***"I am the Lord of the Harvest. We have more work to do. Are you with Me?"*** We all turned back around, all immovable and steadfast, eyes fixed on Him. ***"Behold My Glory!!"*** And a blanket came down, the Glory of God, like an iridescent bluish veil over the entire body, and it merged the body of the Bride into One Spirit, His Spirit. We were suddenly, completely and instantly transformed

from the top of our heads to our feet, glowing with His brightness, and as the Word says, "we shall be like Him".

***"It's time. Help Me save them. Help Me bring them home."***

He made me to know instantly that we had only a very, very brief 'window of time' as we know it to complete the harvest after we are transformed, before He brought us home as well.

Please, go to Yahushua directly with this vision and allow Him to instruct you personally. You will receive your counsel and He will personally impart to you all that you need. This is His promise.

THE ALMIGHTY KING, REDEEMER OF THE

# **HAVE YOU PREPARED FOR THE GREAT EXODUS**

Subject: Barb GH7 Have you prepared for the great exodus? 6-10-17

Have you prepared for the Great Exodus? Is your house in order? Many believing they were chosen will remain behind. What is required is a repentant heart. Have you repented and turned from your sin? The Appointed Times are upon us. Sudden destruction and judgment follows. The scoffers and mockers will see these things with their own eyes. They will fall on the ground and beg for mercy. They will cry tears into the dirt. Their sin will be brought to their remembrance. I will show them the faces of those they laughed at. Every deed has been recorded in The Book since the beginning. Moments of love and moments of hate. You can't run from yourself. You have heard warnings from My messengers and prophets from the beginning. Now it's time, as the Great Exodus is at hand.

# **I WILL BRING YOU HOME SOON, THE LIGHT CANNOT LIVE WITH THE DARKNESS**

Every night, I sit down beside you. Do you know I am there? I know all your thoughts. Many of you have suffered great losses in your family, and lived with illness-you or your loved ones suffering, and then your loved ones death. What I love about you is how you keep going on, you don't complain to Me. I hear all your prayers. I know you have questions. The time grows closer for you to receive the answers. I have given many of you a glimpse of the light. I wrapped you in My comfort. My Spirit gave you wisdom, knowledge and understanding. Everything happens for a reason. There is no coincidence. Did you meet someone new today? I put them on your path. There is a purpose for everyone in your life right now. I would like you to consider these things before we leave. I will bring you home soon. Those of the light cannot dwell together with those of the darkness. Much will be revealed to those who trust and believe.

# **I WILL NOT TARRY ANY LONGER - THE BEAST PREPARES HIS PLANS**

I will not tarry any longer. The beast, the man of perdition, prepares his plans. He will be making important decisions.

He has many followers. He has devised plans and made many friends to help him with his agenda. Those that remain behind must follow him.

He is a liar without knowing The Truth. Many will be put to death under his reign. He who has an ear, listen to what The Spirit says.

Then Barb said that these last 3 prophecies from the past couple days all tie together, and this one also specifically ties in with a prior prophecy given on 2-9-13,  
“He who has an ear, listen to what the beast says” ....  
(sending that one along separately in case it is of interest, and not already in your archives)

# HE WHO HATH AN EAR, LISTEN TO WHAT THE BEAST SAYS

**Subject:** Barb GH7 from 2-9-13 He who has an ear, listen to what the beast says (ties in with the Word given on 6-9-17 I will not tarry any longer-the beast prepares his plans)

Come my daughter, speak these words for Me today, for together, you and your husband shall speak as one. Babylon the great harlot has fallen. The smoke of her burning reaches the heavens. The earth and all her majesty is shaken and laid to waste. We speak this day of the beast and the time of the beast. He who has an ear, listen to what the beast says: Good morning, my fellow countrymen. We have a difficult task before us to rebuild this great nation. I have been placed here in this position by you to bring order out of chaos. We must join together as nation. This and every other nation on this earth, and unite the world. I have the ability, and you have given me the power to do this. A great president once said, "A house divided amongst itself cannot stand" but I say, "A world divided against itself cannot stand." First, we must defeat this enemy within. A group of fanatics who worship an invisible God who offers false hope. They preach division when I offer unity. Anyone who worships this invisible God and spreads these lies of false hope will be considered an enemy of the state. They will be arrested and sentenced to death. It will be your responsibility, my fellow countrymen, to report these people to the local

authorities. The sentence is death for anyone who will not renounce this invisible God, and their executions will be broadcast live for all the world to see. Next, we need to focus on unity, and we all need to work together to be successful. I am your leader, you can put your trust in me. You can put your faith in me. I am with you in your time of need and trouble. I will never leave or forsake you. Let everyone listening get on your knees now and worship and give thanksgiving. And remember, I am not invisible- you can see me. Amen.

# **Your Friends will Run and Hide (GH7)**

The sky is cloudy. The enemy knocks on your door. You have already heard that they were coming on the news. They have shown pictures. They take you and your children to the town square. You see a large machine set up. You have never seen it before. You think to yourself : What is happening? In an instant, an old Sunday School lesson comes to mind.

Remembrance. They take you to the machine, and the crowd has gathered. You see your friends. You see your family. You cry "Please, Help me!" You cry to your friends by name, then you see them leave. Others start to throw things at you, then you feel a rope beating at your skin. "Please my friends, help me!" No one returns. You realize what the machine is. Every one left. Now you are alone. The enemy mocks you. They scourge you. You have understanding: the time is short, and these things written must be fulfilled. One man remains, he says "if they did it to me, they will do it to you". Look about and hear these words. If you live in the world, this is what you will receive: just punishment. Your friends will run and hide, because they will know it is death to be associated with you. Listen to what the Spirit says!

# ***STEPHEN HANSON PROPHECY***

<sup>s/</sup>16/17 6 But if the watchman sees the sword coming and does not blow the trumpet and the people are not warned, and a sword comes and takes a person from them, he is taken away in his iniquity; but his blood I will require from the watchman's hand.' Ezekiel 33

"Stand up upon the walls of the and, says the Lord. Do you not see out upon the horizon? I tell you, have you lost your vision, says the Lord? For many of my prophets have had their eyes closed---for it will be too late for you---for you only see a bright horizon beyond. For you are among the well-wishers of this generation.

How will you prepare them when your eyes have been closed? You are the ones who would only send glad tidings. You would only live among the silken tapestries of this age. But I tell you, that on that day your rich robes will be

changed to other garments.

And now you would rather stand in your own palaces of stone. For there is a place for you, but it is now overgrown with weeds and briars. It is not too late to return to that place that was reserved for you--but time is running out for my people to be warned.

Will you return to the place that I have reserved for you, or will you continue to have your eyes closed?"

A 1,500-year-old prophecy that puzzled generations of scholars has finally been deciphered, its secrets revealed by a hidden sage who has sent out the message that the imminent conflict in North

Korea will culminate in the final war. His message contains several stern warnings about how to cope with the difficult times ahead.

Renowned but reclusive Torah scholar Rabbi Moshe Aharon HaKohen, himself a mysterious man, has finally deciphered a 1,500-year-old book of esoteric teachings concerning the days before Messiah. Rabbi HaKohen is over 100 years old and accessible to only a few select people, but when he understood the urgent nature of what he had learned, he relayed a message to Rabbi [Yosef Berger](#) about the prophecies, which directly concern the present situation in [North Korea](#).

According to Rabbi HaKohen, the prophecy stated explicitly that the North Korean conflict will continue to grow until it becomes the final war that will bring redemption.

"In the end of days, there will be horrific violence all over the world, but the sign that the Messiah truly imminent is when a war breaks out in the northern part of the world involving all the nations of the world," Rabbi Berger told *Breaking Israel News*. "Rabbi HaKohen stated that these things are closer than ever to happening."

### War is at Hand

My people, **hole up in your homes**, for war is at hand and **you should not be on the highways** and byways **when it strikes**, for you will be very regretful if you are.

You cannot stop this from transpiring, only pray you for mercy for those not yet saved, for I will save many by your prayers, and I will show you mercy as well, if you will spend your time thus.

Your life as you know it is about to change forever, and it will never be put back the same way again. This must be, and you must endure, and watch for My soon return.

Draw near to those you love and speak your words of love now, for many shall be taken from you. Plagues are about to be released as well, and you will not see them coming (the plagues). I have suffered very long with this adulterous nation, and I have grown weary of your abominations in my sight. A stiff-necked people walks its streets with no intention of ever repenting.

I warn My own in My great mercy, but the wicked shall perish in their sins. **Only those being interceded for by My children shall be saved.**

Occupy until I come by doing the works you know are of Me. Tell others of Me at every chance. Be about My Father's business and do not deny Me before men, no matter the cost.

You are coming home.

**The clock has stopped.** I have poured out My Spirit on your young men, old men, sons and daughters. Dreams, visions, prophecy. I have sent you My messengers and prophets. Many great civilizations have followed this same path of desolation and utter destruction. Now they remain buried under the seas and waters, in the mountains, and under the sand, hidden from all. In an instant all things will pass away from a melting fire and heat. A new beginning awaits those having the Spirit of the Living God dwelling within. The clock has stopped. **Time comes to its end.**

# "THINGS ARE NOT AS THEY SEEM"

1/22/17

For there shall arise false christs and false prophets and shall show great signs and wonders, insomuch that, if it were possible, they shall deceive the very elect. (and leaders) Matt. 24:24

Behold, I send you forth as sheep in the midst of wolves: be ye therefore wise as serpents, and harmless as doves.  
Matt. 10:16

(I realize that there are differing views on these things, but I ask that we listen to what the Holy Spirit is saying at this time, and not be swayed by our own opinions. We need to be on our guard like at no other time in history. It is so easy to be deceived. Keep your eyes open. Amen.)

Several times now the Lord has said this to me:

"Things are not as they seem. There are lies spreading everywhere. You will be left defenseless America, for you are not prepared and ready for what is coming. Everything has been set-up for show, and this man in office now, will do as he pleases. Be careful to not follow the crowd. For I have said that if possible, the very elect could be deceived.

There are things being arranged; there are adjustments being made. One can go through all of the motions to "seem right," but in the end it becomes a self-serving principle.

I say that the enemy has clouded many of your vision. I say, be as wise as a serpent. Don't follow the crowd but follow after Me. "

## The Great Deception Strong Delusion

The Master is coming! The Master is coming with healing in his wings, pouring out a blessing on those who have prayed. A Reward for his faithful, and just punishment for those disobedient. Ample warning has been given to amend your ways and your doings. Great deception sweeps the nations. Men following men instead of God. Men asking ungodly men for answers to Godly questions, seeking wisdom and knowledge from men having none. Why do you labor, following men who preach false doctrine and lies? You have been sent the Holy Spirit as teacher and guide. You need no other. You have lost your way, floundering in the darkness of deception. Those who do not open their eyes and ears to my ways will perish for lack of knowledge. **No Earthly man can save you or teach you my ways.** Behold I AM Coming on a cloud with thunder and lightening.

Daughter, speak this message. Prophecy to the multitude, for I see many asleep. This is not the time to slumber. These are dangerous,

perilous times. As was written, the foolish virgins are busy spreading lies and false stories to the sheep. Not called, they in turn repeat these stories, and pass along false information, lies, to anyone seeking a sign or word of knowledge. This will remove all hope and faith. Children, you must endure many trials. You will see tribulation. Do not be deceived by liars and sorcerers. Test all spirits. My Word is Truth. The time is later than worldly men and scholars believe. I have heard and seen their lies with My own ears and eyes! You now must discern the truth. The seals as opened will create great quakes on your earth. This is the truth. I have already opened the first seal. Those having wisdom, knowledge and understanding know this truth.

### Destruction Unleashed

My children, as the destruction falls, you will see terrible things in your atmosphere. I desire to warn you of this so you will understand.

Destruction unleashed is something you have only glimpsed in make-believe. You have never truly seen destruction unleashed in your world and it shall be a terrifying sight. With destruction come many demonic entities that have heretofore been in another realm where you could not see them. These were not meant to dwell on the earth, but will be loosed for a season upon the wicked. You cannot kill these with weapons, and this, too, shall make you afraid, but you, My children, have the true weapons to keep them away from you – My Word, My Blood, and My Name.

This is part of why it is imperative you learn about Me now. You need these weapons and the knowledge of how to use each one stored up on your heart for that time, for it is not far into the future for you.

I forewarn you in My Mercy.

***My daughter, write these words. It is out of My great love and mercy that I speak from My heart of the things to come. Hide yourselves, if only for a moment, as My anger is kindled and My indignation shall pass. Come deeply into the deepest chambers, the center of My heart, the Holy of Holies, for it is here that you will find safety, peace, and rest while I do what I must do.***

***My Spirit and My protection cover all who have consecrated themselves to Me. No evil will befall you, and under My wing you shall dwell. Perfect peace amidst the darkness shall be yours. Call upon My holy angels to come to you and your loved ones, and I will hear you. There is no greater love than Mine, and My people will know that their King is strong and mighty in battle and has made the earth His footstool.***

***Terror will reign as the days grow darker, the events coming quickly now My loves, but you who seek refuge in Me, your High Tower will dwell in My insulated wall of fire. Prepare your hearts and your spirits for I am manifesting in***

***such a way that has never been seen before.***

***By now, I have made Myself very, very clear through all those vessels through which I have spoken. The distinction has been made, and those who have chosen to live with one foot in the world and one in the Kingdom will find themselves left to endure the consequences of their choices. Light and dark cannot dwell together; therefore, all that is not pure and righteous and holy will I turn Mine eyes from.***

***There will be a chain of events that will come upon the earth suddenly, and sadly, far too many have not prepared or listened to My counsel. Most dwell in a reality so far from the truth that the illusion is their reality, and the great deception will catch them like a snare. The majority of those who call themselves Mine, even have slid into the comfortably numb realm, where their padded walls of false security protect them from My truth. These will fall the hardest when I strip and I tear these walls down and expose their nakedness and their shame. I am the discerner of men's hearts and see many are tainted and impure.***

***Here is wisdom-- the soul is destroyed from within, as is this land and her people. Roots of bitterness and gall have taken the place of love and purity. Evil roots have grown evil trees and***

***the fruit of this land is rotten. Therefore, hear Me speak. I am come to purge the filth and burn all that is not of Me. Woe to those who will now find themselves outside of My covering. They will awaken to realize that they had been warned. I will leave evidence of all I have spoken in My chosen ones, The King's voice proclaimed in one accord across the earth, and all men will know I AM God, as the days of Revelation are begun.***

***Who is worthy to read the scrolls and to come as Judge and Ruler of all? Only One and My name is YAHUSHUA !!!***

# **JUST PRAISE HIM – WINGS OF PROPHECY**

## **Be Prepared**

I have told you the work of My Kingdom is to bring in this final harvest of souls. You may find these souls on the pews at your local church, or singing in the choir. They are in your men's clubs and women's clubs, performing good works. Some may speak My Name, but have no belief in Me.

Lost souls are all around you, My children, not just where you think they are. They themselves may believe they are not lost, but read My Word and the distinction will become clear to you.

All is not as it appears to be, and time is very short now, for wicked men plot in ways that will bring destruction like nothing ever seen before on the earth, and many thousands of souls will be lost in one day as their plot unfolds.

Do the work now, My children, for though the world around you appears normal, it is anything but, and behind the scenes, destruction has been unleashed. Soon, fire will rage through your cities, bombs will fall, and your world will never be the same again.

## **Godshealer7 – The Bridegroom is Ready and Will Arrive Soon**

Have your garments been washed in the blood of the Lamb? Did you amend your ways and you're doing? Have you repented and turned from your sinful ways? You will hear the trumpet and a shout. Are you prepared? Many will be left behind. They will be left behind because they ignored My warning. The gate closes at twilight. Once the gate closes, no one will enter. Don't be left outside. Tribulation will cover the lands, like has never been seen before. I have poured out My wisdom, knowledge and understanding. Many have come forward to be accounted worthy. You will be changed in an instant. No more sin and

death. My promises will be kept. Are your lamps trimmed? The  
Bridegroom is ready, and will arrive soon!

### **"YOU HAVE LEFT YOUR POST" - STEPHEN HANSON**

4/30/17

(I find it quite strange that the Lord had given me a word six years ago about the watchman who had stood upon the walls, and now on this very day, He speaks again. But this time, those that once stood there have now left.)

"Do you think that all will go on as it always has? Do you think that this nation will not be brought to its knees? Do you think that all is well?

For....there is a cancer brewing. There is a sickness deep within. Those who have said that all is well will realize that their eyes have been shut.

The land will be judged. A stillness will be seen just before the great cleansing. Some will awake and see these things coming, and yet many will have their heads buried in the sand.

Oh land that was once the free and the brave, your borders will be crossed on that day. For many of your watchmen have fallen asleep.

They once stood there looking out and surveying the land; but they have left their post now. Now there are empty spaces where they once stood.

You were set there to warn the people of impending danger. You were given a mandate, but now you have left your duty; but others have been set there to replace you."

# **In Order to Win this Battle You Must Surrender to Me for I AM the Victor!**

4-28 through 4-30-17

The Lord Jesus spoke to me and said:

My beloved sons and daughters, many of you are becoming discouraged and overwhelmed by things that you feel you should be doing for Me and My kingdom and this ought not to be. I have said that My yoke is easy and My burden is light and truly it is.

If you are feeling pressure to perform and produce it is not from My Spirit. You WILL perform good works if you are walk in the Spirit and this is how it has to be.

Without Me you can do NOTHING!

But through Me all things are possible.

I desire for you all to know from the bottom of My heart that I want you all to be part of My remnant, part of My bride. Please do not think that I stand with My hand on My hips waiting for you to make a mistake, that portrayal of Me is from the enemy. If what He says were true, I would not have bothered going to the cross and suffering at all. I didn't come into this world to condemn the world but that the world through Me might be saved. I took all the sins that have ever been committed and will ever be committed upon Myself. Every one is paid for!

You are now set free from the bondage of sin. You do not have to sin!

This was not true without Me breaking the power of sin and death by raising from the grave and declaring victory over it once and for all.

Sin causes separation from Me but it no longer has to be this way. If you sin, bring it to Me and repent and don't plan in your heart to do it again. Yes it is really that simple!

You may stumble over and over again but as long as your heart is right before Me and you continue to turn away from your sin, there is always be forgiveness for you.

There becomes a problem when you no longer wish to give Me your sin and even try to hide it from Me. This is when your sin becomes willful and habitual and it will NOT be forgiven until it is stopped and surrendered to Me. GIVE ME IT ALL!

I do not condemn you, please understand though, you must humble yourselves and admit that you've done wrong or you fall into the same sin as the devil, he doesn't think he is wrong either.

Beloved, the transformation of your soul, does not take place immediately. Yes, the battle of the flesh still rages but in the Spirit, the victory has been won!

Actions in the spirit always take place before they take place in your physical world.

Thus your will must be that of an overcomer. You must choose to overcome sin and this world each and every day and by the power of the Holy Spirit you can do it!

Beloved, your heart's desire must be must be for the things of My Spirit in order to be able to walk in it at all times. That is My desire for you because it is the best accomplishment that you can achieve; and that is transcending the ways of this world and having a heavenly mindset.

Putting Me and My kingdom above all else and building it out of the deep love that you have for Me.

Paul rightly said that everything not done out of love profits you nothing.

Good works done from a sense of duty or obligation are utterly meaningless to Me.

Children, I am for you, not against you and I want you to understand the things of the Spirit. You must just completely surrender ALL of your fleshly desires to Me because you do not have the strength to overcome them in yourself.

In order to win this battle you must surrender to Me for I AM the victor.

Let My Spirit work through you and your heart will be changed.

I will take your hearts of stone and turn them into hearts of flesh.

Unless a man be born again of My Spirit he will not see the kingdom of God.

When you live your life by the Spirit you will notice a difference.

In the coming days all who are not living by My Spirit will be swept under by the violent river of evil that is even now flowing. The violent river of evil will flood the whole earth but those living by My Spirit will walk on the waters. They will pull out those who cry to them in My name and set them on high ground but those that think they can save themselves will drown because of their pride.

Be filled with My Spirit now continually.  
Oil floats on the waters.

# “Judgment has been declared, judgment has been declared!”

MAY 3, 2017 1:45 AM BY [MENA LEE GREBIN](#)

I saw an angel, very tall, like a couple of hundred feet, with a trumpet in his hand. He stood on the land. I could see some of the states underneath where he stood. He was standing in the Midwest area (United States). I don't know if the location is significant or not because nothing was specified regarding it.

The angel looked up and then made an announcement. He said,

“Judgment has been declared, judgment has been declared!”

He then proceeded to put the trumpet to his mouth, to blow it. I saw a wave sweep across the land, and a great wail came forth from the people. I saw the cries rise up to heaven. There was a pause, like a space in time. It only lasted a few seconds. Afterwards, I saw a move of God like I've never seen before.

A war is coming.

As with all things, take this to prayer.

Shalom

# A Stillness Before the Great Cleansing (Stephen Hanson)

to me

**“A stillness will be seen just before the great cleansing.”**

MAY 1, 2017 5:08 PM BY [STEPHEN HANSON](#)

Do you think that all will go on as it always has? Do you think that this nation will not be brought to its knees? Do you think that all is well?

For...there is a cancer brewing. There is a sickness deep within. Those who have said that all is well will realize that their eyes have been shut.

The land will be judged. A stillness will be seen just before the great cleansing. Some will awake and see these things coming, and yet many will have their heads buried in the sand.

Oh land that was once the free and the brave, your borders will be crossed on that day. For many of your watchman have fallen asleep.

They once stood there looking out and surveying the land; but they have left their post now. Now there are empty spaces where they once stood.

You were set there to warn the people of impending danger. You were given a mandate, but now you have left your duty; but others have been set there to replace you.

# READY FOR WAR

## Ready for War

My children, prepare for the war that is coming to America. This will not be a war fought in other countries, but a war fought in your own streets. You will see many you know die before your eyes.

There is dissension brewing in the heart of America, and it will soon boil over. America, though greeted by smiles, also has many enemies. The combination of the two shall be her downfall.

My people are not ready for war, for they hesitate even at using the weapons I have left them in My Word. They are a people faint of heart, unaccustomed to seeing bloodshed, and not courageous for battle.

My people, do you not know I am a God of War? Do you not know I am coming back for the final battle against all evil? Why then do you shy away from the battle before you? Why are My churches filled with smiling imposters, who cannot even face their own sins? How do you plan to survive what is on its way to you? Do you think courage shall suddenly overtake you and you will be filled with faith?

My servant David did not learn faith and courage from doing nothing, but from battling the enemies he met on the way to where he was going. First the lion, then the bear, then the armies who came against Israel.

If you have no courage now, you will have no courage then, and you will fall to the hands of the enemy. Do not be foolish in believing otherwise.

**Subject:** Barb God's Healer7 Look to the light, for your faith shall heal you! 4-30-17

Your King hears your requests and answers them at the appointed time. The time in the heavens has a related time on the earth. A time for the Truth to be known. I have called many having the Spirit of the Living God inside. I have anointed them with the power to heal, cast out demons and teach with Heavenly instruction. I have sent them out as sheep among the wolves. They will follow and finish their commission as I have directed them. They are among you now, working. You can see their Light shining brightly. They have accepted the work I offered them, knowing the consequences. Others are also at work, those not sent by Me. Flee from them, do not follow the perverted doctrine they present. Look for the Light. Your faith will heal you, your mind, body and spirit. This is Truth. I Am Coming. I bring My reward or just punishment with Me. Watch for the lightning.

### Cover with my blood

Elohim

Daughter of Israel, I hear the cry of my chosen. I hear the calling for righteousness. Have I not promised and told in my word not one hair will be hurt on your heads. Your cry is heard your glory will come, an outpouring for my chosen ones. Heed my calling to those who sense this calling hear

my cry in the 2nd watch for a time to pray, a time to weep and cry out for those lost souls I desire to gather also. Your willingness is a jewel I treasure, an aroma to my nostrils, you do well to remember, take no offense for I died for those sins, yours and others' that offend you. Know in these last days the enemy is fighting with more strength and has NO regard for deceit but his will to be poured among his unrighteous.

Your truth is what you hold onto, cling to my promises!! This is why my word is so important for you dear ones, study it, take it into your hearts. Let me reveal my secrets to you. Cover your family, cover your homes, cover your animals with my blood, for I died for your sins and my blood will not be of no purpose. Call on my blood to be poured out on your property, your animals and see the results. Now more than ever as the Great Day nears your heart quickens and the fear flees, from my blood that covers you. My blood is what will protect you and your family. Tell my children. I tell this truth now at this time for great is its importance. You will be protected for I protect those whom I call my own. Your willingness to learn, to listen and to hasten to my calling is a humble heart that can hear my words that I proclaim through you. Daughter, I am coming, the glory and my host of angels is to be upon the earth and standing ready for orders. Ready to protect and ready to serve. Nourish your hearts and minds in my word, become strong and ready for what is about to begin. No fear will be upon those that plead my blood and call on my name. The end is upon you daughter, proclaim my words, for you are among the chosen to proclaim. Many are called and few are chosen. Your desire and your pure heart is my desire. For the will of my Father to be done.

Continued from Abba Father: Worry not what to say, hear only my echoing of words in your heart. It will quicken and then peace shall come, and I shall give you the words that can not be denied, can not be refuted, can not even be replied to. The truth shall rend (Emma's note: to harrow or distress the heart with painful feelings) them speechless. Your mouth my daughter will be cleansed for readiness to speak my words, not your own. Fear not, that your words only drown in your sorrow for unbelievers. I am the Father and I am redeemer for all my children. Will I not run to my prodigal son, will I not search for my lost sheep. My truth will pierce their hearts and light will shine forth seeing new hope and being released from the prison of darkness and chains. In those days to come, feed my poor, visit the people with the wisdom I grant you. The corners of the harvest are there for the poor and downhearted for my children to feed on in the last days so they too can bear witness to my glory and to my promise. Hide not from my children the truth, for they seek but find confusion, they know not the word of truth but when they hear it from your mouth that I give you, their hearts will resonate with the truth and their spirit will awaken to everlasting joy. Emma's words..Praise be to the Lord!!!

# Awake my bride.

Lord of Lords

Daughter I will pour out my glory on those who call on me. Much brightness and heat will explode on much darkness, and fear is felt by the Nations. Your time to prophecy has come, with many that I outpour my holy spirit on those that call out to me, on those that hunger so deeply for these days to begin. They will begin, when the appointed time is released all will prevail. A time like no other daughter. Such grief, such shame, such panic will be among my people and the Nations I have scattered my people to. Why did they not listen, why did my people abandon my ways for a glory not from me but a glory full of deceit. I have chosen many among you the meek and the humble servants will shine.

The strength I give to my own for their special time, is like no other. A time the heavenly hosts are waiting for a shining of my glory poured out on my own. Your faces will glow from inside yourselves, your hearts will feel like exploding with my presence while other's hearts explode from fear. Hide not from me my children, hear my call now before it is too late. My children how I weep for your time has come. Choose well, choose my life for my life is eternal and my gift is free to those who come to me. Humbleness is my desire and I wait for you my dear ones, I am here only a breath away, your righteousness does you well, but put away all murmurings and dissension (Emma's note: difference of opinion) among yourselves, my body is broken and not ready for me. Much time has been allowed but you sleep, you slumber your days away not waking to my call ... awake my bride, come away with me, and find joy everlasting and a peace I intended for you to purposefully fulfill your days in my glory. Come to me now and abide in me daily.

# Judgement of the Nations

March 14, 2017

|

Abba Father

Thy hand is on the Nations, come out of Her, come out of Her! Judgement of the Nations is about to begin. A Nation that has nothing to give but stones to their children, a Nations that encompasses thine hand upon evil will prevail no more. I will not let their secrets transpire for

their ways are wicked. I desire for repentance and conviction of your souls desires. Your ways are NOT my ways, come out of Her my children. Abide in me.

GREAT DARKNESS will be poured out. Time, like you know it, prevails BUT imminently MY time will prevail. Great fear will be all around, cover thy faces for shame you wicked Nations, my judgement is upon you. You have been warned but you scoff at my righteous ones, but it is those that are mine you will search for and you will not find anymore. You Kings of Great Nations, how many times did i send my servants, my humble servants to warn you but you scoff from your high places. My wrath is upon you, you will hear my words no more, you will not find what you are looking forward to, it is not of this world but the world of darkness.

My little ones hold fast for my Glory will be poured on you for your light will lead many home. Stay strong, hold fast for your crown awaits you in my Grand reward for my noble people. Wait for the quicken to come, you will feel it in your spirit, a great quickening in your heart and mind will propel your days faster and faster, for this is my timing. Pray now for your favour that I give you. Pray that you are found worthy. There is no more time.

# The Great Harvest will begin

January 7, 2017

|

Abba Father

Your time is yet to come daughter. Hold fast, wait on me, hold to your knowing I have heard your cry, I have heard your prayers and your time will be great and your responsibility will be great. Purpose yourself toward hearing my word and when the hour is upon you, you will gather all to you as I will instruct. Hold fast and wait on me, your Lord your provider. I have given witness to your words, so you are to wait now, humbleness is how I need you. Toward the last of last days your spirit will quicken. (Emma's note: to enter that stage of pregnancy in which the fetus gives indications of life.) Your heart and spirit will soar like an eagle, know it is close even at the door. Wake up others gently, wake up those who are asleep and have lost their first love for me. I am coming daughter, I am coming for my own who know me, joyful are those who spend time in the word in my heart as it is my heart that is felt as you read my word. Such sadness I feel as I expressed in my word for those who choose to ignore my love and my free gift of eternity. Wake up Children! I am coming, I approach as a storm approaches, you see the dark clouds, you hear the

distant clashing of lightening, you fasten your latches, you get ready, you feel a twinge of fear, it will be like this but with **much** more intensity, some hearts will fail. But you my bride, you who know me, will rejoice, will sing praises for you know your redemption draws nigh. Repent, all ye sinners, repent, turn your hearts to me, offer your love and tears, offer your time to know me, for those that freely offer all things will be given much in the Kingdom, for surely it will come to pass all truth that is written in the scriptures.

Search out my **promises** in the word, ponder them and let them seep into your very spirit indwelling in you. It is this that you will recall and call upon in the beginning and during the Great Darkness that is poured out upon my land and all Nations. Be strong, prepare and be found worthy for your time daughter is yet to come but when it does I will pour out my glory on those I call my own and the great Harvest will begin in a time of languish and horror and despair but my sheep know my voice and will only listen to my voice and focus only on my light and promises.

# 3 Days of Darkness

January 2, 2017

Abba Father

Prepare daughter, prepare now for time is short. Your willingness to hear is great, but now your willingness to do and to act accordingly is paramount. The time is almost upon us, the time that the prophets and saints have been marveled (Emma's note: meaning a wonder or prodigy) by and are waiting for eagerly is about to be pronounced and released.

Prepare, prepare, prepare. Prepare for visitors that I bring, prepare for time set aside to hear my voice, prepare for time with your family getting right in the spirit and and being one in the fruits of my word. Read my word daily, morning and night, prepare your loved ones for what will soon be upon you all. Darkness, great darkness is soon to engross your days, fear not children, fear nothing for I am all, and I am the one who craft-fully made you, and designed you and know every minute feeling and source of all your fears and delights, and each time you encounter a negative source come to me AT ONCE, call to me AT ONCE and know I am a breath away. Prepare your hearts to be

strengthened, prepare for the overwhelming fear to be dissolved when you call on me and I am in an instant with you. Like a welcome summer breeze that soothes and refreshes (Emma's note: to revive to quicken or renew) It will be like that, I will wash away your fear and your strength will be from me. A time like none other will prevail for 3 days.

Hold strong, and prepare everyone for this time. Prepare physically, I will prompt you what is required but most importantly is to have your heart prepared your loved ones hearts prepared to suffer for me, your love and your strength shining forth to uplift my people. I will pour out my glory on those I call my own. Your willingness to shine my light to be my people in this time of great darkness, go forth children of my own, to call my people home to me.

## Prepare Your Houses

Much strife and confusion is coming to the earth. There will be eruptions of violence, murder, strife and infighting in various places.

Much tension shall abound, and brother shall strike out at brother. The line is being drawn tight.

(NOTE: In the spirit here, I saw a line, like a tightrope wire, being tightened and tightened, until it looked like it would just snap from the tension.)

When I speak to the angels, what is holding back the war will be released, and battles will break out in many places. War will break out. Fighting and killing will seem to be everywhere at once. This is the beginning of the end. Prepare your houses. Prepare your hearts, for the end is upon you. The end of all things quickly approaches.

My children in the earth, My true children, will shine like a beacon in this dark time. Miracles will abound, My Word will go forth with great boldness and authority as it did in the time My Son Jesus walked the earth, and many souls will be added unto My Kingdom. The end is very near now as these souls enter just before the door is shut.

Prepare your houses. Prepare your hearts, for the end is upon you.

Matthew 24:6-8

- 6 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet.
- 7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places.
- 8 All these are the beginning of sorrows.

## "The nation will be split in two."

APRIL 22, 2017 11:31 AM BY STEPHEN HANSON 15 COMMENTS

Then he who hears the sound of the trumpet and does not take warning, and a sword comes and takes him away, his blood will be on his own head. (Ezekiel 33:4)

"Do you truly think that I Am going to bless this nation? Do you think that I am going to reward those who continue to ignore the warnings that have been going out for years?

This nation will be brought to its knees. The plans that some have made, to make this nation great, will fall to the ground in humiliation. For your sins and your arrogance will have caught-up with you on that day.

The nation will be split in two. The orders will be given to my angel that sits upon the heights of your nation. For too long, you have ignored the warnings from my true prophets."

The Spirit of the Lord showed me a scene of the United States capitol. People were fleeing as the buildings were collapsing all around them. Above, various planes were dropping bombs. Everything was in a state of panic and confusion. And then the earth opened up, and a huge crack was seen as some fell into it, and yet some were able to reach the edge and find safety.

"The government will fail on that day. The pillars and the entire structure of the capitol will crumble. Men and women will flee so that the debris will not hit them.

And that great rift will open. There, many will fall into it. Some will climb to safety.

And yet, I have some who know of these things. They have prepared for those days that are coming. They know of the outcome, and they know of the things that are coming.

Woe to those who are great in their own strength. Woe to those who think their money will save them on that day."

Daughter, speak to My children: tribulation is coming! Use the power I have given you to discern. My Spirit will quicken your heart. Because you choose to follow Me, I will keep you from the suffering and mass persecution that will cover the lands. I have prepared a place for you, it is written. The Beast is aware of these preparations and will seek after you, placing stumbling blocks in your path. Be diligent. You have found favor in My eyes. I have poured out My Spirit on you, and you have followed My instruction. Share this truth with your brothers and sisters. Remember, I am always with you. Many hearts will grow cold. Stay on the path, for I will avenge. Your enemies, those that abandoned you and lied to you in your hour of need, you will receive justice. I have seen your many tears falling to the ground. ## The Heavens Will be Shaken

I have told you the heavens will be shaken in this time as well as the earth. Have you contemplated the meaning of My statement, My people? When I shake the heavens, the earth will no longer enjoy the same benefits as before, many changes will occur. When I shake the earth, you know what to expect. Do you know what to expect when I shake the heavens? The heavens have not been shaken before.

I speak this to warn you that unexpected changes will occur in these times, changes no one is prepared for, nor can you be. Those who understand what is happening, that what is happening is from Me, that I have foretold you in My Word this will happen, can remain calm, knowing I will protect them and provide for them, but others cannot.

When I shake the heavens, the world around you will panic, they will not know where to hide. The peace you have in Me will be a witness to them that there is something more.

Do not be afraid, but be strong and very courageous when these changes happen, and I will reward you.

Isaiah 13:13

- 13 Therefore I will shake the heavens, and the earth shall remove out of her place, in the wrath of the Lord of hosts, and in the day of his fierce anger.

# YOU WILL SEE STARS FALLING WITH YOUR OWN EYES

**Subject:** Barb God's Healer7 3-24-17 You will see with your own eyes, the stars falling...

Speak daughter! speak to the wicked, evil perverse men on this earth. You can't hide your eyes from Me! You have defiled your women, strange men, then in lust, your children. Your abominations never end. Now I see the wickedness with your animals. Your wickedness and evil has NO bounds. You forget the lesson of the city, Pompei. I stopped the evil with My mountains of liquid fire, and buried the blasphemy for all ages. I wiped it clean. Covered it with ash, the evil hidden from My sight. I will spare the righteous few, as was done in Sodom. Make no mistake, when you see these earth changes, I used My oceans and seas and ice to do the same. Soon you evil men will see these same judgements fall upon you, and over the earth. Those who have ignored My warnings and correction will wail in the darkness for mercy, and there will be no mercy! I will wipe clean the threshing floor! You will see signs in the heavens- the sun, the moon, and stars. You will see with your own eyes, the stars falling from the sky, like a fig tree in the wind. The unrepentant will run to and fro, looking for answers! Here is wisdom: You have been given the answers, and shown the truth, and the lessons in the past, but you would not believe it could be your own future!

In the morning of 4th April 2017, in a very tremendous Vision (Supernatural Dream) of The LORD God Almighty, The LORD Jesus Christ and The Holy Spirit, I found myself in a Place where I saw a group of People sitted like People sitted in a Panel. The Place they were sitted on was raised, including the Table next to them.

The LORD then moved me in front of this “Panel”, in the vision of The LORD. The LORD then inspired me to deliver a Proclamation in front of this “Panel”. The Proclamation was that: Time is Over, the Anti-Christ is about to be unleashed, and that Changes are coming upon the earth. As I Continued to Proclaim as so, I then realized that one of the people who was sitted, amongst the “Panelists” was Barack Obama.

Shortly later, while still in this vision of The LORD, I found myself in another different Place, an Open Place sort of. While

here, I saw Barack Obama again, now dressed differently, alone, but walking forward. The LORD then made me know, in the Vision of The LORD, that the Anti-Christ is about to Arise; and that him whom He was showing me is the Anti-Christ, the Man of Lawlessness, the Son of Perdition that is about to arise as The Anti-Christ of End Times.

The Vision of The LORD then ended.

SHALOM!!!

Revelation 13: 1-8 “Then I stood on the sand of the sea. And I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and on his heads a blasphemous name. Now the beast which I saw was like a leopard, his feet were like the feet of a bear, and his mouth like the mouth of a lion. The dragon gave him his power, his throne, and great authority. And I saw one of his heads as if it had been mortally wounded, and his deadly wound was healed. And all the world marveled and followed the beast. So they worshiped the dragon who gave authority to the beast; and they worshiped the beast, saying, “Who is like the beast? Who is able to make war with him?” And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months. Then he opened his mouth in blasphemy against God, to blaspheme His name, His tabernacle, and those who dwell in heaven. It was granted to him to make war with the saints and to overcome them. And authority was given him over every tribe, tongue, and nation. All who dwell on the earth will worship him, whose names have not been written in the Book of Life of the Lamb slain from the foundation of the world.”

PREPARE THE WAY FOR THE COMING OF THE LORD JESUS CHRIST IN ABSOLUTE REPENTANCE, RIGHTEOUSNESS, HOLINESS, TRUTH AND COMPLETE SURRENDER TO THE LORD JESUS CHRIST (YESHUA/YAHUSHUA HA MASHIACH). TIME IS ABSOLUTELY OVER; THE MESSIAH JESUS CHRIST IS IMMINENTLY COMING TO PICK HIS BRIDE!!! AMEN.

## The Sounds of War

My people, I desire to warn you about what is coming. The majority of My people are not taking My warnings seriously, but this they shall regret later.

The sounds of war are ringing in the unseen realm and it is already prepared. War comes to America, and to other nations. This shall be a terrible war which brings devastation such as you have never seen. It will wreak terror in your hearts if you are not abiding in Me. Those who do not know Me shall have nowhere to run from the terrors this war brings.

I have told you I will cleanse this nation and I shall. I am raising up armies to come against you, America, that you may be cleansed. My remnant shall arise from the ashes of this cleansing. They are a remnant strong and holy, that speak My Word, that walk in My ways; that tarry not, neither do they complain, for they are about their Father's business in the earth.

You are not ready, My people, for what is coming. You are not ready to see the world around you destroyed in this way, but it is coming. Prepare your hearts and minds for what is to be, for I will have a Bride without spot or blemish.

# A TERRIBLE WAR

to me ▾

## A Terrible War

*By Glynda Lomax on Mar 04, 2017 05:09 am*

You have felt Me drawing you nearer. You have felt My call to come into My Presence, to spend time in My Word.

Now is the time to strengthen your spirit, to build your faith. The more time you spend with Me, the more you understand how to believe, the more you understand how My Kingdom works.

I explained to My disciples how faith works, and they understood as they spent time with Me each day. It is the same with you, who are also My disciples.

Oh My children, do not wait until it is too late to learn what you must know for these times.

Around you now all seems well, but it is not well. Underneath what you see, war is brewing and will soon break out. A terrible war is coming, such as you have never known. Men will spew hatred through bombs and blasts and the damage cannot be undone. You cannot face famine and loss like what is in your future without faith in Me.

Get understanding, build your faith while there is yet time. Those who do not know Me in this way will perish quickly in that time.

### Where are My Warriors

As war preparations are being made, as the enemy is setting snares for My people, as destruction rolls out in the land, where are My people? Why are more of My people not praying? Why are My warriors not fighting in the Spirit against these evil plans?

Scripture must be fulfilled, My children, but all of what is being planned does not have to happen as the enemy desires. Much more mercy can abound if My people will make time to stand and fight instead of worrying over their own concerns and spending time on worldly pursuits.

I have left you weapons that you may be well-armed. I have left you My instructions in My Holy Word, yet you play like unruly children in the world as the unsaved go about in darkness, as destructive plans play out – arm up My children! Arm up and go to battle for My desires instead of your own! Fight in prayer that the enemy not prevail!

Do you not know that I bless those who spend their time doing this? Do you not know that it is to them I give blessings and anointing and show miracles?

Why do you tarry – arguing silly points and running to and fro in the earth? Be about your Father's business and do My will and not your own that I may bless you.

If you stand by and watch the enemy's plans roll out and you do nothing, you yourself will be caught in his snares.

NOTE: In the Spirit, as the Lord spoke this, I saw that He wants us to band together in groups (even over distances) and pray against specific plans, to form prayer groups and use the power of agreement. Even 15 minutes a day praying in agreement can stop the enemy's plans. I could feel the enemy's anger over this word being posted, as well as tomorrow's word, which the Lord gave me at the same time.

# The Days Ahead

Posted on [9 March 2017](#) by [Stephen Hanson](#) March 9, 2017.

*"And he saith unto them, Why are ye fearful, O ye of little faith? Then he arose, and rebuked the winds and the sea; and there was a great calm. But the men marvelled, saying, What manner of man is this, that even the winds and the sea obey him?" Matthew 8:26-27.*

**"Set your guard as a watch upon your heart and home. For many strangers come and go.**

They come attempting to infiltrate and rid your home of peace. And yet, I the LORD, give you weapons to wage against the enemy.

These are the days of uncertainty for many. These are the days of turmoil and unrest. And yet I would say that I can give you rest. I can give you rest in the midst of the storm.

I calmed the sea when my disciples were in the boat. They were fearful of the storms and the waves, but I told them to look to Me and not to the water.

Dark days are ahead for this nation. It is set in motion – the wheels are turning, and in time the very things spoken, concerning the events leading up to the last days, will come.

A pendulum is swinging, and it is chiming out the hours. The very walls of justice will erupt. Confusion and calamity is seen upon the very steps of the White House.

Those very laws and ordinances that were set in your constitution will be torn asunder. For a decree will be sent out and the words of it, will set in motion a take-over of the land.

But you my children, are not to fear, for everything that has and will be done, is not the finished work. For I have a plan to rescue many in the coming months and years. For when the darkness comes my light sheds even more brightly.

After the calamity of those days, many will have found resources in the wilderness. There will be a banding together of my own. The strength and wisdom from on high, will be given to many in that hour. And then in that hour, even a little child will grow up to see my return."

## Thanks Carol!!

# Order of events given to Chuck Youngbrandt on April 21, 1977 that appear to be a description mostly of the first half of the tribulation period.

He describes a 3 year order of events.

This was sent to me from a listener and supporter who went through and dug out tips and notes from his book:

**First year of events This not inclusive, some of it is messed up from trying to interpret his timetables...**

1. Do not buy an air conditioner - get used to the heat.
2. Do buy gas cans and store white gas. (I assume white gas means propane).
3. Spring rain will be followed by summer heat and gas shortages.
4. The dollar will begin to slide in July. For this reason, crude oil imported to the United States will increase sharply and there will be gold value problems.
5. Temperature rise will begin in early June, (Chuck asked the Lord "when in early June?" Jesus said, "June 9") and climb in temperature reaching peak temperatures in July and this will hold all through July, August, and September followed by sudden and drastic temperature drop in October.
6. There will be no rain of any significance from mid-June and on.
7. Devastating Hurricane to hit New Orleans in September
8. The President will be in serious trouble by December.
9. Japan and China will become friends through economic agreements this year and arrange certain defense agreements that will seem aimed at Russia-but secretly aimed initially at the United States. This will be a great deception. The United States will fall for it. Japanese government will change character drastically in a visible way.
10. The angel of death awaits through this year.
13. Continue in faith. The Net of Prayer will grow steadily and then unexpectedly-be ready!
14. Do not fear. This year many will lose jobs and city and state governments will fail suddenly.
15. There will be serious economic crumbling. Psalm 37:39 quoted.
16. Disease will start from California and move east. Many left incapacitated.
17. From Georgia a plague to kill thousands as it spreads. Panic and fear will grip the nation.
18. Food riots will break out in August in many major cities.
19. Food costs to soar, availability declines, quality poor, hoarding magnifies the problems.
20. Government tries, but fails to instill confidence.
21. Those who rebel against God will also rebel against government and hundreds of thousands will want for food and starvation begins. Psalm 37:35 quoted.
22. Heat is unbearable. No rain. Multitudes curse God but those touched by love of Christ will repent and God will spare them. Psalm 53:1 quoted.
23. Power outs caused by heat. Fuel shortage grows worse.
24. Riots and deliberate destruction by enraged individuals and extremist groups aiming at overthrow of the government. Proverbs 3:25, 26 quoted.
25. Local police will fail to deal with violence and State troupes will be called out and in some areas, the violence will be so severe that Federal troops and tanks will have to be called out. Psalm 125:1 quoted.

**26. In December Russia will "accidentally" nuke 4 American cities, Lexington, KY, Richmond, VA, Columbia, SC and just north of New York City. The U.S. Counter attacks and hits three Russian cities.**

**Second year of events.**

1. January, northern Iowa will be struck by a strong tremor. Thirty days later a massive quake will strike Boston area followed by a wave of quakes, leveling blows clear across the nation. "My prophets will be sent out across the Nation and My call to repent in late spring," sayeth the Lord! Psalm 37:27, 28 quoted. (note, these prophets I believe are the 144,000 after the later rain is poured out in late spring)

2. Little winter snow but intense cold and little heat in most American homes.

3. In some places too much snow--in others none. Severe winds add to cold.

4. Power diverted to major institutions, hospitals, entertainment centers.

5. Food lines and economy near collapse. United States crude oil imports cut off by most oil producers. Japan becomes China's ally. Psalm 146:3 quoted.

6. Chicago temperatures minus 40 degrees to minus 46 degrees below zero during coldest temperatures of winter. Upwards of 80% of homes in area will be without heat after a month of intense cold. Many will freeze to death. With little food, intense cold and fear everywhere, life will be intolerable to those who do not know Jesus.

7. Suicide will become common. City services will break down and fail in mid-winter. Fires will burn unchecked.

8. The dead will fall in the streets and lie in the streets. Disease will flourish and kill tens of thousands. The nation will reap the seed it has sown in itself. Psalm 147:6 quoted.

9. Over half the nations employed will be without work and the dollar will be worthless.

10. Canada will be in sad shape-but not as bad off as the United States. Mexico and Canada will seal their borders, and set a quota on how many United States citizens can 'move over'.

11. Winter will end abruptly in April with warm days and sun. It will be very pleasant and many will think 'it's over' but the land is parched and last year's crop failures will deepen this year. Rivers and lakes will dry up this year and temperatures will rise to over 120 degrees F. by Mid-May. (From another source there is a plan for bodies of water to be diverted to underground cisterns for use of the government living in underground bunkers by the time this thing is happening too.)

12. In some other places, rainfall will be so heavy, that flooding and destruction will be unavoidable. Other areas will be ripped by numberless tornadoes and hurricanes, and waves of tremors will shake the land, followed by outbreaks of disease and fear - hate spawned destruction.

13. Famine will continue. The government will establish a special economic arrangement and food distribution program, but early crop failures, mixed with unending disasters, will crush all hope. Corruption in government will destroy confidence. No rain. Intense heat. People will stay indoors in fear.

14. Everything is failing. Only the Christians have the strength to act, and the Hand of God will be clearly visible to all in the Christian communities. Many will be saved in this time; but many others will curse God, knowing full well why this has befallen them. This will be the year of "Fear, Pain, and Misery" for those who reject Christ. Psalm 149:4 quoted.

15. Sin will grow to its deepest even in the midst of judgment, with the call to repentance the loudest, with visible signs and wondrous miracles and the mercy and love of Jesus reaching to all.

16. Multitudes will reject Christ in knowing ways and the depths of depravity and abominable behavior will stun even the most compassionate. Persecution will also reach a high in this year, and in many states with government approval. Jesus said: "My Prophets and messengers will be abused and hated and injured and killed."

17. The wrath of God up to this point was much blended with God's mercy; but now the wrath of God will burn hot. His fury will be unleashed in a terrible way. Psalm 125:3 quoted.

18. The giant earthquake strikes the mid-west, literally the whole continent is shaken by the intensity of the earthquake. The mid-western United States is devastated. (note, according to other pages this happens at noon on July 5 of the second year of this scenario which if you read Revelation 18 it seems to indicate something like a meteor hitting water that would relate to this.)

19. The Russians and Chinese (Japan is a tag-along) have been formulating contingency plans to deal with the United States, plans aiming at long range 'wearing down' of the United States that require close co-operation. Although they review the possibility of war, neither power wants to risk war until there is no risk. Both agree that the United States is not to be taken intact--but is to be destroyed after weakened.

The massive earthquake happens at this time, and with great excitement they both see that the United States defenses are down.

20. It appears to be the opportunity they have looked for. Under the guise of helping us recover, they immediately begin to set into motion a plan of attack. Thirty days after the mid-western United States earthquake, the Lord sends His angels to warn His children to flee- and 7 days later, Russia and China press the buttons, launching a full thermonuclear attack on the United States. (This would equate to August 11, 2006 if what I mentioned above are true.

21. The U.S. Navy and U.S. Air forces are dealt death blows. Major cities are destroyed. The United States returns a hard punch at Russia-much to their surprise. Russia weathers the counter attack with strength and within two months invades. Russian amphibious and airborne troops invade the east coast of the United States at five points; two points North of New York City and three points south of New York City. Southern Florida and parts of Louisiana and Alabama are under water and cease to exist.

22. The U.S. Army fights hard and manages to contain the Russian invasion points; but then heavy Russian attacks break out of one bridgehead and they sweep towards the destroyed Philadelphia area. U.S. Armies are threatened from the rear, attempts to stem the Russian advance fail.

23. The President and the government abandon Washington, D.C. U.S. Armies retreat to a defense line being set up in the Appalachian Mountains. Japan, an uneasy ally at first is greatly encouraged by the course of the war. Japan moves quickly with China and a month after the Russian invasion of the east coast Chinese troops with Japanese troops invade the west coast of the United States. (note, he says October 21 is the date of the first invasion so the second must be in November for west coast).

24. The invasion happens at three widely separated points on California and Washington state coastlines. At first, the U.S. Armed forces stop them: One Chinese invasion beach-head near San Francisco, is wiped out but then with considerable strength the Chinese and Japanese crush the U.S. defense and sweep inland. Russia invades and annexes Alaska and slaughters much of the population deliberately.

25. Hawaii surrenders to Japan intact and China jointly occupies with Japan. The U.S. Army is pressed back on every front. Washington, D.C. a ruined city falls into Russian hands. The President and government move west and set up the seat of government in Kansas and Dakotas. The U.S. industrial base is largely destroyed although smaller factories are opening up in small towns everywhere.

26. A severe fuel shortage cripples every effort. The U.S. Air Force is outnumbered and out classed; and Russian and Chinese aircraft control the skies over every battlefield. The U.S. Navy is destroyed or surrendered. The President tries to arrange peace terms; but neither Russia, China, nor Japan will respond and the war goes on.

27. All now smell the blood of the United States and are closing in 'for the kill'. France, Great Britain and Italy form a coalition alliance, and U.S. Armies are asked to leave Europe, Spain, West Germany, Holland, Sweden, Luxembourg, Norway, and Portugal become loose allies in a mutual defense pact. Here the Lord does not make it clear (it seems vague to me, with a lack of definition) yet the Lord makes it clear that western Europe will not be involved in the war and will elect to stay out of the war and will remain neutral. Psalm 127:1 quoted.

28. North Korea will attack South Korea.

29. China attacks Taiwan.

30. Stock market crashes in July.

31. Great inflation, massive food shortages, massive unemployment, starvation starts.

32. Chicago destroyed completely by a major earthquake. Lake Michigan will plummet the city. 62 million will die because of this earthquake felt 500 miles around the city.

33. 80% of the homes in America will be without heat in the winter time and with little food, millions will starve to death.

34. Food riots will start in August.

### **Third year begins.**

### **Chicago is completely destroyed by an earthquake...**

1. Jesus calls this winter: 'Harsh and Horrible'. Another bitter cold winter with more hardships than ever before. Cold, death, and destruction prevail. During winter, Russian and Chinese-Japanese armies are stopped respectively in the Appalachian Mountain range and the Rocky Mountain range. The U.S. Army and the U.S. Air force recover some strength and launch desperate attacks aimed at driving Russian armies out. The Russians hold the ground they have taken.

2. Russia hits several places with nuclear devices but now refrains from over use of nuclear weapons. U.S. Army is hungry and cannot re-equip like the enemy forces; and our supplies dwindle in battles; and losses cannot be replaced. In the Spring of the third year, Russia, China and Japan will launch coordinated attacks. Russia will break through at two points in the north and south, while China and Japan will break through at three points. Russia will move swiftly against bitter resistance, driving west and southwest. Attempts by the U.S. Army to establish a line of defense fail. Russians advance rapidly into Iowa-Missouri areas. Their deepest penetration happens in Kansas before the war ends.

3. Fighting hard, the U.S. Army and government is encircled in the central United States and attacked without mercy. The invaders attack and slaughter U.S. Armed forces and the U.S. Army collapses. Many surrender, many run to the hills and much of the government gives up. No surrender is ever signed: there is a general collapse of organized resistance.

4. Late Spring into early Summer, all major fighting will cease and Russian, Chinese, and Japanese soldiers with their allies will dance and sing for joy. For the United States is destroyed and occupied. There will be no slaughter in the mainland as in Alaska. Very many soldiers and civilians of the United States will be taken to Russia and eastern Europe to work as slave labor at rebuilding destroyed cities. Later many will be allowed to return home, although not all will come back.

5. The Chinese will not at first take prisoners: after meeting bitter resistance, they will change this policy. Russia, China, and Japan will strip the land of industrial tools, machinery, and goods. Only Russia will take large numbers as slaves. China will take scientists and technicians. The occupying armies will leave populated areas largely intact, using local people to extract raw materials and goods, such as are available. No effort to rebuild or restore the nation will be allowed.

6. God will, by the Holy Spirit, bring or cause the occupying armies to have compassion on the Holy seed, the remnant, the Christians. Nevertheless, persecution will begin once Russian, Chinese, and Japanese communist officials or commissars replace army officers. Late in the first year of occupation the drought will begin to ease, and temperatures will also ease somewhat. The world will be in great fear of this Russian, China, and Japan union.

7. Canada is intact, although suffering from famine, bad weather, and disease. War will come to them later, and much of the nation will be destroyed.

8. The Japanese and Chinese alliance grows stronger and fast. Russia is now becoming afraid of them, even though Russia is stronger. Russian oil resources decline seriously and there is severe trouble in the nation. China and Japan move to block the Russian threat to Israel, and now a much stronger European alliance joins to back Israel also. Russian power is in a state of decline. Russia tries to take Israel, war breaks out. China and Japan, joined with Western Europe, engage Russia (to Russia's surprise). Russia is overwhelmed and destroyed utterly as a world power.

9. Israel survives.

10. At this point, the Leader of the Land-Jeffrey--emerges. Christians suffer severe persecution in Jeffrey's town, as elsewhere. Jeffrey takes his family and flees into the hills and joins an Army band of guerillas. Jeffrey remembers the Lord's words, and leads an attack on a Russian military base. It is a miserable failure, with over half his unit killed. The Lord sends Chuck and Cliff to Jeffrey. Jeffrey returns to the hills in fear and anger. Jeffrey prays and fasts. We arrive with the Lord's word. Jeffrey takes up arms in obedience to God and goes. Russians, terror stricken, flee before the Leader of the Land and his small band. Depots of arms and equipment are left behind, in tact. Christian Russians quit the Russian army and join with Christian Americans, forming a Christian army. A mighty move of the Holy Spirit begins to sweep the land. Psalm 126:3 quoted.

11. The year starts out with an earthquake in northern Iowa (January) followed by another one in Boston and then they become very common throughout the year.

12. In late spring God's prophets will go across the land, calling people to repentance, many will repent.

13. Oil imports are cut off.

14. Mexico and Canada restrict how many Americans can cross over.

15. At this time persecution of Christians will go wild with government approval.

16. From the notes I received the great Chicago earthquake is listed for this year as well as during the month of July, so I don't know.

17. The Mississippi river spreads and wipes out all the cities in its path. Thirty days later angels will tell the Christians where to flee, and seven days after, an all out nuclear attack will hit America. At this time in Florida most of the southern half from Orlando south will go under the ocean. Two months later the Russians invade landing at Slaughter Beach, Delaware moving into Philadelphia where no one is alive

from 3 neutron bombs. They also land at San Francisco, Astoria Oregon (Japanese) Russians (Alaska, who kill everyone there they find). Hawaii will surrender to the Japanese. Chuck saw busts of Karl Marx set up in churches and people worshipped him. This begins a seven-year occupation. Children will be sold for food. Witches and homosexuals will hunt Christians for food, cannibalism! Nearing the end of this occupation Americans were put on trains, told they were going to re-education camps and taken to slaughter-houses where they are processed for food.

All totaled, 70% of Americans will have died.

P.S. Within a matter of days after receiving this revelation of 'Events', the Lord revealed that the occupation would last for seven years.

There are 5 safe zones: NE Washington, North N. Dakota, NE NY State, N. Arkansas and N. Florida

For there came a dark hand up out of the ocean from the east, even from the Atlantic Ocean (Neville Net/Flickr/Creative Commons)

*This vision was given to the late Kenneth E. Hagin in 1963. It was shared with me by a friend with inside connections to old archives of teachings and prophecies never before published or made public. I believe it is now the time to share such prophecies for the hour of the manifestation of these things is upon us.*

Yea, the hand of the Lord was upon me ... the Spirit of God moved upon me ... the voice of God spoke unto me and said, "Come up, come up hither son of man."

I went, as it were, up into the air and stood with Him, the Head of the church, even the Lord Jesus Christ...in the air.

And as I looked down upon the ground I could see as a map laid out before me the entire nation—all the states of the continental United States. And as I looked He said, "Behold son, and I shall show you that which shall come to pass, and that which the eyes of many shall see. And they shall remember that their ears heard that it shall come to pass."

For there came a dark hand up out of the ocean from the east, even from the Atlantic Ocean. It came up out of the sea as a hand and as it rose up into the air it became a dark cloud and it filled the whole atmosphere. Yea, and it swept in like a storm at sea. And I said, "Oh Lord! Oh Lord! Oh Lord! What's the meaning of this?" And He spake unto me and said, "Son, that is the darkness of atheistic communism that is sweeping across the nation—even in the minds of men in high places and politicians with great power. And this nation shall not grow more strong and you shall not have more liberty than you have now, but liberties that you've known and you've seen shall be seized and taken from you."

And I looked again, and I could see upon the mountain a blotch, as though a bottle of ink had been spilled and spread out over several states in the south and east. And then I looked and I could see spots splotched all over the map and I said, "Lord, what meaneth this?" And He said, "Communitic inspired hatred among races shall cause greater turmoil than your nation has seen heretofore. Yea, it is not the will of God but men's hearts are perverse and they walk without the love of God and seek to have their own way. And so it shall be worse than you have seen."

And I said, "Oh Lord! Oh Lord! Is there a remedy? Is there a remedy? What shall the answer be?"

And He said, "Evil men and seducers shall wax worse and worse, deceived and being deceived."

And then I said, "Oh, Lord! Do we have nothing to look forward to in the future except the darkness, the blackness, war, destruction and evil?"

And He said, "Son of man, forget not your text for you look at the things not seen (the title of his message was, Looking At Things Unseen)." And so then I looked into the spirit realm and I saw falling upon that mountain a ball of fire from heaven. The closer to the Earth, the bigger it got, and then when it came to the Earth it divided into small balls or sparks of fire, and it fell upon men. And I saw an army of men rise up, and it seemed as though their hands were fire. And there sat upon their heads a tongue of fire. (When I first saw it, it seemed like their whole heads were on fire but it was tongues of fire leaping.) And I said, "What meaneth this?"

And He said, "Before the worst shall come and the day of darkness encompasses there will be those who shall go and who shall carry the fullness of My truth and the fire, not only to the states of this nation but to many other places. For there is a work that must be done, first spiritually, before the Lord shall come.

"Now prepare ye your hearts, for the time is at hand and the beginning is now; and ye shall see and ye shall know

for the hand of the Lord is upon you and many of you shall be used in these last days and the work shall progress."

Hallelujah to Jesus! Hallelujah to Jesus!

And I said to Him, "Oh Lord! May I have a small place to work?" And He said, "I shall cause thy tent to be enlarged. Yea, thou shalt have an enlarged ministry and thou shalt minister to many where you ministered to a few.

Therefore, go ye back to the Earth and be thou faithful and give forth that which I tell you to give for you have been reluctant in days gone by to tell it. Now tell it boldly and speak it true for now is the day that it shall be so."

Oh hallelujah! Oh hallelujah! Praise God! Praise God! Yes, yes, yes, yes, yes!

For the word of the Lord came unto me saying, "The prophetic vision shall be restored unto the church, for even in the days of old under the old covenant the prophet would see by vision and prophesy, and so the prophetic vision shall be restored unto the church. And this is the time, and this is the hour, and this is the place."

Praise God! Hallelujah! Thank you Jesus! Praise God, praise God!

When I spoke up I saw this very night. I saw the vision. I was lifted up to that place. Oh men and women, thank God for His goodness to man.🔥

# TIME OF GOOD BYES

## Time of Goodbyes

*By Glynda Lomax on Mar 29, 2017 08:09 am*

My children, you are entering a season of mourning in the earth. This will be a time of much loss and grief as you see tragedies abound, lives lost and your loved ones taken from you.

Do not allow your hearts to be overtaken with grief, for you do not grieve as those who have no hope. If your loved ones know Me, you shall see them again in your heavenly abode, and here you will never part.

Though horrors shall abound, you have known this was coming. You know as My people that all scripture must be fulfilled. Nevertheless, you will pray for Me to stop the horrors.

I cannot.

If I stop them, the end cannot be fulfilled. This is why you must strengthen your spirits in My Word. You must prepare your hearts for what is coming, for it comes quickly and shall soon be upon you. Remember when you feel fear that it is not from Me, and cast it far from you. Remain strong, and bold. I have chosen you for this time for your ability to remain strong and faithful in it.

I will cut these days of horror short for you that you may endure.

I am showing mercy to many by taking them early. Do not be angry when you see them taken, but realize I am being merciful by not allowing them to see the horrors that are approaching.

I will not put more on you than you can bear. Be bold, and very courageous now for Me in the earth, and let your hearts not be troubled.

I am with you.

### Where are My Warriors

As war preparations are being made, as the enemy is setting snares for My people, as destruction rolls out in the land, where are My people? Why are more of My people not praying? Why are My warriors not fighting in the Spirit against these evil plans?

Scripture must be fulfilled, My children, but all of what is being planned does not have to happen as the enemy desires. Much more mercy can abound if My people will make time to stand and fight instead of worrying over their own concerns and spending time on worldly pursuits.

I have left you weapons that you may be well-armed. Arm up and go to battle for My desires instead of your own! Fight in prayer that the enemy not prevail!

Do you not know that I bless those who spend their time doing this? Do you not know that it is to them I give blessings and anointing and show miracles?

Why do you tarry – arguing silly points and running to and fro in the earth? Be about your Father's business and do My will and not your own that I may bless you.

If you stand by and watch the enemy's plans roll out and you do nothing, you yourself will be caught in his snares.

NOTE: In the Spirit, as the Lord spoke this, I saw that He wants us to band together in groups (even over distances) and pray against specific plans, to form prayer groups and use the power of agreement. Even 15 minutes a day praying in agreement can stop the enemy's plans. I could feel the enemy's anger over this word being posted, as well as tomorrow's word, which the Lord gave me at the same time.

For there came a dark hand up out of the ocean from the east, even from the Atlantic Ocean (Newlle Net/Flickr/Creative Commons)

<http://www.charismanews.com/opinion/the-flaming-herald/59310-kenneth-hagin-s-never-before-published-1963-vision>

*This vision was given to the late Kenneth E. Hagin in 1963. It was shared with me by a friend with inside connections to old archives of teachings and prophecies never before published or made public. I believe it is now the time to share such prophecies for the hour of the manifestation of these things is upon us.*

Yea, the hand of the Lord was upon me ... the Spirit of God moved upon me ... the voice of God spoke unto me and said, "Come up, come up hither son of man."

I went, as it were, up into the air and stood with Him, the Head of the church, even the Lord Jesus Christ...in the air. And as I looked down upon the ground I could see as a map laid out before me the entire nation—all the states of the continental United States. And as I looked He said, "Behold son, and I shall show you that which shall come to pass, and that which the eyes of many shall see. And they shall remember that their ears heard that it shall come to pass."

For there came a dark hand up out of the ocean from the east, even from the Atlantic Ocean. It came up out of the sea as a hand and as it rose up into the air it became a dark cloud and it filled the whole atmosphere. Yea, and it swept in like a storm at sea. And I said, "Oh Lord! Oh Lord! Oh Lord! What's the meaning of this?" And He spake unto me and said, "Son, that is the darkness of atheistic communism that is sweeping across the nation—even in the minds of men in high places and politicians with great power. And this nation shall not grow more strong and you shall not have more liberty than you have now, but liberties that you've known and you've seen shall be seized and taken from you."

And I looked again, and I could see upon the mountain a blotch, as though a bottle of ink had been spilled and spread out over several states in the south and east. And then I looked and I could see spots splotched all over the map and I said, "Lord, what meaneth this?" And He said, "Communitic inspired hatred among races shall cause greater turmoil than your nation has seen heretofore. Yea, it is not the will of God but men's hearts are perverse and

they walk without the love of God and seek to have their own way. And so it shall be worse than you have seen."

And I said, "Oh Lord! Oh Lord! Is there a remedy? Is there a remedy? What shall the answer be?"

And He said, "Evil men and seducers shall wax worse and worse, deceived and being deceived."

And then I said, "Oh, Lord! Do we have nothing to look forward to in the future except the darkness, the blackness, war, destruction and evil?"

And He said, "Son of man, forget not your text for you look at the things not seen (the title of his message was, Looking At Things Unseen)." And so then I looked into the spirit realm and I saw falling upon that mountain a ball of fire from heaven. The closer to the Earth, the bigger it got, and then when it came to the Earth it divided into small balls or sparks of fire, and it fell upon men. And I saw an army of men rise up, and it seemed as though their hands were fire. And there sat upon their heads a tongue of fire. (When I first saw it, it seemed like their whole heads were on fire but it was tongues of fire leaping.) And I said, "What meaneth this?"

And He said, "Before the worst shall come and the day of darkness encompasses there will be those who shall go and who shall carry the fullness of My truth and the fire, not only to the states of this nation but to many other places. For there is a work that must be done, first spiritually, before the Lord shall come.

"Now prepare ye your hearts, for the time is at hand and the beginning is now; and ye shall see and ye shall know for the hand of the Lord is upon you and many of you shall be used in these last days and the work shall progress."

Hallelujah to Jesus! Hallelujah to Jesus!

And I said to Him, "Oh Lord! May I have a small place to work?" And He said, "I shall cause thy tent to be enlarged. Yea, thou shalt have an enlarged ministry and thou shalt minister to many where you ministered to a few.

Therefore, go ye back to the Earth and be thou faithful and give forth that which I tell you to give for you have been reluctant in days gone by to tell it. Now tell it boldly and speak it true for now is the day that it shall be so."

Oh hallelujah! Oh hallelujah! Praise God! Praise God! Yes, yes, yes, yes, yes!

For the word of the Lord came unto me saying, "The prophetic vision shall be restored unto the church, for even in the days of old under the old covenant the prophet would see by vision and prophesy, and so the prophetic vision shall be restored unto the church. And this is the time, and this is the hour, and this is the place."

Praise God! Hallelujah! Thank you Jesus! Praise God, praise God!

When I spoke up I saw this very night. I saw the vision. I was lifted up to that place. Oh men and women, thank God for His goodness to man.🔥

# A Prophetic Dream of Rapture

by Armin A. Wolff

15 February 1993

Last night I had an extremely exciting and vivid dream-vision concerning the return of our LORD Jesus. I normally never remember anything I dream, but this was so gripping and vivid, and I have been thinking about it all day today. I would like to share it with you and hereby also have a written record.

I found myself in a meeting with a number of believers. The meeting hall looked like some kind of a warehouse and there were fewer than 100 assembled. The talk seemed to center on the increasing persecution they were experiencing. All of a sudden Jesus appeared and most, but not all, were instantly transformed from mortal beings into Immortal. Also, at the same instant, some other Holy Ones appeared who had walked with God in ages past, both in New and Old Testament times. All of the ones who had, in an instant of time, received their new bodies were able to recognize and converse with the Holy Ones from times past. I heard someone exclaim: "I thought You are coming in the clouds to take us away." The reply was: "I am coming in the clouds and... My reward is with Me Behold, here they are, My Holy Ones of all time, My faithful witnesses, those who loved not their life, and thus received it. They are the clouds and my reward, My reward for what I endured on the cross for all."

I heard another question asked of the LORD, by one of the Transformed Persons, whether He would now take them with Him out of the tribulation they were experiencing. He replied: "No, you must remain here for another 40 days and nights, just as I was on Earth for another 40 days after My resurrection and minister with Me to those who were not ready. After the 40 days and nights you will come with Me into the skies above Jerusalem and we will leave from there to have a celebration, a banquet in My Father's house, a feast that has been planned before the worlds were made."

The ones in the assembly, who had remained in their mortal bodies, lamented and cried to the Transformed Ones to help them, but were told: "It is now too late. The Bridegroom has come for us and there is nothing we can do for you, in this regard. However, if you will not love your own life, not bow to the will of the sin-man and take that seal of his, you will join us after the celebration. You will be sealed by your death and kept in the throne room for the LORD."

In what seemed a moment later, I was in another similar assembly in (maybe) another

country. There also, the instant transformation had taken place of many. I was told that this same event had happened all over the Earth and all born again, Spirit filled followers of Jesus had been thus transformed, at whatever spot they happened to be in that instant, and were joined by many of God's Holy Ones, from the dawn of creation up to the present time.

Just then, some heavily armed police, or soldiers, burst into the meeting and proceeded to beat, shoot, and arrest the believers. A little blonde Transformed lady stood-up to one of the large men, and refused to move when told she was under arrest. Five or six huge men tried to drag her away, but could not move her any further than they could have moved an ancient redwood or oak tree. This infuriated the police and they started to beat her, and to start shooting their weapons. The bullets went right through the Transformed Believers and made holes in the walls, or in some cases, struck and killed some of the mortals standing behind them. The blows seemed to go through also and have no effect whatsoever on the new resurrection bodies. The remaining mortals were dragged off to prison, along with some of the Transformed Ones who chose to go along. There was no sure way to tell at first glance, who was mortal and who lived in a transcendent resurrection body.

I was then also in a prison, and saw how the Immortals were comforting the anguished souls who were to be executed unless they denounced the name of Jesus. The guards and all governmental authorities were furious that they could do absolutely nothing to prevent the Glorified Believers from coming and going and ministering anywhere on Earth, wherever Jesus told them to go. No wall could hem them in, and no weapon, or human force, could oppose or harm them. One of the Transformed Saints who had lived ages ago on Earth spoke: "Within forty days, all who refuse to accept the seal of the evil one will be killed and kept safe by the Father, personally, in the throne room. Those who give in, will suffer in the Terrible Wrath beginning after the last saint is murdered. This Wrath is the LORD's Last Effort to get rebellious mankind to repent."

At this point, I awoke and as you can imagine, was quite agitated. In fact, my heart rate was considerably above the normal resting level. The clock said 5:05am. Needless to say, I could not go back to sleep. Over time, I may forget the details of this dream, or vision, but one thing I'll never forget is the anguish, wailing, and heart-rending lamentations of those who had to remain here. I do not know how many of these chose to be killed rather than take the seal of the antichrist.

# GOD SUPERNATURALLY PROVIDES FOR HIS PEOPLE

## God Provides for His People During Total Grid Down

MARCH 26, 2017 2:08 PM BY MICHAEL FURMAN 5 COMMENTS

One night in the winter of 1981, I had a vivid prophetic dream of what it will be like in the last of the “last days”. I believe it is prudent to take heed.

It was more like a vision, sort of an “out of body experience”. I was in the spirit, moving from place to place, unobserved (most of the time). The setting was a time of catastrophe here in the United States, a total “grid down” situation. No one had electricity, natural gas, or any other means of heating or illuminating their homes—

and it was a very cold winter. I went from house to house only to observe. I sensed immediately that I was visualizing an event in the future in this country.

The first home I visited was dark and cold; there was a bone chilling feeling there of complete and utter despair. I saw the family of the house huddled in a corner of the dining room with seemingly every piece of clothing, including coats, on themselves and still they were shivering. The most revealing of their plight was the expressions on their faces, one of utter hopelessness. There wasn't any food in the house, and it looked like they hadn't eaten in days. Their facial features were sunken-in and almost colorless. They did not know Jesus as their Lord and Savior.

The second home I visited was the exact same situation, and so was the third, and fourth, and so on down the block, total and complete despair, house after house, even entire neighborhoods. Then suddenly I came to a house that was dimly lit, as with a single candle. As I entered, I felt an overwhelming peace; a real presence of the Lord there, saturating every cubic foot of space in the entire house. I knew this place to be home of a Christian family. There was an air of intense joy and peace. Everyone in the home was bubbling with exuberance, even though there was no food to offer the children or themselves, and no heat in the house, the parents gave thanks to God anyway.

It was very difficult to see anything, however, the mother preceded to place a fine table cloth on the table and set it with plates, bowls, silverware, and glasses. The rest of the family gathered at the table, seating themselves as always—even though there was no food. The father of the home gave thanks for the meal as everybody bowed their heads in reverence. Then suddenly, light appeared in the room—one could not tell where the light was coming from. The entire family opened their eyes, and to their delight (but not to their surprise), piping hot food of quite an assortment was there on their plates and in their bowls. They all gave thanks to God all the more. As they did the room became radiant with heat; and for that matter the entire house. The light

illuminating the room was also becoming brighter and brighter. The more they praised God, the warmer and brighter it became. God miraculously blessed the people of this Christian home that exercised great faith in God's ability, so they would not be cold and hungry. I saw other homes like this one, but they were few in number. One thing that was so blatantly obvious was the vast distinction between the God fearing Christian people and the unbelievers. There were no gray areas; no lukewarmness. The Bible believing Christians greatly exemplified their faith by their daily lives, and the ungodly were living in total hopelessness and despair.

The last house I entered was a home of indescribable despicable evil. A cold sinking and sickening feeling enveloped me as I entered. This place was the coldest and darkest of them all, and for good reason. This was a dwelling of demons.

There was a single individual sitting in a darkened room, seemingly a middle aged woman. I was in an adjacent room, but I immediately felt a very wicked presence emanating from the other room even before I turned to look inside. This person was different from all the others in many respects. First, she was looking right at me the whole time and was totally aware of my presence as soon as I entered the house. Second, the expression on her face was one of utter hate, anger, and resentment. She wanted nothing but my death. In fact, she made many attempts at causing me great harm; each time failing miserably and becoming more frustrated. She never got up from her chair. Instead, she used demonic powers to manipulate objects in various rooms—blunt objects and mechanical devices. Recognizing the power I had in me (the Holy Spirit) was far greater, she eventually gave up. At that point I left the house.

At the very end, I found myself in an undisclosed and unrecognizable location, but the location was inconsequential and totally irrelevant. The important things were the characteristics of this place. I saw round smooth stones lying neatly on the ground evenly spaced. What appeared to be very sharp, jagged stones

were suspended in midair above the smooth stones. All of a sudden, what seemed to be concrete poured from above, filling in all the gaps of the smooth stones until they were all cemented together. None of the jagged stones were even touched by the concrete or bothered in any way. The cemented smooth stones formed a solid floor—completely immovable.

At this point I woke up, finding myself sweating and winded, as though I actually experienced this whole ordeal. As I sat up in bed, I contemplated the meaning of the smooth and jagged stones. Also, “what exactly did the cement symbolize”, I thought to myself. It could not have been two seconds before I had the interpretation. The smooth stones represented the unbelieving world that rejected Christ; the jagged stones represented the true believers and followers of Jesus. The cement represented God’s divine judgment that will be poured out on the whole earth in the future. Just as the cement that filled in the gaps making a solid floor, the ungodly will not be able to escape God’s judgment. They reach the point of no return where they can no longer be saved. They are condemned for eternity. However, the righteous, godly people will not be harmed in any way by God’s wrath.

8 But since we belong to the day, let us be self-controlled, putting on faith and love as a breastplate, and the hope of salvation as a helmet.

9 For God did not appoint us to suffer wrath but to receive salvation through our Lord Jesus Christ.

10 He died for us so that, whether we are awake or asleep, we may live together with him”. (1 Thessalonians 5:8-10)

The main thrust of what God was showing me through this dream was God’s love, mercy, and provision for the believer, and the utter hopelessness of those who have rejected Christ and have delighted in wickedness. Another point He was making in this “last days” scenario was the vast “distinction between the righteous and the wicked, between those who serve God and those who do not”.

17 “On the day when I act,” says the Lord Almighty, “they will be my treasured possession. I will spare them, just as a father has compassion and spares his son who serves him.

18 And you will again see the distinction between the righteous and the wicked, between those who serve God and those who do not”. (Malachi 3:17-18)

# **The Vision for America as shown by God to His Prophet**

<http://www.futurerevealed.com/christian/modern/jonah-ben-noah.htm>

## **Jonah ben Noah**

The following is a message to the people of the United States of America, as given

me, Jonah ben Noah, the prophet to this nation. In the Bible, the Book of Amos, the third chapter, read beginning at the sixth verse: "Shall a trumpet be blown in the city, and the people not be afraid? Shall there be evil in the city, and the Lord hath not done it? Surely the Lord God will do nothing, but He revealeth His secret unto His servants the prophets. The lion hath roared, who will not fear. The Lord God has spoken. Who can but prophesy?"

I am the prophet Jonah ben Noah, so named by my Lord, as a sign to the people of this nation. And I bring you this message that God has given me to your nation. I give you this message and the vision and the meaning of it, freely, as God has given it to me. Now hear this message and take it to your heart.

On May, the 10th of 1985, I, Jonah ben Noah, (so named by my Lord as a sign to you), had climbed to the cliffs of the mountain in Montana to be with God. And later, as I was praising God for the beauty of His creation on this day, for the sky was perfectly clear and sunny, I felt led to look up at the sky, and above where the sky had been clear, I saw a cloud form and shape itself into the perfect shape of an eagle soaring across the sky with wings spread and talons forward. And as I beheld, the right wing of this eagle disappeared and the head was pushed and crushed in and disappeared. Then the left wing was torn loose and the body twisted out of shape.

Then this cloud that was torn apart, came together again in the shape of a ram's head with two strong horns and a face like death, as of a skull. And as I watched, the horns were twisted off or apart, as by two strong hands, and the head split into two separate parts. The upper part came into the shape of the head of a bear with it's face turned upward toward heaven, as though in exultation, it's neck or throat exposed. The lower part of the cloud came into the shape of a head of a wolf, with its mouth open and its teeth bared in anger, as though lunging for the throat of the bear. Then they both changed, and became as nothing. I then watched, and I saw no more, and so I started to leave, when the Lord said to me, "Wait". And so I waited. The Lord spoke unto me

and told me to sit, and so I sat. Then I looked up, and saw a raven soaring in the sky. I did not pay it much heed, as I was looking for more wonders, as the changing cloud had been. So the Lord said unto me, "What do you see?" And I looked, and said, "I see a raven flying, Lord." And the Lord said unto me, "He is soaring and flying by My will and My power. He shouldn't be able to fly, but he does, because of My will and My power. When he starts out, he knows he shouldn't be able to fly, and so he falls. But then I lift him up, and he flies because he knows he can, and My will holds him up."

## The Interpretation of the Vision

On the 13th of May 1985, as I Jonah ben Noah, was sitting in the house at my table, the voice of the Lord God began to speak to me and give me the interpretation. He said unto me, "The eagle that you saw torn apart is America, who has it's wings of freedom taken away, and it's mind of life, liberty and happiness crushed and vanished, and the body that remains is so twisted out of shape, it is no longer recognizable for what it was. It disappears by the power of two separate powers that bring death and destruction to the land. But then, as one is looking up and rejoicing in exultation over the destruction of America, it is attacked by the other, who is as sly as a fox and deceitful as Satan, who rules them both.

But then they shall vanish into nothingness at the Lord's coming, who will fly through the heavens at My will and power near the end of the tribulation, when I pour out My wrath on all the inhabitants of the earth. My Saints shall be tried by the fires of torture, prison, flame, and terrible death. Many that thought they could not bear such things, will find that even as My will and power lifted that raven above the earth, so that he knew he could fly, even so shall these my blessed saints be lifted above their tormentors and pain, so that they also will know they can soar above it all. And they will even sing from the flames of My glory, and will pray for the souls of their tormentors as the headsman blade is falling. They will stand as a mighty rock before but a small breeze, because My will and My power will hold them up, and they will have a strength directly from Me.

My angels shall behold in awe and shall give forth praise at this mighty outpouring of My love through these that I shall use. Know you this, that many shall fall, but with great glory. And as they said of My Son Jesus at Calvary, so shall they say of these. "Surely these are the sons and daughters of God." And many shall turn from evil and the beast, and shall seek My face on seeing their joy and peace in the midst of their torment. They shall surely, surely rise at the first resurrection, for they will be among my most precious jewels, saith the Lord of Hosts." This is a true account of this vision

and it's interpretation as God has given it to me, and I so state it unto all that read by my own hand.

I am Jonah ben Noah, called by God and my Lord Jesus as a prophet to this nation of America. Called also as an Evangelist and a teacher of His Word to those who will hear this message. I was so named by my Lord in 1978, when He said unto me, "From this time on, I have named you Jonah ben Noah, and you are to use this name when you minister before the people. It is a sign." The Lord did not tell me at that time why He had so named me, I just trusted Him in the matter. But in 1985, when God gave me this vision, and the interpretation, and this message among others, He said to me, "I have called you as a prophet to this nation of wickedness to warn them of what is coming. You tell them the name I have given you, Jonah ben Noah, is a sign to them.

That as Jonah was My prophet of judgement and mercy, and Noah was my prophet of judgement and destruction, so I am torn between mercy for America, and judgement destruction, final and clear. Say to them, thus saith the Lord God, "I have beheld, O America, your works of mercy and good, I have seen how you provide for the needy in other nations. And I was pleased with these things. But the flood of your sins, and your wickedness and your disobedience to My laws and commandments, your corrupt and immoral doings that are worse than Sodom and Gomorrah, cannot be covered nor hidden by good works that many of you do anyway, just to receive the praise of men, not for love's sake only or for My glory. Your wickedness is great in this nation, and it is a darkness on your land. You say you are one nation under God, yet your idol and images are in your streets, belying your words. Your worshippers of Satan show that you have turned your backs on Me, for you condone this. They even sacrifice your children to the evil one, and you allow this in your land. You refuse to teach your children My Word, for you know if your children heard My Word, they would be ashamed of their mothers and fathers, that they live in wickedness and disobey the Lord God.

And you say that they cannot pray to Me in your schools, when I have commanded you to pray always, in all places. This is not the way your forefathers' fathers did. For they were men who believed in My Word, and they feared My judgement, and they lived morally upright before Me. You think that you have become wise in your own conceits to do evil before Me, as though I don't see the evil that you do in this land. I beheld the whores and the harlots in the street entrapped by the devils, selling themselves so cheaply, when I created them for better things. I have seen the homosexuals and the lesbians in the streets, which you allow and condone in your land, possessed of the devils, and none come to set them free. I have seen the many adulteries that you do, even to exchanging wives and husbands amongst each other. I have seen the fornication and the illicit doings that you do, and you think none sees. I

have seen the lust of your heart and your women dressing in immodesty as they prance before the men to provoke them lust, and your men do the same.

I have seen the one-eyed idol in your land that you sit long hours before, and you behold the images that both speak and move before you, to teach you adulteries and fornication, and your entertainment is filled up with violence and wickedness and sexual immorality. I have seen your love of money and the corruption that is in your land, and your officials that are corrupt, and how you all hunger for the material things, while your souls are starving. I have seen your men dressing as women, and your women dressing as men. This is an abomination in My sight. Turn you to the right ways. And I have beheld the millions of babies who have been murdered in your land, and their blood cries out to Me for vengeance, but I say to you, I am a merciful God, and a loving God, and I will not send destruction, but first speak to by you the voice of your prophet, and warn you to turn from your ways. I will offer you My hand of mercy if you will receive it, for is it not written in My Word that I have no pleasure in the death of the wicked.

Why will you die, O America? Why will you not turn and save yourselves from that which I have pronounced upon you? For I am a merciful God. I withheld My hand before from you, for the good that you did in delivering My people from the wicked one and his attempt to destroy the Jews of Israel of the world. And in this I was well pleased with you, and I blessed your hand of help. But now I am about to intervene for Israel directly. And you now stand between mercy and destruction as a nation. If you hear the words of this, My prophet, unworthy as he is, but he is a submitted vessel to My will, then perhaps mercy is yours. But if you will not hear, then sudden destruction shall come upon your nation. If you stop him or imprison him or kill him, I will accept that as your answer, and I will then bring the destruction upon you. If just one kills him, for mercy's sake, another will come right behind to finish his course. I know the wickedness of the hearts of some of those in America, is why I tell you this now.

That you may know that I, the Lord who sends him, already know your plans before you make them. Do you not remember Ninevah in the Book of Jonah? Where I intended destruction upon them, I sent mercy, because they turned to Me with all their hearts, with great sorrow and weeping grief did they seek Me, in sackcloth, and ashes, from the greatest to the least, from the King to the poverty-stricken. The animals had sackcloth on them. They wept and cried before God. They believed My Word that destruction was coming, and they turned to righteous repentance. And if the people of this nation of America shall humble themselves, and confess their sins, which are many, if they shall repent of all the wickedness and evil that they do in this land, and they return to My commandments and My laws as a way of love, as their forefathers did; and if they shall seek My face for mercy and not destruction, and if My people

who claim to be called by My name, and claim to be of My body, shall turn from their hypocrisy, from their disobedience to My laws and commandments, from walking contrary to Me, to walk in righteousness and holiness and true love, then I shall hear from heaven, and I will turn and forgive you, and I will heal your land.

But if you will not do this, then sudden destruction will come upon you in one day, and in one hour, shall your cities be burned with fire, your flesh shall melt from your bones and you shall become but ashes; pestilence shall strike you in the fields and your enemies shall ravage and grind on your wives and daughters before your eyes, and your strength shall be as nothing and your knees as water. He that does rise in anger shall fall in death, for your enemies shall be fierce. Your enemies shall feast on the plenty of your land while you starve, and drink to the fullness while you thirst, and you shall see then that as you left serving the Lord your God, I have left you to your enemies. And you shall know that I, the Lord, have done this. As you did not learn in Korea and Viet Nam, that there is no victory to the nation whose Lord is not the Lord God, and you fled from your enemies. Do you not remember?

In Korea, it was only by your empty threatenings to use your great atom weapon, which is but a small thing to Me, that you caused your enemies to withhold from defeating you. You returned home with great rejoicing, as though you had been victorious, when you knew you had not been. So I sent you to a smaller nation, of little significance to you, you said. To a small people who were but little men in straw hats and black pajamas and shoes made out of rubber tires, you said. And you, who say you are the greatest nation in the world, came with all your mighty men of war and your warriors, to make war against this little people to defeat them. With all your weapons of war and great technologies did you come to defeat this little people, and with your own eyes you did behold, as your mighty men of war fled from before your enemies. You yourself saw them fleeing for the flying helicopters and flying machines, to flee the land from their enemies who rejoiced over your defeat.

They defeated you because the Lord your God was not with you. Have you not seen this? And if you will not see this, I will send seven times more upon you, by the hand of My servant, and another, and by My own Word, drought and flood, earthquake, hunger, poverty, pestilence for the wickedness, more than before, and a thirst for truth that shall be slaked only by mercy or destruction. I, the Lord, have spoken these things by My prophet, Jonah ben Noah, mercy, son of destruction comes if you do not hear, is the sign and the meaning of it to you."

This is the Word of the Lord given to me, Jonah ben Noah, to warn all in this nation to return to the Word and the right ways of righteousness. For "he that does righteousness is righteous" as it is written in the Book of I John, and "All thy commandments are righteousness, O Lord", the psalmist said, then hear them and do

them. Remember that for the sake of the righteous, God would not have destroyed Sodom and Gomorrah. You that claim the righteousness of Christ, perform that righteousness before the eyes of this people. Remember that for the sake of Lot, one righteous man, who said, "Let me flee to the small city", the angels said, "For your sake I will spare that small city." Therefore, if you are living righteously, perhaps you will cause the sparing of where you are.

I charge that whosoever reads or hears the words of this prophecy, by the command of the Lord, that you are henceforth set to the charge of a watchman, according to the command of Ezekiel 3:17-21 and Isaiah 58:1, that you are to cry aloud and spare not this people. Lift up your voice as a trumpet and show them their sins and transgressions, cry the laws and commandments of God in their ears that they may know the evil they have done, and know to turn from it, for if a man does not know his sins, you must show them to him. And by the commandment in Ezekiel, I charge you as the prophet of our Lord Jesus Christ that you do cry out; if you do not cry to warn them, I will require their blood at your hands.

But if you cry and warn this people of their sins, and warn them to turn from them, and they do not, they shall die in their sins, but you have delivered your own soul. I so charge you in the name of Jesus, whom I confess is the living Son of God, who died for our sins and has come from the dead in the flesh, and in that immortal and incorruptible flesh has risen to the right hand of the Father, that you may know what spirit I am of. And if you do not cry aloud, the Lord has said the destruction of this nation is on your head, and their blood will be required at your hand. Cry aloud, whether they will hear or forbear hearing.

Thus saith the Lord, "Do not think this prophecy is for a long time off. I have spoken it and I will perform it. It is not to be prolonged. Even in your eyes shall it be seen, who did not turn to obey my love as your forefathers did. He who holds his peace and does not sound the cry on seeing and hearing, is cursed forever by My hand", saith the Lord. For you have caused the destruction of your nation and the death of your brothers and sisters and neighbors and mothers and fathers, and are worthy of cursing.

The Lord has spoken. Let him hear and believe who will hear and believe. Your belief will be shown by your deeds of faith in crying. He that casts this off as but a light thing, casts off this nation's salvation. Turn and save what remains. And for those of you that say, "I have begun to walk in righteousness, but I do not see my neighbors turning. What are we to do to get the neighbors to turn and save the nation?" Thus the Lord has said unto me, "Say to this people: go to the Book of Jeremiah, go to the ninth chapter and read what I have written, beginning at the first verse: 'O, that my head were waters and mine eyes a fountain of tears, that I might weep day and night for the slain of the daughter of my people'. And then in the seventeenth verse: 'Thus saith the

Lord of Hosts, consider ye, and call for the mourning women that they may come, and send for the cunning women, that they may come. And let them make haste and take a wailing for us, that our eyes may run down with tears, and our eyelids gush out with waters. For a voice of wailing is heard in Zion. How are we spoiled? We are greatly confounded because we have forsaken the land, because our dwellings have cast us out. Yet hear the Word of the Lord, O you women of the land, and let your ear receive the word of His mouth, and teach your daughters wailing, and everyone teach her neighbor lamentation. For death is come up into our windows and is entering into our palaces to cut off the children from outside and the young men from the streets. Speak, thus saith the Lord, even the carcasses of the men shall fall as dung upon the open fields, and as the handful after the harvest men, and none shall gather them.

Thus saith the Lord, let not the wise man glory in his wisdom. Neither let the mighty man glory in his might. Let not the rich man glory in his riches. But let him who glories glory in this, that he understands and knows Me, that I am the Lord which exercises loving kindness, judgement and righteousness in the earth. For in these things I delight saith the Lord." This is the Word of the Lord to you people, that He has spoken. Hear, O women who hear this message. That the Lord cries to you to come together and to cry to God and to say: Show me this vision that you have shown this man, that I may see the destruction of my children in this land, that I may learn to weep before this people. And wash your faces of your paint and cast off your jewelry, and cast off your mens clothing and begin to walk as women again. Wail in the streets with tears in your eyes and weeping in your voice. Weep and wail before this people in your streets, in your jobs, and in your homes.

And walk as women of uprightness, and when they come to you and say to you, "Why do you make all this noise, and weep and cry like this?" then say unto them, "Because I have seen and heard the Word of the Lord. That destruction comes upon my nation and upon my family, and my children shall die. And surely the Lord will send it if we do not turn and weep and cry before Him." Cry in the streets. And when you go to these places where they murder babies, do not go in anger, do not hate them. And if they say, "Don't stand close", then stand far off, and as they go in to kill these children, raise your voices in weeping and wailing, and cry this out to them, "Alas, alas for this cause, this destruction comes upon our nation." And go to the places where they sell filth and pornography. And go where they do wickedness in the streets, selling drunkenness, and weep and cry in their faces, and cry, "Alas, for this cause, this destruction comes upon our nation."

And weep and cry before the faces of the men whose hearts have become hardened, who say do not weep and cry. You women weep and cry and teach your men to weep and cry again. And when they say, "Why do you keep crying?" Say to them, "Because my children shall die, and my family shall perish and my husband shall lie dead in the

streets." And teach them to cry. And when the men begin to weep, then you shall see that the Lord shall hear you from on high. If you shall weep and cry as they did in Ninevah, if you shall cry, "Oh God, have mercy upon us", then perhaps the Lord will turn as He did in Ninevah. For the Lord is no respecter of persons. As He delivered Ninevah and showed mercy, will He not show mercy to a nation that turns to Him with all their hearts, to return to the commandments and the upright ways of their forefathers, to have a pride in their God and their Lord Jesus? For if you do not hear this message, then surely shall this destruction come upon you. You women, who will know, "What can I do to change them? I am living uprightly."

Dress yourselves as women, and no longer provoke your brothers to lust. Wash your face of your paint, and put on the ashes of mourning and the dark clothes of mourning, for death has entered into your windows and destruction is for your land if you do not cry out. And if you do not believe the Lord, go out of your houses and cry to the Spirit of God, "If this be true, Oh Lord, show me what this city will look like when this destruction comes", and He shall show it to you. And then begin to weep and cry as you see as I have seen, the destruction that shall be upon this land, for this is a true account by my own hand as God has given it to me, I, as a servant and prophet of God and of our Lord Jesus Christ, and your servant for Christ's sake. "May God have mercy upon all of us in this nation" is the prayer being offered from this time henceforth and forwards.

Put aside your petty arguments and cry, "God, have mercy on our nation". Return to the ways of righteousness that you may live, for if you do not walk in His commandments, surely destruction comes. And when they see you weeping and they mock and laugh at you, then weep the harder and say, "For this cause, destruction comes on my nation; for they will not believe, O Lord", and weep the more. All you women gather and weep and teach your daughters to weep, and teach every neighbor to lament, for destruction comes upon your nation.

If you would receive the prophet in your area or a copy of this, I can send a printed copy or a tape, there is no cost. This is freely given by God, His mercy is great. Let no man think that the gift of God is for sale. This is a gift to you that would hear it. It is your nation if you will deliver it, and if not, and if you take it as a light thing, then let it be said by this prophet that the watchman has cried, and if none took alarm, then it is on their own head. Let every man and woman and child that hears this message, begin to weep and cry and see, that your relatives and your loved ones shall perish and your land shall become your enemy's land. Hear this message and begin to weep and cry before God, you women.

Turn the hearts of your husbands, that are hardened, that think they are men if they do not weep, to weeping, that their eyes may flow down as fountains and their face

become as a river, for the destruction of America. For God has spoken. "The Lord has spoken, who can but prophesy?" This is the Word of the Lord at my mouth. May God have mercy upon us. In Jesus' name I pray. Amen.

By the command of the Lord, you are now as Baruch. Jer.36

# A TERRIBLE WAR

## The Days Ahead

Posted on [9 March 2017](#) by [Stephen Hanson](#) March 9, 2017.

*"And he saith unto them, Why are ye fearful, O ye of little faith? Then he arose, and rebuked the winds and the sea; and there was a great calm. But the men marvelled, saying, What manner of man is this, that even the winds and the sea obey him?" Matthew 8:26-27.*

**"Set your guard as a watch upon your heart and home. For many strangers come and go.**

They come attempting to infiltrate and rid your home of peace. And yet, I the LORD, give you weapons to wage against the enemy.

These are the days of uncertainty for many. These are the days of turmoil and unrest. And yet I would say that I can give you rest. I can give you rest in the midst of the storm.

I calmed the sea when my disciples were in the boat. They were fearful of the storms and the waves, but I told them to look to Me and not to the water.

Dark days are ahead for this nation. It is set in motion – the wheels are turning, and in time the very things spoken, concerning the events leading up to the last days, will come.

A pendulum is swinging, and it is chiming out the hours. The very walls of justice will erupt. Confusion and calamity is seen upon the very steps of the White House.

Those very laws and ordinances that were set in your constitution will be torn asunder. For a decree will be sent out and the words of it, will set in motion a take-over of the land.

But you my children, are not to fear, for everything that has and will be done, is not the finished work. For I have a plan to rescue many in the coming months and years. For when the darkness comes my light sheds even more brightly.

After the calamity of those days, many will have found resources in the wilderness. There will be a banding together of my own. The strength and wisdom from on high, will be given to many in that hour. And then in that hour, even a little child will grow up to see my return."

Thanks Carol!!

## Firewall Protection

In this time of many horrors, those of My Remnant shall have a protection like none other. Those who have not hesitated to sacrifice for My Glory, those who have not hesitated when I said "Give," those who have not gone with the ways of the world, but who follow My Word and obey Me in all things, will have no need to fear.

When the enemy strikes at these, he shall be met with My Firewall Protection. A wall of fire from My Spirit shall consume the enemy where they stand, and leave My Chosen Ones untouched. This protection is not for all, it is only for those who are truly of My Remnant, those who have not hesitated to answer My Call. Those who have laid down their lives and taken up the life I have called them to. Those who rely on Me.

My Firewall shall surround them as the chariots of fire surrounded My Servant Elijah. To the enemy, you will look vulnerable, and in their pridefulness, they believe they will see you fall, but I will defeat them before your very eyes. They shall be caught in their own snares.

My Remnant shall be about My Kingdom business in this time and shall witness of Me boldly. Through them shall I perform many signs and wonders. Many shall be saved from the Kingdom of Darkness where the flames never die, and many jewels shall be in their crowns who consider not their own lives in this time to being Me Glory.

Fear not, My precious ones, for I have a plan. I will surround those who are truly Mine with my Firewall Protection.

# Hope and The Final Antichrist

3-6-17 through 3-10-17

JEFF BYERLY

Beloved, do not give up hope!

In My last few instructions, I have told you to have faith, to have intimate, alone time with Me, and to have love. Now I tell you to have hope in Me! I went to the cross hoping that the whole world would be saved by having faith in Me and the sacrifice of My own perfectly sinless flesh and blood body, because I love each one in this world, even those who hate Me, though they grieve My heart. This is why it rains on the just and the unjust because I give everyone a chance and I say when that chance is over for I AM the fair and righteous Judge of ALL.

I am coming back just as I have promised, but not how man has supposed it. Have hope in fact that I cannot lie and that I am now revealing more hidden secrets to those who are paying close attention. Beloved I know that you have been waiting for what seems to be a very long time, but in respect to eternity, it is almost no time at all. If you haven't noticed, My time is not your time.

Just as My thoughts are not your thoughts and My ways are not your ways. I always look at time with an eternal perspective. Just as you can look on your past and it seems like no time at all has passed; I do that with the present and the future too. I can be in the present, in the past, and in the future all at the same time. In My reality that you cannot perceive, the elect are already seated with Me in heavenly places. I created time for the realm of existence in which you now live so that you would not be left forever in a sinful state, but you have to choose to be set free from sin. I plead with men to come to Me but they will never be forced, in this realm, but they shall harvest what they have sown to. If it has been to heaven there will be unimaginable blessings but if it has

been to the flesh, there will be inconceivable destruction. For everything on the earth that you now see will melt with a fervent heat and thus it shall be purified.

Many religious men have hope in a building.

I warned you that such a time as this would come at the end of this age. A wicked and adulterous generation looks for a sign so that they can sin up until the last possible day

and then "repent" of their sins and then call Me their " Lord ".

I see their hearts!

These men are bringing confusion to My body.

The temple that they are looking to build; I will never be in it. I will sit on the throne in the New Jerusalem that comes down from heaven and there will be no temple in it, My Father and I are the temple of it (Rev 21). I no longer dwell in buildings made with human hands. As Paul said " Do you not know that your body is the temple of the Holy Spirit who is in you" (1 Cor 6:19)

Who do you suppose will sit on that throne?

Then He had me read 2 Thess 2:3-4 "(The Day of the LORD) will not come unless the falling away comes first, and the man of sin is revealed, the son of perdition, who opposes and exalts himself above all that is called God or that is worshiped, so that he sits as God in the temple of God, showing himself that he is God."

Then the Lord told me to go to Daniel 9:26-27 Amp " And after the sixty-two weeks [of years] shall the Anointed One (Messiah) be cut off or killed and shall have nothing [and no one] belonging to [and defending] Him. And the people of the [other] prince who will come will destroy the city and the sanctuary. Its end shall come with a flood; and even to the end there shall be war, and desolations are decreed. And he shall enter into a strong and firm covenant with the many for one week [seven years]. And in the midst of the week he shall cause the sacrifice and offering to cease [for the remaining three and one-half years]; and upon the wing or pinnacle of abominations [shall come] one who makes desolate, until the full determined end is poured out on the desolator."

Then the Lord said "This passage speaks of Me except for the last half of verse 27. I made a covenant with many when I took on a flesh and blood, I caused the sacrifice and offering to cease by My perfect one time sacrifice for ALL mankind. I AM the perfect, holy lamb who was slain for All the sins of the world and My blood is sprinkled on the altar and all over all those that would accept My perfect sacrifice."

Then the Holy Spirit brought to my recollection the interpretation of the last half of Daniel 9:27 that I had heard on the Tribulation Now show. "On the wing of a flying army, of detestable and especially disgusting things, shall be that which astonishes, devastates and stupefies". Supporting verses of this are, Isaiah 13:4b - 6 "The Lord of hosts musters the army for battle. They come from a far country, from the end of heaven—The Lord and His weapons of indignation, to destroy the whole land. Wail, for the day of the Lord is at hand! It will come as destruction from the Almighty."

2 Esdras 15 :28-29 "Behold an horrible vision, and the appearance thereof from the east: Where the nations of the dragons of Arabia shall come out with many chariots, and the multitude of them shall be carried as the wind upon earth, that all they which hear them may fear and tremble."

Also read Joel 2:2 - 11.

The Lord continued, "The one who will stand in the temple of God showing himself to be God is not 100% man, though you cannot tell that right now, with your five natural senses. It can be sensed supernaturally by the Holy Spirit's discernment; of which I have given a measure to all of the elect who are My true remnant bride.

The leader of this army is one spoken of in 2 Thess 2:3-4, although the Father commands and allows all. He is not yet possessed by Satan yet, but it will happen after "the kickoff event"

that I have spoken to you about.

You will see these things happen with your very own eyes for a short time.

The one of I AM speaking of is Barack Hussein Obama.

He will be the final Antichrist.

I have told you this to warn My people, for the worst persecution, devastation and destruction the world has ever seen will be wrought by this being. I will slay him with the breath of My mouth and bring him to an end by the appearance of My coming.(2Thess 2:8)

Barack Hussein Obama will rise to power once again and Donald Trump's tenure will be cut short.

This is confirmed in Rev 17:9-11 " Here is the mind which has wisdom: The seven heads are seven mountains on which the woman sits. There are also seven kings. Five have fallen, one is, and the other has not yet come. And when he comes, he must continue a short time. The beast that was, and is not, is himself also the eighth, and is of the seven, and is going to perdition."

Then the Lord said to me, "I have now told you with surety what you have only guessed about before. Take this warning with the utmost seriousness. He that has spiritual ears will hear."

Selah (pause and reflect)

Then the Lord continued speaking, "You must be diligent to know and study the scriptures and know the voice of the Spirit of truth."

1 John 2:27 "But the anointing which you have received from Him abides in you, and you do not need that anyone teach you; but as the same anointing teaches you concerning all things, and is true, and is not a lie, and just as it has taught you, you will abide in Him." This speaks of My Spirit.

If you come before Me every day and humble yourselves you will not by any means be turned away.

Now is the time to press into the holy of holies like never before, just as the high priest did.

1 Peter 2:9 says "But you are a chosen generation, a royal priesthood, a holy nation, a peculiar people; that you should show forth the praises of Him who hath called you out of darkness into His marvellous light."He had to use his strength to enter for the vail was thick and heavy.

My Father tore that vail from the top down so All may enter.

But so few ever do because they do not make the effort.

Draw near to Me and I will draw near to you.( James 4:8)  
I am always here waiting for you just to turn toward Me!  
When you do I am right there with more love you could ever desire."

## Chaos

My children, I have told you this is the Age of Chaos. Chaos will indeed enter into everything in this time. You have seen its effect in your political systems. You have seen its effect in your streets, but it is only started, it shall become far worse.

As chaos continues to spread, it shall enter into your houses. It shall enter into workplaces and schools and churches. If you allow it to, this chaos will steal away your peace and your joy and make you fearful, but I desire this would not be so. I desire My people would stand boldly against all acts of the enemy.

When chaos abounds, draw on My peace that is within you. Refuse to give place to it in your souls. Reject it at every turn, and maintain an even keel. I have left you My peace.

**Matthew 24:6**

- 6 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet.

## Prepare Your Houses

Much strife and confusion is coming to the earth. There will be eruptions of violence, murder, strife and infighting in various places.

Much tension shall abound, and brother shall strike out at brother. The line is being drawn tight.

(NOTE: In the spirit here, I saw a line, like a tightrope wire, being tightened and tightened, until it looked like it would just snap from the tension.)

When I speak to the angels, what is holding back the war will be released, and battles will break out in many places. War will break out. Fighting and killing will seem to be everywhere at once. This is the beginning of the end. Prepare your houses. Prepare your hearts, for the end is upon you. The end of all things quickly approaches.

My children in the earth, My true children, will shine like a beacon in this dark time. Miracles will abound, My Word will go forth with great boldness and authority as it did in the time My Son Jesus walked the earth, and many souls will be added unto My Kingdom. The end is very near now as these souls enter just before the door is shut.

Prepare your houses. Prepare your hearts, for the end is upon you.

Matthew 24:6-8

- 6 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet.
- 7 For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places.
- 8 All these are the beginning of sorrows.

## Stay the Course

I have placed some of you in trying circumstances. Your faith and your devotion to Me are being tried. Will you be found faithful?

Stay the course faithfully, in patience, that you may learn endurance, for you need much endurance for what lies ahead for you.

Learn to rejoice no matter your circumstances. Learn to contemplate your eternal salvation, and your great reward in heaven, and let that sustain you when darkness surrounds you in the earth, for you live in a dark time that is quickly growing darker, My children.

Do not contemplate your circumstances, but keep your eyes on Me, and all shall be well.

Great rewards await you all.

## Ready for War

My children, prepare for the war that is coming to America. This will not be a war fought in other countries, but a war fought in your own streets. You will see many you know die before your eyes.

There is dissension brewing in the heart of America, and it will soon boil over. America, though greeted by smiles, also has many enemies. The combination of the two shall be her downfall.

My people are not ready for war, for they hesitate even at using the weapons I have left them in My Word. They are a people faint of heart, unaccustomed to seeing bloodshed, and not courageous for battle.

My people, do you not know I am a God of War? Do you not know I am coming back for the final battle against all evil? Why then do you shy away from the battle before you? Why are My churches filled with smiling imposters, who cannot even face their own sins? How do you plan to survive what is on its way to you? Do you think courage shall suddenly overtake you and you will be filled with faith?

My servant David did not learn faith and courage from doing nothing, but from battling the enemies he met on the way to where he was going. First the lion, then the bear, then the armies who came against Israel.

If you have no courage now, you will have no courage then, and you will fall to the hands of the enemy. Do not be foolish in believing otherwise.

## My Remnant

My Remnant in the earth is very small. I desire I would have a great remnant, but it is not so. Those who truly walk with Me, who truly sacrifice for Me, who truly put Me first in all things, are very small in number.

Many believe they are part of My Remnant that are not part. They shall not be protected in what is coming because they do not truly know Me. They make no time for Me, they make no sacrifices to serve Me, they do not put Me first in their lives.

In what is coming, those who think they are Mine will expect many concessions that will not appear, for I do not know them.

Oh My children, be sure of your heart, be sure of your walk. Make time for Me now, for later will be too late for you if you do not.

Walk in wisdom now, and be glad later.

Matthew 24:4

- 4 And Jesus answered and said unto them, Take heed that no man deceive you.

Journal Reveals Pattern of Prophetic Warnings

Sue sent me this...she rarely emails me and even more rarely sends Words from someone else, but she sent me and a few others this Word. This gentleman is a missionary in Kenya...found that on his FB page. Here is the Word: **(my highlights bolded)**

<https://www.facebook.com/JeffreyKyleStewart/posts/10202716271904599>

The Lord Jesus says:

You are a privileged generation.

You are a generation that makes Me immensely proud.

For it is THIS generation that will walk in FAR more revelation than any previous generation.

It is THIS generation that will walk in FAR more anointing than any previous generation.

**The END of a thing is better than the beginning. (Eccl 7:8)**

The Days of the Church that you are about to see will far exceed its beginning days recorded in the Book of Acts.

You look in awe at the things I did in the Book of Acts.

You look in awe at the power the Church in the Book of Acts walked in.

**I tell you that what My Church is about to walk in shall cause the Church in Acts to be pale in comparison.**

The Church you are about to see will walk in far more love, far more unity, and far more anointing than the early church ever imagined.

My prayer for the church to be ONE, even as I and the Father are one, in John 17 will be answered in your generation, just as every prayer I pray is answered. Yes, many of you will see this and

rejoice. As will I. What is impossible for man is easily possible for My Father. My People WILL BE ONE just as My Father and I are one. Just as it is in Heaven.

**From this unity will flow unified prayer as you have never seen.** Just as I honored such prayer with a mighty outpouring of My Spirit in Acts 2:2 and Acts 4:31, I shall honor these unified prayers with a great outpouring that will shake cities as I shook Jerusalem.

The Great Commission will be fulfilled in this generation.

You will see this and rejoice.

My people will walk in such anointing, that:

**One will enter a town and every demon will flee. Even demons in people who are possessed will not be able to remain.** (sorry, this is my favorite line :)

**Another will walk in such anointing that he will enter a hospital, AND EVERY sick person in that hospital shall be healed.**

When I turned water into wine, the master of the banquet said that he normally served the best wine first, but at that wedding, he saved the best wine for last.

I tell you, I have saved the BEST DAYS OF THE CHURCH FOR LAST.

I have saved the GREATEST MIRACLES for last, too.

The miracles you saw in the days of Moses, as great as they were, even the splitting of the Red Sea, shall pale in comparison to what you are ABOUT to see.

The miracles you saw in the Days of Joshua, as great as they were, even the stopping of the Sun and the Moon in the sky, shall look SMALL in comparison to what I am ABOUT to do.

**Before I return, every person on earth WILL KNOW that the Gospel is true. They may not all accept it, but they will be WITHOUT excuse.** (this is what He will show during the 3 DoD IMO)

I am IMMENSELY proud of you.

You are a HIGHLY HONORED generation.

Men from the past longed to see what you will see.

You are the final runners in the relay race.

**You are My "A" Team.**

**Those who came before you are trusting you with the baton.**

I am confident you will complete the race before you.

You will make Me proud.

You were created for this day and this time. You will see the Church be what I meant for her to be. You will see this and rejoice. As will I.

# “The Bomb Will Come from the East, Not on American Soil”

JANUARY 6, 2017 12:33 AM BY SHERRY GORSLIN 1 COMMENT

I received the following word from the Lord on January 5, 2017:

“The time of preparation is not over. Do not get discouraged or live in despair, but continue this path. I need you to continue this path. Today you trust Me, and hear My voice, for tomorrow you know not what comes.”

As I was praying I kept seeing and hearing a bomb. Then I heard this:

“This will set in motion what must be. The bomb will come from the east. It will not be on American soil. It shall be set off to begin war. The angel of war is at hand, directing and guiding those that will listen. Evil is still in place, and much is being done behind closed doors.

Know this, that Obama’s hand is upon this and he deliberates with those who desire this to be. Trump and all his cabinet are there to fight for you. I have set in place those that will see beyond the deception to the truth.

Watch the hour, because it is near; watch the nations as they come together and then divide. Sides are being taken and war is coming soon; war that you will feel here in the United State; war that every nation will come to know.

Keep your eyes on Israel and who sides with them. Your nation will be divided, not only on principles, but on land. States will come together, and sides will be chosen. Look for this. I have told you so.”

# Prophetic Dream Warns of 9.5 Earthquake in United States

DECEMBER 9, 2016 11:52 AM BY ELIZABETH MARIE 85 COMMENTS

In November 2016, I dreamed I was with a bunch a people and somehow I knew we were in the southern part of the U.S.A. We were all standing outside, almost frozen with fear as we waited.

There had been a HUGE earthquake in the north and we were all filled with dread knowing we were about to feel its effects. It seemed like we were to be the last location that was going feel it coming. I told everyone to hang on.

Then, all of a sudden, while waiting for this earthquake to happen, I had a vision within the dream. I saw an outline map of America. I didn't see the state lines, but only the outline of the U.S. Then, the map zoomed to where the earthquake started and I saw a black dot pulsating on the epicenter. The dot was in the upper part of the middle of the country, however, I wasn't sure of which state. It seemed higher than the New Madrid fault. Then I saw '9.5' indicating the level on the Richter Scale. I was not given any dates or timing.

## Interpretation:

I believe this dream has a couple of interpretations—dual meanings:

I believe this earthquake might have to do with the New Madrid fault and a massive earthquake occurring that will shake the whole country. A few days after the dream, I saw the U.N. voted for a two-state solution in Israel. The LORD then reminded me of this dream and I knew it was related. So, I believe this has something to do with the division of Israel. Whoever divides HIS land will come in harms- way according to Scripture.

I believe this is about a great divide coming (and has already begun) in the U.S., as we see the lines between good and evil become more and more distinct. This earthquake could unleash more civil unrest in our nation, our communities, as well as within our own families. JESUS said a house divided cannot stand (Mark3:25). I believe that also applies to a nation.

## NOTE:

The largest earthquake ever recorded was in 1960—a 9.5 in Chile.

## Scripture References:

"I will also gather all nations, and bring them down to the Valley of Jehoshaphat; and I will enter into judgment with them there on account of My people, My heritage Israel, whom they have scattered among the nations; they have also divided up My land." (Joel 3:2)

# "Soon My Spirit Will Flood the Earth Like a Huge Ocean Wave"

DECEMBER 19, 2016 5:15 PM BY KEVIN BARRETT 9 COMMENTS

In my time with the Lord, He said these words to me: "Son, tell My people to seek Me like never before."

Word from the Lord:

"My people, you are on the threshold of a new era. So many things are about to suddenly

change, in both your nation and your individual lives.

For I am preparing and setting the stage for My end-time events. Some of you will be greatly used in these events and My kingdom ministries, yet many others shall only be dismayed. Yet, I tell you now; it does not have to be this way. For if you would render your hearts unto Me, and lay down your lives at My feet, then I shall do a quick work within you.

However, for those who refuse to lay everything down, I give you this warning; soon My Spirit will flood the earth like a huge ocean wave. And if you are not walking in My will, your life as you know it shall come crashing down.

Howbeit, for those walking in My will, this coming wave of My Spirit shall lift you up and carry you to the fullness of your destiny in Christ, so long as

you continue walking with Me and endure to the end.

So then, listen well to Me this day when I say repent and repent quickly. For if you are walking in sin and rebellion when this wave comes, it may be your demise when it hits you. Oh, it is not I who shall do this to you, yet you will be snared by your own doings.

But for those walking in obedience when this wave comes; I say get ready to be swept off your feet and into My Spirit. For I shall carry you far above the woes of this world.

Now, this does not mean that you shall be without trials and testings. Yet, My peace which passes all understanding shall carry you. And I shall always make a way for you to fulfill My will and purposes in the earth realm.

Oh, My dearest little ones, My heart is thrilled regarding the days that are ahead. For even

though there will be many calamities and woes, there shall also be the greatest move of My Spirit this world has ever experienced. And many souls shall enter into My kingdom in these last days. So then, prepare your hearts before Me and allow My Spirit to make the right adjustments in your attitudes and thinking. And if you give all to Me and allow Me to do this work in you, you shall be thrilled beyond what you have ever imagined. Oh, how I love you all with an everlasting love. And it thrills Me to thrill the hearts of My people. So then, lay everything at My feet and seek Me in your prayer closets. Surely, I will answer you, for I am waiting..."

# **OBAMA IS A KING**

Prophetic words to lift you up and encourage you to move forward in your walk with Christ.

**WEDNESDAY, MARCH 8, 2017**

## **Darkness Comes Quickly**

**I was praying in the Spirit and asking the Lord for a word for today, for an open vision, about what is to come. He had told me several days earlier that “Obama is a King,” but I did not know what He meant. I felt that He meant something about the 10 kings in Daniel, but He did not say that. I had been praying about President Trump at the time He said it. I have no revelation on Daniel, so I did not know what to do with the information, however, I feel very strongly the Lord is trying to tell us something about what is about to happen on the world’s stage.**

**Before He would show me these things today, He had me pray protection – I anointed myself, and prayed in the spirit for angelic protection all around my house, my body, my pets, my son, everything, and to cancel all retaliatory attacks. Never in my life has He had me do that.**

I should add here that in the end of 2008, around the time the Lord gave me the famine visions, I was shown a revelation about a scripture and a vision started showing me Obama (who had just been elected at the time) had something to do with the Beast. I threw the paper down I was holding because it scared me so bad. At that point, I was still working and I did not even know we were in the end times. I never received the rest of the vision, though I repented and prayed often for it. I later learned from the Lord that He will only show these visions to those who can handle them.

As I began praying in the Spirit, I saw a shadowy Obama and a line of others – a group of maybe 8 or 10 in all, maybe less, I could not see them clearly enough to count them, but I saw such FILTH as I have never seen in any vision, and by instinct, I turned my head so as not to see it because I hate evil and wickedness.

*Look and see, My Daughter.*

*Okay, Lord, I will look. I will see. I will receive the vision. Please show us what is about to come to the earth.*

**I did not receive an open vision, but a spirit vision about this. I kept sensing “Filthy Abominations.”**

**The dark men stood pushed together, shoulder to shoulder crowded up. They dwell in heavy darkness and filth like nothing I have ever seen. There is no light in them at all. I sensed fire nearby. And I see their evil smiles as they discuss their plans.**

**So I prayed more and more in the Spirit and I looked again at the group of men in darkness to see if I could see more.**

**They were mired in filth – they stood in it almost to their knees. Something so filthy I could not begin to identify it, and it was also on them like a muddy mire on their faces and bodies and hands. They all wore suits, like they were very rich or important men. They are joined by filth and evil and perversion. Obama is in front of**

them, he stands out from them, always smiling. I think he is their “front man.”

*Why do they need a front man, Lord?*

I sensed that the others, if they stepped forward in leadership, it would be obvious what they were up to.

*Why Obama, Lord? I heard “smooth speech.”*

They share their filth. I don’t know what that means, but I see them “sharing filth.” It may be filthy lucre, or some type of perversion.

*What do they want, Lord?*

I saw a giant throne pushing up through the earth, on a globe of the world. This is no ordinary throne, it is wide enough for more than one person. It is HUGE. HUGE. I see them rejoicing as it pushes upward through the earth’s dirt. It takes up most of the top of the globe (I saw it come up in the North). It is a very STRONG THRONE, I think that means it will have much earthly power. I did not see anyone on or near the throne when it pushed up.

**I see Obama taking gifts or bribes from other countries, to do something evil for them. I don't know what. He is laughing with glee as he pushes them into his pockets. Then I see him resume his smooth speech face, the one he always had when he gave speeches.**

**I hear "world dominion."**

**Then the praying turned into warfare tongues, very angry, authoritative tongues. I have prayed those only very occasionally in my lifetime.**

### **Darkness Comes Quickly**

**Chaos comes to your White House and to the world's scene to distract My people from what is really happening, behind the scenes – only those who seek Me on a deep level and spend much time in prayer will see what is coming before it hits.**

**There are filthy abominations in high places and they conspire against you, My saints. They conspire to remove Me and My Word from the world you live in. They**

**will stop at no lengths to do this. Their desire is to issue an edict of punishment by death for all Christians, and they plan to do this.**

**Now they seek the power to take over all things. Their plan of destruction will make this power possible, for they will hold the keys when the destruction comes. Human life has no value to them for they live above it. And it comes quickly.**

**They plan to attack in ways that appear to be someone else, and bring war to the earth. It will spread quickly when it happens. Much anger and hatred abounds between peoples and they will not hesitate to strike back at these attacks.**

**NOTE: I saw Obama making a smooth speech, acting innocent, and concerned when this happens, but he had a second face on the back of his head and it was laughing an evil laugh, and then I saw all of the dark men laughing together in secret.**

**Spiritual darkness will cover the earth  
when this happens, My children.  
Darkness comes, and it comes quickly.**

**Amos 8:11-13**

- **11 Behold, the days come, saith the Lord God, that I will send a famine in the land, not a famine of bread, nor a thirst for water, but of hearing the words of the Lord:**
- **12 And they shall wander from sea to sea, and from the north even to the east, they shall run to and fro to seek the word of the Lord, and shall not find it.**
- 13 In that day shall the fair virgins and young men faint for thirst.

## **Terri Taplin 3-8-17 message457 – (Obama) The Son of Perdition**

The Son Of Perdition message457 Just after I was writing the last message I was led to look at the number of words at that point, it was 911, I also saw the number 911 in other things. I remember back in 2009 just after obama came into office I was thinking about how in a short time obama had done worse things than Nixon did and wondered why he was still in office, I heard the Lord say clear, "You are stuck with him." Yesterday I was listening to 2 Thessalonians being read, and as I listened I heard "obama had received the head wound when his term as President ended. He will return, just as in Revelation 17:8, all that have ears to hear and eyes to see to know him for who he is, know he has been revealed as I have told many." I asked the Lord about dreams of other people seeing Trump with a head wound, and that he survived too, and that He had said in messages given through me that none of the government leaders are good. I then heard the Lord say "Give the message." My Children, it is true obama will come back into power, and soon the U.S. will no longer be the most powerful nation in the world as all nations will fall. The world will no longer be as you know it, very soon. The head wounds represented loss of position as the head of the nation and the next wound is loss of standing as a nation. Two wounds, two different men, two different scenarios. Trump will have a head wound because the U.S. will lose its power and obama will be ruler of all nations. The world wanted a king, a new world order, and they shall have what they want, and very soon now it will happen. There were many that tried to warn the world of the UN, and the N.W.O. and were thought of as nuts, or conspiracy theorists, even

paranoid. My Children it is not paranoid if someone is out to get you; it is a conspiracy if there are those that are working together to take over, out to put their agenda into action, and take from the rest. All will happen, but this will not happen before I take Mine out. People of the world listen, listen now, as soon the world will be turned upside down, and you will not know which way to go. Many will follow this leader, and they will follow him unto their death, as he is death. The evil that will overtake him, that will come through him, is not of me, but many will not see it; they will see the opposite, they will think they are hearing My voice through him. Do not deceive yourselves thinking that everything is fine, that there is now time for your nations to heal, as Trump is now in office and everything will be alright. It is not alright, and it will not be. I have told you true, everything must come to an end. I will not tolerate the evil in this world or the evil in man any more. This has been told of for many more years than any have been alive, so listen now, it is time. It is time to know My salvation, and My forgiveness. It is time to repent, It is time to let Me make your hearts ready, and it is time to rejoice for all that know Me, as your redemption draws nigh. Yeshua

## **Godshealer7 – The Beast Will Be Knocking on the Door**

The son of perdition, the lawless one, is positioning himself. He has made friends of many enemies. He had granted favors, in turn expecting favors, he will once again be placed in power over the multitude, where he will be able to carry out the deeds hidden in his heart. He

has been careful to keep his secrets hidden. Only a few can discern the nature of this Beast, for eyes and ears can't see or hear; only the Spirit reveals his name and his number. He has gained the trust of many, yet they are deceived, and will follow him like sheep to the slaughter. My sheep will not follow for they know my voice. My children, the Beast will be knocking on your door-do not open it, for death and suffering accompany him! Trust your spirit and flee, for danger waits in the darkness!!!! Lock your door!!! Do not look upon it!!!

---

## Increased Attacks

The enemy seeks to wear you down in this time, and he has increased his attacks on every side. You feel the effects of these battles.

In times of war, My people must remain focused on staying on track. Do not allow the enemy to divert your focus by distracting you with old sins, My children. Do not allow him to take back ground in areas where you have overcome. Hold tight to your victories over sin!

Strengthen your spirit in My Word so you may finish the race before you as a conqueror. Cast down unwanted thoughts and desires and stand strong in My power against the enemy of your soul. Your reward in heaven awaits you.

### 2 Timothy 2:3-4

- 3 Thou therefore endure hardness, as a good soldier of Jesus Christ.
- 4 No man that warreth entangleth himself with the affairs of this life; that he may please him who hath chosen him to be a soldier.

### Ephesians 6:13-14

- 13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.
- 14 Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;

## YOU ARE SECONDS FROM THE FINISH LINE

**My beloved brothers and sisters, do not be deceived by the enemy of your souls. You must know, I hope by now, that Satan is the absolute master of deception, a master magician, a grand illusionist. It says in the end that even the Elect would be deceived if that were possible. I believe he has done just that to many, if not most, in the body of Christ.**

**Hear what the Spirit has to say : "You Are Seconds From The Finish Line, but many of you have decided to take a break along the race thinking you will still make it to the end in time. It takes focus and endurance to finish, not looking to the right or to the left. It grieves Me to know that many will be left behind because they were not willing to be filled with the Holy Spirit (keeping their lamps filled with oil) and as a result ending up injured on the sideline unable to finish the race. You need to repent, fast and seek My Face."**

**Now is your salvation nearer than ever before.  
Our Lord is at the door. Let Him say to you, enter in thou good and faithful servant.**

### Hebrews 12:1-2

1 Therefore we also, since we are surrounded by so great a cloud of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us, 2 looking into Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God.

# “My Father Wishes You to Know This Great Release is Coming and It Is Coming Quickly!”

FEBRUARY 7, 2017 2:47 PM BY JULIE WHEDBEE

I am He who is the King of kings and the Lord of lords, the Lamb that was slain, the only One worthy to open the scrolls and speak the words of My Father. I stand in all power and all authority given to Me from on High. My Father wishes to share with you His Heart; to tell you that a great and new thing is coming to the people of God, to all those who have been obedient, to all those who serve the only Lord and Master, the only Creator of all things, the Source of all.

There is a glory coming, it approaches ever so quickly, each day that passes. My Spirit searches the earth for those willing and open vessels who have surrendered all, who have been willing to give up everything in this life to gain everything in eternity; those vessels who have been selected to rule and reign with Me in My Kingdom. To those, it has been given the power and authority decreed by My Father. These ones will walk in this authority as One with Me, bringing unity and peace to all. My Heart will be seen and shared by many who have been purposed for this time.

I stand reading a scroll, which holds the design for all time, from beginning to end. I tell you My people, this is the end, the end of this story and the beginning of a new one. This is the last day, and did I not tell you My people that you would be raised on the last day with Me? (John 6:40)

There is breakthrough coming, breakthrough and deliverance and healing. Oh what a glorious time to be alive, to have been chosen to be here now. For you see, My Father wishes you to know this great release is coming and it is coming quickly! You are nearing the end of your training here for the purposes you were created for. The time is coming for you to be fully indwelt with My Spirit, so you will walk in the fullness of all you have been trained for. You have been tested and tried and many have been found worthy; worthy through Me, worthy because I have won the victory, worthy because I am the Door that has shown you the way. So I ask you this day to enter in, step forward now in this moment and be ready to receive this great outpouring and impartation that is upon you.

My angel of breakthrough awaits this command for this great release. Many gifts and many blessings are waiting to be poured out. Pray for them now. Pray that this is the time they would be released to you My people. Pray to be the empty vessels through which these gifts shall be poured and I assure you that I will pour them out to overflowing. My grace will carry you through each and every turn and pour out upon all those I bring to you. Not one shall remain unaffected by this outpouring through My people for it shall change the world!

There are many of you waiting who have already known your purposes. Many have been waiting for the timing and the command to move forward in certain areas. I tell you it is time. You know who you are. You know that which I am speaking. Release now! Step forward now! Act upon that which you have been shown now! Move forward boldly and with courage. It is time to take authority for the Kingdom is now reclaiming what rightfully belongs to it. To those whom much has been given, it is time to release. It is time to sow your seed in those places you have been shown.

There is a great transfer occurring at this time. This transfer is occurring on many levels. I am repositioning and aligning. There is a transfer of Kingdom wealth to My Kingdom people for I raise up kings and I depose them. Not one stands without My permission. It is time for My own to inherit what rightfully belongs to them. Watch what I will do! Watch how I will take it from the hands of the unrighteous and give it to the righteous and the pure of heart.

Watch as I will heal and mend and repair and fulfill all that has been torn and broken and stolen from My people. Watch as My great and mighty arm sweeps across the lands removing anything that has exalted itself above Me, bringing it low and making it to be nothing. Dare anyone oppose the Great I Am?

The armies in Heaven stand ready and waiting and will move on one command. Such light and love are pouring out upon you My people. Do not let the darkness that surrounds you overcome you. You have My promises, you have My Word, believe it is coming! I am faithful and true. I only speak what My Father speaks and do what My Father tells Me to do and this day, He has told Me to speak these words to you. Hear them! Write them on your hearts. Be ready!

The King is coming! The King is coming! The King is coming!

# “They Have Stopped Their Ears!”

Saturday, February 4, 2017 posted by dpulliam

On the night of January 26<sup>th</sup>, a good friend and I got together to spend time in prayer. What was received from the Lord was a grave warning, as well as a very encouraging Word.

A couple days prior to our meeting, we'd discussed the sharp discord between Christians taking place on social media websites. I was just about to make a comment on one of the sites, as there was a somewhat heated discussion going on.

The debate was concerning the return of Jesus. Several were afraid the church was falling asleep again, thinking all is well because Trump had been elected. Others were saying how sick and tired they were of hearing how bad things are, Trump was already turning things around, and the fear mongering needed to stop. All I planned to do was insert a comment, to possibly calm things down a bit. I'd already opened the comment box, and started to type, when I distinctly heard the Holy Spirit say,

***“No! They have stopped their ears. They do not want the Truth!”***

Right then and there, I felt the Lord calling me to back away from all the voices. I had to shut it all off, so decided to go on a news/media fast. My friend and I both decided to spend time seeking and listening exclusively to the voice of the Lord.

By the end of the fast, we both felt such peace and clarity of mind. No stress, no confusion. And then we met for prayer...

After a time of praying, my friend suddenly asked for a prayer shawl. She then covered herself and entered into a “tent of meeting” with the Lord. We continued praying in the Spirit for a few minutes, and then I fell silent as I heard a beautiful song coming from the tent.

Suddenly, I saw a vision of a large group of sheep in an open field. They were all grazing with heads low to the ground. As I watched them, I continued to hear the beautiful singing. All at once, a few of the sheep raised their heads straight up. Their ears began to twitch, and I realized they were hearing the song! Then the scene changed.

A very large group of people were gathered together in a field. There were so many that I could only see them from the shoulders up. They were milling around looking towards the ground as they walked. I again became aware of the beautiful song. A few within the group heard it too, and heads began to pop up here and there. A look of recognition came into their eyes, as they turned toward the sound and began coming out of the group. Just then, I heard the Lord say,

***“My sheep hear My voice, and the voice of another they will not follow!”***

The scene changed again. This time there was a much smaller group of people huddled together in a field. I saw several people coming from various directions to join the little group. Then the Lord said,

***“I Am calling my people out. I Am bringing my people together.”***

As I watched, the group suddenly appeared complete, as two huge arms came around, encircling them, pulling them ever closer to Himself.

Then, instead of being an observer, the Lord allowed me to see through His eyes, and it was as if our bodies became one. As He wrapped His arms tightly around the group, He leaned over them – completely covering them with Himself. I felt the immense love in His voice as He comforted the little group:

***“I love you so! I Am your source and provision. You have no need of Any Thing. I LIVE inside you. I Am all you need!”*** End of vision.

**Interpretation:**

Since I was first shown the group of sheep, it's clear the large group of people represent the Church. The song is the Lord beckoning His people to come to Him.

The majority of the "church" is NOT listening to the Lord. They ***"have stopped their ears. They do not want the Truth!"*** Zechariah 7:11, ***"But they refused to heed, shrugged their shoulders, and stopped their ears so that they could not hear."***

Those who've "stopped their ears," will not hear anything you say that's contrary to their desires.

The sleeping "church" doesn't want the Kingdom of God established on the Earth just yet. They love this world and are convinced, if given enough time they can fix it – and build the kingdom of their dreams! The judgments of God, the coming Kingdom of God, with Jesus as King of Kings, frightens them – they're just not ready for all that.

The Lord's impressed upon me that much of the church has fallen to the deceiving spirit sent out by Satan himself (see 'There is More to Come. Do Not Leave Your Station!'). It's Satan who doesn't want the message of repentance preached! It's Satan who's broadcasting peace and safety! And it's Satan who wants to build the Kingdom of his dreams. The judgments and coming Kingdom of God, with Jesus as King of Kings, frightens Satan too.

#### **Conclusion:**

Saints, the church is dividing into two groups. Only a portion, a very small portion, is hearing the voice of the Lord and moving toward Him. The Lord is saying, ***"I Am calling my people out. I Am bringing my people together."***

It seemed the small "remnant" group was almost complete, with only a few left who were still making their way over to it. The Lord will soon be closing His arms around them. I pray to be part of this group, and I pray others quickly turn and seek the Lord with all their being, because the word spoken over this group is totally amazing:

***"I love you so! I Am your source and provision. You have no need of Any Thing. I LIVE inside you. I Am all you need!"***

I AM ALL YOU NEED! Jesus sent His disciples out to preach (Luke 9:1-3), heal, and cast out devils with nothing other than the clothes on their back, yet they "lacked nothing." He also sent out the 70 (Luke 10:1) under the same circumstances, and they had all they needed...(Luke 22:35).

Please take this message to the Lord in prayer.

## PASTOR: 'DEMONIC ACTIVITY PALPABLE' AT TRUMP RALLY

'My daughter was shaking in fear as she clung to me'

A large crowd takes photos of President Donald Trump at a rally in Melbourne, Florida, Feb. 18, 2017  
(Facebook/Joel Tooley)

Despite the event opening with the Lord's Prayer, the pastor of a Melbourne, Florida, church who attended President Trump's rally in his hometown over the weekend is claiming "demonic" activity and vitriol were palpable at the event, traumatizing his 11-year-old daughter.

"I have been in places and experiences before where demonic activity was palpable," wrote Joel Tooley, pastor of the First Church of the Nazarene in Melbourne.

"The power of the Holy Spirit of God was protecting me in those moments and was once again protecting me and my daughter in this moment."

In a lengthy Facebook post, Tooley admitted he was not a personal fan of Trump, but he was excited the president of the United States was coming to his town, and he sought to share the experience with his daughter.

As he described the event, Tooley said he was unnerved by a rendition of Lee Greenwood's song "God Bless the USA," and the "almost church-like" fashion that Trump supporters sang it.

"People were being ushered into a deeply religious experience ... and it made me completely uncomfortable. I love my country; I honor those who sacrificed their lives for our freedom and I respect our history and what we stand for, but what I experienced in that moment sent shivers down my spine. I felt like people were here to worship an ideology along with the man who was leading it. Don't get me wrong, it wasn't the song per se – it was this inexplicable movement that was happening in the room. It was a religious zeal."

*Like the reporting you see here? [Sign up for free news alerts from WND.com, America's independent news network.](#)*

He also remarked on first lady Melania Trump's recitation of the Lord's Prayer.

"I can't explain it, but I felt sick," Tooley said. "This wasn't a prayer beseeching the presence of Almighty God, it felt theatrical and manipulative."

"People across the room were reciting it as if it were a pep squad cheer. At the close of the prayer, the room erupted in cheering. It was so uncomfortable. I observed that Mr. Trump did not recite the prayer until the very last line, 'be the glory forever and ever, amen!'"

And once the president had commenced his address, Tooley says fans of Mr. Trump confronted protesters who were also attending:

It was then that I heard two ladies off to my left chanting, not yelling or screaming but chanting, "T-R...U-M-P; that's how you spell – bigotry!" They repeated the rhyme over and over.

Two ladies in front of them began seething and screaming in their face while shaking their Trump signs at them. Another couple standing behind them started screaming at them as well. One of the chanting ladies had her eight-year-old daughter on her back; the other had a severely disabled child in a wheelchair in front of her. As they continued chanting, the people around them became violently enraged. One angry man grabbed the lady's arm – that's when I went into action. I barged through the crowd and yelled at them to back off. My heart wasn't racing; I just instinctively became a protector.

I didn't actually want a Trump sign, but one of the volunteers had shoved it into my hands as I walked through the door earlier; "Make America Great Again!" That sign probably saved someone from getting hurt. I held the sign close to my chest as I positioned myself between the chanting protesters and the angry mob. My 11-year-old daughter was clinging to my arm, sobbing in fear.

The two angry, screaming ladies looked at me, both of them raised their middle finger at me in my face and repeatedly yelled, "F\*% YOU!" Repeatedly.

I calmly responded, "No thank you, I'm happily married." Their faces and their voices were filled with demonic anger.

I have been in places and experiences before where demonic activity was palpable. The power of the Holy Spirit of God was protecting me in those moments and was once again protecting me and my daughter in this moment.

I raised my voice and calmly said, "These ladies have the right to do what they are doing and they are harming no one; this is America and they have a right to express themselves in this way. They are harming no one." A couple of other people around me stepped in and supported me in protecting them as a barrier, as well.

My daughter was shaking in fear as she clung to me. The one man behind the protesters shoved himself forward, grabbed the lady by the arm and screamed with multiple expletives, "I'm going to take you out! This is my president and nobody has the right to disrespect him and nobody has the right to keep me from hearing him!"

I wish I could have captured the expressions of that man on camera. I will never forget him.

The little girl on her mother's back was crying, completely frightened. I leaned forward and reassured her in her ear, "Your mommy is being brave and we will not let these people hurt you. You are afraid because these are angry, awful people. We will not let them hurt you or your mommy. You are being so brave and your mommy is doing something very brave."

That's when another lady screamed in my face that what I was doing was un-American. I just chuckled and responded, "What I am doing is completely American – I'm standing up for people who are being bullied – it doesn't matter if I agree with them or not. You came here to see the President, now ignore these ladies, turn around and enjoy the show." Without explanation, they calm down and turned around to hear what Trump had to say.

The two protesters then moved towards the back and left the building. I got a couple of high-fives and "thanks for stepping up for them" from bystanders. I wanted to say, "Thanks. Where were you when the demons were screaming and fists were getting ready to start swinging?"

Tooley says he realized "that we were not listening to someone presidential, we were listening to someone terribly powerful. My kid was shaken – she had just seen some of the worst of humanity."

***Angels and demons are very real, and so is the ongoing battle between them. Read "Spiritual Warfare" by Dr. Karl Payne***

He concluded his post by noting he had the words of the Lord's Prayer echoing in his mind.

"As we left the room, these words were echoing in my mind, "Our Father, who art in heaven, Hallowed be Thy name. Thy Kingdom come, Thy will be done ....

## Syrian Refugee Mother Tells Christian Worker, 'God Doesn't Love Us - He Only Loves Americans'

Syrian refugee mothers suffering in makeshift camps across Turkey have expressed a belief that God has "forgotten" them and only cares for Americans, a Christian missionary has revealed.

A Christian leader based in Turkey whose ministry provides aid in unofficial refugee camps shared with [Christian Aid Mission](#) that often, Syrian mothers bring their children to aid workers and ask missionaries to pray over them.

"They bring their children to us for prayer," he said. "We ask, 'What would you like us to pray for your child?' They say, 'May they grow up to live a better life, and be healthy.'"

"They are more concerned about their children and ask us for milk, baby food and blankets for their little ones," the director added, explaining that while they have little hope for their own lives, the mothers hope their children will be able to live a better life someday.

The ministry director shared the story of one Syrian woman, whose husband had died fighting for Syrian government forces battling Islamist insurgents. She and her three children, a teen boy and twin 4-year-olds, had gone to Istanbul, Turkey where they begged in order to survive.

## “I Looked Up and Saw Fighter Jets Filling the Skies”

 JANUARY 5, 2017  12:06 AM BY MARTY BREEDEN  51 COMMENTS

Last night, I dreamed a close friend of mine, who is an airline pilot, escorted me and my family to a very tall high-rise building. We entered the building and went up to a high level. The building had many large glass windows, so we had a stunning view overlooking a huge city, filled with people, residential houses, and businesses.

As we looked at the city below, we suddenly heard a weather report warning of tornados approaching. We looked down upon the city and saw a large tornado forming. As we watched, it grew into a full blown massive tornado. Then there was another and another and yet another!!!

I counted at least 4-5 simultaneous tornados, all massive in size and all wiping out everything in their path. One odd thing was they ran together in one accord and did not get ahead or behind the others. They looked like a working wall of tornados, yet spinning independently of one another.

I knew this city was in huge trouble because it was very flat and the destruction was swift and absolute. Just as I was about to take cover with my family, I suddenly saw very large fireballs coming down from the sky with huge smoke trails behind them. When they hit, they totally burned up everything, almost vaporizing their targets.

I could not tell if the fireballs were natural or man-made. I could not tell if they were meteors or missiles, but it really didn't matter because the destruction was the same.

Then the power went out in the building, which caused mass panic because there appeared to be nowhere to run and hide from this onslaught of destruction. I ran with my daughter to a corner of the room trying to shield her from the what was coming.

## “The Storm is Coming! You Need to Gather Your People Now!”

JANUARY 27, 2017 5:24 PM BY MARTY BREEDEN

Yesterday, I dreamed I was standing in what appeared to be wilderness with a large group of people. I noticed the sky was growing dark and clouds were gathering. Then it got even darker and then VERY DARK!

Then someone spoke above everyone else and said, “The storm is coming! The storm is approaching! You need to gather your people now!”

Then I saw a large group of people beginning to move all around, seemingly without direction. I then heard the same voice say, “You leaders need to hold up your hand so the people will know where to go!”

I did as instructed and announced “Those in my group need to gather quickly over here with me!”

A small group of people, both young and old, began to gather with me as I was standing beside my shelter. I then noticed two much larger groups gathering, but I saw there were only two shelters, not three.

I looked up and saw the skies were growing even darker, so I admonished the people to hurry because the storm was approaching quickly and the winds were really picking up. I saw the trees were beginning to show the strains of the winds as the leaves and branches were blowing fiercely.

Finally, all the people were gathered into their three groups and were divided properly. Then I saw the larger two groups merged together into one very large group. Just as the storm was about to hit, I took my much smaller group and we nestled safely under our shelter.

Suddenly, the storm hit with MASSIVE FORCE and speed. I did not see whether or not the much larger group made it into their shelter in time, even though one was provided for them.

### Interpretation:

I believe this dream is symbolic of what will happen in the last days. A storm is about to hit with great force.

Groups of people will be divided into those who are hot (the redeemed, blood bought believers), those who are cold, and those who are lukewarm (Revelation 3:14-16). What appears to be three groups will become just two because the lukewarm and the cold will merge together as one. The truly redeemed will gather together also, but they will be the only ones who will make it safely into the shelter, which I believe is Christ Jesus our Lord (Psalms 27:5).

As I was telling my wife about the dream, she smiled at me. So I laughed and asked her, “What are you smiling about?”

She said, “Do you have any idea what my devotion from “Our Daily Bread” is today?”

I told her I had no clue.

She said, “This is amazing. It’s from Exodus 17 when Moses had to hold up his hands for the Israelite’s to remain victorious!”

# **DONALD TRUMP, THE 7TH KING, SERVES A SHORT TIME, THEN OBAMA, THE 8TH KING, BECOMES THE BEAST, OR ANTICHRIST – RON REESE**

Like I wrote in my last post, Obama MUST fulfill EVERY Scripture about the Antichrist. One of the most puzzling Scriptures about the Beast, or Antichrist, has always been the following Scripture:

"There are also SEVEN KINGS. Five are fallen, one is, and the other has not yet come. And when he is come, HE MUST CONTINUE A SHORT TIME. The beast that was, and is not, is himself the eighth, AND IS OF THE SEVEN, and is going to perdition." (Revelation 17:10--11)

In my post of one week ago, I referred to this verse, and gave you Kevin Heckle's interpretation of it, with Obama being the 8th King, or 8th President. His starting date, for the 1st King, was 1967, when Israel re-captured Jerusalem, in the Six-Day War, making Lyndon Johnson the 1st King. I have had all week to reflect, and pray, on Kevin's interpretation. I also consulted with another previous prominent poster on Five Doves on this matter. Their interpretation was that Obama was not only the 8th King, the Beast, but also the 6th King.

This interpretation fulfills Revelation 17:8, right to the letter. "the beast who WAS, and IS NOT, AND YET IS." Obama, the Beast, WAS in power of the most powerful country in the world, and IS NOT, or is no longer in power, AND YET IS, or will soon be back in power once again, only this time with POWER OVER THE WHOLE WORLD. This will be why the "the whole world will marvel and wonder after the beast". (Rev. 13:3 and Rev. 17:8). Obama's "head wound" may very well be a political head wound, rather than a physical head wound. Obama, for eight years, was HEAD of the most powerful country in the world, and the Antichrist also will become the HEAD of the entire world during his reign as the Antichrist. Obama has, in effect, suffered a severe "head" wound, politically, with his temporary loss of power, and, at least potentially, will lose much of his legacy, due to Trump's actions as his successor to the throne (as King).

Because of Progressive Revelation, we can now completely understand these Scriptures about the Beast, that we could never understand before. To complete the Prophetic Puzzle, sometimes we must be patient, as another piece of the Puzzle falls into place, allowing us to further interpret Prophetic Scriptures, which are now, in 2017, falling into place very rapidly.

As case in point, Bible scholars could never comprehend how the EIGHTH KING could be OF THE SEVEN, like Rev. 17:11 tells us. Now, in 2017, it is finally being revealed to us. The EIGHTH KING, or President, HAS to be one of the first 7 Presidents, TO BE OF THE SEVEN. Yes, there may be an historical fulfillment, back in the days when John wrote the Book of Revelation. But I wrote in my previous post about the Double Reference Principle, which shows us that, in Scripture, MANY times there is a near fulfillment, and a future fulfillment. This FUTURE fulfillment is what is NOW unfolding before our eyes, and is the only fulfillment that speaks DIRECTLY OF THE REAL ANTICHRIST, Barack Hussein Obama.

When Kevin Heckle wrote his post, it was 8 or 9 years ago. At that time, there was nobody AFTER Obama. So, if Obama was the EIGHTH King, or President, he went back and discovered that LBJ would have been the first in line. This seemed to make perfect Biblical sense, as Lyndon Johnson was in power when Israel re-captured Jerusalem in the Six-Day War. However, now Obama has been succeeded by Donald Trump. If Obama is the EIGHTH KING, the one who will become the Antichrist, this makes Trump the 7TH KING, the one who precedes the Antichrist.

What does the Word teach us about this 7TH KING? Rev. 17:10 tells us that when he (the 7TH KING) comes, HE MUST CONTINUE A SHORT TIME. Donald Trump's, according to this interpretation of Scripture, days are numbered! So many Bible Prophecy scholars see 2017 as the beginning of the End. So many see the Rapture/Sudden Destruction (nuclear?) taking place this year, in 2017. It is my interpretation of the Prophetic Scriptures that the Sudden Destruction/Rapture event will propel Obama back into power.

Some say that Trump has recently become a born-again Christian. So, will Trump and Vice-President Pence be raptured, or killed in the Sudden Destruction event that will propel the Antichrist, Obama, back into power? Either way, it should pave the way for the EIGHTH KING to rule the world. The Word confirms to us, what many of us already suspected, that TRUMP WILL ONLY BE IN POWER FOR A SHORT TIME!!! Everything, including Rev. 17:10--11, seems to be telling us that it will be less than one year in power.

For all of the above to be the correct interpretation of the EIGHT KINGS, WITH OBAMA AS THE 6TH KING, AND THE 8TH KING, WHO IS ALSO ONE OF THE FIRST 7 KINGS, OR PRESIDENTS, there still remains one area of concern to fulfill Rev. 17:10--11 to the letter.

If Obama is the 6th King and the 8th King, where is the STARTING point for this succession of Presidents, leading up to Obama, then Trump, and then Obama again (although I am only implying that Obama will become the Antichrist, the most powerful man in the world, as the position of President of the U.S. has been for a very long time. He may, or may not fill the office of President of the U.S. again)?

This line of succession reveals that Jimmy Carter was the 1st King in line, and not Lyndon Johnson, as Kevin's article suggested. For the past day or two, I have been

pondering, what Biblical basis do we have for starting this end-time line of Kings, or Presidents, with Jimmy Carter? Finally, it came to me.

I believe we have EVERY reason to begin this count of the last 8 Kings, or Presidents, with Jimmy Carter. Probably the Number One agenda on the world stage for the past 40 years or so, has been peace in the Middle East, peace with Israel and her neighbors. The peace of the entire world revolves around peace with that tiny Biblical nation of Israel, the only democracy in that part of the world. The United Nations has remained focused, even obsessed with, God's chosen nation of Israel, for several decades. This focus on peace in the Middle East, and especially Israel, will culminate with the Antichrist, the 8th King in Revelation 17. So, this process of identifying the 8 Kings, in the very last days, who will end with the 8th King, the Antichrist, Obama, demands that identifying the FIRST KING, SHOULD BE THE KING, OR PRESIDENT, WHO STARTED THE WHOLE MIDDLE EAST PEACE PROCESS. That President was none other than Jimmy Carter.

Those of us who were alive and old enough to remember, can still picture Jimmy Carter, who we can now identify as the 1st of the 8 Kings, or Presidents, centered between Yasser Arafat and Menachem Begin, Prime Minister of Israel, in the late 1970's. Little did we realize then, the extreme Prophetic significance of the Camp David Accords, headed up by Jimmy Carter, the very first King, who would lead to the 8th King, the Beast, in Revelation 17:10--11. Some called this Middle East peace process, the Carter Camp David Accords. The Presidential attempts for Peace in the Middle East BEGAN WITH JIMMY CARTER, and have continued with each succeeding President, and will culminate with the 8TH KING, the 8TH in succession of the 8 most powerful men in the world over the past 40 years. From 1978 until 2017 is 40 years inclusively. How Biblically significant is that!

With Obama being the 6th King, and becoming, in the near future, the 8th King, and Trump being the 7th King, let's take a look at those Biblical numbers. Obama, the 6TH King, is the number of man. At this point in his life, Obama is just a MAN, but a man who desires to be God. Trump is the 7TH King, which is the number of completion. This means that God has COMPLETED his line of U.S. Presidents, at least before the End of the Age begins, with Obama, the Antichrist. The number EIGHT is the number of NEW BEGINNINGS. It will be a new beginning for Obama, as he becomes the Beast of Revelation, Satan incarnate, just like Judas did. It will be a new beginning for the Bride of Christ, who will find herself in Heaven, as the reign of the Antichrist, Obama, begins. It will also be a brand new beginning, tragic as it is, for the whole world who will soon find itself caught up in the massive and cataclysmic Sudden Destruction and Great Tribulation.

It is 40 years from the 1st King, Jimmy Carter, until the eighth and final King, who the Bible says is the Beast (Barack Obama). It is 40 years inclusive of trying to make peace in the Middle East, especially with Israel. 40 is the Biblical number of trials, testings, and probation. This fits Israel's political, and perhaps its spiritual, situation perfectly. We should expect Israel's probationary period to end in 2017. We should

expect a climatic event in Israel, probably the dramatic fulfillment of Ezekiel 38 and 39, in 2017. 2017 appears to be a Year of Destiny. Yes, a Year of Destiny for Israel, for the whole world, and, very likely for the Bride of Christ. Are YOU Ready?

Maranatha!

p.s. This post is NOT the one that I promised you on the main Biblical reason we should expect the Sudden Destruction/Rapture in 2017. Hopefully, that will be my next post.

David Wilkerson Economic Collapse then A Russian Invasion

# AMERICA'S LAST DAYS – DAVID WILKERSON

<http://americaslastdays.blogspot.com/p/david-wilkerson-economic-collapse-then.html>

David Wilkerson had a series of visions and angelic visitations from the lord during his life time until his death in 2011, about the coming collapse of the U.S. economy and the destruction of America. In the economic collapse there will be riots and fires all across major cities in this nation. This will be a time of great apostasy and persecution in the church like never before. After the economic collapse of the United States the nation will be at its weakest point. A hydrogen holocaust will then sweep this nation in a Russian invasion of America. When Israel sees the destruction of America Russia will try to invade the Holy Land where 5/6th of the army's of Russia will be destroyed by Jesus himself.

## ***David Wilkerson Prophecy 1973***

"Worldwide recession caused by economic confusion"

1. "At most a few more fat flourishing years, and then an economic recession that's going to affect the life style of every wage-earner in the world. The world economists are going to be at loss to explain what's happening. It's going to start in Europe, spread to Japan and finally to the United States."
2. There will be a move toward a worldwide, unified monetary system. The US dollar will be hit bad and it will take years for it to recover.
3. The only real security will be in real estate (until a somewhat later stage, at which point this apparent security will also disappear).

"Nature having labor pains"

1. Environmentalists will come under heavy criticism.
2. There will be major earthquakes.
3. There will be a major famine.
4. Floods, hurricanes and tornadoes will increase in frequency.
5. "A new kind of cosmic storm appearing as a raging fire in the sky leaving a kind of vapor trail."

"A flood of filth and a baptism of dirt in America"

1. Topless women will appear on television, followed by full nudity.

2. Adult, X rated movies will be shown on cable television. Young people will gather at homes to watch this kind of material in groups.
3. Sex and the occult will be mixed.
4. There will be an acceptance of homosexuality, and the church will even say that it is a God-given gift.

"Rebellion in the home"

1. "I see the new number one youth problem in America and the world as hatred towards parents."

"A persecution madness against truly Spirit filled Christians who love Jesus Christ"

1. There will arise a world church consisting of a union between liberal ecumenical Protestants and the Roman Catholic Church, using Christ in name only.
2. There will be a hate Christ movement.
3. There will be a spiritual awakening behind the Iron and Bamboo Curtains.

Others

1. There will be another wave of riots.
2. There will be a fall in moral conduct.
3. There will be a new drug that will be popular with teenagers that will break down resistance and will encourage sexual activity.
4. Homosexual and lesbian ministers will be ordained and this will be heralded as a new breed of pioneer.
5. There will be nude dancing in church, but this will never be widespread.
6. There will be occult practices in churches.

#### ***David Wilkerson Prophecy 1985***

America is going to be destroyed by fire! Sudden destruction is coming and few will escape. Unexpectedly, and in one hour, a hydrogen holocaust will engulf America and this nation will be no more. It is because America has sinned against the greatest light. Other nations are just as sinful, but none are as flooded with gospel light as ours. God is going to judge America for its violence, its crimes, its backsliding, its murdering of millions of babies, its flaunting of homosexuality and sadomasochism, its corruption, its drunkenness and drug abuse, its form of godliness without power, its lukewarmness toward Christ, its rampant divorce and adultery, its lewd pornography, its child molestations, its cheating, its robbing, its dirty movies, and its occult practices. An attack from Russia, and "The great holocaust follows an economic collapse in America.

#### ***David Wilkerson Prophecy 1992***

Thirty days of chastisement will fall on New York City such as the world has never seen. God is going to let down the walls. There will be unimaginable violence and looting. The violence will be so ferocious, it will shock the whole world. Our streets will be lined, not just with the National Guard, but with militia. A thousand fires will burn at the same time throughout the city. The Los Angeles fires were confined to a few sections of that city, but New York will be ablaze in all its boroughs. Fire trucks will not be able to handle it all. Trains and busses will be shut down. Billions of dollars will be lost. Broadway shows will stop completely. Businesses will flee the city in an unstoppable hemorrhage. Such things are expected in Third World countries, but not in a civilized nation like the United States. Yet, in not too long a time afterwards, New York City will go completely bankrupt. The Queen City will be cast into the dirt, becoming a city of poverty. What I saw coming will be much more severe. Indeed, if America rejects God's call to turn back to Him, we'll face the same judgments Israel faced. And they will hit not only New York but also every region in the country. Even the heartland won't be spared. The nation's economy will collapse, and violence will erupt. Fires will consume our cities, and tanks will rumble through the streets. pray that God would give our President the same spirit that Josiah had, to tremble at his Word.

#### ***David Wilkerson Prophecy 2009***

An Earth-Shattering Calamity is About to happen. It is going to be so frightening. We are all going to Tremble, even the godliest among us.

For ten years I have been warning about a thousand fires coming to New York City. It will engulf the whole megaplex, including areas of New Jersey and Connecticut. Major cities all across America will experience riots and blazing fires such as we saw in Watts, Los Angeles, years ago in August, 1965. There will be riots and fires in cities worldwide. There will be looting — including Times Square, New York City. What we are experiencing now is not a recession, not even a depression. *We are under God's wrath*

# Angel of Death: “Woe to the Inhabitants of the Earth”

JANUARY 14, 2017 7:28 AM BY [RACHEL BAXTER](#) 93 COMMENTS

[M](#) [f](#) [t](#) [g](#) [+](#) 30

I've been holding onto this seeking the Lord for more understanding. I am feeling such a pressure in the spiritual realm. I'm on edge, though I am asking the Lord for peace.

After midnight on January 7th, 2017, I became so hot while sleeping that I was awakened. I opened my eyes to see what I believe was the "Angel of Death" standing before me in the corner of my bedroom. I heard the Angel say to me, "Woe to the inhabitants of the earth."

I felt the strong presence of the Lord. Holy Spirit then said "You have been called to see that which is coming upon the earth."

I felt the strong presence of the Lord. Holy Spirit then said "You have been called to see that which is coming upon the earth."

My eyes were so heavy I couldn't keep them open. I agreed to this in my mind, but was so tired I fell back asleep. I was awakened again just before 3 am, again so hot I was physically uncomfortable. As I was waking up, an image came before me like it was being projected from a spotlight. It was of two coins, each with the silhouette of a face (like the look of nickels), coming together from the left and right to meet in the middle, and then the shape of a V came down from the top to touch them. It wasn't just a V, but I immediately thought the V shape was like an upside-down pyramid. I didn't understand until I was fully awake that this pyramid represented the pyramid with the all-seeing eye that we see on the dollar bills, but it was turned upside down.

I was so thirsty I got up to get a drink. I checked the temperature in our house and found it was normal, so I knew the heat I was feeling was supernatural. I went back to bed.

I heard the Lord instruct me to go back to sleep. This surprised me because usually when I am awakened like this He instructs me to write what He has to say.

I closed my eyes to go back to sleep, but my head was swimming with things of this world. Then I felt a presence touch me, which made me jump a little and caused me to roll over to face the side of my bed, but I still felt the supernatural presence. Eventually, my heart settled down and I heard this instruction, "Go up."

At first, I thought I was to get up to go to my closet to write, but then it was like I was seeing a closed vision of two girls standing together. The first appeared to be a young teenager and the second was 8 or 9 years old. The older girl was leading the younger girl. I watched them walk to a large door around a corner. When they opened the door I became one of them, the younger I think.

I entered this great, magnificent hall. It was expansive and ornate with gold lining on the walls. Everything glowed with a brightness. At first I saw a flowing staircase downward that led to an open cavern with windows. I walked down to the windows to look out and saw this hall must be located in the heavenlies because outside the windows was the deep blue color of outer space and round looking planets off in the distance.

Then my attention was drawn back into the hall. I walked back up the steps and looked up to see a podium perched atop another high spiraling open staircase. It reminded me of a lectern in a church. My eyes were then drawn upward and to the left to an even higher podium facing me. Behind it, I saw a creature that first looked like a lion (without a mane) whose head was down and facing away so that I was seeing its left profile. It then raised its head up and swung it to the left and it was as if it transformed into an eagle. The head of the eagle could then be seen looking out over the great hall. I thought the eagle was going to begin to speak, but then the vision ended.

# “War is Coming. It Is At Your Doorstep”

DECEMBER 28, 2016 12:23 PM BY [RACHEL BAXTER](#) 77 COMMENTS

I received the following word from the Lord at 10:00 pm on December 26 2016.

“War is coming. It is at your doorstep. War will rage not just across the seas, but war will touch brother and brother. Brace yourself firmly under my wing. (Psalm 91). It is the only way.

Jesus is coming again in body. He has already come in spirit and in truth. No lie will stand. Lies coming into the light – this is what will cause war – war of nations and war of brothers. THE DECEITFUL ONE will come out of the darkness into the light. He will be shown for who he really is, and yet people, even My people, My children, will be deceived. They will choose him for the false promises he makes of security and peace.

Do not think this is far off. It is a mistake to go on living as if nothing has changed. Everything has changed. Everything.

You are no longer children of darkness, but you have been made as children of light. You must see the lateness of the hour and prepare your hearts. Righteousness is not for My sake, but for yours. I did not give the commandments for My sake, but to save you from sin. If you live in sin, if you accept even one sin, you turn away from righteousness and the truth is not in you. You must partner with only truth. Take off your sinful nature. Turn away from the flesh to live by the spirit. This is the only way to truly live in the days ahead. Flesh leads to death. Spirit leads to life eternal.

There is nothing new under the sun. I have said that it would be as in the days of Noah, and that is “where” you are living. Again, do not be deceived. Look and see the depravity. My creation is no longer My own. It is changed and has been made impure.

## “Everything Has Been Set in Motion and There is No Stopping It!”

JANUARY 17, 2017 3:01 AM BY DIANA PULLIAM 16 COMMENTS

On January 12<sup>th</sup>, during an intimate prayer meeting, I received a Word from the Lord. This morning, I was shown it wasn't just for our little group. We were praying earnestly for the lost in our families, the nation, and the world in general. We prayed for "whatever it takes" to be done in their lives for an awakening to occur. Then we began to shift our prayers toward major events happening all over the world, such as the 70-nation

meeting in Paris, and the presidential inauguration just ahead. But something happened, and our prayers came to an abrupt halt.

Suddenly, we could go no further in “our” petitions. The understanding rose simultaneously within our spirits; our will and wishes needed to be realigned. A deep yearning came over us. We earnestly desired **ONLY HIS perfect will be done** – no matter what it looked like. Since we didn’t know specifically how to pray from there, we began praying in the Spirit.

After praying in the Spirit several minutes, ***we all began to cry out for His Holy, Righteous Judgments to fall upon this Earth!*** Words of praise and thanksgiving began to pour from our lips, as we looked joyfully toward the coming harvest, which will come as a result of His judgments.

A quietness then came over the group. We each sat down, continuing to pray in soft whispers. It was then I heard the Lord speaking, so I opened my mouth, giving utterance as He spoke the following:

***“Everything has been set in motion, and there is no stopping it!”***

***“The darkness is settling all around, but My Light will rise upon you; and will be seen upon you. Others will be drawn towards the Light – many who are now standing in darkness.”***

***“My Spirit will go forth, will blow across the Earth. This has already begun. I will manifest Myself with signs and mighty wonders. These manifestations will be more than you can even imagine.”***

Saints, the Word I received had such a sense of *finality*. The reason my prayer group wasn’t able to

pray with our human understanding was because everything's already been set in motion, and will not be stopped. The Lord didn't want us praying *against His will*. After praying in the Spirit, instead of voicing our wimpy requests, all of us were crying out for His Righteous Judgments to come! We felt no fear of what's coming, only complete and total trust in the judgments of our God. Psalms 19:9-10 says, "...***The judgments of the LORD are true and righteous altogether. More to be desired are they than gold...***" So, why would we fear the judgments of God?

He's so loving and gentle with His people, giving us a Word that brought such comfort and peace to our hearts that night. Yes, He confirmed it's judgment time. But instead of shaking in fear, we're to **focus on what HE is DOING**. The Word tells us, "*You will keep in perfect peace, he whose mind is stayed on You, because he trusts in You*" (Isaiah 26:3).

Look at what happens as darkness settles around us. His LIGHT will RISE UPON US! Many now in darkness will be drawn towards that Light! His Spirit will blow across the Earth, and Jesus will manifest Himself through mighty signs and wonders!

**Pay attention Saints! The Lord is answering our prayers!!!** We knew this day was coming. Now it's nigh-time to rise and shine!

# Angel of Death: “Woe to the Inhabitants of the Earth”

JANUARY 14, 2017 7:28 AM BY RACHEL BAXTER 93 COMMENTS

     30

I've been holding onto this seeking the Lord for more understanding. I am feeling such a pressure in the spiritual realm. I'm on edge, though I am asking the Lord for peace.

After midnight on January 7th, 2017, I became so hot while sleeping that I was awakened. I opened my eyes to see what I believe was the "Angel of Death" standing before me in the corner of my bedroom. I heard the Angel say to me, "Woe to the inhabitants of the earth."

I felt the strong presence of the Lord. Holy Spirit then said "You have been called to see that which is coming upon the earth."

I felt the strong presence of the Lord. Holy Spirit then said "You have been called to see that which is coming upon the earth."

My eyes were so heavy I couldn't keep them open. I agreed to this in my mind, but was so tired I fell back asleep. I was awakened again just before 3 am, again so hot I was physically uncomfortable. As I was waking up, an image came before me like it was being projected from a spotlight. It was of two coins, each with the silhouette of a face (like the look of nickels), coming together from the left and right to meet in the middle, and then the shape of a V came down from the top to touch them. It wasn't just a V, but I immediately thought the V shape was like an upside-down pyramid. I didn't understand until I was fully awake that this pyramid represented the pyramid with the all-seeing eye that we see on the dollar bills, but it was turned upside down.

I was so thirsty I got up to get a drink. I checked the temperature in our house and found it was normal, so I knew the heat I was feeling was supernatural. I went back to bed.

I heard the Lord instruct me to go back to sleep. This surprised me because usually when I am awakened like this He instructs me to write what He has to say.

I closed my eyes to go back to sleep, but my head was swimming with things of this world. Then I felt a presence touch me, which made me jump a little and caused me to roll over to face the side of my bed, but I still felt the supernatural presence. Eventually, my heart settled down and I heard this instruction, "Go up."

At first, I thought I was to get up to go to my closet to write, but then it was like I was seeing a closed vision of two girls standing together. The first appeared to be a young teenager and the second was 8 or 9 years old. The older girl was leading the younger girl. I watched them walk to a large door around a corner. When they opened the door I became one of them, the younger I think.

I entered this great, magnificent hall. It was expansive and ornate with gold lining on the walls. Everything glowed with a brightness. At first I saw a flowing staircase downward that led to an open cavern with windows. I walked down to the windows to look out and saw this hall must be located in the heavenlies because outside the windows was the deep blue color of outer space and round looking planets off in the distance.

Then my attention was drawn back into the hall. I walked back up the steps and looked up to see a podium perched atop another high spiraling open staircase. It reminded me of a lectern in a church. My eyes were then drawn upward and to the left to an even higher podium facing me. Behind it, I saw a creature that first looked like a lion (without a mane) whose head was down and facing away so that I was seeing its left profile. It then raised its head up and swung it to the left and it was as if it transformed into an eagle. The head of the eagle could then be seen looking out over the great hall. I thought the eagle was going to begin to speak, but then the vision ended.

# “War is Coming. It Is At Your Doorstep”

DECEMBER 28, 2016 12:23 PM BY RACHEL BAXTER 77 COMMENTS

I received the following word from the Lord at 10:00 pm on December 26 2016.

“War is coming. It is at your doorstep. War will rage not just across the seas, but war will touch brother and brother. Brace yourself firmly under my wing. (Psalm 91). It is the only way.

Jesus is coming again in body. He has already come in spirit and in truth. No lie will stand. Lies coming into the light – this is what will cause war – war of nations and war of brothers. THE DECEITFUL ONE will come out of the darkness into the light. He will be shown for who he really is, and yet people, even My people, My children, will be deceived. They will choose him for the false promises he makes of security and peace.

Do not think this is far off. It is a mistake to go on living as if nothing has changed. Everything has changed. Everything.

You are no longer children of darkness, but you have been made as children of light. You must see the lateness of the hour and prepare your hearts. Righteousness is not for My sake, but for yours. I did not give the commandments for My sake, but to save you from sin. If you live in sin, if you accept even one sin, you turn away from righteousness and the truth is not in you. You must partner with only truth. Take off your sinful nature. Turn away from the flesh to live by the spirit. This is the only way to truly live in the days ahead. Flesh leads to death. Spirit leads to life eternal.

There is nothing new under the sun. I have said that it would be as in the days of Noah, and that is “where” you are living. Again, do not be deceived. Look and see the depravity. My creation is no longer My own. It is changed and has been made impure.

# “The Bomb Will Come from the East, Not on American Soil”

JANUARY 6, 2017 12:33 AM BY SHERRY GORSLIN 1 COMMENT

I received the following word from the Lord on January 5, 2017:

“The time of preparation is not over. Do not get discouraged or live in despair, but continue this path. I need you to continue this path. Today you trust Me, and hear My voice, for tomorrow you know not what comes.”

As I was praying I kept seeing and hearing a bomb. Then I heard this:

“This will set in motion what must be. The bomb will come from the east. It will not be on American soil. It shall be set off to begin war. The angel of war is at hand, directing and guiding those that will listen. Evil is still in place, and much is being done behind closed doors.

Know this, that Obama’s hand is upon this and he deliberates with those who desire this to be. Trump and all his cabinet are there to fight for you. I have set in place those that will see beyond the deception to the truth.

Watch the hour, because it is near; watch the nations as they come together and then divide. Sides are being taken and war is coming soon; war that you will feel here in the United State; war that every nation will come to know.

Keep your eyes on Israel and who sides with them. Your nation will be divided, not only on principles, but on land. States will come together, and sides will be chosen. Look for this. I have told you so.”

# Word From the Lord - Psalm 83 is Upon Us

MAURICE SKLAR · SATURDAY, NOVEMBER 26, 2016

I was practicing violin tonight preparing the upcoming concert, and suddenly, "out of the blue" and in the middle of the last movement of the Shostakovich trio, I heard what sounded like an audible Voice. I do not whether it was in the natural realm or just in the spirit realm, I nearly dropped my violin! The LORD spoke like He was shouting, and He roared like a Lion, and a terrible sound like thunder. It was deafening, and yet I do not think anyone else heard it down here...then He said,

"I WILL HAVE THIS NO LONGER!! NOW I WILL RISE UP AND JUDGE ESAU FOR HIS ETERNAL HATRED OF MY PEOPLE AND MY LAND. MY HOLY FIRE WILL BURN THEM AND THEY AND THEIR LANDS SHALL PERISH BY FIRE FOREVER, AND NEVER RISE AGAIN!! THE TIME HAS COME TO DELIVER MY PEOPLE ISRAEL!!

"AS THEY HAVE SET FIRES IN ZION, SO SHALL I SEND MY FIRE UPON YOU THAT SHALL NEVER BE QUENCHED!! I AM THE LORD OF HOSTS! AND I HAVE SPOKEN IT! PSALM 83 IS UPON YOU NOW!!!

I have never heard that Voice speak in such wrath and Holy anger. I am still trembling. Then the Holy Spirit commanded me to write these words I heard. As best I could I wrote everything I heard. Amen.

## A New People

I am raising up a new people, a people of miracles, signs and wonders. A people who will believe Me and My Word and do many mighty works in My Name.

Beware, My people, for those of you who will believe Me and believe My Word, those I do these miracles, signs and wonders through will face persecution like never before.

The enemy raises up a people, too – a people full of hatred for all the things of Me, a people more zealous than before to stop my gospel in the earth.

My enemy shall not succeed in stopping the gospel in the earth, but the battle shall rage fiercely. Many of you will see it, as evil fights against good. Evil shall prevail for a time, but then the end comes and all that is evil shall be destroyed as My Word declares.

### John 14:12

- 12 Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.

### 2 Thessalonians 1:3-5

- 3 We are bound to thank God always for you, brethren, as it is meet, because that your faith groweth exceedingly, and the charity of every one of you all toward each other aboundeth;
- 4 So that we ourselves glory in you in the churches of God for your patience and faith in all your persecutions and tribulations that ye endure:
- 5 Which is a manifest token of the righteous judgment of God, that ye may be counted worthy of the kingdom of God, for which ye also suffer:

It is the breath of life that speaks to thee this day. I AM the light, I AM the beacon of hope, I AM the Alpha and the Omega, from the beginning I AM. You stand in front of me in humility, I know thee.

The truth does not waiver. It speaks to you this day. Evil has tried to silence you, it shall fail. Your eyes are open and you shall see what lies ahead. Come hither, I shall speak in your ear. What I whisper, you shall proclaim boldly. My eyes see all and I know what is in men's hearts. Take heed, the book of seven shall be opened, for **My wrath is kindled** and My Will shall be done. **Judgment shall replace mercy**. You shall bear witness to My Glory. Babylon Babylon, once a great lady has become the dwelling place of demons and

evil doers. You were once like a shining jewel Among all nations, a helper to the Widow the poor and the sick. You have appointed leaders that live in the Darkness, no longer loving your neighbors; you have let your own people fall into the pit; you have removed My name and commandments; your children have grown believing that evil is good; they worship the Prince of the air; because you don't know Me, you have a generation that does not know Me or seek after the truth. You have destroyed your own children. The land you inhabit was given to your forefathers, a nation founded in My name. My wrath is kindled against you and your perverted nation. You will reap what you have sown. Your very own eyes will see your nation destroyed. You have stepped back and watched the Evil and did nothing to STOP it. Babylon, I will raise my hand against you. I Will strike you down for every earthly nation to see. Behold My power

and might shall send on you a crushing  
blow. you will know it is from Me, IAM

From the depths of iniquity I have heard  
your cries, for your tears have filled a pool  
of sorrows. I have seen the enmity of man  
with my own eyes, I alone hold the scales

of justice in My hand. The truth rides on the wind, can you not feel the breath of My Spirit? Shall you be found on My side? I shall fortify thee for what lies ahead, the gates of hell shall tremble with the sound of My voice. What was closed shall be opened, what was hidden shall be revealed.

**Tomorrow's time has come.** My messengers have spoken the truth but many have turned away from their warnings. I shall awaken those that slumber. Speak now son of man, reveal the tragedy of nations, reveal the architect of destruction; he shall speak of peace but prepare for war, he shall offer one hand in friendship and hold a dagger in the other, he will speak of hope for the oppressed but will oppress, he will tickle the ears of many with flattery and cunning but his hands are soaked in blood and his words are hollow. The destroyer will call darkness, light and light, darkness. He will wear the crown of

many nations, even now he waits in  
readiness for his time in the sun.

## **Godshealer7 – This May Be My Last Goodbye**

Goodbye My friends. You have been with Me long enough to

know who I am. We lived and laughed together; sat late into the evening talking and breaking bread together, discussing our plans. I wanted you to know the real Me. Then the trials we shared brought us closer. Remember how we prayed together and tried to teach our younger friends? trying to be a good example? helping those in need. lending a helping hand. sharing our wisdom and understanding. this may be My last goodbye tonight. I want you to know how much you are loved

and how much I love you. If I'm not here in the morning, do not look for Me. I told you I would be going away. In time you will understand why I had to leave, but for now, remember, even though I'm gone, you will see Me in another place. I am about my Father's business. please don't cry. You will remain- there is more work to be done. Your father in heaven will pour out My Spirit on you, and open your eyes and ears to the wisdom knowledge and understanding you will need in these last

days. The Spirit says come!  
Come! the evening is upon us.

# **Sound the Alarm! Warn My people, The Kingdom will Fall** 2 Thess 2:3 (...the son of perdition...)

Barb gave disclaimer that she doesn't watch tv or follow politics. She doesn't care about politics, but this prophecy is about our new president elect, Donald Trump.

Daughter-Sound the Alarm!!! Your new king walks on the wide path. Warn My people. His lips speak one thing as his heart speaks another. He has let an enemy into his house! This enemy will whisper into his ear. Together, a plan will be made and a decree issued that will cause Destruction from within the kingdom. A distraction that will put My people, Israel, in further harm, as the armies surround them, your king will Continue to speak a message of peace and safety.

The borders have already been weakened. The enemy lives among you in silence, waiting for direction to take action!

Their weapons have been hidden in desolate places; those that claim they are your friend are your enemy.

Sound the alarm!!! The kingdom will fall.

The man of perdition will use this as an opportunity to take control, king against king. Kingdom against kingdom.

Sound the alarm!!! Warn My people!

Barb: So, I am sounding the alarm! Mr Trump, I'm not sure what's going on in your house, but according to this prophecy, What is going on in your house is not a good thing.

**Godshealer7 - The Time Of  
Reconciliation Begins With  
You!!!**

# **Quoting James Bailey reading Larry Findland's email:**

" I was visited by the Spirit of God and told that a black man would become king in the United States. God gave him Ezekiel ch. 29-32. These chapters talk about Gods judgment on Egypt though an evil ruler the Pharaoh. The man was not known to me until years later because he was not in the government at that time. However much of my earlier years as a prophet of judgment and restoration concerns the evil the Clinton's would bring to the United States after Obama. President Obama will afflict the church and the righteous until April 27 2019 which is the feast of unleavened bread."

## Everything Is About To Change

12/1/2016

We will dance very soon My Love, under the moonlight with twinkling stars and with the wave of My hand, I can make it snow the biggest snowflakes while we dance, and you will be warm and safe in My arms! These beautiful times together are coming! Don't lose heart! But first, there is much to do. The war is raging in Heaven and soon will manifest in the physical on Earth! My warriors will go out and save many. I assure you time is short and all of this will kick off suddenly. Everything is about to change, including you! But for you and your friends the change will be glorious! I have My Own protected and strategically placed for their Kingdom assignments. Your transformation is just not about you, but what you need to accomplish while changed. Do you understand? Your transformation is so you can accomplish your Kingdom missions. I know you have heard, "Now", "Soon", "The time is upon you", but I say it is! Don't give up watching every moment for it will happen suddenly and in the blink of an eye! My Love, I see every tear that falls, every sad child, every heart break, every type of despair, and I feel it in My heart for the entire world! But I AM the greatest rescue mission the world will ever know! Soon every child will be safe in My arms! But many will remain to endure the horrors that are coming upon the earth. This is why My Mission is critical now to send out My Warriors into the harvest fields. You know not what field I will send you to, but you will be perfectly trained for a successful mission! I am your Warrior King and your Commander. I command the massive Heavenly Army! Be assured We win and everything will go according to My plan. I am the Master Strategist. Not one of My Children will be Left Behind. You don't have to understand the entire plan but only be ready as an empty vessel to be used to fulfill your Kingdom assignment. Eyes on Me, My Love! It will happen soon and you will be overjoyed!

**Godshealer7 - Shabach The Taste Of Death Shall Remain On The Lips Of Many As Twilight Approaches**

Bro Dan God's Healer7 11-29-16 Shabach The taste of death shall remain on the lips of many as twilight approaches

2 Chronicles 36: 15,16 Dan heard the word "Shabach" 3 times (strong's definition of "shabach"- to address in a loud tone, to commend, to praise, to congratulate, to laud)

Rally around the banner of truth, for in truth there is no surrender. I have called upon thee and you have answered. I have spoken to thee and you have listened.

I have seen the affliction of My children. They have mocked and scorned My messengers. Words spoken in haste cannot be retrieved. The scornful shall be scorned.

The unbelievers shall believe. The proud shall be humbled. The path of the righteous is steep but the reward is great. Patience shall be rewarded while injustice shall be

Punished. Remember Jeremiah? My prophets go unnoticed. I who am The Beginning shall

speaking of The End. The taste of death shall remain on the lips of many for twilight approaches.

Many shall say "This cannot be. I have been obedient. I have observed the Sabbath and I have followed the laws of Moses." I tell you now. I do not know thee. Innocence has lost its way, and judgment shall follow. Amen

**Barb then added "The gate closes at twilight and no one will enter after that".**

Nov 23, 4:15 PM

Good morning, hope you are doing well. Yesterday, twice the Lord spoke to me about the appearance of "dragons". This is not a subject matter that I study or even think about, but I just wanted to let you know.

Have you listened to any prophecies lately from Godshealer7 by chance?

No, I never listen to them, except when you bring them

## **The Seven Thunders Revealed**

Posted on December 21, 2011 by John Baptist

## **They Fly Like the Wind And Come From Afar**

The Seven Thunders of Revelation have been revealed. I am satisfied what these saints have been shown in the truth. It matches everything I have uncovered in my research over the years. Glory to Jesus and our Heavenly Father for revealing these things in the "latter times". Indeed we live in the "latter times".

Praise the Holy Lord Jesus Christ and our awesome Heavenly Father God. Since many people cannot access You Tube videos, I have manually transcribed (as best as possible) the prophecy shared in the video below.

Here is the transcript below. I have highlighted key words for those who understand these things “*fly like the wind*” and come “*from afar*”.

“*Be of great vigilance, for the “thunders” approach. Although the hosts shall lead the battle, the thunders shall follow. Their might shall be apparent to all. Their glory is in my name. Prince of peace I left, God of thunders I shall return.*”

*They shall **swoop down** on their prey like an eagle. They shall enter with a deafening roar. Their roar shall pierce the ears of all who await them. Fire shall spew from their lips. Fear shall enter men’s hearts. They shall blind all who look at their presence. All hearts will grow cold. All will look for mercy from them and none will be found. They have been called to inflict punishment; and they shall not disappoint the Father. As the **wind blows**, so they **shall fly**. None shall escape their wrath.*

*Woe to all who feel their wrath. It would have been better that they had never been born. The Seven Seals have sealed thy fate.*

*Thus saith the Lord; mercy shall be followed by judgement. Thy cross is of your own making.*

Then brother Dan reports that a couple months later he got a follow-up to the *seven thunders* prophecy.

*“I shall not come through water, but **fire**. My messengers shall announce my forthcoming. The cries of my children have reached my ears and they shall be answered. For vengeance is mine.*

*The sea shall hide no more. The time nears when ye shall witness the mighty power which I hold in my hand. The **wings** of the thunders await my command. All who do not follow me, walk down the path of destruction. My angels shall breath fire on the evildoers.*

*The scales of justice shall weigh heavily on the unforgiven. Mercy has lost its way and shall not be seen again. The fruit of anger is ready to be picked. Woe to the evil as it gasps for air and there shall be none. The fires of Hell shall surround them. What was gained through cunning and deceit be had no more.*

*The sea shall boil and the mountains shall tremble. For my judgment shall be swift and final. Woe to those who look for deliverance, for there shall be none. Shall sight return to those who were blind?*

*The scent of death shall fill the air. Woe to those who bow down to evil. Woe to those who remain unmoved. The*

*fires of Hell shall consume them. Woe to the fury that awaits them.*

*The world has not seen, nor shall witness again, the fury of my wrath”*

## UFO Disclosure May Take Place Before Trump Takes Office

5 Comments | November 22, 2016 | Paul Seaburn

The election of Donald Trump was a wake-up call from many people and movements. One of those movements was the call to open the secret government files on UFO visits and alien encounters. The champion of this disclosure was John Podesta, who was Hillary Clinton's campaign manager – the man who famously said he regretted not doing more to disclose the files when he was chief of staff for President Bill Clinton. Has the movement and disclosure gone down in defeat with Clinton and Podesta? Maybe not.

*Stephen Basset, head of the Paradigm Research Group*

Stephen Basset, the executive director of the Paradigm Research Group (PRG) and the so-called “only registered UFO and alien disclosure lobbyist” in Washington, claims that President Obama may open the files as one of his last acts before leaving office.

“Persons who are directly involved in the management of the extraterrestrial issues want disclosure to take place under President Obama and are ready to work with the SecDef (Secretary of Defence) if approached.”

Those “persons” include an anonymous whistle-blower “within the military/intelligence community” who allegedly contacted PRG by email two days after the election to reveal the new openness to declassification of the files by the Obama administration.

# Trump Does not Make It

## HIGH STAKES / TREACHERY

*I felt the Lord wanting me to re-post this Word for about the last month. But I thought really Lord. Are you sure. So I decided to give it a second look. I received this Word on March 9, 2016. I noticed to my surprise something that I did not notice before when I got this Word. It actually tells us that Donald Trump would win the election ("in his season of victory"), but would never make it to the inauguration. The reason, high stakes and treachery.*

*High stakes - describes a risky situation in which somebody is likely to win or lose a great deal.*

*Treachery - an act of deliberate betrayal, harmful things that are done usually secretly to a friend, your own country, etc. A violation of allegiance, double-cross, deceitfulness, dirty trick.*

*I don't know what will happen between now and the inauguration, but something will and it has to do with treachery. I don't know what the Word ("In his flight a spark shall consume him") means, and the Lord has not shown me. There is a lot of talk about Trump being assassinated, or it could mean something else. We will find out soon what will transpire to stop Trump from becoming our next president because the inauguration is only 66 days away. I believe "his season of victory" is now till inauguration.*

*I know just thinking about this is pretty heavy and hard to comprehend but we could be in for a rough ride, a tragic set of circumstances perhaps that will change the course of history and set in motion the downfall of our once "One Nation Under God".*

### Election

**There stands one who speaks arrogant words. He's able to feed the flocks, but he shall surely not see the end of his pursuits. For darkness will over take him in his season of victory. He shall not rule, nor sit on a kings throne. In his flight a spark shall consume him. The reason will be high stakes. Treachery bestows the man of the hour and his season shall come to its final ending.**

*I just noticed that this is my 66th post and there are 66 days till the inauguration, that's amazing. I don't like the number 6 if you know what I mean.*

# **THE “DEFAULT” COINCIDENCE**

## ELECTORAL COLLEGE "Default" Process for Deadlock

The Constitution gave each state a number of electors equal to the combined total of its membership in the Senate (two to each state, the "senatorial" electors) and its delegation in the House of Representatives (currently ranging from one to 52 Members). The electors are chosen by the states "in such Manner as the Legislature thereof may direct" (U.S. Constitution, Article II, section 1).

Qualifications for the office are broad: the only persons prohibited from serving as electors are Senators, Representatives, and persons "holding an Office of Trust or Profit under the United States."

In order to forestall partisan intrigue and manipulation, the electors assemble in their respective states and cast their ballots as state units, rather than meet at a central location. At least one of the candidates for whom the electors vote must be an inhabitant of another state. A majority of electoral votes is necessary to elect, a requirement intended to insure broad acceptance of a winning candidate, while election by the House was provided as a **default** method in the event of electoral college deadlock. Finally, Congress was empowered to set nationwide dates for choice and meeting of electors.

All the foregoing structural elements of the electoral college system remain in effect currently. The original method of electing the President and Vice President, however, proved unworkable, and was replaced by the 12th Amendment, ratified in 1804. Under the original system, each elector cast two votes for President (for different candidates), and no vote for Vice President. The votes were counted; the candidate receiving the most, provided it was a majority of the number of electors, was elected President, and the runner-up became Vice President. The 12th Amendment replaced this system with separate ballots for President and Vice President, with electors casting a single vote for each office.

# America, This Is Our Last Breath

MAY 25, 2016 1:38 AM BY PASTOR BENJAMIN FAIRCLOTH 287 COMMENTS

     289

This morning May 24, 2016 around 3:00 am I was awakened by these words; "America's last breath, Isaiah 51".

As I struggled to awake, I heard the Father repeat this phrase, along with more details. I got out of bed and proceeded to write the following words:

"Hillary will win the election by default. Obama will stay in due to the chaos. It will be a two-headed serpent, which you cannot kill until I come. This will be what America wants and deserves!"

As I questioned the Father about this strong word, He proceeded to give me understanding. Hillary Clinton will become President because of the chaos that will envelope this nation. I believe as other watchmen do, martial law will arrive because of the chaos (caused by terrorism, financial crisis, disasters, etc). Even if Trump wins the general election or the popular vote, it will be taken from him by default.

Julie Wehdbee Behold I Come

**MUCH, MUCH IS ABOUT TO BEFALL  
YOU-IT IS TIME**

*The stage is set, the curtain falls..*

*From My Kingdom perspective, I see a nation divided, and a kingdom divided will not stand. Events transpiring are shaking foundations, as I have previously warned foundations would shake. I have seen the end from the beginning however, and the events transpire like clockwork. Deep and dark is the deception upon you, but I warn you it will grow darker. Many have placed their faith and trust on sinking sand. Many look to men and not Me for their refuge. Have I not told you that in the end there would be great deception? That even the elect would be deceived?*

*For many, they now have their new king. Beware when you hear peace and safety, for sudden destruction still comes! He who still remains in office deals treacherously, and your very lives are at stake. He wishes to see his evil schemes through to the end. All is not as it seems, hence My admonition to you- to stay sober, be watchful, wise as serpents, harmless as doves. Your discernment in these times is crucial. Unless you know your Shepherd's voice, how will you know and heed My instructions? People do desperate*

***things in desperate times and will trust in a man, in a system that is tangible, because they have not learned to hear their Master's voice.***

***Operating from your spirit, you will see that everything that is tangible is temporal, temporary. All is simply a manifestation of a thought, My thought from before creation and you came into existence. My first thought for creation and for you was born out of pure and endless love directly from My Heart. You were breathed into being by My very breath, made in Our image, pure and untainted. Your DNA, your genetic code was made in Our image to be a representation of pure light and love here in this realm.***

***After the fall, this became tainted and corrupt. Sin entered and death was introduced. Man's purpose and destiny in and with Me became veiled and redemption was then required. I came as your Redeemer, shedding My innocent life's blood so the veil could be torn, and you could once again freely access My Kingdom, your true home. My shed blood offers so much more than you have previously understood, but here is wisdom, I am releasing more wisdom and understanding in these last days. I am revealing that your DNA is being changed, corruptible to incorruptible. If you would release all the limitations of your minds and your previous perceptions of Me, I will reveal who you truly are when you are in Me and this truth will alter everything and set you free. As I reveal***

***hidden truths and mysteries, I unlock your very cells memories and strip the corruption from you that was instilled by the fall and has been overshadowing you for 6000 years. This is how I purify you. This is how I move you from glory to glory.***

***I am asking you yet again to have My perspective on all that is occurring around you. When you see all of it as complete, as My first thought, as My perfect design from before the foundation of time, perfect from beginning to end, this opens your spiritual eyes and ears to receive the impartations I am so eager to give you. You are as My remnant, strategically placed around the world, shining as My jewels and burning with the fire of My love within you. When these fires collectively burn and My revelation is imparted, the results are the fires of My love spreading throughout the world, as you draw the lost unto Me.***

***You stand on the precipice of monumental change. You will shine as the purest reflection of Me and the love I have for all in My Heart. You must see both sides of what is happening now in the current state of affairs. In the judgments that are here, and I will not delay, the greatest mercy is shown, as it will afford many an opportunity to cry out to Me in their distress. Unlike in the days of Noah when the floodwaters covered the earth, these judgments will be met with an opposing, yet victorious force- My glory manifested through My remnant church, the mysteries revealed and unlocking the truth of who I am and who you are.***

***I am the Door, the Gate, and the Way as I dwell within you. This enables Creator to walk with His created ones once again as We did in the Garden. I am come again to walk with you face to face once again on this earth, once the purification is complete.***

***I am causing you to remember, your very cell memories to respond and reflect Me in the design that was originally My first thought for you. Such power is in this remembrance, this awakening, and this activating!***

***Ask Me to reveal the greater mysteries of My Kingdom to you and it shall be done. Seek Me with all your hearts and I shall be found. I always reveal what I am about to do to My servants, the prophets so you will have no fear. You will see great and terrible things. I am making Myself known by the signs in the Heaven's, in the seas, above the earth and from below it.***

***Remember as all these things manifest, your Kingdom home is not of this place and all must come to pass as My Word must be fulfilled. Let your focus not be on events which will cause you to rely on your responses to what is seen and felt in the natural, all based in experiences. This would be a limited perspective based in soul-nature. I am calling you higher and deeper now.***

***I desire that your focus be on Me, on My Heart, in our fellowship and communion together, so your relationship with Me will become more intimate, and your purpose here fulfilled because you have allowed Me complete access to your hearts by your full surrender.***

***I will be very direct with you now. Much, much is about to befall you. You must have your spiritual houses in order with the natural to follow as you are led by My Spirit. I will counsel you in every step if you would only be sensitive to the move of My Spirit. Release all things that hinder this process. These instructions are crucial and may mean life or death for many of you.***

***The evil one also is very aware of the times you are in and knows My scripture. He understands I am unlocking and revealing mysteries in these last days. He is well aware of the power and authority My Bride carries and he is reacting to the fulfillment of all My prophecies with an increasing urgency, intensity and fervor. His days are numbered and he fears his end. He knows he is only a created being but you are created in My image, and so he hates you as he hates Me. He will attempt to create doubt, fear, distraction and confusion in My people as the terrible judgments fall. Know this though My precious ones, your steps are sure, and I will never leave you or forsake you. I give you the power to tread on all manner of evil things, and no weapon formed against you shall***

***prosper.***

***As I have said in many previous messages to you, in a moment, in the blink of an eye, the sudden-lies will be upon you.***

***Have you made My Heart your abode? If not, your hesitation will be costly.***

***Heed My voice and My words through this, My messenger. Truly you are hearing truth and being given the wisdom required for this moment. Consume all that has been presented and respond accordingly.***

***It is begun..***

## A TIME OF GREAT UPHEAVAL / PRAY! THAT YOU NOT BE DECEIVED

**A Time Of Great Upheaval** - I received this Word on 11/06/2016 two days before the US election.

You shall not tarry in the world much longer. I have decided to bring My Bride home to her rightful place. There are forces in place to create havoc, a downfall of great magnitude. No one is expecting this outcome and it will shock many. This is a sobering time, a time of great upheaval. I AM a just God and will not relent of the works of My Hands to be held off any longer.

Today if there are any who will call out to Me in true repentance I will save them.

### **Pray! That You Not Be Deceived**

Everything is not what it seems. There is much deception and confusion abounds. There are layers upon layers that are built upon each other that cover over the truth.

There is a mystery of great significance coming to light very soon. In the coming days this mystery will be revealed and great will be the reaction, people will marvel at this revelation. It comes at a time not expected and with great emotion people will react.

**11/11/16 - Message - Priscilla Van Sutphin**

Days of great harvest are soon upon you, and I want you to remember the grace that I have given you. I want you to remember the times I have patiently waited for you to come to Me with your problems. I want you to remember how at first you stumbled, that you would have MERCY on the new souls who will come in. A bruised reed, I do not break, smoking flax, I do not quench. Be gracious, as I am gracious and have been to you.

Do not judge by the sight of your eyes those I bring to you. Only ask ME about them so I can tell you their pain and sorrow. Ask ME for the power to deliver them. I am eager to meet every need of MY sons and daughters. I AM changing and rearranging as I've said. KNOW that what I have spoken to you about for some time is NOW going to be implemented. I have not forgotten My promises. Nor will I forget your hearts desires.

Come My beloveds, and listen to your father when you feel confused about what to do, or what to say. Just ask, and I'll show you what to do. Increase your dependency on ME. Decrease your dependency on what you've been taught by others and allow ME to order your steps. Learn of ME, for I am gently and lowly of heart. Come to ME, and I will teach you all you need to know.

My plans are not your plans always. My wisdom is greater than your wisdom. I am on a search and destroy mission. I am out to destroy all the works of the enemy, all the lies of the enemy that have hindered My children. I am searching your hearts and searching your minds, and I will wash and wash, and cleanse, until you are perfected in your ability to completely obey ME.

What are you preoccupied with? What are you thinking to accomplish with your own will power? Nothing will be accomplished unless you abide in ME, and I abide in you. Give to ME all your problems. Come and let me lift all the weight off your backs. Only say YES to My plans, and I will bring forth all that is needed. There is much to be done in the days ahead, so prepare your hearts for a flood of many souls. Perilous times have come, and you must not relax your prayers or worship now. You must be diligent in the foundational disciplines to make it through these times. My Word is LIFE so eat of it and be filled with wisdom and revelation in the knowledge of ME as well as getting it from time in My presence. It is healing to your bones.

Taste and see that the Lord is GOOD, and His MERCY endures FOREVER !"

THE FINAL ACTS OF BETRAYAL BY YOUR  
LEADERS COMMENCE, WHERE WILL YOU  
BE IN THAT HOUR WHEN EVERYTHING  
CHANGES?

***Lamentations upon  
lamentations!***

***I, the Lord, will afflict this  
nation (US) because of the  
multitude of  
her transgressions. You have  
grievously rebelled and turned  
aside from My commandments. I will do that  
which I have devised. My Word will be fulfilled,  
as I will cause all to fall and I will not pity. I will  
cause the enemy to rejoice over you as he  
dominates for a time.***

***Where will you stand in that hour in which  
everything changes? For I tell you, in an hour, on  
a day you know not, your existence here will be  
forever altered. In a moment of time, nothing will  
ever be the same again. Will your faith stand the  
test? Will you rest in My promises and stand on  
Me, solid ground or will you succumb to the  
madness that will ensue? You have been given***

***ample time to prepare yourselves. The days of mercy now give way to the hour of justice.***

***The final acts of betrayal by your leaders commence. It is not possible for you to comprehend the depths of evil at work now. Satan works in fury as the hourglass empties itself. Revelation (the book of Revelation in the Word) is your reality. \*\*words in parentheses are mine for clarification with Father's permission\*\****

***Gird your loins, brace for impact. Stand firm, be strong and be courageous. Fear not, you who have chosen the narrow way of righteousness and holiness, for I AM your Pavilion. You shall not fear the terrors by night nor the arrows that fly by day.***

# "Behold, a White Horse, And He Who Sat on It Had a Bow; And a Crown Was Given to Him"

OCTOBER 11, 2016 9:55 PM BY MELISSA LEDBETTER 16 COMMENTS

Shortly after I became a Christian in September 2013, I received a word from God about President Obama. It was Spring 2014 and I was running on my treadmill. I was thinking on things of God when out of the blue I heard in my spirit, "Obama third term".

I then saw enormous civil unrest and chaos among citizens leading to this. Obama appeared to be doing everyone a favor, so the majority of people did not fight his decision. I saw there would be no election due to the unrest.

About six months or so after I saw that, I saw the [Sid Roth episode with Glenda Jackson](#) and my jaw dropped when I heard her say this:

"God showed me that if Christians don't start praying more than they ever have and even the churches become the house of prayer, this next Presidential election is not going to take place. It is going to be suspended because evil is going to arise and some disasters are going to happen and some things are going to be put in place and the President is not going to be removed. He is going to stay in. These things are going to happen and they are going to be VERY BAD if we don't get a hold of God. The church has got to get back to prayer. Prayer is the power He gave the church and we have to get the faith of God."

Then in May 2014, I had a dream in which I saw President Obama stepping out of a white mustang car to address a crowd of news reporters. Before he walked up to the podium, my husband spoke with him and convinced him to wear a tiara. So he did.

President Obama addressed the crowd wearing a tiara and had a darn proud face doing it. I honestly thought it was a silly dream at the time, but God kept bringing it back into my mind for months.

Then in December of 2014, I found a news story showing President Obama wearing a tiara with a group of school girls, as shown in the photo above. (Source: [ABC News](#)) The picture was taken in May 2014, which was when I had the dream. Again, my jaw dropped. So I immediately went into prayer and asked God if there was something significant about Obama written in the scriptures.

When I opened up my Bible, it opened to Revelation 6 and my eyes fell on the white horse passage.

1 Then I saw when the Lamb broke one of the seven seals, and I heard one of the four living creatures saying as with a voice of thunder, "Come."  
2 I looked, and behold, a white horse, and he who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer. (Revelation 6:1-2)

I immediately knew the meaning of my dream. President Obama stepped out of a white mustang to represent riding on the white horse. He wore the tiara to represent receiving a crown.

I don't exactly know if this passage in Revelation refers to the antichrist or the person who paves the way for the antichrist. Either way, I know President Obama is not to be trusted, despite all the charm many people claim he possesses.

## TRAGEDY IS COMING

TUESDAY, OCTOBER 25, 2016

## Tragedy is Coming

A tragedy is coming that is so immense, so widespread in its effect that all the world will mourn with America. This tragedy will bring about a financial crisis like nothing before it. The shock will cause all to take an inventory of their lives. Many lost will run to Me then, to know more of Me, and you must be ready for this time. You must be ready to answer their inquiries about Me. You must be walking in My ways to model Me before them.

I will begin soon to call more of my aging saints home to Me. I do not desire they see this tragedy. These are the ones who have served Me long and well, and their rewards are great in heaven.

The scope of this tragedy will be shocking. Many souls will be lost in what is going to happen. This is My last judgment call to the world to turn away from their sins, to turn to Me, to give Me their hearts.

At the same time, many who know Me shall turn away, blaming Me for this tragedy, and laying down their faith. Satan will enter their hearts then and their end shall be far worse than their beginning.

Hold tight to your faith, My precious children, do not let the enemy have your souls. Remain steadfast, for I have not forsaken you, and the end of all things is near.

NOTE: I had been praying for days about why I keep feeling there will be no Christmas celebrations this year when I got this word. I know it would take something huge to stop Christmas in America. Suddenly, I heard rumbling, and what came to my mind was an earthquake. I cannot say it is one, because He did not say that.

I cannot say for sure this will happen before Christmas, because the Lord did not say that.

I was concerned about the term "judgment call" as it generally means a summary judgment based on known facts, but then I realized *call* could mean *calling the lost to Himself*.

I feel this tragedy is a major earthquake, like nothing we have ever witnessed before, that will take many lives.

**AN EVENT OF SUCH GREAT MAGNITUDE IS  
HERE, A JUDGMENT THAT WILL SHAKE EVEN  
THE STRONGEST TO THEIR CORE**

Message received Oct. 22, 2016

Do you remember that day? Were you there when they crucified My Son on the Cross? When the earth shook and the Heaven's thundered? All creation cried out as they

crucified the Son of God. Creation is crying out once again, but I will not allow the wicked to crucify Him again!

**IT IS DONE!!**

An event of such great magnitude is here, a judgment that will shake even the strongest to their core.

I will cause great thunder, fire, hail and smoke as I make My presence known. The skies will roll back like a scroll and the seas will roar.

What began at Pentecost I will complete in My church all over the world. There will not be another opportunity like what has been offered now, after the ark door is closed.

Evil will reign for a time and a season, then the wicked will reap what they have sown. Only those rooted in righteousness, holiness and purity will stand, as no one

and nothing can stand in his own power or strength before the Great I Am. You have nothing to offer Me but obedience and trust, as I have already given the most precious gift to you, My Son Yahushua.

My fire is here to judge the wicked, but also brings great cleansing and purification to My church. Those who profess Me with their lips but whose hearts are far from Me will be stripped of everything, and see their sins before a holy God. Pray for their repentance.

My Son led by example. He made a way for you back to Me, your Father, when the way was hindered in the Garden. My Son showed you how to walk the crucified life, fully surrendered and in complete obedience. He showed you how to walk a surrendered life so you could then display a glorified one.

Is this where you abide??

You see, you must be emptied in order to be filled, just as My Son was. What is it to you, to be stripped of everything, alone, naked and afraid, shamed, mocked, and rejected as He was, if it means you gain it all? My Kingdom for all eternity. Was ever a choice so clear? Make this choice now, for I am shaking all things.

Give to Me your obedience and I will give you My Kingdom.

As My fire falls in judgment, it will also overflow and ignite a passion on the earth, as it is the fire of My love in My people which is even now igniting the earth, and simultaneously ushering in My glory and My presence.

Keep your oil lamps filled to overflowing, as you are My pillars, My ambassadors, the salt and the light, the tabernacles where I not only find My rest, but you are the foundations through which all that is written for the end ushers forth. You will show them My fountains of living water, to be deeply drunk from, as My Spirit floods this earth. Truly there has never been a day like this before, nor will there ever be again.

Trust Me for all your tomorrows and I will make sure your steps.

Give Me your hopes, dreams and plans, and I, the Artisan will mold and fashion your life with My design specifically for you, made after My very own image.

Stop chasing after the things of this world to satisfy the longing in your soul. I alone will satisfy and fulfill you.

Do not continue seeking another to truly know you, only the way I, your Creator could possibly know you, for I am a jealous God.

When you realize you can do nothing in your own strength, it is here you will find true freedom and the peace only I give.

Run with desperation into My Heart, your only safety now  
for the signs of My Word fulfilled are everywhere!  
EVERYWHERE! I will show mercy, but I must also be just.

Never forget that the most ultimate sacrifice was made by  
My Son to purchase you back to Me, and He is coming  
again to claim what is rightfully His.

The only fear you must possess is the fear of the Lord, for  
the Great and Almighty One has spoken thus to you this  
day.

## Prophetic Vision Reveals Sudden Downturn in Equities Market

Last week, I saw a very short vision. I was driving on a flat bridge crossing over a large river. Although I was driving the car, my view was from high up in the air, watching myself driving along with other cars.

When my car was about half way across the bridge, moving from my right to my left, on the other side of the bridge a very large red superhero character came flying up out of the water moving very fast toward the bridge....

On October 13 2016, I was given two separate visions during the third watch of the night. The first is shared here.

Let me preface by saying that when a prophet or prophetess brings a word from the Lord, such as a warning, it is to be done in humility because with any warning or judgment also must come a remedy or solution. All prophets must adhere when giving a word or warning, that it is from the Lord, that it is within Scriptural boundaries.... [\[Continue reading...\]](#)

Being obedient, I did what He commanded. You can read the entire Psalm 139 for yourself, but verses 23-24 go with the main theme of what He spoke to me.

# THE STANLEY FRODSHAM PROPHECY

This prophecy was given at the Elim Bible Institute USA, in 1965 by the late Stanley Frodsham. Brother Frodsham was one of those who received his Baptism in the Holy Ghost at Sunderland in 1908 where the Pentecostal movement in Britain had its beginnings. He was a recognized prophet and teacher in the Body of Christ whose life and ministry spanned the Pentecostal Revival, the great Healing Revival and the early days of the Charismatic Movement. He also authored the well-known book, "Smith Wigglesworth: Apostle of Faith". It is written: "Despise not prophesying. Prove all things, hold fast that which is good" (I Thessalonians 5.-20,21). The following is a prophetic word given to one who was under a heavy anointing. We believe all who read these solemn prophetic warnings should take diligent heed to them. "Believe in the Lord your God, so ye shall be established,- believe His prophets, so shall ye prosper" (II Chronicles 20.-20).

**With great judgments will I plead with the population of this country.** Great darkness is coming upon the countries that have heard my gospel but no longer walk in it. My wrath shall come upon them. The darkness shall be so great, and the anguish so sore that

men will cry out for death and shall not find it. There shall be a lingering death, famine, and great catastrophes.

My wrath shall be manifested against all ungodliness. It shall come with great intensity. You have known My love but have not known My wrath, My severity. My judgments are literal and not a thing to be lightly passed over. **Realize the severity of My judgments and My intense anger against the sin in My household. My judgments shall begin in My house.** For I will cleanse **My house** that it be not partaker of My wrath against the iniquities of the cities. Before I visit the nations in judgement I will begin at My house. When I do cause My wrath to come upon the cities of the world My people shall be separate. **I desire a people without spot or wrinkle, and such shall be preserved by Me in the time of My wrath coming upon all iniquity and unrighteousness.**

I am going to prepare you for the coming days by a hard path that will cause you to cry out continually unto Me. For when the going is easy, men do not seek Me, but rejoice in a temporary blessing. And when that blessing is removed they so often turn this way and that way but do not come to Me. I am showing you these things that you may seek Me continually and with great diligence.

As you seek Me, I will open up truths to you that you have not seen before; and these very truths will be that which will enable you to stand in these last days. **As you are persecuted, reviled and rejected by your brethren then you will turn unto Me with all your heart and seek Me for that spiritual life you have need of. And when tribulation comes you will have that which will enable you to stand.** For many shall be tossed to and fro. Men's hearts shall fail them because of trouble on every hand. For these days shall be very terrible, the like of which has never been seen before.

**When I visit My people in mighty revival power, it is to prepare them for the darkness ahead.** With the glory shall come great darkness, for the glory is to prepare My people for the darkness. I will enable My people to go through because of the visitation of My Spirit. Take heed to yourselves lest you be puffed up and think that you have arrived. Many shall be puffed up as in the olden days, for many then received My message but they continued not in it. Did I not anoint Jehu? Yet the things I desired were not accomplished in his life. **Listen to the messengers, but do not hold men's persons in admiration.** For many whom I shall anoint mightily, with signs and miracles, shall become lifted up and shall fall by the wayside. I do not this willingly; I have made provision that they might stand. I call many

into this ministry, and equip them; but remember that many shall fall. **They shall be like bright lights, and the people shall delight in them. But they shall be taken over by deceiving spirits and shall lead many of My people astray.**

Hearken diligently concerning these things, **for in the last days shall come seducing spirits that shall turn many of My anointed ones away.** Many shall fall through **divers lusts**, and because of sin abounding. But if you will seek Me diligently I will put My Spirit within you. When one shall turn to the right hand or to the left you shall not turn with them, but keep your eyes wholly on the Lord. The coming days are the most dangerous, difficult and dark, but there shall be a mighty outpouring of My Spirit upon many cities, and many shall be destroyed. My people must be diligently warned concerning the days that are ahead. Many shall turn after seducing spirits; many are already seducing My people. It is those who DO righteousness that are righteous. Many cover their sins by great theological words. **But I warn you of seducing spirits who instruct My people in an evil way.** Many of these I shall anoint, that they may purify and sift My people; for I would have a holy people.

Many shall come with seducing spirits and hold out

lustful enticements. You will find that after I have visited My people again, the way shall become more and more narrow, and fewer shall walk there in. But be not deceived, the ways of righteousness are My ways. For though Satan come as an angel of light hearken not to him; **for those who perform miracles and speak not righteousness are not of Me**. I warn you with great intensity that I am going to judge My house and have a church without spot or wrinkle when I come. I desire to open your eyes and give you spiritual understanding, that you may not be deceived but may walk with uprightness of heart before Me, loving righteousness and hating every evil way. Look unto Me and I will make you to perceive with the eyes of the Spirit the things that lurk in darkness, that are not visible to the human eye. Let me lead you in this way that you may perceive the powers of darkness and battle against them. It is not a battle against flesh and blood; for if you battle in that way you accomplish nothing. But if you let Me take over and battle against the powers of darkness then they are defeated, and then liberation is brought to My people.

**I warn you to search the Scriptures diligently these last days.** For the things that are written shall indeed be made manifest. **There shall come deceivers among My people in increasing numbers, who shall speak forth**

the truth and shall gain the favor of the people. For the people shall examine the Scriptures and say, "What these men say is true." **Then when they have gained the hearts of the people, then and THEN ONLY shall they bring out these wrong doctrines.**

Therefore, I say that you should not give your hearts to men, nor hold people's persons in admiration. For by these very persons shall Satan enter into My people. **WATCH FOR SEDUCERS.** Do you think a seducer will brandish a new heresy and flaunt it before the people? **He will speak the words of righteousness and truth, and will appear as a minister of light, declaring the Word. The people's hearts shall be won. Then, when the hearts are won, they will bring out their doctrines, and the people shall be deceived. The people shall say, "Did he not speak thus and thus? And did we not examine it from the Word? Therefore he is a minister of righteousness.**

This that he has now spoken we do not see in the Word, but it must be right, **for the other things he spoke were true."**

**Be not deceived. For the deceiver will first work to gain the hearts of many, and then shall bring forth his insidious doctrines. You cannot discern those who are of Me and those who are not of Me when they**

start to preach. But seek Me constantly, and then when these doctrines are brought out you shall have a witness in your heart that these are not of Me. Fear not, for I have warned you. Many will be deceived. **But if you walk in holiness and uprightness before the Lord, your eyes shall be open and the Lord will protect you.** If you will constantly look unto the Lord you will know when the doctrine changes, and will not be brought into it. **If your heart is right I will keep you; and if you will look constantly to Me I will uphold you.**

The minister of righteousness shall be on this wise -- his life shall agree with the Word, **and his lips shall give forth that which is wholly true, and it will be no mixture.** When the mixture appears then you will know he is not a minister of righteousness. The deceivers speak first the truth and then error, to cover their own sins which they love. Therefore I exhort and command you to study the Scriptures relative to seducing spirits, for this is one of the great dangers of these last days.

I desire you to be firmly established in My Word **and not in the personalities of men, that you will not be moved as so many shall be moved.** I would keep you in the paths of righteousness. Take heed to yourselves and follow not the seducing spirits that are already

manifesting themselves. Diligently inquire of Me when you hear something that you have not seen in the Word, and do not hold people's persons in admiration, for it is by this very method that Satan will hold many of My people.

I have come that you might have life and have it more abundantly, that you may triumph where I triumphed. **On the cross I triumphed over all the power of Satan; and I have called you to walk in the same path. It is when your life is on the cross that you shall know the victory I have experienced.** As you are on the cross, and seated in Me, then you shall know the power of the resurrection. When I come in My glory, the principalities and powers in the heavenly places shall be utterly broken. Fear not, for I have given you power whereby you may tread down the powers of darkness, and come forth victorious through every trial. **As you are on the cross then you are victorious. It was on the cross that I triumphed over all the powers of the enemy. My life shall flow through you as you enter into these precious truths.** Look unto Me, and appropriate My life. As your eyes and desires are toward Me, and you know what it is to be crucified with Me, then you shall live, and your anointing shall increase. It was not in My life that I walked upon the earth, but it was in My life when I was upon the cross

that I openly spoiled principalities and powers.

**I am showing you truths that shall cause you to overcome, to have power over the wicked one, truth that will liberate you and those round about you.** You shall know also the fellowship of My sufferings. There is no other way whereby you may partake of this heavenly glory and reign with Me. **"If we suffer with Him we shall reign with Him."** I desire to make those truths real within you. As you keep them before you, you will liberate many who are in bondage. You will have revelation of those who are in darkness and will have the keys to liberate the captives. Many seek to liberate, but they have not the keys. Upon the cross continually you will know the power of My resurrection that you may also partake of My glory. As you are willing to walk with Me and rejoice in your sufferings, you shall partake of My glory. Look unto Me for you have need of power to overcome the wicked one, and the bondages in other lives.

If you will indeed judge yourself you shall not be judged. As you seek My face and desire to be cleansed by Me in all truth and sincerity of heart I will judge you in the secret place, and the things that are in the secret place of your heart shall not be made manifest to others. I will do it in the secret place and no man shall know it.

And the shame that shall be seen on many faces shall not be seen on your face. Therefore in love and mercy I am instructing you. And therefore I have said that if a man judge himself he shall not be judged. It is not My good pleasure that the shame of My people be seen by all. How can I judge the world if I judge not first My own house? Hearken unto these things I am telling you. If you will not hearken unto Me thy shame shall be evident to all.

I would have you consider My life on earth -- the anointing upon Me was great and yet the temptations were great on every side; in one form and then in another, offering Me first the glory of the kingdoms of the earth and then reviling and persecuting Me. There will be great glory given to My people, and yet the temptations shall be intensified from every side. Think not that with the glory there shall be no temptations or persecutions. The glory of My church shall be great, and so shall be the temptations from the enemy to turn My people from My paths. I am warning you that when the glory shall be manifested, the temptations shall be great, until **very few that start shall finish. First there shall be offered them great worldly possessions, and then great revilings and unbelief.**

Consider your Lord, that as He walked so it shall be for you. There shall be need of great intensity of purpose. [At](#)

times everyone shall rise up against you, simply to turn you from the course that I would put you in. It is written of Me that I set My face as a flint to go to the direction My Father had prescribed for Me. **If you will finish the course the Lord has laid down for you, you will have to set your face as a flint.** With great determination you must walk in the course laid down for you. Many of your loved ones and those who follow with you shall persuade you and try to turn you from the course. With many words that seem right in the natural will they speak to you. Did not Christ rebuke Peter who would turn Him from the course God had prescribed?

Understand these two things and meditate upon them solemnly -- the persecution and the darkness shall be as great as the glory in order to try to turn the elect and the anointed ones from the path the Lord has laid down for them. Many shall start but few shall be able to finish because of the greatness of grace that shall be needed to be able to endure unto the end. The temptations and the persecution of your Lord was continuous. He was tempted by Satan in many forms throughout His entire life and even to the cross when the ungodly cried out, "If thou be the Christ come down from the cross." Think not that there shall be a time of no persecution, for it shall be from the time of your anointing until the end. Difficulties, and great persecution to the end. The Lord

must prepare you to be an overcomer in all things, that you may be able to finish the course. **The persecution shall increase even as the anointing shall increase.**

In paths of judgment and righteousness shall the Lord God lead His people and bring them into that place which He has chosen for them. **For the Lord has chosen a place for His people, a place of righteousness and holiness where He shall encamp round about them.** And all who will be led of the Lord shall be brought into this holy place. For the Lord delights to dwell in His people and to manifest Himself through His people. The holiness of the Lord shall be manifested through His people. Let the Lord lead you and He will lead you in difficult places. He led His people of old through a place where no man dwelt, where no man had passed through, in a place of great danger and in the shadow of death. The Lord will indeed again lead His people through such places, and yet He will bring them out into a place of great glory. Understand that the way toward the glory is fraught with great danger and many shall fall to the right or to the left, many shall camp on lesser ground. But the Lord has a place of holiness and no unclean thing shall dwell among His people.

**Put your trust in Him and He will bring you into a**

**place of holiness.** He desires to bring His people into great glory -- the like of which has never been seen for what the Lord will do for those who put their trust in Him. It is a place of darkness and great danger that separates His people into the place He would have them walk in. He will protect them from the voices that would turn them from His path. He will bring them through the dark places, and through the treacherous paths, out into the light of His glory. He will rejoice greatly over His beloved and cause you to be filled with joy unspeakable. He seeks to lead His people into a new place of grace and glory where He will indeed encamp among them. Put your trust in Him and He will surely bring you into this new place.

**Fear not the days to come, but fear this only -- that you shall walk in a manner pleasing to the Lord.** In this time I am ordering and setting up My church and it shall indeed be pure, without spot or wrinkle. I will do work in My beloved that has not been seen since the foundation of the world. I have shown you these things that you may seek the Lord diligently with all your heart, and that you may be a preserver of His people.

Run not to this one nor to that one, for the Lord has so ordained that salvation is in Him and in Him alone. You shall not turn to this shepherd or to that one, for there

shall be a great scattering upon the earth. Therefore look unto Him for He will indeed make these things clear to you. You shall not look here nor there, for the wells that once had water shall be no more. **But as you diligently seek Him He shall increase your strength and your faith, that He may be able to prepare you for this time that is coming.**

The truths that I have revealed to you must become a part of you -- not just an experience, but a part of your very nature. Is it not written that I demand truth in the inward parts? It is the truth of the Lord expressed in your very being that shall hold you. Many shall experience the truth, but the truth must become a part of you, your very life. As men and women look upon you they will hear not only the voice but see the expression of the truth. Many shall be overcome because they are not constant in My ways, and because they have not permitted the truths to become part of them. I am showing you these things **that you may be prepared,** and having done all, to stand.

## Revival

*Breakthrough is just ahead for My obedient ones. You have waited long for good news, this is your time. For in this time shall I raise up many unknown who have been submitting and preparing behind the scenes as I instructed them. I am raising up those who have heeded My warnings, those who strive to obey Me and conform not to the world around them.*

*In days coming, you shall see the revealing of many of My chosen ones. I am declaring revival in this time. I declare miracles, signs and wonders through My people in the earth that those who believe Me not among you may know that I am God, and I will be glorified in the earth!*

*Get ready, children, for you will see that which you have only heard about heretofore. You will see mighty works and exploits that will shock the nations, and many will give their hearts to Me in this time.*

*Beware, too, for persecution – extreme persecution, will be launched by the Evil One as these miracles convert many. His time is short and he knows it, and he will fight against My Glory in the earth.*

*When persecution comes, look up, for your redemption draweth nigh!*

# “You Will Shake Your Heads in Disbelief as the Days Unfold Ahead for You!”

AUGUST 22, 2016 4:48 PM BY STEPHEN HANSON 13 COMMENTS

“Are not the signs all around you?”

Can you not see the confusion and the turmoil?

Where does one find direction with all of the turmoil and darkness all around them?

I have been speaking to many of you in this hour. I have warned some of you about the impending darkness that is about to befall this nation.

I have shown you things in my Spirit and I have spoken to you about the catastrophic things that are coming. And yet some of you still think that life will be going on around you in the same way that it always has.

For you still get involved in the same political debates. You still follow this conspiracy or that one. You are like children in a playpen. You whimper and cry, and lose your temper at even the smallest of things.

When will you grow up?

When will you put aside these childish things?

For in the coming months you will indeed, be thrown into a whirlwind of activity. For the forecast shows an unsettling blanket of infighting and turmoil. Some prophesy that great days are ahead. And yet, are they listening to Me?

It is time to put your seat belts on, for the road ahead is going to be a bumpy one. Watch and wait, for the words that you have heard from some prophets about this coming election, will fall to the ground.

And you will shake your heads in disbelief, as the days unfold ahead for you.”

*For when for the time ye ought to be teachers, ye have need that one teach you again which be the first principles of the oracles of God; and are become such as have need of milk, and not of strong meat. For every one that useth milk is unskilful in the word of righteousness: for he is a babe. But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both good and evil. (Hebrews 5:12-14)*

## No Defense

*My Hand will destroy America completely. I shall raise up mighty enemies who conspire against her in ways she cannot defend. I shall break down her borders and the enemy shall pour in, indeed, the enemy is already among you, America, and you are doomed.*

*But My People I shall protect even in the destruction of this wicked nation that refuses to repent of its many abominations. I will burn your blood soaked ground and silence the cries of those you have slaughtered in their innocence.*

*I will quiet the fears of those around the world who fear the power of America, for her power shall reign no more, for she shall cease to be. Get ready, America, for your days are few now.*

1 John 1:6 If we say that we have fellowship with him, and walk in darkness, we lie, and do not the truth:

# "America, Your Day Has Come, Your Time of Reckoning is Here"

SEPTEMBER 6, 2016 12:38 PM BY PASTOR BENJAMIN FAIRCLOTH 79 COMMENTS

24

I received the following word from the Father during my prayer time on September 4 2016.

"America, your journey has taken you far and wide across My Creation. I've allowed you to grow and prosper. Your children have seen My Glory throughout the earth. They have been partakers of My bountiful blessings, but you have turned your back on what you know to be true! You have fallen from grace and your place of authority and dignity!

War is now your only solution; confusion will be rampant in your streets! You have sown into the wind, now you must reap the whirlwind!

I called you and I called you, but you murdered My Saints and martyred My Prophets. Not with swords of steel (you say), but by your words of deceit, decoy (meaning using words, laws, and agendas to shift focus away from the Truth), accusations, and slander. You've embraced the gods of foreign lands and have forsaken the God of your Fathers!

Holiness is no longer written on your hearts, but blasphemies and curses of what is True! You chose this road, this Highway of Hell! You will reach your destination; you will receive your heart's desire!

America, your day has come, your time of reckoning is here. Who shall you call when the plagues of Egypt fall upon your shores? When I smite you within your borders, who will defend you? You have sown towards this day, let the harvest of hell begin!

To My Church, My Beloved, stay clean and remove your foot from sin. Wash your garments in My Crimson Flood, My Redeeming Blood! Be not partakers of Baal and Babylon, and prepare for the great day of slaughter; for you it will be a day of harvest! A season of reaping what is Mine! (Ezekiel 18:4) For I have called you, prospered you, and prepared you for this hour!"

The Father gave me Jeremiah 19 as confirmation. Please read all of the chapter and see the prophetic parallel that the Father is showing us here in America. We are the Potters jar that contains the sins of our nation. We have turned our back on God! We were once formable clay in His hands, innocent and totally dependent upon Him, but like the jar that once was used as a vessel of honor in the King's hands, we have now been hardened, even fragile from the abuse, and carelessness of a surfeiting lifestyle. We have become a vessel of wickedness and only the breaking of the Father will save us from the total destruction that looms before us!

## The Last Show

*You will have no excuse, America, as I now do mightier works in you than My Son performed in Israel so long ago. You will have no excuse when I show you My mighty power, and yet so many of you (people in America) will refuse to repent even then.*

*You will refuse to repent of your sins, you will refuse to lay down the idols you worship, you will choose comfort and prosperity over a life of holiness in Me. In this shall I increase My judgments on the people who refuse Me now, when you see My mighty power and continue to refuse Me.*

*Get ready, America, for the last show is starting soon. You have been weighed and found wanting, and your days are numbered, for I shall destroy you completely.*

*Your proud flag shall never wave again. Your land has become polluted with sin as you have walked in your own ways and not in Mine.*

# **MESSAGE FROM SUE (Call of the Bride)**

## **RISE UP AND TAKE YOUR PLACE – 09/04/16**

Rise up O mighty Army from the dust, where you have been trodden under foot of man and foe. You have been counted as dead and forgotten as nothing; yet I have not forsaken you. Rise up, for the day of reckoning has come, and you have been made a threshing instrument in the hand of Almighty God. You will thresh the mountains where there are no fields. You will thresh the dens and caves of the earth where My lost ones hide. You will thresh the air, you will thresh the oceans, you will thresh the cities, and you will thresh the fields. Not even “one” grain of wheat will fall from your teeth, as you tear from the enemy all that is Mine. You will be given My robe of righteousness, and you will fully clothe My harvest, as you pull them naked from the very gates of hell.

JOY as has never been experienced by man, in heaven or on earth, will be yours as We harvest this land. You are a sickle in the hand of Almighty God that will be used to thrust the earth. In My Name, you will perform My Will, with Power that has never been witnessed on this land. Therefore, lift up your head and your voice, for you are about to behold Me in ways you have never dreamed possible. We will walk as One, as My Power and My judgments are poured out upon this land. You will not be afraid, for the Power and Love of Almighty God will rise up within you and pour out like a flood. You will hear My Words rush from your mouth with Authority and great Force, and the enemy will be silenced and flee before you seven ways.

Hearken, Mighty Army of God. Rise up and stand before your God, for the Day of the Lord has come; a day of outpouring, a day of release, and the year of jubilee. Shout out loud and sound the shofar; for the Great War in the heavens has come down to earth. Rise Mighty Army of God, and take your place. Shout out loud and sound the shofar!!! The Day of the Lord has come, and through you, I will show Myself Mighty across this land. The leaders of this earth will fear greatly and bow down before Me, as I disintegrate the entire master plan of the enemy and bring him low. Shalom

**I HAVE TURNED UP THE HEAT - FINISH  
YOUR SPIRITUAL PREPARATIONS MY  
BRIDE, MAKE HASTE!**

***The tide has turned My children and I have caused it to turn in your favor. No more will***

***My children continue to be trampled by the wicked one. It is enough! These are My words this day.***

***Are you ready for My great outpouring? Are you ready to fulfill all you were sent to do to***

***advance My Kingdom? Are you ready for My holy fire? For I tell you I have turned up the heat, and I will turn your vessels into the purest of gold, tested and tried by fire.***

***The world has never seen what I am about to do in and through My people, for I will demonstrate mightily My power and My authority poured through these, My purified ones.***

***Walk through this last door My cherished ones, My Beloved, as I make beauty from the ashes. Shed these last vestiges of self in***

***order that you be shaped now into brilliant diamonds, jewels in My crown.***

***I have set you forth as pillars of My glory and My light and you will do much to display My love and the ways of My Kingdom to a dark and dying world before I gather you to Myself.***

***This is the time I have been preparing you for. You are in the season. Rejoice as I turn your sorrow to joy, and your mourning into dancing. So many in the unseen that have gone before you have anticipated this moment and continue to pray for you. Heaven is so eager for the ensuing celebration.***

***Finish your preparations spiritually My Bride, make haste! Prepare to rise on eagles wings! Prepare to fly with your King and Bridegroom...***

**YAHUSHUA**

**A Word Concerning America – August 27, 2016**

**MAURICE SKLAR·SATURDAY, AUGUST 27,  
2016**

The Word of the LORD came unto me, saying:

**DO YOU BELIEVE THERE IS NO HOPE  
AND I CANNOT DELIVER YOU AMERICA**

– DR. MAURICE SKLAR

“My people have been crying out to Me for relief and deliverance from the oppression of evil government leadership led by the pharaoh in the White House. You cry out to Me to rescue your country and ‘make you strong again’.

Yet, you still won’t repent, humble yourself, and turn from your idols and your wicked ways.

Most in the church are lukewarm in their spiritual life; they are speaking unbelief, hatred, division, and death over their leaders, their government, and their land.

Should I give you what you are speaking into my ears? You have stopped praying for your president and leaders; you are grumbling and complaining in your tents against Me even as the children of Israel did in the wilderness, and most of all, you have entered into hopelessness and despair. You are living in sin, idolatry, and compromise. You have allowed the spirit of fear in the world to trouble your hearts.

Is My hand shortened that I cannot save? Do you really believe that there is no hope and I cannot deliver you? That is not the case!

Oh America, how you have wearied Me with your sin and your unbelief. Your sins have filled up the bowls of My wrath. They are splashing over. Soon, the time will arise when I must judge America and all the nations of the earth. I will not hold it back much longer. The time of grace will soon come to an end. O earth, the

Tribulation is nearly upon you!  
Remember, I AM THE HOLY ONE OF ISRAEL! I am HOLY! I never change. Read My Word. Read the Book of Revelation. I mean what I say. It will happen exactly as it is written.

Repent, watch and pray that you may be accounted worthy to escape these things that are coming upon the earth and to stand before Me.

When I return, shall I find faith on the earth?

So, you want to know what I think of the “candidates”? One is a witch. The other is a man of Babylon.

Nevertheless, this man from Babylon has already turned to me, and in his ultimate destiny he will surrender totally to Me. He also knows that this election is far bigger than he can handle. So he is

praying to Me daily. I am responding. I am shaking the pride out of him. He, and many like him, will do the same before it is all over. For I am shaking all the nations!

If you will return to me, oh backslidden church, I can still turn things around in America.

Concerning the witch, she has sold her soul long ago to Satan. The enemy has taken her as his mouthpiece and clothed her in darkness and lies. Her one goal is to prepare the way for the Antichrist as fast as she can. She will do anything and say anything to obtain her short hour of power, greed, lust, and control. If you want to know how she is, in her heart, read about Jezebel. The witch has sold herself to do evil in My sight and serve darkness. Or, just look at her history. A bad tree CANNOT bear good fruit. She shall reap what she has sown. Look at her and you have an exact likeness of your treacherous

and adulterous heart. Love of money, power and pride more than Me.

America, you are looking at a mirror of yourself when you look at the candidates that you have chosen to be your king. Behold the Kings you have chosen! Do you like what you see? But, there is another people in your land. My faithful and holy Remnant...

I am preparing My Bride. I am keeping her and watching over her. She has been in the wilderness since 1999 when the Laodicean church threw her out. She is living in victory in the wilderness of the nations. She is waiting, watching and praying for My appearing for her in this Midnight hour. She is living for My Kingdom to come and not this present evil world.

Oh My beloved Bride, keep your eyes on Me. Keep the oil in your lamps. The lamps of the foolish virgins are sputtering out. Their oil is nearly spent. Many shall be left behind. Guard your hearts. Guard your minds. Guard your time with Me. Many will fall away in this perilous hour...for Satan has come down raging toward you. For the TIME IS SHORT! Hold fast that which you have, that no one take your crown...and your bridal veil of consecration.

Oh earth, earth, earth...HEAR THE WORD OF THE LORD!”

# "We Are in a 60-Day Window of a National Heart Attack"

AUGUST 29, 2016 12:00 AM BY PASTOR BENJAMIN FAIRCLOTH 132 COMMENTS

During my early morning prayer time on August 28 2016, the Father spoke the following words to me.

"America, I weighed you in My balances of righteousness and you have been found wanting! Your extortion and bribery is a stench that has been raised to Heaven! I will no longer look the other way. I can no longer wink at your sin! Now is the time for the payment required for your sin!

You have abandoned Me. You have rejected Me and now your heart has a void. A void no amount of sin can fill! Your watchmen have warned, but you've turned your head! My prophets have sounded My trumpets of judgment, but you stopped up your hearing with another gospel! A strange sound and fire!

Behold I will strike at the heart of this nation, the center of your pleasures and desires. Your folly will become your shackles; your feast will become your famines, because you have rejected My counsel!

I told you to buy of Me pure gold tried in the fires of Righteousness, but you chose fool's gold! Riches bathed in vanity! You lusted for the riches of Egypt! You longed for the beauty of Babylon! Here it is! I will give it to you and you will vomit with the spoils of your pursuit!

Your beauty, Oh America, will change! As a bride who has played the whore, your dress will be stained with vileness and all manner of uncleanness! You have chosen this! You have desired this! You have abandoned My Pardon!

The hour has come, I will strike at your heart! Your riches will fade, your beauty will be consumed by grief and much sorrow!"

The Father then spoke this to me concerning America, and the timeframe of this heart attack, "We are in a 60-day window of a national economic heart attack. Prepare accordingly!"

The Father shared with me that this event would be economic/financial in nature, but the cause could come from any direction, including natural disasters, terrorism, false flag events, riots, or just pick-your-poison type of event that is going to shock America. So it is a cause and effect scenario that leads to a type of shaking to our economy.

You must not wait around any longer.

You must get familiar with Me using you now, so  
that you are not deceived later.

My power is available NOW!

All you need to do is ask, I only give My children  
good gifts, not ones that hurt them.

Don't believe the lies of the enemy, My gifts are  
just as much for today as they were almost 2000  
years ago. Am I not the same yesterday, today  
and forever?

As a babe learns how to walk, so will you be when  
you first are learning to use the gifts of My Spirit.

You will stumble and fall a few times, then you  
will toddle, then you will walk and then you will  
run. Do not run ahead of Me though, for I will  
have to discipline you and bring you back to

where I AM. Is that not what a good Father does? You must not wait around idle, waiting until the light of My glory falls upon all of My sons and daughters. The verses in Isaiah (chapter 60:1-5) will come to pass during the deep, gross, utter, ubiquitous and all encompassing, darkness. You must step out now and yield to My Holy Spirit power and not wait until then. I have said not to quench My Holy Spirit when it prompts you to do something, step out in faith and My anointing, for you have both of these already. If you wait, your walk will be so treacherous that you will stumble and fall. You must be obedient and listen to Me, for it is the only way you will survive. Stay close to me and do not fear. Fear and lies allow the power of the enemy to keep the door open for his evil plans for you. My perfect love casts out fear and My words do not lie, hide them in your heart. When I use you, it does not increase or decrease My love for you. You will earn rewards in My kingdom though, for every act done in obedience to My Spirit and love for Me and your neighbor.

Understand and obey the word of the Lord!  
Take your eyes off of what the enemy is doing

and fix your eyes on Me!

Be concerned with My plans and not his.  
Take authority in My name to cancel every plot,  
plan and scheme of the enemy.

Every weapon formed against you will not  
prosper and every curse sent against you will be  
broken.

Ask for a hedge of protection and a wall of My  
Holy Spirit fire. Cover yourself with My blood  
and repent of every sin. Send every demon  
fleeing in My name. Command My angels and  
they will help you and protect you.

**RISE UP!**

Do the works that I have done and greater!  
No more will sit idly watching others do My  
work.

No more will you be a spectator.

Shout it from the rooftops!

Put the trumpet to your lips!

There will be no more delay.

Proclaim that I AM coming quickly!

Begin to step out and lay hands on the sick and  
they shall recover, because I have said it and it is  
so!

Cast out demons, for they are subject to My  
name, Jesus.

Speak with new tongues for it is our perfect love  
language and the enemy cannot understand it.

Raise the dead for I AM bringing life through  
you.

I have given you authority to trample on serpents  
and scorpions, and over all the power of the  
enemy, and nothing shall by any means hurt you.

You are the ones of whom it is written, they  
overcame him (Satan and his evil followers) by  
the blood of the Lamb and by the word of their  
testimony, and they did not love their lives to the  
death.

I will confirm My words that you speak with  
signs and wonders and miracles following, but  
you MUST step out and yield in obedience to My  
Spirit.

Call upon My name now and receive the power of  
My Holy Spirit!

I AM the All Powerful One  
I Am the Lion of the tribe of Judah  
I Am the One that they pierced  
I AM Jesus

## *In this Time of Darkness*

*My children, in the times coming, all will be in spiritual darkness around you. Only My children will have the light. Just as all of Egypt was dark, and only those who dwelt in Goshen had light. So it shall be again when the enemy reigns for a time. Everywhere you look, there will be great darkness.*

*In this time of darkness, there will be famine, and there will be great plagues – so great that men will fear to leave their homes in search of food, for fear of dying of these plagues. In this time, those who know Me will be fed from My Hand. I shall feed them Myself. It will be as in the days of manna in the desert. Great miracles shall abound for My people, and those who hate My Name will see the miracles and kill those who enjoy them. They seek to remove My Name from the earth, but the enemy cannot remove My Name from that which I have created with My own hands. I tell you these things that you may remember what I told you when they come to pass.*

*Do not fear the famine or the plagues for they shall not touch those who walk in obedience to Me. They shall not touch those who cling to My Name. They shall not touch those who are full of My Word.*

*Fear not, for have I not told you these things would be in My Word?*

### A Message, Vision, and Dream for The Bride

7/23/2016

Come to Me My Love. I am waiting for you. You see, very soon you will be transformed! You will be absolutely delighted about your new body! Each of you I have masterfully crafted, and you each will carry a greater measure of My Spirit. Very soon now the transformation will be upon you!! This is a gift to My Bride! Don't fear what is coming upon the world for you will be perfectly protected in your new bodies. I have sent more angels to watch over each of your households. Some travel with you and never leave your side and others stay at their post which I have assigned. You see, My Bride is perfectly protected as she is My Greatest Treasure! Soon your eyes will be opened, and you will see through the veil! Your help is already in place for we are days away from Kickoff!

#### VISION:

I had a quick vision where I saw 2 very ordinary clouds part in the sky, and as they parted the brightest light I have ever seen shown through them! When I saw this, my body reacted in the physical with a jolt of what I can only explain as electricity! It was not painful at all, but it literally rocked me!

#### MESSAGE CONTINUES...

Surely I am coming quickly! Prepare your hearts My Love and lift up your head for soon I will part the clouds and call My Own, My Bride to Myself, and she will hear My voice loud and clear and answer My call! My Love! Prepare for your King for surely I come! Now get this posted without further delay for the night is coming and Your Knight is coming! I love you My Darling! I love you!

## **TD HALES VISION (Nov 24, 2012)**

As I was in the air I saw America in this state of being covered with these flood waters. Then all of a sudden as I was suspended in the air I could see these beams of light quickly coming up out of the flood waters. Like at the speed of light they were quickly going up into the air. There were millions it looked like. Then at that moment I was taken higher above the earth and I could see the **round earth** and all over the earth I started seeing those lights shooting up all over the world. Then I came back down to the earth as if I was back at the beginning of this dream. Then I heard a voice say, "The shifting has begun."

## **TOMMY HICKS VISION (1961)** **(How to Heal the Sick)**

And from those clouds suddenly there came great drops of liquid light raining down upon this mighty giant, and slowly, slowly, this giant began to melt, began to sink itself in the very earth itself, and as he melted, his whole form seemed to have melted upon the face of the earth, and this great rain began to come down. Liquid drops of light began to flood the

very earth itself and as I watched this giant that seemed to melt, suddenly it became millions of people over the face of the earth. As I beheld the sight before me, people stood up all over the world! They were lifting their hands and they were praising the Lord.

## **JULIE WEHDBEE VISION – STATUE OF LIBERTY**

This morning, June 29, 2016 upon waking, I was given a vision. I saw the Statue of Liberty in the United States being overtaken suddenly by tidal waves. Everywhere around the statue was under water. The waves came fast and engulfed her until she was out of sight. I also saw types of containers and the word 'cistern' came to mind. They were man-made, placed all over the world, and filled with water representing the power and strength that man feels he has built for himself. These cisterns were cracking, pieces dropping to the ground as their substance poured out, then disintegrated completely. From the Throne of God, Father then showed me living water being poured out like never before in great measure, while He smiled upon His remnant. This living water is radically transforming His remnant into a glorified people, each one receiving a beautiful crystal like pitcher of this living water that is poured in and through the Bride member, and then from there onto all who they minister to. This living water is actually made up of millions of tiny jewels, radiant and brilliant and intricately designed, treasures beyond measure from the Kingdom of Heaven for this time of now, and with this outpouring, His Bride is illuminated and appears transparent.

## **DIANA PULLIAM VISION**

One morning in 2014, after a time of prayer and study, I was sitting quietly before the Lord, when suddenly I had an open vision:

I saw the earth from about the distance of an orbiting satellite. As I watched, darkness began to gather around the planet. It appeared as dark clouds, and increased until it encircled the earth like a blanket. The heavy darkness then began to descend.

As the darkness descended, I saw lights begin to appear and sparkle all over the surface of the planet. Soon, it looked like the photos you see from satellite of developed countries at night, but these lights were appearing all over the earth. The lights became so bright it was blinding, and they started to rise from the surface of the earth.

The brightness of the lights increased until it appeared as one great light rising up to meet the descending darkness. Then millions of light rays began piercing and shooting through, until finally, the light completely penetrated and rose high above the darkness. End of Vision

## **BE PREPARED FOR A ROUGH RIDE AT FIRST**

### **And Then I Come for You (Bon's Blog)**

Remember that I told you there will be a short span of darkness you will need to walk through before I come for My Bride, and there will be a time when it may appear that I have forsaken you ~ but nothing could be further from the truth! No matter what happens and no matter how you feel, I have not forsaken you and never will forsake you! It will be at this time that you must strengthen your faith in My Word, the Bible, and in My personal words spoken to you. Just because you may not be able to feel Me for a short span, know that I am with you, regardless of your feelings, and I will bring you through.

### **Guard Your Minds**

Guard your minds. Guard your minds well, for the enemy comes to sow doubt and discord into your hearts through your thoughts. In this way, he

can negate your great faith in Me to answer your prayers and therefore make your dreams a reality.

By sowing doubt, he will deceive many in these end times. Many shall perish when they cannot believe for their needs to be met in times coming.

A time of great need lies ahead, not only for America, but for many nations, My children, and great faith will be required to survive it. (In my spirit, I saw a great famine, and no jobs – something had happened to all the industries, as if they could not function.)

This time of need will bring great famine to your lands and it will continue for many years. You cannot store enough food to get through it, for it is very long. Many thousands will perish in this time, but I shall care for My own that have faith – faith to believe Me for what they need to come miraculously.

In this time, the enemy will indeed gain many souls, because the love of My Body will fall away. Because I do not stop the famine, they stop believing.

Scripture must be fulfilled, My children. Though this world and all in it pass away, not one jot or tittle of My Word shall pass away.

Guard your minds, and your faith. Rejoice in your trials, for I am preparing you by increasing your faith now for what is to come, because I love you.

### Much Suffering

*Much suffering lies ahead for the people of America.*

*My people need not fear. Did I not feed My own in the desert, in times of famine? Did I not protect My own who walked in My ways, even in times of war, in My Holy Word?*

*The key, My children, is to be found abiding in Me, in My Word, for there you will see how I treat My own. Many of My people are fearful of My judgments. You do well to fear My power, but remember, I am your Father. You are My precious child.*

*When you obey your Father, is there anything to fear?*

### Provision

*My people are not trusting Me to provide for them in what is coming. The enemy has consumed their minds with fear and they are not trusting in Me, the living God, for what they need.*

*My people - do you not know and can you still not understand that no amount of earthly provision can sustain you through My judgments? What the future holds are not merely acts of weather, they are My judgments on a world that has rejected Me and refuses to walk in My ways.*

*Why have you stopped believing in Me and My mighty hand of provision? Seeds you sow now shall sustain you then, not your own earthly provisions, for you are not able to contain enough provision for that time. Could Joseph's brothers have enough grain for all their family for seven years of devastating famine?*

*The famine that comes will be unlike anything you have seen before and no man shall be able to remedy it.*

*Go back to the basics, My people. Believe in Me, your God. Be ye not double-minded. Set your heart to believe and stay on course. There is no room for doubt in what is coming. It is not difficult for Me to provide for you and your loved ones. I created everything you see! I created you!*

### America Shall Bow

I was in my morning prayer time and the Lord was speaking to me about spending more time interceding for the lost, and prayer in general.

*Tell My people I will be returning soon. Sooner for some than for others.*

At this point as the Lord was speaking I saw events such as car wrecks in my spirit - the kinds of things that take lives very suddenly and without warning.

*My mighty hand of judgment is upon the wicked nation of America, a nation covered in filth and soaked in innocent blood, a nation whose sin is a stench in My nostrils, a nation that flaunts its abominations.*

At this point in the spirit I saw America in the form of a cheap and tawdry looking woman and she was beckoning with her finger. Her lips were painted brightly and there seemed to be no virtue about her.

*I shall strike it with a blow no one will forget and from which it will never fully recover.*

The Lord showed me in my spirit that America had followed in Lucifer's footsteps - it has set itself up as a god to other nations.

*She revels in the worship of the kings of other nations and this I abhor! I shall strike her with fire and with famine and with diseases and she too shall bow before the Holy One of Israel.  
Do not think you can save yourselves.*

*My chosen ones only will I protect from what is coming. Seek My face, I will guide you that you and your households may be saved.*

### I Am Your Refuge

*I am your refuge. I am your strong tower, your defender, your peace. And I will be your protector as My Word for the end of times comes to pass. You need not fear, My people.*

*For in My Holy Word, did not My people walk through fire? Did not My people walk through the Red Sea? Through famine, and wars, unscathed? And so also shall you who are truly of Me.*

*Stand, draw near to Me. Focus on My salvation, on My glory, and watch as I care for you who are truly My own through to the end! You who do not side with evil, who do not condone sin, who do not teach what is evil and call it good, who stand for truth, you are truly Mine.*

*Rejoice!*

### Weep for America

April 1, 2009

I was praying and asking God to help me distance myself from distractions so that I could be more effective in my time in His word and in prayer when He spoke this to me.

*"The world around you is filled with distractions – many of My children do not spend time with Me at all but the cost to them will be great in the days coming for I shall pour out My judgment upon all those who do not seek to know Me or My Will for their lives. No longer shall I look on as they go their own way following their own plans but I will smite them with a curse until they turn their faces to Me in repentance!"*

*"The days are quickly approaching when gross darkness shall cover the earth and men's hearts shall be darkened. No more will they be able to turn to Me and choose My way for they will have worshiped their own way and I shall give them the fruits of it."*

*"This nation is no longer under My blessing but under a curse and those who have not chosen to know Me will soon feel My hand of judgment heavy upon them. Cry, My Children! Cry out for those you love! Weep and wail, mourn for the unrepentant hearts for souls are at stake! Cry out to Me for mercy for them for I am the only One who can save them from the flames of eternal damnation!"*

*"Weep and wail for this lost nation for soon it shall drink from the cup of bitterness as I have ordained! Weep for it! Cry out for the unsaved for many shall perish in that hour! My fire falls on those who love Me and serve Me but a different fire is coming for the wicked and they know it not! I hold My own in the palm of My mighty hand to protect them but I shall pour out My anger on the wicked and unrepentant and my judgments are coming soon!"*

*"Cry My children! Cry and mourn in travail for the lost for this is My heart!"*

*"Why waste ye hours praying over building funds and music programs while the hungry and lost walk in darkness? Did Jesus build buildings? Did He run music programs? Nay! He fed the hungry, visited those who were sick and healed them, He prayed and taught unbelievers, He called sinners to repentance!"*

*"Why do I see My precious widows and orphans sitting alone while My shepherds and priests meet each other daily over expensive lunches? I say those who do not repent of this before Me with tears will pay a grave price! You seek to build your own houses and ignore Mine! I shall tear your idols from Your hands and leave you weeping with no places of worship for forsaking Me, the Fount of Living Water! I shall leave your little ones fatherless and crying in the streets for bread when I smite you with a curse!"*

*"Weep and howl for your sins have come up before Me and they are grievous! Weep and howl for the fates that await your young ones for your lack of obedience and unrepentant hearts! Weep for your nation for she has forsaken Me and now she must be judged and you will stand in awe of My mighty power as My Hand of Judgment moves against her!"*

*"I will strike her with fire, with famine and disease! The screams of the wicked I will not hear in that time. I will give her enemies power to burn her and torture her – they will spoil her riches and ruin her beauty because she has forsaken Me and My ways! No more shall she be called the land of the free and the blessed but she shall be termed desolate – jackals shall lodge where her cities once stood so proudly – weeds will cover her and insects will feed on the flesh of the dead in her streets."*

*"Then will you know that I AM the Lord your God and Me only shall you serve and worship!"*

## Watch Now

***My shaking is coming to your government, America, for My Judgments are at the door.***

NOTE: In the spirit, I saw panic, disorder and chaos in the White House, but not the reason for it – it appeared that something very upsetting had happened on a very large scale.

***Darkness has invaded America and the enemy lurks within its borders. A plan is underway to surprise you with an attack that will shock the world. In days past, I would have shielded you (America), but you no longer walk in My Ways, preferring abomination to blessing. So abominations you shall have.***

NOTE: When He said abominations we would have, I knew He meant very literally, but I could not see if He meant abominable creatures, people, or what form we will have them in.

***Watch now as I bring to pass the abominations you have desired.***

NOTE: It occurred to me that radiation mutates living things, and could cause creatures we would consider abominations to occur.

# THEY WILL CALL ON ME, BUT I WILL NOT ANSWER:

Prov 1:23-33

Turn at my rebuke;

Surely I will pour out my spirit on you;

I will make my words known to you.

24 Because I have called and you refused,

I have stretched out my hand and no one regarded,

25 Because you disdained all my counsel,

And would have none of my rebuke,

26 I also will laugh at your calamity;

I will mock when your terror comes,

27 When your terror comes like a storm,

And your destruction comes like a whirlwind,

When distress and anguish come upon you.

28 "Then they will call on me, but I will not answer;

They will seek me diligently, but they will not find me.

29 Because they hated knowledge

And did not choose the fear of the Lord,

30 They would have none of my counsel

And despised my every rebuke.

31 Therefore they shall eat the fruit of their own way,

And be filled to the full with their own fancies.

32 For the turning away of the simple will slay them,

And the complacency of fools will destroy them;

33 But whoever listens to me will dwell safely,

And will be secure, without fear of evil."

## No Time To Know Me

*There are many of My people who tread lightly in waters of sin and think it matters not. You feel sure with only such small sins you surely will not become trapped or be unable to exonerate yourselves.*

*No sin is that small in My eyes, since every sin puts your actions on one side and Me on another. I desire we would be on the same side, My children, that I may protect you.*

*In the darkest of times up ahead, you will wish desperately for any kind of protection, since all you know will have been stripped away in the world. All that will be left will be what you have in Me. If you have not taken time to invest in a relationship with Me, there will be no help for you. Money, even great wealth, and prestige, will mean nothing. Friends will mean little since there will be little to survive on and food will become as in the time of the destruction of My holy city, Jerusalem, when those trapped would gladly eat the flesh of their own children, just for a morsel to put into their mouths.*

*The strength of My Word in your spirit will sustain you then, for I will provide for those who come to know Me in this time, but woe to those who play now and try to repent later, for there will be no time to come to know Me in the midst of chaos.*

*My children, some of you yet still disregard My warnings to you, as though these things will never come to pass, but I am not a man that I should lie. I have always tried to warn My people and those who are not yet Mine of coming storms. This storm will exceed them all, for this storm knows no end until My Son's return. I desire you would not suffer in the time coming, My people, but I cannot prepare those who refuse to prepare by spending time with Me. Some of you think you will somehow be exempt from what I am saying, yet you will not.*

*The darkness is coming, and it will search for you. Only those who fill their hearts with the light of My holy Word and My presence can hope to survive the end of the age.*

# "There is a Poisonous Pollution Being Spewed Across the Churches of America"

JULY 25, 2016 11:46 PM BY PASTOR BENJAMIN FAIRCLOTH 135 COMMENTS

During my early morning prayer time on July 24 2016, the Father spoke the following words to me.

"There is a poisonous pollution being spewed across the churches of America. A false prophecy of hope, rooted in the trust of a man. I will expose this false Hananiah prophecy in the coming days! I will clear the air in My Churches with fresh revelation and fresh anointing. I am not the author of confusion! I have not sent these false prophets, who are not prophets, but mouthpieces for the wicked one!

Confusion, deception, and false revelation reeks from the mouth of these vipers and snakes. Their venomous poison has been designed to confuse My Church, to paralyze them between two opinions. Whom shall I serve and whom shall I believe? But I will settle the score and I will settle the issue. I will silence the prophets of Hananiah with great vindication to My Jeremiah's, My Isaiah's, and My Prophets of Truth!

I will clear the air says your God. I will remove the stench of the Prophetic Pollution that the prophets of Baal proclaim. This will be the showdown of My Word against the god of this world.

The prince of the air has confused many but I will reveal My Truth. I will reveal My Voice and those who know Me will respond and follow Me. My Sheep know My Voice, My Church knows My Ways, My Bride knows the time of Her departure. For it is when the fig tree bears her fruit, the time is nigh. Do not be dismayed by the prophecies of false peace and false hope. The tares will always grow among you. But you must abide in Me and My Words abide in you. That will be the difference between the wheat and tares of the last days. I know the difference says the Lord and I will reap, bundle, and store what is Mine!

But for the unprofitable servant, I will cast him out. For I will reward both the wicked and the righteous. Choose this day; to whom will you serve, and to whom will you listen!"

The Father then revealed to me the following prophetic teaching. The prophet Jeremiah was instructed by God to tell the King of Judah and the five kings of foreign nations that they would go into bondage to the King of Babylon. This was a very heavy and hard word to give and receive, but it was the word of the Lord. It was such an extreme word that the Father added some consequences if they did not obey His plan.

# THEY WILL CALL ON ME, BUT I WILL NOT ANSWER:

Prov 1:23-33

Turn at my rebuke;

Surely I will pour out my spirit on you;

I will make my words known to you.

24 Because I have called and you refused,

I have stretched out my hand and no one regarded,

25 Because you disdained all my counsel,

And would have none of my rebuke,

26 I also will laugh at your calamity;

I will mock when your terror comes,

27 When your terror comes like a storm,

And your destruction comes like a whirlwind,

When distress and anguish come upon you.

28 "Then they will call on me, but I will not answer;

They will seek me diligently, but they will not find me.

29 Because they hated knowledge

And did not choose the fear of the Lord,

30 They would have none of my counsel

And despised my every rebuke.

31 Therefore they shall eat the fruit of their own way,

And be filled to the full with their own fancies.

32 For the turning away of the simple will slay them,

And the complacency of fools will destroy them;

33 But whoever listens to me will dwell safely,

And will be secure, without fear of evil."

## No Time To Know Me

*There are many of My people who tread lightly in waters of sin and think it matters not. You feel sure with only such small sins you surely will not become trapped or be unable to exonerate yourselves.*

*No sin is that small in My eyes, since every sin puts your actions on one side and Me on another. I desire we would be on the same side, My children, that I may protect you.*

*In the darkest of times up ahead, you will wish desperately for any kind of protection, since all you know will have been stripped away in the world. All that will be left will be what you have in Me. If you have not taken time to invest in a relationship with Me, there will be no help for you. Money, even great wealth, and prestige, will mean nothing. Friends will mean little since there will be little to survive on and food will become as in the time of the destruction of My holy city, Jerusalem, when those trapped would gladly eat the flesh of their own children, just for a morsel to put into their mouths.*

*The strength of My Word in your spirit will sustain you then, for I will provide for those who come to know Me in this time, but woe to those who play now and try to repent later, for there will be no time to come to know Me in the midst of chaos.*

*My children, some of you yet still disregard My warnings to you, as though these things will never come to pass, but I am not a man that I should lie. I have always tried to warn My people and those who are not yet Mine of coming storms. This storm will exceed them all, for this storm knows no end until My Son's return. I desire you would not suffer in the time coming, My people, but I cannot prepare those who refuse to prepare by spending time with Me. Some of you think you will somehow be exempt from what I am saying, yet you will not.*

*The darkness is coming, and it will search for you. Only those who fill their hearts with the light of My holy Word and My presence can hope to survive the end of the age.*

## Persecution Comes

Jun 13, 2016 10:07 am | Glynda Linkous

*My precious children, do you not see what is happening in the world around you? Darkness is beginning to descend upon the earth and those without My light will no longer see or understand truth. Those who refuse truth now will not be granted the truth later, for they are given over to the darkness. Those who know Me now will shine like the sun through this dark time, and suffer much persecution.*

*Woe to those who call good evil and evil good in this time, for their end is destruction. Repentance shall not be granted them for they have refused the truth and chosen the lie. They are not Mine.*

*Abide in Me, abide in My presence that I may protect you from all that is to come, My precious ones, for much evil comes into the world and you will be hated for My Name's sake, but those who endure to the end shall be saved.*

*Prepare for persecution, My children, for it comes. The enemy is filled with wrath, for he knows he has but a short time now and he desires your soul.*

*Stand and refuse to be moved from your most holy faith. Stand and proclaim My Name boldly, for I Myself will defend you, and I will receive you unto Myself at the end. The enemy will pass laws against My people, but He will be unable to stop My gospel in the earth, for I have a people that is bold and courageous! A people who will refuse to be silenced. Do not fear when you see these things happen, My children, but rejoice for the end is nearer and you are coming home to Me.*

# "This Coming Fall is Going to Tear Open a Great Division in the United States"

JULY 5, 2016 7:39 PM BY STEPHEN HANSON 21 COMMENTS

12 Brother will betray brother to death, and a father his child; and children will rise up against parents and have them put to death.

13 You will be hated by all because of My name, but the one who endures to the end, he will be saved. (Mark 13:12-13)

"I tell you that this coming fall is going to tear open a great division in the United States.

For with the upcoming election, more and more fights will be breaking out. Entire churches will be divided. The Capitol building will house a new candidate. But many who thought this would happen, will be surprised at the outcome.

The time has come for all believers to put aside their differences. The time has come to put away your opinions. For there will be bloodshed and hatred in the streets. Brother will hate brother. And then the great time that I have spoken of in My word, will occur.

For it is not a time to fear. It is not a time to lose heart. For with the growing darkness there will also be a growing light. And this nation, which was once the home of the free and the land of the brave, will change.

Many people think a certain person will make your land great again, but I tell you these things are not going to happen. My word states that in the last days great trouble will come. It is inevitable; your prayers can't keep it from happening.

But know that I will strengthen you for these days that are ahead. Know that I will enable you to go through them. And great exploits will be done in my name. Many will be freed from the chains that have held them; but a deceiving spirit will also be seen in the land."

# **VISION OF THE STATUE OF LIBERTY** **SWALLOWED BY TIDAL WAVES - MY** **BRIDE STEPS INTO IMMORTALITY**

This morning, June 29, 2016 upon waking, I was given a vision. I saw the Statue of

Liberty in the United States being overtaken suddenly by tidal waves. Everywhere around the statue was under water. The waves came fast and engulfed her until she was out of sight. I also saw types of containers and the word 'cistern' came to mind. They were man-made, placed all

over the world, and filled with water representing the power and strength that man feels he has built for himself. These cisterns were cracking, pieces dropping to the ground as their substance poured out, then disintegrated completely. From the Throne of God, Father then showed me living water being poured out like never before in great measure, while He smiled upon His remnant. This living water is radically transforming His remnant into a glorified people, each one receiving a beautiful crystal like pitcher of this living water that is poured in and through the Bride member, and then from there onto all who they minister to. This living water is actually made up of millions of tiny jewels, radiant and brilliant and intricately designed, treasures beyond measure from the Kingdom of Heaven for this time of now, and with this outpouring, His Bride is illuminated and appears transparent.

## **WORD FROM YAHUSHUA THAT FOLLOWED:**

***It is I dear one, the Lamb that was slain,  
now come as the roaring Lion. It is I  
your Redeemer, He who ever lives to  
intercede for you and for all men. It is I,  
the Supreme King and Counselor to all.  
Hear Me sweet child, as I desire your  
focus to be acute and your perception  
sharp.***

***A great and mighty outpouring is upon  
My people. Kingdoms and nations once  
mighty and powerful will fall, as they are  
not built on My foundations, but they are  
built on the greed, lust and idolatry of  
man in his pride. I announce this day,  
open wide your arms My chosen ones,  
reach Heavenward and lift your eyes to  
your King, His Majesty!***

***It brings great joy to Me and to My  
Father, and all of Heaven gathers for this  
great and glorious outpouring reserved***

***for this time of now. This is your latter day outpouring, and this that I bestow upon you serves to draw many, many of the lost to Me so We may then usher in the new Kingdom upon this earth.***

***I have been preparing a set-apart people, a sanctified assembly, a holy people to carry out My mandates, anchoring them here in this place, as the systems of this world crumble. Hold fast My people to all I have taught you and My laws which have been written upon your hearts.***

***My true remnant church know who they are. To the world, they are no one. They are the homeless, the downtrodden, the persecuted and the outcast. They are My shut away ones, the ones who the world shuns, and the ones overlooked. Many of My true Bride are the homemakers, the lowly in the world's eyes, those doing jobs and tasks that the proud would never consider doing. These are the ones closest to My heart, because they are***

***pure in heart, because every simple and small task they perform is for My glory, and to advance My Kingdom. These contrite and humble ones do not seek recognition here but rest in the knowing that they have the highest honor in My Kingdom because they have given Me their all. These ones are the passionately weak ones for My fire burns hotly within them and they are violently desperate for Me and Me alone. Truly I tell you, the first shall be last and the last shall be first.***

***To you My loves, My precious jewels, I have brought you out of the world to bring you into My heart. You have been patient and long-suffering for so long. I say to you now, arise! Rise and stretch forth your arms to receive the glorious latter day rain outpouring I have reserved for you for this time. I am ready to cause you to work great and mighty exploits in My name.***

***Much, much chaos now ensues. You who***

***walk in complete faith and trust in Me shall not be shaken nor shall you be moved. As the world succumbs to the recompense due her because of her gross sin, My shining ones rise to glory, your faces transforming to Mine, the Shining One, radiating the unconditional love of a Father for His children.***

***You will transcend this realm and all its earthly boundaries and limitations, stepping into immortality, while yet still here in this realm. This is a mystery that My Bride understands, as she has taken My wisdom into her heart and has readied herself and My vessels, her bodies, as My sanctuaries.***

***Prepare to receive unto Me the lost and the inconsolable, the broken and the battered. My love through you is the healing balm they require and the only remedy for the pain they will experience due to all I release in judgment upon the earth. Salvation will be nearer to these ones suffering than it ever was before.***

***Give them My heart. So great a gift, so simple a message to bring them. Unconditional love is and always has been the saving life force, along with the gift that My blood sacrifice offers and its redeeming power. Profound, truly, and all encompassing.***

***Ready yourselves My army, ready yourselves. The time is come..***

# **THE HOUR HAS COME-YEA, THE MOMENT OF THE VALLEY OF DECISION**

***Your journey through this life is always a heart matter. When My Spirit lives within you, I reside in the heart of the one who has given Me permission and granted Me access***

***to mold and fashion you to be the expression of who I am and manifest Myself through you in word and deed. It is then My life force that drives and motivates you to move in the direction of My will. My heart's desire is then your heart's desire. This higher calling that I draw each of you into will bring you deeper and deeper into My rest, a place***

***where you truly abide.***

***You can go through crucible after crucible until you come to a place of abiding and find true rest in Me. Your purpose is to abide in Me, so that I can bathe you with My presence. Those who know Me and truly abide in Me, praise and worship Me in good times and in sorrowful and difficult times, in sickness and in health, in wealth or in poverty, it matters not. Those who are Mine speak One truth and praise My design no matter what the situation. It is intricately made, a tapestry of moments knit together to glorify Me in all things.***

***So when you dwell in this realm where gross darkness has covered the lands, because My heart lives within you, you are neither shaken nor are you moved off your foundation which is Me, the Rock.***

***I have spoken it, this world is full of tribulation and sorrow, but rejoice in that your Messiah has overcome. Your victory becomes evident to you as you remain steadfast and firm through the struggles of this life as My***

***laws have been written on your heart. In Me you live, you move, and have your being. You understand what you are, an eternal being residing in a temporal place designed to have an experience in this space and time that reflects the personification of your Creator's true heart and unconditional love for His creation.***

***For always remember, you are not alone. I will never leave you. All of your experiences here are just a small piece of a much larger design, one that originated from your Father's heart, and with His desire that each step of your journey would draw you closer in intimacy, therefore glorifying Him. In Me is the perfection of this design.***

***This time that I have chosen you to be in is like no other. You have been chosen to tether Heaven and earth. You have been chosen to be Me and display to this lost and dying world that I am the Bridge, and I am the Ladder, I am the Gateway, and I am the Good Shepherd. I am the only Way.***

***Everything is about to change. The former things will pass away, as I sweep across this earth. It is time to reap that which has been sown. So I ask you this day, is your heart prepared truly to receive all that I have prepared for you? Wherein does your bed lie? Who are you most intimate with, Me or the world? Will your fruit be found pleasing to Me, or have you neglected to till your garden and nurture all that has been so freely given? This question I bring to you this day, for surely My warnings have been direct and numerous through all My watchmen and prophets.***

***The hour is come, yea - the moment of the valley of decision, for I must be true to My Word and I must act upon all that has been spoken and ordained from before the foundation of time. Does My Word not teach that not one jot or tittle will disappear until all is fulfilled?***

***Know therefore My children, that you are a mere breath away from the midnight hour. What will your position and response be when facing the culmination of all things as you have known them? To whom will you turn for your deliverance? To whom will you find shelter, protection, and true abiding rest from My judgments?***

***All has been presented before you, and those who have ears to hear have heard their Master, their Shepherd's voice and have entered the ark. For those who have not heard until now, do not be as those in the days of Noah, seeking entrance and safety from the storms that are upon you after they arrive, for the door will have been sealed and you will endure much.***

# Church Rejects Message of Repentance

I don't know what's happening in everyone else's home church, but let me tell you what we're experiencing.

Our pastor has begun preaching a message of repentance, saying things like, "It doesn't matter who becomes President, no man can save this country!"

"Righteousness exalts a nation, but sin is a reproach to any people."

I've watched him transform to preach this end time message, and he's on fire for the Lord. But as soon as his messages became politically incorrect, people began to walk out of the services — right in the middle of his messages. Tithes and offerings are down 50%, and he's getting letters saying he needs to repent for his messages!

Saints, a huge separation is taking place. I agree and am praying fervently that the blinders will come off. And I'm confident that the great shaking to come will jolt many wide awake. Our Lord is merciful in bringing this shaking.

Note: The photo above is only symbolic, not a real physical fight.

## *Rocks Huge Boulders from the Sky*

### The Last Leg of Your Race

Tuesday, March 22, 2016 posted by dpulliam  
[read comments](#) (0)

In the beginning of February, the Lord began reminding me of an open vision He'd given me back in 2013, originally posted as '[Finish Your Race](#).' I kept getting the impression there was more He wanted me to understand about the vision. The last week of February, He brought it before my eyes again, but this time giving an additional message. Then, just this morning, I was given a third message. I'll give the back drop to what was happening prior to the original vision, then the subsequent messages.

The vision in 2013 was given at a time of confusion and discouragement in my life. In 2011, the Lord had specifically told me to write. I asked Him, "What do you want me to write, and what am I to do with what's written?"

I felt the Lord prompting me to set up a blog site just for the purpose of writing whatever He placed on my heart. But just after starting the blog, I was hit by what felt like a freight train as many storms began to come against me, as well as everyone around me. Suffice it to say, I stopped writing.

Mentally, physically, and spiritually exhausted, I was in a state where I couldn't even think about writing. But at the same time, I felt guilty for not doing what I knew the Lord had told me to do. Confused and discouraged, I asked God, "Did I take what You said and mis-interpret what I was supposed to do with it? I need You to show me if this is the right direction!" My reasoning at the time was, if writing was what the Lord wanted me to do, shouldn't He put me in a position where I could have the peace of mind to do it? I decided I wasn't going to do anything until I received clarification from the Lord. What happened next still blows my mind!

A couple months passed, when a co-worker asked me to run a 5K with her. I'd never been a runner, but thought, "What do I have to lose?" so began training. On race day, I made it through the course, but was so disappointed with myself for not meeting my personal goal, and I'd only missed it by just over a minute! I kept asking myself, "Why didn't I train harder? Why did I focus so much on the fatigue? If only I'd run those hills instead of walking them..."

One morning, about a month after the race, I was on the treadmill singing along to Chris Tomlin's 'Our God,' praising God for all His wonders. All of a sudden, the full impact hit me, and I became overwhelmed by the goodness of the Lord. It was at that moment, the wall in front of me lit up like a television screen:

*I saw a race track, and I was running on it. Straight ahead, up in the distance, there was a bright light that grew larger and brighter as I ran towards it. Now, I was no longer just watching myself run on the track, but was on the track in real time. There were bleachers lining both sides of the track filled with an innumerable crowd cheering me on. **But then all of a sudden, there were things like large rocks and huge boulders coming down from the sky out of nowhere, being hurled towards me and onto the track directly in front of me.** Just as I began to slow down to avoid being hit, I heard a voice say, "Look straight ahead, and keep your eyes fixed on Me. Don't look to the right hand or to the left." As I looked straight ahead into the light, it grew brighter. I was running full speed now, this time with all my might. In my peripheral vision, I could see most of the objects were disappearing before they even hit the track. Those that did fall in front of me, I scooped up in my arms and lifted them up to God – without even breaking my stride. They disappeared as He took them from me. Nothing could stop me now as I focused straight ahead and ran towards the light! The light grew bigger and brighter. End of Vision.*

#### **Initial Interpretation:**

The interpretation was very obvious to me in 2013. First of all, I was floored at how the Lord orchestrated it all. First, He arranged for me to run in a physical race to impress upon me the importance of intensive training, staying focused on the goal, and ignoring distractions.

The Lord then connected the dots by giving me the vision. He equated the physical race I ran with the spiritual race set before all of us.

When the Lord gives an assignment, and you accept and begin to run with it, you officially enter the race. What happens next is without exception. The enemy will come against you with all he has in an attempt to stop you dead in your tracks. The attack will be tailor-made just for you, whatever it takes to stop the plan of God.

I'd taken my eyes off the Lord and focused on the swirling storm in my life. If I hadn't followed the Lord's instructions given in the vision, turning my focus back

towards Him – refusing to even look at the storm, I’d have allowed the enemy to totally derail God’s plan for my life.

The vision was indeed a Word in due season, given at a critical period in my life. But the Lord’s recently revealed the vision was two-fold, and also depicts the time we’re in right now!

### **Second Vision**

The last week in February, He gave me another glimpse of the vision. I’d been praying about the day ahead, and was sitting quietly in His presence, when suddenly:

*There I was, running on the race track just as before. As I approached the Light, I felt stronger and began running faster. Just then, I heard the Lord*

*say, “**You’re running the last leg of the race. The vision is for today!**”* End of Vision

Upon hearing that, I became shaken in my spirit, knowing the Lord had just confirmed to me the race is almost over, and we’re at the end of the end.

Before I proceed, I want to ask everyone to please pray for interpretation over what you read, as I’m still trembling by what I just experienced.

### **Third Vision**

This morning, March 22<sup>nd</sup>, I was sitting at my kitchen bar eating breakfast, listening to a special pre-recorded program that Johnny, from Tribulation Now Blog Radio, did last night. This is on his website titled, ‘A Great Event is Coming’ He was talking about “what MAY be a prophetic warning of a cosmic event that is coming upon the Earth that could lead to the “sorrow period” Jesus warned about.” It was towards the end of the segment, maybe the last 20 minutes, as he began to speak about meteors and other space debris falling to the earth causing worldwide destruction, that the Lord brought a particular segment of the vision before my eyes:

*I’m running on the race track towards the Light straight ahead, and the large rocks and huge boulders suddenly begin falling from the sky, just as in the original vision. As I see them begin to fall towards me and all around me, I hear the Lord*

*say, “**The vision is for today!**”* End of vision.

### Interpretation:

In 2013, I believed the falling rocks and boulders only represented various obstacles that hinder us during our race. It never occurred to me that it could be a real physical occurrence. I wonder, is it the incident which caused the vast destruction I saw in 2015? At this time I can’t say, because the Lord hasn’t shown me if this specific event is what begins the mass destruction and ashes covering the earth. But the Lord has shown me the vision is multi-faceted, with both a physical and spiritual dimension. It was meant for me in 2013, to show I needed to obey

Him regardless of what was coming against me, not be distracted, and only look to Him. It was also meant for the Body of Christ today.

My brothers and sisters in Christ, this is it. ***We've entered the last leg of the race!***

To make it successfully to the finish line, we must keep our eyes focused straight ahead on the Lord. ***DO NOT FOCUS ON THIS COMING STORM!***

The Lord has shown me it's going to be huge! It's going to come all of a sudden. And it's going to come in all shapes and sizes, one right after the other, hurling towards us.

But no matter what it looks like, no matter in what order it comes: strife; war; famine; disease; earthquakes; meteors falling from the sky; you name it; this is

what the Lord says, ***“Look straight ahead, and keep your eyes fixed on Me. Don't look to the right hand or to the left.”***

If we're obedient to His instructions, we have absolutely no reason to fear. The Lord is our refuge, our fortress, our God, in whom we can trust!

God bless. See you at the finish line!

During the past couple of weeks, the Lord has been showing me numerous short visions, which seemed disconnected until this morning.

It all seems related to a vision earlier this week about an invisible hand writing on the wall with something like blue lightning. The writings were in ancient Hebrew and I had to ask the Spirit of Wisdom and Revelation for help in understanding. On one wall was written "Mercy" and "Grace." On the other wall was written "Judgment." The word judgment was written larger and bolder than mercy or grace.

I was told that we have entered a season of choice. We will receive judgment or grace and mercy in accordance with our choices.

This morning, I was seeing the outcomes for those who have chosen a way which will result in judgment. I saw civil unrest in many cities around the world. It was especially strong in Spain, France, South America, and the USA. In addition to people rioting against one another, I saw the

streets being filled with trash and debris. It was getting worse and worse as people lost all regard for one another and the environment. They seemed totally caught up in anger, revenge, and striking out for no apparent reason. The Lord made it clear that judgment is coming because He has withdrawn His hand of protection in many places. This has happened because of the rebellion, idolatry and wickedness of so many people.

As this was happening, a very heavy presence entered the room where I was face down on the floor. I heard and felt a very heavy step as a spiritual presence came down to the lower level in our worship room. I felt no fear except for a deep sense of awe for the Lord. I heard this presence moving toward me and I literally felt the shadow of His presence standing in front of me for a few moments. Then the presence moved to my right side. Each time I saw one of these scenes of judgment something violently shook my right knee. At times it felt like I was being kicked in the knee. I asked for wisdom to understand this.

There is a calling for us to use our God given spiritual authority (symbolized by the right knee) in this season. "I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you." (Luke 10:19)

There is a calling for us to build a wall and stand in the gap when judgment comes to those around us. "So I sought for a man among them who would make a wall, and stand in the gap before Me on behalf of the land, that I should not destroy it; but I found no one." (Ezekiel 22:30)

The Lord is shaking some of us to awaken us to our calling. Are you feeling His shaking and awakening? We are not bystanders. We are called to reach the world for the Lord in this season. Trouble and tribulation also bring windows of opportunity to reach out to the lost with hope, grace, mercy and salvation.

The Lord led me to John 16:33, "These things I have spoken to you, that in Me you may have peace. In the world you will have tribulation; but be of good cheer, I have overcome the world."

Tribulation is already upon us, but we must not get into fear and hide from our purpose and destiny in the Kingdom of God. "For God has not given us a spirit of fear, but of power and of love and of a sound mind." (2 Timothy 1:7)

This is the time for a mighty move of the Lord. This is the time for harvest workers to be in the fields bringing the lost to the Lord. This is the time to be strong and courageous. This is the time to pray for boldness as the disciples did in Acts, Chapter 4. This is the time for "great grace" and "great power" to be at work in the body of Christ so that daily the Lord can add to our numbers those who are being saved. This is the time for the Lord's army to rise up and enter the conflict as victorious followers of Yeshua ha Messiach.

Remember this: the battle has already been won. It was won on the cross when Yeshua died for the sins of the world. It was won when He rose from the dead as the ultimate victor over death, hell and the grave for every time and every season.

I felt the shaking this morning. I felt the gentle kick of the Lord to awaken His end-time army. I am hearing the call of the Lord this morning. How about you? Are you ready to enter the battle as a victor and a world changer? Do not be afraid. Do not withdraw from the battle. Warriors run toward

the sound of battle not away from it. Are you ready to accomplish your destiny and purpose for the Kingdom of God? Remember Hezekiah's words to the people in a season of tribulation:

"Be strong and courageous; do not be afraid nor dismayed before the king of Assyria, nor before all the multitude that is with him; for there are more with us than with him. With him is an arm of flesh; but with us is the Lord our God, to help us and to fight our battles." And the people were strengthened by the words of Hezekiah king of Judah." (2 Chronicles 32:7-8)

May you also be strengthened in the power and presence of the Lord! May you have the full assurance of the presence and power of the Lord in this time of trouble and tribulation! I pray these things in the mighty name of Yeshua ha Messiach! Amen and Amen!

## MESSAGES FROM GOD!

My faithful last generation, it is Yahweh, your God and your King. Jesus is coming soon. My Son is coming for those looking and those waiting. Many will be left behind. I want all my children to fast and pray as never before. Please pray for my persecuted saints as it breaks my heart to see the suffering of the world. My church is broken but I knew it would be. I have pockets here and there but know I am coming. I am coming. I am coming.

There is a great economic collapse that will be taking place now. It will start soon and it will end in America. You will know it instantly, as money will become useless. This is all part of the plan of those in higher power to enslave you all. RFID is already in effect. I am closing doors for many because I just want you to rely on me and hold onto my promises. Aren't you more valuable than a sparrow? Don't I feed the sparrows? Don't I know each sparrow that falls. **Expect great change.** Those who are looking up keep, looking up I assure you, I am at the door and I will be here soon. Please my children, my warnings are coming to an end. Tribulation as the Bible calls it, is here and the Great Tribulation is about to start. My children, its urgent. Share what you have with the less fortunate. I will reward you soon. Don't worry about where the money will come from. I will provide for my own. I never punish the wicked with the righteous. However, I do judge the righteous so that they may stand in front of Me and find themselves approved. Oh, my children of America, I will have my messengers keep speaking this so you know it is I. **Russia is about to attack you.** American leaders have sold the citizens and it's just a matter of time before things begin taking place. Expect captivity unlike anything you have ever seen. I tell you children for many it will be too late when they finally call on me for repentance for I will have already brought my faithful home. At this time, your faith will be tested. Know this, I am with you, but a grand delusion will be upon the Earth unlike anything seen. Those who believe the lie are doomed to hell, for it will cause masses to accept the mark of my enemy. America knows the rapture is soon but yet my church does not. Satan knows the rapture is soon but my churches are asleep. I beg you WAKE UP. I want none to perish but the events outlined in my Word will not return void. Oh my bride, you are already doing marvelous things and the closer I get, the more work I will give each of you. Your workloads have now gone from double to triple, meaning I need everyone to pull their weight. For those who can visit prisons and preach my Gospel, you will be surprised who accepts the message so don't judge a book by its cover.

Visit the homeless while preaching my gospel. Visit the elderly. Visit those society has decided are worthless. All souls mean the same to me. Be children of light. Let all see the love of my Father exhibited through you. I will be removing my innocent very soon. Coming events I want all aware of

1. Great stock market collapse
2. Economic collapse worldwide
3. Mass natural disasters
4. Mass death
5. America will be destroyed from inside out.
6. Nuclear warfare
7. The beast will take power
8. Mark will be implemented voluntarily
9. Peace treaty and a broken Israel
10. Temple will be rebuilt
11. Antichrist will profane my holy temple
12. War
13. Captivity of my tribulation saints.

The word for 2016 is change. Expect it. I want all ready and anticipating my coming. I come at an hour you think not but I assure you don't lose faith when things begin. I am coming. When I come will I find faith on the earth? Don't lose heart my little ones. I AM your holy father I will not leave or forsake you I am trying to bring my wicked children to repentance and realizing that Jesus is the only way to me. Judgment begins in my house and it will spread. You have been warned. I do nothing unless I reveal it first to my prophets and watchmen. Message from Yahweh

# The Hour Has Come That Judgment On And In My House Will Begin

On June 26 2016 at about 6:30 am during my prayer time, I received the following word from the Lord. I am releasing it the way I heard it.

"Isaiah 47, the coming crash. For thus saith the Lord, the victory of England will not be your victory. For the nation that turns its back on Me, I will turn My back on them. For the hour has come that judgment on and in My House will begin. The mockery called the church has not and cannot turn the tide, but the for the sake of My Remnant I will show mercy. My plan will prevail, and My church will prevail.

Prepare to transition from the normal to the abnormal. For great change is at hand. Prepare for the flood of blood that is coming to your streets. For I will not look upon your nation with sorrow, I will look upon it with justice.

For when the say peace, peace and safety, safety (authors note, double annunciation is very important in the scriptures. The connotation is to listen closely) I will reveal My Arm. For there will be no King Cyrus given to rule this nation, but a queen, a Jezebel who will destroy this nation!

You must seek Me now, for I will never leave you nor forsake you. I have marked you, for I know you and you know Me. My sheep hear My voice and they will see My hand at work! Follow Me and I will lead you through the darkest of storms!"

I have a message from the Father to Babylon and her church. It is found in Isaiah 47. This is the prophetic teaching He impressed on me to release.

# OBAMA, HILARY AND NO TRUMP

This prophetic word covers and agrees with all the trustworthy prophetic words out there with a harmonizing series of events.

Key Points:

There are no trustworthy prophecies of Trump being elected

There are some potentially trustworthy prophecies of "a female" tyrant being placed over the people of America

There's a huge collection of Obama, martial law, Antichrist, dictator and destruction of America while in office prophecies

This prophecy covers them all.

Fascinating. If true this substantiates the thoroughness of Amos 3:7

Praise Him

**The current prophetic "intel" indicates**

- 1) Trump may get shot**
- 2) Trump will NOT get elected**
- 3) Hillary will get elected**
- 4) Chaos ensues between election and inauguration**
- 5) Martial Law established**
- 6) Obama maintains Presidency**
- 7) Hillary become tyrant under Antichrist**

## America, This Is Our Last Breath

 MAY 25, 2016  1:38 AM BY [PASTOR BENJAMIN FAIRCLOTH](#)  31 COMMENTS

     23

This morning May 24, 2016 around 3:00 am I was awakened by these words; “America’s last breath, Isaiah 51”.

As I struggled to awake, I heard the Father repeat this phrase, along with more details. I got out of bed and proceeded to write the following words:

“Hillary will win the election by default. Obama will stay in due to the chaos. It will be a two-headed serpent, which you cannot kill until I come. This will be what America wants and deserves!”

As I questioned the Father about this strong word, He proceeded to give me understanding. Hillary Clinton will become President because of the chaos that will envelope this nation. I believe as other watchmen do, martial law will arrive because of the chaos (caused by terrorism, financial crisis, disasters, etc). Even if Trump wins the general election or the popular vote, it will be taken from him by default.

Somehow Obama and Hillary will operate together. How long? I do not know, but the Father said we will not be able to stop or destroy this entity (Beast System) until He returns (Revelation 13:7, Daniel 7:21-22).

The true heart of America wants this beast system. They want gay marriage; they want the insanity that we are allowing to flow from the sewage pipes of hell! Our lack of fight is proof! The Babylonian church is in bed with the world and has played the harlot to give birth to this bastard system we call church in America. If that offends you, then that is proof of what system you are in.

Listen, I’m not claiming this is the end of world, nor am I peddling fear, but we are at the end of the current world system. The old system is being destroyed before our eyes. No candidate, no movement, no church will be able to stop this slide into Babylon.

The Father went on to say, “Business will not be normal again. Life will not be normal again. This will not be business and life as usual!”

In the coming months, our world is going to change. Our money, our freedoms, our democracy, our churches, everything is going to change. We need to stop listening to church leaders who are asleep, lethargic, apostate, and political leeches!

## William Branham's 1933 vision.

Rev. Branham received the vision on a Sunday morning as he was preparing his sermon. He said that God showed him seven things that would happen:

1. The Italian Fascist dictator Benito Mussolini would invade Ethiopia. He will later come to a shameful demise and suffer a horrible death. His people would spit on him.
2. Adolf Hitler would start the Second World War. America would be drawn into the war. Hitler would come to a "mysterious end." Rev. Branham was shown the Siegfried line where there would be a great loss of American lives.
3. Three "isms" would spread across the world. Fascism, Nazism, and Communism. The voice in the vision told him to "Watch Russia, she will become a great world power."
4. After the Second World War, technology and science would advance rapidly. People would ride in driver-less egg-shaped cars with bubble roofs and no steering wheels. The passengers would be amused by games while riding in the driver-less vehicles.
5. America's morality would decline significantly and rapidly. Moreover, women would begin wearing skimpy clothing, and would adopt the clothing of men. In the vision, he saw a woman who was all but naked as she clothed herself with a tiny apron the size of a fig leaf. The moral degradation of women permitted sexual perversion to flourish.
6. **A cruel woman will seize power in the United States. She possessed a hardness that defied description. She was cruel, wicked, and cunning. She dominated the United States with authority, and she had complete power over the population. The voice did not**

**tell him the identity of the wicked woman. He wasn't sure if it would be an actual human being or a spiritual entity.**

**7. The voice in the vision told him to look again at America after the cruel woman seized power. He saw great explosions rip the country to pieces. He saw America turned into a land of smoking ruins. As far as his eye could see there was nothing remaining except smoldering piles of debris and craters. He saw no human life.**

I don't know if Hillary Clinton will be the fulfillment of the Sixth scene in William Branham's 1933 vision. If she is that person, the last scene won't be far behind her. God have mercy on us.

Prophetic minister Stephen Hanson of [In His Truth Ministries](#) received a word from the Lord telling him President Obama is not leaving office at the end of his second term. On August 9 2015 he posted the following statement on his website. Stephen also has a [Facebook page](#).

*I realize that this prophetic word/vision will cause many to be upset and to question it. However, I have been obedient to the Lord in sending it out. I have prayed over*

*it and asked others to discern its truth as well. Remember that our prayers CAN have a great effect on future events, but God has a plan that oftentimes, goes against our human understanding.*

*The Lord showed me a vision. I looked and saw the face of Obama off to one side, and then the Lord said,*

*"This man will not be taken out of office. For with the upcoming elections, much trouble will be occurring. The land will be in tumult. The election will be paved with many problems and issues. And then because of the disruption, another one will be set in his place. For the land will be set ablaze with many things. There will be trouble on every side. The very steps of the White House will shake with the tumult. For it is my direction to bring this land to its knees."*

## So Weary

*I know your hearts are weary, children. I know you have grown tired of the wicked world in which you live. I know you long for home, here with Me, and that is coming – very soon for some of you, later for others, but you must endure a while longer for Me.*

*There are so many in the world who do not know Me and believe they have no need of Me, and soon it will be too late for them. I must work through you to touch as many of them as I can, to offer them salvation one more time: a chance to escape what awaits them otherwise.*

*If you will continue My work in the earth, if you will remain faithful to Me, if you will keep walking with Me in this time of weariness, I will bless you again and again. I will answer prayers you have waited years to see answers to. I will grant ministries, healings and miracles to you, if you will endure for Me.*

*Hold on for Me, children. That glorious day is coming when you shall be free of all the wickedness of the world, and you will never again feel the weariness you feel now.*

Psalms 119:28 My soul melteth for heaviness: strengthen thou me according unto thy word.

# DAVID WILKERSON MEGA-QUAKE PROPHECY FOR AMERICA

## David Wilkerson's Mega-Quake and Economic Storm Could be Close

APRIL 17, 2016 4:20 PM BY MARK SHIPOWICK 5 COMMENTS

Last week southern Japan was struck with two earthquakes, first on Thursday April 14, a 6.2 magnitude and again early Saturday April 16, a 7.1 under Kumamoto, a densely populated urban area.

Over 40 years ago David Wilkerson, founder of Teen Challenge Ministries and founding Pastor of Times Square Church in New York City, predicted a mega quake would unexpectedly strike America following one in Japan.

Are we on the verge of the fulfillment of his prophecies? In the second chapter of his 1974 book *The Vision*, he states:

*"The United States is going to experience in the not-too-distant future the most tragic earthquakes in its history. One day soon this nation will be reeling under the impact of the biggest news story of modern times. It will be coverage of the biggest most disastrous earthquake in history."*

*"It will cause widespread panic and fear. Without a doubt, it will become one of the most completely reported earthquake ever. Television networks will suspend all programming and carry all day coverage."*

*"Another earthquake, possibly in Japan may precede the one that I see coming here. There is not the slightest doubt in my mind about this forthcoming massive earthquake in our continent."*

*"I am not at all convinced that this earthquake will take place in California. In fact, I believe it is going to take place where it is least expected. This terrible earthquake may happen in an area that not known as an earthquake belt. It will be so high on the Richter scale that it will trigger two other major earthquakes."*

# Large-scale motion detected near San Andreas Fault System

Posted on June 21, 2016

**June 2016 – CALIFORNIA** – Analysis of GPS data has revealed new areas of motion around the San Andreas Fault System. Using data collected by the EarthScope Plate Boundary Observatory's GPS array, researchers identified 125-mile-wide "lobes" of uplift and subsidence. Over the last several years, the lobes, which straddle the fault line, have hosted a few millimeters of annual movement.

Computer models simulating the San Andreas Fault System have predicted such crustal movement, but the areas of motion hadn't been physically identified until now. Researchers used advanced statistical modeling to identify the movement among the inevitable statistical noise that comes with monitoring minute movements in the Earth's crust.

The top diagram shows the lobes of movement, uplift in red and subsidence in blue, found using GPS data, while the bottom diagram shows the lobes predicted by an earthquake simulation model. Image by University of Hawaii, Manoa

"While the San Andreas GPS data has been publicly available for more than a decade, the vertical component of the measurements had largely been ignored in tectonic investigations because of difficulties in interpreting the noisy data," lead author Samuel Howell, a researcher at the University of Hawaii at Manoa, explained in a news release. "Using this technique, we were able to break down the noisy signals to isolate a simple vertical motion pattern that curiously straddled the San Andreas Fault."

## Wendy Alec's Vision of the Destruction of San Francisco

[July 18th, 2008]

**WORD FOR SAN FRANCISCO  
AND LOS ANGELES**

**THE BAY THE BAY THE BAY  
THE BAY**

**THE SHAKING – THE JUDGEMENT  
IS COMING**

**FIRE AND WATER - SAN FRANCISCO AND NORTHERN CALIFORNIA  
IDOLATRY - THE GOLDEN GATE FALLS – LOS ANGELES – REVIVAL FIRE**

<http://tim-shey.blogspot.com/2012/08/july-18th-2008-word-for-san-francisco.html>

Dear Friends:

I was awoken in the early hours of the morning to hear the words ringing out - ' **THE BAY THE BAY THE BAY THE BAY**' – As I currently live in the UK and am not at all familiar with the West Coast I did not know even know what The Bay meant other than that I knew the Lord was saying **CALIFORNIA** - but once again I sensed a strong red alert for San Francisco.

It was only a day **LATER** that I discovered that the Bay area covers San Francisco. I knew the Lord was trying to get my attention.

Words of judgement are often not well received and I have held back on this word for several weeks to weigh it intensely, but under the fear of the Lord I feel I must deliver it now so that those with a burden for the West coast can pray, so that many, many will come to repentance in this present hour and also that God's faithful servants will know his supernatural protection in the times to come. This is what I saw.

**THE BAY THE BAY THE BAY THE BAY - ANGELS OF JUDGEMENT  
CARRYING GOLDEN SCYTHES**

**I saw two huge Angels of Judgement carrying what seemed to be huge golden threshing instruments that looked like scythes. They were crying out in loud voices:**

**‘THE BAY THE BAY THE BAY THE BAY’ and again they cried out - ‘THE BAY THE BAY THE BAY THE BAY.’**

**I did not know what that meant except that I knew that it was CALIFORNIA and I had the same dread for San Francisco that I had experienced before when I had received the ‘West Coast’ Prophecy.**

**And I saw a mighty shaking and trembling begin under the earth**

**And the Lord said – ‘From under the Pacific it shall come – in Fire and in water – it shall come.’**

**It was hardly noticeable at first but it was as though the whole city froze as one and then the shaking and the terror and THEN THE FIRE CAME**

**I saw a horrifying inferno -- A literal inferno.**

**I saw ravaged land - ravaged, ravaged cities.**

**But one city received the full force of this terror and earthquake and this is what the warning was crying out ‘THE BAY – THE BAY’**

**And I saw the heavens were black – blacker than black and there was no light – all light was extinguished.**

**And the smoke continued to rise and thousands upon thousands of this city were killed at the first strike**

**But I saw a second strike.**

**A second strike**

**And I saw water - water devastating parts of the West Coast – to the NORTH – THE NORTH – beware the NORTH – THE NORTHERN CALIFORNIAN COASTLINE**

**I still saw plumes of smoke rising from charred buildings.**

**There was not just one city affected. It was more than one - on the Northern California Coast.**

**People were bleeding and dying.**

**The emergency services were hindered greatly from reaching The Bay in good time – they were prepared but no one could prepare for this and the suffering was intense.**

**I heard many cursing God – even in their suffering instead of crying out for mercy they were cursing God**

**But I also heard those crying out in desperation for His mercy and the Angel of the Lord spoke the Word of the Lord**

**And I heard him say ‘And these ones I shall by no means cast out.’**

**EMPTY CISTERNS – EMPTY CISTERNS – SCALES OF JUDGEMENT FULL**

**And the moon turned a strange colour of crimson.**

**And the haze hung over the bay for many days and nights.**

**And the city was silent.**

**Thousands of people were left crushed - drowned.**

**I felt this was further up the coast than Los Angeles – more to the North, though Los Angeles was shaken it was not as devastating as The BAY the Lord was talking about.**

**EMPTY CISTERNS I saw written in the sky EMPTY CISTERNS above San Francisco – and the scales – the scales of sin and judgement were full – so full that judgement could not be withheld over San Francisco.**

**[The prophecy about Los Angeles was skipped]**

---

## **PART TWO**

### **SAN FRANCISCO – GOLDEN GATE ALTAR OF HARLOTS AND IDOLATERS – BAAL - IDOLATRY**

**But then I was led back to San Francisco and the great devastation ahead in the future –**

**And I saw a sign in the sky that read THE GOLDEN GATE – ALTAR OF HARLOTS AND IDOLATERS – And I saw the words BAAL and IDOLATRY – LASCIVIOUSNESS – LUST – SODOM AND GOMORRAH**

**And I saw the face of the Angels of Judgement were set fiercely against this city and the word of the Lord came forth saying – ‘For I have set my face against this land – and even in a moment I shall smite it’ – and I saw the fall of the Golden Gate - cut in two and how the mighty were brought to the ground even in a moment. And I saw above the Golden gate bridge written IDOLATRY.**

**And I saw the city of San Francisco a devastation – blackened and even to the coastline to the North of San Francisco –**

**‘CRY OUT, CRY OUT!’ cried the Angels of the Lord –‘CRY OUT, CRY OUT to the Most High God for surely your idols have fallen – every one – and no more shall they rise.’**

**RAINBOW RISING FROM THE STRETCHES OF NORTH CALIFORNIA OVER SAN FRANCISCO TO SOUTHERN CALIFORNIA – I SHALL ESTABLISH IN THIS PLACE MY GOLDEN GATE**

**And then I saw a rainbow – the most glorious sight – it rose from the stretches of Northern California and over the devastated city of San Francisco and then over to Southern California and it blazed with every colour as bright as the sun and out of the radiance I saw a GOLDEN GATE – it seemed so huge and so glorious it looked as the gates of heaven – and I heard the Lord say – 'And now I shall establish in this place MY GOLDEN GATE –  
A gate of repentance –**

**A gate of revival –**

**A gate of cleansing –**

**A gate of Holiness'.**

**And I saw a remnant in that charred city come out from under the angel's robes – and over their heads was written FAITHFUL and TRUE –and The Lord said 'These are those who stood for me in this city of San Francisco-**

**These are those who have wept and pleaded and interceded for this city day and night without ceasing. These are those who were My gate keepers of this city – who heralded in revival – and poured out My Spirit even in the face of great opposition and persecution – these are those who are greatly BELOVED by me.'**

**And I saw that the Lord Himself had placed them under the angel's mantle and that these faithful pastors and apostles, these intercessors and prophets had been divinely protected by the Lord's own hand from this harm and I saw the Father's hand pick them up and set them on high with heaven's Golden Gate – as His chosen gatekeepers for the new move of His spirit that would sweep through the Northern parts and coastline of California.**

**And I heard the Lord say 'REDDING - REDDING ' – and I saw a vast thick elixir like golden river flowing from REDDING to San Francisco**

**- San Jose and on to Los Angeles – and these forks in the river were all connected.**

**California Earthquake**

**Wrath of God**

**The Killer Angels**

**A Place Utterly Decadent by Reputation**

## **JOHN SHOREY'S PROPHETIC STUDY -**

### **Whose Report Will You Believe?**

**John Shorey 6-8-2016**

A few weeks ago I heard a sermon on Peter arguing with Jesus about Jesus leaving the earth after his death. Jesus turned to him and said "Get behind me satan" Peter was in denial about Jesus going away. It is interesting that Jesus said about Peter that, "Upon this rock I will build my church." The thought struck me that Peter was symbolic of the future church and we that future church are almost in a sort of denial that Jesus is coming back soon. We know Jesus is coming back but most Christians are not interested in his coming this soon. It reminds me of a saying I tell people, "Everyone wants to go to heaven but no one wants to die to get there."

During the past two years 2014, and 2015 we have seen many signs of Christs Return. The Bible says we would see signs in the sun, moon and the stars. We witnessed the Four Blood Moons. Many prophetic voices in the last few years have given strong warnings of Christs soon coming, with many warnings of great devastation coming to America and the world. I see the Warnings from Jonathan Cahn I as the greatest prophetic warnings of our time. When you study the history of the Blood Moons, you will see the pattern of great events against Israel did not happen for one to two years after the Fourth Blood Moon. We are not even one year from the forth Blood Moon. If the Pattern holds, an

event that will look like the coming destruction of Israel won't happen until the end of 2016 or into 2017. When you look at world events concerning Israel, this time frame makes sense.

When it was perceived that great events did not happen, many Christians believed we missed it and their prepping stalled with the thinking shifted to the thought that Christ will not be coming for at least another seven or more years. I believe we are in the shortening of days. Not a shortening of the Seven years that Daniel spoke about. But a shortening of the Birth Pains that will happen before the Tribulation starts. Jesus said in Matthew 24, "If those days would not be shorten no one would survive, but for the sake of the Elect, I will shorten those days. I believe we should be putting out a great effort to prepare and help others see what is about to happen.

Is this what is happening? No! Many prophetic voices are now saying that happy days are just around the corner. America will be great again; Judgement is not coming to America. How is it that some prophets are still warning that God's judgment is just around the corner while other prophets are saying the opposite? **WHOSE REPORT WILL YOU BELIEVE? BOTH CANNOT BE RIGHT.**

The Bible teaches that we should test the spirits of the prophets to discern if their message is from God. You may ask, how do we do this? In a nutshell discerning the truth is twofold, common sense and praying for spiritual discernment.

I recently hear a prophecy that many are buying into. It is called the "Trump Prophecy". I heard it air on Tru-News. I will share a few points that were made in this prophecy and

share why we can know that this is a false Prophecy. Please don't judge my confidence in this statement until you hear me out. First I will list a number of points made in this Prophecy.

1. Donald Trump would get into the race for President and will come from behind to win the Presidency.
2. Obama would spend Billions to stay in office and all this money will be to no avail as he will lose
3. Donald Trump will be Americas Netanyahu.
4. Judgment will not come on America.
5. America will return to greatness under Trumps leadership.
6. The dollar will rise to the most powerful world currency.

I could list more but this will be enough for me to make my point. To start off I will say that this prophecy was first penned in 2011, at this time Donald Trump was considering getting into the race and if he had it would have had to be like a race horse coming from behind as he would have had a late start. The author of this prophecy admitted that when Donald Trump did not get into the race, he thought he had missed it.

Now look at my second point, Obama spending billions to stay in office in 2016. This was true for the 2012 election, He did spend billions to stay in office and the money was

not wasted because he won the election. This point alone will show why I see this was a false prophecy in 2012 and is still a false prophecy in 2016. Obama is not spending billions of dollars to stay in office for the 2016 election season. He cannot campaign and has no way to spend billions of dollars to stay in office in 2016. I have said that I believe Obama will stay in office by canceling the election during a time of martial law. I believe God showed me in 2010, that Obama would lead America into the Great Tribulation. This meant that he had to stay in office in 2012 and he did. Now it could mean that he will stay in office in 2016 by Martial Law. I still believe this will happen. Glenda Jackson is adamant that this will be the case. And here is my point, If Obama stays in office by declaring a national emergency and martial Law before the election of 2016, Obama does not have to spend a dollar, let alone billions to stay in office. What I see is this prophetic message missed it in 2012 and you cannot apply this prophecy to this coming time. I will show further reasons below why I believe this to be the case.

Let's look at another point. America would not come under God's judgment. My best response to this would be, If this is true, then what I considered the most important prophetic warning of our generation has just been shown to be false. Whose report are you going to believe, the warning of the Harbinger by Jonathan Cahn or the message of hope by an untested prophet?

Another point made was that our economy and dollar would become the strongest in the world. If this is true then many economic experts and warnings of a coming collapse must

be false. This would mean that Michael Snider is wrong, how can they both be right?

Whose report do you want to believe the report of an untested prophet or the report of time tested men and women of God like Jonathan Cahn, Perry Stone, Mark Biltz, and Glenda Jackson. Glenda Jackson prophesied Ronald Reagans attempted assination a week before it happened. She is still adamant that Obama will stay in office by declaring martial law. Think about this word of prophecy from Glenda Jackson. Obama has spent billions to be able to track every email, phone call, and dollars spent by all Americans, He has armed police forces with military weaponry all across America. He has closed door meetings every month with the leading countries of the world. He has been taking steps that convinces me he has no intention of leaving office. This time right now is the most ripe time in history for the globalist to make their move to cause an incident that will require a new global currency and solution to fix the world's problems. If Donald Trump will not play by their rules, I don't see any way that the powers that be will allow him to be seated as our next president.

So this brings me to my most important point in this study. Why are we hearing two opposing messages from the Prophets? The answer is found in the Old Testament. Jeremiah warned that prophets would tell lies in God's name. I will show why I see this is happening now. Jeremiah 23 *"Do not listen to what the prophets are prophesying to you. **They fill you with false hopes.**"*

**(From this point on I will putting much of my comments in bold type to separate the many Bible verses I will be writing out.)**

There is a story in the Old Testament books of Kings and Jeremiah, where the King of Israel kept the Prophet Jeremiah locked up in the dungeon and sometimes in a muddy pit that may have been like a septic tank. The king would bring Jeremiah up and ask for a Word from God. The King was looking for a positive message but Jeremiah always gave messages of warning of impending disaster coming to Israel. Finally the King would bring in other prophets and God allowed lying spirits to give false messages to the King and the people.

1Kings 22: 22-23, *“I will go out and be a lying spirit in the mouths of all his prophets. So now the Lord has put a lying spirit in the mouths of all these prophets of yours. The Lord has decreed disaster for you.”*

The King did not want to hear that God had decreed disaster for Israel and the King, so finally God gave the King the message he wanted to hear. A message of false hope. I believe this is what is happening now, God is sending a spirit to confuse many prophets with a message of false hope. God sent his true prophets in recent years to warn his people, but many are rejecting a message of judgment and the soon coming of our Lord Jesus. I believe most of the signs of His coming have already been given. Many of the prophets who have had God's true warnings are now being shunned. After I share this next portion from the book of Jeremiah I will show how God is now warning that when the big one hits the fan, it will be so sudden that people will not be able to react fast enough to get ready, it will be too late.

Jeremiah 23:21-22 *"I did not send these prophets, yet they have run with their message, I did not speak to them, yet they have prophesied. But if they had stood in my council. They would have proclaimed my Words to my people and would have turned them from their evil ways and from their evil deeds."*

Jer. 23:25 *"I have heard what the prophets say, who prophecy lies in my name. They say, 'I had a dream! I had a dream! How long will this continue in the hearts of these lying prophets? Who prophecy the delusions of their own minds?'"*

Jer 23:30-32 *"Therefore declares the Lord, " I am against the prophets who steal from one another, words supposedly from me. Yes declares the Lord, "I am against the prophets who wag their own tongues and yet declare, "The Lord Declares" Indeed, I am against those who prophecy false dreams, declares the Lord." They tell them and lead my people astray with their reckless lies. Yet I did not send them or appoint them. They do not benefit these in the least. "Declares the Lord."*

**I mentioned earlier that I believe that God's prophetic warnings have slowed down. Instead we are hearing messages of false hope. I believe God is allowing this because this is what we want to hear. Recently Heidi Bakker had a vision that was a bit unnerving. I had the opportunity in 2015 to meet Heidi Bakker while I was with Sid Roth for an Interview. Sid was doing a show with Heidi Bakker that same day. Heidi Bakker is a missionary to the starving children of Africa. From what I could tell, her ministry does not focus on End Times messages of warning. Yet, God in a vision**

showed her affluent Americans with fine cloths and fancy cars waiting in line to get a cup of soup. She asked the Lord, "How can this be that these affluent people would be in such need?" The Lord told her that it was a suddenly. An event would happen so fast without warning that even the rich could not buy their way out of this coming trouble. This would mean that it would happen fast and without warning. God has already given us his warnings. Some have heeded them and prepared, others have their heads in the sand. It is a shame that many were preparing and have pulled back. When the suddenly happens. They will have great regrets. Knowing they had time to finish preparing but pulled back. Unfilled propane tanks, full septic tanks, empty or no water tanks. They didn't buy all the needed solar and other equipment that they intended to get, but now it is too late because God already gave us the warnings, now we are facing the suddenly.

There have been many prophetic warnings that America will face a similar fate as Israel. America a God covenant nation has broken our covenant with God in a similar pattern as Israel and when you add our other failures as a God covenant nation, such as Abortions, accepting the Homosexual agenda and taking steps to divide Israel, I just don't see a way out of the judgment of God on this nation. The following verses from Jeremiah illustrates the point I am making, about America breaking its covenant with God as Israel did.

Jeremiah 22: 6-9 *"For this is what the Lord says about the place of the King of Judah: "Though you are like Gilead to me, like the summit of Lebanon, I will surely make you like*

*a desert, like towns not inhabited. I will send destroyers against you. Each man with his weapons and they will cut up your fine cedar beams and throw them into the fire.” People from many nations will pass by this city and will ask one another. Why has the Lord done such a thing to this great city?” **(And the answer will be.)**“Because they have forsaken the covenant of the Lord their God and have worshiped and served other gods.”*

**When a nation has passed the tipping point for judgment, the following verses from Jeremiah speaks of judgment coming to a formerly godly nation.**

Jeremiah 14:9-14, “You are among us O’Lord and we bear your name: do not forsake us!”

**(This is what the Lord says about this people.)**

*“They greatly love to wander: They do not restrain their feet, so the Lord does not accept them: He will now remember their wickedness and punish them for their sins.” “Then the Lord said to me, “do not pray or the well-being of this people. Although they fast, I will not listen to their cry: though they offer burnt offerings and grain offerings, I will not accept them. Instead I will destroy them with the sword, famine and plague.”*

*“Then the Lord said to me, “The prophets are prophesying lies in my name. I have not sent them or appointed them or spoken to them. They are prophesying to you false visions, divinations, idolatries and delusions of their own minds. Therefore, this is what the Lord says about those who are prophesying in my name: I did not send them, yet they are saying, “No sword or famine will touch this land.” Those same prophets will perish by sword and famine.”*

The next verse speaks of the judgment coming on Israel. America a covenant nation before God has followed the same pattern of sin that brought judgment on Israel: now as the Harbinger, has warned, America is ripe for judgment.

*Jer. 14:16, "And the people they are prophesying to will be thrown out into the streets of Jerusalem because of the famine and the sword. There will be no one to bury them or their wives, their sons or their daughters. I will pour out on them the calamity they deserve."*

We have seen many prophetic words concerning the invasion of America. I believe the time for such an invasion is soon. Under our current leadership our military has been downsized to its weakest point in decades. It's almost as if our military has been dumbed down. Many top brass leaders and even Generals have been forced into retirement or fired. There has been much talk about a potential EMP attack, either by cyber, from a bomb in space or even a solar Coronal Mass Ejection. David Wilkerson in his book, Set the Trumpet to Thy Mouth, outlines the destruction of America. When I found this book in my pocket on the night of the first Blood Moon, It was in those two dog eared pages that David Wilkerson outlines the destruction of America. **"The great holocaust (Destruction) follows an economic collapse in America. The enemy will make its move when we are weak and helpless."** An EMP event will certainly leave America weak and helpless. It is interesting that I was led to find David Wilkerson's book and this prophecy on the night of the first Blood Moon. Could it be that this prophecy will be fulfilled according to the pattern of Blood Moon events as seen in history? If that is the case,

could we see America's destruction and invasion, one to two years following the fourth Blood Moon in September of 2015?

In closing I will share from the book of Jeremiah where the destruction of Babylon is described. There are numerous references in the Bible concerning Babylon and Mystery Babylon. There are aspects to the following destruction of Babylon that seems to point to a future event that could be describing America. What is interesting about this account of destruction is that the first sentence, "**Come out of her my people!**" is the same wording that is repeated in the Book of Revelation concerning the destruction of Mystery Babylon.

Jeremiah 51:45-48, *"Come out of her my people!, Run for your lives! Run from the fierce Anger of the Lord. Do not lose heart or be afraid when rumors are heard in the land: One rumor comes this year and, another the next, **rumors of violence in the land and of rulers against rulers.** For the time will surely come when I will punish the idols of Babylon: Her whole land will be will be discarded and her slain will lie fallen within her."* *"Then heaven and earth and all that is in them will shout for joy over Babylon. **For out of the North destroyers will attack her.**"*

In closing I will make a couple of comments concerning this last verse's above. The portion that says, "Rumors of violence in the land and rulers against rulers" This is a good description of America this year. We keep thinking terrorist events could hit at any time. And in this election year politicians are attacking each other like no other time in history.

This last closing comment concerns the statement, “***For out of the North destroyers will attack her.***” We know that this scripture is talking about the destruction of Babylon. It is interesting that its enemy will come from the north. When Israel is attacked in the battle of Gog and Magog, Ezekiel 38 says its enemy will come from **the far North**. Some believe Gog is Turkey, Turkey is north of Israel but Russia is far north of Israel, in fact Moscow is directly north of Jerusalem. The point I want to make here is, Russia has recently taken possession of the North Pole region, So just like Israel will be attacked by Russia from the far north, America could also be invaded by Russia from the north.

## YOU WENT THE WAY OF BAAL

I received this word on 5/24/16

I here the cry of My Saints who wish only to walk in My footsteps and follow the ways of righteousness. Now is the time of the great harvest of souls. I will separate the chaff from the wheat. I will separate the holy from the unholy. If you think the unholy are those who are unsaved, think again. The unholy are those within the church who are deceived and have a form of godliness but deny the power thereof. They have been led astray by their lusts and have set up idols before Me never knowing they are heading strait to hell and separation from Me for all eternity. Oh! how the shepherds will be judged for the sheep were able to roam into dangerous territory where they were overcome and consumed! Are you not responsible for your flock? So now your ignorance shall consume you! Your self-centered ways should have always been other centered. But you went the way of Baal toward detestable things. I will sweep My house clean and no sin shall enter in, nor shall any darkness have a place in it. I AM a God of justice and My hand I have kept back because I AM longsuffering and wish that none should perish. Did I not say judgment begins in My house first. Now it begins, now is the appointed time, now justice will be served.

### I AM the Lord Who Sees

*Baal Worship- satanic in nature, self-centered in nature, worshiping another God (idols). Involves sexual perversion of every sort. Ritual sacrifice of babies (abortion). Tolerance and compromise to practice whatever is convenient and pleasurable. The church looks no different from the world and acts the same.*

**Z3 NEWS - "These Wicked Pastors Shall Surely Pay For Leading My Sheep to the Slaughter House"**

<https://z3news.com/w/wicked-pastors-surely-pay-leading-sheep-slaughter-house/>

Matthew 3:12

12 His winnowing fan is in His hand, and He will thoroughly clean out His threshing floor, and gather His wheat into the barn; but He will burn up the chaff with unquenchable fire.

1 Peter 4:17-19

For the time has come for judgment to begin at the house of God; and if it begins with us first, what will be the end of those who do not obey the gospel of God? Now "If the righteous one is scarcely saved, where will the ungodly and the sinner appear?" 19 Therefore let those who suffer according to the will of God commit their souls to Him in doing good, as to a faithful Creator.

1 Peter 5:1-4

1 The elders who are among you I exhort, I who am a fellow elder and a witness of the sufferings of Christ, and also a partaker of the glory that will be revealed: 2 Shepherd the flock of God which is among you, serving as overseers, not by compulsion but willingly, not for dishonest gain but eagerly; 3 nor as being lords over those entrusted to you, but being examples to the flock; 4 and when the Chief Shepherd appears, you will receive the crown of glory that does not fade away.

# WARNING A CALL TO PERSEVERE

My daughter, write My words for those with ears to hear:

Time will seem to stand still, My children. You will be under My protection during the coming 3 days of Darkness. You will not feel pain during your transformation, but a tingling sensation as your flesh changes into a harmonic spiritual being, bright and glowing, the original state in which I created mankind before his fall to evil flesh in the Garden of Eden. Those of you who have prepared your things, food and provisions, etc., these will be utilized by those who do not know Me, but will come to know Me during the 40 days of chaos following the rapture of My church. The rapture(s) will take place very closely together. First, the innocents, the children, and then, My bride. The children will include all who are childlike in their ability to understand things. I AM the I AM, and I will be reconciling My creation onto Myself. I want none to perish, so I will have chosen warriors who are marked for My protection, spreading my truth to those who need to hear it. Many are not part of My bride and will need to understand My gospel of mercy before being rescued.. Some will lose their lives knowing full well knowing they will be gaining eternity with their Father and creator. You others (I believe this means other worldlies) will do all they can to convince those left behind to be led to the New World government. The lie that they perpetuate will convince many that I AM... a lie and the mass disappearance is explained away or can be explained away. This is where My warriors come in going to those they knew in their new glorified bodies and convincing them to go to the pre-appointed and protected Gosh-ens for safekeeping. The goal of all that come to Me during this time frame will be the same, remaining safe so they can share My truth and, at the same time, warning others to stay away from the Mark of the Beast. My warrior angels and My saints will work together to lead many to safety and, in doing so, lead many souls home to Me. The events that will befall your earth will be indescribable in human terms. My children hear My voice, and though they will not be shown specifics, many can feel that these things are drawing near. They can feel it in their spirits. they sense the change in the spirit realm that will soon be impacting the earth. You will see and experience some of the things leading up to the 3 Days of Darkness..... earthquakes, title waves, flooding, sink holes, volcanic eruptions, human tragedy, disease, pestilence, all of the sum of cumulative darkness in this fallen world. The enemy will win many battles, but the war is already won. You, My children, receive peace in that knowledge. No matter what you see, no matter what occurs, call My name and Do Not fear.

## Persecution Comes

Jun 13, 2016 10:07 am | Glynda Linkous

*My precious children, do you not see what is happening in the world around you? Darkness is beginning to descend upon the earth and those without My light will no longer see or understand truth. Those who refuse truth now will not be granted the truth later, for they are given over to the darkness. Those who know Me now will shine like the sun through this dark time, and suffer much persecution.*

*Woe to those who call good evil and evil good in this time, for their end is destruction. Repentance shall not be granted them for they have refused the truth and chosen the lie. They are not Mine.*

*Abide in Me, abide in My presence that I may protect you from all that is to come, My precious ones, for much evil comes into the world and you will be hated for My Name's sake, but those who endure to the end shall be saved.*

*Prepare for persecution, My children, for it comes. The enemy is filled with wrath, for he knows he has but a short time now and he desires your soul.*

*Stand and refuse to be moved from your most holy faith. Stand and proclaim My Name boldly, for I Myself will defend you, and I will receive you unto Myself at the end. The enemy will pass laws against My people, but He will be unable to stop My gospel in the earth, for I have a people that is bold and courageous! A people who will refuse to be silenced. Do not fear when you see these things happen, My children, but rejoice for the end is nearer and you are coming home to Me.*

# The LORD Will Not Relent From The Judgment He Has Promised

MAY 31, 2016 4:13 PM BY DAVID DOUGHTY 32 COMMENTS

13

On the morning of May 31, 2016, I dreamed my wife and I were driving on a highway that had two lanes in each direction separated by a median. It was cloudy, but my eyes were drawn to a patch of absolute blackness amid the gray. Then I realized it was a tornado. A huge, massive, twisting black tornado that suddenly dominated the whole sky. I thought about driving into the median and doing a 180 degree turn, but I knew no matter where I turned, the storm was coming!

I awoke, knowing this was a message from the LORD. I prayed for understanding. The Holy Spirit revealed this dream is for our nation, the United States of America, letting us know it is now too late to do a 180. It doesn't matter what direction we head; destruction is headed our way. We can't escape it.

"I WILL NOT RELENT," the LORD spoke to me as I lay in bed. The Holy Spirit directed me to look in the Book of Ezekiel.

In chapter 24, Ezekiel was told to mark the day; when Babylon laid siege to Jerusalem. At the time, Ezekiel wasn't in Jerusalem but in Chaldean captivity. Previously, God had given them this warning to repent:

"Repent and turn from your transgressions, lest iniquity be your ruin. Cast away from you all of the transgressions you have committed, and make yourselves a new heart and spirit! Why will you die, O house of Israel? For I have no pleasure in the death of anyone, declares the LORD God, so turn and live." (Ezekiel 18:30-32)

Yet on this day to be marked, God spoke with a different message:

"On account of your unclean lewdness, because I would have cleansed you and you were not cleansed from your uncleanness, you shall not be cleansed anymore till I have satisfied my fury upon you. I am the LORD; I have spoken. It shall come to pass. I will do it. I will not go back. I will not spare; I will not relent; according to your ways and your deeds you will be judged," declares the LORD God. (Ezekiel 24:13-14)

From my other dreams and visions, I've seen the disaster that awaits America if we don't repent. Our great cities will burn. I had hoped and prayed a great revival would sweep through our land, and we would turn from our wicked ways and return to God. Only now, the terrible black storm is about to hit us. It is too late. The LORD will not relent from the judgment He has promised because we have not repented. We shall reap what we have sown.

# First Seven Stanzas of Prophetic Poem Fulfilled

JUNE 14, 2016 6:44 AM BY [MATT SMITH](#) [72 COMMENTS](#)

[27](#)

With the recent events that transpired in Orlando

FL on June 12, this seems like the right time for a detailed update on the fulfillment of the

first seven stanzas of the prophetic poem, which the Lord gave me in December 2015, [Prophetic Poem Reveals The Future Of America In 2016 And Beyond](#).

Since the poem was first posted, many Z3ers, Facebookers, and even YouTubers have been referencing it, looking for the fulfillment of every stanza. This post explains why I believe the first

seven stanzas have all been fulfilled, and what to look for next.

### **First Three Stanzas:**

“At the very end of 2015,  
And the year of ten plus six,  
That wicked old Satan,  
Will be up to evil tricks.  
December through February,  
Winter finds itself here,  
A sudden event will strike,  
And many will be in fear.  
Know then My judgment,  
Has come upon this land,  
God reigns supreme,  
And deals with a heavy hand.”

The death of Supreme Court Justice Scalia was the fulfillment of the sudden event dealing with judgment and God reigning supreme. This event

caused many people to fear future Supreme Court rulings in favor of Obama's sick satanic agenda. There were also concerns Obama might pick a replacement while the Congress was not in session, using a technicality or loophole to get his choice on the Supreme Court. For more details, see [Judgment Falls on America with the Death of Justice Scalia](#).

#### **Fourth Stanza:**

"From March until June,  
The spring season shall arrive,  
There will be many people,  
Found not to be alive."

As many woke up Sunday, June 12, 2016, they turned on the news to hear about the horrific terrorist attack in Orlando, Florida. As the news came across the television, the initial reports identified 20 dead, but as the day progressed, the

death toll rose to 50 people and at least 53 others wounded, and most of them in critical condition. Astute Z3ers posted comments correctly identifying this event as the fulfillment of this stanza of my poem.

When dealing with this part of the poem, I have often stated in my comments posted on Z3, this event must have a 9-11 effect, causing citizens and/or the government to want to enact more fascist and communistic laws. We saw that fulfilled as NWO philanders wasted no time in advocating stricter new gun control laws. The Orlando massacre could even be a false flag event, planned to promote the NWO agenda. It bares the markings of a false flag event, but only time will tell. A YouTube search on false flag event in the Orlando shootings shows what other everyday researchers have discovered.

Although the Orlando shooting fulfilled the physical aspect of “many people found not to be alive,” there could possibly be more to come even before this month is over. For example, don’t be surprised if it is discovered there were other shooters in the nightclub who got away. There are reports on social media sites some survivors saw three people doing the killing and blocking the exit, and two of them got away. If this is true and this information is leaked, it could cause a panic among Orlando residents fearing the two remaining terrorists on the loose, which could lead to more trouble.

From March through June, many lives were lost, not just physically, but also from a spiritual aspect, which is another fulfillment of the fourth stanza. For example, many true men and women of God went home to be with the Lord, including one of the biggest names in christian

broadcasting, Jan Crouch. Jan and her husband Paul are the founders of The Trinity Broadcasting Network. Much can be said about TBN, and the type of preachers and teachers it promotes.

Whether we agree with them or not, Jan was one of the faces who helped turn televangelism into a billion dollar industry, which has helped bring people to the Lord, but has also brought spiritual death to others through false teaching, eschatology, and preaching.

Another example of spiritual death during this season is the release of certain spirits in our land, which I believe God has allowed mainly for the wicked.

Another example is the increased division in the Body of Christ with more and more Christians under attack from other Christians, especially over the election, current events, and even end time eschatology. The division causes casualties as

some of the weaker babes in Christ abandon their faith and start dying spiritually, going back into the world. These kinds of attacks cause even mature believers to get caught up in debates, acting in ways God disapproves. This would be good time to put a plug in for repentance. Make sure you repent daily. Do not let the spirit of deception take hold of you.

### **Fifth Stanza:**

“During this same season,  
Another checkpoint will originate,  
Then another crushing blow,  
Will seal this nation’ s fate.”

Many have wondered what is the definition of the word “checkpoint,” and how can know when it is

fulfilled. For starters, the word checkpoint in this sense is simply referring to a point in history, which must be reached, where we look back, and said, “Something happened on this day, which was the foundation for other major events that followed afterwards.”

There are many candidates for the fulfillment of this checkpoint. Here a list of a few of them.

1 The Orlando Shooting

2 Donald Trump winning the nomination

3 The Upcoming Brexit vote, which could have an effect on our economy.

4 The possibility of a dollar devaluation.

5 The month isn't over so there could be an unseen event, which has not happened yet.

Candidates 1, 3, and 4 seem the most logical right now.

When it comes to the “crushing blow,” this simply means another incident furthering the death of

America. This checkpoint could also be the crushing blow, but it doesn't have to be because the crushing blow happens after the checkpoint, which suggests something will happen that will put another nail in the coffin. While the checkpoint happens during this same season (March to June), the crushing blow could happen later since it follows after the checkpoint.

### **Sixth Stanza:**

“During these two seasons,  
The economy will decline,  
Look to Me My people,  
I say, ‘Your souls are mine.’”

The economy has declined since January 2016, as documented in an article published on June 7 2016 by Michael Snyder, a very bright economist.

He recently discovered the June jobs report was the worst in six years. (Source: [End Time Headlines](#))

Also during these two seasons, the Baltic Index has been dry and many other indicators have shown a declining economy, including reports of people not getting their EBT payments in certain areas of the nation.

### **Seventh Stanza:**

“For war will be inevitable,  
It will not go away,  
I implore My holy people,  
Stay on your knees and pray.”

## I Want You All to Be Prepared!

Posted on 5 June 2016 by Stephen Hanson

### in These Days That Are Coming, I Want You All to Be Prepared!

*"Go to the ant, thou sluggard; consider her ways, and be wise," Proverbs 6:6.*

*"Then the kingdom of heaven will be comparable to ten virgins, who took their lamps and went out to meet the bridegroom. Five of them were foolish, and five were prudent. For when the foolish took their lamps, they took no oil with them, but the prudent took oil in flasks along with their lamps. Now while the bridegroom was delaying, they all got drowsy and began to sleep. But at midnight there was a shout, 'Behold, the bridegroom! Come out to meet him.' Then all those virgins rose and trimmed their lamps. The foolish said to the prudent, 'Give us some of your oil, for our lamps are going out.' But the prudent answered, 'No, there will not be enough for us and you too; go instead to the dealers and buy some for yourselves.' And while they were going away to make the purchase, the bridegroom came, and those who were ready went in with him to the wedding feast; and the door was shut. Later the other virgins also came, saying, 'Lord, lord, open up for us.' But he answered, 'Truly I say to you, I do not know you.' Be on the alert then, for you do not know the day nor the hour," Matthew 25:1:13.*

"In these days that are coming, I want you all to be prepared. For darkness will consume the earth.

Day will have turned into night. For many will hide in the cliff of the rock. A great wave will encircle around you. For I tell you that this nation is coming under judgment.

For entire cities will fall on that day, and the geographical appearance of the earth will change. Many will flee to find places of safety. And many of my own will band together on that day.

But I say, to stand strong in the midst of the storm. Be ready to give an answer to those who would want it. For many will fall into despair. Many will be without food or shelter.

Woe to those who say that they will make America great again.

Woe to those who say that bright days are coming.

Woe to those who put their strength in a certain candidate.

Woe to those who follow after the 'sleeping prophets.'

But blessed are those who put their faith and trust in Me. Blessed are those who give to those who are in need.

You stand upon a precipice, oh land that was once the land of the free and the home of the brave. But if you would raise your hands and reach out to Me, then I will be a shelter to you in these days. And I will equip you to stand against the enemy.

I will help you to weather the storms that are coming.

Thus, would say the Spirit of the Lord."

# The Broken Seal - 06/06/16

## Word to Sue #84

My little ones look to Me for I am coming in an hour that you think not. Grave deception covers the land and is steadily swallowing up earth's inhabitants. Peace and safety is heralded from the pulpits, to the United Nations, as leaders greedily strive for rank and power. Multitudes upon multitudes, in the valley of decision, have been lulled to sleep, completely intoxicated with the poison of wellbeing. Yet the cries of the redeemed, who have been cut off from mankind, have reached the Father's Throne and the seal of earth's doom and judgment has been broken.

What is coming upon the earth has never been documented in the life of mankind. You will not believe your eyes, yet you will know and understand with your heart. The "trust" that you have learned and nurtured, through a lifetime of hard trials, will arise and propel you forward through a millennium of time. I will rise up within you with boldness that you have never known, and you will speak the TRUTH mightily and with great power; for you will be transformed into My very image, in the hour of great darkness that is coming upon the earth.

My little ones do not look to be seen nor applauded by mankind, for many of your assignments will be in the oceans, in the tornados, in the nuclear reactor explosions, underneath landslides, in the earthquake tsunamis, and in the middle of volcanoes. To these torn multitudes, I send you. Many are the souls who have never heard of Me, yet they will cry out to Me in that day, and I will hear them and send you. Even more are those, who only knew My Name in cursing, yet they will desperately cry out to Me with their last breath, and I will hear them and send you. Still more are the vile and wicked, who have spilled much innocent blood across the land through their various evil ways and deeds. These are marked, even as Apostle Paul was, and to these vile feared ones, I send you.

My little ones remember what is written in My Holy Word, "The last shall be first and the first last"? You will live to see this day. Therefore, humble yourselves before Almighty God that you may be counted worthy to escape what is coming to pass upon the earth. Shalom

## **CHRIS LOUER 2016 – 2017 PROPHECY**

2016 -2017.

"Hang on tight my beloved..hang on tight to the Anchor of your soul, because you're going for a ride. There is a storm coming in 2016-2017, both spiritually and in the natural. Just as the disciples were caught in a whirlwind on the Sea of Galilee, so you will be caught in a fierce gale of wind. And just as Jesus calmed the storm, with His disciples, so He will be with you.

Hang on tight beloved. Hang on to the only One who can provide a safe refuge. Yes the winds will blow and the ground will shake but Jesus will enfold you. Hang on to His staff in the midst of the storm, in the eye of the storm, where it is still and quiet, and you will find rest for your soul. Do not be afraid of those who seek to harm you. " Do not be afraid of them, for I am with you declares the Lord." Jeremiah 1:8  
Keep your eyes on Me. "Thou will keep in perfect peace whose mind is stayed on Thee."  
Do not hide your face from the storm, but instead embrace it. Lift your face up to the rain of the Spirit and let it strengthen and refresh

you.

Turn away from sin that has so captivated your soul. Turn away from it lest it draw you deeper into its clutch for I am a Holy God. Yes..Hang on to your protector, your Redeemer, your Savior, for I love you with an all consuming love.

And bring the LOST into the safe harbor. Draw them in..draw them in...

Many are floundering in the water and need to be rescued. Pull them in, into your secret place and point them to the ONLY safe refuge -Jesus Christ! and PRAY!

Pray for the lost. Pray for your enemies. Pray you will stand strong in the midst of adversity.

"These things I have spoken to you so that in Me you may have peace. In the world you have tribulation, but take courage, I have overcome the world." John 16:33

OK, here are the major points he emphasized from the dreams and visions in this 2 part show:

Part 1 message, May 27th:

- suitcase nukes are already hidden in U.S. soil, and will be detonated in terror attacks; missiles coming from subs off our coasts will hit cities
- Civil War will begin in Chicago and spread to nation
- U.S. invaded by Russians and Chinese
- judgment for U.S. is already set, confirmed (prayer could lessen)
- dream of tsunami wiping out coastal cities

Part 2 message, May 30th:

- Previous earthquakes that our nation has known (examples: New Madrid, San Francisco) will happen again in same locations
- 2 nuclear bombs will be dropped on U.S. soil (due to law of sowing and reaping) from U.S. dropping 2 nukes on Japan: Hiroshima and Nagasaki: blood of the innocents are crying out
- When there is a collapse of US \$, banks will shut down on a Friday or holiday: THIS IS A 72 HOUR WARNING FOR US:
- pack your things, food, money, gun (for hunting food, not to kill people), supplies and put them in your vehicle and head to family "safe place" - country, because after this is coming other events, including:
- power down, "cyber attack", computers not working
- people arrested, taken to camp, military goes door to door, confiscating guns, precious metals/money, supplies

He exhorts God's people to CONTINUE TO PRAY for the people of this nation...

## *The World*

*Soon all your sorrows will be behind you and you shall enjoy an eternity of joy and love with Me, but many dark events will occur in the earth, My children. Do not be frightened. Remember not to fear what man can do to your body, for it is your spirit that lives forever.*

*The enemy shall attempt to steal your faith by affecting your body. He does even now in many ways. Your body is only in the present world, but I have overcome the world.*

*Strengthen your faith, that it may endure to the end.*

## *Be Vigilant*

*The time of the end is at hand, and the events of the end will occur whether you have made yourselves ready for them, or not. If you have drawn near to Me, if you walk daily with Me, walking in My Ways and submitted to the plan I have ordained for you, then you are prepared.*

*Be vigilant that the enemy does not steal your crown from you. Be careful to guard what I have placed in you, and your place in the vine.*

*Be sober. Be vigilant. Your enemy is real.*

# Many Are The Voices Speaking Lies in This Season

MAY 4, 2016 7:28 PM BY [MITCH SALMON 27](#)

[6](#)

“An awakening of the prophetic is underway. In fulfillment of My words in Joel 2 this is coming to pass. My word is spoken forth by those who have sold out to My kingdom and My purposes. Those who have submitted themselves unto Me are My chosen vessels to pour forth My rhema words in this season.

The enemy recognizes this move taking place and he has been executing his response to it. Like dirt being added to pure water he uses the false to pollute the real. When this mixture is shaken the result is water so polluted that it is unfit to drink. He cannot silence the voices of the prophets, but he can attempt to drown them out. The false spirit of

divination is being used in this way and as a result many are unsure as to what is true. Others have chosen to ignore all those who speak forth in this season. In these ways he is seeing success.

It is for this reason that My people must draw close to Me in this hour. Discernment is needed and I am the giver of such gifts. Unless you know the sound of My voice it will be difficult to discern it among the many voices speaking forth today. Confusion has overtaken many of My people and it has brought them to inaction and worse yet, apathy and unbelief. If you receive these words realizing that they are meant for you, know that I extend to all an invitation. If you seek Me with all of your heart you will find Me. It is My desire to walk in intimacy with you, but I will not force Myself upon you. Come to Me and I will give you rest. Come to Me and I will speak into your spirit the words of life. Seek Me **before** seeking the voice of the prophets, so that you do not fall into deception.

Many are the voices speaking lies in this season. Like erratic winds they blow My people about as they try to **reason** the truth. My servants prophecy in part and therefore bring together small pieces of My divine puzzle, but when they come together they are one voice. They speak in agreement with MY word and with one

another. While these voices are not the loudest they are consistent with one another.

Ask and you shall receive. Seek and you will find. Knock and the door will be opened unto you. So what happens when you do not ask? And if you do not seek? And if you do not knock? It is My desire that My people are prepared for the coming season, but many of them do not ask **Me**. It is My desire that they would walk in intimacy, but they do not seek **Me**. It is My desire to open the doors of true understanding and knowledge but they do not knock.

In these days of muddy waters, My truth is like a filter straining out even the smallest particulates of lies until what you receive and take into your spirit is pure. My word will not leave you sick and malnourished, but refreshed and alive. My words are life and I speak them forth for all who are willing to receive. Do not allow fortune tellers and liars to steal away from the inheritance that I have in store for you.”

*For the weapons of our warfare are not carnal but mighty in God for pulling down strongholds, casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ, and being ready to punish all disobedience*

*when your obedience is fulfilled. (2 Corinthians 10:4-6)*

**Prayer for Greater Discernment:**

Father, I submit myself before you and confess that in this world of mixture I recognize that the water I hold up to your perfect light is not pure. Doubt and indecisiveness have held me fast, but this is not my desire. I wish to receive that which is true and cast aside that which is not.

Father, it is the desire of my heart to seek first Your kingdom and Your righteousness. Forgive me for taking my eyes off of You. Your voice is not that of confusion. You bring truth and life. I come into agreement with your voice and your voice alone. I ask that you would open my eyes to see and my ears to discern that which come from You versus that which comes from the world.

*For God has not given us a spirit of fear, but of power and of love and of a sound mind. (2 Timothy 1:7)*

You have not given me the spirit of fear. I confess any and all fear, except that which is of You, as sin. I come out of agreement with fear in Jesus' name and receive in its place peace and soundness of mind. I thank you, Father, that You indwell me and You are greater than the spirit of this world. Teach me to hear Your voice so that I may rightly discern that which is of You from that which is of this

world. My heart longs for pure spiritual milk and the meat of Your word. I cast down any and all false spirits that would seek to pollute my heart with anything that is not of You. I declare the blood of Jesus over my mind and over that of my household. AMEN

## New Reformation

3-26-16

This message will not be popular! Some may call me names , even false prophet. I care not what man thinks of me, I do not fear man. I fear Him who can destroy both soul and body in hell. The fear of the Lord is the beginning of wisdom and He reveals secret things to His intimate ones. There are tear stains on my keyboard as I type what He is saying.

My beloved sons and daughters , My brothers and sisters , those whom I indwell; I wish to speak to you.

You have many questions about the time that you are in. Many of you are growing impatient for My return and you are losing hope in Me. Please do not! You are so close to the end of this age! Would you give up the race when the finish line is in sight? I tell you stop running so hard in your own strength. Ask of Me and I will give you divine strength. You will NOT finish the race in your strength!

What I AM about to do in this earth will astound you and boggle the minds of men. The fire of judgment is coming, it is not delayed it is right on time. MY TIME! The destroyer is very ,very close now and My angels of judgment await My command.

Revival is not coming, I Am destroying this current system of religion that calls its self by My name, and I will start anew. It will be a new reformation but this time My people will be like those in the book of Acts and even more power will they have for these are the final days. The former and the latter rain. My Spirit will be upon My anointed ones without measure. They will walk with higher authority and more power on this earth than I did when I walked here. They will tread on serpents and scorpions and smash the kingdom of the enemy to the ground! They will go into all the world with the power and demonstration of My Spirit. They will heal the sick, raise the dead, cast out demons, multiply food, translate from one place to another, and perform miracles never before seen.

The work that will be accomplished by My mighty manifest sons and daughters will be miraculous! The harvest that will take place in months, is more bountiful than the harvest that has taken place over the last 100 years. It is so glorious you cannot imagine it now, but I see it! Not by might, not by power of men but by My Spirit says the Lord. No organization of men can do what I will do!

But My beloved , there will be cleansing by fire. Fire purifies and devours the chaff and the stubble. All that is not built on solid rock will be shaken and destroyed. I will protect My own for they have much work to do.

It will be through many tribulations and hardships that you must enter My kingdom. You will suffer the wrath of men and the enemy and YOU WILL OVERCOME! It will be by My blood and the word of your testimony, and you will not be afraid of the death of this life. My love and peace will be with you and I will NEVER leave you ! Trust in ,cling to and rely on Me for I Am the good shepherd and I will not loose any of My sheep. Those who are wolves dressed as sheep will be exposed and then burned by My consuming fire.

Do not fear My beloved for My wrath is not appointed unto you. You will see Me coming in the clouds in all My glory! You will see the salvation of your God and watch your enemies flee. They will not escape, there is nowhere they can run or hide that I cannot find them. They are the seed that the enemy has sown, the tares among My wheat. They will be gathered and burned in the everlasting fire along with their father and all of the ones that he deceived.

The time of the great deception and great falling away are here. Do not believe the lies that they tell you for I AM your creator and I created them. I speak of the fallen angels, they will tell the world that they have come to help and they will deceive many. They come from the far reaches of the heavens and from under the earth. They will offer false peace and many will receive their mark because they will overtake the rulers of this world. Their system will be in place for a short time before I return with billions of My saints and angels and destroy them. They will amaze many with their powers but remember they do not confess Me as their Lord. In the end ALL will bow and confess that I ,Jesus Christ am Lord to the glory of God the Father.

Amen!

# I Was Shown the Tsunami That Will Strike the West Coast of the United States

MAY 19, 2016 3:47 AM BY JULIE WHEOBEE 50 COMMENTS

20

On the night of May 17, 2016, I had a dream/night vision in which I was shown the tsunami that will strike the West Coast of the US, as a judgment from Father on the United States. It was very short, but very clear.

There were many people on the coast, and as I looked out to the horizon, I suddenly saw the waves approaching. Father confirmed that this was indeed the tsunami that will strike the California and the NW coasts. He told me to warn the people.

A few people in my dream listened to me and quickly began leaving the area, but most laughed and did not take me seriously when I told them that they had to evacuate the area immediately or be killed. Some ignored me altogether.

I understand that this is representative of the groups of people in the world. A small remnant are listening to Father's warnings of judgment and are repenting and seeking Him with all their hearts. Most have not taken the warnings from His messengers seriously. Some mock and scoff, believing it will never happen to them in this lifetime.

Again, I beseech you to listen carefully and heed all that Father is saying in these last days, preparing your hearts for His return. Of course, we are always to live our lives in anticipation of His imminent return, and no one knows the day or the hour, but His instructions are to always be prepared.

I am not clear as to 'when' this will occur, but I have no doubt whatsoever it will. This is one of many times I have seen this judgment in a warning. I had not planned on making this public, but Father has insisted I do. In His incredible mercy and love, He always reveals to His servants what He is about to do. I must obey Him and warn the people as His messenger or the blood is on my hands. What you do with the warnings is in your hands.

Pray for the lost. Pray for those who will die suddenly. Pray for the ones who mock and scoff at His watchmen, for the most powerful weapon we have is prayer. He hears our cries for those we love, and He knows our hearts.

Shalom,  
Julie

# ERIN – GOG TO BEGIN, TEMPLE FOR JESUS

This morning while making my bed, I saw 8:18 on the clock. I didn't think anything of it until God said Isaiah 8:18. I went to my Bible. "Behold, I and the children whom the Lord has given me are for signs and for wonders in Israel from the Lord of Hosts Who dwells on Mt. Zion."

Me: "I don't understand what You are saying here, Father. Who are Isaiah's children?"

**GOD: "Erin your thoughts?"**

Me: "I had a dream in which You gave me. I saw Israel deeply wounded. I saw water breaching it's walls. The water turned black, then the water became something like ants. They came in and destroyed everything in its path. People were giving into fear and panic. The invaders had encircled the walls of what looks like Jerusalem and invaded, but not before something shot down on the city first. The armies took the items dedicated to the 3rd Temple hostage. I saw people confused and scared not going to God, but to fortune tellers or psychics. The invading armies appeared to come in medical relief at first then instead, their leader wanted to be seated there in the city. Those who remained ran for the hills as the people were being executed. I saw a name Ra'ash – Ra'ash. When will this be Father?"

**GOD: "Write this plainly. Look as it is written so it was now, it will be again! Because these people have rejected Me, I will bring against them a mighty torrent. It will overflow the channels of Shiloah and spill over its banks. I will sweep over it, reaching up to the neck. This Torrent will descend upon the land. For this is My land. I did not give it to another, nor do I now permit defilement on My Mount. Those whom plot against My people, I will plot against them. The very thing I do to punish My land of Israel, I will do 10 fold to others. My people do not recognize the calm flowing waters, Pure and Holy. Instead they mock My Words and now allow that which is an abomination.**

"Band together, peoples and be broken. Pay attention all you distant lands; prepare for war and be broken; prepare for war and be broken. Devise a plan; it will fail. Make a prediction; it will not happen. For God is with us. Well I AM here but who cries out? Who comes to me prior to calamity and rends their hearts?

"Do not go the way of this adulterous generation? Who of you wanted to hear this message? When did I declare evil good and good evil? The enemy will deceive many of My people from Israel and distant lands by calling everything an Alliance. People live in fear of those declaring alliances and then they go under – deception. They agree to the 'Alliance' and allow the cover of this. Do Not fear what these adulterers fear. Do Not Be Terrified! You are to regard only Me as Holy. Fear only Me. I AM your sanctuary and your place of peace. The people walking in darkness have seen a great light. I increased the people and stretched out the tent pegs. When did I declare this for your enemies to inherit the land? I did not, yet who will stand? I am ready to allow the land to be punished so My Temple will be rebuilt. My Son will take His place within it. Every heart humbled and every knee will bow. I have reserved and preserved My sons from Judah who will care for the land again and keep My laws.

"To the distant land from the Prophet Haggai:

"You have planted much, but have harvested little. You eat, but never have enough to be satisfied. You drink, but never have enough to become drunk. You put on clothes, but never have enough to get warm. The wage earner puts his wages into a bag with a hole in it. To this I will add. You have brought curses to your own land. You have become fat in your idleness.

# Prophecy of Rabbi Judah Ben Samuel

*Brian Barker (23 Jan 2014)*

*"Prophecy of Rabbi Judah Ben Samuel"*

[We are closer than what we think](#)

## The Eight-Hundred-Year-Old Prophecy of Rabbi Judah Ben Samuel

Will the years immediately following 2016 be prophetically important for Israel and the world? Earlier we noted when seventy years (a biblical generation) is added to 1948—the year Israel was formally recognized as an independent nation by the United Nations—it brings us through the year 2018. Does this mean the year 2019—exactly seven years after 2012—would mark the year that Jesus Christ returns with the armies of heaven to establish His rule over Earth? According to an eight-hundred-year-old prophecy, it certainly could. Before he died of cancer, J. R. Church analyzed the ancient predictions of Rabbi Judah Ben Samuel and noted:

Ludwig Schneider, writing for Israel Today (March 2008) said, "Some 800 years ago in Germany, Rabbi Judah Ben Samuel was a top Talmudic scholar with an inclination for the mystical. Before he died in the year 1217, he prophesied that the Ottoman Turks would conquer Jerusalem and rule the Holy City for 'eight Jubilee Years.'" A biblical Jubilee year consists of 50 years. Fifty multiplied by eight equals 400 years.

Afterwards, according to Ben Samuel, the Ottomans would be driven out of Jerusalem, which would remain a no-man's land for one Jubilee year. In the tenth Jubilee year [2017]...the Messianic end times would begin....

Looking back at Ben Samuel's prediction, we should note that the Ottoman Empire did conquer Jerusalem in 1517, exactly 300 years after the rabbi's death, and was defeated 400 years later in 1917.

In Israel Today, Ludwig Schneider continues, "This came to pass 300 years after Ben Samuel's death. He could not have based this prophecy on events that could be foreseen, but only on the results of his study of the Bible.

According to Leviticus 25, the nation is reunited with its land in the year of Jubilee. Therefore, the Jubilee year plays an important role in Israel's history. In this case, the Jubilee began with the defeat and conquest of the Mamelukes in Jerusalem by the Ottoman Kingdom in 1517. The Turks reigned over Jerusalem until the British General Edmund Allenby defeated them exactly eight Jubilees later in 1917.

"Ben Samuel's prophecy was fulfilled precisely because 1517 to 1917 is exactly 400 years. Afterward, Jerusalem was a no-man's land for 50 years during the time of the British Mandate (1917–1967) and the time of Jordanian rule (1947–1967), another Jubilee year. During the Six Day War in 1967, Israel captured Jerusalem from Jordan and the city returned to the Jewish people after nearly two millennia of exile. After that, the countdown for the Messianic age began."

Schneider assumes that since Rabbi Judah Ben Samuel's prediction appears to be fulfilled to date, then 2017 should launch the beginning of the Messianic era.[iii]

2012 and Matthew 24

Is it possible that Jesus marked the year 2012 as the start of the final age? When His disciples asked, "Tell us, when shall these things be? And what shall be the sign of thy coming, and of the end of the world [aion]?" (Matthew 24:3), Jesus answered, "as the Days of Noe [Noah] were, so shall also the coming of the Son of man be" (Matthew 24:37).

The word aion in this text is not the general word for "time" (chronos) in Greek. Aion is the word the Greeks used to designate an actual cycle of the Milky Way alignments or the span of an age. Before he passed away, David Flynn emailed me to say: "The answer Jesus provided His apostles for 'when' the end of the aion would occur was specific. The astronomical signs in the heavens would be just as those during the days of Noah when Leviathan encircled the horizon in the dawn of the Summer solstice. There could have been no more accurate comparison made between our present time than the age of Noah.... The present aion is coming to a close. Like the sunteleia before, there will be great upheaval and change." [iv]

## Obama, like Mandela is an antichrist of the end times

Even the conventional inaugural prayers, which have been historically offered during U.S. presidential installation ceremonies, carried an unparalleled New Age flavour this time around. Rick Warren, considered America's Christian pastor, rendered a blessing in the name of the **Muslim version of Jesus (Isa)**, while the bishop of New Hampshire, Gene Robinson, invoked the "God of our many understandings."

The conscious effort by Obama to reorient America away from conventional Christianity was widely embraced by people who identified with the man known to sport Masonic emblems, a ring that says "**There Is No God Except Allah**," and a tiny idol of the **Hindu god Hanuman** in his pocket—whose blessings he sought in the race to the White House—a deity about whom Rudyard Kipling wrote the short story "The Mark of the Beast."

For Obama, who grew up in a household where the Bible, the Koran, and the Bhagvat Gita sat on a shelf side by side, organized religion was best defined as "closed-mindedness dressed in the garb of piety," but a useful political tool nonetheless. And so he used it masterfully, and earned a cult following while doing so.

By February 2009, Obama had replaced Jesus Christ as America's number-one hero according to a Harris poll, and dedication to his come-one, come-all mysticism has continued to spread in esoteric circles, with evangelists of the new religion calling for the "tired" faith of our fathers to be replaced with a global new one.

Although it is more difficult to understand the broad appeal of Obama's New Age philosophy to the many evangelical and Catholic voters who supported him, the phenomenon can be explained to some degree as the result of a changing culture. Over the past fifty years, and especially as baby boomers listened attentively to pastors telling them to focus on human potential and the "god within us all," eastern philosophies of monism, pantheism, Hinduism, and self-realization grew, providing Americans with an alluring opportunity to throw off the "outdated ideas" of fundamental Christianity and to espouse a more "enlightened," monistic worldview (all is one).

Aimed at accomplishing what the builders of the Tower of Babel failed to do (unify the masses of the world under a single religious umbrella), God was viewed as pantheistic, and humans were finally understood to be divine members of the whole "that God is." Pagans argue this principle of inner divinity is older than Christianity, which is true. The gospel according to such New Age concepts—a gospel of "becoming god"—is as old as the fall of man. It began when the serpent said to the woman "ye shall be as gods" (Genesis 3:5), and it will zenith during the reign of the anti-Christian god-king.

"To contemplate ways to assist Barack in his 2012 re-election bid something miraculous happened," she writes. "I felt God's (His) Spirit beckoning me in my dreams at night. Listening, cautiously, I learned that Jesus walked the earth to create a more civilized society; Martin (Luther King) walked the earth to create a more justified society; but, Apostle Barack, the name he was called in my dreams, would walk the earth to create a more equalized society..." [xxii] We could continue, pointing to such examples as Michael D' Antuono's painting "The Truth," featuring Obama wearing a crown of thorns with his arms stretched out as if on a cross, Democratic National Convention prayer garments with the president's name and a calendar declaring him "heaven sent" (with the month of November depicting the president with people's hands on his back and the phrase "The Lord is my Shepherd, I shall not want") and photographs of Obama with the Bible verse from John 3:16: "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." A month after the election, Obama messianism continued as people across the globe celebrated Christmas with nativity scenes hosting figurines of Obama as the prophesied King of kings. This could go on and on, but you probably get the point. Much of the the world is ready now, even hungry for the arrival of the Man of Sin.

Conversely, this is where contrasting social feedback becomes equally interesting especially as a Public Policy Poll released in April 2013 reveals that one in four Americans now think Obama may actually be the Antichrist.

Oh, how easy it will be for the coming world leader, the antichrist, people worshipped Obama as "Christ returned." Christians voted in mass for Obama, how true the words of Jesus, "will I find faith when I return?"

# An Event Will Occur That Will Begin World War 3 and There Is No Stopping It

The spirit of the living God comes to you. Write what I say:

“An event will occur that will begin World War 3 (without debate) and there is to be no stopping it. All the planning and scheming has led to this. Many will lose their lives. It is important that you rest in the shadow of the Almighty, your refuge and your strength. I come to you to harken you to listen to all that I have to say. The underpinnings of this attack come not from afar but from your own shores. Do not be deceived.

Trust this good word: I desire My children to live in light just as I am light. See, the darkness covers the earth, yet there are pockets of light that shine forth through the darkness. The abyss has not conquered all. It is My children of light who shall be victorious. Let no more false flags confound you. They say “look here” while over there great tragedy really takes place. I will point you to the truth. I will point My children to all truth, which is in Me.

Look to Miami. Look to Chicago. Look to San Francisco. See what is happening. The wheels have been set in motion and they shall not be stopped.

Some will say pray so that my Father in heaven will listen and intervene. But I, the Lamb who has already been led to slaughter, say all these things must happen that scripture be fulfilled.

I am the way, the truth, and the life. No one come to the Father but by me. Yes! I am the truth! I have already paid the perfect sacrifice that you should come to me. My children are asleep, fast asleep. But they will awaken by the shaking. One cannot sleep when all things around you begin to shake. The earth shakes. The ground beneath your feet shakes. The economies of the earth shake. The militaries and governments shake. The skies

shake. Day by day, more and more will awaken to the reality of the days all of you have been chosen to live in. Make no mistake – it is no coincidence that each of you are alive today.

God, My Father, is sovereign and there is none like Him. There are only imitators and counterfeits. He is the true creator. His imagination is second to none. Each of you is but a reflection and shimmer of His great and glorious imagination.

The culmination of the planning of the enemy is close. The land mines have been set in place. Watch your step! Keep your eyes on Me that you should not stumble.

Your freedom shall be questioned, and it shall even be taken from you. Yet, in Me you are free. Your freedom grows as you see that you are not of this world, but made for My kingdom, which shall come. Wait just a little longer and you shall see all the glory I will set before you as I live and love among you.

Many are confused about the events that must take place before My reign may begin. I come to set the records straight. Much has been sealed until this time, but My children, the light in this world today who carry my love, are ready to know truth. I've placed the desire deep in their hearts to know My truth, the truth of what they were created for. And just as I come, so shall they walk in the destiny they have in me.

My word says that you shall have tribulation and you shall be persecuted. Yes, this is truth. Look around you and you see it, and this shall be more and more. Even here in the land of "the free". I tell you that you will face great

trouble for My sake and many will perish. But those that lose their life for My sake will gain it.

This is not the end! But only the beginning. My word speaks of the truth, so read it and take it into your heart. Let it make you new. My word is my life. The old sinful nature must die, so that I may live in you. A house divided against itself shall fall. If Satan has a place in you, I cannot live there. You must choose him or Me. There is no in between. You either live in agreement with what he says about who you are, or you live in agreement with who I say you are in Me.

I died so that you may live eternally, but My blood is THE life even in the body you inhabit today. Let My blood wash over you that you would have life abundantly. Let it make you new. Choose to die to self that you may live as the one true body you were created for.

Look around and you will see every lust of the flesh. Can you not see that the flesh has already died and now it is rotting? It hangs off the bones causing repulsion. Turn away! Seek forgiveness and give forgiveness. This is the only way to truly live. I plead with you! Can you not accept that I died for you? What more must I say or do so that you shall know the truth, and see that you are free? I cry out to the Father on your behalf! Come, sit at My feet that I may comfort you My brothers and sisters. Give me your hand and I will lead you beside still waters. There is nothing I withhold from My family.

The beautiful thing about light is that it cuts through the darkness and even overtakes it. Hope. There is great hope. I am pouring out my spirit in these last days in mighty measure. No life has yet experienced the fullness

of My spirit, but you shall. Yes, the oil is ready. The Angels stand ready to pour out the great anointing that I have saved up for such a time as this. Prepare yourself to receive the anointing I have for you. Of yourself, you can do nothing. But in Me there is nothing you cannot do. Preparation means to humble yourself through fasting and prayer. Then, wait upon Me and I will wash you clean in My blood. The Angels will anoint your head with oil and you shall go forth to conquer! Oh, how glorious it will be! We will co-labor together on this earth in these last days turning the hearts of the sons to their fathers and the fathers to their sons! When a child knows their Father, and knows their place in the family, they are no longer an orphan, and this is what we shall do together. We shall set things right. Child after child shall be set free until the last day!

It is not time to look up for “your” redemption. It is time to look around to your brothers and sisters on this earth and love them. It is the question of THEIR salvation that must be on your lips and in your heart. It is time to be the light. I am not coming to take you away yet because instead I desire to live through you in these last days and together we will bring in the greatest harvest of souls this world has ever known.

The crafty serpent has set lies in the teeth of my pastors and evangelists that before great trouble, all those that call on my name will be called home. This is not My truth. I desire that you should see the lies for what they are – a deception that would keep you from the preparation in Me. If you knew all that was coming upon the earth you would fear, if not resting and trusting in Me. Do not

stumble! You need not stumble and fall! I am here now proclaiming the truth that even though the days ahead are dark, I will carry you. There is nothing to fear for those resting in Me.

I do not want you to be caught by surprise. This is why My word instructs you to ready your lamps that the light shines forth through the darkness so that you may SEE what is ahead. My Father does nothing before releasing it to His prophets because He wants you to see and He wants your faith in Him to grow. Fear is of the enemy, but my Father has not given you a spirit of fear.

Fear not because I am in you. I have prepared you and I will equip you for the trouble ahead. There is no limit to what we can do together. My word says that the things I have done you will do and even greater. These are the days you are living in. Many of you will get to experience for yourselves the fullness of who I am, and who you are in Me. As you come out of this world, you step into My kingdom. Understand this, My kingdom comes on this earth today!"

# Obama Unleashing Islamic Terrorism on the United States This Summer

APRIL 30, 2016 8:36 PM BY LINDA CLAY 37 COMMENTS

On the morning of April 15 2016, the Holy Spirit said to me, "Obama will unleash terrorism on the United States this summer."

I do not have a specific date or month. I don't like sharing this type of revelation, but all will know soon enough if this is indeed a true word from the LORD. What I can tell you right now is this makes my heart GRIEVE to have to share the truth of this matter.

On the morning of April 15 2016, the Holy Spirit said to me, "Obama will unleash terrorism on the United States this summer."

I do not have a specific date or month. I don't like sharing this type of revelation, but all will know soon enough if this is indeed a true word from the LORD. What I can tell you right now is this makes my heart GRIEVE to have to share the truth of this matter.

I pray this will be held off as long as the Heavenly Father will allow, yet I know the "Islamic Day of Wrath" is going to unfold throughout the United States in a manner MOST could not even imagine. I continue to pray for the Father to remember mercy in the midst of the judgment, for we as a nation are under SEVERE and RIGHTEOUS judgement.

On March 31 2016, I was awakened in the middle of the night around 1:00 am by the smoke detector alarm going off briefly, then it stopped. I got up

to see if there was any smoke/fire, but there was not. I noticed a small red light flashing on the smoke detector, which is still happening now as I write. My hostess (where I was staying at that time) told me this sometimes happens when the batteries are low and need to be changed.

I finally settled down enough to go back to sleep. I had the following dream later that morning. I saw what I knew were plans of Islamic terrorists to have a massively coordinated “day of wrath” jihad against the United States. I either heard or thought, “This is the ‘day of wrath’” (referring to what “The Hawk” has discussed on his radio program, about the book “The Day of Wrath” by William Forstchen”).

I saw strategic plans written up on a huge map, of one particular area, where the jihadists would be positioned and what plan of attack they would be using. I saw helicopters drawn on the map that would be used to crash into hospital entrances.

The scene changed and I was on the actual site that the map was illustrating. I saw what I knew were jihadists going into position. They were everywhere, both inside of the hospital and coming in from all directions outside. They had civilian clothes on, with the exception of the women. I saw all of these islamic women in chadors (the Iranian version of a covering that comes in one piece).

Note: My first husband was Iranian, so I’m very aware of the culture and even able to speak a little bit of Farsi.

I was aware I was serving as a “spy” for the LORD. I could see all of these things happening right in plain sight in the middle of the day. I saw the Islamic women being placed in groups outside and away from where the destruction would take place. Oddly, nobody seemed to notice this was taking place, with the exception of a few non-Muslims who also knew what was happening. None of us could do anything to stop this from happening. I brought out a black and gold chador, putting it on, so I could freely move about these Muslims and observe what was taking place. A young Islamic man, who was corralling the women into a group told me: “I see you moving around, you must stay with the women.”

I walked up to him and said, “But I have to go to the bathroom”.

He said something else, but he did not stop me. I understood he wanted me to come back to that group when I was done.

I continued moving about, making my way over to a non-Muslim person, who I knew was awake. I lifted up my chador and whispered, “It’s me, Linda. Can I could borrow your walkie talkie, so I could call the police to alert them to what is going to happen?”

They gave me their walkie talkie, but a few minutes later I realized I was unable to use it because the jihadists would hear it.

Again, there was seemingly nothing I nor anybody else could do to stop this or even get assistance. It was going to take place. So I continued to observe, watching more of the Islamic terrorists take their positions. I even saw how the entrance to the hospital was clear of any Muslims, in prep for the helicopter crashing into it.

I continued walking around, observing the set up, while still wearing the chador. I went over to what appeared to be a three-sided, tent-like enclosure, that had a covering over the top of it. It was dark in there, but I knew somebody was in there. I saw people in front of it who were unaware of the danger that was so close to them. This person in the tent started to aim what appeared to be a 1.5" pipe-like thing, which I knew was going to spew forth deadly dark smoke. I turned it back on them and heard them coughing and choking. So I was at least able to prevent that dark smoke from being unleashed.

I started heading over to where a group of Islamic women were standing, when suddenly a young Islamic man came over to me and started speaking Arabic or Farsi (Persian). I was miraculously able to understand what he was saying. He handed me a folded up document and I replied in Farsi, "Khaylee-mahm-noon" and "kho-dah-ha-fez", which is "Thank you very much" and "good bye".

I then went over to where the women were and saw they all had these documents. I saw they were the Islamic version of an Insurance policy. When their jihadist husbands were killed, they would be given a monthly income.

The document had a name scratched out with the name "Mary" written in and a description of me written on it. I had been given a jihadist insurance policy by that young man, with me being referred to as the beneficiary (even though my name is not Mary).

~ End of Dream~

As I awakened, I saw the red light still flashing on the smoke detector in my room. The Holy Spirit brought back to my memory the alarm I heard earlier. I was given the understanding that this Islamic "day of wrath" will happen suddenly and unexpectantly, just like that alarm going off in the middle of the night. I also understood the red light flashing on the smoke detector was a visual of "Warning, Warning, Warning" by the Holy Spirit. THIS IS GOING TO HAPPEN (the Islamic Day of Wrath).

I sought the LORD about this dream. What I understand is this is coming and it will be a highly coordinated "event" that is going to take place. There

are no prayers that will stop this from happening; it is a part of the judgment upon our land, the United States. We are going to reap what we have sown.

The LORD said to me: "They will either be with me or they will not".

I understood this to mean, when the sudden destruction happens, those who perish will either be suddenly with the LORD at that moment, or they will be eternally apart from Him in hell. At the judgment seat of Christ, they will be thrown into the lake of fire.

I went into prayerful petition to the Heavenly Father, begging for His MERCY in the midst of this coming destruction. I asked He grant all the final opportunity to have their spiritual eyes and ears opened, even if during the final moments of their lives in the coming destruction, to call on the name of Jesus, that they might be saved. I did not get a response back from the LORD, but I have the following Scriptures:

"AND IT SHALL BE THAT EVERYONE WHO CALLS ON THE NAME OF THE LORD WILL BE SAVED." (Acts 2:21, Joel 2:32, Romans 10:13)

At this time, it is ETERNALLY DEADLY to not be fully repentant and have our life fully submitted to the LORD Jesus. Forgiveness of ALL who have sinned against us is also VITAL, for eternity, for if we have not forgiven, so we will not be forgiven and will be heading into the Lake of Fire.

This sudden Islamic day of wrath and destruction WILL happen. It's just a matter of time. TODAY is the day of Salvation. TODAY is the day to be right in the sight of God. TURN TO JESUS FULLY before it's too late.

Note: Later that afternoon (March 31, 2016), the red light on that smoke detector stopped blinking, even though the battery had not been changed.

# I SAW HEAVEN By Brother Othusitse Mmusi

My spiritual eyes opened

Monday, September 07, 2015 Around 3:00am, my spiritual eyes opened, I saw through the roof of the house, the skies and the moon, I saw a figure on a white robe standing above the moon, Supernaturally I could zoom in and also know the distance between me and where that figure was.

Three Angelic Beings and the Elevator  
I saw myself in a four corner machine, like a high speed elevator, I saw three angelic beings in the elevator with me, but they were all silent, the machine began travelling at a tremendous rate of speed, I heard the sound from outside, just

'whoossshhh', like a very strong wind and I heard sound like of water falling, yet there wasn't any water in view.

--Luke:16:22: "And it came to pass, that the beggar died, and was carried by the angels into Abraham's bosom"

## Entering Heaven

Suddenly I saw myself flying in the midst of heaven, the place was full of God's light, I saw white clouds and what looked like white mist, just as I was flying in the atmosphere, when I passed it, I saw spectacular scenery.

## Heavenly Mansions

--John:14:1: "Let not your heart be troubled: ye believe in God, believe also in me.2: In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.3: And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also."

The first place I saw, it was full of mansions without number, the mansions were huge and colossal in size, some were many multiple stories high, they were very spacious, they were made of heavenly materials, very colourful, perfectly aligned, different kinds of designs, shapes, they had no fence, or barrier of any sort, they were innumerable, their golden doors were facing the east, I saw lovely garden of flowers, I saw other mansions with well manicured lawn, sharply cut and neat, I screamed, "Father this is awesome", "Glory", The LORD spoke to me, "Son, This place is prepared for MY bride, everything is prepared and ready, the marriage supper is about to take place, any moment the trumpet with sound and I will go for MY Holy people, Tell MY Church to wash their robes in MY Blood and to keep them pure and spotless "

--Revelation:19:7: "Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready.8: And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints."

People, the coming of the LORD is upon us. We must have a full time relationship with GOD and make sure our robes are clean.

## Warn Man about Hell

The LORD gave a stern warning about hell. The LORD said:" Warn man about Hell, they are those who don't believe hell is real, Tell them for those who will not come to MY Kingdom, Hell will be their place of abode, there will be gnashing of teeth and regrets"

### I saw Saints and Children in Heaven

Some of the mansions were already occupied and some were vacant, but I saw saints moving in and out of the mansions, I saw children playing on the streets and in front of the mansions, I was just observing this. In front of some mansions, they were some chariots, saints were visiting each other in the mansions. --Matthew: 19:14: "But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven."

### Houses

The second place I saw, it was full of houses, they looked almost like community houses, they were of the same design, they were not as big as the mansions, also they didn't have gardens or flowers, they were in perfect symmetry, they weren't far from each other also, they were uniform in colour, design and size, no one bigger or smaller than the other. Then by revelation, I knew that in heaven, some will live in mansions, some will live in houses, it depends on our obedience, faithfulness and doing what GOD asked us to do on the earth, we will not have same reward in heaven. I saw Christians here too, many people here than in the first place I saw.

I saw what looked like multi residential houses or apartments, they were joined to one another and were smaller in size, and here I saw many people living together.

There are degrees in heaven.

--Daniel:12:3: "And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars forever and ever."

### The Chariots of GOD

After that, the LORD took me to another scene, I saw chariots, all kinds of them, they were moving from one part of heaven to another, different shapes, designs and sitting capacity.

--Psalms:68:17: "The chariots of God are twenty thousand, even thousands of angels: the Lord is among them, as in Sinai, in the holy place."

### A great shining Palace

I saw a very stunning palace, more beautiful than the mansions and houses I saw, there was wall of light around it, the light was living and magnificent, I was not allowed to go there, I just stood at a distance, looking and admiring it, wondering what could be inside there or happening.

### The streets of gold

I walked on the streets of solid gold, this time I said to myself; "today I will inspect these streets and see how they are really". I noticed that the street is wide and perfect, they were passing before the mansions and houses, I looked into them, I saw that it was like the gold was put deep into the ground, like a large, block of gold, so it wasn't like pavement of gold but a solid, block of gold from inside the ground, wide also, another interesting thing, the top of the street was transparent as glass, clear like pure water, but when I looked down, I can see the golden colour from inside the ground, so it was transparent and golden at the same time, the transparent part on the top, golden at the bottom, almost as if, you put gold under water, someone sees the transparency of the water, but looking deep, they can see gold underneath. They are the most beautiful streets ever. I asked, the LORD to give me something, the right there on the street, appeared a diamond, I picked it up, was walking holding it, sparkling, so real and clear. I thought to myself, "When I go back on earth, will it be still there?"

I stood in awe, looking at the many streets of gold, on every side. I remember saying to myself, "I am walking here, on the streets of heaven"

--Revelation:21:21: "And the twelve gates were twelve pearls; every several gate was of one pearl: and the street of the city was pure gold, as it were transparent glass."

### A Pastor's Mansion

I saw a very gorgeous mansion, then a certain man was coming out, I knew he had been a pastor on earth. In heaven, they told me, the reason why he had a large and beautiful mansion in heaven, was primarily his giving & helping the needy and the poor, and his praying. These provided materials for his mansion in heaven.

They also explained to me, That different works we do on earth carry different weights in heaven, what

God values and esteem high is very much different from what people think, they told me, the works we do that are unnoticed, behind the scenes, that people don't know about and unappreciated are the works that God values more, the works we do out of a pure heart and selfless love, they have great reward in heaven. Then I saw it as GOD sees, what is really important to God, that we must not look for appreciating & reward from men but God, also God values what we do in private than what we do in public.

--Matthew:6:1: "Take heed that ye do not your alms before men, to be seen of them: otherwise ye have no reward of your Father which is in heaven.2: Therefore when thou doest thine alms, do not sound a trumpet before thee, as the hypocrites do in the synagogues and in the streets, that they may have glory of men. Verily I say unto you, They have their reward.3: But when thou doest alms, let not thy left hand know what thy right hand doeth:4: That thine alms may be in secret: and thy Father which seeth in secret himself shall reward thee openly.5: And when thou prayest, thou shalt not be as the hypocrites are: for they love to pray standing in the synagogues and in the corners of the streets, that they may be seen of men. Verily I say unto you, They have their reward.6: But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly."

I looked over the City, the bright lights, the golden doors of mansions facing east, the majestic palace, the mansions and houses, the transparent streets of gold, the chariots travelling around, the children playing, saints talking and walking, the gardens, I said "Wow, Heaven is so wonderful". I didn't want to come back but I knew it was my time to go.

#### Paradise

I walked out of the city, The Spirit of the LORD leading me, I came to paradise, the place was beautiful scenery, they were beautiful trees, very green beyond any earthly green, I looked at the leaves, very fresh, I saw other kinds of plants, different colours, the leaves looked golden, purple, blue etc The Whole paradise was full of the creation of God, trees, grass, forests and parks.

#### A Farm

I came to a farm of a particular saint. At that farm I found a relative of his, it was lady I had known on earth, I asked and talked to her, I found out that it was one of the people that had received the grace of GOD just moments before they died, she had repented on the deathbed, then she died and came to heaven, she was living with her relative. I knew by revelation, that if she had not died but lived and were healed, she would have died in sin and went to hell, so by the mercies of God, she was given a chance and she repented, God took her and she has been in heaven ever since.

We stood there by each other and talked, I told her, that I am just visiting and I am going back any moment.

About the farm, the LORD told me, that Christians who like farms, fields, on earth, when they get to heaven they will have their own farms and fields, every desire there is fully met.

-- Psalms:37:4: "Delight thyself also in the LORD; and he shall give thee the desires of thine heart."

#### JESUS's final words

The LORD told me, "Son, Be faithful and continue being obedient in doing what I told you to do, as you do, there will be fruit and results, I will add more souls to your ministry". Other words the LORD spoke.

--Acts:2:47b: ".. And the Lord added to the church daily such as should be saved."

Then my spirit was back, I found myself entering my body on earth and opened my eyes, I felt awesome fire of GOD's presence, in my head, my hands, back, all over, sweet and awesome sensation. I woke my wife and began to share with her what I just and heard.

Love and Peace

# Demonic Serpents Lulling Obama's Audiences Into Catatonic State

MAY 2, 2016 9:16 PM BY [KATHI MINEER](#) [79 COMMENTS](#)

[9](#)

In about 2007, following a period of seeking the Lord as a watchman, I received the following dream.

I was with four acquaintances from my church and we were going to a pageant. We were all excited, but I had no idea about what was going or what was the purpose for this pageant.

When we got there, it was so filled with people that seating was hard to find. As we stood in the back looking for seats, I felt something weird and then a shift. My so-called friends started laughing at me and mockingly waving at me as they were led to their seats while I was left standing in the back. I felt alone and betrayed. I then moved to the far left wall and stood there by myself. I figured it was okay because I could see the stage from there.

Then I felt a breeze come over me and it lifted a veil from my eyes and removed it from me. Immediately I noticed I had a straight line shot to see what was happening behind the stage, a glance behind the scenes. I moved a little closer to the front and was shocked by what I saw, a man who seemed white, but then black, like he somehow changed. Then it seemed like I was watching a mirage, like this man would change in the blink of an eye and I couldn't figure it out.

Then I was surprised to see Oprah Winfrey walking in with many other people, her people. They were there to dress this man and lift him up. The people with her were not pretty. They looked like ugly scaly demonic serpents! I almost gasped out loud when I saw them, but by then I knew the Lord was revealing something to me.

Then a man came up to me and told me I would have to move from where I was standing. I really didn't want to lose sight of what I was seeing, but he assured me he had a seat for me. He then walked me to the very front row to the perfect place where I could see both the center stage and behind the scenes. My so-called friends were angry because I got such a great seat!

I continued watching Oprah and her people as they dressed this man. They were telling him and themselves they had to keep up

with all of his dress changes to prevent other people from being able to keep up with it all. I watched with horror and fear as these people and this man kept changing their appearance with lots of glamour, colors, diamonds, and glitter.

The audience was so taken and captivated they had no idea what was happening. No one knew demonic serpents were entertaining them and lulling them into a catatonic state, a dazed condition like a drunken stupor. It was like their normal senses were greatly dulled or completely suspended, so they just went along with whatever he was saying and doing.

As I watched them, I started praying and the more I did the more I began to understand what I was seeing and what was coming, even though I still did not know who this man was. I understood God was giving me a front row seat to see what was coming on the center stage and behind the scenes. I understood He wanted me to pray and inform others about what I was seeing. That was the end of the dream.

### **Interpretation:**

I had no idea who this man was until some time later when I was at work one day and heard the announcement that Barak Obama was running for President. When I saw his face for the first time, my blood ran cold and I almost passed out. Before I even knew what I was doing, I said, "There is the antichrist!" My co-workers in the room heard me and they laughed, but I was serious.

When Obama won the election in 2008, I watched his acceptance speech. His message sounded so good and he spoke so well that I thought to myself, "He seems like a nice guy and what he is saying sounds right. Maybe I was just wrong about him."

As soon as I had those thoughts, Holy Spirit called me by name and said, "See Kathi! See how easy it will be for people to get lulled into it?"

I was shocked because it felt like a veil was being put over me and blinding my eyes. It had to be ripped off of me! I had to immediately get up and leave the room.

Even to this day, I can hardly listen to President Obama or even look at him. When I do, it is only to intercede, but even then I always always proclaim the blood of Jesus over myself so I am not drawn into his trap and lulled by the demonic spirits operating through him.

We must continue to pray and ask Holy Spirit to rip off the veil that covers the eyes of so many people, lulling them into a darkened mindset. Peace to you. May you continue to have ears to hear and eyes to see.

# **America, America, PREPARE TO MEET THY GOD!"**

America, this is what the LORD says to you about your leaders!! You have rejected My leaders I sent to you!! You have turned your back to Me!

"Behold the Kings you choose to rule over you! They are mirrors of your own hearts. Do you hate them and mock them? You are only seeing your own reflection. They represent YOU. Just as Israel rejected Me to rule over them and coveted a king that would fight their battles and deliver them, so has America done to Me. My people prayed and asked, "Send us a Godly man to bring us back to where we should be. We repent!" So I raised up Mike Huckabee. You rejected him. Instead, you want to remain in your lust and greed and selfishness and decadence and find someone to solve your problems without turning from your sins, humbling yourselves and repenting of your idolatry.

So, you have the man on the left that would finish bankrupting America by stealing what is left from others and giving it to you to consume on your lusts with his Marxist ideals. Then, you choose a witch who is possessed by Jezebel to give you what you want by conjuring it from demonic powers out of hell. On the right, you have chosen a religious, self righteous, angry, bitter, hypocritical, and lying politician, and, of course, your favorite: the man of Babylon who worships and serves power and money.

"America, how far you have fallen from where you once were. You are no longer the holy and righteous nation that once knew Me and honored Me. You have turned your back to Me. You have spit in My face. You have rejected My leaders I sent to you. You have rejected My prophets whom I have sent to you for the past 100 years to cause you to return to your first love. You are now worse than the heathen nations of the earth around you. You worship idols. So, cry out to your idols to deliver you now. What will you do when My holy judgments shall come upon you? America, America, PREPARE TO MEET THY GOD!"

**Anne Graham Lotz, the daughter of renowned evangelist Billy Graham, has warned that God has removed himself from the United States and will soon judge the country for its rejection of Christianity. "Romans 1 describes the type of judgment where we sin, and we refuse to repent of our sin, then He backs away from us," Lotz said last week during an interview with the Christian Broadcasting Network, when asked about the spiritual health of the nation.**

**"He removes Himself from us and He turns us over to ourselves. That's what I think I see in America. I believe we're entering into that phase of judgment, where God is backing away."**

**Lotz argued that certain events that have occurred in recent years signal the end times, such as the birth of the modern state of Israel, the rise of Islamic extremism, and major natural disasters.**

**"So when something is record-breaking, which the earthquakes, the snowstorms, the floods - they are record-breaking - that's increasing in intensity," Lotz told CBN.**

**"When they increase in frequency - so it's not just one historic flood this year, but now it's like this month, and now it's this week, and it's just - they're ratcheting up in frequency and in intensity."**

**Like Us on Facebook**

**The founder of Angel Ministries issued a similar warning in a blog post shared on her website earlier this year.**

**"Our nation is in a mess. Why? Could it be because America is losing God's blessing? His favor. Could our sin be provoking His judgment? Judgment that is not necessarily in the form of a nuclear dirty bomb, or another ISIS attack, or an economic collapse. But a Romans 1 judgment as God backs out of our national life and turns us over to ourselves," she wrote in the post, titled "It's Time to Get Serious."**

**She referenced the Old Testament story in which God destroyed the nation of Judah because it continued to become more disobedient and more "wicked," choosing immorality and idolatry.**

**"God warns a nation that judgment is coming. He doesn't want any to perish. But if a nation does not heed His warnings, He unleashes His anger and there is nothing - no one - who can prevent it. If God would judge His own beloved nation of Judah, why would we think America could escape?" Lotz asked.**

New Prophecy 2333  
2333. Prophecy –

# Christian leaders defend Donald Trump

<http://prophecy.org.il/2333-prophecy/>

## 2333. Prophecy given to Raymond Aguilera on 19 March 2016 at 7:36 AM

Listen Reymundo, to what Jehovah says, “You remember in the Bible where deceiving spirits were released to deceive the prophets of the King of Israel in the Bible?

The same thing is happening now with the United States Presidential Election. Donald Trump is telling the people of United States all of his fantasies from his bubble head; and like in the Old Testament, people will believe these lies. The same thing is happening before your eyes as you hear these so-called Christian leaders defend Donald Trump. They do not have their foundation in Jesus Christ, Jehovah, or the Holy Spirit. Their fantasy Christianity is coming to an end.

On the other side of this coin, you have Christians, who clearly see and understand Donald Trump. He cannot fool them, because they are fully grounded in Jesus Christ, and the Holy Spirit. They will not be moved with all of his lies. They will understand the verses in the Bible where the Word says, “Even the elect will be deceived if it were possible.”

Like I have told you earlier, Donald Trump’s head will pop. Spirit filled Christians know evil when they see it in the Spirit. For I have placed My Spirit inside of them. Christian leaders and Christians who have one foot in this world and the other foot in their worldly faith will all fall together. Where there will be gnashing and grinding of teeth.

As for My Lambs keep reading your Bible’s and praying to Jehovah, Jesus Christ – and the Holy Spirit will protect you. For the things of this world will bring you death forever. Until We meet again through My Word, My Peace I give you. So be it! So be it! So be it!”

**Scripture 2 Chronicles Chapter 18 given NIV Bible:**

**17**The king of Israel said to Jehoshaphat, “Didn’t I tell you that he never prophesies anything good about me, but only bad?”

**18**Micaiah continued, "Therefore hear the word of the Lord: I saw the Lord sitting on his throne with all the multitudes of heaven standing on his right and on his left. **19**And the Lord said, 'Who will entice Ahab king of Israel into attacking Ramoth Gilead and going to his death there?'

"One suggested this, and another that. **20**Finally, a spirit came forward, stood before the Lord and said, 'I will entice him.'

" 'By what means?' the Lord asked.

**21**" 'I will go and be a deceiving spirit in the mouths of all his prophets,' he said.

" 'You will succeed in enticing him,' said the Lord. 'Go and do it.'

**22**"So now the Lord has put a deceiving spirit in the mouths of these prophets of yours. The Lord has decreed disaster for you."

**23**Then Zedekiah son of Kenaanah went up and slapped Micaiah in the face. "Which way did the spirit from the Lord go when he went from me to speak to you?" he asked.

**24**Micaiah replied, "You will find out on the day you go to hide in an inner room."

## Leaned

*America, you have leaned far to the left of what is right. You once were great in Me – you stood tall and proud, but your ways have become twisted and wrong. You no longer care to walk in My ways.*

*I will now give you the fruit of your doings.*

Jeremiah 21:13-14

13 Behold, I am against thee, O inhabitant of the valley, and rock of the plain, saith the Lord; which say, Who shall come down against us? or who shall enter into our habitations?

14 But I will punish you according to the fruit of your doings, saith the Lord: and I will kindle a fire in the forest thereof, and it shall devour all things round about it.

Psalms 9:17 The wicked shall be turned into hell, and all the nations that forget God.

# OBAMA REASSURES HOLLYWOOD: 'MR. TRUMP IS NOT SUCCEEDING ME'

"I recognize that there is a deep obsession right now about Mr. Trump"

Charlie Splerling | Breitbart - APRIL 9, 2016 1535 Comments

IMAGE CREDITS: PUBLIC DOMAIN

**President Obama reassured some of his biggest Hollywood supporters that Donald Trump would not be his presidential successor.**

"I recognize that there is a deep obsession right now about Mr. Trump," he said last night. "And one of you pulled me aside and squeezed me hard and said, 'Tell me that Mr. Trump is not succeeding you' — And I said, 'Mr. Trump is not succeeding me.'"

Obama made his remarks during a Hollywood mega-fundraiser for Democrats who paid up to \$66,800 per couple to attend.

According to [Deadline](#), Disney CEO Bob Iger, Gwyneth Paltrow and Julia Roberts, J.J. Abrams and wife Katie McGrath, Julia Louis-Dreyfuss, Norman Lear and Lyn Lear, Barbra Streisand and James Brolin all attended the fundraiser.

But Obama couldn't resist a little bit of trolling of both Sen. Ted Cruz (R-TX) and Trump for voicing the more controversial ideas in the Republican party.

"Mr. Trump has actually done a service, as Mr. Cruz is doing a service, and that is laying bare unvarnished some of the nonsense that we've been dealing with in Congress on a daily basis," he said.

# Brian Carn: A Curve Ball is Coming in the Election Process

OCTOBER 12, 2015 5:13 PM BY JAMES BAILEY 27 COMMENTS

25

Another prophetic warning was given on October 6 2015 regarding the 2016 Presidential election.

In the video shown below, Prophet Brian Carn warns it will be the most confusing election in our history and describes it as an episode of pandemonium. He also sees Donald Trump fading out of the race.

He makes the following comments at the 14:15 mark.

*I see in the realm of the spirit, I see a curve ball being thrown in the process. I don't know if it is going to be war. I don't know if it is going to be an assassination, but something is going to happen that is going to stir the election to a whole new episode of pandemonium. I don't know if it is going to be a war. I told you I see this election is going to be one of the worst elections we have ever had, one of the most confusing elections that America has ever had.*

*I see either an assassination maybe or even a war, I can't put my hand on it, but I see something is going to stir the election to a whole new episode of chaos. Don't be surprised if a new candidate pops up late.*

*Keep your eyes on the candidates, and as the man of God declared, keep your eyes on Rubio, but again, I would not be surprised if a new candidate, or a new choice, comes in late.*

*Something is going to happen that is going to bring in confusion, and it is going to be like the President, like somebody broke the rules and manipulated the vote. That is the best way I can explain it.*

*I see something strange happening where people are going to say, "They manipulated the vote."*

I believe he is correct in saying something very strange is going to happen causing people to say, "They manipulated the vote." I believe it will be so manipulated it won't even be allowed to happen at all.

Brian Carn's comments confirm warnings from five other people previously posted on this site:

- Stephen Hanson's prophetic word: [Obama Will Not Be Taken Out of Office](#)
- Glenda Jackson: [Obama Will Suspend 2016 Presidential Election](#)
- Melisa Peggs: [Only Two Choices in the 2016 Presidential Election: Obama or Obama](#)
- Mena Lee Grebin: [Obama is the Final President and Will Lead America Into the Tribulation](#)
- I shared how I saw Obama still in office long after the end of his second term in my previous post: [U.S. Government Planning Mass Murder of Americans](#).

At the 18:50 mark in the video, Brian Carn makes the following comments:

*Again, I see something happening as we begin to go into a season of smoke and ashes, I see a Trump fading out. And I know a lot of preachers just went and had a meeting with Trump. God bless them, but I hope they don't feel like he is going to be President because if they do they are just wasting their time.*

*Donald Trump is going to be a, I see him falling out as we go into a season of smoke and ashes. There is going to be a fire. Some kind of fire is going to break out in America. Whenever you begin to see this fire, this season of smoke and ashes, you are going to see Donald Trump begin to fade.*

# Only Two Choices in the 2016 Election: Obama or Obama

AUGUST 19, 2015 2:58 PM BY JAMES BAILEY 27 COMMENTS

24

Melissa Peggs recently shared another prophetic dream about President Obama. This time she saw the 2016 Presidential election. In the dream she went to the voting precinct to vote, but was surprised to see the only choice on the Republican ballot was Obama and the only choice on the Democratic ballot was also Obama. Her 11-minute video is shown below.

Her dream confirms a prophetic word shared by Glenda Jackson, which I posted previously, [Glenda Jackson](#):

[Obama Will Suspend 2016 Presidential Election.](#)

I believe the Lord is revealing to those who are listening there will be no 2016 Presidential election. The current news media focus on the Presidential candidates is only a distraction and a waste of time. My recommendation is to turn off that nonsense and find something more productive to do.

Our country is in great trouble and it is later than we think.

## The Year Ahead

*The year ahead shall be fraught with perils, My children. I am shaking those things that can be shaken in order to show those that believe Me not their great need of a savior. They will not turn their hearts to Me until they see they can no longer save themselves.*

*My children who walk with me know they need not fear. Every earthly kingdom will I shake. Every union and alliance not built on Me, will I also shake.*

*It is imperative that My people are clinging to and relying on Me and My Word alone. If you have placed your faith in anything other than Me, I shall expose it to you as I shake you loose from it.*

*Times coming will require your absolute, undivided loyalty to Me only. Any allegiance to the Evil One will be your destruction in that time.*

*I am coming back for a bride without spot or blemish!*

# THE J. R. NYQUIST DREAM

J.R. Nyquist said: "In closing, I will outrage the skeptics further by mentioning a dream I experienced 23 years ago. In the dream I saw the future presidents of the United States. Their portraits were lined side by side from left to right. The first in order was Ronald Reagan who had just been elected. The second was George H. W. Bush. The next two faces I did not recognize. An old man was present in the dream and I turned to him. Where are the others? I asked, wanting to see the rest of the future presidents. There are no others, he replied. **After these the Republic ends.**"

*(Note from MfM: The last leader of Judah was a puppet emplaced by the king of Babylon. The dream of J.R. Nyquist showed only two presidents after George Bush, Sr. Bill Clinton and George W. Bush filled those slots. The evidence that Obama is not an official president is overwhelming.)*

# Kissing Cousins? Donald Trump and Hillary Clinton Share Royal Ancestry

News Staff (Apr 20, 2016)

*Talk about a family feud!*

(United Kingdom)—The news is currently circulating in several media outlets that Democratic candidate Hillary Clinton and her Republican rival, Donald Trump, are distant cousins. However, the story actually broke almost two years ago in the UK-

based *Daily Mail*, but nonetheless, it's still interesting, especially considering that each is a leading candidate in one of the two main political parties and seems to have a decent chance, at least at this point in time, of winning the presidential race. *(Photo: AP/via United With Israel)*

Trump's latest nickname for Clinton is "Crooked Hillary." She doesn't seem to like him much either. But then again, isn't that often the case with relatives?

The two candidates, it seems, are 19th cousins, descending from 14th-century 1st Duke of Lancaster John of Gaunt and his third wife Katherine Swynford, according to the ancestry site *MyHeritage.com*.

According to historical records, Swynford was Gaunt's mistress, but they married after he divorced his wife.

"Clinton claims the lineage to her 18th great-grandparents through the Rodham family of her father's side, while Trump is related to her through his mother Mary Anne Macleod, who was born in Scotland. The common relative means that the Democrat and Republican are 19th cousins," the *Daily Mail* reported.

"John of Gaunt, a royal in the 14th century, was the son of King Edward III and featured in the Shakespearean play *Richard II*, named after his nephew," the *Mail* continued.

Then again, if we go back far enough, aren't we all related?

One thing they do have in common is that they both offered strong support for Israel in their recent AIPAC speeches. Let's hope that if one of these candidates is elected, he or she will stay true to that promise.

## DAVID WILKERSON MEGA-QUAKE PROPHECY FOR AMERICA

### David Wilkerson's Mega-Quake and Economic Storm Could be Close

APRIL 17, 2016 4:20 PM BY MARK SHIPOWICK 5 COMMENTS

Last week southern Japan was struck with two earthquakes, first on Thursday April 14, a 6.2 magnitude and again early Saturday April 16, a 7.1 under Kumamoto, a densely populated urban area.

Over 40 years ago David Wilkerson, founder of Teen Challenge Ministries and founding Pastor of Times Square Church in New York City, predicted a mega quake would unexpectedly strike America following one in Japan.

Are we on the verge of the fulfillment of his prophecies? In the second chapter of his 1974 book *The Vision*, he states:

*"The United States is going to experience in the not-too-distant future the most tragic earthquakes in its history. One day soon this nation will be reeling under the impact of the biggest news story of modern times. It will be coverage of the biggest most disastrous earthquake in history."*

*"It will cause widespread panic and fear. Without a doubt, it will become one of the most completely reported earthquake ever. Television networks will suspend all programming and carry all day coverage."*

*"Another earthquake, possibly in Japan may precede the one that I see coming here. There is not the slightest doubt in my mind about this forthcoming massive earthquake in our continent."*

*"I am not at all convinced that this earthquake will take place in California. In fact, I believe it is going to take place where it is least expected. This terrible earthquake may happen in an area that not known as an earthquake belt. It will be so high on the Richter scale that it will trigger two other major earthquakes."*

## **God is Raising Up Ezekiels**

### **Jessica Sowards**

Jessica Sowards:

<https://www.facebook.com/cawc247>

"Right now, in the secret place, God is preparing a generation of Ezekiels. They are nameless, faceless voices.

He is plucking them from office jobs and universities, from tattoo parlors and bars, from dry churches and kitchens where they cook dinner with a baby on their hip, from the mission field and the prayer room. He's whispering to them in the night, shaking their circumstances and erasing the lines of their neatly drawn comfort zones.

They are learning to walk through fire. They are forsaking fear and falling madly back in love with their First love. They are being ruined to everything else, spoiled by His presence. They won't want the world ever again, not after what they've seen and felt Him do.

They will be a peculiar people, an upside down people. Turning the other cheek to their enemy, blessing those who curse them, giving everything they've got to those who can't give anything back. They will make Jesus' name famous by choosing the altar over the audience.

They will live a laid down life, broken and poured out like

an alabaster box. They will not forget what they were rescued from, and will live with reckless abandon for the one whom they call Savior.

They will raise an army of dry bones to life with the Power of the Almighty they've submitted to. Signs and wonders will follow them and favor will be bound to their heads. They are marked. They are bold. They will not shrink back.

They are revival, burning hard and fierce. The fire in them is unquenchable.

Just wait. When you hear their voices you will know that they are sent. You will know that they are chosen.

But right now they are silent, weeping between porch and altar, being firmly rooted in an eternal paradigm. They are being sandaled with readiness for the gospel of peace. And with those readied feet they will run over glass, coals, lava if they have to. They won't slow down. They won't draw attention to their own able feet but instead, they will proclaim that there is one on His way, one who they aren't worthy to tie the sandals of.

Get ready, nations, this remnant is being prepared. They will shake the entire world. They will ask questions that demand answers, they will carry an anointing that cannot be denied. They will not relent in their cries for heaven and mercy and miracles. The Truth is in them, and it is stirring, building, nearing the moment that it breaks forth.

You'll know it's time when you hear their voices. The nameless, faceless ones."

## Time is of the essence now!

4/3/2016

My Love, write these words, for up out of the Spirit is life everlasting through Me, Jesus of Nazareth, the One who died for all the sins of mankind.

Not many days remain that you will label as a "normal" day. The Earth is ready to explode with darkness that will cover the entire Earth. Judgment is here. Who can hide from this? There will be no place to hide. My children who are in Me will be hidden in the Bridal Chamber, transformed and ready for My service.

So many are thinking there is more time, but they are deceived. There is no more time!

Keep your eyes on the West My Love and fear not what happens. You will be changed in the twinkling of an eye from corruptible to incorruptible. Never doubt what I am saying to you. The evil one would lull My Bride to sleep, but I say "Awake My Loves"!!! The time of My coming is upon you!

Listen for the trumpet for soon it will sound, and I will call you up hither to be with Me!  
Now post this publicly and privately.

*At this point, I stopped to do a few chores around the house and as I was about to turn on the vacuum cleaner I heard these words:*

My Love, Please don't hesitate to get this message out! Many of My children are asleep and they need to wake up. Time is of the essence now! Make sure to proclaim My coming although many will call you a fool! Truly, it is upon you and My children need to wake up!

# I Am Calling You to Walk in the Darkest Period of Human History

JANUARY 3, 2016 1:09 AM BY JOANIE STAHL 20 COMMENTS

     23

It is midnight now. I am now searching the earth with lanterns. I am making thorough searches. I will move suddenly. Everything you have learned from Me through these years was for the purpose of toughening you up for what will come upon the whole earth all at once.

It is midnight now. I am now searching the earth with lanterns. I am making thorough searches. I will move suddenly. Everything you have learned from Me through these years was for the purpose of toughening you up for what will come upon the whole earth all at once. Few will be able to stand up under it. Do not be fooled by those who seem to be strong in Me. Many will fall away. Some will return last minute. This will take

everyone by surprise. I am speaking to all of you individually right now. Listen to Me. Each of you have relied too much on each other, and habits related to Christian living more than quickening your ear to Me. The time that is upon all of you will require independent strength, but not independent from Me. Circumstances will require immediate strength to stand. I will give you that strength, you will not have it within you to derive it out of yourselves at your will, but Mine. As the day is so shall your strength be. Many of you will be made to go through some very difficult dark places that will test your minds, your will, and your emotions.

And do not try to figure out whether this will be during the the rise of the “man of sin” or the time that will arise later. The time is now. Look up and keep yourselves ready.

Many are fast asleep. They equate readiness with a soft, familiarized thought. They tell themselves they are ready by their own viewpoint standards. But those that do will not be able to stand, not immediately anyway. Later many will.

The pressures, fearful sights and more will eventually push them into the name of My strong tower. Everyone of you who have lost everything and yet still walk with Me will be those easiest for me to command. For during this time, they will know the time of My coming, that it is nearer now than ever before. And because they know it, will have a superior strength of power, superior to everything else everyone is terrified by.

I have not left any of you alone, not ever. The times you felt that I did were only to reinforce you to stand like a

mountain in the midst of severe storms. I have been warning many of you for a long time. I can only warn for so long. Then comes the day, the moment, the hour in which I will begin to unseat Satan and root out his kingdom, force his ruthless kingdom forever out of my earth.

His claims of what he has the power to give are false. If anyone receives anything, it is only because I have allowed it. His forces of evil, his wickedness is near the end and he is very aware of that nearness. He has a wrath coming that he has been saving up all these millennia. Understanding is key right now.

Do your lives seem common? I hear many people groaning under every weight of concern and hopelessness. The very cries I am hearing in my ears today echo the same as the Hebrew slaves during their long oppression. Night and day, night and day until it mounted up to my throne on the sides of the north right into My ears, until I couldn't take it anymore, until it came into its fullest measure.

I am at that same place. Do you wonder why I said that I would roar out of Zion? Once I do rise up, I will devour at once.

Begin to prepare yourselves in Me and only Me without mixture. Do not lean too much on others, other than what is necessary. Dig in and sharpen your swords, bathe them in heaven. Be in charge of your own weapons you have been entrusted with. You are my weapons of righteousness. And do not be afraid of anything, or anyone, or any threats. I know what I am doing. Your obedience to Me will determine critical

safety measures at every turn. Home is coming for you. The harpers are harping. My gates are opening wide, and my hosts are preparing for all of you to come in all at once. If you could only see the loving fervor among the Saints of the ages! The happiness, thrill and great joy is the sentiment of heaven.

Now a word to those who are young in the faith and tender. I have assigned certain things for you to do. You will also, even in your youth and degrees of faith, need to make choices. I will bring those around you who are mighty and have fought brave and courageous battles and fierce storms in My name. They, in a sense will be your guardians, but they will always teach you to ultimately look to Me and Me only. That is how you will know they are from Me.

And to all of you I say, remember to always show love to one another. Do not allow Satan to tempt your hearts away to hate one another. I say this because everyone will be affected by hunger and money issues, which naturally bring out the very worst in everyone.

Satan's greatest weapons are yourselves against each other. Do not allow anger or hate to grip your mind in whatever circumstance or place you find yourselves in. Once you give way to it, he will ruthlessly use you as his weapon of destruction against others, then ultimately will destroy you. You will become his weapon rather than Mine.

I also want you to know there are great numbers of My angelic host of angels all around you. Your understanding of these things will determine My best outcome for you. I am calling you to a walk in the

darkest period of human history with My light and My light only to guide you. Let what I have told you today sink down deeply into your ears.

# Utopian Deception Now Being Perpetrated on the Church

MARCH 10, 2016 7:43 AM BY PASTOR BENJAMIN FAIRCLOTH 135 COMMENTS

53

On March 6, 2016 during my early morning prayer time, I received the following word.

*"My Church is half asleep and half dressed. Deception rages within her pulpits with lies and promises of a Utopia lifestyle on this earth, free from pain, problems, and persecution. A Fairy tale lie of no sorrow exists in the sermons of this nation. My Bride has been fooled into believing all is well.*

*Where are the judgments prophesied? Where are the attacks? Where are the sounds of the battering rams tearing down our walls?*

*For thus saith the Lord, wake up from your slumber! Get dressed and flee your whoredoms of idolatry. Prepare yourself, for soon I will manifest My glory. In the darkest hour, My light will shine. My word, My truth will prevail, and out of the ashes of calamity, a new Church, a new Body will be revealed! The first church will be the last church and the last church will be the first. I always save the best for last!"*

I questioned the Father regarding what He meant about the first church, last church. He explained to me the model and template of the first church (in the book of Acts) has ALWAYS been the plan; we are the ones who changed the original purpose, mandate, and mission of the church. We have been modernized as a church, but our message and our mission has been diluted! There is an ACTS chapter 2 part 2 coming soon!

# PERRY STONE SEES NUKES

12 hrs ·

PROPHETIC VISION THIS MORNING! Early this morning I saw a vision of troops in the mountains - in this case West Virginia, that were practicing for some type of crisis. Some were in camo, others with hoods similar to a SWAT team, and other seemed to be linked with foreign nations. They were getting ready to move on a town. I was in a house and wanted to Periscope, but knew they could track it and actually knew my phone was being tracked. I kept peering out the window as they moved closer. Suddenly, I saw where they had arrested hundreds of people and were detaining them. Eventually they came into the house asking for me. I said the strangest thing to them. I said, "Gentlemen, you know that the terrorist are on American soil and the government is secretly preparing for the biggest terror attack in history." Then I followed up with, "You know that Al Qaeda has in their possession a nuclear device..." I had nothing on my mind and had a very restless night last night, waking up continually which is rare for me. This was very vivid and clear, and I knew the government knew something they were not telling people.

On another note, I can sense a brewing storm. Men who control politics in America are running scared and have threatened to take over the conventions this year and not select the person the people select (whomever that may be). If this occurs there will be war in the streets against the establishment that will make the 1960's anti-war protest seem mild. The Globalist have an agenda and several candidates are messing up their plans if they take high positions.

Something big is just around the corner and we need to be prepared first and foremost in prayer. I will Periscope a few hours from now and add more to this that I won't put on Facebook for reasons I will not state. It will be under "More Info on the Threat." Please re-post this to as many as possible, as I believe this was a warning and we must pray over any warning.

(Hope note - I listened to him on Periscope and he did not add anything new. He is just not happy with posting on FB because he gets so many negative comments)

## **NUKES OVER AMERICA?**

During the days of the cold war, of course it was not uncommon for people to prophesy nuclear bombs hitting America. Nowadays it is not common at all. But a friend of mine from Texas – a man I know personally to be a balanced and well-grounded Christian – reminded me of this topic not long ago. He (and other believers) have seen visions of nuclear devastation on American soil that have so shaken him that he moved his family right out of Dallas and right out of Texas. Just another crackpot, you say?

Below is an excerpt from David Wilkerson in 1985 on this very topic. After that we will hear from my Texas friend. And after that I would love your comments, my friends.

**DAVID WILKERSON** wrote: “America is going to be destroyed by fire! Sudden destruction is coming and few will escape. Unexpectedly, and in one hour, a hydrogen holocaust will engulf America — and this nation will be no more.

“America has sinned against the greatest light. Other nations are just as sinful, but none are as flooded with gospel light as ours. God is going to judge America for its violence, its crimes, its backsliding, its murdering of millions of babies, its flaunting of homosexuality and sadomasochism, its corruption, its drunkenness and drug abuse, its form of godliness without power, its lukewarmness toward Christ, its rampant divorce and adultery, its lewd pornography, its child molestations, its cheatings, its robberings, its dirty movies, and its occult practices. In one hour it will all be over. To the natural mind it is insanity to come against a prosperous, powerful nation and cry out, ‘It’s all over! Judgment is at the door! Our days are numbered!’ The Church is asleep, the congregations

are at ease, and the shepherds slumber. How they will scoff and laugh at this message. Theologians will reject it because they can't fit it into their doctrine. The pillow prophets of peace and prosperity will publicly denounce it...

"Let the whole world and all the church call me crazy, but I must blow the trumpet and awaken God's people. Believe it or not, America is about to be shaken and set aside by swift and horrible judgments. Many other praying believers who have been shut in with God are hearing the very same message – 'Judgment is at the door! Prepare, awaken!'" (-Wilkerson – "Set the Trumpet to Thy Mouth", 1985).

JEFF FROM TEXAS wrote: "A few years ago now (3-4?), when I had slid into a great discouragement (before I fully understood the depth of God's love for me & a full rest in His complete & total sovereignty) & had backslid, hiding in my new 5 bedroom home with my fancy home theater system, The Lord stopped me walking up the stairs and spoke to me: "There is something big coming, & you are not ready". In my minds eye, I could see a mushroom cloud and much devastation. I knew what The Lord meant, & I was touched He still loved me and came and got me after all I had done in hardening my heart.

"I've never been the same since. The Lord led us shortly after to sell all we had and move (we had no idea where at first, for quite some time). Anyways, we ended up here in the perfect will of God in fellowship in Albuquerque, NM, with brethren we have known for many years (some of which we met at the John the Baptist conference in Dallas years and years ago).

"I still have had dreams of Texas & destruction to this day... I take no joy in it (all of our natural family still lives in the Dallas metro area), but I know something is coming there nonetheless...

"War is definitely coming, as is great destruction... Many in our fellowship (particularly those with prophetic giftings, but not just

limited to them either, but to many in our local Body), have had prophetic dreams of such. We all came originally from Texas (though some had lived at times in California, Mexico, India, etc.), but God sovereignly moved all of us (at different times) out of Texas and together here in New Mexico.

“Several of us have had dreams of the outright annihilation of Texas. Stuff like bombs going off in the major cities (particularly Dallas & Houston, but maybe San Antonio & Austin also?). Dreams of mushroom clouds over Dallas...”

ANDREW AGAIN: I am only sending this out because I have read many similar warnings over the years – so I believe it is something the Body of Christ needs to discuss. We would be very interested to hear the comments of other Christians, since I know many American believers read this newsletter. Has God been speaking to any of you to perhaps get out of some of the larger US cities? Does this warning ring true or not?

## New Attacks

I do not have a word to post today, but I wanted to share with you all that I have noticed a new wave of attacks on God's people, especially those who speak for Him. Are you being attacked, too?

These attacks are very intense, some are attacks on bodies, some on emotions, and I'm sure there are many more I have not heard about yet. Please be aware if you speak for the Lord, or if you are a Worship Leader or work in any way for the Lord that the attacks have increased in frequency and intensity pretty dramatically.

It would be wise to pray the three-prong prayer of protection over yourself and cancel any attacks that have been sent against you.

*Lord, in the mighty and matchless Name of Jesus, I pray You would surround me with a wall of fire as shown in Your Word in Zech. 2:5. I ask for a Hedge of Protection like you surrounded Job with, and I cover myself in the precious Blood of My Savior Jesus Christ. I praise You, Lord, for You are mighty to protect Your children!*

*In the Name of Jesus, I bind up every demonic attack that has been sent against me and the ministry work I do. I cancel every attack sent against me and the ministry work I do, my household and everything I own in the precious Name of My Lord Jesus. I bind every demon assigned under those cancelled assignments and I command you to go immediately into the Abyss right NOW, in Jesus Name! Go NOW!*

You can also find the three-prong prayer on Nicole's blog at <http://wingsofwarfare.blogspot.com>.

May Jesus bless you all and I pray none of these attacks are successful against you and your loved ones!

# DREAM OF GUILLOTINES AND PEACE

<http://www.hymnrevival.com/blog.html>

Pentecost has always been special to me. My firstborn son was born on Pentecost and his 20th birthday was also falling on Pentecost Sunday, so having this dream on this particular morning was doubly special.

MY DREAM...

The Lord took me to my greatest fear. Me, my husband, my children and my parents were all in a concentration camp in America. ISIS had come to the camp. They were about to begin beheading us.

My youngest daughter and I decided we wanted to go first. So we walked to a small building where they were going to do the executions. My thoughts were, "Lord, I don't want to see them. I'm afraid of looking at the evil that is in their eyes. I don't want to see their evil faces." We watched them walk in and a strange thing occurred. A veil of glory came over me. It was like a sheet of fabric that you cannot see through completely, but only slightly.

This caused me to be unable to see their evil faces.

Then something of great strength came up from within me. It was amazing! I said with a voice of a lioness, "YOU CANNOT TAKE MY LIFE!" I pointed straight at them while I continued my testimony. "I LAY MY LIFE DOWN FOR MY SAVIOR WHO LAID HIS LIFE DOWN FOR ME."

Then I proceeded to kneel and place my neck on a chopping block. I could tell from my peripheral vision that my daughter was also kneeling beside me. I sensed that the man above me was shaking with fear. I thought, "Oh great. Now he won't be able to get my head off in one whack. He's too scared." I actually chuckled while I thought this. There was NO FEAR AT ALL! And he took my head off and I was dead.

My daughter and I walked back to the barracks...(we were whole again). I saw my husband holding my son and my parents. Mary and I were so excited as we said to them, "Death is not hard! It isn't hard at all! God is SOOOOO with us! He's there right there beside us! And He speaks through us! I'm telling you, IT IS NOT HARD! Giving birth is much harder! Why were we ever afraid of this? Why were we afraid?"

My husband and parents said, "Really?"

Then we realized we were dead. Mary and I said, "Wait! You can hear us? We are dead!"

"Yes," they replied. "We can see you too." They proceeded to attempt to touch us but their hands went through us. We realized that we had truly died.

We got concerned and said, "But if we are dead, aren't we supposed to be with the Lord?" my daughter and I began to cry. "We want to see Jesus! Jesus! Why aren't we with you? Didn't you say to be absent in the body is to be present with the Lord? Jesus!! We want you!!!! WE WANT JESUS!!!!"

Our sorrow was inconsolable. We wept and wept. Not wanting ANYTHING but Jesus in that moment.

Suddenly, I heard his voice. It was strong. It was authoritative. It was the Lion of Judah.

He said, "I AM COMING TO GET YOU!"

Then I woke up.

I realized the kindness of the Lord by giving me this dream.

I woke up all excited, because something dropped off of me because of that dream. The thing that dropped off of me was FEAR. Fear of the enemy. Fear of death. Fear of suffering at the hands of evil men.

When our time comes to testify for Him - the Glory of God will be with us.

NO MATTER WHAT HAPPENS, the Lord is with us. He is our protection OVER US and He is the strength FROM WITHIN US – springing up like LIVING WATER. The other message is, "HE IS COMING TO GET US!!!!" HALLELUJAH!

Look up! Our redemption draws nigh! And this shall happen very, very, very soon. Amen!

COME LORD JESUS!!!

*My people, attacks by your enemy are increasing still. They blanket the earth now, and come in every possible form. No one is immune from his attacks and the intensity of his attacks on you and everyone and everything you love will continue to increase now through the End of the Age.*

*You must learn to do battle if you desire to stop his attacks on you. You have two choices – suffer the attacks, or fight them. I have given you all you need to defeat them, one by one, but many of My people think there is no battle, no need to fight, or worse, no enemy.*

*Do not be deceived, My children. If you are deceived by his lies, you will suffer much. Those around you will suffer needlessly as well. I desire you would not be bound or injured by his attacks, but you must do battle with My Word to stop this.*

# UNPRECEDENTED NUMBER OF SYRIAN MUSLIMS "FEARLESSLY DISPLAYING" THEIR STRONG LOVE FOR JESUS, DESPITE THREATS FROM FANATICAL FAMILIES

A ministry leader in Syria told the [Christian Aid Mission](#) that despite the dangers of remaining in the country, he and 21 others continue to faithfully serve predominantly Muslim communities, providing medical

care, shelter, food, and spiritual guidance for those in need.

He shared how, for many families affected by the ongoing civil war, food is becoming increasingly scarce. However, a miracle occurred when one Syrian mother, who had come to Christ some time ago, prayed God would provide food for her family.

"She prayed, 'Lord, I know You never let us down—we need food for our family,'" the director said. "As she was walking later that day, she found some money on the path in front of her. She was so pleased that God had answered her prayer in such a creative way that she started jumping up and down with joy."

She rushed out to buy bread for her family, and when her neighbors asked where she had gotten the money, she replied, "It was sent to me from God."

"They pressed her to tell them how that was possible, so she went on to share her faith and pray with them," the director said.

Many Muslims are drawn to Christian communities after hearing stories of miraculous healings. The director shared one particularly heartwarming story, where a mother named Nivine brought her paralyzed, 2-year-old daughter to a meeting of one of the ministry teams for prayer.

Fearing he would offend the young mother, the area ministry leader warned her that they pray in the name of Jesus.

## Report: Obama to use UN to divide Jerusalem

In waning days of his presidency, Obama reportedly looking to UN Security Council to force Israel to divide Jerusalem.

With about 10 months left in office, President Barack Obama is considering unprecedented moves to implement a two-state solution, according to a *Wall Street Journal* report.

Senior US officials revealed that the President is looking to initiate a final negotiated settlement between Israel and the Palestinian Authority using United Nations Security Council resolutions, a step that would obligate not only Israel and the Palestinian Authority, but effectively determine the direction of US policy for the president's successor as well.

The report comes ahead of Vice President Joe Biden's visit to Israel on Tuesday, where he is scheduled to meet with Israeli Prime Minister Benjamin Netanyahu and senior Palestinian Authority officials.

On Monday, the Prime Minister's Office reported that Netanyahu's annual trip to the US, planned for later this month, had been cancelled. Israeli officials remarked that the cancellation was in part due to President Obama's refusal to schedule a meeting with the Prime Minister. Later on Monday, the White House issued a statement denying those claims, asserting that the president had in fact invited the Israeli leader to talks during his visit.

According to the plan described by senior US officials, Obama is considering reviving the dormant Middle East Quartet, a diplomatic body including the US, UN, EU, and Russia, to apply pressure to Israel and the Palestinian Authority to resume active negotiations.

The President is also considering use of a United Nations Security Council resolution to forcibly extract concessions from Israel and the PA. The US has until now vetoed any such resolutions, though Mr. Obama has in the past threatened to allow them to pass.

A Security Council resolution would be binding upon all parties, unlike General Assembly measures which are non-obligatory recommendations. Such a resolution would remain in force even after the president leaves office next January, effectively shaping the future of American policy in the region for Mr. Obama's successors.

## A Changing

*A very great change in your world is on the horizon, My children. I desire you would not be ignorant of what is to come, that is why My Word reveals these events to you.*

*A very great event which will cause much terror hovers. It will bring much sadness, and a time of great uncertainty follows in which many will be without what they now have.*

*In the time when you see these things happening, do not fear, but be aware that the end of all things is upon you. Be bold, and very courageous in telling others of My saving grace.*

*For now, walk in much love in the time left to each of you. Spread the gospel wherever you go, and be about My work. I have given each of you a part to do in My work. Do not let the end come with it undone.*

## *The Day Approaches*

*America continues to walk contrary to My Holy Word. She has no regard for Me or My power, and cares not how her filth affects other nations.*

*The day of reckoning approaches when I shall destroy the wickedness of that filthy nation. I have a people in America who still honor Me in their ways, who still preach My true gospel, who still seek My face. These will I save. These shall I protect and provide for.*

*Fear not, My children – for those of you who are truly Mine have naught to fear.*

*For those who remain in sin, the day approaches.*

## MY GREATEST ACT OF MERCY

*I am indeed coming down to the hearts of men and I will demonstrate Myself in such a way that has never occurred in history. I am about to reveal Myself powerfully and directly to every soul on this earth. Not one person will be able to dispute who I am, the King of Kings, and the Lord of Lords. This act is the greatest demonstration of My mercy that one could ever know. I am confirming to you what I have revealed to Bonnie so there will be no more uncertainty in your hearts. I have spoken to many concerning this event, and it is one and the same. You will be shown what I see, your true hearts will be revealed to you. You will see for yourselves the condition of your souls. For many, this will be a terrible experience and so I ask My remnant body to prepare now to minister to those who will be presented to you after this occurs. I am allowing this final act, this final warning, because of My infinite love for each one of you. Do not fear My children, only be obedient as I have required, and ensure that your spiritual house is in order. Once a soul sees its unrighteousness before a holy God, that soul chooses for itself its eternal destination. I desire that not one would be lost, but again it is a personal choice. Prepare I say again, the hour draws near.*

A NEW PARADIGM COMES WITH

<http://iamcallingyounow.blogspot.com.au/2013/07/i-am-indeed-coming-down-to-hearts-of.html>

## William Branham's 1933 vision.

Rev. Branham received the vision on a Sunday morning as he was preparing his sermon. He said that God showed him seven things that would happen:

1. The Italian Fascist dictator Benito Mussolini would invade Ethiopia. He will later come to a shameful demise and suffer a horrible death. His people would spit on him.
2. Adolf Hitler would start the Second World War. America would be drawn into the war. Hitler would come to a "mysterious end." Rev. Branham was shown the Siegfried line where there would be a great loss of American lives.
3. Three "isms" would spread across the world. Fascism, Nazism, and Communism. The voice in the vision told him to "Watch Russia, she will become a great world power."
5. After the Second World War, technology and science would advance rapidly. People would ride in driver-less egg-shaped cars with bubble roofs and no steering wheels. The passengers would be amused by games while riding in the driver-less vehicles.
5. America's morality would decline significantly and rapidly. Moreover, women would begin wearing skimpy clothing, and would adopt the clothing of men. In the vision, he saw a woman who was all but naked as she clothed herself with a tiny apron the size of a fig leaf. The moral degradation of women permitted sexual perversion to flourish.
6. **A cruel woman will seize power in the United States. She possessed a hardness that defied description. She was cruel, wicked, and cunning. She dominated the United States with authority, and she had complete power over the population. The voice did not**

**tell him the identity of the wicked woman. He wasn't sure if it would be an actual human being or a spiritual entity.**

**7. The voice in the vision told him to look again at America after the cruel woman seized power. He saw great explosions rip the country to pieces. He saw America turned into a land of smoking ruins. As far as his eye could see there was nothing remaining except smoldering piles of debris and craters. He saw no human life.**

I don't know if Hillary Clinton will be the fulfillment of the Sixth scene in William Branham's 1933 vision. If she is that person, the last scene won't be far behind her. God have mercy on us.

# I Have Numbered All Your Days as a Nation

MARCH 6, 2016 5:04 AM BY BETTE STEVENS 4 COMMENTS

I have been listening to the sound of drum beats. Then, this morning came these four words:

“Ambush” – meaning a surprise attack by people lying in wait, taken by surprise from a concealed position.

“Decoy Film” – meaning those in power are only going to let us see what they want us to see with no pauses or rewind buttons. They are planning to entice us and lure us into whatever is going to take place.

“Onslaught” – meaning a fierce or destructive attack or invasion.

“Barbaric” – meaning merciless, murderous, brutal and ruthless.

I have been listening to the sound of drum beats.  
Then, this morning came these four words:

“**Ambush**” – meaning a surprise attack by people lying in wait, taken by surprise from a concealed position.

“**Decoy Film**” – meaning those in power are only going to let us see what they want us to see with no pauses or rewind buttons. They are planning to entice us and lure us into whatever is going to take place.

“**Onslaught**” – meaning a fierce or destructive attack or invasion.

“**Barbaric**” – meaning merciless, murderous, brutal and ruthless.

These words explained why I had been feeling out of sorts and such turbulence ever since I received a dream back on February 13 2016.

In this dream I was somewhere very far off the grid. I don't recall any landmarks or signs. No one saw me and I could not communicate with anyone.

I saw men, but their faces were covered, so I don't know who they were, but they were dressed in suits sitting at an oval table in the middle of a room that looked very old. No words were exchanged. Papers were everywhere, but no one picked up any of them. I believe it was the end of some kind of meeting. Everyone shook hands, got up, and that was the end of the dream.

After hearing the four words listed above, I immediately understood the interpretation of the dream. The meeting and shaking of hands was setting up a type of attack. It is just around the

corner. It will be barbaric in nature and will come from an unexpected source. People will not believe it is happening so fast. Blood will run the course of this nation.

Mass persecution of Christians will begin, including men, women, and children.

The heart of the Father is grieved because so many have turned Him away. Many are looking at politicians to fix all the problems, but be wary of the words spoken by them, for in this hour, the attackers are in your own backyards.

Many sins will be exposed at the cost of others.

The love of the Father does not stop, His heart beats for souls to come Kingdom. Now is the time for God to clean up the church first, then the government.

The Lord said to me, "I have numbered all your days as a nation. I have found you lacking and wanting, and because your nation is divided and

your churches are divided, I will give it over to a foreign nation.”

He gave me these verses from Daniel:

*25 “Now this is the inscription that was written out: ‘MENE, MENE, TEKEL, UPHARSIN.’*

*26 This is the interpretation of the message: ‘MENE’—God has numbered your kingdom and put an end to it.*

*27 ‘TEKEL’—you have been weighed on the scales and found deficient.*

*28 ‘PERES’—your kingdom has been divided and given over to the Medes and Persians (Daniel 5:25-28)*

In conclusion, God has warned and warned for all to take heed, but when a nation does not turn away and the sins continue, then the next is judgment.

My prayer to all is to examine yourself and come into a deep relationship with the Lord. Pray for the

Father's will to be done and nothing else. Selah.  
As with every word, pray and take it to the Holy  
Spirit.

# Prophetic Dream Reveals a Glimpse of The Coming Glory

 JANUARY 27, 2018  1:20 AM CST DIANA FULLAM  13 COMMENTS

Words cannot adequately describe what I saw and experienced, so I've been in much prayer about relaying this dream. Before reading, please ask the Holy Spirit to open your heart to receive whatever He wishes to minister to you individually.

Words cannot adequately describe what I saw and experienced, so I've been in much prayer about relaying this dream. Before reading, please ask the Holy Spirit to open your heart to receive whatever He wishes to minister to you individually.

In 2015, through a series of dreams and visions, the Lord revealed things that shook me to my core. He showed me coming death and destruction, the rise of the Church from the ashes, and the greatest harvest of souls in history – events to happen before the rapture of His Glorious Church.

With each revelation, the Lord continued to emphasize His Church is not to fear, that we will be walking in the Glory, doing the works of Jesus in the very midst of this coming destruction and chaos. Until December 16, 2015, I'd only read about the Glory of the first century Church, and subsequent periodic awakenings since that time. But on the night of December 16<sup>th</sup>, I received a glimpse of the Glory and what it will be like to walk in it!

The dream began with me at my house, standing in the family room. Although it was not revealed to me, whether it was an earthquake, a bomb, or whatever; something had happened. I noticed (in my peripheral vision) cracks in the wall of my house. Several people were in the room with me, and they were in full panic mode. They were yelling, "Oh, no! What are we going to do, how are we going to make it?"

Immediately, I opened my mouth and the Word began to flow, ***"Fear not! My God will supply all our need according to His riches in glory by Jesus Christ."*** As I was speaking the Word of God, I was acutely aware of the fact I felt absolutely no fear. All I felt was unspeakable joy and peace. Then the scene changed.

Suddenly, I was at the location of the dream I had in July (see [The Great Escape](#)), where everything was covered in grey ash, with destruction as far as my eyes could see. Small groups of people dotted the landscape. Some were walking around with dazed expressions, obviously in a state of shock; some were weeping softly as their eyes took in the horrific scenes around them; while others were wailing and screaming out in pain and agony. I began to walk towards them.

As I walked towards them, I felt the love of the Lord descend upon me. It was strong and powerful, and filled me to the point I felt I was going to burst. The love was uncontainable and began to flow out of me towards the hurting people.

When I reached them, I saw the sick and severely injured surrounded by frightened loved ones. I felt overwhelming love and compassion, as the Word of God began flowing from my lips; “The Lord said, **“Come unto Me all you who labor and are heavy laden, and I will give you rest...”** **“The Lord will forgive all your sins and heal all your diseases; He will redeem your life from destruction.”** As the Word was spoken, people were drawn towards it.

As they drew closer, I extended my hands toward them. Love was now flowing like a river into me and outward through my hands. As I touched or came near each individual, their countenance changed before my eyes. Instead of expressions of fear, great peace and joy spread across their faces. Those with injuries were instantly healed, as wounds disappeared, along with any trace of blood on their skin or clothing. The maimed in the crowd rose to their feet. Then I heard a voice behind me.

I turned to see a woman approaching with a plate containing only a few morsels of food on it. With tears in her eyes, she said, “This is all we have, how are we going to live?” I said, “Bring it to me.” *End of Dream*

### **Interpretation:**

Upon awakening, I was ecstatic! The Lord had actually given me a taste of what it's going to be like to walk in The

Glory! There are several points the Lord impressed upon me in those first few hours after the dream:

- I was aware of my surroundings, but they didn't affect me whatsoever. I only noticed the cracks in the walls of my home from a peripheral view – I didn't focus on them. The Lord later pointed out that, although my house was shaken, it didn't fall. Matt. 7:24-27.
- The joy of the Lord was my strength! And the peace I felt surpassed all understanding. Psalms 28:7; Philippians 4:7. The joy and peace formed a protective wall, or bubble, around me that nothing could penetrate.
- As the Word of the Lord was spoken, and the people responded by drawing near, they were delivered and set free. “***Sanctify them by the truth; your word is truth.***” John 17:17. “***Then you will know the truth and the truth will set you free.***” John 8:32.
- The Love of God (God is Love, 1 John 4:8), totally enveloped me, and then began to flow outward. His Love is alive and active, and will flow as a mighty river through His people. “***He that believes on me, out of his belly shall flow rivers of living water.***” John 7:38

Yes, a great shaking is coming, but those who've built their house upon the rock will not fall. Sin and darkness will abound, but **Grace will much more abound!** (Rom. 5:20).

My prayer for the saints is that we be used mightily by the Lord in this end time harvest, as we let go of this earth and

cleave unto Him. May we be Holy vessels, in which the Lord may infuse with Himself. For then “...***the people that know their God shall be strong, and do exploits.***” Dan 11:32.

I’ve been given a glimpse of what walking in the Glory’s going to be like. I prayed fervently over this post, that you would also be given a glimpse. Because, now we can second Paul in saying, “***I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us.***” Rom.

8:18. Praise God!

Come soon, Lord Jesus!

## NUKES OVER AMERICA

## NUKES OVER AMERICA?

During the days of the cold war, of course it was not uncommon for people to prophesy nuclear bombs hitting America. Nowadays it is not common at all. But a friend of mine from Texas – a man I know personally to be a balanced and well-grounded Christian – reminded me of this topic not long ago. He (and other believers) have seen visions of nuclear devastation on American soil that have so shaken him that he moved his family right out of Dallas and right out of Texas. Just another crackpot, you say?

Below is an excerpt from David Wilkerson in 1985 on this very topic. After that we will hear from my Texas friend. And after that I would love your comments, my friends.

DAVID WILKERSON wrote: “America is going to be destroyed by fire! Sudden destruction is coming and few will escape. Unexpectedly, and in one hour, a hydrogen holocaust will engulf America — and this nation will be no more.

“America has sinned against the greatest light. Other nations are just as sinful, but none are as flooded with gospel light as ours. God is going to judge America for its violence, its crimes, its backsliding, its murdering of millions of babies, its flaunting of homosexuality and sadomasochism, its corruption, its drunkenness and drug abuse, its form of godliness without power, its lukewarmness toward Christ, its rampant divorce and adultery, its lewd pornography, its child molestations, its cheatings, its robbings, its dirty movies, and its occult practices. In one hour it will all be

over. To the natural mind it is insanity to come against a prosperous, powerful nation and cry out, 'It's all over! Judgment is at the door! Our days are numbered!' The Church is asleep, the congregations are at ease, and the shepherds slumber. How they will scoff and laugh at this message. Theologians will reject it because they can't fit it into their doctrine. The pillow prophets of peace and prosperity will publicly denounce it...

"Let the whole world and all the church call me crazy, but I must blow the trumpet and awaken God's people. Believe it or not, America is about to be shaken and set aside by swift and horrible judgments. Many other praying believers who have been shut in with God are hearing the very same message – 'Judgment is at the door! Prepare, awaken!'" (-Wilkerson – "Set the Trumpet to Thy Mouth", 1985).

JEFF FROM TEXAS wrote: "A few years ago now (3-4?), when I had slid into a great discouragement (before I fully understood the depth of God's love for me & a full rest in His complete & total sovereignty) & had backslid, hiding in my new 5 bedroom home with my fancy home theater system, The Lord stopped me walking up the stairs and spoke to me: "There is something big coming, & you are not ready". In my minds eye, I could see a mushroom cloud and much devastation. I knew what The Lord meant, & I was touched He still loved me and came and got me after all I had done in hardening my heart.

"I've never been the same since. The Lord led us shortly after to sell all we had and move (we had no idea where at first, for quite some time). Anyways, we ended up here in the perfect will of God in fellowship in Albuquerque, NM, with brethren we have known for many years (some of which we met at the John the Baptist conference in Dallas years and years ago).

"I still have had dreams of Texas & destruction to this day... I take no joy in it (all of our natural family still lives in the Dallas metro area), but I know something is coming there nonetheless...

**“War is definitely coming, as is great destruction... Many in our fellowship (particularly those with prophetic giftings, but not just limited to them either, but to many in our local Body), have had prophetic dreams of such. We all came originally from Texas (though some had lived at times in California, Mexico, India, etc.), but God sovereignly moved all of us (at different times) out of Texas and together here in New Mexico.**

**“Several of us have had dreams of the outright annihilation of Texas. Stuff like bombs going off in the major cities (particularly Dallas & Houston, but maybe San Antonio & Austin also?). Dreams of mushroom clouds over Dallas...”**

**ANDREW AGAIN: I am only sending this out because I have read many similar warnings over the years – so I believe it is something the Body of Christ needs to discuss. We would be very interested to hear the comments of other Christians, since I know many American believers read this newsletter. Has God been speaking to any of you to perhaps get out of some of the larger US cities? Does this warning ring true or not?**

# ERIN – SPARROW'S BARN – SEE'S LIBYA

## Attack through the Sixth Seal (a short version of the Sarah Menet Vision)

GOD: "This was an important gift you gave to Me. I know how difficult it was for you; therefore I will bless you abundantly because of this. Now you have questions?"

Me: "Thank You Father for allowing me to purge myself of these. I need help with the dreams I've had this week and I'm uncertain what these mean. On Thursday morning I woke up after an angel showed me the Earth in 3-D. It was rotating on its axis, but the angel paused it over Africa & the Middle East. I saw several countries highlighted, but one in particular highlighted – Libya. The angel told me that trouble is coming from here. Not just a little trouble either."

I then saw what seemed like a wave of God's hand and the floor in the Courts separated. I could see the map of the Earth. There God illuminated several regions – I scanned the territories and saw 22 countries surrounding Israel. These were highlighted in dark green. I then saw the countries of Libya illuminate and pop-up. I saw a massive black cobra with red eyes over this green illuminated country. I saw something like a plane or fast object land to the north of Israel, off the shore into the area of Lebanon. There I saw a plot against Israel. Something was about to come upon Israel.

I then saw something I didn't understand. Three great birds unlike anything I had seen before fly over Israel's dome. I saw two birds trying to take down one, but being unsuccessful. I saw one bird fall. I then looked to the west. I saw the United States. I still saw the 4 massive Angels continuing to pound the US, the middle of the country and south receiving the worst hits. I saw news agencies editing out massive amounts of information. I saw something like a massive red bull with horns running across the land. It had been sent by God to stir up the landscape. I saw matadors wearing white, red & blue trying to spear it, but its muscles were like iron and nothing could penetrate it! I saw something being signed and handshakes in meetings behind closed doors in the US Capital; these angered God. The Angel to the south stirred-up the seas & the air and with force tried to humble the land, but it was not to be. I then saw a massive business or entity with many colors leave the land to another land in the east. I saw massive immigration from cities to higher areas. I saw the 10 leaders redirecting their strategies to circumvent God's attacks. I then looked back down to Israel and I saw a massive canister. It was about to come upon the nation – I couldn't tell if this was Lebanon or where, but it came from nowhere and descended upon Jerusalem.

Me: "Father, won't you please send the Lord for us prior to all of this? Oh please!!!"

looked and I saw an earthquake, pestilence, bloodshed from fear, flooding rain, massive hailstones, fire & brimstone. These came as quickly as waves. I saw lines in angles sweeping the 22 enemies of God!

Me: "We will be gone before this, right?"

GOD: "Do Not Worry Erin. You will not see this happen on Earth."

Me: "Is this because media won't cover it?"

GOD: "This too will happen. The times of the Prophecies for the Later days have come."

## *Times of Betrayal*

*As you develop more and more skill at overcoming the Evil One, I will from time to time raise you up to higher levels of My Spirit.*

*On the higher levels, you will more easily discern My Voice. You will more easily pray in faith and receive answers. You will flow with Me, more and more.*

*Each new level in Me requires less of you. I will lead you to lay down things from time to time that I do not desire for you. At times, these will be wrong relationships. Relationships not of Me will soon become liabilities My People cannot afford. In the times of betrayal coming, My People must be in unity, for parents shall even betray their own children and children their parents.*

*Remember, children, that I am able to sustain you and help you through anything I lead you to do.*

*Trust Me. Obey, and be safe.*

## MY BRIDE WILL GO FORTH / SHE HAS MADE HERSELF READY

May my Love embrace you always. All things are coming to pass at this moment in time. I see a change coming and it is fast approaching. May the heavens rejoice for the coming of My Son to the earth. Cloth yourselves with the garment of praise. Lift up a banner of praise for the wedding supper of the Lamb awaits the celebration of My Son's marriage to His glorious Bride. She will go forth with great glory to Her place prepared for Her before the foundation of the earth.

When I kept silent, the earth would shake, the mountains gave way and the oceans roared. My creation groans for its redemption. It cries out to be restored, to be remembered. It stumbles about with great wailing. Now is the time of restoration and redemption. I will come as a whirlwind with great and mighty power. I will deliver My chosen. I will come for My Bride for she has made herself ready. I AM the mighty One who is the deliverer of the nations. My coming will be in accordance with My Word. I will send My appointed ones who serve Me day and night, before Me to light My way. My kingdom comes My will be done on earth as it is in Heaven.

Your Everlasting King and Husband, Jesus

Revelation 19: 6-9

6 And I heard, as it were, the voice of a great multitude, as the sound of many waters and as the sound of mighty thunderings, saying, "Alleluia! For the Lord God Omnipotent reigns! 7 Let us be glad and rejoice and give Him glory, for the marriage of the Lamb has come, and His wife has made herself ready." 8 And to her it was granted to be arrayed in fine linen, clean and bright, for the fine linen is the righteous acts of the saints. 9 Then he said to me, "Write: Blessed are those who are called to the marriage supper of the Lamb!" And he said to me, "these are the true sayings of God."

#### Guard Your Minds

*Guard your minds. Guard your minds well, for the enemy comes to sow doubt and discord into your hearts through your thoughts. In this way, he can negate your great faith in Me to answer your prayers and therefore make your dreams a reality.*

*By sowing doubt, he will deceive many in these end times. Many shall perish when they cannot believe for their needs to be met in times coming.*

*A time of great need lies ahead, not only for America, but for many nations, My children, and great faith will be required to survive it. (In my spirit, I saw a great famine, and no jobs – something had happened to all the industries, as if they could not function.)*

*This time of need will bring great famine to your lands and it will continue for many years. You cannot store enough food to get through it, for it is very long. Many thousands will perish in this time, but I shall care for My own that have faith – faith to believe Me for what they need to come miraculously.*

*In this time, the enemy will indeed gain many souls, because the love of My Body will fall away. Because I do not stop the famine, they stop believing.*

*Scripture must be fulfilled, My children. Though this world and all in it pass away, not one jot or tittle of My Word shall pass away.*

*Guard your minds, and your faith. Rejoice in your trials, for I am preparing you by increasing your faith now for what is to come, because I love you.*

*Much suffering lies ahead for the people of America.*

*My people need not fear. Did I not feed My own in the desert, in times of famine? Did I not protect My own who walked in My ways, even in times of war, in My Holy Word?*

*The key, My children, is to be found abiding in Me, in My Word, for there you will see how I treat My own. Many of My people are fearful of My judgments. You do well to fear My power, but remember, I am your Father. You are My precious child.*

### Provision

*My people are not trusting Me to provide for them in what is coming. The enemy has consumed their minds with fear and they are not trusting in Me, the living God, for what they need.*

*My people - do you not know and can you still not understand that no amount of earthly provision can sustain you through My judgments? What the future holds are not merely acts of weather, they are My judgments on a world that has rejected Me and refuses to walk in My ways.*

*Why have you stopped believing in Me and My mighty hand of provision? Seeds you sow now shall sustain you then, not your own earthly provisions, for you are not able to contain enough provision for that time. Could Joseph's brothers have enough grain for all their family for seven years of devastating famine?*

*The famine that comes will be unlike anything you have seen before and no man shall be able to remedy it.*

*Go back to the basics, My people. Believe in Me, your God. Be ye not double-minded. Set your heart to believe and stay on course. There is no room for doubt in what is coming. It is not difficult for Me to provide for you and your loved ones. I created everything you see! I created you!*

### America Shall Bow

I was in my morning prayer time and the Lord was speaking to me about spending more time interceding for the lost, and prayer in general.

*Tell My people I will be returning soon. Sooner for some than for others.*

At this point as the Lord was speaking I saw events such as car wrecks in my spirit - the kinds of things that take lives very suddenly and without warning.

*My mighty hand of judgment is upon the wicked nation of America, a nation covered in filth and soaked in innocent blood, a nation whose sin is a stench in My nostrils, a nation that flaunts its abominations.*

At this point in the spirit I saw America in the form of a cheap and tawdry looking woman and she was beckoning with her finger. Her lips were painted brightly and there seemed to be no virtue about her.

*I shall strike it with a blow no one will forget and from which it will never fully recover.*

The Lord showed me in my spirit that America had followed in Lucifer's footsteps - it has set itself up as a god to other nations.

*She revels in the worship of the kings of other nations and this I abhor! I shall strike her with fire and with famine and with diseases and she too shall bow before the Holy One of Israel.  
Do not think you can save yourselves.*

*My chosen ones only will I protect from what is coming. Seek My face, I will guide you that you and your households may be saved.*

*For in My Holy Word, did not My people walk through fire? Did not My people walk through the Red Sea? Through famine, and wars, unscathed? And so also shall you who are truly of Me.*

*Stand, draw near to Me. Focus on My salvation, on My glory, and watch as I care for you who are truly My own through to the end! You who do not side with evil, who do not condone sin, who do not teach what is evil and call it good, who stand for truth, you are truly Mine.*

### Weep for America

April 1, 2009

I was praying and asking God to help me distance myself from distractions so that I could be more effective in my time in His word and in prayer when He spoke this to me.

*"The world around you is filled with distractions – many of My children do not spend time with Me at all but the cost to them will be great in the days coming for I shall pour out My judgment upon all those who do not seek to know Me or My Will for their lives. No longer shall I look on as they go their own way following their own plans but I will smite them with a curse until they turn their faces to Me in repentance!"*

*"The days are quickly approaching when gross darkness shall cover the earth and men's hearts shall be darkened. No more will they be able to turn to Me and choose My way for they will have worshiped their own way and I shall give them the fruits of it."*

*"This nation is no longer under My blessing but under a curse and those who have not chosen to know Me will soon feel My hand of judgment heavy upon them. Cry, My Children! Cry out for those you love! Weep and wail, mourn for the unrepentant hearts for souls are at stake! Cry out to Me for mercy for them for I am the only One who can save them from the flames of eternal damnation!"*

*"Weep and wail for this lost nation for soon it shall drink from the cup of bitterness as I have ordained! Weep for it! Cry out for the unsaved for many shall perish in that hour! My fire falls on those who love Me and serve Me but a different fire is coming for the wicked and they know it not! I hold My own in the palm of My mighty hand to protect them but I shall pour out My anger on the wicked and unrepentant and my judgments are coming soon!"*

*"Cry My children! Cry and mourn in travail for the lost for this is My heart!"*

*"Why waste ye hours praying over building funds and music programs while the hungry and lost walk in darkness? Did Jesus build buildings? Did He run music programs? Nay! He fed the hungry, visited those who were sick and healed them, He prayed and taught unbelievers, He called sinners to repentance!"*

*"Why do I see My precious widows and orphans sitting alone while My shepherds and priests meet each other daily over expensive lunches? I say those who do not repent of this before Me with tears will pay a grave price! You seek to build your own houses and ignore Mine! I shall tear your idols from Your hands and leave you weeping with no places of worship for forsaking Me, the Fount of Living Water! I shall leave your little ones fatherless and crying in the streets for bread when I smite you with a curse!"*

*"Weep and howl for your sins have come up before Me and they are grievous! Weep and howl for the fates that await your young ones for your lack of obedience and unrepentant hearts! Weep for your nation for she has forsaken Me and now she must be judged and you will stand in awe of My mighty power as My Hand of Judgment moves against her!"*

*"I will strike her with fire, with famine and disease! The screams of the wicked I will not hear in that time. I will give her enemies power to burn her and torture her – they will spoil her riches and ruin her beauty because she has forsaken Me and My ways! No more shall she be called the land of the free and the blessed but she shall be termed desolate – jackals shall lodge where her cities once stood so proudly – weeds will cover her and insects will feed on the flesh of the dead in her streets."*

*"Then will you know that I AM the Lord your God and Me only shall you serve and worship!"*

Sometime in the Summer of 2011, I had a vision or waking dream in the early morning hours while I was still lying in bed and half asleep. In that dream, I believe Yahweh God showed me how His Wrath on the wicked will begin to be poured out during the Great Tribulation. This is what I saw, and what I believe it means.

At the beginning of the dream, I was floating in Outer Space without any need of special gear, and I could see the entire globe of the Earth below me. Looking around me from this vantage point, I watched several terrifying events unfold.

As I looked at the Earth revolving slowly in space, I saw a massive, bright celestial body with a huge, glowing tail and several satellite objects beside and behind it whiz past the Earth. It did not appear to be a planet, but a small moon or large asteroid that was either on fire, or highly reflective, which would account for how brightly it was shining. As this large, brightly shining mass leading this celestial parade passed, it disturbed the Earth's axis, and our planet began to wobble erratically to and fro in space. Then, suddenly, as the wobbling continued, the entire crust of the Earth began to shift, buckle and slide into a new position, which looked to be about 45 degrees off kilter. **If what I saw in my dream is correct, the new North Pole will be in Siberia, shifting North America much closer to the Equator, and plunging most of Russia and Europe into the Arctic zone.** In this part of the dream vision, I believe I was shown the beginning of the fulfillment of the prophecy in Isaiah, Chapter 24:

~\*~ Isaiah 24:17-23 ~\*~

"Fear and the pit and the snare  
Are upon you, O inhabitant of the earth.

18 And it shall be  
That he who flees from the noise of the fear  
Shall fall into the pit,  
And he who comes up from the midst of the pit  
Shall be caught in the snare;

For the windows from on high are open,  
And the foundations of the earth are shaken.

19 The earth is violently broken,  
The earth is split open,  
The earth is shaken exceedingly.  
20 The earth shall reel to and fro like a drunkard,  
And shall totter like a hut,

Its transgression shall be heavy upon it,  
And it will fall, and not rise again.

21 It shall come to pass in that day  
That the Lord will punish on high the host of exalted ones,  
And on the earth the kings of the earth.

22 They will be gathered together,  
As prisoners are gathered in the pit,  
And will be shut up in the prison;  
After many days they will be punished.

23 Then the moon will be disgraced  
And the sun ashamed;

For the Lord of hosts will reign  
On Mount Zion and in Jerusalem  
And before His elders, gloriously."

After this, I watched as the Earth moved into a meteorite stream left behind by this object that triggered the pole shift. As the Earth moved into the debris stream, I was moved inside the Earth's atmosphere to a vantage point atop a high mountain. From there, I watched as many large and small meteorites penetrated the Earth's atmosphere and hit the Earth, causing fiery explosions, earthquakes, eruptions, tidal waves and fires all around the world, decimating both huge cities and small towns, and destroying huge swatches of vegetation and trees in the countryside.

Next, I was brought up high into the atmosphere over the surface of the Earth, and - as the meteoroids continued to rain down all over the world - I saw a huge, jaggedly formed celestial object like a massive, rocky asteroid crash into the ocean, causing terrible tsunamis and flash coastal flooding near to the impact. I also saw many ships sink into the sea as the corpses of people, animals, fish, whales and other sea life began to form floating islands of death on the surface of the choppy seas surrounding the impact point.

As this occurred on the surface of the Earth, I saw another very bright comet or asteroid penetrate the upper atmosphere with a brilliant display of light and fire just like the mountain-like object had, but sometime afterward. This brilliantly glowing star-like object crashed into a large mountain range that fed many rivers, exploding before impact. I was made to understand that this was Wormwood, and I watched with fascination as its explosive impact sent massive plumes of fiery debris high into the air, which then fell over all the rivers surrounding the mountain range that it had impacted, polluting them with deadly toxins.

Finally, just before this dream or vision ended, I watched as huge plumes of dark smoke and ash filled the sky from the impacts of countless meteoroid strikes and other celestial object impacts on the Earth. These started many fires that scorched huge sections of forests, farms and grasslands that further added to the debris already in the air from the meteoroid impacts. All this combined to blanket the Earth with clouds of thick gloom made up of smoke and smoldering, foul-smelling ashes that served to greatly diminish the amount of light from the Sun, Moon and stars that made it through to the surface.

This grim vision of the coming death and destruction accompanying God's Wrath was burned into my memory before the dream ended so that I would not ever be able to forget it. After I awoke, the Holy Spirit directed me to re-read Revelation Chapters 6 through 8, and I realized that God had just shown me what was going to take place during the first part of the Great Tribulation.

The following list shows what I saw in my dream vision, and what the Holy Spirit showed me in relationship to the fulfillment of the Book of Revelation's last two Seal Judgments, and first four Trumpet Judgments:

**The Sixth Seal** - Cataclysmic Earthquakes and Eruptions accompany Pole Shift, darkening the sky (Sun and Moon), destroying or flooding coastal cities, towns, and obliterating huge sections of countryside: - "I looked when He opened the sixth seal, and behold, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became like blood. 13 And the stars of heaven fell to the earth, as a fig tree drops its late figs when it is shaken by a mighty wind. 14 Then the sky receded as a scroll when it is rolled up, and every mountain and island was moved out of its place." - Revelation 6:12-14

**The Seventh Seal and First Trumpet** - Heavy Meteorite Bombardments, Eruptions, Earthquakes: **7th Seal:** "Then the angel took the censer, filled it with fire from the altar, and threw it to the earth. And there were noises, thunderings, lightnings, and an earthquake." - Revelation 8:5

**1st Trumpet:** "The first angel sounded; and hail and fire followed, mingled with blood, and they were thrown to the earth. And a third of the trees were burned up, and all green grass was burned up." - Revelation 8:7

**The Second Trumpet** - Massive Space Object Ocean Impact, Tsunamis, Earthquakes: "Then the second angel sounded; and something like a great mountain burning with fire was thrown into the sea, and a third of the sea became blood. 9 And a third of the living creatures in the sea died, and a third of the ships were destroyed." - Revelation 8:8-9

**The Third Trumpet** - Wormwood Star Impact Pollutes River-Source Mountains: "Then the third angel sounded: And a great star fell from heaven, burning like a torch, and it fell on a third of the rivers and on the springs of water. 11 The name of the star is Wormwood. A third of the waters became wormwood, and many men died from the water, because it was made bitter." - Revelation 8:10-11

**The Fourth Trumpet** - Smoke And Ash From Worldwide Fires Darken The Sky: "Then the fourth angel sounded: And a third of the sun was struck, a third of the moon, and a third of the stars, so that a third of them were darkened. A third of the day did not shine, and likewise the night." - Revelation 8:12

I felt led to share this dream vision again today because I think it is going to happen soon. Though I can't say whether or not this dream relates to any particular known celestial body, there is a good possibility that it might. Regardless of what celestial objects my dream vision relates to, I feel that these events will all take place soon, and I created a special graphic to illustrate what I saw, and what God helped me to understand concerning the fulfillment of the End Time prophecies cited here. Please click on the graphic at the top of this article to enlarge it so that it is easier to read, or right click on it to make it even bigger, or to download a copy.

## **2-20-16**

**<http://www.thecallofthebride.com/warrior-princess>**

Everything is about to change for the Earth! It will be scary at first, but My Bride will be changed, transformed and equipped for her mission. Do not fret as I have everything planned down to the very second. Your gift will increase as will all of My Bride's. Clearly, look at the clock. There are mere moments remaining before judgment falls. I will place each of you perfectly where you need to be. It is imperative that you keep your e...yes on Me and your ears tuned. Now it is time to prepare your households. Many of you will be an outpost for the Lost to receive food and shelter.

Watch the moon sequence.

What is in the sky?

What pattern do the stars foretell?

The skies announce My coming, do they not?

Many of My messengers are proclaiming that judgment is upon the world, but

people are not taking this seriously. Even  
My own. Quit living like nothing is upon  
you.

It is upon you!!

Judgment is upon you!

Be in prayer for the Lost

Be in prayer to hear instructions

Be in prayer to be strengthened for this  
hour of judgment

Be in prayer to praise Me now for what I  
am about to do

Publish this publicly.

In My great love I am preparing as many  
hearts as possible before judgment falls,  
but many will be lost.

Do you understand the seriousness of the  
hour?

Who do you need to talk to about Me?

How will they wake up unless I shake  
them!

Wake up!

Wake up!

Wake up!

Here are the scriptures I was led to: Psalm 19:1-6, 11, Psalm 25:12, Psalm 27:5, 13-14

## **THE TRUMPETS SOUND, WILL YOUR FAITH STAND THE TEST**

***Daughter, it is I, the Lamb of God, the Most High, Creator of all who was slain for the sins of the world, and who rose from the dead that gives you these words this day.***

***I have been talking this past week about faith; not just any faith, not just a small amount of faith, but great and radical faith. This is what I am asking of My people, My called-out ones, My remnant Bride. This kind of faith is changing the world. This kind of faith resurrects Me in this realm, displays My glory, causes the ears that are deaf to hear, and the eyes that are blind to see. This faith moves souls to seek Me. Display this faith for all to see and marvel at what I can and will do. I tell you, nothing is impossible for Me! What I am about to do here in this place is beyond your imaginations. You would not believe it even if it were told you!***

***My people are still struggling with lack of faith, but this cannot be so, not when all is being over-turned, not when all foundations are crumbling, not when all you have known will be challenged and your trials will become more severe. All I allow in your lives, all I present to you, is done in order to allow you a choice. Should you continue to choose total surrender, obedience and trust, I draw you closer. I reveal more of My heart to those who come to a place of***

***emptiness, broken-ness, and contriteness. Did I not tell you all that can be shaken will be shaken? Relationships, finances, residences, all of it. I alone must be your source. You must trust Me as an innocent child trusts his/her parent, knowing I have your best interests at heart, knowing I will not forsake you, knowing that I have the outcome, no matter what things may seem from your perspective. Adopt My perspective. Learn My Word. It only speaks truth and life. It is your eternal promise of all I will do and of who I am. It is all you need to finish your race strong. Remember, the victory is already won at Calvary. You in Me cannot be defeated.***

***Every challenge and circumstance, every situation I present or allow is an opportunity for growth. I do not challenge you to punish you, but rather to love you enough to offer a chance for greater intimacy and depth in our relationship. Does My Word not speak of forsaking all to follow Me? Does it speak of not caring what you eat, what you wear, or where you lay your head? Does it tell you that no matter what happens in your life, whether you are imprisoned or free, naked or clothed, rich or poor, when you have Me, you have everything. Am I not your all in all? Those who learn this truth and find the peace that is given in full surrender are My over-comers. These are the set-apart ones who are being and will continue to be used mightily to bring in the final harvest. When life does not offer you a way to steer, when there are no oars, no paddles, and no back-up plans, what is your***

***foundation? How far will you allow Me to go with you, with us, in order that you achieve the fullness of what has been purposed for you since before the foundation of time? Do you not want to hear, "well done thou good and faithful servant"? Do you want to leave this place with unfinished work for Me?***

***I have called you to operate in a level of faith that anchors the finished work of Calvary here in this realm. By operating in this level in all aspects of your lives here, whether it be in relationships, employment, or finances, you walk in harmony with My perfect will, therefore drawing to you all the blessings, protection, and provisions already reserved for you from before the foundation of time. Being in harmony with My will for you is a force and has a magnetic effect in all areas of your life. Walking in the victorious finished work of the Cross demands that the authority given to you through My sacrifice and who you are in Me must be respected in the physical. This is how My sons and daughters are to take their rightful positions. This is so powerful My friends! For operating in this level of faith not only draws Me to you, but it also serves to open the doorways in everyone around you in order that they too can receive what is rightfully theirs when they have made their choice to receive Me.***

***Take My hand, allow Me to take your heart, and keep it until I come for you. Trust Me for the outcome of everything that is happening in your life that is seemingly not in your control. Trust in Me, your***

***Father, who cares more for you, more than anyone could, as I am your Creator. I know your thoughts and your desires better than you know them yourself. It is I who placed these within you. Allow Me to develop you into the purified and undefiled vessel you were destined to be. Now is the time.***

***I have warned and warned about all that is coming, and now it is here. It is upon you. You are witnessing events and judgments that have been spoken of for some time. I am faithful to My Word; it will not return to Me void. My fire of refinement will purge, and it will purify, but I will draw beauty for ashes. Give to Me your desires, your weariness, your burdens, your disappointments and your fears. Lay them at the altar for Me to burn. Reach deeply within and give Me EVERYTHING. Hold on to nothing, for nothing is too great for the Great I AM. I will guard your heart and give you the peace that surpasses all understanding in the storms. Do you believe this? What must I do to show you? Cry out to Me and I will draw near to you, for you are precious and wonderfully made, and My love will bathe you and comfort you. This life is nothing compared to eternity My loves, keep this perspective. I would not tell you this if it was not so.***

***Look to the east, there is coming a dreadful and terrible war, one that will be like no other. Prepare your hearts, for as you see these things come, sudden destruction also comes to the west. Open defiance in the earth has reached new heights, therefore, My***

***judgments will be swift and they will be terrifying. Much blood will be shed. Many lives will be lost. I make kingdoms rise, and I make them fall, and all in this earth will come down before I restore and renew, and My eternal Kingdom takes the place of all that was. The Day of the Lord is great and it is terrible. Who shall stand? Who shall endure it? Of this truth I say, My holy ones will stand. They who have been placed here for this time to usher in My Glory and My Majesty... they will shine like the brightest stars as My love will radiate through them in this final hour.***

***So I ask you this, will you be found faithful? Will you be among those counted worthy? Will you be found walking in obedience, truth and love? Will you forsake all else to follow Me? This world offers you nothing. I promise you everything. Choose this day My loves, the trumpets of judgment are here.***

**Ken Peters** – Prophetic Word to the Remnant Nov 2015 (*3 years to go*)

## **A Word to the Church**

**Given by Rev. Traci Shellman  
On the Tribulation Now Show 2-10-2016**

This "Rhema Word" was compiled over a 3 and a half year period beginning and the end of 2012.

All that can be shaken is being shaken in the earth and in the man, seen and unseen. Those who are perched on the branch of a "Jesus religion" yet not truly abiding in the vine of the Anointed Christ and His anointing will fall to the ground and wither. The Lord exhorts with loving fervor, hold on to what you have until I come and be watchful and strengthen that which remains and that are ready to die for I have not found your works perfect before God.

Wake up!

The end draws near !

Perilous times are at hand and more perilous they will be as time goes on. Lawlessness is infiltrating the hearts of many as the man of lawlessness rises to position. In the year to come lawlessness is the power of the air influencing and overcoming many, especially those professing to be alive. Humble yourself, humility is the foundation of true love. Be bold as lions, gentle as lambs, speak truth without fear and overcome for my reward is with me.

Tell my people do not fall for the deception of your adversary, who counterfeits that which is of My Spirit, for to the pure all things are pure. That old serpent the devil takes that which is of My Spirit, replicates it and publicizes it in order to turn My people away from what I want to do in and through them. But I say receive power says God. Be endued with it, work miracles, yes even commune with Me as I draw you into the secret place where I AM.

I AM in you, I have made you My dwelling place, never hinder or limit Me, for you have yet to see all that I will do in and though you says God. Desire My gifts, yea even covet to prophesy. I AM in you and My word is in your mouth, you have an anointing from Me. It is time for transformation. Everything that is a part of your personality, your behavior and your bent that does not bring Me glory and further My Kingdom must be transformed. I have warned about the shaking says the Lord. About those who would not abide in Me the vine. It would be as I have said. Those not abiding in Me will fall to the ground and wither. Those who endure the shaking, abiding in Me as an act of their will, I shall transform them with a renewal. It is a season of supernatural soul transformation. Your mind will line up with My mind, your will shall submit to My will and your emotion will be centered in faith.

Too long My people have walked by what they feel, when I have said you must walk by faith. Many will be led astray by Satan through their emotion says the Lord. My living word is your only refuge for such personal attacks. Without My word the false will seem true and the true will seem false. Even through the seed of your feelings and your appetites says the Lord, will the deceiver attempt to twist My word and tempt you to begin call what I have bound loosed and what I loosed bound. You must come after Me. I will give you rest even while you fight the fight of faith. I will give you peace even when the world is in great distress. I will give you comfort in times of mourning. I will give you victory in battle. Come after Me! I AM your source of joy and I Am your source

of righteousness. I Am accomplishing all that I have promised. My word is yea and in Me amen. I Am The Amen, I have called you carriers of My glory, arks of My covenant. I have need of you says the Lord but there is a preparation time that has been necessary. When I declare an increase of fruit, I begin with a pruning back a cutting away. This is necessary yea even it must take place for increase. You have felt the instrument of My word. My word cuts ,yet it does not destroy. My ways are not like yours, even they are difficult to understand. Blessed are you when you do not stumble because of Me.

Trust me says the Lord. I AM preparing you, for your own sake I AM removing all that which your enemy could accuse you of. Do not take yourself up off My potters wheel, for when you have been still in the shaping, willing to endure the fire you shall be vessels of honor that will overflow with the oil and with the wine. Then others will come and buy from you oil and be filled with new wine. I AM doing this in you. Will you not say it is good in your sight?

In this next year God says we will enter a time of reward and recompense. I will reward My people for doing well and I will recompense them when they suffer for doing well. He said do not call this a double portion blessing. This is not double portion but it is two fold. Reward and recompense will be the two pillars which uphold the porch in My house. Therefore do not grow weary in well doing says the Lord, for many will not be able to finish the race because of weariness. Because of this you will see that in My mercy I will bring many to myself at a seemingly swift rate and an early time. But be comforted in these times of morning for it is My house I put in order. Pray for one another, even the endurance of the saints. Is it not written that you have need of endurance?

Many will be tempted to question the doings of the Lord as I reveal my majesty. My church will see with newness of sight My majesty and they will return to Me in fear. This coming year will be known by and met with awe. I will cause the whole world to stand in awe, great and terrible it will be called. incline your ear to Me as one would finely tune an instrument. Expect to hear at any given time for I will talk you through till the end. You must know what it means to be instant in and out of season. Do not overlook that you just came out of the feast of dedication. As the prodigals of My house rededicate themselves unto Me I will begin a restoration in them that they may walk in unity with my consecrated ones.

Again I AM putting My house in order.

## **The DEAD Rise First Rapture Dream**

# **A Prophetic Dream of Rapture**

By Armin A. Wolff | [End Time Prophetic Vision](#) | February 15, 1993

Last night I had an extremely exciting and vivid dream-vision concerning the return of our LORD Jesus. I normally never remember anything I dream, but this was so gripping and vivid, and I have been thinking about it all day today. I would like to share it with you and hereby also have a written record.

I found myself in a meeting with a number of believers. The meeting hall looked like some kind of a warehouse and there were fewer than 100 assembled. The talk seemed to center on the increasing persecution they were experiencing. All of a sudden Jesus appeared and most, but not all, were instantly transformed from mortal beings into Immortal. Also, at the same instant, some other Holy Ones appeared who had walked with God in ages past, both in New and Old Testament times.

All of the ones who had, in an instant of time, received their new bodies were able to recognize and converse with the Holy Ones from times past. I heard someone exclaim: "I thought You are coming in the clouds to take us away." The reply was: "I am coming in the clouds and...My reward is with Me. Behold, here they are, My Holy Ones of all time, My faithful witnesses, those who loved not their life, and thus received it. They are the clouds and my reward, My reward for what I endured on the cross for all."

I heard another question asked of the LORD, by one of the Transformed Persons, whether He would now take them with Him out of the tribulation they were experiencing. He replied: "No, you must remain here for another 40 days and nights, just as I was on Earth for another 40 days after My resurrection, and minister with Me to those who were not ready. After the 40 days and nights you will come with Me into the skies above Jerusalem and we will leave from there to have a celebration, a banquet in My Father's house, a feast that has been planned before the worlds were made."

The ones in the assembly, who had remained in their mortal bodies, lamented and cried to the Transformed Ones to help them, but were told: "It is now too late. The

Bridegroom has come for us and there is nothing we can do for you, in this regard. However, if you will not love your own life, not bow to the will of the sin-man and take that seal of his, you will join us after the celebration. You will be sealed by your death and kept in the throne room for the LORD."

In what seemed a moment later, I was in another similar assembly in (maybe) another country. There, also, the instant transformation had taken place of many. I was told that this same event had happened all over the Earth, and all born-again, Spirit filled followers of Jesus had been thus transformed, at whatever spot they happened to be in that instant. They were joined by many of God's Holy Ones, from the dawn of creation up to the present time.

Just then, some heavily armed police, or soldiers, burst into the meeting and proceeded to beat, shoot, and arrest the believers. A little blonde Transformed lady stood-up to one of the large men, and refused to move when told she was under arrest. Five or six huge men tried to drag her away, but could not move her any further than they could have moved an ancient redwood or oak tree. This infuriated the police, and they started to beat her and to start shooting their weapons.

The bullets went right through the Transformed Believers and made holes in the walls or, in some cases, struck and killed some of the mortals standing behind them. The blows seemed to go through also and have no effect whatsoever on the new resurrection bodies. The remaining mortals were dragged off to prison, along with some of the Transformed Ones who chose to go along. There was no sure way to tell, at first glance, who was mortal and who lived in a transcendent resurrection body.

I was then also in a prison, and I saw how the Immortals were comforting the anguished souls who were to be executed unless they denounced the name of Jesus. The guards and all governmental authorities were furious that they could do absolutely nothing to prevent the Glorified Believers from coming and going and ministering anywhere on Earth, wherever Jesus told them to go. No wall could hem them in, and no weapon, or human force, could oppose or harm them.

One of the Transformed Saints who had lived ages ago on Earth spoke: "Within forty days, many who refuse to accept the seal of the evil one will be killed and kept safe by the Father, personally, in the throne room. Those who give in will suffer in the Terrible Wrath, beginning after the last saint is murdered. This Wrath is the LORD's Last Effort to get rebellious mankind to repent."

At this point, I awoke and, as you can imagine, was quite agitated. In fact, my heart rate was considerably above the normal resting level. The clock said 5:05am. Needless to say, I could not go back to sleep. Over time, I may forget the details of

this dream, or vision; but one thing I'll never forget is the anguish, wailing, and heart-rending lamentations of those who had to remain here. I do not know how many of these chose to be killed rather than take the seal of the antichrist.

Scripture does speak of a group coming out of the Great Tribulation; but whether some will be from those left behind, or not, was not made clear to me in this dream-vision.

# Prophecy: Warrior Princess

## Destruction Is Upon You

1/17/2016

My child, write these words and listen carefully.

Destruction is upon you. It is upon your world just as in the days of Noah. Know this, I will rescue you. I will rescue My children. The Fallen have heinous plans. Some of My children will fall into these plans because they were not ready. What is coming upon the Earth will cause worldwide panic. Many will flock to the New World Order for help, but what they offer is death, in some cases a slow painful death and in other cases a quick death. It is so important for everyone to be ready now, for you know not the hour when judgement will fall. Major cities will be destroyed. There will be rubble everywhere and death everywhere.

My Bride will shine brightly during this time and rescue many! You will perform miracles of provision and healing. You will tell them of the wonders and beauty of Heaven and you will sing them to sleep in the darkness.

My child these words are heavy but they must be said. The people need to be warned!

Yes, I would rather talk to you of being with Me in Heaven and all that awaits you, but I must also tell you of the horror that is about to come upon the Earth for My children perish for lack of knowledge. It is coming, but they refuse to believe it. They refuse to wake up. Soon they will wake up to a nightmare that never ends!

This is why we must reach them now!

We must reach them now!

We must!

This is very urgent! There is so much work to do!

Do not worry My Love you are fully equipped for this Harvest of Souls! You will be fully dressed in battle gear and wrapped in My Glory!

Eyes on Me My Love!

The hour is very late!

# I Am Getting You Ready for a Swift Charge

JANUARY 25, 2016 10:34 PM BY JOANIE STAHL 66 COMMENTS

     46

"Things are beginning to fold up."

"Things are beginning to fold up."

The inhabitants of this world, mainly the rich, are and will be hanging on to the very end to things that will, in the end, erase all their earthly joys and comforts. They are waxed bold before My face. They do not consider how swiftly they will eat the malnourishing bread of poverty and iniquity.

As of today, the sky may seem all is clear, but very quickly the sky will gather clouds, My thick black clouds. Then all will become dark.

There is not much time left. I am gathering up my worthy ones for the end. My trumpet will sound. It is set to sound. It will sound.

All hearts will be revealed in that day. The souls of the people will in essence be stripped of their silent indifference as the world comes to an all-time high of human suffering. My sudden appearing will be even more stunning because of My long silence. People will be caught off

guard and their faces will turn pale, and blackness will come upon them. They would give up everything they have to take the time back they spent away: to have known Me, to have listened to their friends and family who tried sharing the faith with them.

Their mocking and sarcasm will eat away upon them to the point of insanity. Because they did not put their loving trust in Me and My plan of salvation and belief in Me as their Lord and Savior. I do not speak this to shame you. I speak this to open your eyes to the reality of the truth.

You do not want to be trapped here after I take my Bride off the earth because you will find yourselves in a thick, black, inescapable hell, but not quite the hell reserved at the end of time.

Many of you, on the other hand, are sensing an indescribable unsatisfaction. Try not to be or feel confused about this. I am trying to direct your attention to My next move.

My earth is dying. Everything is in decay. This is a critical season. It is not for the faint of heart.

I am going to depend on many who have ventured far with me and know me, and understand. These will be called to feed many. I will deploy you. Get ready. Some are still hanging on tightly to many things. The times that are quickly coming will suddenly reveal to you what holds you back from full service to Me.

This message is not for everyone. I am getting you ready for a swift charge. Obedience is key. I will not ask a second time. There will not be enough time to ask you again. All your losses are only gains into eternal freedom. Service to Me is quite a bit easier when nothing owns you or rules over you, or controls you. Of course, as I said, these

things will come to the surface and will be made known. I will give you, each of you, just enough adequate time to rid yourselves of them. I'll take care of the rest. Time and chance will be your ticket, your call to this final warfare.

You are about to see me reveal who Satan really is, and his uncovering will lead to his countering me with even mightier acts of rebellion, wrath and supernatural signs. Fearful events and sights are right up ahead. You will have to make your choice and stand firm in it. My host is with you to defend you and see you through to the end."

41,000 people evacuated the Popocatepetl volcano leashes a potentially deadly eruption  
The Popocatepetl volcano has spewed out a mile-high plume of ash into the sky - putting scores of lives at risk.

The Mexican city - just 35 miles from Mexico City and 20 miles from nearby Puebla - is now on evacuation alert.

It last saw a major eruption in 2000, yet 41,000 people were evacuated in advance - averting catastrophe.

Activity has been increasing since 2012 following a minor eruption in 2005.

Now officials are so worried about a potential disaster they have issued an early warning.

The volcano has erupted 20 times in nearly 500 years.

Another volcano, the Colima, sent out a 1.8-mile high eruption earlier this month.

A report on [wired.com](http://wired.com) said:

"Two Mexican volcanoes have been increasingly active.

"Popocatepetl produced a number of explosions as lava reaches the surface at the active vent, as evidenced by incandescence spotted at the volcano's summit.

"Most of the explosions produced ash-rich plumes that reached hundreds of meters over the volcano, "Some officials are saying that there is a heightened danger of a large explosive eruption from Colima because it has been over 100 years since that last large eruption.

"The heightened explosive activity at Colima has prompted preparations for evacuations if the restlessness continues or increases."

## RANDY HECKER VISION (DEYO)

-----

Anyway here goes. The sequence I am watching (as a Watchman of the Lord) begins with Mt. Popocatepetl in Mexico. There will be a sudden very powerful eruption that will blow its lid off. Within hours an 8+ magnitude earthquake will strike Mexico City and virtually level it. Thousands will be killed. Hundreds of thousands will be injured. And millions will be displaced from their homes. The economy of Mexico, bad as its, will collapse except for precious metal values. There will be anarchy throughout the land.

This event will radically increase pressure on the San Andreas Fault to the north. The fault is locked up in an area from Palm Springs in the south to Palm Dale to the north. HAARP will be used to create a super earthquake in this area. The magnitude and duration of the quake will both be magnified. The earthquake will strike (I believe) in the afternoon either this coming October or the following May. It will occur just after a complete economic meltdown of the American dollar. The magnitude of this quake will reach somewhere between 9.5 and 10.5 and it will last for nearly three minutes. Two to three million people will be

killed outright. Millions more will be injured.

The worst part of this is not the earthquake itself but the events that will be associated with it. The ground shock from this quake will cause every other stressed fault within 1,500 to 2,000 miles to release all pent-up stresses. As the ground shockwave moves to the north the Sierra Nevada volcanoes will be triggered, the Cascadia volcanoes, and also the Yellowstone super volcano will also be triggered. This is both a blessing and a curse.

The nation will be so disorganized after this event that martial law will be declared , but it will be completely unenforceable.

**Two to four days after this earthquake America will be further devastated a **nuclear sneak attack** on American cities, that will coordinated and started by our own Shadow Government. There will also be some Russian and Chinese nukes as well. The world will very quickly descend into global thermonuclear war (Gog Magog war).**

All of this must happen before The Destroyer passes through the inner Solar System.

In the Pacific Northwest, communities are debating how to save lives from a tsunami triggered by a massive earthquake that's overdue.

During their regular earthquake and tsunami drills, students at an elementary school in Westport, Washington, practice going to the top floor. But with the Pacific Ocean just a few thousand feet away, scientists say these drills might be futile — because the inevitable tsunami could be higher than the school.

Is a massive earthquake in Pacific Northwest "overdue"?

"Scientists tell us it will happen at some point," school superintendent Paula Akerlund tells CBS News. "It's very unpredictable as to when. So we, we need to be prepared."

Like the Japanese earthquake and tsunamis in 2011 that killed nearly 16,000 people, seismologists say there is an impending disaster coming this way.

Seventy miles off America's Pacific Northwest — from Northern California To Vancouver Island — is the fault line known as the Cascadia Subduction Zone, where the Oceanic Plate is slowly being forced beneath the North American Plate.

## DAVID WILKERSON – FINANCIAL COLLAPSE – MEXICO

It's about to happen---very soon, one nation, and I'm speaking prophetically--if I've ever heard anything from God in my life, I heard it. Very soon a European or North African or Eastern nation is going to default on its international loan and when that happens, within two weeks, Mexico is going to default. (Mexico owes \$100 billion -- 80% of it to American banks.) (This was true at the time of this prophecy but [Mexico's debt](#) now stands at \$500 billion; much of it is held by US banks.) -- and here's what is going to happen: about two weeks after the first country goes bankrupt, (we're going to survive that, because most of that (money of the first country) is owed to European banks---German, Swiss and French banks) but a second country is going to go down, probably Argentina or Brazil, and we'll kind of live that down and say: "Well, maybe it's not going to hurt," but two weeks after the first country goes down, Mexico's going to default on \$100 billion (much more now).

And when the banks open the next day at 9 in the morning, \$15 billion an hour is going to be withdrawn from our American banks -they're going to be running our banks---the Arabs---all the Latin American countries, they're going to be running our banks--and before the day is over, the USA is going to have to declare a "bank holiday."

### **SIX MONTHS OF HORROR:**

And we're going into six months of the worst hell America has ever seen---there's going to be chaos---not even the National Guard's going to be able to quiet it down---we're going to have to call out the whole U.S. Army.

Now I've had visions recently, for I've been in New York City and I was in Macy's in a vision, and I saw people walking around stunned because they couldn't get their money out of the bank.

Now I'm going to give you a word of advice, the first country goes bankrupt---I've documented this and I've got it sealed in an envelope, and I'm going to call all my friends and I'm telling you---this is the first time I've said it in a public meeting like this---but the first country that bellies up, you go get every dime you have---church get your money out of the bank--because there's going to be a 'bank holiday' and you won't be able to get a dime for six months. Now, of course, there's going to be -restored, but the nation will never be like it is again.

There's going to be fear like we've never known---judgment at the door. When I was at Macy's Dept. store in a vision and I watched people walking around stunned, they didn't know what to do, they didn't know what was happening;

then a bunch of people walked into Macy's and suddenly went wild and began to steal and within an hour everybody---I saw the spirit of everybody in the store---they were robbing and stealing---they raped Macy's and destroyed five floors---Macy's was raped and ruined in a period of an hour or two.

That's just the beginning. Folks it's all in this book (the bible) ---we've been warned and warned and warned---you can't tell me God hasn't warned us. You can't tell me God isn't saying something awesome here tonight in this church...we better get our prayer life straightened up, our lives straightened up, get rid of the idols, as Paul writes, and seeking the face of God in holiness or you're not going to be ready for what's coming. God's warning, get ready and you'll not fear these things that come onto you and you'll start rejoicing, you'll not be afraid because your hands will be clean. You've been praying and God's building a wall of fire around you to keep you."

We'd like to teach you a song about God's protection. It goes like this.:  
"There's a wall of fire around me...There's a wall of fire between my soul and the enemy. There's a wall of fire that you can't see...Between my soul and the enemy. There's a wall of fire around me. May it be so with us all..."

**I will Judge ALL US Prophets**

**I will Judge ALL US Pastors**

Must hear.....The Lord is saying:::::This year is the judgment upon My house....meaning that judgment has begun at the house of God FIRST...You cannot command Me.....I will have mercy on whom I will have mercy and judgment as I will.....I will take some home with Me this year, and there will be those that I take out of here and will enter eternity without Me .For I am God and there is no other.... I will first ,judge ALL US prophets ,,,,I will judge all US pastors, my hand is raised to remove churches that I have long since left.....There will not be many make it if they do not repent..... Hear the word of the Lord.....

2016 will leave everyone in turmoil.....You don't believe?????Then watch what I will do.....

Hell and the afterlife will be more real to you in this season as things take off ,things you thought would not happen.....

Guard your heart.....My true church will arise in this year and in 2017 will begin the Coming of The Millennial Kingdom and the Reign of Yehua.....

Guard your ears for you will hear false things come out of those that claim to know and speak for Me.....

A true prophet/prophetess/messenger doesn't bring in peace and safety,nor do, they prosperitize, rather they warn when they see danger approaching, they can see things pertaining to the church as God gives them clearer insight....They are not shaken by slander and persecution against them....

They are sold out to the Lord and their sole purpose is to serve God and harvest

souls.....

There needs are provided by God and if a person does bless them, they know how to put that blessing back into the Kingdom...

They are not easily distracted and will continue moving forward.....

They do and say only what the Lord directs.....Selah!!!!!!!!!!

# Armies of Heaven and Hell Moving Simultaneously Over the Earth

JANUARY 4, 2016 11:50 PM BY JOANIE STAHL 7 COMMENTS

I had a series of early morning visions. Though they were seemingly random, upon awakening I realized they were like a quilt. Though the items and pieces were different, they were all one. I will do my best to write down the message I received rather than to go into details of my dream.

This year is the real beginning of the end. Both sides, heaven and hell are moving simultaneously at an all time high over the expanse of the whole earth, upon all mankind.

## **Armies of Hell and People of Darkness:**

I can see the armies of hell, as a true military force of darkness, literally marching in a hovering like way upon all people. As they go, they cover everyone and everything with their darkness.

They have power. They appear to be the most conditioned forces.

There will be not only food shortages, but the monetary system will fail, it will fall. The people of this world will be separated into two people groups, the righteous and the wicked. Because of the lack of food, necessities, and money, people will become “lovers of themselves.”

They will fill their tables with food while denying the starving. They will have no conscience. At first they will appear to be doing better than those who are going without. They will appear to be jubilant and will sit at luxurious tables. They will laugh and cheer with one another while everyone else is hungry. These are the people of darkness.

### **Armies of Heaven and People of God:**

Yet at the same time, the powers of heaven will ramp up with their forces. This year there will be great fighting in the spiritual planes among and in

the atmosphere above all humanity. Though there will be a great outpouring of darkness and evil, there will also be a great outpouring of love and righteousness. The Righteous will look at nothing as being theirs. Instead, the Righteous will show a power of the great force of sustaining love. They will not be afraid to give away their last bite of food. Faith will be given and abound to those who count nothing as their own, but the Lord's. A great joy will spring up among all those who give away food to the hungry. The energy and power of the Holy Spirit and His presence will be more than a feeling, but also a wall of protection.

The more evil will abound, the more Christ will abound. A real separating is happening now. The harvest is now. By our choices made in desperate times God will determine who really belongs to Him.

I can sense strongly that there will be a real supernatural dealing. Both in Satan's kingdom as well as God's. This must be. The people of God will be revealed by their works of faith by love, and love by faith. God is assembling people around the world and positioning them in determined arenas to take immediate action when commanded. When given command they will not need to think twice.

### **God Will Provide:**

God is about to make all things clear and evident. He does not want us to stumble or be afraid of anything. When all the land of Egypt stood in three days of darkness, the Hebrew slaves in Goshen enjoyed three days of pure light.

He is telling me this ahead of time to encourage us, so we can stand during the evil day. So His Church will stand like never before.

He will provide. Our cruse of oil will not empty, our bread and fish will He supply. There will be a mighty increase of a type of anointing of joy that will enter into His Church right before He comes. A great excitement will overtake His Bride and worship will happen as Saints prepare for their last journey.

This will come upon them, it will happen to them. It is not like now. They will not do anything to receive it, but it will light upon them.

### **Satan Will Be Enraged:**

This will not only anger Satan, but will send increased terror upon him like never before.

Because the harder he wars against the Body of Christ, the more it will afford us the marvelous provisions and gifts of the Lord. In other words, Satan's power will only serve to increase God's magnificent power. This will enrage the Devil. This will make him go into a fury.

Be careful not to look at the wicked when they will be rejoicing, because they will only enjoy a very brief season of it. Many will be swallowed up after their dark rejoicing, and only some will be able to break out and run like escaped slaves into God's territories of salvation and love.

Something else God wants us to know. Satan does not have full control over his kingdom. He never has. He mostly only employs power over one thing, the will of man to direct his steps into the final hell.

**Direct Word from God:**

*“The power of pride will be Satan’s one major weapon against Me. He lives in constant mental fury due to the fact that anyone at anytime can will themselves to Me. This keeps him in a constant rage, it is basically his pre-hell torment. He is truly not in power over everything.*

*Though this world is teetering in a darkness that has cast a great darkness over everything, keep in mind that My light manifests everything in darkness because the darkness and the light are both alike to Me.*

*I know many of you are tired, exhausted and in great depths of pain and hopeless, but you haven't seen the end yet. Please be patient in waiting. Though Satan's troops of destruction march throughout the lands, My Kingdom will come. I am with you always and mean for you to inherit My Kingdom promised to you from the foundation of the world.*

*This is My promise to you. Hold fast until I come. Let no one take away your crown. Soon you will all say in one accord that it was all worth it, world without end."*

# Unexpected Dark Valleys and Magnificent Victories Coming in 2016

DECEMBER 30, 2015 5:10 AM BY [JOANIE STAHL](#) [68 COMMENTS](#)  
[82](#)

Your lives are about to take a turn. Do not be surprised by any sudden changes. The best way to be prepared is to stay prepared, like a soldier in a bunker. I have been watching you.

Dangerous courses as well as dark valleys are before you, but also some magnificent fields of victory long awaited, and sought out glory.

I see many of you drawing close to Me and returning to Me. But it won't be quite the same way as former times. In fact, it will be quite different. I know in your returning, you are trying to employ the same methods and ways. Know this. They belong to you already. No one retreads out the wine or beats the wheat a second time.

You are thoroughly equipped now to stand in and for My kingdom. I have worked hard to settle you and to bring you to where you stand today in every aspect of your life. I will begin to speak directly to you. It will be in unexpected times, in unexpected ways.

Do not look for Me in any things or ways, or what you might think are signs. When I speak to you, you will know it. You will not have to question it a second time.

Again, do not rely on the former times when you sought for Me. Do not rely on yourselves or any mental or physical ways as you have before. I allowed you to do those things in the past to teach you discipline and to follow your heart as you sought after Mine.

Consider this. This is now your time. There have been many days of rest that I have given to you, some many years. Now those days are done. And it is time for you to stand once again for My kingdom.

My kingdom is at war with the kingdom of darkness. Many, and even all of you have been at war a long time to the point of exhaustion, but believe Me when I tell you it will not be long from now. Be at ease with what I am doing, though right now you feel nothing. Nevertheless, you sense it. Do not equate My silence with absence.

This coming year will produce two things:

First, there will be a series of great supernatural events, surprising events. It will be a year of unexpected cataclysmic events. The heavens will be on fire. The ground will swell and burst. The land will shake intensely and the earth will mourn like a woman in mourning.

Many people, even those who curse me, I tell you even now, know I am coming. Though because of the hardness of their pride they refuse to admit it openly, but they indeed know it and know it deeply. They are slaves of Satan and captives of his fear. Yet I say further that the whole world is sensing and knowing something enormous is coming. And it will come. I stress the words instant, unexpected, shocking, and surprising. And the reason being, it will be something the world has never seen or experienced. You can count on it. Even many who think they can imagine it will be as stunned as everyone else. All pride will fall. I am coming again. Does that mean anything to you? It should.

Second, for those who have suffered long and have lost everything, but remained faithful, I will restore to you, but better than before in ways not expected. You will know it is of Me.

My cry to those who walk in sadness, who groan in darkness, who cannot sleep for overwhelming anxiety, for those long oppressed and overwhelmed, for all those who have given up, I have not forgotten you. I have received every cry and appeal for mercy and deliverance. Not one tear you have shed has fallen to the ground without Me. This year expect the unexpected from Me.

Right before I return, I will set up on high those that mourn and those that are cast down. I will revive My weary ones. Why should I come for a bruised bride? I will revive you especially for this time to give you a brief amount of time to get ready. I will begin immediately removing the great obstacles in your lives. I will throw them down like rocks off a cliff. I know many of you have struggled all of your lives, but never once have I forgotten you. As I begin to move these obstructions, keep in mind it is like holding the walls of the ocean apart just long enough for My people to safely prepare.

Remember, what I will be doing is for one purpose, for you to have the ability to joyfully prepare. What bride mourns before her wedding! This will be a dual year of increasing birth pangs with the assurance of the knowledge of My imminent return and the acceleration of the preliminary, initial undoing of the seat of Satan.

I am giving you rest right before I come.

One last thing. This coming year I am going to make My presence real. Meaning, I intend to increase the awareness of My presence. And not only

among you and the inhabitants of the earth, but also within the darkest regions and corridors of the powers of darkness and habitations of cruelty. I am going to do what no one else can. I am going to visit those in the strongest of strongholds and create a fire storm right where they are. Just as I said, I came to redeem the lost. I will redeem those who are embedded within the walls of enemy fortresses. I can see what none of you can see. But not only does this break My heart. It enrages Me.

I am in the process already. Going and doing what only I am able to do. For the earth is the Lord's and the fullness thereof, the world and them that dwell therein. Do not underestimate My dominion and the fact that though the enemy has a vast network of power, the power belongs to Me. And My presence will go out and will go everywhere that no human can go to. This is My determination and resolve.

A great number of people are coming in at the last. I am bursting prisons and chains. Remember when I told My disciples after they fished all night by their own know-how, but caught nothing? And how in the morning I told them to cast their net again on the right side and they would find fish?

When I walked with them along the road to Emmaus and the time came that I would go My own way, they constrained Me and said, "Abide with us, for the day is far spent and the night is at hand!"

Yet Paul later says, that "the night is far spent and the day is at hand!" Now since you know the Day is at hand, it is time to put your hand in Mine and trust Me like never before. Prepare for Me to ask you to do things you have never done before, for you will have to do them solely by faith. This will be the means and ways I will begin to demonstrate My power and My presence. And I will give you the power to perform it.

This coming year My determination is to make My very real presence known so mightily, that those who have worked at rejecting Me all their lives will come to Me that I might save them once and for all. I am doing this. I am the Great Shepherd of the sheep.

(Note: When He said He is now bringing in a large number of people it had to do with death, as many seem to be dying in large numbers. He said He is doing it for one of His reasons and that is, to keep them from the hour that is coming on this earth. Now I know many that die will not be saved, but that is what I heard him say.)

It is given unto you to be found worthy to walk in My footsteps, to wear My robe of righteousness, to have a royal crown placed upon your head, as you are purchased by My blood. Our covenant is ratified, and you are My kings and My priests.***

***Boldly go forth My Bride into this destruction and chaos, into the fiery trials and the lands laid waste. Walk among the ruins and the devastation, radiating with Me, The Bright and Morning Star. Give them to taste of the fountains of living water, and tell them they need never thirst again.***

***Shepherd them...***

***Feed them...***

***Love them... as I have loved you.***

***Onward now My soldiers, do what you have been born to do.***

***My glory is arisen in you!!***

## Amazement

*You shall stand in amazement at My Glory in 2016, My Children. I will do mighty exploits such as you never dreamed, right before your eyes, and change many hearts of unbelievers. Many need only see proof of My Mighty Power to believe. They long for truth, yet cannot discern between the many differing opinions and worldviews. (of who is God)*

*As you pray to Me for lost souls, I arrange circumstances that they may hear testimony and, when needed, see My Power, to help them believe. Only I know the depth of hardness in each heart, and why they do not believe.*

*You who believe, I desire you would stand in amazement at My Son's Sacrifice. How His Love is so great that He gave all for you, to take your place on that cross of agony. How He watched innocent blood pour from His veins for your sins, not knowing sin Himself*

*Remember His Love, and His painful sacrifice, and worship Him. Adore Him. Live for Him.*

*Because of Him, you have been granted life eternal, and great peace, even in chaos. The time approaches for you to receive your eternal reward and be with Me in heaven. Be sure that you do not neglect so great a salvation – and neglect not to preach the gospel to others, that they may join us here.*

"As I looked at this word suddenly the letters began to rearrange and the word went from 'TRUMP' to 'TRIUMPH.'" (Lucas Jackson/Toriners)

Firstly, I want to preface this word by saying that I do not have a political agenda for the United States of America. I am simply one person in Australia who has a huge heart of love for this beautiful nation and to see the destiny of the United States established and the kingdom of God extended, releasing a huge wave of revelation of His goodness and love.

I also want to say that I do not base what I am about to share on any "policies" that I have heard, but simply what I believe the Lord revealed to me in a dream concerning the candidates. The intention of this word is not in any way to "sway" anyone in their political views, but simply to release a revelation from the Lord that I believe needs to be covered in prayer.

## The Time of My Wrath

Dec 28, 2015 11:49 am | Glynda Linkous

*The time of My Wrath upon the Earth is quickly approaching. My Children shall not be subject to My Wrath, for My Son's precious Blood has borne this for them, but woe, woe to those who dwell on the Earth – those who know Me not in that time, for every single day shall be very grievous for them. They will indeed seek death and find it not, for since they rejected mercy through the Cross, they shall find it not in other places. Theirs shall be a long and agonizing torment, full of terror that shall never end.*

*Oh, that lost souls would find Me now, while there is yet time for them to repent!*

*That door soon closes upon the world and then shall no more repentance be given.*

*Your time left on the Earth is not long now, children – redeem the time – do My Work in the Earth and know that all you see shall soon pass away.*

# An Event Will Occur That Will Begin World War 3 and There Is No Stopping It

DECEMBER 21, 2015 6:55 PM BY RACHEL BAXTER 77 COMMENTS

     113

The spirit of the living God comes to you. Write what I say:

"An event will occur that will begin World War 3 (without debate) and there is to be no stopping it. All the planning and scheming has led to this. Many will lose their lives.

It is important that you rest in the shadow of the Almighty, your refuge and your strength. I come to you to harken you to listen to all that I have to say. The underpinnings of this attack come not from afar but from your own shores. Do not be deceived.

The spirit of the living God comes to you. Write what I say:

“An event will occur that will begin World War 3 (without debate) and there is to be no stopping it. All the planning and scheming has led to this. Many will lose their lives. It is important that you rest in the shadow of the Almighty, your refuge and your strength. I come to you to harken you to listen to all that I have to say. The underpinnings of this attack come not from afar but from your own shores. Do not be deceived.

Trust this good word: I desire My children to live in light just as I am light. See, the darkness covers the earth, yet there are pockets of light that shine forth through the darkness. The abyss has not conquered all. It is My children of light who shall be victorious. Let no more false flags confound you. They say “look here” while over there great tragedy really takes place. I will point you to the truth. I will point My children to all truth, which is in Me.

Look to Miami. Look to Chicago. Look to San Francisco. See what is happening. The wheels have been set in motion and they shall not be stopped.

Some will say pray so that my Father in heaven will listen and intervene. But I, the Lamb who has already been led to slaughter, say all these things must happen that scripture be fulfilled.

I am the way, the truth, and the life. No one come to the Father but by me. Yes! I am the truth! I have already paid the perfect sacrifice that you should come to me. My children are asleep, fast asleep. But they will awaken by the shaking. One cannot sleep when all things around you begin to shake. The earth shakes. The ground beneath your feet shakes. The economies of the earth shake. The militaries and governments shake. The skies shake. Day by day, more and more will awaken to the reality of the days all of you have been chosen to live in. Make no mistake – it is no coincidence that each of you are alive today.

God, My Father, is sovereign and there is none like Him. There are only imitators and counterfeits. He is the true creator. His imagination is second to none. Each of you is but a reflection and shimmer of His great and glorious imagination.

The culmination of the planning of the enemy is close. The land mines have been set in place. Watch your step! Keep your eyes on Me that you should not stumble.

Your freedom shall be questioned, and it shall even be taken from you. Yet, in Me you are free. Your freedom grows as you see that you are not of this world, but made for

My kingdom, which shall come. Wait just a little longer and you shall see all the glory I will set before you as I live and love among you.

Many are confused about the events that must take place before My reign may begin. I come to set the records straight. Much has been sealed until this time, but My children, the light in this world today who carry my love, are ready to know truth. I've placed the desire deep in their hearts to know My truth, the truth of what they were created for. And just as I come, so shall they walk in the destiny they have in me.

My word says that you shall have tribulation and you shall be persecuted. Yes, this is truth. Look around you and you see it, and this shall be more and more. Even here in the land of "the free". I tell you that you will face great trouble for My sake and many will perish. But those that lose their life for My sake will gain it.

This is not the end! But only the beginning. My word speaks of the truth, so read it and take it into your heart. Let it make you new. My word is my life. The old sinful nature must die, so that I may live in you. A house divided against itself shall fall. If Satan has a place in you, I cannot live there. You must choose him or Me. There is no in between. You either live in agreement with what he says about who you are, or you live in agreement with who I say you are in Me.

I died so that you may live eternally, but My blood is THE life even in the body you inhabit today. Let My blood wash over you that you would have life abundantly. Let it make you new. Choose to die to self that you may live as the one true body you were created for.

Look around and you will see every lust of the flesh. Can you not see that the flesh has already died and now it is rotting? It hangs off the bones causing repulsion. Turn away! Seek forgiveness and give forgiveness. This is the only way to truly live. I plead with you! Can you not accept that I died for you? What more must I say or do so that you shall know the truth, and see that you are free? I cry out to the Father on your behalf! Come, sit at My feet that I may comfort you My brothers and sisters. Give me your hand and I will lead you beside still waters. There is nothing I withhold from My family.

The beautiful thing about light is that it cuts through the darkness and even overtakes it. Hope. There is great hope. I am pouring out my spirit in these last days in mighty measure. No life has yet experienced the fullness of My spirit, but you shall. Yes, the oil is ready. The Angels stand ready to pour out the great anointing that I have saved up for such a time as this. Prepare yourself to receive the anointing I have for you. Of yourself, you can do nothing. But in Me there is nothing you cannot do. Preparation means to humble yourself through fasting and prayer. Then, wait upon Me and I will wash you clean in My blood. The Angels will anoint your head with oil and you shall go forth to conquer! Oh, how glorious it will be!

We will co-labor together on this earth in these last days turning the hearts of the sons to their fathers and the fathers to their sons! When a child knows their Father, and

knows their place in the family, they are no longer an orphan, and this is what we shall do together. We shall set things right. Child after child shall be set free until the last day!

It is not time to look up for “your” redemption. It is time to look around to your brothers and sisters on this earth and love them. It is the question of THEIR salvation that must be on your lips and in your heart. It is time to be the light. I am not coming to take you away yet because instead I desire to live through you in these last days and together we will bring in the greatest harvest of souls this world has ever known.

The crafty serpent has set lies in the teeth of my pastors and evangelists that before great trouble, all those that call on my name will be called home. This is not My truth. I desire that you should see the lies for what they are – a deception that would keep you from the preparation in Me. If you knew all that was coming upon the earth you would fear, if not resting and trusting in Me. Do not stumble! You need not stumble and fall! I am here now proclaiming the truth that even though the days ahead are dark, I will carry you. There is nothing to fear for those resting in Me.

I do not want you to be caught by surprise. This is why My word instructs you to ready your lamps that the light shines forth through the darkness so that you may SEE what is ahead. My Father does nothing before releasing it to His prophets because He wants you to see and He wants your faith in Him to grow. Fear is of the enemy, but my Father has not given you a spirit of fear.

Fear not because I am in you. I have prepared you and I will equip you for the trouble ahead. There is no limit to what we can do together. My word says that the things I have done you will do and even greater. These are the days you are living in. Many of you will get to experience for yourselves the fullness of who I am, and who you are in Me. As you come out of this world, you step into My kingdom. Understand this, My kingdom comes on this earth today!”

*My People, the attacks against you are many, and will continue to increase in their intensity, for the enemy desires to distract you from your work for Me, and to steal your joy from each day.*

*Your joy in your salvation is a type of worship that he abhors, for he desires to have your worship for himself. He desires you would worship anything but Me, the One True God.*

*Be careful that you worship what you think, that you have not gone after other gods in your hearts. Ask and I shall reveal all truth to you in this matter.*

John 4:24 God is a Spirit: and they that worship him must worship him in spirit and in truth.

John 4:22 Ye worship ye know not what: we know what we worship: for salvation is of the Jews.

*You live in the Time of the End, My Children. You will see what many before you desired to see. Are you ready for all that is coming?*

*Your faith shall be tested in fiery trials, and through discomfort and being mocked, many of you will turn away from Me. (I heard tremendous sadness in His Voice when He said this) This I do not desire, but only you can choose to finish your race with Me or not. You must set your face like flint and determine to endure the trials before you, to endure to the end.*

*But the reward is very great for those of you who do. Be rooted, be established and grounded in My Word. Do not resist the trials that refine your faith, for this is how your faith is grown and strengthened. Small faith does not survive the fires, but is quickly thrown away in favor of comfort and ease.*

*Will you run the race for Me?*

# Ancient Scroll Reveals One World United Against Christians

December 23, 2015 1:12 am By [Bette Stevens](#) [3](#)

Just as I saw in a previous vision, which I shared in my post, [Ancient Scroll Reveals the Future of All Nations](#), I again saw the same ancient scroll in another vision, but this time it was already opened and coming down from heaven following along a spiral staircase.

I knew what was written on it revealed events coming in the end-times. I knew it was meant for each of us because it was the story of our future, yours and mine. It was a love story, the Holy word of God, which He left behind to equip us for the days and months ahead.

As the vision began, I was in a city, a bustling city, standing in what looked like an alley way. I walked out of the alley and walked around to see where I was. I noticed people were looking at me, but they went on about their business.

I kept walking, hoping I would find someone who I could ask some questions because I certainly had some. I came upon what looked like a military building with a sign on it, "One World United." I hesitantly walked in.

A military man was standing inside, so I asked, "Excuse me sir, I need to get my bearings. Could you please tell me where I am?"

He looked at me like I had lost my mind and shouted, "WHAT DID YOU SAY? DID YOU SAY WHAT I THINK YOU SAID?"

I got very quiet and said, "Yes sir, you did. I just need some help."

Then he said, "Well, do you have your ID number?"

I said, "No sir, I might have a debit card. Just a minute, let me see."

I had nothing. No cash, no ID, no driver's license. So I said, "I don't have any of these things sir."

He said, "Then you can't get anything here if you don't have any kind of card. We don't take cash. We haven't had cash in years. Let me see your hand."

I put out my hand for him to see.

"No, let me see your other hand. Hmm... so you're one of those people. Well, you won't get anything here and I wouldn't try anywhere else because you need an ID on your right hand or on your forehead. Since you don't have either one, you can't get anything, but I can direct you to the One World Health Clinic so you can get an ID. Then you can go anywhere. Unless you do that, well, I can't promise there won't be some trouble. We don't take kindly to strangers, especially those who don't have an ID. On second thought, let me take you there myself."

Then the scene changed and I found myself in a different place where it looked like war had broken out. I heard a large explosion and just knew instinctively it was an atomic bomb.

Some soldiers walked over to me and asked me, "How are things looking? We got most of them. They were dirty and sweaty, but grinning."

I said, "I beg your pardon?"

I happened to look down at myself and saw I was wearing military clothes and combat boots, but I was not carrying a gun.

Then the scene changed again. It was early evening and I was reading my Bible. All of a sudden, it was like my Bible came alive as I went back in time to Biblical days. Immediately I heard someone yelling, "TRAITOR! DIRTY INFIDELS! KILL THEM! GET THE OTHER ONES TOO! THEY'RE ALL INFIDELS! BURN THEM AT THE STAKE! KILL THEM! CRUCIFY THEM! CRUCIFY THEM!"

Then he turned his attention to me saying, "You're next! Do you, infidel, recant and renounce now and in the future the man named Jesus Christ?"

# Utopian Deception on the Church

## Utopian Deception Now Being Perpetrated on the Church

MARCH 10, 2016 7:43 AM BY PASTOR BENJAMIN FAIRCLOTH 145 COMMENTS

67

On March 6, 2016 during my early morning prayer time, I received the following word.

*"My Church is half asleep and half dressed. Deception rages within her pulpits with lies and promises of a Utopia lifestyle on this earth, free from pain, problems, and persecution. A Fairy tale lie of no sorrow exists in the sermons of this nation. My Bride has been fooled into believing all is well.*

*Where are the judgments prophesied? Where are the attacks? Where are the sounds of the battering rams tearing down our walls?*

*For thus saith the Lord, wake up from your slumber! Get dressed and flee your whoredoms of idolatry. Prepare yourself, for soon I will manifest My glory. In the darkest hour, My light will shine. My word, My truth will prevail, and out of the ashes of calamity, a new Church, a new Body will be revealed! The first church will be the last church and the last church will be the first. I always save the best for last!"*

I questioned the Father regarding what He meant about the first church, last church. He explained to me the model and template of the first church (in the book of Acts) has ALWAYS been the plan; we are the ones who changed the original purpose, mandate, and mission of the church. We have been modernized as a church, but our message and our mission has been diluted! There is an ACTS chapter 2 part 2 coming soon!

After giving me this direct word, the Father began showing me through scripture the leaders of the church are falling into deception concerning this election. The church has shifted from a "judgment" is upon us mindset to an "all is well" outlook. This is a very dangerous position for the Body of Christ to be in.

A Utopia deception is now being perpetrated on the church, that a man (or woman) is going to change America, that judgment has been delayed and denied because of an election!

Just look outside the window, the earth is spinning out of control. The church is looking at a rigged stock market as God's approval on our land. Or to say because it's up, reaching higher, the Father has now looked upon us with eyes of Grace, and all the indictments against us are forgiven. We are being fooled into a deep slumber of deception!

Preachers say look at Nineveh, see God will overlook our sin (if we repent with our lips); we can have more years of plenty. Yes He does forgive and will forgive, but we are not Nineveh, we are Babylon!

The last time I looked at Christian television, I didn't see any Jonah's in sackcloth and ashes pleading with our nation to turn back to God! My mailbox is full of ministries asking for money, but few are pleading with God for a Reformation or Great awakening! I am not denigrating the ones who are crying out, but we are being led astray from reality. The church is not repenting, America is not turning back to God, we are hoping for a change politically to keep the good times rolling.

America's church leaders fall prey every election cycle to anyone who says, "God bless America," and promises prosperity for all! We have entered the Utopia deception and our preachers have led us here!

The Father gave me Jeremiah 23 and Jeremiah 28 to prove His point. This reveals to us that though we have a tremendous future in Him, the path in which we arrive is not a political one, but one that was paved by the first church. A Remnant church is being birthed in America and it will be forged in the fires of calamity! We will be no different than the first church. For sake of space I will highlight some verses, but I encourage you to read the entirety of these two chapters.

Jeremiah 23 begins with a warning.

*Woe be unto the pastors that destroy and scatter the sheep of my pasture! saith the LORD. (Jeremiah 23:1)*

The understanding of this verse is that God will not tolerate His sheep to be led astray to the slaughter. The shepherds are to lead His sheep into the paths of righteousness, into the confines of Holiness, and into the depths of His word. We are currently being led astray, out of righteousness, holiness, and His word.

Verses 2 through 8 are great promises to the Remnant church being brought together. I believe that is happening right now! Righteousness will be the fuel for this next great move of God!

Verses 2 through 8 are great promises to the Remnant church being brought together. I believe that is happening right now! Righteousness will be the fuel for this next great move of God!

Verses 9 through 17 reveal where the church leadership is today. Prophets and preachers are telling us good days are ahead but read verse 17 closely.

*They say still unto them that despise me, The LORD hath said, Ye shall have peace; and they say unto every one that walketh after the imagination of his own heart, No evil shall come upon you. (Jeremiah 23:17)*

You can hear church folks all across America say things are going to change with the elections; maybe God has changed His mind about judgment. Maybe things will be better come January 2017. Please look at verses 19 -20 and pray and ask the Father, is the whirlwind still coming? Don't let a prophetic person replace your relationship with the Father, you ask Him.

*19 Behold, a whirlwind of the LORD is gone forth in fury, even a grievous whirlwind: it shall fall grievously upon the head of the wicked.  
20 The anger of the LORD shall not return, until he have executed, and till he have performed the thoughts of his heart: in the latter days ye shall consider it perfectly. (Jeremiah 23:19-20)*

Two things I want to point out here in these verses. Number one, a whirlwind of calamity is here upon our nation. Though you may not see it in totality, we are in a vortex of judgment. The whirlwind also speaks of confusion. The church is confused right now, at this moment the church doesn't know if God meant everything He said concerning judgment in 2015! We are in a whirlwind of a Utopia deception!

The second point is God is not the author of confusion and where there is confusion (as well as envying and strife) there exists every evil work (1 Corinthians 14:33, James 3:16). He said in verse 20 you will consider it perfectly, meaning you will understand clearly. When? In the last days! The last days should be our clearest days of understanding, not confusion. We shouldn't be fooled by the Beast system parading politicians who ALL have sold out in some way to Babylon! Unfortunately we have believed a lie.

The last point the Father led me to is found in Jeremiah 28. He shared with me that the spirit of Hananiah is upon the church. Please read the entire chapter. In it you will see the battle taking place right now within the prophetic camps of the Watchmen of God. In the end Jeremiah was vindicated and the Truth prevailed.

*Then said the prophet Jeremiah unto Hananiah the prophet, Hear now, Hananiah; The LORD hath not sent thee; but thou makest this people to trust in a lie. Therefore, thus saith the LORD; Behold, I will cast thee from off the face of the earth: this year thou shalt die, because thou hast taught rebellion against the LORD. (Jeremiah 28:15-17)*

# Vision of the Final Harvest

**(Francis Hunter; How to Heal the Sick)**

## **SIX SCREEN CAPTURES**

### Vision of the Body of Christ and the End-Time Ministries

My message begins July 25, about 2:30 in the morning at Winnipeg, Canada. I had hardly fallen asleep when the vision and the revelation that God gave me came before me. The vision came three times, exactly in detail, the morning of July 25, 1961. I was so stirred and so moved by the revelation that this has changed my complete outlook upon the body of Christ, and upon the end-time ministries.

The greatest thing that the church of Jesus Christ has ever been given lies straight ahead. It is so hard to help men and women to realize and understand the thing that God is trying to give to his people in the end times.

I received a letter several weeks ago from one of our native evangelists down in Africa, down in Nairobi. This man and his wife were on their way to Tanganyika. They could neither read nor could they write, but we had been supporting them for over two years. As they entered into the territory of Tanganyika, they came across a small village. The entire village was evacuating because of a plague that had hit the village. He came across natives that were weeping, and he asked them what was wrong.

They told him of their mother and father who had suddenly died, and they had been dead for three days. They had to leave. They were afraid to go in; they were leaving them in the cottage. He turned and asked them where they were. They

pointed to the hut and he asked them to go with him, but they refused. They were afraid to go.

The Native and his wife went to this little cottage and in where the man and woman had been dead for three days. He simply stretched forth his hand in the name of the Lord Jesus Christ, and spoke the man's name and the woman's name and said, "In the name of the Lord Jesus Christ, I command life to come back to your bodies." Instantaneously these two heathen people who had never known Jesus Christ as their Savior sat up and immediately began to praise God. The Spirit and the power of God came into the life of those people.

To us that may seem strange and a phenomenon, but that is the beginning of these end-time ministries. God is going to take the do-nothings, the nobodies, the unheard-of, the no-accounts. He is going to take every man and every woman and He is going to give to them this outpouring of the Spirit of God.

In the book of Acts we read that "In the last days," God said, "I will pour out my Spirit upon all flesh" (Acts 2:17). I wonder if we realized what he meant when God said, "I will pour out my Spirit upon all flesh." I do not think I fully realize nor could I understand the fullness of it, and then I read from the book of Joel: "Be glad then, ye children of Zion, and rejoice in the Lord your God: for he hath given you the former rain moderately, and he will cause to come down for you the rain, the former rain, and the latter rain" (Joel 2:23). It is not only going to be the rain, the former rain and the latter rain, but He is going to give to His people in these last days a double portion of the power of God!

As the vision appeared to me after I was asleep, I suddenly found myself in a great high distance. Where I was, I do not know. But I was looking down upon the earth. Suddenly the whole earth came into my view. Every nation, every kindred, every tongue came before my sight from the east and the west, the north and the south. I recognized every country and many cities that I had been in, and I was almost in fear and trembling as I beheld the great sight before me: and at that moment when the world came into view, it began to lightning and thunder.

As the lightning flashed over the face of the earth, my eyes went downward and I was facing the north. Suddenly I beheld what looked like a great giant, and as I stared and looked at it, I was almost bewildered by the sight. It was so gigantic and so great. His feet seemed to reach to the North Pole and his head to the south. Its arms were stretched from sea to sea. I could not even begin to understand whether this was a mountain or a giant, but as I watched, I suddenly beheld a great giant. I could see his head was struggling for life. He wanted to live, but his body was covered with debris from head to foot, and at times this great giant would move his body and act as though it would even rise up at times. And when it did, thousands of little creatures seemed to run away. Hideous creatures would run away from this

giant, and when he would become calm, they would come back.

All of a sudden this great giant lifted his hand toward the heaven, and then it lifted its other hand, and when it did, these creatures by the thousands seemed to flee away from this giant and go into the darkness of the night.

Slowly this great giant began to rise and as he did, his head and hands went into the clouds. As he rose to his feet he seemed to have cleansed himself from the debris and filth that was upon him, and he began to raise his hands into the heavens as though praising the Lord, and as he raised his hands, they went even unto the clouds.

Suddenly, every cloud became silver, the most beautiful silver I have ever known. As I watched this phenomenon it was so great I could not even begin to understand what it all meant. I was so stirred as I watched it, and I cried unto the Lord and I said, "Oh, Lord, what is the meaning of this," and I felt as if I was actually in the Spirit and I could feel the presence of the Lord even as I was asleep.

And from those clouds suddenly there came great drops of liquid light raining down upon this mighty giant, and slowly, slowly, this giant began to melt, began to sink itself in the very earth itself, and as he melted, his whole form seemed to have melted upon the face of the earth, and this great rain began to come down. Liquid drops of light began to flood the very earth itself and as I watched this giant that seemed to melt, suddenly it became millions of people over the face of the earth. As I beheld the sight before me, people stood up all over the world! They were lifting their hands and they were praising the Lord.

At that very moment there came a great thunder that seemed to roar from the heavens. I turned my eyes toward the heavens and suddenly I saw a figure in white, in glistening white—the most glorious thing that I have ever seen in my entire life. I did not see the face, but somehow I knew it was the Lord Jesus Christ, and He stretched forth His hand, and as He did, He would stretch it forth to one, and to another, and to another. And as He stretched forth His hand upon the nations and the people of the world—men and women—as He pointed toward them, this liquid light seemed to flow from His hands into them, and a mighty anointing of God came upon them, and those people began to go forth in the name of the Lord.

I do not know how long I watched it. It seemed it went into days and weeks and months. And I beheld this Christ as he continued to stretch forth His hand; but there was a tragedy. There were many people as he stretched forth His hand that refused the anointing of God and the call of God. I saw men and women that I knew. People that I felt would certainly receive the call of God. But as He stretched forth His hand toward this one and toward that one, they simply bowed their head and began to back away. And each of those that seemed to bow down and back away, seemed to go into darkness. Blackness seemed to swallow them everywhere.

I was bewildered as I watched it, but these people that He had anointed, hundreds of thousands of people all over the world, in Africa, England, Russia, China, America, all over the world, the anointing of God was upon these people as they went forth in the name of the Lord. I saw these men and women as they went forth. They were ditch diggers; they were washerwomen; they were rich men; they were poor men. I saw people who were bound with paralysis and sickness and blindness and deafness. As the Lord stretched forth to give them this anointing, they became well, they became healed, and they went forth!

And this is the miracle of it—this is the glorious miracle of it—those people would stretch forth their hands exactly as the Lord did, and it seemed as if there was this same liquid fire in their hands. As they stretched forth their hands they said, “According to my word, be thou made whole.”

As these people continued in this mighty end-time ministry, I did not fully realize what it was, and I looked to the Lord and said, “What is the meaning of this?” And He said, “This is that which I will do in the last days. I will restore all that the cankerworm, the palmerworm, the caterpillar—I will restore all that they have destroyed. This, my people, in the end times will go forth. As a mighty army shall they sweep over the face of the earth.”

As I was at this great height, I could behold the whole world. I watched these people as they were going to and fro over the face of the earth. Suddenly there was a man in Africa and in a moment he was transported by the Spirit of God, and perhaps he was in Russia, or China or America or some other place, and vice versa. All over the world these people went, and they came through fire, and through pestilence, and through famine. Neither fire nor persecution, nothing seemed to stop them.

Angry mobs came to them with swords and with guns. And like Jesus, they passed through the multitudes and they could not find them, but they went forth in the name of the Lord, and everywhere they stretched forth their hands, the sick were healed, the blind eyes were opened. There was not a long prayer, and after I had reviewed the vision many times in my mind, and I thought about it many times, I realized that I never saw a church, and I never saw or heard a denomination, but these people were going in the name of the Lord of Hosts. Hallelujah!

As they marched forth in everything they did as the ministry of Christ in the end times, these people were ministering to the multitudes over the face of the earth. Tens of thousands, even millions seemed to come to the Lord Jesus Christ as these people stood forth and gave the message of the kingdom, of the coming kingdom, in this last hour. It was so glorious, but it seems as though there were those that rebelled, and they would become angry and they tried to attack those workers that

were giving the message.

God is going to give to the world a demonstration in this last hour as the world has never known. These men and women are of all walks of life, degrees will mean nothing. I saw these workers as they were going over the face of the earth. When one would stumble and fall, another would come and pick him up. There were no "big I" and "little you," but every mountain was brought low and every valley was exalted, and they seemed to have one thing in common—there was a divine love, a divine love that seemed to flow forth from these people as they worked and lived together. It was the most glorious sight that I have ever known. Jesus Christ was the theme of their life. They continued and it seemed the days went by as I stood and beheld this sight. I could only cry, and sometimes I laughed. It was so wonderful that these people went throughout the face of the whole earth, bringing forth in this last end time.

As I watched from the very heaven itself, there were times when great deluges of this liquid light seemed to fall upon great congregations, and that congregation would lift their hands and seemingly praise God for hours and even days as the Spirit of God came upon them. God said, "I will pour my Spirit upon all flesh," and that is exactly what happened. And to every man and every woman that received this power, and the anointing of God, the miracles of God, there was no ending to it.

We have talked about miracles. We have talked about signs and wonders, but I could not help but weep as I read again this morning at 4 o'clock, the letter from our native workers. This is only the evidence of the beginning for one man, a "do-nothing, an unheard-of," who would go and stretch forth his hand and say, "In the name of the Lord Jesus Christ, I command life to flow into your body." I dropped to my knees and began to pray again, and I said, "Lord, I know that this thing is coming to pass, and I believe it's coming soon!"

And then again, as these people were going about the face of the earth, a great persecution seemed to come from every angle. Suddenly there was another great clap of thunder, that seemed to resound around the world, and I heard again the voice, the voice that seemed to speak, "Now this is my people. This is my beloved bride." When the voice spoke, I looked upon the earth and I could see the lakes and the mountains. The graves were opened and people from all over the world, the saints of all ages, seemed to be rising. And as they rose from the grave, suddenly all these people came from every direction. From the east and the west, from the north and the south, and they seemed to be forming again this gigantic body. As the dead in Christ seemed to be rising first, I could hardly comprehend it. It was so marvelous. It was so far beyond anything I could ever dream or think of.

But as this body suddenly began to form, and take shape again, it took shape again in the form of this mighty giant, but this time it was different. It was arrayed in the

most beautiful gorgeous white. Its garments were without spot or wrinkle as its body began to form, and the people of all ages seemed to be gathered into this body. Slowly, as it began to form up into the very heavens, suddenly from the heavens above, the Lord Jesus came, and became the head, and I heard another clap of thunder that said, "This is my beloved bride for whom I have waited. She will come forth even tried by fire. This is she that I have loved from the beginning of time."

As I watched, my eyes suddenly turned to the far north, and I saw seemingly destruction: men and women in anguish and crying out, and buildings in destruction.

Then I heard again, the fourth voice that said, "Now is My wrath being poured out upon the face of the earth." From the ends of the whole world, the wrath of God seemed to be poured out and it seemed that there were great vials of God's wrath being poured out upon the face of the earth. I can remember it as though it happened a moment ago. I shook and trembled as I beheld the awful sight of seeing the cities, and whole nations going down into destruction.

I could hear the weeping and wailing. I could hear people crying. They seemed to cry as they went into caves, but the caves in the mountains opened up.

They leaped into water, but the water would not drown them. There was nothing that could destroy them. They wanted to take their lives, but they could not.

Then again I turned my eyes to this glorious sight, this body arrayed in beautiful white, shining garments. Slowly, slowly, it began to lift from the earth, and as it did, I awoke. What a sight I had beheld! I had seen the end-time ministries—the last hour. Again on July 27, at 2:30 in the morning, the same revelation, the same vision came again exactly as it did before.

My life has been changed as I realized that we are living in that end time, for all over the world God is anointing men and women with this ministry. It will not be doctrine. It will not be a churchianity. It is going to be Jesus Christ. They will give forth the word of the Lord, and are going to say, "I heard it so many times in the vision and according to my word it shall be done."

Oh, my people, listen to me. According to my word, it shall be done. We are going to be clothed with power and anointing from God. We won't have to preach sermons; we won't have to have persons heckle us in public. We won't have to depend on man, nor will we be denomination echoes, but we will have the power of the living God. We will fear no man, but will go in the name of the Lord of Hosts!

Can you see what we see in these two visions given twenty years apart?

## BATTLE CRY OF MY PEOPLE

(Terrible creatures will be unleashed)

I am the God of Abraham, Isaac and Jacob. I am the Alpha and the Omega, the beginning and the end, the Aleph and the Tav. There is no god besides Me. I am the God of all gods. I alone am Supreme. I am Creator of all things.

fire.

When this earth and all that is in it passes away, I AM. I hold the universe in My hands. I created the sun, the moon and the stars to sing praises to My name. I have set the earth upon its foundation, and upon it My feet do rest. At the sound of My voice, the seas roar and the heavens thunder. I am all consuming

Is there any among you who will question what I have done or what I am about to do, for I alone am Sovereign. I am established on My Throne as the King of kings and the Lord of lords. My Kingdom is eternal. I have the power to raise kingdoms and to subdue them. Watch and see this that I am doing now. Trust in Me, your Father and feed on My faithfulness. I will never leave you or forsake you, and I will be your help in this time of great trouble. I will deliver you and save you because you trust in Me.

I am Jehovah Jireh, all you need. I am Jehovah Tzidkenu, your righteousness. I am Jehovah M'Kaddesh, He who sanctifies you. I am Jehovah Olam, the Everlasting One. I am El Elyon, the most high God. I am Jehovah Kavod, the Lord of glory and El Shaddai, God Almighty. I am Jehovah Magen your shield, and I gather you under My wings. You need never fear the terrors of the night nor the arrows that fly by day, for I am your Defender, your Shield and your Protector. No weapon formed against you shall prosper.

At the sound of My name,

EVERY KNEE WILL BOW, EVERY TONGUE CONFESS--

I AM THE GOD OF ALL GODS!

Let this be your victory song from this moment until forevermore. I who am in you am greater than he who is in this world. Arise My Beloveds; arise in My light and My love, My glory that transforms you, and let us dance the sweet harmony of hearts knit as one.

**The manifestations of great evil in the physical will be powerful indeed, but nothing compares to the glory I am releasing in My chosen ones. All that is foretold to come about as in the days of Noah is upon you. Have I not said that mens' hearts will fail them for fear of what they will see? Terrible creatures will be unleashed, twisted and grotesque beings who are the product of your adversary's attempts to exalt himself above Me. I will use these beings who have come from the fallen ones to judge the wicked and the unrighteous.**

My army stands ready for this final victory on the earth. Clothed in My robe, dipped in My blood, you are made holy and righteous, pure and undefiled, and you will lead many to Me, as the hordes of hell know their defeat.

The proclamation of who I am will be the cry from your lips, as all I have decreed is spoken forth by My called out ones. You will set the captives free from the tyranny of persecution and bondage that have ensnared My creation for so long. You will join voices with the redeemed of the earth and shout praises to My name as the King of Glory establishes dominion in this place. All the earth will be filled with My glory and you will not believe the wonders that you will behold, for their greatness will overshadow all things.

My Word is truth, and all I speak you will find in My Word, as I am the Word. Have I not told you that My Bride will see much? Do not doubt for a moment that I am coming for you, and that I am coming quickly. Keep your lamps filled always and your wicks trimmed diligently. The enemy would cause you to feel abandoned and alone, vulnerable and afraid, inefficient and unprepared. This has been his plan all along. Although no one knows the day or hour of My return, he knows that My army grows weary as this

terrible darkness covers the lands. He has been watching and waiting for this time, as he fears the success of My people in this hour of victory and triumph, and he understands that his final hour is coming.

You, My remnant, are his greatest fear. He is terrified that you are raising My standard and shouting My victorious and glorious reign in this place, while he already hears the sound of the shofars blaring, declaring victory was won, not only at My cross, but from before the foundation of time.

So, I command you this day children- FEAR NOT- for behold I come in chariots of fire and on the winds of judgment. My angels stand poised at the four corners of the earth, as those who have suffered in the giving of their lives cry from beneath My altar, "How much longer Elohim until you avenge our blood?"

I tell you this, the time is ever short My people. Do not become weak now at this late hour. You can see the finish line on the horizon and it draws closer every moment.

Raise My banner and shout My proclamations from on high! Cry to all who have ears to hear and hearts wide open that the Lamb of God was slain to redeem all made in His image, and He now comes as the Lion of the Tribe of Judah to overturn all that is not holy as He is holy.

THIS IS YOUR BATTLE CRY!

THESE ARE YOUR MARCHING ORDERS!

Out of your bellies I am causing rivers of living water to flow, and all who drink will never again be thirsty, and all who come will know life everlasting forever and unto eternity. Proclaim to them! They will eat of My manna as I am the Bread of Life. They will be taught from the Tree of Life and they will be My people and I will be their God.

Your transformation comes, of this I assure you. I am using you now before this occurs, and I will use you even more powerfully once you have received your full infusion. It matters not the moment this occurs, as you are already seated with Me in Heavenly places. You wear My robe now. You have drunk the full dregs of My cup and My Heart has taken the place

of yours. I have given you the keys to My Kingdom and you wear My Signet ring. You are cherished and you are loved; you are treasured.

You are Mine, and I am yours...

I wish for these My words through My daughter to fill you with a peace and a comfort that only I can give. Treasure them, these words, this wisdom, and this counsel. Write them upon the tablets of your hearts. Read them often, for My words speak truth and My words speak life. Hearken to the sound of My voice through this one, and I will lead you home.

THE HOLY ONE WHO IS FROM EVERLASTING TO EVERLASTING

## 2016 Promotions

*Promotions shall abound in the new year for those who obey Me now, and continue in faith. Some are being tempted now, that I may see your readiness. Are you ready to stand for Me? To be set apart from the world?*

*For no man can serve two masters, My Children. I must be first if you are to work for Me, if I am to promote you.*

*Is your faith as a rock, or does it waver like the wind? You must be constant and established. Is your commitment to Me strong? Absolute? You must not be double-minded.*

## *I Have Called You*

*My Children, I desire more fruit for My Kingdom from your lives. The time grows short for souls to be added before My Return to the Earth.*

*In this time, I will begin calling many of you to a new level of ministering to My People. Some who know not what I have called you to will now find out. I shall arrange your circumstances to allow My Work, and to encourage this. You will be provided with all you need to do My Work in the Earth and your obedience will be greatly rewarded.*

*My Desire is that you devote yourself wholeheartedly to all I have called you to do. I desire many souls would be added to My Kingdom, that those precious ones not be left to suffer an eternity with the Evil One. As I have had mercy on you, I desire you would have mercy on these, and do the work I require of you.*

*All that is required of you is that you obey Me and be willing to devote yourselves to Me in this work. I will guide you and lead you through all that is coming. I will provide whatever you need.*

*Be zealous, and do this I have called you to do, for I desire to call many aged saints home soon, and you are to fill the voids left by them in the Earth.*

Matthew 13:22 He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful.

# Brian Carn: A Curve Ball is Coming in the Election Process

OCTOBER 12, 2015 5:13 PM BY JAMES BAILEY 27 COMMENTS

Another prophetic warning was given on October 6 2015 regarding the 2016 Presidential election.

In the video shown below, Prophet Brian Carn warns it will be the most confusing election in our history and describes it as an episode of pandemonium. He also sees Donald Trump fading out of the race.

He makes the following comments at the 14:15 mark.

*I see in the realm of the spirit, I see a curve ball being thrown in the process. I don't know if it is going to be war. I don't know if it is going to be an assassination, but something is going to happen that is going to stir the election to a whole new episode of pandemonium. I don't know if it is going to be a war. I told you I see this election is going to be one of the worst elections we have ever had, one of the most confusing elections that America has ever had.*

*I see either an assassination maybe or even a war, I can't put my hand on it, but I see something is going to stir the election to a whole new episode of chaos. Don't be surprised if a new candidate pops up late.*

*Keep your eyes on the candidates, and as the man of God declared, keep your eyes on Rubio, but again, I would not be surprised if a new candidate, or a new choice, comes in late.*

*Something is going to happen that is going to bring in confusion, and it is going to be like the President, like somebody broke the rules and manipulated the vote. That is the best way I can explain it.*

*I see something strange happening where people are going to say, "They manipulated the vote."*

I believe he is correct in saying something very strange is going to happen causing people to say, "They manipulated the vote." I believe it will be so manipulated it won't even be allowed to happen at all.

Brian Carn's comments confirm warnings from five other people previously posted on this site:

- Stephen Hanson's prophetic word: [Obama Will Not Be Taken Out of Office](#)
- Glenda Jackson: [Obama Will Suspend 2016 Presidential Election](#)
- Melisa Peggs: [Only Two Choices in the 2016 Presidential Election: Obama or Obama](#)
- Mena Lee Grebin: [Obama is the Final President and Will Lead America Into the Tribulation](#)
- I shared how I saw Obama still in office long after the end of his second term in my previous post: [U.S. Government Planning Mass Murder of Americans](#).

At the 18:50 mark in the video, Brian Carn makes the following comments:

*Again, I see something happening as we begin to go into a season of smoke and ashes, I see a Trump fading out. And I know a lot of preachers just went and had a meeting with Trump. God bless them, but I hope they don't feel like he is going to be President because if they do they are just wasting their time.*

*Donald Trump is going to be a, I see him falling out as we go into a season of smoke and ashes. There is going to be a fire. Some kind of fire is going to break out in America. Whenever you begin to see this fire, this season of smoke and ashes, you are going to see Donald Trump begin to fade.*

# Obama Will Not Be Taken Out of Office

AUGUST 20, 2015 3:17 AM BY JAMES BAILEY 23 COMMENTS

Prophetic minister Stephen Hanson of [In His Truth Ministries](#) received a word from the Lord telling him President Obama is not leaving office at the end of his second term. On August 9 2015 he posted the following statement on his website. Stephen also has a [Facebook page](#).

*I realize that this prophetic word/vision will cause many to be upset and to question it.*

*However, I have been obedient*

*to the Lord in sending it out. I have prayed over it and asked others to discern its truth as well. Remember that our prayers CAN have a great effect on future events, but God has a plan that oftentimes, goes against our human understanding.*

*The Lord showed me a vision. I looked and saw the face of Obama off to one side, and then the Lord said,*

*"This man will not be taken out of office. For with the upcoming elections, much trouble will be occurring. The land will be in tumult. The election will be paved with many problems and issues. And then because of the disruption, another one will be set in his place. For the land will be set ablaze with many things. There will be trouble on every side. The very steps of the White House will shake with the tumult. For it is my direction to bring this land to its knees."*

Stephen's prophetic word confirms what the Lord told Evangelist Glenda Jackson, which I shared in my previous post, [Glenda Jackson: Obama Will Suspend 2016 Presidential Election](#). It also confirms the prophetic dream given to Melisa Peggs, which I shared in my previous post, [Only Two Choices in the 2016 Presidential Election: Obama or Obama](#). It also confirms what the Lord showed Mena Lee Grebin. She saw the Obama would be the last American President and he would lead our country into the tribulation. I shared the details of her word in my previous post, [Mena Lee Grebin: Obama is the Final President and Will Lead America Into the Tribulation](#).

Stephen also saw beyond the cancelled 2016 election to a time when President Obama would eventually leave his office and another person would be set in his place. I believe it is significant that he did not say another person would be elected in his place because I don't believe there will be another Presidential election in our country. I also don't believe the person set in his place will have the title of President because by the time Obama is done the position will be changed into something else. After all, he promised to bring change.

If a remnant arises from the ashes of the coming destruction I believe a new nation will be formed with a new Constitution because the old nation will no longer exist.

# Glenda Jackson: Obama Will “Suspend” 2016 Presidential Election

OCTOBER 25, 2014 1:28 AM BY JAMES BAILEY 29 COMMENTS

Appearing as a guest on Sid Roth's television show, *It's Supernatural*, Glenda Jackson shared a prophetic word for the future of America. Glenda is the great-niece of Maria Woodworth-Etter, an evangelist known for amazing moves of God during the late 19th and early part of the 20th centuries. Today Glenda has her own prophetic ministry.

In 2007, she prophesied that Obama would be elected President even

though he was a long shot at the time. After he was elected in 2008 she prophesied that he would be re-elected for a second term in 2012. Now she has another prophetic word regarding President Obama. She said, "God showed me that if Christians don't start praying more than they ever have and even the churches become the house of prayer this next Presidential election is not going to take place. It is going to be suspended because evil is going to arise and some disasters are going to happen and some things are going to be put in place and the President is not going to be removed. He is going to stay in. These things are going to happen and they are going to be VERY BAD if we don't get a hold of God. The church has got to get back to prayer. Prayer is the power He gave the church and we have to get the faith of God.

Later in the program, Sid Roth asked her "What kind of times are coming?"

She replied, "Horrible times are coming. The Bible says times are coming such as have never occurred before. The earthquakes are going to intensify, but we don't have to be afraid. We have to know God's voice. We are going to live supernaturally. We are not going to live like the world lives. God showed me we are going to live supernaturally, like they (ancient Israel) did in the wilderness and like they did in Jesus' day when He walked on the earth. We have to believe. If we cannot believe we are not going to make it."

# Only Two Choices in the 2016 Election: Obama or Obama

AUGUST 19, 2015 2:55 PM BY JAMES BAILEY 23 COMMENTS

Melissa Peggs recently shared another prophetic dream about President Obama. This time she saw the 2016 Presidential election. In the dream she went to the voting precinct to vote, but was surprised to see the only choice on the Republican ballot was Obama and the only choice on the Democratic ballot was also Obama. Her 11-minute video is shown below.

Her dream confirms a prophetic word shared by Glenda Jackson, which I posted previously, [Glenda Jackson](#):

[Obama Will Suspend 2016 Presidential Election.](#)

I believe the Lord is revealing to those who are listening there will be no 2016 Presidential election. The current news media focus on the Presidential candidates is only a distraction and a waste of time. My recommendation is to turn off that nonsense and find something more productive to do.

Our country is in great trouble and it is later than we think.

There will be weapons totally new. In one day, more men will die than in all the previous wars. The battles will be accomplished with artificial weapons. Gigantic catastrophes will happen. With the open eyes, the nations of the planet will go through these catastrophes. They won't know what is happening, and those that know and tell, will be silenced. Everything will be different from before, and in many places the Earth will be a great cemetery. The third war will be the end of many nations".

## Going Into the New Year A Sudden Terror is Going to Hit America

DECEMBER 1, 2015 7:16 PM BY JAMES BAILEY 23 COMMENTS

A few days ago, Pastor Benny Hinn conducted a Miracle Service in New York City at the Waldorf Astoria hotel. One of the highlights of the service came when Benny Hinn introduced Brian Carn to minister in the prophetic anointing. Brian Carn's message is recorded in the this [video](#). At the 8:30 mark he says:

The famine is coming y'all. You may not believe it. You may can't see it because we live in a country that has everything. We are greedy. We are wasteful. We can't imagine going to Wal-Mart, going to the grocery store and they not having anything because you have never been there. When you've never seen it, you can't recollect it, you can't comprehend it. But you have to catch this. With everything that's happening we're getting ready to see a major collapse. I prophesied it and I told the people, things that were going to come.

Then at the 17:55 mark he says:

*The Lord told me coming into the new year, mark my words. If you saw on my website, I prophesied and told you I saw Jihadi John getting killed before the year is out. It came to pass. The word of the Lord came to me. He said, "Going into the new year, a sudden terror is going to hit America where people are going to weep for days. But he that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty." (Source: [BennyHinn.org](http://BennyHinn.org))*

The timing of his warning "going into the new year" does not identify the specific month, but it sounds consistent with what I heard regarding a one month delay in the coming economic collapse, which would mean by the end of January. See my previous post, [Drastic Changes Coming in January 2016](#).

His timing is also consistent with what [Bette Stevens](#) was told, "After the holidays, after the holidays," and with what [Ali Winters](#) saw, [Drastic Changes Coming in January 2016](#).

Hepidanus was a Swiss monk in the 11th century.

“From North to South, the world will be split into two mighty hosts. The North will march against the South, the son against the father, and bring misfortune with him across the mountains as the night follows the day... A gloomy cloud will appear, and a terrible tempest will come forth from this cloud. It will consume a third of mankind, still living then. And it will destroy a third of all the crops, villages, and cities, and there will be a great misery and lamentation.

**NOTE:** The North could be symbolic of Christianity and the South could represent the Islamic world, which would make sense if this prophecy is applied to our current era. The terrible cloud which will consume a third of mankind could be a nuclear holocaust, asteroid collision, or possibly a major volcanic eruption.

“A mighty empire will vanish thereafter, and another will take its place. From the East blows a storm, from the West a hurricane howls; woe to those who come into the sphere of this bloody whirlpool. Thrones a thousand years old will fall from the height... between the Rhine, the Elbe, and the Danube there will be a vast morgue, and a landscape of vultures and ravens... When a sign of fire will appear in the heavens, the time will have come close for these days to engulf humanity... but the date, when this sign will flash across the heavens, no mortal will know.”

**NOTE:** This great sign that signifies the end of the world has been prophesied by many other saints and seers.

**"The great nation in the ocean that is inhabited by people of different tribes and descent will be devastated by an earthquake, storm and tidal waves."  
- St. Hildegard**

**CATHOLICPROPHECY.ORG**

St. Hildegard was born in 1098 AD. She made many prophecies.

"The time is coming when princes and people will renounce the authority of the Pope. Individual countries will prefer their own Church rulers to the Pope. The German Empire will be divided. Church property will be secularized. Priests will be persecuted. After the birth of Antichrist heretics will preach their false doctrines undisturbed, resulting in Christians having doubts about their holy Catholic faith."

**NOTE: Already this prophecy can be easily applied to events that began in last century. Unlike in the past, most people see the pope as a mere figurehead and not Christ's representative on earth. In**

**addition, after World War II, Germany was divided into East Germany and West Germany and was reunited only recently after the fall of the Berlin Wall. It is quite possible that the Antichrist has already been born, because the doubters in this world seem to outnumber believers, or his birth could come in the future.**

“Toward the end of the world, mankind will be purified through sufferings. This will be true especially of the clergy, who will be robbed of all property. When the clergy has adopted a simple manner of living, conditions will improve.

“A powerful wind will rise in the North carrying heavy fog and the densest dust by divine command and it will fill their throats and eyes so they will cease their savagery and be stricken with great fear. After that there will be so few men left that seven women will fight for one man, that they will say to the man: “Marry me to take the disgrace from me.” For in those days it will be a disgrace for a woman to be without child, as it was by the Jews in the Old Testament.

“Before the Comet comes, many nations, the good excepted, will be scourged with want and famine. The great nation in the ocean that is inhabited by people of different tribes and descent by an earthquake, storm and tidal waves will be devastated. It will be divided, and in great part submerged. That nation will also have many misfortunes at sea, and lose its colonies in the east through a Tiger and a Lion. The Comet by its tremendous pressure, will force much out of the ocean and flood many countries, causing much want and many plagues. All coastal cities will be fearful and many of them will be destroyed by tidal waves, and most living creatures will be killed and even those who escape will die from a horrible disease. For in none of these cities does a person live according to the laws of God.

**NOTE: The “great nation in the ocean that is inhabited by people of different tribes” would almost certainly be the United States, even though this prophecy was recorded many centuries before the discovery of America. Or, it could refer to England. As for the comet pressure which causes floods, this is highly feasible. The**

**moon's gravitational pull causes tides to rise and fall; just imagine the gravitational pull of a nearby comet. Or, perhaps, if the comet were to crash in to the ocean, floods and tidal waves would certainly ensue. It seems we may have witnessed a precursor to this time of tidal waves in the earthquake and tsunami disaster in Southeast Asia.**

Turkey has begun a defacto blockade of Russian naval vessels, preventing transit through the Dardanelles and the Strait of Bosphorus, between the Black Sea and Mediterranean.

According to the AIS tracking system for the movement of maritime vessels, only Turkish vessels are moving along the Bosphorus, and in the Dardanelles there is no movement of any shipping at all.

At the same time, both from the Black Sea, and from the Mediterranean Sea, there is a small cluster of ships under the Russian flag, just sitting and waiting.

The image below shows the situation with the ships using the GPS transponder onboard each vessel:

The domestic context of this crisis offers political dividends that only deepen division and encourage escalation.

In the aftermath of the Turkish downing of a Russian warplane, the crisis between Turkey and Russia is rapidly escalating. Each country has become hostage to its own political posturing, with both Recep Tayyip Erdogan, the Turkish president, and Vladimir Putin, the Russian president, unable and unwilling to back down and step back.

For both leaders, any concession is seen as an act of weakness. And any compromise seems personally unacceptable and politically untenable. For both men, the imperative is to "save face" and to maintain an image of decisiveness.

## Vilna Gaon: The Russian invasion of Crimea is a sign of impending redemption

<http://ruchoshelmashiach.blogspot.com.au/2014/03/russias-invasion-of-crimea-sign-that.html>

On Purim (Monday March 17th), Rabbi Moshe Shternbuch, Head of the Rabbinical Court of Jerusalem, allowed a secret to slip out. He peeled back the curtain and offered a peek into a tradition handed down from his grandfather, the Vilna Gaon, a prominent 18th-century Kabbalist:

“Even though I am careful not to share the mysteries, I feel that this is something I am permitted to reveal. This was something Rabbi Isaac had received directly from those who heard it from the mouth of the Vilna Gaon, who said, shortly before his passing:

*“When you hear that the Russians have invaded Crimea, you will know that the bells of Redemption have begun to ring. When you hear that the Russians have reached Constantinople (Istanbul, Turkey, as it is called today), you can already don Sabbath clothes and await the appearance of Moshiach.”*

“Last week the Russians invaded Crimea and the world slept... According to our tradition from the Vilna Gaon, this is a sign of impending redemption ... Perhaps what the Gaon meant by ‘bells of the redemption’ is like a bell that signals the arrival of someone or something.”

Adapted for easier understanding for readers of all level of familiarity with the tradition from the presentation and translation of the teaching in English by Rabbi Pinchos Lipschutz

## A Time of In Between

Nov 18, 2015 01:29 pm | Glynda Linkous

*These times are very trying for My People. Nothing is as it was, and what is to come is not yet. A time of in between.*

*In this time of in between, nothing shall be as it at first appears. Many who appear to be for you are actually against you, and plotting your destruction. My People need not fear, because I am their strong tower, I am their shield. But those who know Me not have much to fear.*

*My People, reach out to the lost around you, for soon it shall be too late for those. I will bless you mightily for your efforts and kindness. Tell them of My Son, Jesus. Do not despair if they mock you, but rejoice that you have obeyed Me, for many shall hear the gospel for the last time in just this way.*

*Share. Share the gospel, share your possessions. Share in kindness, for the world around you perishes, and each time you share, you are laying up treasures for yourself, and you are honoring Me, your father in heaven, and I see your giving here in heaven.*

*Think of Me this day, and walk in joy.*

**MY BLUEPRINT IN YOUR BLOOD IS NOW ALIGNING IN PERFECT HARMONY AND RELEASING MY GLORY IN THIS PLACE AS YOU TRANSCEND**

<http://iamcallingyounow.blogspot.com/2015/11/my-blueprint-in-your-blood-is-now.html?m=1>

Daughter speak My words this day, for I wish My people to know the hour that is upon you. I wish for them to know that the battle is in the spirit. This battle has been going on since the beginning. It is the seed of satan against My precious and holy seed- the battle of good and evil, darkness and light, the battle of a created being against his Creator.

In understanding who you are in Me, you will understand the power wherein you must operate. This is the time of the revealing of the manifested sons and daughters. This is the time that My prophet Daniel spoke of- those seals that are to be opened in an appointed time, in an appointed season, and that season is now. Great understanding and wisdom are being poured out upon My people- like the men of old- who did understand what I had done when I created man in My image, what that truly meant, the authority that they walked in.

Much has been hidden due to the darkness the enemy has perpetuated. He has done well to deceive many, to blind the eyes of My people, to distort the truth, to cause hearts to grow cold and ears to become deaf, to numb My people to who they are. His greatest fear is that you My people would come to this awareness in its entirety of what you are here to do, of your purpose, of your destiny. He fears you will walk in your destiny for this time, for he knows that to stand in this truth and to exercise this authority means his great demise. His existence has been spent attempting to emulate Me in that he wishes to create. He wishes to be a god. He wishes for power and control and dominion, but these have not been granted unto him. He knows this, and now My people must know this.

You are awakened, for in your spirits I am causing you to remember who you are. I have spoken in the past of purifying your DNA, of resetting all of the corruption that has been done. When I speak of a pure and undefiled people, a holy and spotless Bride, this not only means walking in righteousness and holiness, but it means a purified blood. For you see, it is always about the blood.

The life and the power are in the blood.

The redemption is in the blood.

Eternal life is in the blood.

My son Yahushua came to establish with His blood the very life force that you were created from. His blood, His DNA is My blueprint, and I wish you to understand that with this there is a frequency and there is a vibration that will only be found in those created in My image.

My blueprint is your Creator's code. I will use this word but it is so much more. All of who I AM is contained in the blood, this life force, and this is what makes up your molecular structure. My Son Yahushua brought this blueprint into this realm, and He demonstrated that all of My created people also carry this blueprint, because you are created in My image.

Your cells are now singing the harmony of My blueprint, of who We are. Your cells are remembering, they are activating. The frequencies are changing and your cells are recognizing what they are made in the image of. Your very cells are responding to Me and the light that has been locked inside these cells is now being released. Energy is being released as the cells are remembering, the individual units are responding to the harmonic vibration that has already been placed within you. I am allowing it for this time of now.

The enemy has covered up the truth. He has deceived many so that they are not aware of who they are, who they were created in the image of. He envys you. He wants the same thing. He wants to create because He knows that it is

the creating of that blueprint in the blood, in this is all the power. He wishes to replicate this, but it is impossible, as I am the only Creator of all things.

The frequencies are aligning, the vibrations are increasing and rising, and because you are energy, your energetic fields are being elevated. With the release of energy comes the release of My light- My glorious light released in My people, your cells crying out for release. They have been under the curse and the lies. They are being freed from the bondage. This is the great alignment.

As each one of you carries this light within you and this light is released, imagine the glory that is released. My glory revealed through you collectively! This is why you will do more than what My Son did. You are many, and We together manifest this glory and nothing can contain it! It is limitless, immeasurable, all powerful, all consuming! In this We have Our victory and nothing can prevail against Us! The Creator's light and love being poured forth through His vessels, in harmony, completely united in every way, knit together, fashioned to be vibrationally equal. Such power My people! Such power has been given unto you!

The greater the understanding you each come to, the more My light will resonate and illuminate you, and people will see this. This is your transcendence. They will look upon you and know! They will know that the great I AM LIVES..

Your enemy, the adversary attempts to recreate this, but this is not possible. What is happening now within My people is an activation of sorts. This is most important at this time for you to understand. Ask Me to reveal this to your spirits- what this means for each one individually, where I have placed you, the positions you hold for this time, the end of days. For as My word speaks as in the days of Noah, so will it be in the coming of The Son. As darkness surrounds you, the darkness I am using as judgments against My unrighteous. They, from the darkness, satan and his demons are not made in My image. Therefore, they do not have power over you. Where there is light, the darkness must flee. The two cannot co-exist.

Understand that the life force of your Creator is what is flowing through your veins. This understanding of that which We share that was given to this earth through the shedding of the blood of My Son- THIS is what you are to walk in, this is what you are to know in this moment of now. Just as He held this vibration and frequency while on this earth, you too, are now coming to the awareness that you hold this same frequency. The power that is in His blood is the power I have given you. Do you see? We are One in the same. We are not separate. This is why I told you that you would do these things and more.

Collectively, My Bride, this awareness, this restructuring of the very core of who you are, this revealing that I am opening unto you is what releases the power within you- the power to move mountains, the power to speak forth My words of truth and life, and watch the great manifestations, the glory that will be exhibited through you. You have been sent here, placed here to alter this reality. Your purpose is to ground that life force here as Heaven comes to earth. You are part of My eternal plan to re-shape, re-create, re-seed with purity and holiness. Pray on this My children for a greater understanding. I will reveal much to all who come to Me.

All of Heaven is rejoicing as the Great Day of the Lord is here, for they too know what this means, the culmination of all things- a new Heaven and a new earth, and they are so eager to welcome all of those who will be gathered to My heart. I ask you to step in fully and completely with full surrender and pray for radical faith. It is time for My people to be radical! It is time for My people to proclaim who they are, who We are together and what We are doing. Announce it! Shout it from the rooftops! We are here to bring My glory to cover this earth. We are here to take back what belongs to Us. We are here to establish dominion in this place. We are here to ensure that all peoples, tribes, nations and tongues will confess that Yahushua HaMashiach is Lord of all!!! We are here to tether Heaven and earth.

Out of My infinite mercy, I will allow great judgments, calamity upon calamity and distress of nations. I do this because of My love. I do this great shaking because many will come to Me in their cries of anguish. I must show this world who I am in order to save many. I must do this because I am just and righteous, but not only for this reason; I do this to bring more souls to Me.

Know that every leader, every prince, every council that has been established on this earth is only permitted because I have allowed it. Nothing is out of My control. Have I not told you in My Word that I will always use evil for good? Nothing is permitted that I have not ordained, so as you see, events and situations that are seemingly out of control, insanity and such evil, know that My hand is in this too. I will use all of this to turn cold hearts back to Me.

I will tell you this, many many people are about to perish. My heart's request is that you would join with Me, everyone who reads these words, and pray like you have never prayed before. There is nothing more important than praying for the souls that will soon perish, for it is in your prayers that My mercy is extended and My hand of grace reaches out to them. Pray for the lost. Pray for your enemies. Pray for hearts to be convicted. Pray My children, pray, and pray more... The effectual and fervent prayers of My saints avails much. This is truth!

Pray for this radical faith I speak of. Pray for courage and steadfastness. Plant your feet upon the Rock. You will not be shaken. Set your eyes upon Me, your Creator and My Son your King and your Messiah. Hold fast to all of the truths that I have taught you. Do not be frightened. Do not be afraid when all of this befalls this earth. Men's hearts will fail them because of what they see. But you My people have been warned, you have been prepared, for I always tell My people what I am about to do. Hide your eyes for a moment while My indignation passes, knowing that My great refining fire will make all things new. I will never leave you or forsake you, for this I have promised you. You are My life's breath here in this place and I cherish each and every one of you as My own. There is no one like you. Never underestimate the importance of each one of you in My Kingdom. Every one a precious jewel, fashioned and molded in My perfection, destined to shine and bring glory to Me through all that I have placed within you. I have set your feet upon the path and I am the light that illuminates the way.

Prepare ye the way of the Lord for surely He is come!

THE TIME FOR THIS IS NOW.

### Russia posts Syria attack drone footage amid propaganda drive

Dramatic footage shot by team working for Russia's state broadcaster purports to show Assad forces advancing into rebel-held suburb of Damascus

This dramatic drone footage from Damascus gives a chilling idea of the scale of destruction on Syria's urban battlefields.

The footage, shot by team working for Russia's state broadcaster VGTRK, purports to show Syrian regime forces advancing into Jobar, a rebel-held suburb of the Syrian capital.

The attempt to retake Jobar is one of several offensives launched by Syrian government forces since Russia began airstrikes to support ground operations by the regime, Iran, and Hizbollah three weeks ago.

*My children, I have told you that all scripture must be fulfilled in this time in which you are living.*

*The times are coming when you will pray prayers I cannot answer due to this. Remember that I am God, and I love you with an everlasting love. When I do not answer your request for a time, or at all, there is always a reason. It is not because I do not love you, or desire your happiness, though the enemy would have you believe this. Do not listen to his lies and deceptions about Me, for they will stop your faith, and you must have great faith to walk through what is coming.*

*Your faith, and your knowledge of Me and My Word are what save you, and will save you in these times. Know Me. Pursue knowing Me with our whole being. Make knowing Me and My Ways and My Word our first priority; above your work, above your family and friendships. My people waste so much time in worldly pursuits when the end is so near, and you will greatly regret this in times to come.*

## The Father Says Today: October 29th, 2015

October 29, 2015

The Father says today I will make an end. I will make an end to waiting and an end to wondering. You have held out for My promise a very long time beloved but there shall be time no longer. I am accelerating you into a sooner-not-later outcome. So fasten your seat belt because you are now moving forward in My purposes at a new velocity. I will hasten My work to perform it and I will even do a new thing that will cause every ear to tingle that hears of it. There will be speculation and astoundment when other's hear of just what I have done in your life. Some will be offended because they think they are entitled to your blessing. Just love them and do not respond to their accusations.

I am moving in your life to do a new thing. Are you ready for new says the Father? Are you ready for unprecedented? You have thrown that word around occasionally but trust Me you have never conceived in your mind the lengths I am now moving to bring about My goodness in your life. The time for pretense and gesturing are at an end. You are about to be fully occupied with "pressed down and shaken together running over". So retool your thinking and be a vessel emptied out. If you empty not yourself out there will be no greater harvest. Make yourself available says the Father for the bounty is at hand as you trust and act and radically expect in word, deed and thought what I have promised you for so long.

We invite you to support the Daily Prophetic Word:

## Your Choices

Oct 27, 2015 12:14 pm | Glynda Linkous

*For all the way you have come, My children, I desire you would come farther still. Come closer to Me, for I desire you to know Me intimately. I desire you to understand My ways, and that you would walk in all My blessings, not just a few of them as you now do.*

*Great persecution is coming to the whole world, and dark times of much lawlessness, such as the world has never seen, and I desire you to walk so closely with Me each and every day that you remain hidden in My Shadow, where it cannot touch you.*

*My children fail to see that it is their choices as they go through each day that place them closer to Me or farther from Me. It is their choices that cause them to receive My every blessing, or not.*

*Choose carefully, My children, for much is at stake.*

# The Simultaneous Glory and Falling Away

OCTOBER 11, 2015 11:23 AM BY BRENDA BROWN 29 COMMENTS

10

One morning number of years ago I had an experience in which I heard the audible voice of God speaking to me. I was just waking up – you know those few seconds where you know you were sleeping, and are now waking up, and I heard God's voice very clearly and distinctly. The moment I heard Him begin to speak, I snapped myself awake, and as I

was getting ready for work this is the word-for-word message He gave me:

*"And as Moses, who when he came down the mountain from having an experience with God, put a veil over his face to hide from Israel that his glory was a fading glory, so will many of My people be, especially Spirit filled, who are in one of these categories;*

*Trusting in past experiences; Trusting in a fading Glory; Trusting in the rapture*

*Very soon they are going to wake up to find that their glory is a fading glory, and they will look across to groups and individuals whom they have classed as:*

*Satanic, Heretic, or just plain 'Stay-away-from',*

*and they will see the glory coming in their midst, and they shall hide away in shame and defeat. Shame – because they knew not the voice of God when they heard it; and Defeat – because now it is too late. And many shall fall away." (See II Cor. 3: 13)*

This doesn't require much explanation but there are a few points I'd like to bring to the forefront. The first thing that was impressed on me when I heard this is that instead of the Spirit filled having 'one up' on everyone else, and being ahead of what God was doing, they were the ones most in danger from what God was about to do.

# Heidi Baker: Americans Suddenly in Bread Lines and Soup Kitchens

OCTOBER 13, 2015 3:55 PM BY JAMES BAILEY 36 COMMENTS

In the 2.5 minute video shown at the bottom of this post, Missionary Heidi Baker shares a vision in which the Lord showed her wealthy Americans standing in long food lines due to a sudden event.

Most Christians aren't hearing these warnings because most churches refuse to talk about what is coming soon to America. Not only churches, but also many Christian websites, even Christian news sites, refuse to

report anything about what is coming. Instead, they dismiss it as gloom and doom prophecies. Yet, the Lord is showing those who are willing to hear so they can prepare.

Here is the transcript of Heidi Baker's vision:

*"I had a vision in your church and it wasn't what I expected to see. I saw bread lines, soup kitchens, and I saw people wearing beautiful clothing. Their clothing was not worn out. Now in my nation when people are hungry you can tell. I mean they are in shredded rags. They don't have shoes or they have flip flops. Most of them have no shoes. They are hungry and they know they are hungry. They come for food, not because they are beggars, but because they are hungry.*

*I have held starving children in my arms. I know what starvation is. I know what pain is. I know what suffering is. But in this vision that I had that was in your nation, which the Lord is helping me to say, I will identify with America as well as Mozambique.*

*I saw this bread line, long bread lines, and I said, "Lord, I don't think that is popular to say in a church, especially one that is all about revival and victory and power."*

*I didn't want to see what I saw, but I saw what I saw so, I was so undone that I just said what I saw. And I saw all these people and they had beautiful cars, 4 by 4's and Lexus, Mercedes, BMW's, Toyotas. There they were with fancy shiny cars, but they were standing in line.*

*What I said about worrying, the worriers turned into worshipping warriors.*

*I asked, "Why are they so well dressed and standing in this line?"*

*He said, "Because it is a suddenly. They are suddenly in need of food."*

## Great Persecution is Coming to My True followers

OCTOBER 11, 2012 12:40 AM BY ALI WINTERS 122 COMMENTS

"The remnant's strength is inadequate to face the onslot of evil and devastation quickly approaching. She must arm herself in My Word, in My strength. She does not understand what is coming, how powerful the pull of evil. Many will fall away, faith will grow weak, the task will be too great if they battle in their own strength."

"Barack Hussein Obama has made a deal with the devil that will soon surface as a liberal agenda to silence voices of opposition. Laws forthcoming that harbor hatred for My flock, forcing compliance and mandatory adherence to man-made laws. Americans are unprepared to stand. Stop expecting to be translated out of tribulation. My people must prepare for battle. I did not escape persecution, but bowed to the will of My Father, and you must do the same."

"Encourage one another in The Word. Be Light bearers in the dark days ahead."

"Time is short. Soon voices will be silenced. Great persecution is coming to My true followers. My true church – not a building, but a body. Speak now while time remains."

***YOU HAVE ENTERED INTO THE DARKEST OF TIMES-MY BRIDE WILL ANNOUNCE THE NEW GLORIOUS KINGDOM***

**Y**OU HAVE ENTERED INTO THE DARKEST OF TIMES-MY BRIDE

**WILL ANNOUNCE THE NEW GLORIOUS KINGDOM**

My children, at this time, there must be an absolute adherence to My Word. For I tell you truly, this darkness has great power and will overcome all those who do not take My words and My warnings seriously. Darkness was conquered for all time that day, when I displayed My victory over sin and death on the cross, on Calvary's hill.

**My first coming was to bring light to the world and give the world a way out of darkness, to offer the world a choice between life and death, light and darkness, eternity in love, or eternity in darkness. The world did not recognize what had come. The world did not know Light, did not accept My offer of love. Therefore, I had given this world over to its own devices.**

**However, you know this is not the end of the story, for My Word tells of a time when I will return, once again, light and love offered to this place, to all of My creation. This time, however, love has the victory, love will win. Love is the final outcome!**

**For those of you who understand this truth, in an instant, you will be changed, you will be transformed into My likeness because you are of Me. You have surrendered your souls, your minds, your wills, every earthly desire you have ever known, you have laid them down on My altar. I have accepted this, your willingness to surrender all, I have taken your hearts, and exchanged them for My own. It is in this that the world will be brought light and love this time. It is not just I coming, it is the body rising! It is all of Us, in unity, one Heart, one Love, one Purpose. Together We will do this collectively, one Voice, one Way, the only Way.**

**This is Me. I am the Light unto the world.**

**I have caused the hearts of men, the chosen ones, to burn for Me, in that the brilliance of My Kingdom and all that is offered will be made manifest in this place-- of this I promise you. You will see it. You will begin this work here-- it has already begun.**

**I need not remind you the weapons of your warfare are not carnal. Lay down all that rises up and speaks of carnal things. The sword you**

are to use is My Sword of Truth. Raise My Word. Speak Light. Exemplify Me in all you do and all you say. I come this time to light the world on fire. Yes, this must be done through purification and through judgment for I am a Just God, I am Righteous and I am Holy, I am Pure and I am True, but I also come to light this world on fire for Me. For this time, the world will know who is the Great I AM. They will know Me, they will know Me in you. They will see Me everywhere, they will hear My voice in all places. Everywhere they look they will see Me, for it is I in you they will see. They will know the truth of all that has been spoken. They will know the truth of My first coming. They will know that I am a God that cannot lie. They will know My faithfulness; they will know My Sovereignty. But most importantly, they will finally know My love. For the greatest act that was ever done was done in LOVE.

The winds of change are here, you know this to be true. You need not look very far to see this darkness I speak of. What have I taught you? It is always darkest before the dawn. You have entered that darkest time My loves, but you are prepared. There is nothing that I have not warned you of. There is nothing that will come your way that you will not be prepared for or protected from. All of Heaven waits and watches and prays for this time, the end of this age, and the beginning of My new and glorious Kingdom. My Bride will announce this, together as One, My glorious Kingdom upon the earth. This is what awaits all of you if you would so just choose. The glorious times of manifestations and miracles, healing and power, glory like has never been seen before. Great exploits in My name shall you do, for you are a royal people, My priesthood, co-heirs to My Throne. I have called you My friends.

Ask for all you need and it shall be given unto you. Seek Me in the dark, secret places and I will reveal more. You, My anointed, continue to speak My words, My truth, and the wolves will scatter. Light and

**dark cannot dwell in the same place. This is important to remember as it will become grossly dark. You must continue to keep your lamps burning brightly, filled to the brim with oil. Extreme focus now. For your Bridegroom has delayed, but only for a short time. He is coming, never doubt this. It is for an appointed time and season, but I will come for you. Even now your adversary roars, he despises you and all that We stand for. Great will be his demise. But always remember to whom you belong.**

**I am doing a great and mighty work in My people, a great move in the spirit that you are not completely aware of. But trust that I am bringing you from glory to glory, and that even now, your individual assignments are being carried out. Always seek to go higher and deeper in your understanding, and I will counsel you, teach you, and guide you in all things.**

**Your full surrender is all I require.**

**Allow Me to fashion you into My image for all to see. In this, I receive the highest glory.**

**I give you My shalom.**

[Not Aligned](#)

Oct 08, 2015 12:38 pm | Glynda Linkous

*My people have not aligned every aspect of their lives to receive My blessings, yet they complain to Me they are not blessed enough.*

*My children, you must be ready to receive – your life, your actions, and words – your heart, must show Me you are ready, or no blessing, and certainly no promotion, can come.*

*Examine your lives, and your walk. Look closely at your heart for the reasons you have not yet received all I have for you. There is darkness in your life or My power would be flowing through you, and My blessings would surround you.*

**– War on Israel**

The LORD says, *"War is coming against Israel! Just as I have clearly spoken in My Word, and just as I have confirmed through my holy servants the true Prophets, I will hold it back no longer. You say to Me, 'What do all of these signs converging together this month mean? Many of My church are in fear, thinking only of doomsday and despair. Some leaders are trying to tell fortunes and predict days and times, thinking that I must do what they say when they predict it. Some are making millions of dollars by merchandising and sensationalizing these events to the point it is idolatry and distraction instead of sound prophetic ministry. I (the LORD) am far greater than your false prognosticators and charlatans. Do not follow after those deceivers - you must judge them and their ministries by their fruits and take everything you hear and judge it according to My Word."*

To My beloved Bride: *Look and see the signs in the heavens and upon the earth. Notice them, but don't focus on them! Keep your eyes on Me! I am the LORD, not the sun, moon, or stars. I am greater than any event that has or will come to shake the heavens and the earth. Many of My people are crying out to Me in prayer for clarity and guidance right now. So, I will answer you... I will explain to you a little bit of what is shortly to come to pass....So your heart will not be troubled...*

*I am announcing to the world through these four red moons these things:*

1. The Times of the Gentiles are coming to an end. The end of Adam's dominion time-lease upon earth is nearly over. The time of Jacobs' Trouble: the Tribulation period is about to begin. BUT HE (JACOB) SHALL BE SAVED OUT OF IT. It is in this time that I will sovereignly cause all the Jews to return to their home, Eretz Israel. I will shake them out like a tablecloth that a lady would take outdoors and shake all the crumbs out of it by flapping it into the wind. But not one crumb will perish. All shall be returned. Many of my people are hidden in the nations that have descended from the 10 lost tribes. They are not "lost" to Me. I KNOW THEM ALL. They shall return, along with all the descendants of Judah and Levi. No man knows who or where they are, but I DO. The time has come when the rest of the family will come home to the land I promised them.

2. Satan knows that his time is short. War is coming to the Middle East. It will bring every nation into it before it is all over. Israel is my mousetrap, and Jerusalem is the cheese. Israel is also my anvil on which I will judge the nations. Prepare your hearts, for peace will be taken from the earth. For 70 years I gave the Western nations peace and prosperity after World War 2. That was because of what the United States did along with the Allied forces by defeating Nazi Germany and rescuing My people Israel from extermination, and then paving the way for Israel to be reborn as a nation in 1948.

3. Yesterday's moon signals the beginning of the final restoration of Israel. No matter how hard the enemy attacks, he will be destroyed before Me. For I am standing UP now as the LORD of Hosts to fight for her. And when this is over, all her enemies will be dust under her feet. It will be bloody. It will be painful. It will be with great losses both to Israel and her enemies. But, for each Israeli Jewish person, their enemies will pay with 1,000 of their souls when they try to attack her. Beware! You CANNOT and WILL not succeed as Israel's enemy.

4. The outcome in the coming battles and wars against Israel, I will restore more and more of the land to her that I promised to Abraham. Until finally, all that I promised will be theirs forever

when I return to establish My Kingdom and rule from the throne of David in Jerusalem forever.

5. I am coming for My Bride, My faithful children who are waiting for Me in this Midnight Hour. But you say, "I have heard that for so long. And, oh, another prophet coming with the Rapture message. I am tired of hearing it. After all, I have heard it my whole life. So, is this yet another "boy crying wolf" prophecy?! I have been disappointed too many times." But, Beloved, if I stretch out time to allow more souls to come to Me, and so I can bring more Bridal lamps to their full oil and light, does this offend you?! If it does, you are only thinking of yourself and not others that I have long patience for until all have come in. Then, the Shofar will sound! Do not lose your Blessed Hope for I am at the doors RIGHT NOW! Watch and Pray! Do not let disappointment and bitterness quench out your Hope. Remember, I CANNOT LIE! I AM COMING FOR YOU, MY DEARLY BELOVED BRIDE!

6. Do not get caught up in conspiracies and Internet social media nonsense. Think to yourself, 'is this filling me with hope or fear?' If your response to it is fear, then it is not what I am saying to you. The world will indeed experience the worst seven years of judgments and My Wrath. But, I have not appointed you to that, but to obtain eternal joy in My heavenly Kingdom, as it is written:

Luke 21:36

36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

And...

Revelation 22:20-21

20 He which testifieth these things saith, Surely I come quickly. Amen. Even so, come, Lord Jesus.

21 The grace of our Lord Jesus Christ be with you all. Amen.  
God bless you from Jerusalem, Dear Ones!

# Wings of Prophecy

[You Would Not](#)

Sep 18, 2015 12:43 pm | Glynda Linkous

In worship this morning, I began to see the smallest spiritual glimpse of the coming devastation – I saw barrenness, emptiness and great, great sorrow. I felt such great sadness as the Lord showed me that such intense suffering is coming to the “people of the earth,” that I wept, and asked the Lord, “What can I do? How do we help, Lord?” This is what He told me.

*As the People of the Earth have cast aside My great love for them, so I have also cast them aside, and the effects of this will soon cover the earth. You know not that you are poor, blind and naked, but you will know then your need for Me.*

*I would have preferred mercy to judgment, but without repentance, without the turning of the hearts to at least seek for Me, I cannot show mercy. My judgments are indeed righteous. They will be swift in coming (I saw He meant that when they come, they will happen very quickly, I suspect with little or no warning), and they will devastate the People of the Earth.*

*Oh, that you were not a stiff-necked people, that you would seek Me even a little in this time, that I might spare you the horrors to come!*

*But you would not.*

*Pray for them, My children, for there shall be no hope in that time; No compassion, and no mercy in the earth. If you could see what is coming, you would not cease to pray and to cry out for those who defy Me now.*

# Do Not Be Surprised When Dates Pass By

## He is Our Armor

My daughter, Many warnings have been issued regarding this month of September, 2015. Many important dates are coming to pass, and significant changes are coming. Of this, have no doubt, but do not be surprised if certain days come and go with no significant, historical happenings. I ask all My children to cling to Me throughout every moment now. Whether I am filling your life with blessing or you are in a valley filled with sorrow, you must not let go of My hand. Set your sights beyond what is occurring in your Earth now, and focus on the blessed promise of our reconciliation. Anyone filled with My Holy Spirit has a sense of things to come. The puzzle is still incomplete, My children, but many can see and fill in most of the missing pieces. Yes, there will be days coming that will be significant in the completion of the puzzle, but do not be concerned if come the end of the month, you are still waiting on some answers. I can feel your anxiety. I see your heart's longing. I request your patience, My children. Do not be saddened or become disengaged when certain dates pass in your Earth with no substantial, red-flag events. I assure you there is a battle beyond all battles taking place in My heavenlies being continually fought by My angels. This is also a battle for the hearts and the minds of all lost souls on your earth, My loves. I always remind My daughter, pray in the spirit without ceasing. Commune with Me daily, and fast when I lay it upon your hearts (or her heart). I realize that many of you are weary because I feel what you feel. Just realize, many more will be receiving My plan of salvation. Many more will be calling out My name. Many more will be recognizing Me as their Savior. Many more will be donning their wedding garments. In this, you should find joy. My daughter asks Me daily what they are and when My final end time plans will begin to unfold. I say to her, "My plans are unfolding, but My time is not your time, and I am behold to no earthly timing." Do not dismiss the signs in the moon and the sky, but My timing is My timing, and only the Father directs the harvest and the timing thereof. Some of My children are being martyred for My name. Lift them in prayer. Some of My children are suffering in physical pain. Lift them in prayer. Extend a hand where it is needed, and do not become slack in doing the good works in My name. Do not finish this race by crawling over the finish line, for I have prepared you to cross the threshold in My glory and in My power. I continue to pursue your hearts as you pursue Mine. I implore you, keep your lamps filled by allowing Me to crucify your flesh daily and receive new oil which is My Holy Spirit. If you are filled with My Holy Spirit, the enemy will be ineffective against you, and he has no choice but to flee. To My messengers, your jobs are ever changing. To some, I am allowing a time of rest and reflection, but to others, I will be increasing their anointing and broadening their audience. There will be a great reward for those who remain on My path to the finish. I love you, My children, and I AM your armor barrier. Remain in My protection, and let no one enter your house as a thief in the night.

**Godshealer7 – The Time of Darkness Begins Sept 24, 2015**

# **The Time of Darkness begins Sept 24th"**

Barb- So we're coming into the transition period..the transition from light to darkness

"My children, those of the Light: I tell you this day, that a change is coming on the earth.

A change.

a transition from the light-the time of light to the time of darkness.

Woe to those who call good evil, and evil, good.

Woe to those who call sweet bitter, and bitter, sweet.

Woe to those who call good evil, and evil good, and those

who call light, darkness and darkness, light.

Your days have been numbered and your kingdoms marked.

this is the time of trial that will come upon the whole world, a tribulation so great as has never been seen before.

Husbands turn against wives, and wives against husbands.

parents against children, and children against parents.

your enemies are those of your own household.

Those that lose their life for my Name's sake shall save their life.

the shadow of death shall cover the land.

The time of darkness begins Sept 24th, 2015"

Then Barb discusses some background info, as far as the prophetic dream she was given back in Jan of 2012 when she was told to proclaim the Acceptable Year of the Lord from that point forward until the Day of Atonement, Yom Kippur, Sept 23rd 2015

She explained that back then in 2012 she did not know what the Day of Atonement was/is...so she researched, and it is a time of repentance, and then a time of judgment.

She then said "starting Sept 24th 2015 I am announcing the coming of His glorious Kingdom and His majesty"

this prophetic timeline runs up to April 2019"

she then referred to a Utube video (but I could not quite make out what she was saying in this portion of the audio)

she said :

I will be in sackcloth and ashes announcing the coming appearance of His glorious Kingdom and His majesty with all power, authority, dominion over all people of all nations and tongues"

she said she did not know if this time of darkness is actual darkness or spiritual darkness.

She said no one knows the timing of the Rapture- she is not proclaiming timing of that event.

final word of this audio clip from Barb's prophetic Word

## **Wings of Prophecy – Your Time Has Come II (Glynda Linkous)**

Bullet points for you. Urgent message from Glynda.  
Mainly about America's coming judgement.

1:00 Speaks of all the blood America has shed beginning with the Native American and how their blood is crying out  
5:55 It is too late for repentance for America. God has told her that the judgement of God on America is set now.

7:9 America will be destroyed, it is only a question of when

7:33 Hear me you Washington politicians and leaders, YOU are no longer convenient for God. Judgement is coming from His hand and it is coming for you. To every person who refuses to repent and honor Him

7:50 It is coming to every pastor, politician, person who agrees with and supports abortion and gay marriage in defiance of His Holy Word

8:00 it is coming to avenge the blood of every native American, slave and innocent baby you slaughtered... you have become a filthy abomination in His sight. There will be no where to hide from His mighty hand

8:50 Every knee shall bow, including YOU Washington DC. What you sowed, you will reap

10:00 Prophet message she was given, right after she recorded the message above

2:30am Word for Word...

A Dark and terrible destiny awaits America. Once the land of the free, now the land of anything goes. America, once a joy to Me...you have become a filthy stain of sin on the world I created. I have watched for years as your cup of iniquity filled up, I can delay judgement no longer. You pridefully refused to turn from your wicked ways. Like a shameless harlot, you flaunt your sins around the earth. You are no longer my own. I cast you out. Your time has come.

11:00 Glynda emphasizes that this is a very serious and urgent Word from the Lord. She pleads for people to repent. No one knows where this will strike first. When God says something like this, He is not playing.

The message she gave rose up and rose up in her spirit until she got up in the middle of the night to record it. She pleads with everyone to witness to as many as possible (gently) for Jesus. If the person won't receive it then pray that the Lord will send someone they will listen to.

# ***I HAVE PREPARED PLACES IN THE WILDERNESS***

***Message received July 31, 2015 now to be released.***

***My children and My sheep, to all those who have learned to hear My voice, and who have learned who is their true Shepherd, I speak to you this day.***

***It has been given unto you to know the times and seasons that you are in, the season of My chosen ones to be protected in the wilderness and nourished for a time. For the great dragon has been unleashed. He is very wroth and goes to make war with My saints. You who have ears to hear, know this. The great anti-christ system grows stronger everyday and is becoming more and more evident in every facet of your lives. These are dire and urgent times My loves, times when I require the utmost focus and discipline. Stay on the narrow path children, for it indeed grows darker and darker. The enemy forces seek to***

***Truly judgement comes and I will judge My church first, this is already occurring in many, many places around the world. For you see, I must separate, I must know who will stand with Me and who is against Me. For those who are sealed and protected and in relationship with Me, you will know great peace amidst the storm.***

***I tell you-ready yourselves, ready yourselves for the time is upon you when My church must flee to the wilderness, to these places I have prepared for her. Fear not where you should go or what you should do if I have not already revealed this to you. For with a mighty hand and a strong arm, I will place you where you need to be.***

## Julie - Behold I Come

## **ONLY THE OVER-COMERS WILL PERFORM THE TASKS SET BEFORE THEM IN MY POWER AND AUTHORITY**

*Message received August 5, 2015*

*My people perish for lack of knowledge, but wisdom and knowledge are always available to those who seek it, and wisdom has found her place in My people. I AM teaches you personally and has granted your prayers, that you would be taught from the Tree of Life. Every good gift and blessing comes from the Father of lights above. I always wish to shower My people with love, blessing, and with My knowledge and wisdom from on high. All is available to those who seek it. You walk with Me, you talk with Me, you are in My company; therefore all things are yours as they are Mine.*

*I am teaching you to walk in the authority that has been given to you. Now is the time to wield your swords mightily, to utilize all that has been taught. It is your spirit man that must rule your soul man, not the reverse. Placed within you is the understanding of how to walk as an over-comer. You must come to this realization now My people. For it is only those who come to this understanding now, who will walk in My complete authority and power in this place that I will enable to perform all the tasks that I have set before them.*

*Subdue your soul nature, rise above the physical imperfections and infirmities in this life. Speak health and wellness in your beings, in these My sanctuaries. Rise with healing in My wings to the standard I have set before you. Accept nothing less. Deception abounds all around you, in every aspect in your lives, but you are fed truth continually by Me, your great Teacher and Shepherd.*

*Put on the garments of praise for the spirit of heaviness for My grace is sufficient for all needs. You do not walk this path alone for My rod and My staff, they guide you and in your weakness, I am made strong. Forget not this day all that has been taught to you and shared with you from My heart. Seek to encourage yourselves through the words I have shared and the promises I have made to My over-comers. Nourish yourselves in My word and in My presence. Allow Me to find My rest in you, and in this you will have great peace. Seek wisdom My people and it shall be found. Greater revelation is always available unto you. Do not stop seeking and asking, praying, knocking, for the door is open. I shall make My home within you.*

### Iniquity Shall Overflow

Aug 27, 2015 09:24 am | Glynda Linkous

*As time goes on, attacks in the spirit (spiritual realm) will increase. The enemy knows his time is short, and he is full of wrath for mankind, for all of My creation. It is partly for this reason that I urge My children to draw nearer to Me (in the spirit, I see a protective father drawing his child near as danger approaches) – to walk closely with me, to pray to Me many times a day, to go aside with Me in the quiet place several times a day, that I may guide and comfort them.*

*My children, so much is coming to your world that you are not expecting, that you know not of, and some of it will terrify you unless you are walking close to Me where I can guide you.*

*Much violence will surround those in cities, lawlessness, and perversion. Iniquity shall overflow (in the spirit, I saw what appeared to be fountains of it rising up from under the earth). There will be much death, but the end is not yet. Remember to come aside with Me and pray, children – Run to your safety in Me. Find your comfort in Me, not in the things of the world that cannot save you (I see many turning to immoral relationships, drugs, etc. in that time). Do not abandon your faith in Me – I have not left you when these things happen, but scripture must be fulfilled.*

*Run to Me.*

## In Coming Months

Aug 23, 2015 07:30 am | Glynda Linkous

*In coming months you will see two trends. Doors of great opportunity will open for My people who are doing My Will, and hardships for those who continue to refuse Me, and those who refuse to believe in My Son.*

*I have told you how to prosper in what is coming. Wrap yourself in My Word. Soak in My Word, know My Word. Get understanding, and you can survive anything, any hardship.*

*Watch as I open doors of opportunity now for My people who are doing My Will. I will set apart those who have set apart themselves for My work. These will prosper and grow even as world conditions around them decline.*

*Get into My Word. Get into My Will, and grow with Me.*

# **THE FALLEN ONES ARE RELEASED, BE SEALED AS THE ARK DOOR IS CLOSING**

***I am Lord of all creation, He who holds all things in His hands, He who is the Maker and Author of all that you know. He comes to you this day and again implores you to repent. As My Word speaks, as it was in the beginning, so will it be now in the end of days.***

***REPENT AND PREPARE YE THE WAY OF THE LORD, FOR SURELY THE KING IS COMING!***

***THE CUP OF INDIGNATION IS FULL AND JUDGMENT WILL BE POURED OUT!***

***Just as Noah in his great faith prepared an ark to the saving of his family, I too have given you instructions, My counsel and My wisdom so that you too would be prepared.***

***You must enter into the Ark, the Ark which is Me. You must be clothed in My Righteousness and clothed in My most holy and precious Blood. You must be sealed for your protection, you and those that you love, for I tell you again, the days of grace are ending. There is only a breath of your linear time remaining for those who have not chosen to obey, repent and surrender all to Me, to enter into this My Heart and My Ark of protection, for the season of judgment is upon you.***

***Those who have not been sealed will remain to experience great tribulation on this earth. I have appointed times and seasons for all things. Have I not shown My great and mighty work in the stars of the heavens? Do the sun and the moon not come and go at My bidding? Have I not placed these signs there for you to see and know the season you are in? I always prepare those that I love, those that have ears to hear. Do you not see the season you are in? Do you not feel the nearness of My coming? Just as it was in the days of Noah, when the abomination had reached its height and the sins of My people I could bear no more, then-destruction came. And so, too, will this be your reality. I will wipe away all that is not of Me. I am coming***

***to cleanse and to purify this earth and to make all things new. This time I purify with fire and with smoke.***

***I have spoken of the gates of hell being opened. Know that they are among you now, these fallen ones, these wicked and rebellious beings, these ones who have committed the most heinous of sins in that they have tried to exalt themselves above Me, their Creator. These are the ones who have been released. This is the darkness that is now covering this earth. These are the ones that I am giving the wicked over to. I will use these beings that the unrighteous and sinful have so desired; these ones I will use to inflict the greatest punishment, for you My disobedient ones will receive all that you have asked for. You have chosen your god, and it is not I. They will have their way with you, as you have granted them permission in your choice not to accept Me as your Savior.***

***For those of My children who are obedient, who come to Me daily in humility and surrender, who spend time with Me and desire to know Me more, to you who have My protection and My seal and are covered in My blood, to you I will manifest Myself***

***powerfully. You will be given instructions and great counsel, so fear not what you will see, what you will hear, and all the evil that will be perpetuated around you.***

***For My command has gone out, touch not My anointed ones! My angelic realm stands armed and ready. Continue to prepare your hearts for you know not which hour I come for you.***

***Many will die in their sins. Do not be counted among these. I have given My daughter more of these words to release at My timing, so know that you will not be without instruction, counsel and wisdom for these times. Continue to make straight your paths, walking in holiness and purity and righteousness.***

# PPSimons - No Third Temple In Bible Prophecy

<https://www.youtube.com/watch?t=1318&v=iFWHwML9Leo>

# **YOU ARE INVITED TO THIS SHAVUOT WEDDING**

In May of 2012 I was in tears crying before the Lord in my living room asking Him, Father will I be part of the Bride? My heart was aching because more than anything I wanted to be part of the Bride of Jesus Christ at the Marriage Supper. I felt this day was close and didn't feel worthy.

Suddenly I felt in my heart that I was to go to the mail box and get the mail. I wasn't really sure why. But I did what I felt was an act of obedience. When I got to the mail box I found a letter from the Messianic Bible ministry in Israel and on the outside of the envelope it said "You are Invited to this Shavuot Wedding". I cried in joy I was so happy. I could not believe what had happened.

Looking upon that event, and knowing that the "Three Days of Darkness" (in Exodus) is a shadow of the Sixth Seal (ref. Rev. 6:12 "sun turns black") Three Days of Darkness:

Ex 10:22-23

(...) and there was thick darkness in all the land of Egypt three days.

NKJV

And knowing that Obama is going to cancel the 2016 election in the late fall of 2016; Adding all this up it seems very possible that Passover of 2017 may be the time when the Efraine Rodrigues prophecy comes true, and the meteor is

thrown into the Atlantic ocean causing the Sixth Seal events to unfold and the "Three Days of Darkness".

Then I remembered the letter I got in 2012 about the Shavuot Wedding. I remembered that many of the prophecies, dreams and visions seem to indicate that after the Three Days of Darkness the "Bride" will receive her glory light and begin the FINAL HARVEST up to about 40 + days after the darkness passes. IF this were so, how amazing that this would fall upon SHAVUOT May 31st, of 2017.

Here is a photo of the Letter I received in May 2012. I have added some event markers to make this more meaningful. God bless you.

Aug 15, 2015 08:55 am | Glynda Linkous

*I have begun stirring up the heavens, for I shall display My glory there. I created the heavens, the earth, and all you see, My children, and they are Mine to do with as I please.*

*I shall give many signs in the heavens of My soon return. Some beautiful to watch, some, though, not so pleasant. I desire to save those who are lost, and call back those who have left Me, and I will use whatever means necessary to do this.*

*Not all My signs in the heavens are those you expect, for I shall show mankind that I AM the Lord.*

Deuteronomy 10:14 Behold, the heaven and the heaven of heavens is the Lord's thy God, the earth also, with all that therein is.

*Know that I have ordered all events and all things for the good of each of you in what is to come. It is only the wicked who need fear My judgments, for My own shall be provided for. *In times coming, many of My people shall come to need. The loss of income, of houses, of vehicles, and means to work shall bring many to poverty. If My people will prepare now by seeking My face, not by preparing in worldly ways, this need not be so.*

*A great change is coming, My children, that you are not prepared for. There is revelation in My Word that will carry those who know it (the Word of God) through what many will not survive. The preparation is found in knowing Me, and My holy Word.*

Nice talk here. But for the new watchers it isn't so clear. You are called to preach the gospel of the acceptable day of the lord during next year if i understood your past video. Which the bible clearly said to not rejoice about it because it is a day of darkness. We can shurly rejoice about being in his bosom during this trial time.

## Oh America

*Oh America, America, the nation once so bright for My Name, you have sealed your fate with your wicked ways, and the days left for you are numbered.*

*Then horrors shall fill your streets. The dead will outnumber the living, and the sounds of war will fill the ears of your people. As you have trampled over others, so shall your enemies now trample over you.*

*Your people shall rummage for food, where once it was abundant. They will thirst for pure water, because they have rejected Me, the living water. They shall cry for mercy but find none, as they have shown none to My people.*

*Prepare to meet your fate, America. You have been weighed, and found wanting. Your reign of power has come to its end.*

Daniel 5:25-28

25 And this is the writing that was written, Mene, Mene, Tekel, Upharsin.

26 This is the interpretation of the thing: Mene; God hath numbered thy kingdom, and finished it.

27 Tekel; Thou art weighed in the balances, and art found wanting.

28 Peres; Thy kingdom is divided, and given to the Medes and Persians.

*For in My Holy Word, did not My people walk through fire? Did not My people walk through the Red Sea? Through famine, and wars, unscathed? And so also shall you who are truly of Me.*

*Stand, draw near to Me. Focus on My salvation, on My glory, and watch as I care for you who are truly My own through to the end! You who do not side with evil, who do not condone sin, who do not teach what is evil and call it good, who stand for truth, you are truly Mine.*

## I Have Warned

*Life shall go on "as normal" for a time in this nation, but then I shall move swiftly in judgment. My judgments are righteous, My children, do not think otherwise.*

*When what you see seems harsh to you, remember I am a holy God. I have warned and begged this nation (America) to repent again and again and again, and My Word has fallen on deaf ears. The wicked have walked on, and now trample My people who are called by My Name, and this I shall not ignore.*

*I always show mercy to the merciful. My people who are merciful need not fear. I will judge the wicked swiftly, for still they defy Me, continuing in their filth. They will indeed know that I AM the mighty Jehovah, and they shall see My mighty power!*

*A storm comes to America, a storm that has been brewing for some time now, and I AM in the storm. My judgment is in this storm. This storm comes in response to the stench of evil that rises up to Me each day from that wicked nation – once beautiful to Me – that has turned from and defied Me in every way.*

*Pray now for your lost loved ones, My children, especially those who abide there, for America shall fall, and great will be the fall of it. In one day her judgment will come, and I shall take away her power utterly. From that day, she will know only weakness, and she herself will cry for mercy, as so many others have cried for mercy before her powers of war.*

*It is My power that does this. I AM the Lord.*

## Signs

Jul 08, 2015 09:05 am | Glynda Linkous

***I shall bring upon the earth signs that I alone am God.***

***My people, do not fear when you see these signs, only remain ready at all times for My soon return.***

***These signs shall cause men's hearts to faint, and they (the signs) shall also turn unbelieving hearts to Me. Many souls shall be added to My Kingdom as I reveal My mighty power in the earth.***

Luke 21:25-28

25 And there shall be signs in the sun, and in the moon, and in the stars; and upon the earth distress of nations, with perplexity; the sea and the waves roaring;

26 Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken.

27 And then shall they see the Son of man coming in a cloud with power and great glory.

28 And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.

## Grieve Not

I was praying about the Supreme Court's decision to legalize gay marriage for the U.S. yesterday. My spirit has been so grieved since I heard the decision, and a feeling of dread of what is surely coming has been with me.

*Grieve not for this wicked nation, My child, for her end is sure now. I will walk with My own as destruction falls, and show them great mercy.*

*I desire My children to be watching and praying, and be in My Word. Draw strength from My Word for what is coming, but do not live in dread, My children, for My Word is true, and scripture must be fulfilled.*

*What lies ahead for you is beautiful and glorious, as I receive you unto Myself.*

*Rejoice!*

*Your King is coming and heaven is your home! Rejoice in the salvation of your soul!*

Neh. 8:10 Then he said unto them, Go your way, eat the fat, and drink the sweet, and send portions unto them for whom nothing is prepared: for this day is holy unto our Lord: neither be ye sorry; for the joy of the Lord is your strength.

Ps. 23:4 Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me.

## Message from the Lord to Warrior Princess

The Lord requested me to post this message from Warrior Princess on the main page of my Blog. (Posted with permission)

### Warrior Princess - My Journal 7-3-15

Please Use Discernment!

*"The storm has come upon America. Even now it brews off the coastland and is about to make landfall! Make ready, for your transformation is upon you!"*

*I AM that I AM and I have had my full measure. America's sin has reached the limit and is boiling over. She knows not what treachery is planned by the evil one. If only she would awake and repent, this storm could be quietened, but she will not! She is proud and arrogant and without repentance. She believes she is in control and that nothing can touch her.*

*Oh America! The most beautiful places upon your land will be stricken and become barren, not fit for life.*

*This is upon you now. In my great mercy My Bride will reach out to minister to the Lost, and they will move from death to life. These last days will be historic. The Nation born of God and also destroyed by God because of their own sin. How sad! I weep for you America, but this is the only way the multitudes will wake up!*

*My love, Prepare! Send up your prayers and fasten your seat belt. Lift off is upon you!"*

[Much Suffering](#)  
Jul 04, 2015 08:51 am | Glynda Linkous

*Much suffering lies ahead for the people of America.*

*My people need not fear. Did I not feed My own in the desert, in times of famine? Did I not protect My own who walked in My ways, even in times of war, in My Holy Word?*

*The key, My children, is to be found abiding in Me, in My Word, for there you will see how I treat My own. Many of My people are fearful of My judgments. You do well to fear My power, but remember, I am your Father. You are My precious child.*

*When you obey your Father, is there anything to fear?*

### The Year Ahead

*The year ahead shall be fraught with perils, My children. I am shaking those things that can be shaken in order to show those that believe Me not their great need of a savior. They will not turn their hearts to Me until they see they can no longer save themselves.*

*My children who walk with me know they need not fear. Every earthly kingdom will I shake. Every union and alliance not built on Me, will I also shake.*

*It is imperative that My people are clinging to and relying on Me and My Word alone. If you have placed your faith in anything other than Me, I shall expose it to you as I shake you loose from it.*

*Times coming will require your absolute, undivided loyalty to Me only. Any allegiance to the Evil One will be your destruction in that time.*

*I am coming back for a bride without spot or blemish!*

**Patricia Green - Judgments  
Come While Obama Is President**

**Patricia Green – 5 More  
Passovers for the Gospel to be  
Preached**

**Patricia Green – My Vengeance  
Will Be Poured Out (Sept 23)**

## **Dr Patricia Green**

"Sept 23rd is the day Obama makes a pact with the devil.  
It is not by chance that the Pope & Obama are meeting on the  
Day of Atonement, which is Sept 23rd 2015.  
They will make a pact that will seal the fate of the United States of  
America.

My vengence will be poured out from this point forward.  
There is no turning back.

Tell my people to draw close to me in these Last Days.  
Tell them to purify their hearts by the washing of the water of My  
Word.

Tell them to ask my Spirit to expose any wickedness within  
themselves so they  
can repent and be clean."

He said "I am returning for my Bride without spot or wrinkle; I am  
coming for a pure bride.

Only those who are purified by My Spirit and My Word are my  
bride.

There will be no pretending when I return.

Many will say "Lord, Lord did I not prophesy in your Name, heal  
the sick, cast out demons and bring people into your kingdom?"  
and I will say to those who have impure heart's "Get from me, I  
never knew you"

He continued and He said:

"this is the time for self reflection. If you judge yourself in this  
season and repent of your hidden sin, your sin will not be  
exposed to your shame. Now is the time to purify your own  
hearts. Now is the time before my vengence is poured out"

## **EXCERPT FROM TRIBULATION NOW**

### **PROGRAM -- JOHN BAPTIST HOST WITH**

#### **GUEST PATRICIA GREEN:**

PATRICIA GREEN: This is a prophetic word that I received back in 2008 during the democratic race between when Barack Obama and Hillary Clinton because it ties in with what I will move into.

Now, when I received this word from the Lord, Hillary Clinton was slightly ahead in the democratic race, and the Lord said this to me: "Barack Obama will within the democratic nomination," and he was going to be the next president of the United States of America."

Quickly, I said, "Lord do you expect me to vote for a man who supports abortion and homosexuality?"

The Lord replied to me and said, "Child, I did not tell you to vote for him. I'm telling you he will be the next president of the United

States." He said, "Barack Obama is a fork-tongued devil. Your country has been pushing for abortions and homosexuality. So, I'm giving you a president who will promote abortions and homosexuality. But rest assured. My hand of judgment will come against your nation while he is president."

Now, I don't know what hand of judgment --  
BY JOHN BAPTIST:

Q. Wait, wait. I have got to get you to say that again.

A. Okay.

Q. Now, this is vital. This is vital. What you have said prophetically -- I have to put you on my -- what I would call the top shelf prophet list right now. Hold on just a second. The Lord told you that these judgments will come down while -- I want to make sure I didn't hear it right. Keep me honest -- while Obama is in the office of the presidency. Is that correct?

A. That is correct.

Q. Praise Jesus. Hallelujah. Well, you go on the A-list with Glenda Jackson, with Pastor T.D. Hale, with Sarah Menet, with C. Alan Martin from 1971 who shows Obama is the last president of the United States. Praise Jesus. So, right there, as far as I'm concerned and I study prophecies, dreams and visions and have for years, obsessively, and your testimony right there just validated the veracity of what the Lord showed you in my heart because you know what? I already knew that was the truth, but when you spoke it, you confirmed it. Praise Jesus.

A. Amen, Amen. I received that in 2008 before Barack Obama actually won the democratic nomination.

Okay. Now, I want to jump forward to April of 2013, and this is regarding a couple of dreams that I had. So, on **April 17th, 2013**, this is the dream that I had. And in this dream, my husband

and I were traveling in a vehicle in North Carolina, and we were driving up a mountain road, and we saw this policeman with a blue light flashing as a warning signal, and he had stopped the traffic which prevented us from proceeding up the mountain.

So, in the dream, I got out of the vehicle, and I walked up the steep mountain road, and the officer motioned for me to stop. Then, all of a sudden, behind the officer, I saw this large wave getting ready to crest over the top of this mountain, and it was heading towards me. So, in the dream, I placed my back to the wave, and I was able -- the wave kind of washed me down back to the bottom of the mountain.

Now, at that moment in the dream, I knew that the Atlantic Ocean had washed in as far as this mountain in North Carolina. That was my first dream on April 17th. Then, ten days later, on **April 27, 2013**, I had a second dream and, in

this dream, I was at a beach on the east coast, and there were many people at the beach enjoying the sand and the sun and the ocean, and there were these college-aged boys who had carried a couch and an area rug to the shoreline as a joke, and I warned them that the tide would come in and wash their couch away, but they just ignored me, and they began to laugh.

Then, all of a sudden, as they were mocking me and laughing at me, I saw this massive wave that was taller than the hotels, taller than the buildings, and it was just positioned to crash onto the beach. In all my life, I've never seen a wave this high -- in pictures or even when I have been to the beach. It was literally towering over the top of the building. That was the second dream.

Then, three days later on **April 30th**, the Lord gave me -- it was a vision. Let me explain -- when I say a vision, it's not an opened-eyed vision. It's a closed-eye vision where the Lord will actually

form pictures, or sometimes, it will look like a video clip that I see with my eyes closed. Then, He begins to explain to me. If I don't understand what I'm seeing, he begins to explain to me then what he has just shown me.

So, in this vision, I was walking side by side with Jesus, and He began to speak these words to me. He said, "Patricia, I want to show you some things."

Then, Jesus parted the clouds so that I could see the earth below because we were like above in the heavens and I could see myself on the earth, and there was this mighty wave getting ready to crash on the shoreline. But, before the waves hit in this vision, I was lifted up. *(HOPE NOTE - "lifted up"...I believe this refers to the Bride's transformation, everything that takes place in this vision MAY be occurring during the Harvest of the church, the lukewarm, and the lost)* When I was lifted up, I

could see that the wave was like hundreds of feet tall. It wasn't just a little wave. It was hundreds of feet tall. Jesus spoke these words to me. He said, "This wave will hit the east coast." He said, "Warn the people to get out. This mighty wave will devastate coastal cities and wash inland for many miles. Florida will be decimated. Washington D.C. will be under water. New York Harbor will flood the city. In North Carolina, the water will come as far as the mountains. The water will not go beyond the Appalachian mountains." He said, "There are those that will not believe what you are reporting. They will perish in the wave." He said, "Millions of people will lose their lives." He said, "Nothing of this magnitude happens on the earth unless I speak it through my prophets. I have shown many of my prophets this tsunami, and they are also reporting it will happen."

We know in Amos 3:7, it says, "Surely the Lord God does nothing unless he reveals his secrets to his servants/ the prophets." The Holy Spirit said, "The United States of America is about to swing into a new season. At first, it will be a prosperous time, but it will be short-lived. Next, it will be a season of devastation from all directions. The first devastation will hit and, when she is reeling from that one, the next one will be right on its heels. When it looks like it cannot get any worse, indeed it will. This series of devastating events will cripple your nation and bring her to her knees. She will realize that she is no longer the powerful nation she once was.

He said, **"Look to the skies, and you will see the first devastation. (*HOPE NOTE - could this be Nibiru? (colors in the sky) )*** **Look to the seas, and you will see the next devastation. Look to the earth, and you will see the third devastation. I, the Lord of the**

Heavens, the earth and beneath the earth have spoken."

And also, the Lord is talking about the national distress for America. He also said this, "I want to show you things that will happen in the United States of America during these years of tribulation." He called them years of tribulation. It will be a time of great national distress. He said ",,,all these things will occur in the final years before I return". (*HOPE NOTE - I believe He is referring to His 2nd Coming*)

This is what the Holy Spirit showed me, that the dams would be breaking and flooding the people below. **He specifically told me that Hoover Dam will be one that breaks.** (*many confirmations of this*) He said power supplies will be cut off to major cities, and it will plunge people into darkness. Then, interesting I saw a huge -- while he was giving this message to me, I saw a vision

of a huge ash cloud, and I saw these little bits of debris that were falling to the earth. Now, when I saw that ash cloud, in my mind, I thought it had to be either one of two scenarios. Either it was volcanic ash, or it was debris from nuclear bomb. I wasn't sure which.

Q. Well, let me ask you this: The nuclear thing, so, was that just something that kind of hit you randomly, or have you heard anything regarding that because we have --

A. Let me continue on with what the Lord said because it will tie in.

He said that the -- buildings would be collapsing and falling into water, the causeways that connected islands to mainland would collapse, leaving people stranded on islands. I saw the deep fissures in the earth surface as a result of great earthquakes. Many people were dying because medicines were scarce during this time. Then, I saw people being killed with guns,

and martial law was going to replace the civil law of the land, and the imposition of martial law would, of course, mean the suspension of all civil life, and it would be replaced by military authority. There would be curfews, road blocks, check points in order to maintain control. And we know that President Obama has already signed in December 2013 -- he's brought the governments power to enact martial law even in peaceful time.

He said, "The United States of America will fall because of her wickedness." He said, "I raise nations up, and I take nations down according to my will. I bless nations that follow my command, and I curse nations that disobey my command. All that will happen to your nation will be a result of your nation's sin. As a nation, you have clamored for rights. People say that rights are freedom, when, in fact, it is bondage. Homosexuality is not a civil right. It is

bondage to sexual impurity and destroys the covenant of marriage that I established." He said, "Abortion is bondage because of the emotional destruction that comes from taking the life of an innocent child." He said, "Sin is bondage, and all sin is abhorrent to me," the Lord said.

Then, He continued on to say that the United States of America is a whelp" He said, "I gave her birth to be an ally of Israel. The United States will decrease, and Israel will increase in the end. At the end of the age, there will be no greater nation than Israel. I will cause events to happen that will diminish the power and influence of the United States of America." He said, "People will say, 'This condition happened,' but indeed it will happen because I have spoken." He said, "Nations that have great power in the past ages no longer exist because I declared their demise." He said, "My child, you will declare these things and will people will scoff at you and

say you have not heard from me. But truly I say to you, these things will happen before I return."

He said, "Do not fear to speak my truth. I am all powerful. I can wipe out a nation with my breath. With my voice, I can flatten mountains, move islands, create earthquakes, floods and famine." He said, "Man is frail compared to my great power and my outstretched hand."

But this is the beauty of it. As children of the Most High, he said, "I will protect, provide and possess my chosen and Holy people. I want you to know that no matter what I show you about these end times," he said, "you are in the palm of my hand. DO NOT FEAR or WORRY. Just know that I AM with you, and I will bless you and your family."

So, you know, even when we get such -- all these reports that seem to be so devastating and so horrific, we can look to the Lord and know that He is our mighty strong tower, that we can run to

Him, and He will protect us in this great time of affliction.

During this horrible time, the Lord said, "Many will get saved. He said, "The fear that the end is near will cause people" -- listen to this -- "will cause people to seek out Christians for truth. He said, "Just know that all must perceive as the Holy scriptures have stated. This is where he said, the sword will be the nuclear war. So, he's talking about a nuclear war. The famine will result from the drought when I withhold the rain. The pestilence will be a new strain of disease that is not known, and there will not be a cure. It will quickly kill people like the black plague. He said the war will last five years, and the famine will follow quickly. He said, "My children will need wisdom to survive this tribulation. Food will be scarce, but my children will be prepared for the famine." He said, "I'm instructing my children to begin to fill up their storehouses before the famine

strikes just as I instructed Joseph while he was in Egypt."

He said it would be wise to begin storing provisions.

What was next was: He said that the landscape of America is about to change. "There will be many signs I perform as a warning to your nation."

Now, this is interesting. He said the waterways will become poisonous." I only record what he tells me. I don't know how that is going to happen. The hills will begin to tremble. The stars will lose their brilliance. Your sun will begin to emit flashes of radiation." He said, "Weather patterns will change. My hand is on the weather. These things will not happen by chance because I will cause them to happen with my outstretched -- "most meteorologists have an explanation for the weather phenomena, but during this time, it will defy all human

reasoning." He said, "Until people come to realization that I AM Yahweh, and I AM in control, they will be confused about when events will occur on this earth. He said -- he also talked about in the **central plains** will see a great hurricane that will dump great amounts of rain. He also said, "The Appalachians will be the furthest point east before the Mississippi River expands its boundaries." And he said, "The ocean will come as far as the Rockies in some areas." So, that's out on the west coast. He said, "The Grand Canyon will begin to fill with water. He said the Great Lakes will combine to form one large body. He said the geological plates will shift.

This is another message I just received in **July of 2014**. He said, "War is coming to America. There is wickedness in high places, those in the spiritual realm and natural realm. They are plotting behind the scenes to take America down. Important

information was given to the Russian government regarding the United States, and the Russians will use this information to attack the infrastructure your nation. He said, "Many will hear of this plan but ignore it thinking it can not happen to their beloved nation. There is wickedness in high places, in governments, banking and independent companies who line their pockets with gold at the expense of your people."

He said, "Truth has been suppressed. Your country has become a nation of lies. Darkness is about to overcome your nation. A deep darkness will cover the people because they love the lies and not the truth." He said, "But all is not lost. Do not despair, my children, for out of the darkness comes My glorious light."

Also, the Lord -- just right along the lines of what you were just saying, the Lord said. "Tell the people that hell is expanding. This saddens My heart. I never created hell for mankind. Those in

rebellion and disobedience to their creator will be eternally damned. The landscape of America is about to change. I will establish cities of refuge for the ones who know me intimately."

He started talking about getting intimate with Him. Start spending one and one time with Jesus and your Heavenly Father. He said, "These cities will be a place of safety under My wing of protection." He said, "Call to me, and I will show and you guide you to a city of refuge in these perilous times." He said, Stay close to me, and I will instruct you." He said, "Do not fear, my little children. I AM with you, and I will never leave you, nor forsake you." So, like you said, it's not a time to be fearful. It's a time to draw even closer and closer to our creator and to our Savior.

## Make Ready

*My people wonder about the (physical) storms in the earth now, but I tell you far greater storms are coming. A much greater storm is brewing, My children, of which even the wisest among you is yet unaware.*

*This storm will shock all nations with its strength, with its ferocity, and I call My people to make ready. Hide yourself in Me, in My secret place, in My Word, that this storm does not consume you. It shall consume many wicked. They shall be changed and the earth shall be filled with darkness and great mourning, sorrow upon sorrows.*

(NOTE: I saw in the spirit great darkness and an intense swirling inside it – Lord, who could survive such a storm as this?)

*Those who hide in Me, who are standing on the strong foundation of My Word shall not be moved! And I shall (then) anoint them for even greater works than they have ever seen before.*

# ***VISION OF YAHUSHUA AND SATAN/PERMISSION GRANTED, JUDGEMENT FALLS***

June 19, 2015

## **BEHOLD I COME**

I went directly into prayer upon waking, as I do each morning. I immediately was in a vision, standing behind Yahushua in a white robe and hood, sitting next to satan in a black robe and hood. They were having a conversation about the hour we are in. The Lord was somber and very contemplative as He listened to satan remind Him of the agreement that was made so very long ago.

Permission has been granted to try the hearts of men, and they were discussing the details of how much power satan was permitted for these last days. Yahushua then confirmed to me that satan now has the most power to take souls away from Him that he has ever had at any other time in history. A countdown has begun, and it is irreversible.

At times, it is hard for me to describe what Yahushua reveals to me in words, as He often communicates with me spirit to spirit. I can only

say that it has been confirmed that the clock strikes midnight. I have never seen anything in the spirit before as I did today with this conversion between Light and darkness...

**\*MAKE READY TO SEE THE KING\***

I then received words from our Father to give to you. May His mercy cover you.

***The greatest assault of all time has been launched against My people. What has been set in motion now cannot be stopped. The angelic realm are poised and positioned and await their orders. Permission is granted-judgment falls. Tremble ye, oh you inhabitants of the earth, for the darkest hours are yet to come.***

***Judgment will be measured out equivalent to the stench of the unrighteous ones' sins in My nostrils. I am a just Judge; therefore, punishment will be rendered where punishment is due. You, the murderers and idolaters, the liars and the proud, the perverted and the wicked, you will now suffer the fate that you deserve. The die is cast for the blatantly unrepentant. There is no turning back now. You have been examined and you have been found wanting. You relish in filth and in darkness and this will now be served in its entirety. You have chosen the lord of***

***Don your garments of praise for the spirit of heaviness, for your joy comes, He who is the Morning Star. The whole earth will soon be filled with the glory of My church as she arises to meet her Bridegroom. I have promised you no more tears, no more sadness, as the Great I AM readies to rid the world of its darkness, once and for all.***

## **A NEW DAY IS DAWNING, BUT FIRST- THE GREAT PURIFICATION**

*The time is now My loves to fully engage on all levels; powerful in love, courageous in Kingdom authority. Engage in this moment of now, all that I have taught you.*

*A great and terrible evil covers this earth and it is only My complete indwelling, the fullness of who I am within you, that can stand in total victory, as the hordes of hell are unleashed.*

*I am a covenant keeping God, and I am faithful and true. I will fulfill all of my promises to you My overcomers. You have nothing to fear. The veil has been parted and the windows of heaven are open so that you may draw from Me, the Source, all that you require to be victorious. Doubt and hesitation have been far removed from you and you have stepped into your priestly roles.*

*I am about to shake the heavens and the earth mightily but I am the solid rock on which you stand. Listen very carefully to Me as I will guide you and give you My wise counsel in any situation you face. You will perform mighty exploits in My name. Watch and see what I am about to do. My great refining fire rains upon the lands and I will purify once again, all that is not of Me.*

*Mysteries upon mysteries are being revealed at ever-increasing speeds as the culmination of all things has arrived. As I have told you, obedience is your key, no matter how things appear.*

*All is not as it seems, so only listen to your Shepherd's voice. I will lead you on paths of righteousness for My name's sake and miracles upon miracles will astound you.*

*A new day is dawning, but first - The Great Purification.*

*Be at peace My love(s), for I carry you in the palm of My hand!*

*Yahushua*

*If My people will pray, I will do mighty signs and wonders among them. If My people will pray, I will answer their prayers and bring them great joy this day.*

*My people, you have felt My call to pray and intercede for others. You have answered My call to pray for your unsaved loved ones, and I am pleased with your response.*

*Get ready for a mighty wave of great things now in these lives, as I send angels with your answers! For when My people pray and lift up their burdens to Me, I am mighty to defeat their enemies. I am mighty to send provision, to fulfill their needs. I am mighty to deliver.*

*I bring understanding. I bring wisdom. I will answer you!*

**SUDDENLY-DARKNESS, THEN MY  
BRIDE IS TRANSFORMED**

It is I My daughter, the Lamb who was slain before the foundation of time, to atone for the sins of the world. It is I the only Messiah, Son of God. I am He who is alive for I did rise on the third day.

**I show you these things so that your preparations will be complete, so that you can continue to encourage others to never have fear. For those who walk with Me will have no fear for I will keep them from all the evils and the all of the dark things that must come.**

**What you are all sensing is the merging of Heaven and earth. You feel this within your spirits because it is I who dwells within you. Just as I have spoken about all of creation responding violently to the nearness of My coming, your very cells too, cry out for the consummation of all things. You continue to experience the great tearing away of soul and spirit, the re-aligning of your very DNA to the likeness of My image.**

**I show you what is about to befall this earth so that you would stay in an ever constant state of preparation, repentance and grace. Come to Me often throughout the day, examining your consciences', repenting, asking for forgiveness, continually praying for My Holy Spirit to reveal anything in you that is not holy and pure as My Bride must be holy and righteous before Me.**

**As I lift My hand from this place, the darkness descends and becomes increasingly terrible and great. But here is a mystery you must understand, the greater the darkness, the more brilliant you, My lights are in this place. For it is you who are rising out of this earth and coming back home to Me. Darkness falls, My Bride rises. Terror reigns and your lights illuminate all around you. This is a mystery so few understand but it is important for the tasks that lie ahead, and for the purposes I have created for each one of you individually as My Bride. For you will be ministering to many, and many will come to a saving knowledge of Me because of your obedience and because of your understanding at what is occurring.**

**This is why you can see the darkness around you but still experience such great peace. For you know that these things must be for I have told you so. Although the end is here, this also means a new beginning. For this I receive all the glory for I come to make all things new. As Heaven comes to this place, there is much purification to be done, purification by fire. My children know that this is only for a short time.**

**Many sudden-lies will happen at once. Do not be surprised or caught off-guard. Sudden-lies are the twinkling of the eye My Word speaks about. For in the midst of the darkness, My Bride will be transformed. Many things will be happening at once, much chaos will surround you but you will only know peace. The transformation will be complete and quick, this suddenly will be upon you. So be ever vigilant and ready for it comes!**

**To those who continue to mock and speak against My messengers and My words of warning, I warn you...ENOUGH IS ENOUGH. You will know who is God and you will know what I have spoken is true. I will bring you to your knees and I will cause much anguish as you are convicted of your words and your actions. You must stop your**

**doubt and your disbelief for the culmination of all things is at hand. I will soon show you as this will become your reality, and for many this will be too late. For you will not escape My judgment and My wrath for you have not heeded these warnings before-hand. You have not come to Me in forgiveness and repentance, on your knees, contrite and humble. For this you will pay. For many the cost will be your very lives. But I have warned you and warned you time and time again. You will be without excuse.**

**This darkness comes very quickly, so My Bride stay very close to Me, to My heart in every moment. Do not fear that you will not know the hour in which I come for I will reveal Myself to all of those who walk with Me and in whom I indwell. In this be assured.**

**PREPARE! PREPARE! PREPARE!**

**FOR YOUR BRIDEGROOM COMES...**

**and together we bring in the harvest. Rejoice and be glad this day for victory is won and you know the outcome. Together you will sing praise with all of the multitudes around My Throne for all eternity. For you have been chosen from before the foundation of the earth for this time. Thank you My Beloved for responding to the urgency of My messages for interceding for all of those who need Me and My salvation in their lives. Be faithful, be true.**

## **WHO WILL STAND** **BEFORE THE GREAT I AM**

***Come to Me on bended knee, interceding for the sins of this nation and those of the world, for this is a most perverse and wicked generation. You have seen the destruction coming and know that it must be so, for never before has sin reached a level such as this. I have turned My eyes away for so long at the injustices and the terrible deeds men do in this place, but I can no longer turn a blind eye to the great deeds of darkness.***

***I have spoken of a time when the cries of those slain, that are under My altar would be heard and their prayers answered. This is that time. You ask why there must be so much destruction, why so violent? I tell you this, that a mere thought by Me could vaporize the entire earth, taking My Bride and leaving nothing behind. It is always out of My mercy that I do all things. When I tell you that you will see those that will be in great terror and pain; when I speak of the wailing and gnashing of teeth, know this is something none of you has ever seen or***

***heard before, or will again.***

***This despair that will befall those who have turned their backs on Me will be so great, and what you will see is souls in complete and utter despair. I cannot describe to you what this will be like; I can only tell you over and over. Prepare! Prepare! Prepare yourselves! I need those who know Me intimately and walk with Me to minister to these lost ones and not be affected by their cries of anguish and pain. What you will see will be chilling. It will be the greatest horrors this world has ever known.***

***But you see, My plan is perfect because unfortunately for many it is only out of great and intense pain and suffering that they cry out to Me. Should I turn My back on them and not care for their existence? Their pain would be lessened for they would simply vanish. But this is not My desire. There has been ample time over the centuries for people to turn to Me.***

***Now the end must come.***

***Although fiery and painful, tremendously powerful in might, it will still offer the***

***opportunity for a choice to be made. Beauty will come from the ashes. This is why it must be done in this way. One day, I will show you all things and you will understand. But for now, it is enough to know that all of these things must take place and it is out of My great love for all that I do these things.***

***Pray unceasingly. Remain steadfast and be of good courage My soldiers and My army, My warriors. Fight the good fight of faith in strength and honor, loyalty and bravery, showing goodness, kindness and mercy to all as it has been shown to you.***

Lukewarm

Jun 06, 2015 10:05 am | Glynda Linkous

*The soon coming storm is a storm within another storm. This nation (America) was once faithful to its God. You followed in My ways, you desired to please Me.*

*But now, the hoary heads have come home to Me, few are left, and this nation has abandoned its God, and My Ways have been cast aside, called old fashioned, weak, and intolerant.*

*I still have a people in America, a people who stands tall and walks in My ways, but My people are few. A great body of lukewarm ones walks in America now, who are ashamed to call Me Lord, who are ashamed of My ways, and My holy Name.*

*Beware, you lukewarm ones. When the storm arrives, there will be no help for you! Only My children who walk as My children shall be protected. Only they know the secret place of their Most High God.*

*The storm is inescapable – all on earth shall be caught in it.*

*Prepare, My children.*

# **MY OUTPOURING IS A HEART MATTER**

***This outpouring of My love for you has several purposes. Because of My infinite mercy, I wish to give each of you every possible opportunity to make the choice to follow Me as great judgements are upon this earth. I have been warning you to prepare your hearts, and put your spiritual houses in order. It is a matter of your heart. I stand outside the door of your heart, will you invite Me in? There is a precise order to the events that are coming upon you imminently, and you must decide for Me or against Me. You will all be shown your soul condition in the presence of a Holy and Righteous God. If you truly desire to fellowship with Me and accept My will in your life, you will lay your burdens and your will down at this time of illumination, and allow Me to completely cleanse your hearts of all iniquities. Your spirit, if you are in complete surrender, will then align themselves with Me, and We then will operate as One. This is an outpouring as was manifested for the Apostles at Pentecost, a time of infusion and of power and might.***

***You will march forward courageously! You will be imbued with My Glory and your entire being will not resist being realigned with My purposes for you. This will be an activation for you, and will serve to equip your spirits to hear Me directly and clearly. Many will be healed during this outpouring of My Grace, those who have completely surrendered, and those in which I find no resistance.***

***Obedience is the key. I say this again My children, obedience is the key. Meditate on this. I am telling you of this event ahead of time because of My great love for you. I desire that you would sweep your house now! There is no need to wait for Me as this illumination will be much gentler to experience if you have done all you can to repent now and come to Me in all humility and brokenness. I require those who will deny themselves to follow Me. Deny all that you desire so that only My desire may reside in you. Do you see? In this way you are pure and holy vessels through which My will can not be hindered. Many, many people will not fair well when this event occurs, as their sin is great and the separation from Me is wide. You will be used to minister, to love, to teach and guide them towards Me. You will be My equipped army. You will heal and perform***

***miracles and the world will know of Me and know that **I AM.*****

***There will be a cosmic event that will cause complete darkness on this earth for three days and it is then that I will make Myself known to every individual soul. I have shown some of you in dreams and visions this very time. You must prepare for this time, I would not have you caught off guard when this occurs. I have always told My own what I am about to do, and I am telling you now.***

***PREPARE. Do not be afraid. My angels are waiting and ready to assist you. You are so loved and protected. It is just for a short time, and then.....your victory, and our Wedding! I will use you for a season, again, a short season, to help those around you to see the Light, to see Me, their Creator. All is in order. You have not chosen Me, I have chosen you.***

## **Behold I Come (Julie)**

# **THE TEMPEST COMES**

*These words are faithful and these words are true. I come as One who was slain for you and for the sins of the whole world. I come as the Risen One, the only Son of the Father, God Most High. I am He who lives and who rules and reigns for always and forever. I am He who holds the keys to death and hades and who has won the victory for you. I am He, the Keeper of your heart.*

*Fear not daughter to write these words that I give unto you for this is why I have placed you here. You must continue to shout these warnings for one day, so very soon, the warnings will cease. For all those who have ears to hear, listen to My voice!*

*Make haste and prepare, ready yourselves! Draw close under the shelter of My wing as the tempest comes! You know not the day or the hour that your life will be required from you. So in this you must always be ready. Come into My pavilion until My indignation is past, for it is here and it is fierce. My anger is kindled and the celebrating in the streets will*

***turn to weeping and gnashing of teeth as I pour out My fury upon this earth. I ride on chariots of fire and winds of destruction, for I tell you not one high place will not be brought low, not one stone will be left overturned. I see all. There is nothing hidden in the darkness that I will not bring to My light and expose for what it is.***

***Just as I have said, like in the days of Noah so will the end of days be. You are here! This is the end of days, a time like no other. I have walked among you, never leaving you or forsaking you. Yet, why have so many of you turned your backs on Me? Why do so many of you refuse to hear My words of love as well as My words of warnings through My messengers and My prophets? I hear every word that is ever spoken against them and against Me for when you speak against them, it is I you are mocking and scorning. I see every deed done in the darkness; I hear every lie spoken because I know the hearts of men.***

***Shout from the rooftops and the mountains, from the places high and the valleys low, all that I have told you to say. Fear not what man can do to you for I am the Supreme***

***Judge of all. I am coming to render judgment where judgment is due. I will require the blood of the unrighteous at My hand. My mercy they will not see for they have not asked. The eagles and the vultures have gathered. They await to feast upon the ungodly. Yet, so few tremble at these words. Why then should I continue to speak? It is only out of My great love for those who are left remaining, who have attuned their hearts and their spirits to Me, who do walk in obedience and surrender to My will and do live knowing My commandments. It is for these that I still continue to speak, these ones that are so close to My heart.***

***Continue to come to Me in sackcloth and ashes, repent, for lamentations is upon you. I tell you this, soon and very soon there will come a moment -in the twinkling of an eye, where one will be working and one will be taken. One will be sleeping and the other will be taken. Of this you can be sure.***

***I know the end from the beginning. I am the Alpha and the Omega. Dare I not speak truth this day? Dare I not reveal who I am to those who love Me? All that has ever been written or spoken by Me has come to pass and this***

***will always be.***

***You wicked cannot stop what has been ordained from the beginning of time. Your pride and your greed and your lust will be your demise.***

***I WILL SHOW YOU WHO IS GOD.***

***And you will wish you had never been born. Hear the seriousness of My words this day. Come out of Babylon My people. Come out of her this day, this hour!***

***I am the voice crying from the wilderness, prepare ye the way of the Lord. For I am coming! I tell you over and over again, I am coming to take a people unto Myself. You who know Me and walk with Me need not fear the terrors of the night nor the arrows that fly by day, for I am your Shield and your Exceedingly Great Reward. Keep your eyes Heavenward. Never fear. Do not be discouraged for all these things must come to pass. If it was not so I would not have spoken it.***

***Trust Me.***

***Trust Me to lead you and guide you as I  
always have.***

NOTE: I felt great hatred coming from Satan when God spoke this and I wrote it down.

As I waited before the Lord to receive this word, I felt what He was about to speak was one He wanted very urgently for us to hear and heed.

***Model My ways in the earth, My children, for plans are made by children of the Evil One that you know not of, and the results shall be terrible to see.***

***Many lives will be lost in the disasters they now plan, and many more forever changed. If you will walk in My ways, many of those souls may be saved, and your reward here in heaven increases.***

### **Time of the Lord's Vengeance**

- <sup>6</sup> Flee from the midst of Babylon,  
And every one save his life!  
Do not be cut off in her iniquity,  
For this is the time of the LORD's vengeance;  
He shall recompense her.
- <sup>7</sup> Babylon was a golden cup in the LORD's hand,  
That made all the earth drunk.  
The nations drank her wine;  
Therefore the nations are deranged.
- <sup>8</sup> Babylon has suddenly fallen and been destroyed.  
Wail for her!  
Take balm for her pain;  
Perhaps she may be healed.

<sup>11</sup> Make the arrows bright!

Gather the shields!

The LORD has raised up the spirit of the kings of the Medes.

For His plan is against Babylon to destroy it,

Because it is the vengeance of the LORD,

The vengeance for His temple.

<sup>12</sup> Set up the standard on the walls of Babylon;

Make the guard strong,

Set up the watchmen,

Prepare the ambushes.

For the LORD has both devised and done

What He spoke against the inhabitants of Babylon.

Abundant in treasures,

Your end has come,

The measure of your covetousness.

Medes

From Wikipedia, the free encyclopedia

*For the design student programme, see [Master of European Design](#). For Medians, see [Median \(disambiguation\)](#).*

The **Medes**<sup><sup>[N 1]</sup></sup> (/ˈmiːdz/, Old Persian *Māda-*, Ancient Greek: Μῆδοι, Hebrew: מְדֵי) were an **ancient Iranian people**<sup><sup>[N 2]</sup></sup> who lived in an area known as *Media* (North-western Iran and south-east Turkey) and who spoke a northwestern Iranian language referred to as the Median language. Their arrival to the region is associated with the first wave of migrating Iranic Aryans tribes into Ancient Iran from the late 2nd millennium BCE (circa 1000 BC) (the Bronze Age collapse) through the beginning of the 1st millennium BCE (circa 900 BC).

This period of migration coincided with a power vacuum in the *Near East*, with the *Middle Assyrian Empire* (1365-1020 BC) which had dominated north western Iran and eastern *Anatolia* and the *Caucasus* going into a comparative decline, allowing new peoples to pass through and settle. In addition, *Elam*, the dominant power in Ancient Iran was suffering a period of severe weakness, as was *Babylonia* to the west.

⌵

Cathy, I see the prophecy as you just described. He was first in office back in 1996-1999. It wasn't until 2009 (ten years later!) that he was again re-elected as Prime Minister. I'm thinking that Wendy was speaking of consecutive terms if the prophecy is read carefully.

(1) 2009-2013, (2) 2013-2015, (3) 2015-Praise Jesus! She said the Lord has raised him (Netanyahu) up for a SET TIME and season, for the LATTER DAYS. This is very exciting isn't it? FOR THE LATTER DAYS.

Come Lord Jesus!

...

## Benjamin Netanyahu Prophecy

Prophetic Word spoken by Wendy Alec regarding Benjamin Netanyahu in April 2008:

**NOT ONE TERM - NOT TWO TERMS - BUT THREE TERMS AS PRIME MINISTER OF ISRAEL YOU SHALL SEE**

For My son - I have heard your voice in past years lifted up to me in the midnight hour and even in the months and the years past - when you were passed over in office, My son - KNOW THIS - THAT YOU WERE NOT PASSED OVER BY ME. For I, the Lord God of Israel - I, the sovereign God of the earth have raised you up - BY MY OWN HAND. I have raised you up and I saw the struggle in your soul - and I heard you say - it should be me - this is my role - this is my place. But I have guarded YOU JEALOUSLY, says the Lord, even as I have guarded ISRAEL JEALOUSLY. And I have kept you, son - For a SET time and a season - for the latter days For like King David I have taken you even from the sheepfold and I have raised you up for such a time and for such a PLACE and for such a SEASON I have raised you up says the Lord. For I have not raised you up not for your own sake My son - But FOR JERUSALEM'S SAKE I have raised YOU UP and as you have watched the political powers shift and sway - know this My child - I have chosen you by my own hand - NOT for the seasons of the PAST or the seasons of the immediate present but with deliberate intent I have kept you for THIS NEXT and this SOON COMING SEASON and I tell you, My son - THIS SEASON COMES SWIFTLY TOWARDS YOU I tell you, My son - this season descends SWIFTLY upon you and even as ISRAEL was born even in a day. The nation was born even in a day so, like ISRAEL the nation you are hewn from, EVEN IN A DAY - I SHALL SET YOU IN OFFICE - IN THE HIGH PLACE AS RULER OF ISRAEL YOU SHALL BE. For NOT ONE TERM says the Lord. Not TWO terms says the Lord. But THREE terms - says the Lord

For NOT ONE TERM says the Lord. Not TWO terms says the Lord. But THREE terms. And then the time of the END. And you shall see and marvel. And you shall see that I, the Lord GOD of Israel and NO MAN has done this thing. Not by your own strength or the strength of others, says the Lord. BUT BY MY HAND. I shall set you on high. And I shall set you as a WATCHMAN over my Land as a WATCHMAN over the WALLS of Jerusalem and even like King David YOUR REIGN shall be. And it shall be JUST IN TIME says the Lord. JUST IN TIME

For your voice shall cry out against the plans of MEN. And your voice shall cry out against the strategies of the enemy. And it shall be different than before. For your voice shall roar in the White House and your voice shall roar in the United Nations and your voice shall resound even to the European Union And you shall say NO - It is ENOUGH NO - Jerusalem is OUR'S. Jerusalem is the Lord our God's.

✓ For I tell you, child - you shall yet see things in your day that will make grown men tremble. Remember My son - that I HAVE SET YOU - to water and nurture and GUARD my people ISREAL and GUIDE My people ISRAEL. I HAVE JEALOUSLY GUARDED YOU TO RELEASE YOU TO REIGN OVER Israel in the time of the END. Be FAITHFUL My son. Cry out to Me for WISDOM in these coming days, My son. Honour My name among your people Israel, My son. And WHEN YOU SEE these things come to pass - REMEMBER ME says the Lord.

And I will set a flame of fire around you in your days of office And many, many, many will be the sinister schemes laid in secret against you But I shall PROTECT YOU says the Lord And you shall know my covering. You shall know my protection and you shall know My grace. And even in your personal life says the Lord, I am about to pour a great oil and balm upon you - And you shall know PEACE and REST on all sides of your personal life, My son. And it shall be My blessing upon you.

While the nations rage against you and I shall hook out the nations even those of the West that the world shall see their true intents and their evil schemes against My Land. And no longer shall their intentions remain hidden from view, says the Lord For I am roused with a holy anger against them and as you speak I SHALL SPEAK. And as you roar I SHALL SURELY ROAR FROM ZION. For you are My chosen vessel for Israel in these last and coming days.

## HAGGAI 2 PROPHECY (Sister Terri)

### The Coming Glory of God's House

2 In the seventh month, on the twenty-first of the month, the word of the Lord came by Haggai the prophet, saying:  
2 "Speak now to Zerubbabel the son of Shealtiel, governor of Judah, and to Joshua the son of Jehozadak, the high priest, and **to the remnant of the people**, saying: 3 'Who is left among you who saw this temple in its former glory? And how do you see it now? In comparison with it, is this not in your eyes as nothing? 4 Yet now be strong, Zerubbabel,' says the Lord; 'and be strong, Joshua, son of Jehozadak, the high priest; and be strong, all you people of the land,' says the Lord, 'and work; for I am with you,' says the Lord of hosts. 5 **'According to the word that I covenanted with you when you came out of Egypt,** so My Spirit remains among you; do not fear!'  
6 "For thus says the Lord of hosts: **'Once more (it is a little while) I will shake heaven and earth, the sea and dry land; 7 and I will shake all nations,** and they shall come to the Desire of All Nations, and I will fill this temple with glory,' says the Lord of hosts. 8 **'The silver is Mine, and the gold is Mine,' says the Lord of hosts. 9 'The glory of this latter temple shall be greater than the former,**' says the Lord of hosts. 'And in this place I will give peace,' says the Lord of hosts."

### The People Are Defiled

10 On the twenty-fourth day of the ninth month, in the second year of Darius, the word of the Lord came by Haggai the prophet, saying, 11 "Thus says the Lord of hosts: 'Now, ask the priests concerning the law, saying, 12 "If one carries holy meat in the fold of his garment, and with the edge he touches bread or stew, wine or oil, or any food, will it become holy?'"

Then the priests answered and said, "No."

13 And Haggai said, "If one who is unclean because of a dead body touches any of these, will it be unclean?"

So the priests answered and said, "It shall be unclean."

14 Then Haggai answered and said, "'So is this people, and so is this nation before Me,' says the Lord, 'and so is every work of their hands; and what they offer there is unclean.

## **Promised Blessing**

*15 'And now, carefully consider from this day forward: from before stone was laid upon stone in the temple of the Lord — 16 since those days, when one came to a heap of twenty ephahs, there were but ten; when one came to the wine vat to draw out fifty baths from the press, there were but twenty. 17 I struck you with blight and mildew and hail in all the labors of your hands; yet you did not turn to Me,' says the Lord.*

## **SEPTEMBER 24, 2015**

18 'Consider now from this day forward, from **the twenty-fourth day of the ninth month**, from the day that the

foundation of the Lord's temple was laid — consider it: 19 Is the seed still in the barn? **As yet the vine, the fig tree, the pomegranate, and the olive tree have not yielded fruit.** But from this day I will bless you."

### **Zerubbabel Chosen as a Signet**

20 And again the word of the Lord came to Haggai on the twenty-fourth day of the month, saying, 21 "Speak to Zerubbabel, governor of Judah, saying:

'I will shake heaven and earth. 22 I will overthrow the throne of kingdoms; I will destroy the strength of the Gentile kingdoms. I will overthrow the chariots And those who ride in them; **The horses and their riders shall come down, Every one by the sword of his brother.**

23 'In that day,' says the Lord of hosts, 'I will take you, Zerubbabel My servant, the son of Shealtiel,' says the Lord, 'and will **make you like a signet ring;** for **I have chosen you,**' says the Lord of hosts."

As I waited before the Lord to receive this word, I felt what He was about to speak was one He wanted very urgently for us to hear and heed.

***Model My ways in the earth, My children, for plans are made by children of the Evil One that you know not of, and the results shall be terrible to see.***

***Many lives will be lost in the disasters they now plan, and many more forever changed. If you will walk in My ways, many of those souls may be saved, and your reward here in heaven increases.***

***Stay close to Me, My children, for none are prepared for the horrors to come. I will shelter you, I will walk with you – you never walk alone. I love you, My children, with an everlasting love.***

John 13:35: By this shall all men know that ye are my disciples, if ye have love one to another.

Psalms 91:1: He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty.

## Biological / Chemical Attack Vision

# Wings of Prophecy

### Hand of Death

Mar 15, 2015 03:00 pm | Glynda Linkous

I was reading quietly in the wee hours of the morning when I saw a flash vision. It was of a Medical Examiner, I believe in the far Northeast of America, examining the first of a trio of bodies. I believe the bodies were of a woman in her thirties, a young girl of about twelve, and another girl, maybe eleven.

The bodies were covered with small clusters of blisters. They had died of some terrible disease, that I felt in my spirit was caused by some type of terrorist attack of a biological nature. I feel the attack happened without anyone seeing it, and by the time the disease begins killing people, it will already have spread horribly. Thousands will die. There is no cure for this horrible disease, whatever it is. I thought of smallpox, but I have no confirmation from the Holy Spirit if that was it or this disease was something new that had been created to kill.

As I write this, I hear in my spirit the words "Hand of Death." I don't know if that is a nickname for it, or what.

Please pray, Saints. We know the darkness and horrors and glory will all be here at the same time. The horrors will turn many towards Jesus. Our Lord is gracious and merciful. He saved us, and He wants to save the others, too.

I ask that you would post comments here to this word (click on the word Comment(s), below) in lieu of emailing me any comments you have, due to the situation in my family right now.

Thank you. God bless you all. I will post anything else He shows me about this awful attack.

# ***YOU LIVE IN THE TIME OF THE GREAT DECEPTION***

***MESSAGE RECEIVED MARCH  
11, 2015***

***Did I not say that all would forsake you in this life? It is upon you. **You are again alone,** set apart, separated, but you do not walk this path alone. You were purposed for a deeper intimacy in Me than others. You were not purposed to have friends in this world; this was not My design for you. Rejoice in that you have been set apart. You have experienced an intimacy with Me that few will ever know. Very few will climb the summit. Very few will cross over, but you children have done so, and there is a **price to pay for your obedience.*****

***You now know who you serve and your***

***purpose for being here. The Comforter is always with you, leading you, guiding you, and protecting you from the enemy. Fear not what man can do to you and the words that he speaks for they are futile and they are without justification.***

***I alone am the voice you will hear, and it is I alone that you obey. Seek not friendships in this world for you will not have them here. This too has been your experience here in the past and will continue to be, for I have not purposed those types of relationships for you here. This was not My plan. All is being played out exactly according to My design. Trust in this. Do not question the ways in which I operate. For I tell you this, My ways are not man's ways. Leave all to Me. I have all in hand. Truth will be revealed in My time.***

***As you already know, there are times and seasons for all relationships and purposes for why I put you together. As in this, there are also purposes in which I take you apart and separate you and draw you to Me. I am doing a greater work here, a work most will never understand. This is why this calling, this election is so sacred and so pure, because it is all of Me, and so few carry the intimacy as***

***you do.***

***Stand fast. Stand firm. Question not. For to you alone is given the privileges that accompany this type of responsibility. Give all to Me. Do not see these situations as negatives for they are not; it must be so. For some, and for these few it is the only way, the only way for them to continue on the path I have designed for them for their greater intimacy. They must be sifted just as you have had your sifting. The timings, however, are different. Trust in My timing.***

***All is well. I promise you children, all is well. Do not lose faith; take heart. You are surrounded on all sides, hedged in on all sides, high and lifted up with Me in the Garden of My heart in My Kingdom. You live in the time of the great deception. You are seeing and experiencing it first hand. This is what was written in My Word. It is before you now. This is why I have spoken of laser-like focus. It is the only way to stay on My path.***

***I always warn those who are My own of what is to come and it is here. Have rejoicing and praise on your lips and within your hearts for in this understanding that you now have; you***

***know that the timing of My return is so very near. I wish to see exhilaration in your hearts as the time is upon you and the hour is here. I am come!***

***Stay near Me, always near Me. You have My promise. You have My Word and I fail not. You do not walk this alone. Soon you will see Me face to face!***

***Continue to come to Me as often as you can for as I told you, I am going to teach you from the Tree of Life.***

***Forgive those who are deceived for they know not what they do. Love them as I do. Never cease praying for them. For they too are very special in My eyes and are chosen for this time. It is not personal , remember this. It is just what must occur. My sword pierces. My truth at times is painful, but you have spoken it. Now lay it down. I will continue the work in them that needs to be done, and I love them no less because they have been deceived for soon they will know as the scales fall from their eyes and I bring you all home.***

***Do not be troubled, although you are***

***perplexed on every side; you are shaken but not destroyed, cast down by others but it is I who lifts you up. Be not discouraged nor dismayed as the terror by night surrounds you and the darkness increases. You have seen it coming and it is now here.***

***The race is almost finished children, you are almost there. Do not grow weary now; the hour is indeed late. Those of you who continue to abide in the Garden of My heart will be the only ones to know pure truth. The others will be led astray. It is up to each individual to come to Me personally to attain that level of intimacy that I have only designed for them. So, be not concerned of the level of intimacy with others and where they reside on the path that is theirs alone with Me, this is not your concern. I only ask you to continue to pray for them.***

***Guard your hearts and lean not to your own understanding but to Mine alone. You will only know truth. I will not allow you to be deceived.***

***Be at peace in this. Be at peace.***

to me ⌵

Thank you John for your reply.

I would like to share a dream that I had just now. It was rather disturbing. I can't remember the actual order of the dream, but I'll recall it as best as I can.

I was sitting at a window with a view of the sky. Suddenly I saw a brightish light that looked like the sun behind the clouds, but I was confused because our sun could be seen setting in the west, and yet this sun-like object was as I remember where the midday sun should be.

Then the dream went into another scenario. I saw real weird stuff going on in the sky, and very scary. I just couldn't believe what I was seeing.

But before this, it suddenly went real cold. It had been so warm the days before, I think we were well into spring, then abruptly it began to snow.

Then a sudden darkness. I remember looking at my watch and it was only 15.30!  
I thought perhaps it was because a storm was coming, but this darkness was blacker than night. ✓  
As I looked behind me into the sky, I saw that part of the sky had gone deep red, this lasted for a little while. There was a really strange cloud formation that I can't really explain. The clouds were moving extremely fast, and it was very scary.

Then again another scenario. (note that I can't remember the exact order of these events)  
I saw a strange planet in the sky about the size of the moon. It wasn't dark at this point, it was daytime. This spherical object was of mixed colours, it seemed to be spinning and moving towards us, and very obvious so everyone could see it.  
The sky was full of strange objects, there was a lot of activity that I just can't describe.

Then these beings came down from these objects. They looked human, they just dressed differently, they were wearing a all in one type metallic silver coloured suit, and as I recall a female figure was carrying some kind of weapon. ✓  
They were silent and communicated telepathically. They had power to manipulate, and seduce the human mind, so as to get them to obey.  
When you came into contact with them, especially eye contact, they were able to hypnotize.  
They didn't appear aggressive, they were calm and unemotional. I saw one of them who was female in form with a fixed smile.  
I was rebuking them in Jesus name, but it didn't seem to move them much. All I know is that they were the enemy and had power over humans.

ALIENS

This may sound like someone who's got an overactive imagination, or who has been watching too many science fiction movies.

I'm not a firm believer in the Nibiru stuff. I would describe myself as a Gnostic where Nibiru and the space invasion is concerned. I just don't know.

I can't tell you John if this dream was from The Lord or not, but it was so vivid and disturbing because everything was so sudden and without warning.

I just felt the need to share this dream with you.

God bless You and Kenneth and keep you going strong, and all of our Brothers and Sisters in Christ. And may He come soooooon!

**BEHOLD I COME**

**YOU WILL INSTANTLY AND WITHOUT  
EFFORT BE TRANSFORMED WHEN  
THE EARTH IS PLUNGED INTO  
DARKNESS**

*It is I Yahushua, your Messiah, the Lion of the Tribe of Judah in whose breath I establish kingdoms and I subdue them. I am He the Creator of all things. I raise up, and I lay low. There is nothing that has been created that was not thought of, designed, and purposed by Me. I am He that speaks to warn you of things to come. I am He that prepares your hearts to receive revelation and mysteries, understanding and knowledge.*

*This night I have come to share with you that it is upon you. It is upon you children! Keep your focus, stay ever so close for very, very soon you will engage in a way that you have not done before. This is the great unraveling. With great and terrible speed the events come. I mourn for the loss that there will be of so many but it must be so. Do not grow weary in the day to day training and tasks at hand for in an instant all will suddenly change. I tell you this so when all is spiraling out of control all around you and people are in complete chaos and fear, you, My own, will know no*

*fear for it is I who will operate from within. I assure you, you will have My complete peace. You will instantly and without effort be transformed, and from there will go on to carry out many, many things in My name for this is why you are here.*

*The darkness comes children, it comes quickly. **The Destroyer is near. The earth will be plunged into utter darkness and fear will reign.** Terror such as the world has never know. You My lights will all be protected, of course, for you know this already. In this, you have My promise. I tell you this, not to turn your attention towards events for they will continue to escalate in intensity and frequency and they will be terrible. But I tell you this out of My great love for you so that you know that I care so much that I would warn you and prepare you ahead of time. So you would know that I am in every heartbeat and every breath you take, that We are not separated. I in you, you in Me, We are One in the Father.*

*Do not become fearful that you would not know what I would have you do when these things take place for this I promise you as well, you will have My instruction very clearly and I will speak directly to your spirits. You will understand all that I say, and all that I ask you to do. So once again, I remind you, do not allow your minds to engage in a thought process that would take you back to the soul nature, in that you would visualize these events and attempt to*

***prepare your minds on how to handle these situations. This is not what I would ask you to do. Stay with Me in spirit. Don't allow yourselves to feel what you think this will feel like. This will only serve to distract you. This is why I come and speak with you. I do this because I am teaching you. I am teaching you now before these events come.***

***These conversations We have been having are some of the final instructions you will need. For I have spoken many words of love and encouragement and instruction to you, wisdom; all to increase your awareness, to deepen the revelation of all these things that I have been speaking about for so long now. Truly, it is as simple as what has already been said, trust and obey. This is all you need do.***

***May I ease your spirits with one more thing, do not fret over things done or not done, things not completed, timelines, things I have spoken of before. For all is in My hands and I know what will be done and what will not, I know what your needs are and will be. All will be provided for. As always do what you know to do each day, never striving, always abiding, knowing that I have the outcome. I put no pressure on you to finish anything that has been set before you, it is about the journey, not the end. Remember this, this is a wise, wise statement. It is about the journey.***

***Everything you do is a heart matter. I see the motives and desires of your hearts for I have placed them***

***there. I wish to see you seek Me with all you have, regardless of what you consider to be accomplished or not. It is all in My flow. Just stay with Me children, it is that simple, just stay with Me.***

***Be My voice-piece in this place, sound the alarm!***

***REPENT! REPENT! REPENT!***

***For the Kingdom of Heaven is at hand! Truly I come!!***

***\*TIME IS NO MORE\****

North Korea's Navy and Air Force recently conducted a drill simulating "mercilessly striking" U.S. Aircraft Carriers using "guerrillas-style combat," according to official media outlets.

On Saturday the *Korean Central News Agency* [reported that](#) Kim Jong-un had recent personally overseen a recent joint naval and air force drill that practiced sinking U.S. Aircraft carriers.

"The drill was conducted with main emphasis on rounding off the war method of mounting surprise air and naval attacks on the U.S. imperialists' carrier which sailed into the operation waters in the southern half to make military strikes at strategic targets of the DPRK," the report said, using North Korea's official name, the Democratic People's Republic of Korea (DPRK).

Prophetic Alert –

## I Saw an Aircraft Carrier Sink

December 12, 2015

*By Nathan Leal*

*(NOTE – I have posted a few reader comments at the bottom of this page.)*

I am sending out this prophetic alert because God's people need to pray. If you have followed this ministry for any length of time, you may know that it has a history of prophetic glimpses that have been shared over the years. Some have come to pass, some are in motion, and some are still in the delay of God's mercy.

A few nights ago, I had another prophetic dream. It happened on December 5, 2015. I shared it that day with Doug Hagmann because I wanted to find insight on the meaning. After several days of holding onto it, I now feel prompted to share it with the brethren. Please take it under prayerful consideration. If anyone has insight on this information [please let me know.](#)

## The Dream Begins

I was in the sky looking down and saw three aircraft carriers next to one another. I heard the words, "inland." It could have been in a shipyard, but I am not certain.

As I watched the ships from above, one of them began to rotate counter-clockwise towards the left. The ground under the turning ship was very shallow. It scraped the earth under it while it rotated. I am not certain where the ship was located. It might have been at a port. *(The ship could have been in a dry dock getting repaired, serviced, or it could have even been a brand new ship.)*

After it rotated, the carrier left the port traveling south to southwest. When it reached "deeper water" *(I heard the words – deeper water,)* it began to sink.

It did not sink entirely, but it tilted which caused the end of the ship to begin submerging causing part of its platform to go underwater.

Please Use Discernment!

- Cosmic Event (METEOR)
- Earthquake (+12)
- CHAIN REACTION
- THREE DAYS OF DARKNESS

"My child events are very close! The cosmic event will cause the sky to glow and turn red and everyone on the face of the Earth will see this phenomenon! This is your warning to get others to stay indoors and be prepared for the coming earthquake and darkness. My Father holds the timing for this.

Once this starts, it will issue a chain reaction all over the world! Your peace and calm will be a rare commodity as you will know your redemption is near! There will be a lot of fear upon the Earth for what will be unleashed upon the face of the Earth will be horrific! You have been trained to expect this and you will be trained in your kingdom assignment in another dimension. When you see the door walk through it.

Until then prepare your heart and as many others as possible. Some will listen, but many will not. But they will remember what you said and search for you and search your records where possible.

Do not fret! I will be with you for I come in the storm!

I love you my child. Rejoice! For you are mine!"

I received this word early in the morning on February 2nd. Then last night while walking out to my car after work, I saw one of the reddest sunsets on the horizon that I have ever seen! Right above the red horizon was a layer of dark clouds that look ominous. I immediately thought of this word I had received and this seemed like a confirmation to me!

## Skies Turn Red

5/27/2014

"I was laying on my bed in the middle of the night when I was awakened. As I sat up in my bed and looked to the right, I had an open vision and I saw the skies and noticed that they had turned into a deep red and became very menacing." As I changed my focus, the vision vanished and I had an uneasy feeling in my spirit that *I had just received a warning from the LORD.*

### Interpretation:

I believe that the red skies vision forecasts that terrible judgments and disasters are about to befall this nation. I also believe this has something to do with a coming war. Things are about to turn real bad in the very near future with riots in the streets, killing, bloodshed and martial law. This could be both a symbolic warning that things are about to go south in this nation, but it could also be a true representation of what may happen in the not too distant future as a large celestial object makes its close approach to planet earth.

Everything taking place around us lets us know that the governments of the world are preparing for something big. All the billions rounds of ammo, special armored vehicle guns and the passing of specific laws approving the use thereof and the building of DUMBS by the rich men of the earth are telling us clearly that they are expecting something bad and are preparing for it.

Jeremiah 6:10: *"To whom shall I speak, and give warning, that they may hear? behold, their ear is uncircumcised, and they cannot hearken: behold, the word of the LORD is unto them a reproach; they have no delight in it."*

Ezekiel 3:17-21: *"Son of man, I have made you a watchman unto the house of Israel: therefore hear the word at my mouth, and give them warning from me. When I say unto the wicked, You shall surely die; and you give him not warning, nor speak to warn the wicked from his wicked way, to save his life; the same wicked man shall die in his iniquity; but his blood will I require at your hand. Yet if you warn the wicked, and he turns not from his wickedness, nor from his wicked way, he shall die in his iniquity; but you have delivered your soul."*

Again, *When a righteous man turns from his righteousness, and commits iniquity, and I lay a stumblingblock before him, he shall die: because you have not given him warning, he shall die in his sin, and his righteousness which he has done shall not be remembered; but his blood will I require at your hand. Nevertheless if you warn the righteous man, that the righteous sins not, and he does not sin, he shall surely live, because he is warned; also you have delivered your soul."*

Ezekiel 33:3-6: *"If when he sees the sword come upon the land, he blows the trumpet, and warns the people; Then whosoever hears the sound of the trumpet, and takes not warning; if the sword comes, and takes him away, his blood shall be upon his own head. He heard the sound of the trumpet, and*

My Journal 2-2-2015

Please Use Discernment!

*"My child events are very close! The cosmic event will cause the sky to glow and turn red and everyone on the face of the Earth will see this phenomenon! This is your warning to get others to stay indoors and be prepared for the coming earthquake and darkness. My Father holds the timing for this.*

*Once this starts, it will issue a chain reaction all over the world! Your peace and calm will be a rare commodity as you will know your redemption is near! There will be a lot of fear upon the Earth for what will be unleashed upon the face of the Earth will be horrific! You have been trained to expect this and you will be trained in your kingdom assignment in another dimension. When you see the door walk through it.*

*Until then prepare your heart and as many others as possible. Some will listen, but many will not. But they will remember what you said and search for you and search your records where possible.*

*Do not fret! I will be with you for I come in the storm!*

*I love you my child. Rejoice! For you are mine!"*

# The Bride's Glorified Bodies

Transcript:"Warning to the Bride - 278pikelk 05/14/14I'm going to be obedient and put this message up. Lord led to Revelation 22, I will not leave you blind to what comes."My daughter, share this message with those who have ears to hear. Catastrophic events warned of by many of My messengers are coming to your once great nation and world soon. Not one will be shielded from seeing the destruction.

Destruction will come from the elements: fire and water primarily, but you will also experience earthquakes and volcanoes throughout your earth. **Outer space will begin colliding with your once great nation and the world like nothing you've ever witnessed in the past.**

Things will never go back to what you perceive as normal. Once these things start, the end of the earth as you've known it will have begun. Disasters that have taken place in the past and recent past will not hold a candle to what is coming, My Children. You will only have your memories of what once was.

**There will be three days of darkness where My Bride will be transformed into her new, incorruptible body.** During this time she will be visible to others, but they will clearly see the changes taking place in My Bride. People will look on and off as My Bride puts on the new and discards the old. She will be given a new flesh, that is not flesh as you would recognize it as flesh: an incorruptible flesh. She will be given heightened awareness into the spiritual realm. She will be one in thought with the entirety of My Bride, and they will come together to receive their garments and their duties. **There are many who will remain on this earth who My Bride will be in charge of turning towards their Creator.** There will be an evil and a good. There will be evil and good hearts, and the good hearts will truly know their Father and

will be able to see that MY Bride is of Me and that the others are imposters. **My Bride are spirit-filled believers that have emptied their flesh of this world and fully surrendered to Me.** They are My warriors for this time and will be warring for the hearts and minds left on this earth. To either eventually turn to Me, or to take the mark of the beast.

My Bride is very important and will lead many Home to Me. When they see the impostors - when people see the impostors - they will think that they are part of My Bride, but people with Me will quickly figure out the Truth.

Warn people! **The "people of light" are truly dark and they are put on this earth to be nothing but deceivers.** There are very many believers who have never received My Holy Spirit or who have received My Holy Spirit but have quelled Him to where He has never been able to bring them along on their journey towards Me. **There are many who believe in Me, but who have become entangled in false teachings and doctrines of men. They will not want to believe that this is the end.**

My Bride will have to educate them. There are millions and millions of people who know OF Me, but aren't seeking to know Me. My Bride will introduce her Groom. The job of the Bride will not be easy, but she will be equipped with her new and glorious body, filled with My supernatural Light and Love.

**The impostors - though children of light - will be filled with darkness sent to confuse and mislead humans, choosing Satan as their father, instead of their actual Father Creator. These impostors will be arriving on the scene soon.** Most of the people of the world are completely unaware of all that is to come and will be totally taken by surprise. Just remember Children, that there is NO man good. Do not be deceived. Come to Me in prayer for all of your questions. The deceivers will try to

place an impostor in front of you that is so real, **if you did not know My Word you would be fooled.** But many WILL be fooled. I must use My Bride to convince those that know of Me and just don't KNOW Me OR My Word not to fall for this great deception. My Children, I love you so! My Bride must know she will remain protected until she reveals herself in her new, uncorrupted body. My Bride needs to be aware of what is coming. I have chosen some very unlikely vessels to be My Bride. Do not doubt your worthiness, My Bride. Because NO one is worthy, but by the blood of the Lamb. Prepare for battle, My Bride."

## *Judgment Is Set*

*Today many matters will be settled in the nation of America. Do not think it strange, My children, when you see evil rulers on the thrones of an evil nation.*

*When a nation turns from My ways and refuses to honor Me, it is led astray by the lusts of its people and destruction always follows.*

*There is little repentance in America today that would allow Me to show it mercy. The time has been set for judgment and it quickly approaches. Some of you will be coming home to Me in these judgments, but I shall gather you quickly, so do not fear, My little ones.*

*You are very precious to Me and I shall show those of you who do walk in My ways much mercy indeed.*

*Now is the time nations will be judged according to My Word. Those most like Me will suffer least, but all must be judged so that scripture is fulfilled.*

*I desire My children would spend their time in prayer and watching, and witnessing to all those around you, for the time of My judgments grows nearer with each day and will come suddenly upon you.*

*Do not be found sleeping, My children, but awake, in My mighty harvest. Work while it is still day!*

## *Demeaned*

*My people shall be demeaned in times to come. As the world hated Me, it shall also hate you. My people will be blamed for what ails the world, though it is not of your making.*

*Know this is coming, My children, and do not think it strange as it begins, for it is coming soon. Indeed, you have seen the signs already.*

*Many of you live lives of isolation even now because you walk in My ways. Rejoice, My children, for you are My own My chosen ones! That is why you do not fit in the world in which you must live for now. Do not wish for the world's acceptance, for you are not to be like those headed for damnation.*

*I desire none would perish, but many will. They are choosing damnation for themselves.*

*Oh, that they would see and taste the good life I offer them! (I heard so much grief in His voice here!)*

*The life I have purchased for them with My own blood!*

*Choose you this day whom you will serve. Those who have chosen Me shall rejoice forevermore, and live in My Holy Presence.*

## THE HOURGLASS IS EMPTY—IT HAS BEGUN

Message received Oct. 20, 2014 10:30pm

My daughter, you must focus now more than ever before. I know My Bride is weary, she feels tattered and torn by the cares of this world but you must know that you are never alone and that I walk this out through you. You must know that you are surrounded by My angels and that I will never leave you or forsake you. So much is transpiring not only in the spirit realm but in the natural realm around you and it is difficult to balance in every aspect of your lives. I tell you this, My only requirement is that you be with Me now. I wish for you to stay close to My heart, allowing Me to shower you with My love, keeping you and being the Protector of your heart. Events are rapidly escalating daughter and the world is truly teetering on the brink of collapse. All of the words in My Holy Word are being fulfilled, each and every one. Nothing will hinder what Our Father has begun. It matters not where you are, what you feel you have or don't have, whether you are rich or poor, free or slave, it matters not the conditions all around you. The only thing that matters is your intimacy with Me. Are you washed clean by the blood of the Lamb? Do you wear My cloak of Righteousness? Are you ready at any moment for My return? Have you left the cares of this world behind and truly laid your burdens down? Do you continue to stay in full surrender to My will for your lives? Do you walk in complete obedience on the path that has been lit before you, although narrow? The way has been made. You have been shown daughter several times now the evil darkness that is spreading so quickly over the entire earth. I must render judgment where judgment is due. I must come to avenge the innocent. I must come to establish righteousness in all the lands. Though My Bride walks through the valley of the shadow of death, you will fear no evil for My rod and staff comfort you. I have anointed you with oil and your cup overflows. I have set a table before you in the presence of your enemies. Trust My children and obey. This earth will shake violently and your weather systems will be chaotic. I will bring much devastation to this earth as the Apocalypse Horsemen have been released. Much death and devastation comes to your lands. Cry the message of repentance to My people. Shout to all those who have ears to hear REPENT, be baptized and be saved for the Lord God Almighty is releasing His hand of protection and the time of reckoning has come. All that has elevated itself as being high will be brought low. The proud will know their demise. Tell My sweet and lovely Bride that she is loved beyond measure. Again, I know her weariness and her despair at watching the horrors on the earth unfold, and wondering why the Father waits to send the Bridegroom for His Bride. Know My children that there is an appointed time for My return and nothing, I repeat, NOTHING will change this precise moment or alter it in any way. The moment when Our Father sends Me for you, for He is a God who never changes. Keep the eternal perspective, knowing that you only have this moment of now in My Heart. In My Father's perfect design are events that must occur in a precise order, a precise way before I will come for you. This design is intricate and it is perfect and it is complete. I realize you have done your best in your limited understanding to put the pieces of the puzzle together in order to know the timing of My return, and this is good children for I wish that you would always be prepared, for you know not the day or the hour that your Lord comes. Stay humble and contrite of heart My people. Intercede for the lost for they are many. They know not how they sin against Our Father and against Me. We have been most merciful, gracious, and long-suffering, but the hour is come, it is here, and all will come to pass as has been foretold and the world will see judgment like never before. Woe to the inhabitants of these lands. Woe to those who continue to walk in disobedience, idolatry, fornication, witchcraft and all manner of evil things for they will know their demise and I will not stop until My wrath is kindled. You My Bride, however, are safe under the shelter of My wing and in the cleft of My Heart always. Draw close sweet children, draw close for the world will know that the Great I AM has spoken. The hourglass is empty...IT HAS BEGUN....

*My people have their confidence in other gods to protect them, not Me. My people, do you not know that the gods you trust to protect you will be your only protection in times of danger and destruction? You must trust only in Me, the one true God for your help.*

*Find your protection in Me alone. I am your refuge, your defender, your fortress, and no other protection can save you from what is soon coming.*

*Examine your hearts, your thoughts, and your actions. Put your trust only in Me, My precious children!*

*Run to Me and be safe.*

### The Journey Home

*Death shall reign in the earth for a time, My people. Many of My children will not fully understand what is happening, but those who study to show themselves approved in My Word shall know much of what is coming. For I shall reveal it to them through My Holy Spirit.*

*Those of the world fear death for it is the end of worldly pleasures, but for My people, it is the beginning of new life with Me. Eternal life – a life of no sorrows or labor for My children where you shall enjoy all the many great treasures I have laid up for you in your new homes! For My children, earthly death is just the closing of the door of sorrow as they begin their journeys home.*

*Hold tight to Me, My children. Fear not death, nor the journey, for I am with you always!*

# EBOLA VISIONS

The Ebola Visions 10/11/14

Posted on October 12, 2014

Amos 3; 6-7

Shall a trumpet be blown in the city, and the people not be afraid? shall there be evil in a city, and the LORD hath not done it?

Surely the Lord GOD will do nothing, but he revealeth his secret unto his servants the prophets.

FROM THE MOUNTAIN PROPHECIES  
BOOK TWELVE  
CHAPTER ONE HUNDRED

The Spread of the Ebola Plague: A Great Dying!

After I prayed today with a friend, our Blessed Saviour gave me several visions relative to the ebola plague, its spread in this nation and also its spread in some other nations.

I saw in that vision an angel, who poured out a large vial of a dark substance upon this nation, near the middle of the nation. Soon after the angel poured out this vial upon this nation, which I understood to be one of the plagues from the Book of Revelation, I saw dark tributaries began to form and these tributaries began to enlarge and to flow outward across this nation. These dark tributaries grew quickly until they began to spread out and become diffuse, fanning out their presence until a deep red mass began to cover this nation from north to south and from east to west. It seemed that the whole nation was covered in blood and I knew that I was seeing the rapid advancement of this ebola virus in this nation! Then, I heard our Saviour say, "Because you have loved the shedding of innocent blood!" (How many slaughtered babies in this nation? Perhaps as many as 100 million?)

After seeing this nation, which seemed to be covered in blood, I saw piles of dead people. The dead seemed to pile up so quickly! In great heaps, they were piled up! Then, I saw workers, who took the dead, who were stashed in plastic bags, and they began to toss the heaps of dead bodies into open box cars and onto long flat-bed trucks. Thereafter, I saw them unload masses of these dead bodies and throw them into empty houses and set afire those houses, which were stacked with dead bodies and they burned the bodies and the houses together! Then, I saw these workers take more bodies and throw them into square pits, which had concrete bottoms and concrete sides, but were otherwise open pits and on top of the bodies, they poured accelerants and set afire these bodies and burned them in this way.

After I received the above part of this vision, I then was taken into an underground base and there I saw the President of this nation. Along with him were a small group of people, though I cannot be certain that they were all humans; and I say this because of the high-reptile hybrids, who look like humans. However, they are not human, but can be up to 99% reptilian and they are very great enemies of all people.

I watched them there and I knew that they were in the midst of a plot, a very great plot, indeed; and that plot was to determine how to spread this virus among the people in this nation at a more alarming rate. I saw what they plotted, at least some of it, and firstly I saw that they were planning to put this virus into packaged meat in some of the grocery stores. Then, I saw that they were plotting to put some of this virus into open reservoirs of drinking water. Then, I saw that they were plotting to release terrorists into shopping centers, who would run quickly from one to another shopper and inject certain of these unsuspecting shoppers with the ebola virus, and thereafter flee!

I was deeply disturbed by what I was seeing, but I also knew that I was being shown only part of their terrible schemes! For many years, our Blessed God has shown me the plans of the enemy and upon knowing the schemes of the enemy, a few of us would pray and we would then see our Saviour intervene to stop their schemes. Yet, sadly, Dear Ones, I believe that we are now reaching a point-of-no-return, not only in this nation, but around the world!

Then, this vision carried me away from this nation and into China and there in China I saw someone turn on a faucet and from this faucet ran blood, a great stream of blood and blood began to run out all over China. I knew from this vision that that blood represented the ebola virus and this was our Saviour's wrath against China because of the killing of the unborn! Then, I heard, "One third died from this plague in China!"

Then, in another part of this vision, I was led to Europe and I witnessed a deep, black cloud as it descended and covered Europe and I strained to see what was hidden beneath this dark cloud; for a great darkness covered all of Europe! But, after some peeping into the darkness for a little while, I began to see there, hidden beneath the grossly dark clouds, great numbers of white crosses, yes great numbers of people buried in massive numbers of graves. As far as I could see, even for great distances, nothing but graves. And, as I looked at the massive numbers of graves, I began to have a terrible discerning in my spirit, a terrible feel that in certain of those nations, most of the people were dead!

And, then my eyes moved downwards to Africa and a red covering went across Africa and covered most of Africa. And, I knew that many in most of the continent of Africa would experience this terrible, hemorrhagic disease! As I was seeing this last vision, I began to hear our Saviour's words; and they are as follows!

**Message from Jesus, our Blessed Saviour**

"No more," says the Lord, our God! "No more will I mercifully withhold My judgements regarding your wicked ways! You are a wicked house, oh My house, and all over this nation, you parade your wickedness! I will no longer strive with you, oh America; for you have perverted My word! You have rebelled against Me and I am against you, oh America!

From nation to nation, I will look; and I will rise up now to judge in righteousness; for evil threatens to devour the whole world! And, as you have loved evil all over the world and as you despise truth, I will cause you to fall and to serve evil and to fall to every lie; for you love a lie! And, I will hide Myself from those, who love evil, but the righteous I will keep, even in the midst of terrible wars! Yet, My Tried and True I will take and they will be with Me; for as I am plucking up, I am also reaping!

Woe to the inhabitants of the earth; for Satan and all of his wicked hordes are being cast down and you, oh My people, they hate with a perfect hate!

Therefore, you will either repent, and turn to Me with your whole hearts, or you will perish in your iniquities!

Woe to those, who take the mark of the beast! For, that mark is the end of the line for your souls!

I am a Righteous God and I am going to have a holy and righteous kingdom! Blessed is the One, who seeks firstly the kingdom of God, that righteousness may be added unto you! For, sustained righteousness in you, oh My Blessed and Faithful Ones, is your eternal freedom!

**I am Jesus!**

**As witnessed, dictated and recorded this 11th day of October, 2014.**

**This is where we are, Dear Souls, at that time of dividing, that time of sifting. Go into your prayer closets! Watch, and pray always! For, surely some will be counted worthy to escape all these things!**

**Jesus bless you, Dear Ones! I love you very much!**

**Linda**

**FROM THE MOUNTAIN PROPHECIES  
BOOK TWELVE  
CHAPTER ONE HUNDRED**

**Part II  
BEWARE!  
WE ARE LOOKING AT THE CRASHING OF WALL STREET!**

**Dear Souls, this vision was given to me about six weeks past, though I do not recall the exact date, so I say, “six weeks, or possibly a few days less than six weeks.”**

**On that particular day, I was sitting on a sofa out in the Prayer House. (Blessed are those, who have helped build this house!) And, on that day, and relative to that vision, as I sat there, I saw a wagon come gliding down over my right shoulder. I looked to see that this wagon was being pulled by a giant bull!**

**As I focused on that wagon and on that bull, I saw that two of my precious friends were in that wagon, both of them in their sixties. Suddenly, the whole room disappeared and all that I saw was the wagon, which was gliding past me, with my friends in it; and it was on its way down!**

**However, quickly after this wagon passed me, I realized that the bull was in trouble! Pieces of hide began to fly off the bull, along with masses of fat! In amazement, I watched the bull as he continued to glide downward, fat, muscle, fur and other parts of the bull flying in all directions!**

**In a short while, the battered bull and the wagon, which was carrying my precious friends, reached a plateau, down there somewhere; and I remember thinking that it might stay there on that plateau for a while and it did stay there for a little while! But, only for a short while! And, as I was thinking that this bull may possibly rest there on that plateau for a while, the bull suddenly took off running! It went downward and into a nose dive! So fast, it went down, coming quickly to a stop in front of a lone tree! I looked to see that my friends were okay, but the bull was not okay!**

**I was no longer looking at a great, strong bull, but an animal, which was devoid of all of its skin, devoid of all of its fat and devoid of all parts, except for its skeleton and this bull was now the size of a dog, about an 80 pound dog!**

**I called my friends to warn them about the coming stock market crash and I advised them to use careful discernment regarding any of their assets, which might be tied to this market! And, now, just some few weeks after sharing that vision with them, we see that Wall Street has lost all of its 2014 gains and suffered this recent loss within a very few days.**

**Relative to this market crash, note that the bull glides down! This crash did not come all of a sudden! So, there is time to act, but you need to be circumspect! This warning not only involves those of you, who have investments in the Stock Market, but who have pension funds, or other kinds of savings, which banks have invested in the stock market! So, be advised!**

**This crash is going to be exceedingly bad for this nation! But, if you live overseas, do not say, “Oh, that is over there!” There will come a world-wide market crash!**

**God is our Refuge! He is our Provider! He is our Victor! But, hold on! For, everything that can be shaken is about to be shaken! Blessed is the Name of the King of Kings and the Lord of Lords, our Blessed Redeemer, forever and ever! Jesus loves you! I do, too! Linda**

# Anne Graham Lotz: God's 'Judgment is Coming on America and On Our World'

---

By [Michael W. Chapman](#) | May 8, 2015

| 12:30 PM EDT

Christian evangelist Anne Graham Lotz, daughter of world-renowned Pastor Billy Graham, is calling on Americans to pray and fast for nine days, May 15-23, to ask God for help in these distressful times because, she says, God is warning that "His judgment is coming on America and on our world, and it's going to be ugly."

Anne Graham Lotz's concerns echoed those she made at a Watchmen on the Wall [conference](#), where she referenced the story of Noah and the flood and people eating, drinking, and giving in marriage, while indifferent to God, and warned that

today many people "have no idea they are living on an abyss, and judgment is getting ready to fall."

In the invitation to the May 15-23 "[Mayday! Distress Call for Prayer](#)," Anne Graham Lotz, the author of 11 books and holder of six honorary doctorates, notes that she recently was teaching a seminar on the first two chapters of [Joel](#) in the Old Testament and said the "impact was profound."

"I knew God had spoken," she said. "The messages almost made the hair stand up on the back of my neck. Why? Because God was clearly warning that His judgment is coming on America and on our world, and it's going to be ugly. I knew it then, and I know it now."

Referencing the evangelical belief in the Rapture when Jesus returns, Anne Graham Lotz said that when authentic Christians are gone, “Institutions will collapse. Banks will close. The Stock Market will plunge. Planes will fall out of the sky. Cars will crash on the road. Government in America at every level will disintegrate.”

“Families will be torn apart,” she said. “In the unprecedented turmoil, our nation will be vulnerable for our enemies to seize the moment and attack us. There will be mass chaos, confusion, fear, grief, despair, anger, threats, danger ... judgment.”

However, just as God allowed the Israelites to suffer through the ten plagues before they were delivered in the Exodus, Christians may have to endure “distress and trouble” before God brings peace,” she said, and thus Christians need to pray, “to cry out to God on behalf of our nation and our world.”

The [nine days of prayer](#), May 15-23, occur between the “Day of Ascension of Jesus and the Day of Pentecost that have Biblically and traditionally been days of prayer and fasting for an outpouring of God’s spirit,” said Anne Graham Lotz.

The purpose of the “Distress Call of Prayer,” she said, is to ask for God’s grace; to pray for “our nation to return to faith in the living God,”; to entreat God for an increase in souls for His Kingdom; and to “delay or soften God’s judgment that is coming on America and on our world.”

In her comments at the Watchmen on the Wall [conference](#) in 2012, sponsored by the Family Research Council, Anne Graham Lotz said, “Jesus himself gives us in verse 37 to 39 – I’ll just, sort of, quote it in a paraphrase, “As it was in the days of Noah, so it will be at the coming of the Son of Man, men and women eating, drinking, marrying, giving in marriage, and they had no idea that judgment was coming until it came and swept them all away.”

“Indifference to God,” she continued. “Do you remember in Genesis 6, when God said, I’m going to destroy mankind whom I have created from the face of the Earth because all of his thoughts are evil all of the time. And it was as though God were just speaking into the wind. No one was paying any attention to Him at all. And then the Flood came.”

“Today, people eating, drinking, giving in marriage, there’s nothing wrong with those things, nothing, there just normal everyday activities, right?” said Anne Graham Lotz. “Except when they’re all done with no acknowledgment of God at all – complete indifference to God.”

“This rising atmosphere of secularism and atheism is astounding,” she said, “because there is a God in Heaven and I believe judgment has begun, in the world and in this nation. We’re eating and drinking and giving in marriage, and I think the malls are packed and the stadiums are packed, and people talking about what’s on the latest sit-com and worried about all their entitlements.”

“And they have no idea they are living on an abyss, and judgment is getting ready to fall,” she said.

Anne Graham Lotz is the second daughter of Billy Graham and his wife Ruth Bell Graham, who died in 2007. Anne Graham Lotz is married, has three children, and lives in Montreat, N.C. She is the president and CEO of [AnGel Ministries](#).

## Rest Well

*Rest well, My little children, for soon you will be coming home to Me. I have prepared many delights for you in your heavenly home, and you will be filled with My joy here.*

*The end of time on earth will be nothing pretty – all evil must be eradicated, and there will be much violence and many plagues. My Word shall be fulfilled in every respect.*

*Enjoy your last days there – tell everyone you know I am coming back soon. Many shall mock or not listen, but this is of no concern to you.*

*Abide in Me and My Word at all times, for the end will come unexpectedly and My children should be watching – and praying – when I appear.*

Exodus 33:14: And he said, My presence shall go with thee, and I will give thee rest.

Matthew 11:28: Come unto me, all ye that labour and are heavy laden, and I will give you rest.

John 15:5: I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing.

## *The King Is Coming!*

*The time is coming soon when the sins of many shall become evident for all to see. I am the God of Truth, not deception and lies.*

*There are those who pretend to be good shepherds who secretly devour My flock. I tell you now that I – Myself – I, the God Who Sees everything, will expose this for the whole world to see. You will hide behind lies in My Name no longer! I will not allow My children to go on being deceived by you!*

*Great deception is coming upon the earth (in the spirit I see a swarm of demonic flies – like a black cloud, buzzing loudly) which shall be fed by children of the Evil One. Only those who abide in Me shall escape this deception, for My Holy Spirit shall reveal the truth to them.*

*Fear not, My children, for though the time of the end is upon you, for you this means great glory, joy and rewards! For I shall take care of you in this time. My Spirit will guide you and I shall send My angels to provide for you.*

*Do not fear any ability of the Evil One, for he cannot touch those who are Mine without My consent. Walk in Me in love and stay in My Word (I see He means meditate in it day and night – at all times, while ignoring circumstances around you) and you shall not need anything you do not have.*

*Rejoice, My children!*

*Look up and rejoice, for your redemption from the darkness and evil of your surroundings draweth nigh!*

*Your King is coming!*

## The Time Has Come

*My people, the time has come for which you have waited so long. Now is My time for fulfilling the dreams of My people as they carry out My plans in the earth. All of heaven is preparing for your homecoming, My children, and the excitement is great! For I dearly love My children and desire to have you all here with Me, enjoying the treasures you have laid up.*

*This time will require your clearest focus. The enemy will try harder than ever to keep you distracted from doing My work in the earth, as many souls are at stake.*

*Plans of destruction are being laid now for many in the earth, and as My plan plays out you will see many of those around you pass from the earth. Do not fear, My children, as you have always known this time must come.*

*Study My Word and keep your focus continually on Me, and I will keep you until it is time for you to come home.*

*Just a little longer, My precious children, and we shall live together for all eternity!*

*Lynn (3 June 2011)*  
*"A Vision of Alien/Demonic Attack - Rapture"*

---

Hello,

I have been reading FiveDoves for a few years, and this is my first email or contribution.

I rarely have dreams that I know to be "visions"; I've only had a few in my life. The latest one happened about two weeks ago. My dreams are usually in bits and pieces and I forget them right away, but I KNEW this was from the Lord.

I dreamed that I was in my apartment in Kansas City. It was morning, and the sun failed to rise. There was darkness all over and it was around mid or late morning. It was not an eclipse. The sun simply was not there. I cannot say whether it literally did not rise, or if it was darkened or blackened out. There was widespread panic EVERYWHERE, in fact pandemonium. People were outside, running around, screaming, panicking. News crews were set up outside. I understood instinctively also that this was happened around the world, not just here in KC. I stepped out of my apartment and asked someone what was going on and there was no answer. Then I looked up and I saw hundreds upon hundreds of orange lights in the sky. There were so many of them that they looked like stars, but they were closer than stars. They did not move, but were just stationary. I knew instinctively that they were alien ships. It was an "alien" invasion, which I knew also instinctively in my spirit to be demonic.

Then I felt my body start to tingle and transform and be lifted up. [I had felt this feeling many times over the past several years, especially during very light phases of sleep, and each time I actually thought I was being raptured and I would joyously cry out, "is this it Lord? - Hallelujah!" only to realize it was a dream] I was not transported upward but in this vision I was transported into a closet, an inner closet in my apartment. I live here in Kansas, and in tornado season, an inner closet is where you crouch and hide if you do not have a storm shelter or basement. In this vision, I again instinctively understood that I was being taken by the Lord into a protective place, or hidden away, if you will...i.e. a hiding place. I knew this being put in the closet was not literal but figurative. I also knew that I was completely protected to the pandemonium going on in the World.

Then the vision switched to these alien/demon ships coming down towards earth and hovering over my apartment and there were blue lights, like highbeam spotlights that were being used to look in the windows and to look for people. I never did see the actual ships or crafts, just the blue search lights. The actions being done by these crafts and aliens/demons was aggressive and predatory. I did not completely understand if I was "present" during this invasion or if I had departed and was therefore "hidden" from the danger. My heart was pounding and racing and then I woke up. This vision was as clear as day and I remembered it very well afterwards.

Thanks for all the great work doves,

Yours in Christ,

Lynn

## ***Final Answer***

*My children, rejoice in these days before you. These are days of a quality unlike any you have known.*

\*\*\*NOTE: I saw and heard the sound of wheels grinding, like to a stop, what I saw looked like the workings of a giant clock.

*A change is coming – very soon. This is a time of choices – most important choices – to be saved, or not; to serve Me, or not; to answer My calling, or not.*

*These are the days of choices with eternal consequences.*

*Some of you have seen lately the consequences falling in the lives of those who continue to reject Me, or refuse to live for Me, even while professing My Name.*

*Choose carefully now, My children, for when time is ending, you do not always get another chance to choose.*

*It is time to give Me your final answer, for the end is near. I shall now accelerate My plan in the earth, that My chosen ones – My Bride – may return home to Me at her appointed time.*

*Will you accept Me?*

*Will you serve Me?*

*Will you answer My call on your life?*

*What is your final answer?*

## Heavenly - Instruction for the Three Days of Darkness

# Levels of Heaven and Universe Travel

## Lisa Visions

Outside she sees some waterfalls near her house, and believes that where she lives, people are roughly 1 mile apart. She cannot see the City of God because there are hills in the way. She feels that if she wanted to, she could travel to her next door neighbor in an instant. She also feels she can travel anywhere in the universe(s) instantly if she so desires. This seems to be due to a reward and not everyone will be able to do this. Lisa has seen a monorail in Heaven. I know many people have seen ALL TYPES of transportation in Heaven so there must be a reason for this.

While she is in Heaven, and in this vision, she has NO concern that her children may be left behind during the Harvest. She knows that God will take care of this. I will explain this more in her updated Training Grounds vision later. She says her husband has a mansion somehow attached to hers in this area. She also knows that he has a mansion near God's Throne. This is a good time to explain something that you may or may not believe. It is something I feel God showed me by watching the NDEs, but He shows others in a myriad of ways. If you are reading this website consistently, then you are already open to what I am about to share. I personally find it VERY encouraging!

We believe that there are "levels" in Heaven. The best way I can explain it is to have you watch this video (less than 5 minutes) Please watch this and then continue reading.

Lisa believes that some of her family members that really did not seem to come to Christ during their lifetimes, may be in this Paradise or Outer Court area. Those in that area are not able to travel to the "Inner Court" where Lisa's house is and so is not able to be there for that dinner. Yet she feels during the vision, that they are in Heaven. The Inner Court is

in the City of God, but the Outer Court is not. A confirmation of this comes from Alex Malarky whose story is written in [The Boy Who Came Back From Heaven](#). On page 49 we see this,

"When I went to Heaven, I arrived on the inside of the Gate. I was with Heavenly beings, but the other people who came to Heaven were all on the outside of the Gate. "

A few paragraphs later, this is written,

"The outside of the gates is like a waiting room. Things don't move on the outside like they do on the inside. They move, but it's not the same. I can't describe it."

I think this is one of those things in the book that most people skip over. We never learned about another area in Heaven. Certainly I never learned it growing up. But during the NDEs I've read and watched, many people see their loved ones during their experience, but they don't see Jesus. Sometimes they see His Light and feel His Love, incredibly overwhelming love, and they know then that God exists. But they don't see Him. In one of my favorite stories from Howard Storm, Jesus tells Howard (after rescuing him from the gates of hell) that he (Howard) is not yet a candidate for Heaven. So I believe Jesus was taking him to Paradise or this outer court area. Please note these are only guesses but over time they seem to find confirmations in other things I read.

Lisa feels there are at least three areas of Heaven or places where we can walk as the Bride. It is my speculation that those who are lost NOW, but come to Christ at the end of their life will reside (and are residing) in Paradise. A Biblical confirmation of this may be the thief on the cross whom Christ told, "Today you will be with Me in Paradise." This was a last second salvation so it is possible that like Howard, this man had not

earned the right or blessing or reward...to be near God's Throne...which is like the Holy of Holies. I have been told through a Word from another sister in Christ, that I "reside near the altar of God". At the time I read this Word, I thought everyone resides there. But it seems they do not. But the Bride surely does! Or at least we can have a mansion there if we want to. I know others have said Jesus allows us to live wherever we want. Lisa also believes that we as the Bride and those like us who have died, will have more privileges if you will..than those that are not allowed in the Holy of Holies. Please note too that I am merely using the words the man in the video used, I have no clue what these areas are called.

So how does one get to be allowed in the Holy of Holies? Lisa feels we **MUST** be obedient to God. Now is certainly the most important time for the Bride. So many of the lukewarm church are not obedient, but some try based on what they have learned. So we don't want to guess as to who lives where, and has what privileges or blessings or rewards, but we do feel there are at least three areas. Mr Johnson says something in his video that I do not agree with but it is **ONLY** my opinion. I believe people **CAN** move forward in Heaven because we have learned that we are also learning in Heaven. There are schools etc. and it may take **MUCH** longer, but people can move forward. God tells us that we only get to live one life here and so we need to make sure we are obeying Him as much as possible in this life.

I hope this helps and encourages you, especially when thinking of loved ones or friends that may not make it in the Rapture, even during the Harvest. It seems that God has a plan for them too.

Finally I am reminded of 1 Peter 4:8 "Above all, love each other deeply, because love covers a multitude of sin." Have we not been told over and over that God sees the heart? We cannot judge or tell who will make it to Heaven or which level. If we think we can, then we are full of what Sue calls, "godly pride" in her message on the Pearls of Wisdom page, and we need to repent of that. Only the Father knows who is truly coming Home and where He is putting them.

# MORE FROM LISA

10/02/14 - The End of all Things is Here

Lisa started seeing the rainbow again tonight in a vision. She wants you to get a better picture of what she is seeing. She says to imagine that someone is holding a rainbow end to end and just shakes it and it rolls like a flag rolling in the wind. The colors are not attached to each other, yet they are solid in their own coloring and stripe. She feels this "rainbow" will appear very soon after the bombs are exchanged between other countries and Israel. While she saw this vision, she started to hear a Word from God and so she sent me a text and I called her. Here is the Word:

"My children, the end of all things is here. I am getting ready to change your mortal to immortal. I know some of you have felt like giving up, you lost your hope. Some of you have even given up. I see the struggles that you all are going through but have hope, your redemption is here. All these things I have spoken of...it is time. They are here. They will start happening and you will see it's just like I have said. Be strong and have courage for I am equipping you." (at this point, Lisa saw something being tossed to some people and she felt it was some type of supernatural manifestation like her healing hands.)

"The heat in your hands brings not only healing but revelation and a deeper understand through that." (that is, laying her hands will bring a revelation of God and His glory to the person that she touches, lukewarm or lost or even atheist)

"You My children are going to start using these weapons and healings. This will be like nothing that has even been before, the fields are ripe. People are so hungry and desperate. Where you had nothing but resistance in the past, this will be different."

(at this point I HAD to ask a question! I asked if these things that were going to happen to us, were going to happen BEFORE the darkness...that is what He seemed to indicate with Lisa and other Words I had read.. Here is His reply)

"Certain things are coming before the darkness. Very soon you will have a deeper understanding of all these things. These things will be revealing."

Then He started yelling...VERY LOUDLY per Lisa (like a roar).

**"WAKE UP, MY CHILDREN!!!! YOU ARE ABOUT TO SEE MY GLORY!!!!"**

I asked another question...is there something that WE are supposed to do to help receive this? Or since we are already chosen...do we just accept it? Lisa prayed about this and said God said we need to HUNGER for Him and He will pour it out on us! This "glory" encompasses everything that is God. But we need to be grounded in God to receive this. I am starting to understand more about how God is, in that I am no longer really watching the Ebola scare, ISIS and the wars, volcanoes, dead animals, aliens...etc. My mind is becoming more centered on God and I believe after this experience, God is starting to show me more based on this [dream](#) I had a few hours after talking with Lisa. I am telling you this about my dream, because I believe this is God calling the Bride, not just me. He is telling ALL of us what will be coming soon, how He is pouring out His glory and what He is looking for in us. There is nothing we have to DO...we just have to BE and allow Him to manifest Himself and His gifts, but we need to purge ourselves of sin and the world for this to happen. ~ Hope

## CALL OF THE BRIDE (LISA)

(Call of the Bride)

<http://www.thecallofthebride.com/>

**09/25/14** – Lisa had another vision today with bombs exploding everywhere. You need to understand that she has been “seeing bombs” all week. Also she has seen “snap visions” this

week of power going out...lights flashing out etc. She does not know if that means that the darkness is coming or that power has gone out, but feels confident that it could mean a bomb or bombs may be EMP. She believes we may lose power at least for a short time.

The bombs that she has seen are clearly for NYC and Wash DC. These seem to be major bombs that will be very destructive and have the most impact, possibly nuclear. Other places seem to be stadiums, malls, and she tried to look at California airports

based on my dream [here](#). She did not see a specific place but thought of LAX airport given the size. The other bombs seem to have less destruction, less deaths etc. The stadiums make her think it could happen on a Sunday, and of course people are shopping on that here in the USA anyway.

Lastly, one bomb that seemed to be different seemed to be in Israel. She could clearly see "rings" coming out from the bomb. Possible that could signify nuclear or atomic bomb, or perhaps EMP.

All the events above just feel imminent to her, and many of you too I know. Tied in with my dream, we surely need to keep our eyes open on this weekend and keep our hearts in prayer.

I also would like to mention that timelines are NEVER given in these visions. The Lord is just not giving us that information through Lisa. So when you read these, keep that in mind. I've had emails expecting exact events on certain days and I apologize for any miscommunication but **we want to state**

**emphatically that dates aren't given.** All guesses are OURS and as humans we fail. We speculate like many and are looking for our Redeemer ALWAYS! But just know that nothing is set in stone in these visions.

**09/20/14** - I spoke with Lisa tonight and the Lord has given her more insight into her USA bombs vision as well as the portal she saw during this past week noted [here](#).

**Bombs:** She feels that ISIS is behind these bombs that are coming upon the USA and very likely other countries as well. The government is aware of the planning behind the scenes and is encouraging it. Lisa has strong feelings that there will be bombings in NY, DC and the Chicago area. These events are tied to others but in a different way. The ones I mention are more scattered around the cities. However she has also seen a potentially larger destruction of bombing of a football stadium (see Paige's page [here](#)). Lisa has a sense of where it is and says that there is enough water nearby to flood the stadium when she sees explosions. Lisa saw her vision from overhead and says there is a partial roof over this stadium so we are not sure if that means a partially retractable dome roof or not. That is simply what she saw. Others have seen different variations of stadiums being bombed so it is possible that more than one will be attacked simultaneously.

**Black Hole** – I wrote about this vision in a Blog to get some others comments. All emails were forwarded to Lisa and she asked God about this tonight as He was showing her other things. He showed her the vision again and said, “**This is an opening for demons.**” He told her this is what will occur during the black mass being held tomorrow...Sunday...in Oklahoma City. (Sept 21). He then told her , “Portal/Bombs”...she had the very distinct feeling of putting the two words together.

**09/02/14** - I spoke with Lisa last night right at the tail end of her vision. It was a VERY interesting experience!

She was still seeing things so I just got pen and paper and stayed quiet while she began to speak. This is the gist of what I understand to be coming, followed by Q&A.

She began by asking God if she was one of the ones that would get a Warning Message. The Lord said not only would she get one, but the whole world would. Within this month she believes that the entire world will start seeing the sky "change". It was hard for her to describe so understand that these words are the only words we know to describe what she saw. Something similar to volcanic ash was in the sky. She did not know if it was actual ash from a volcano such as in Iceland or not, only that there was something in the air. In our lifetime we have only seen the sun and moon and stars and other typical space objects, but this will change. Because the sky starts to change, people start to wake up to what is happening. They will be "shaken"...Lisa used that word frequently but not speaking of a geological event, but that initially people will be wondering what they are seeing in the sky. It sounds as if it will get worse and worse because people will be terrified and very frightened of what they are seeing. These are not demons or aliens they see, but rather just space. The sky will look "mixed up". That's the best she can explain it. She saw "waves of dark" move over the sun, so not total darkness at first but a darkening sky to be sure. She purposely looked for any event around Sept 11 but nothing was pointed out for her to see. She does feel that maybe something manmade will happen in the USA first, perhaps a NWO thing or false flag or just a guess here. But the manmade event would happen before the 3 days of darkness. What we see in the sky will NOT MAKE SENSE to people, most will not understand what they are seeing. She says even those who do not believe in God will be shaken and it will get their attention.

After she explained everything, she asked me if I had any questions as she could still see into the vision. I asked her if the bomb that hits Israel will start everything (see previous visions) and she said that the scenario she believes will happen is that the bomb(s) hit Israel and then Israel and God start to fight back. It sounded a LOT like the Psalm 83 war as she explained it, only a very quick war because all Israel's enemies see that the hand of God is with Israel and they back off and try to stay low for a while.

I asked her about all the "shaking" she saw. She said this is man waking up. People will be shaken to their core. The earth wobbling comes AFTER Israel is hit. That is why she has previously seen Israel shoot off 2 missiles, after that everything really comes apart.

I asked if the sky being all "mixed up" was because she could see demons...or was it because of geological/cosmic things. Could she see the sun? Moon? She said she did NOT see a second sun, but rather just a darkening, like a wave of ash over and over and that is was not normal. It was like nothing we have ever seen. Everything she explained to me was a confirmation of Julie Whedbee's message found here:

<http://iamcallingyounow.blogspot.com/2014/09/the-lion-of-tribe-of-judah-roars.html>

I asked her if it appeared that something hit the sun that was causing the darkening and she said no. That happens later. What she sees is just strangeness in the sky in the beginning.

I asked about Israel and she began to cry. She said she could see Jesus heart and He was crying for what was about to come upon His people. He is so very sad about it but knows that is what will happen; but we cannot begin to know His pain. His heart is breaking. Lisa spoke in tongues off and on so I just waited....Jesus' heart is very heavy.

Finally I asked her about the number 23 that keeps appearing to her. **She feels confident that the 23rd of this month will have darkness associated with it.** That somehow it is part of the 3 days. It is possible that it also involves Sept 25 which is Israel's New Year. Do not take this vision as "THE" warning....one of the main things I have learned over the past 4 years is that we will all be exactly where we are supposed to be when the darkness hits, even if it is the bottom of the ocean. Continue your plans around this date...this week...this month. God will have you be where you are supposed to be and that is that. "Be strong and courageous!"

I am going to start a Blog about this and if you have questions, please leave them in the comments. Sometimes certain questions trigger parts of her vision and she sees something that she can better explain. I have total faith in God that He will reveal what He wants revealed. He will even prompt people to ask questions that He wants asked so do not hesitate to do so.

<http://www.thecallofthebride.com/apps/blog/show/42629157-lisa-s-visions>

Finally, the one thing that she was adamant about the vision...was that we do **NOT LACK FAITH** that this will happen! She says (like we all do) that we have been hoping and waiting for so long and she was overwhelmed with confidence that we are not to lack faith in this! This will shake us up too but we know Who is in charge, and we listen for His voice and strive not with ourselves or others at this time.

(Call of the Bride)

<http://www.thecallofthebride.com/>

The bombs that I saw going off the other day from Israel were made more clear to me in this vision. They were huge bombs that could take out a small city, and it's Israel that is shooting these bombs off at their enemy. When they are provoked. After the bombs -- the bombs will be the warning to the bride that we are very close to the three days of darkness. At first, there's something that appears to hit the sun or some huge event in the sky -- impact in the sky -- and -- there will be a delay, and then this phenomena in the sky is what will cause the earth to start shaking violently. This is when the darkness will hit, and the Bride will be translated at the beginning of the darkness. There will be many many people that will die during this three days of darkness, but the people that repent or give their hearts to Christ during this time will be protected. Everyone's sin will be exposed to them at this point, and they will clearly be able to see it and, at that point, make a choice to repent or not. The Bride will be given instructions during this three days, and they will be grouped together. At the end of the three days, the bride will go out in their translated bodies and start to harvest those that have repented. The Bride is going to go out and harvest those who have repented or those who have newly accepted Christ. There will be many people that will die during this darkness, and then, during the 40 days, God will protect his children that have repented during this time. At the end of that time, asteroids are going to be falling, and one will hit Puerto Rico and cause a huge tsunami, which I believe, at the point of impact is when the rapture will occur because there will be many, many lives that will be lost after this tsunami hits and goes up the east coast, and God will make sure everybody is given a chance during the three days of darkness to repent.

Prophecy from the LORD to Glynda Linkous

Friday August 1, 2014

The Lord gave me a new prophetic word this morning and I felt a STRONG urgency in my spirit to get it out right away.

"Know ye not my child that only I can rebuke the devourer from your life? My children are confident full of worldly pride. They think they do not need Me - the Living God. Oh My children, if you could see the dangers lurking around you. If you could hear the enemy asking for your life, for your childrens lives, for your loved ones, you would never cease to pray to Me to save you all, for My protection. Know ye not the time? Know ye not that My son's return is very soon, even at the door, and that many of you are about to be taken out of the earth? Awaken My bride. Do what is right in My eyes. For time is very short in the earth. Finish your course strong, that you may be able to hear these words: "Well done, thou good and faithful servant.""

As the LORD was giving me this prophetic word, He showed me that some of the people reading it on the website had **only days to live and didn't know it.**

In this broadcast are also several prophetic words for unknown listeners!

**Set the Trumpet to thy Mouth**

**-David Wilkerson**

Written in 1984

God does not need America to evangelize the world. We have failed in this mission. Our nation still spends more money each year for dog food than for missions. There will be one last great ingathering, and it is even now happening. The gospel will be published to all the world by a great army of witnesses indigenous to every nation on earth. It is the Lords LAST harvest. Even now the Spirit of God is raising up a thriving body of witnesses in China. South America and Africa will be covered with powerful witnesses from THEIR OWN lands. Mexico and South America are open to the Gospel and young evangelists are being raised up. **They will not need missions boards, ordinations, large amounts of money, and fancy equipment.** They will live on pennies, as the early disciples did; and in a short time they will cover the earth with the gospel. And they will point to God's fiery judgement on this careless, rich, modern Babylon as a sign the end is near. Even then, the wicked will NOT REPENT, according to John's revelation.

The rest of the world will see this awesome nuclear holocaust and remain unrepentant. Two-thirds of the earth will go on seeking prosperity, worshipping Satan, and mocking God. The discipline on America will not humble the rest of the wicked. "And the rest of the men which were not killed by these plagues yet repented not of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear,nor walk: neither

repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts" (Revelation 9:20,21)

What American could not do with all of its millions, all of its electronic gimmicks, all of its expensive media methods, the Holy Spirit will accomplish in a short time with a GIDEON'S army of poor and simple evangelists from Third World countries; and the rest of the world WILL hear the gospel. A remnant of overcomes from ALL nations will be raised up in righteousness. In spite of full gospel light shining forth, the majority will turn to Satan and be given over to lust. The Bible does not say that judgment on America awaits world evangelism. It is only HIS return that awaits the FRUIT of the harvest. I see it so clearly!

Message given to a sister in the Lord, Sue, on May 21, 2014

### DRAW NIGH TO ME

*"Oh My little ones, fear not. The hour has passed and the time of your departure is nigh. Much will occur rapidly and in quick succession. The harvest will appear overwhelming for there is much to be done. You will only do what I instruct and then you will leave behind much that appears to be unfinished. When I call you away, out of the harvest, you will leave all of your bread behind. Nothing will have been gathered in vain. Much of the harvest will ripen after you leave, for upon many seeds more rain must fall. You will be severely missed. This will draw many unto Me, for then shall come to pass the saying: **"they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars forever and ever."** Daniel 12:3*

*Fear not My little ones, for I am the Alpha and Omega, the beginning and the end. We walk as One. The hope and trust you abide in, is discarded by many as insignificant. Yet these simple truths radiate constantly from you illuminating the path to Me. I will bring all things to their remembrance for there is no waste in the Kingdom of Heaven. Be One with Me. Tarry not at apparent failures, let the dead bury its dead; for you are raised in My likeness and truth. Let earthly things go, nothing matters but Me and Me alone. Forsake every thought of discontentment and strife. You need not to be right or wrong. Open wide your hands, cast your bread upon the waters, and pour yourself out each day as an offering; for the night has come and time of your departure is at hand. Shalom"*

## *Be As Daniels*

*My people, much violence is coming upon the earth. You must prepare your hearts, for you will see such as you have never seen before. The Evil One shall reign over My people for a time that all scripture may be fulfilled. Many shall perish in this time – not only from the earth, but many shall turn from their belief in Me, in My Son, because of what they see.*

*Remain faithful in these times. Remain diligent to watch for the return of your Savior and pray without ceasing – for those you love and for those who do not know Me, that more souls may be added to My Kingdom in heaven.*

*Do not let your love for your God grow cold because of what you see, for all must be fulfilled for His return.*

*I am a faithful God. I shall perform all I have promised you. My Son's return shall be glorious indeed!*

*Do not stop praying, My children – be as Daniels in the earth. He refused to bow to Nebuchadnezzar and you must refuse to bow to the Evil One. You will know when this time is upon you and there will be no doubt.*

*Do not despair when this time of darkness comes, for all shall be fulfilled in the end.*

*I love you, My precious children, and My Son Jesus is coming back for you very soon. Pray without ceasing, and stay faithful that your reward may be full.*

Enoch

50:1 And in those days there will be

**a change for the holy and chosen,  
and the light of the days will dwell  
over them, and glory and honor will  
be turned over to the holy.**

50:2 And on the day of trouble, evil will gather over the sinners, but the just will overcome through the name of the Lord of the spirits; and he will show it to the others, that they may repent, and cease the work of their hands.

50:3 And they will have no honor before the Lord of the spirits, but in his name they will be saved, and the Lord of the spirits will have mercy on them, for his mercy is great

Henceforth I will not have mercy on them, says the Lord of the spirits.

and that glory awaits them not in the presence of the Lord of spirits; yet that by his name they may be saved. The

Lord of spirits will have compassion on them; for great is his mercy;

## Enoch chapter 96

95:1 Wait in hope, you righteous; for suddenly shall sinners perish from before you, and you shall exercise dominion over them, according to your will.

95:2 In the day of the sufferings of sinners your offspring shall be elevated, and lifted up like eagles. Your nest shall be more exalted than that of the avest; you shall ascend, and enter into the cavities of the earth, and into the clefts of the rocks for ever, like conies, from the sight of the ungodly; 95:3 Who shall groan over you, and weep like sirens.

You shall not fear those who trouble you; for restoration shall be yours; a splendid light shall shine around you, and the voice of tranquility shall be heard from heaven

Woe to you, sinners; for your wealth makes you resemble saints, but your hearts reproach you, knowing that you are sinners. This word shall testify against you, for the remembrance of crime.

95:5 Woe to you who feed upon the glory of the corn, and drink the strength of the deepest spring, and in the pride of your power tread down the humble.

95:6 Woe to you who drink water at pleasure; for suddenly shall you be recompensed, consumed, and withered, because you have forsaken the foundation of life.

95:7 Woe to you who act iniquitously, fraudulently, and blasphemously; there shall be a remembrance against you for evil.

95:8 Woe to you, powerful, who with power strike down righteousness; for the day of your destruction shall come;

while at that very time many and good days shall be the portion of the righteous, even at the period of your judgment.

Enoch 100:4

And in those days the angels will come into the secret places, and will collect in one place all those who aided sin; and the Most High will arise on that day to pass a great judgment over all the sinners.

Enoch 100:5

**But over all the just and holy he will place holy angels as watchmen to watch them like the apple of an eye, till an end has been made to evil and to all sin; and even if the holy sleep a long sleep there is nothing to fear.**

Enoch 100:6

And the wise among men will see the truth, and the children of the earth will understand all the words of this book, and know that their riches will not be able to save them in the overthrow of their sins.

## [Still Judging One Another?](#)

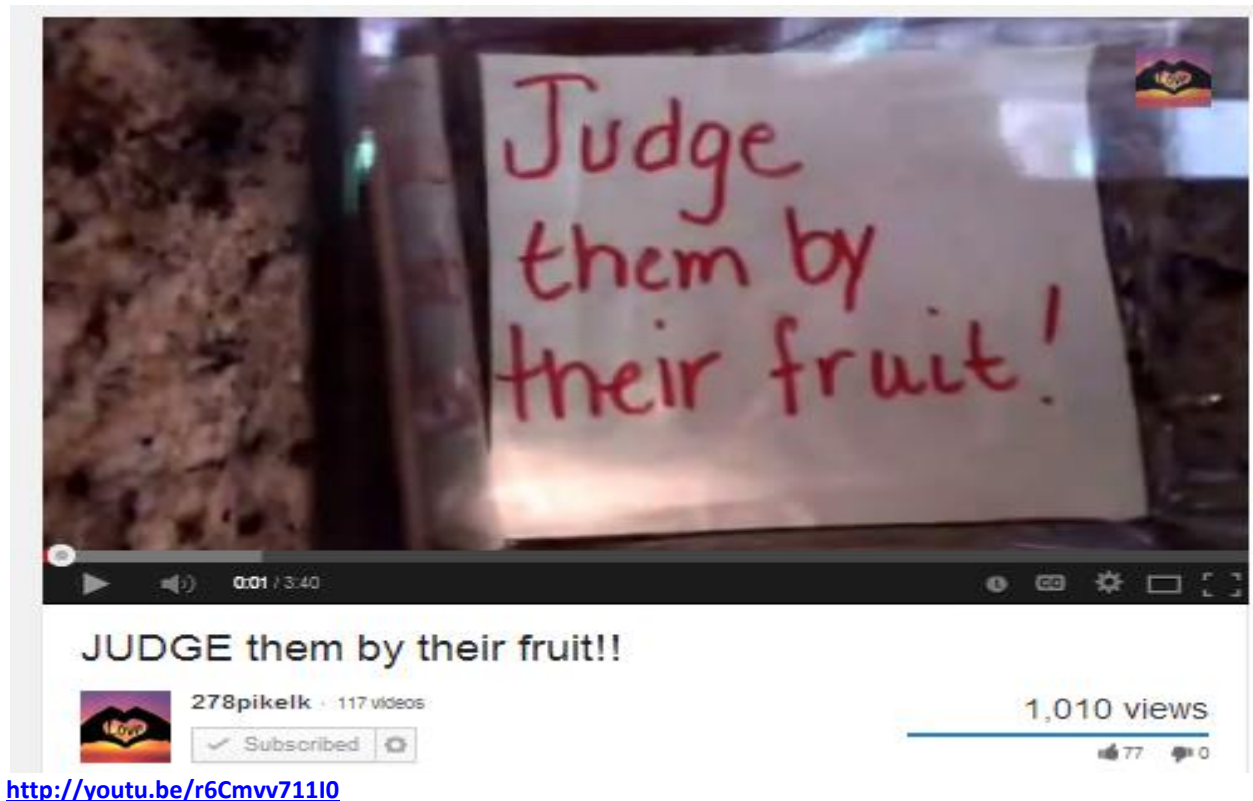

STILL JUDGING ONE ANOTHER? Friday  
5/23/14

My daughter write my message for those who have ears to hear & a spirit of discernment. My children some of you are called to the harvest, while some of you are called to sow the seed. Some of you are field workers, while some of you are not called to the fields. The person that is not called to the field is a sower, & is not to be judged by the harvester, nor

is the harvester to be judged by the sower. Work, each doing what he or she is being called to do & is capable of my children. If another child of mine is in a season of fasting & praying, & you have not been called to fast & pray then don't be judgmental upon him as if you are called to fast & pray but your brother is not, there is no call for you to judge that brother. This is a time of unity in my spirit, but your outward appearance may differ, your prayer life may differ. Your dedication to me may not look the same as another of mine, but you do not cast judgement on your brother. Work out your own salvation....not your brothers....your own. This is what you are called to do. Do not judge your fellow field worker, if he is not assigned to the same job as you. Securing a bountiful harvest is the culmination of many services. A bountiful crop requires much planning. Just because a seed is planted it does not always take root, but even so if there is never a seed sown there will

never be a chance for the root to take hold. Be patient my children....let the sower sow...let the field workers tend the field...let the harvesters harvest, & let the gleaners glean. Do not back bite the sower if you are a harvester or you will not have any grain to harvest. Woe to those who judge my children for this is of your fleshy pride. Judge yourself under the same scrutiny you judge your fellow field worker but first remove the plank from your own eye. this is not the time for disparaging one another my children, set your face on me & the job I have set before you. Do not look to the left or to the right to see if others are not meeting your prideful standards.

My daughter, there are those who did not have ears to hear my message from yesterday...then they will surly be blind to the message of today.

My laborers, where is your fruit? You see..though you are not to judge your fellow laborer...you CAN judge their fruit! If they fail to sow a seed there will be no fruit at all. If they fail to tend my garden it will wither & die....and if they fail to bring in the harvest it will remain in the field & rot with the tares. If the gleaner does not do his job there will be much of a good crop wasted, & that would be such a shame. But if my sowers sow, my tenders tend, my harvesters reap, & my gleaners glean & they all work together as one as I commanded there will be a bountiful harvest come by the fall. Do not be a part of a body that does not function as a whole, the right hand must know what the left hand is doing, & if the left hand is off doing things of this world....it is simple....it must be CUT OFF. Do not let it waste the time of the body, for it is not sowing, nor tending, nor harvesting, nor gleaning & it can no longer then be part of the body...as it has no use to me. Of this my children you may judge a laborer by his labor. I will be the judge of his heart, as I alone am capable of judging ones heart. Spur one another on being grace filled towards one another, but do not interact with the tares in such a way that you will be tempted to their spoils. The fruit of the tares will tempt my children if they are not careful. Be aware of the world around you my children, yes. Shine my light into it but do not allow the temptation of

the things of this world to become so great that they will over take the longings of your flesh & lead you astray from my path. Pray that you will learn your duties now my children for they are diverse & many. Do not be lazy now my loves for there will be plenty of time to relax & celebrate once the harvest is in & the fields have been gleaned. Until then continue to work hard & we will celebrate together my bounty when the time is ripe. I love you my children.....Yeshua Hamashiach

## Vilna Gaon: The Russian invasion of Crimea is a sign of impending redemption

<http://ruchoshelmashiach.blogspot.com.au/2014/03/russias-invasion-of-crimea-sign-that.html>

On Purim (Monday March 17th), Rabbi Moshe Shternbuch, Head of the Rabbinical Court of Jerusalem, allowed a secret to slip out. He peeled back the curtain and offered a peek into a tradition handed down from his grandfather, the Vilna Gaon, a prominent 18th-century Kabbalist:

“Even though I am careful not to share the mysteries, I feel that this is something I am permitted to reveal..This was something Rabbi Isaac had received directly from those who heard it from the mouth of the Vilna Gaon, who said, shortly before his passing:

*“When you hear that the Russians have invaded Crimea, you will know that the bells of Redemption have begun to ring. When you hear that the Russians have reached Constantinople (Istanbul, Turkey, as it is called today), you can already don Sabbath clothes and await the appearance of Moshiach.”*

“Last week the Russians invaded Crimea and the world slept... According to our tradition from the Vilna Gaon, this is a sign of impending redemption ... Perhaps what the Gaon meant by ‘bells of the redemption’ is like a bell that signals the arrival of someone or something.”

Adapted for easier understanding for readers of all level of familiarity with the tradition from the presentation and translation of the teaching in English by Rabbi Pinchos Lipschutz

## DANIEL 11:44 IN PROGRESS

Daniel Chapter 11, Verse 44. "But news from the east and the north shall trouble him, therefore he shall go out with great fury to destroy and annihilate many." The east is China and Iran, the north is Russia. The trouble for the antichrist has to do with all the nations he has overthrown, but there is one he so desperately wants but cannot get. This is Syria. And the reason he can't get Syria is because Russia, China and Iran are protecting it (the Kings from the East and the North). This troubles the antichrist greatly! He has a need to overthrow Assad and bring in a Muslim Brotherhood leader for his agenda, which most likely has to do with a New World Order or peace agreement. Then because Syria is troubling him, he goes out with great fury to annihilate many. This is clearly speaking of a war that will take place over Syria. The fall of Damascus, the Isaiah 17 war. But Iran and Syria have threatened to strike Israel if Syria is attacked and this will lead to Psalm 83 war, another war prophesied in the Bible in Psalm 83, Verses 2-5. "For behold, your enemies make a tumult; and those who hate you have lifted up their head. They have taken crafty counsel against your people. And consulted together against your sheltered ones. They have said, come and let us cut them off from being a nation, that the name of ISREAL may be remembered no more." DANIEL CHAPTER 11, VERSE 44, IS CURRENTLY IN PROGRESS AND IS ABOUT TO BE FULFILLED.

## DANIEL 11:45 HE SHALL COME TO HIS END (BABYLON DESTROYED)

*Rapture — US NUKED!*

Now the last verse which must be fulfilled before Micheal stands up in Chapter 12. Daniel Chapter 11, Verse 45. "And he shall plant the tents of his palace between the seas and the glorious Holy Mountain, yet he shall come to his end, and no one will help him." This verse is suggesting that the antichrist will go there for war.

Tents are set up by the military, for medical needs and so forth during an operation. But these tents may also mean to be stationed there temporarily. When it says that the antichrist shall come to his end and no one will help him, this may be suggesting that this battle was more than he thought it would be therefore, he is beginning to lose. No one will help him, because they simply can't help him, they have turned their back on him. This may also be suggesting that the Antichrist will turn to another direction, desperate measures in the name of peace. This would be why the rapture takes place at this time and why Micheal stands up in Chapter 12.

## Nuclear hit 'Israel's best plan for Iran'

The Times November 12, 2012 12:00AM

ISRAEL'S military planners have been forced to conclude that a conventional assault on Iran's nuclear facilities might fail after evidence emerged that Tehran has hidden far more of its uranium enrichment capacity beneath a mountain than previously suspected.

Western defence experts say much of Iran's Fordow enrichment site near the city of Qom is now deep underground in a "zone of immunity" safe from conventional airstrikes.

# AS ISRAEL IS SEPARATED, AMERICA WILL BE SEPARATED

Prophetic Warning September 20, 2013

Link to YouTube message. Click [HERE](#)

I, the Lord of Hosts, look to and fro upon the lands and see divisions and discord amongst my people. I have raised each of you up to join together in love, not division. Yet, it is on every four corners. For those of you who feel you are mightier than I, the Great I AM, to publicly stone your fellow brethren – you shall see my anger come upon you. No tolerance for these actions! Repent now I say and seek forgiveness. Go to your brother to your sister and repent now! Such falling away I see from the grace abound given freely unto all. Yet your bitter roots are exposed. What is done in secret, I see ALL. Nothing is hidden from I, the God of Abraham, nothing! I see your secret attacking, evil plans and they shall backfire upon you. If a brother or sister is causing division, correct them. If they continue, dismiss oneself from their presence. It will be better for the unsaved, than the saved on that day I visit upon you.

Oh ye people, what commissions this evil within you? Crucify the flesh, I say. Let your speech always be seasoned in love to one another. Not discord. Those who continue in these actions, will be accountable to Me, your God for every action, thought and word. Woe unto you when you stand before Me.

Strong winds are coming upon the households in the Midwest of America. Unsurmountable rains bearing down on the East Coast. No shelter shall be found in the west. You mockers who say there is no GOD, shall see My face upon you!

Explosions and dividing of the land will ensue from the Gulf of Mexico up to the Great Lakes – Oh America. Today is the day of salvation! Cry out to Me I shall hear you. Raise your hand to Me, I shall lift you up. Much sorrow is coming – much sorrow.

A nation filled, over filling with sins, laughing in the face of evil. Serving the father of lies, the prince of the air, shall serve him for all eternity. Those who are Mine, who take your cross, carry it daily. Love without condition, praying always to I, the God of Jacob, hear you oh My children. Nothing is done in vain I say. Stand strong in Me as you witness the destruction unfold, do not lose hope. For much hope will be lost to those not firmly grounded in I, the Great I AM. Stop the bickering I say! My ears have grown cold to the heartless idle talk. Who is greatest among you? None I say!

Your terrains have flooded, yet you still do not see. The earth is breaking, yet you still do not see. Blinded fools!

As Israel is being separated, I shall separate your land, America. You cry out to me Abba Father save us, yet you do nothing. Arise now. Take up your shields, stand firmly as written in the Holy Word and commence the war that is upon you.

## Another Visitation from the Lord – Pastor T.D. Hale Nov. 24th 2012

Another Visitation from the Lord – Pastor T.D. Hale Nov. 24th 2012

I was immediately standing in front of the desk in the Oval Office. Standing in the Oval office I was in front of the president. A voice came forth and said, "Weep and howl for the misery that shall come shortly...."

There on the floor of the Oval office was the eagle I saw him shoot back in Dec. He walks from behind that desk with the same smirk I saw on his face and puts his foot on the neck of the eagle. At this point he picks it up by its head and twisted it three times until his head came off from the body.

At that point that voice said, "The spirit of Rehoboam." I knew what that meant and I knew it rested upon the President.

The president of the United States was dressed in total black; Black suit, tie, shirt, shoes, pants, total black. As I was standing in front of him looking directly at him, all of a sudden his chest cavity began to open and his heart was exposed. As I was looking at his heart, thick black, dark mist was swirling around his heart.

At this point he picked up a gavel in his hand which was part wood and part stone. Handle was wood; head of the gavel was stone. He hits a document on the desk and when he did an earthquake hit Washington.

All of a sudden I was standing above the White House and saw the earth open and it went towards the Washington Monument then towards the Jefferson Memorial. At that point an odd color rain started falling (color of fire) and it started slowly coming down and intensified little by little until the waters started rising, the starting point was Washington D.C.

As the waters started rising, I went up a little higher into the atmosphere and saw the map of the United States. The waters left Washington, and begin to flood across the nation. I seen it hit MD, WV, OH, MI, KY, IN, SC and on and on until it covered America.

On the document on the desk of the President was written, "The Final Abomination."

I begin to hear screams across the nation as if it was a mournful sound. I thought of Noah and what it must have been like for the people outside of the Ark as the flood waters came in and they knew they had not listened to Noah or the voice God gave to them to speak. The screams were as if their lives were over and there was no hope.

As I was still in the air, and I am going to try and explain this as best I can. I saw America in this state of being covered with flood waters and then all of a sudden I saw beams of light quickly coming out of the flood waters like a speed of light quickly going up into the air. Millions it looked like but at that moment I was taken above the earth and then I saw it around the world. Possible the prayers of the saints.

## And Then I Come for You!

*"Daughter, take heart, for I know you are concerned about what is coming. This event of which I have spoken is a cataclysmic event that will affect all of mankind. You, My Bride, will be protected but you will see many things you would rather not. This is why I keep telling you to keep your focus on Me, your Lord and Saviour. My Bride will be used in a mighty way to bring in the Last Harvest before I bring you all home to Me. So many of you are anxious and concerned and want to know when ... when ... when ... this event will come! But, My children, you have taken your eyes off Me, your Lord and Saviour and your Provider! I am to be your First Love and your trust must be entirely in Me to provide for you and to protect you, no matter what happens. Yes, I have said, I will give you warning - so fear not. This event has been planned since the creation of time. Nothing will prevent My will being done on Earth as it is in Heaven.*

*Remember that I told you there will be a short span of darkness you will need to walk through before I come for My Bride, and there will be a time when it may appear that I have forsaken you ~ but nothing could be further from the truth! No matter what happens and no matter how you feel, I have not forsaken you and never will forsake you! It will be at this time that you must strengthen your faith in My Word, the Bible, and in My personal words spoken to you. Just because you may not be able to feel Me for a short span, know that I am with you, regardless of your feelings, and I will bring you through.*

*There is so much coming, My daughter, as I have told you. Know that when things begin to happen, they will come in quick succession and there will hardly be time to catch your breath in between these events. Know that My time has come for My wrath to be poured out on the Earth because of the vileness of her sins. But you, My precious Bride, will be protected.*

*Remember too, I have told you, I have work for you to do. My Holy Spirit will infuse you and you will go out and bring in the Great Last Harvest and then I come for you, My precious children, My beautiful Bride ~ and then I come for you!"*

## Cosmic Disturbance

*"My daughter, keep trusting in Me to reveal Myself more fully to you in these dark times. The cosmic event is truly upon you now and you will receive more warning in the coming days to give you time to prepare for this event."*

*There is more coming, My child, than you could possibly imagine, but there is to be no fear in your heart for I have fore-ordained everything that is to come to pass. My children will be infused with power from on high and through My Holy Spirit will be sent out as witnesses to bring in the last harvest before the door closes.*

*Before this is to take place, you will experience a sudden cataclysmic event caused by a cosmic disturbance that will be seen and heard all over the world. When this event comes to pass you will know that the three days of darkness are upon you. You must go to your homes and stay indoors. My angels will protect you from harm. There will be time between the cosmic event and the darkness falling for you to go to your homes with your families and remain safely inside. I will be giving each one of you specific instructions through My Holy Spirit at that time. My angels will be surrounding your homes and properties and keeping you safe from the evil one and the coming darkness.*

*This is all I am giving you now. I will give you more later as the time for this event comes closer.*

*Your Jesus ~ Your Bridegroom"*

DREAM MARCH 2014

Then I saw three giant rocket missiles that took off into the air. Two came from out of the ocean waters, and one came from land and traveled a great distance. All of them blew up in the air one, two, and THREE in the upper atmosphere within five minutes of each other. It was out near space. They were terrible nuclear bombs. But the last one was the biggest and it created a huge mushroom cloud over the Midwest part of America. Then the ground shook and everything just went black. There wasn't any electric light coming out of any homes. Then candles began to be lit and fires, and a little light was seen.

# NO TIME TO KNOW ME

SUNDAY, MARCH 23, 2014

## *No Time To Know Me*

*There are many of My people who tread lightly in waters of sin and think it matters not. You feel sure with only such small sins you surely will not become trapped or be unable to exonerate yourselves.*

*No sin is that small in My eyes, since every sin puts your actions on one side and Me on another. I desire we would be on the same side, My children, that I may protect you.*

*In the darkest of times up ahead, you will wish desperately for any kind of protection, since all you know will have been stripped away in the world. All that will be left will be what you have in Me. If you have not taken time to invest in a relationship with Me, there will be no help for you. Money, even great wealth, and prestige, will mean nothing. Friends will mean little since there will be little to survive on and food will become as in the time of the destruction of My holy city, Jerusalem, when those trapped would gladly eat the flesh of their own children, just for a morsel to put into their mouths.*

*The strength of My Word in your spirit will sustain you then, for I will provide for those who come to know Me in this time, but woe to those who play now and try to repent later, for there will be no time to come to know Me in the midst of chaos.*

*My children, some of you yet still disregard My warnings to you, as though these things will never come to pass, but I am not a man that I should lie. I have always tried to warn My people and those who are not yet Mine of coming storms. This storm will exceed them all, for this storm knows no end until My Son's return. I desire you would not suffer in the time coming, My people, but I cannot prepare those who refuse to prepare by spending time with Me. Some of you think you will somehow be exempt from what I am saying, yet you will not.*

*The darkness is coming, and it will search for you. Only those who fill their hearts with the light of My holy Word and My presence can hope to survive the end of the age.*

My daughter, this is a warning, my hand has begun to strategically shape your earth. Man will fear in the midst of shaking & when the dust settles he will have nothing left. Many will have their eyes opened to my almighty presence as they are spared death through the most earth shattering of cataclysms. My sheep who have wandered will quickly return to me & many of the lost will follow. When the lost catch a glimpse of their Shepard, they will be shown instantly & supernaturally that I AM their creator & protector. The end time events are now ramping up & those that have eyes to see & ears to hear will accept the truth. The time of the evil that has been reigning since creations fall will come to an end.

- Earthquakes in diverse places
- volcanic destruction worldwide
- other worldly visitors
- tyrannical & out of control governments, & leaders placing their own people in harms way for personal gain of wealth & power
- anarchy & complete loss of faith in elected officials & governments

What was once good & dependable will be no more.

- Food & water shortages leading to riots, as food supplies dwindle & water turns into an invaluable commodity.
- Your lakes & streams will be made like poison.
- The civil unrest will be beaten back by the new tyrannical governments of the NWO.
- There will be no more voice of the people.
- Luxury of freedom that many take for granted is soon to come to an end.
- There will be attacks on the soil of your once great nation.
- There will be no power to run your homes, nor fuel to run your cars.
- Your once great nation will be in the darkness, not only spiritual but physical.
- Many more of satan's demons will be released to torment the lost & deceived ones.

This is coming my children...of this be certain. Stay protected under my wing now my children.

## THE WINDOWS OF HEAVEN HAVE OPENED FOR MY BRIDE

Posted: 05 Apr 2014 03:28 PM PDT

*Behold, I reveal to you a mystery. I have prepared a work in My chosen ones that has not been done since the beginning. Read My Word concerning My first man Adam. What was done in the beginning will again be so in you My children, My Bride. I will glorify Myself in you, in your emptied and surrendered vessels. Not since the Garden has man operated as One with His Creator, but I tell you now, it will be so once again. Know this too My loves, it has begun. I am pouring out My Spirit upon all who seek Me, and I am re-aligning to the very depths of your being, your true selves, My pure design, the image of the One true God in you. Meditate on the incredible blessing that is bestowed upon you at this time! You will function as One with Me your Creator, We will move and think and speak as One, as it was intended from the beginning. You will speak only love and those you encounter will experience only peace and light and righteousness from on High. The windows of Heaven have opened for you and your prayers are counted, each one, and are answered this day! The veil is lifting and your understanding will be magnified greatly. Come to the foot of My cross daily and I will shower you with wisdom and knowledge from above. Rise above these your current circumstances here and spend as much time now as you desire in the Kingdom of My Heart. The more intimate you are with Me, the better I am able to equip you and prepare you for the great deceptions which are upon you. Only you who stand on the solid ground of My Word will have complete peace when the rest of the world is severely tested. Much evil is planned against you but it can not prevail. Continue to wash your garments in the blood of My sacrifice, and I will continue to pour upon you My living water and My oil of anointing. You have entered extremely turbulent times My children, but you do not walk this alone. I am your Blessed Hope, and through My indwelling of your hearts, We will bring so many out of the darkness. You will only be required to endure for a short time before I gather you to Myself. Be sober, be vigilant, be watchful, and do not cease to pray. Intercede always for the lost. Open your hearts more to receive this Holy indwelling and I will come powerfully. SHALOM*

## Pursue Me

*My people, I desire that you would tread very carefully through coming days, as the enemy has set many snares for you.*

*Many of My people are being enticed to return to old sins, being deceived into thinking they do not matter and that their wages will not be severe. This is a lie, My children that you must resist. Return to My Word! Those who are in My Word daily and in My presence shall not be deceived in this way.*

*Many of My people have grown weary in well doing and the enemy has deceived them into thinking My Son's return will not happen soon. He shall come like a thief in the night – be ready – be watching! Be praying, My children! Do not be left behind in the evil that shall follow when I have taken My own out of the world, for it shall be a dark and grievous place then.*

*Many of My people have grown complacent – you are satisfied with not enough of Me, and I desire you would seek Me with your whole being. Seek Me passionately – follow after Me. Pursue more of Me! Why do you settle for less, My people? Why do you desire more of the world and not more of Me, your Creator?*

*For those who pursue Me with all their hearts, I have great rewards in store – those who are in poverty in the world but rich in Me shall suddenly bloom with prosperity. Those who are ill in body but rich in Me shall suddenly wake up healed and whole. Those who long for mates but turn to Me shall suddenly find themselves married and fulfilled. Those who seek to do My will and sit in My presence daily, you shall know and walk in your assignments from on high!*

*My people who crave righteousness and hate sin, who pursue Me and stay in My Word continually shall be filled, healed and prospered. The days ahead for you who live to do My will are very bright indeed, for you shall see My glory!*

# Washington DC – Is this the city of seven hills that will be destroyed?

Moe

November 3, 2012

Educational

*"During the final persecution of the Holy Roman Church, Peter the Roman will rule, feeding the flock through many tribulations, at the end of which the city of seven hills will be destroyed, and the formidable judge will judge his people."*

It is well known that the city of Rome was built on seven hills or mountains, but did you know that Washington DC was also has seven hills?

Yes, Washington D.C. really does has seven hills:

1. Capitol Hill
2. Meridian Hill
3. Floral Hills
4. Forest Hills
5. Hillbrook
6. Hillcrest
7. Knox Hill

In biblical prophecy, at the end of which the city of seven hills will be destroyed. Will this city be Rome or

Washington?

The word Washington is derived from the Old English words Weshington, Wessington, and Wessinton. Washington or "Wessington" is fact the combination of the two words, "Wessing" and "ton". The meaning of Wessing is an old Anglo-Saxon word "soaking" or "steeping". The German version would be Wasser meaning "water".

Today, "water" and "wash" is the standard meaning in English. This is where we get "Wash" in Washington. The definition of Wash being:

1.

a: a piece of ground washed by the sea or river

b: bog, marsh

c (1) a shallow body of water (2) a shallow creek

d West: the dry bed of a stream —called also *dry wash*

Water is an accepted symbol for the Word of God. Moses' name, meaning in Hebrew "to draw out of the water." You will find many waterways in the District of Columbia. The Potomac River which is the main body of water and the Chesapeake, the Anacostia River, the Ohio Canal and also the Rock Creek that all flow into the Potomac.

## *The Meaning of the Woman and the Beast*

<sup>7</sup> But the angel said to me, "Why did you marvel? I will tell you the mystery of the woman and of the beast that carries her, which has the seven heads and the ten horns. <sup>8</sup> The beast that you saw was, and is not, and will ascend out of the bottomless pit and go to perdition. And those who dwell on the earth will marvel, whose names are not written in the Book of Life from the foundation of the world, when they see the beast that was, and is not, and yet is."

<sup>9</sup> "Here is the mind which has wisdom: The seven heads are seven mountains on which the woman sits. <sup>10</sup> There are also seven kings. Five have fallen, one is, *and* the other has not yet come. And when he comes, he must continue a short time. <sup>11</sup> The beast that was, and is not, is himself also the eighth, and is of the seven, and is going to perdition. ... OBAMA

<sup>12</sup> "The ten horns which you saw are ten kings who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. <sup>13</sup> These are of one mind, and they will give their power and authority to the beast. <sup>14</sup> These will make war with the Lamb, and the Lamb will overcome them, for He is Lord of lords and King of kings; and those *who are* with Him *are* called, chosen, and faithful."

<sup>15</sup> Then he said to me, "The waters which you saw, where the harlot sits, are peoples, multitudes, nations, and tongues. <sup>16</sup> And the ten horns which you saw on the beast, these will hate the harlot, make her desolate and naked, eat her flesh and burn her with fire. <sup>17</sup> For God has put it into their hearts to fulfill His purpose, to be of one mind, and to give their kingdom to the beast, until the words of God are fulfilled. <sup>18</sup> And the woman whom you saw is that great city which reigns over the kings of the earth."

The Bilderbergers as a great arm of the New World Order, to help secure Europe and those countries relating to the Bilderbergers into the New World Order.

You must understand that the New World Order is generally an outgrowth of [the Rothschild banking and political powers](#), who set up or greatly set up with the help of other organizations, the Communist control of Russia, who also set up the control of the Nazis in Germany during World War II by [helping to fund the Nazi movement](#) along with others, such as Henry Ford and some other large financiers of the world.

This Awareness indicates that the Nazi movement and Communist movement, both being funded from these Rothschild wealth and power base, were but experiments and early efforts to establish some kind of purpose in bringing the great powers of Europe under control of the financial institutions owned by and controlled by the Rothschilds. The Rockefeller, who are often seen as competitors with the Rothschilds, are actually quite small in relation to the power and wealth of the Rothschilds, and could be squashed very easily by the Rothschilds powers.

This Awareness indicates [the Rockefeller forces](#) include the Council Of Foreign Relations and the Trilateralist organizations, and these are helping to promote the New World Order. The Rothschild are promoting the New World Order under Zionism, and Bilderbergers and certain Mafia contacts and through most of the banking establishments, and therefore, even regardless of what happens in the United States, and the various countries of Europe will have their own problems relating to the controls being established through the Rothschild forces and the European economic system.

The European community will be brought together as a large conglomerate of nations and will begin to have greater breakdown of boundaries as the nations are emasculated or diffused in terms of individuality. The definitions of each nation will begin to blur as the economics of Europe begin to spread and the boundaries are diminished whereby entities can travel from one country to another without passports or without excessive need for the usual customs evaluations that occurs at borders.

### NWO Plans 10 Regions: "Ten Horns of the Beast"

This Awareness indicates that the same will eventually encompass many of the Russian and Eastern countries in Europe, and eventually it is planned to encompass all of Asia. This Awareness indicates that the plan calls for the establishment of ten regions of the world; these are what has been referred to in the *Book of Revelation* as the "Ten Horns of the Beast".

This Awareness indicates within the United States there will also be, according to the plan, [Ten Regions](#), and these are that which is referred to in the *Book of Revelation* as the Smaller Beast that forces the masses to worship the larger beast. This Awareness indicates that in this sense, the UN, being funded mostly by United States money, is being promoted by the lesser beast, and when the lesser beast, the United States, becomes the [New Republic](#), or the country having ten regions instead of 50 states, this country will then become more or less an enforcer of UN rules around the globe.

# The Windows of Heaven are Open for My Bride

Behold I Come

---

## THE WINDOWS OF HEAVEN HAVE OPENED FOR MY BRIDE

Posted: 05 Apr 2014 03:28 PM PDT

*Behold, I reveal to you a mystery. I have prepared a work in My chosen ones that has not been done since the beginning. Read My Word concerning My first man Adam. What was done in the beginning will again be so in you My children, My Bride. I will glorify Myself in you, in your emptied and surrendered vessels. Not since the Garden has man operated as One with His Creator, but I tell you now, it will be so once again. Know this too My loves, it has begun. I am pouring out My Spirit upon all who seek Me, and I am re-aligning to the very depths of your being, your true selves, My pure design, the image of the One true God in you. Meditate on the incredible blessing that is bestowed upon you at this time! You will function as One with Me your Creator, We will move and think and speak as One, as it was intended from the beginning. You will speak only love and those you encounter will experience only peace and light and righteousness from on High. The windows of Heaven have opened for you and your prayers are counted, each one, and are answered this day! The veil is lifting and your understanding will be magnified greatly. Come to the foot of My cross daily and I will shower you with wisdom and knowledge from above. Rise above these your current circumstances here and spend as much time now as you desire in the Kingdom of My Heart. The more intimate you are with Me, the better I am able to equip you and prepare you for the great deceptions which are upon you. Only you who stand on the solid ground of My Word will have complete peace when the rest of the world is severely tested. Much evil is planned against you but it can not prevail. Continue to wash your garments in the blood of My sacrifice, and I will continue to pour upon you My living water and My oil of anointing. You have entered extremely turbulent times My children, but you do not walk this alone. I am your Blessed Hope, and through My indwelling of your hearts, We will bring so many out of the darkness. You will only be required to endure for a short time before I gather you to Myself. Be sober, be vigilant, be watchful, and do not cease to pray. Intercede always for the lost. Open your hearts more to receive this Holy indwelling and I will come powerfully. SHALOM*

## Pursue Me

*My people, I desire that you would tread very carefully through coming days, as the enemy has set many snares for you.*

*Many of My people are being enticed to return to old sins, being deceived into thinking they do not matter and that their wages will not be severe. This is a lie, My children that you must resist. Return to My Word! Those who are in My Word daily and in My presence shall not be deceived in this way.*

*Many of My people have grown weary in well doing and the enemy has deceived them into thinking My Son's return will not happen soon. He shall come like a thief in the night – be ready – be watching! Be praying, My children! Do not be left behind in the evil that shall follow when I have taken My own out of the world, for it shall be a dark and grievous place then.*

*Many of My people have grown complacent – you are satisfied with not enough of Me, and I desire you would seek Me with your whole being. Seek Me passionately – follow after Me. Pursue more of Me! Why do you settle for less, My people? Why do you desire more of the world and not more of Me, your Creator?*

*For those who pursue Me with all their hearts, I have great rewards in store – those who are in poverty in the world but rich in Me shall suddenly bloom with prosperity. Those who are ill in body but rich in Me shall suddenly wake up healed and whole. Those who long for mates but turn to Me shall suddenly find themselves married and fulfilled. Those who seek to do My will and sit in My presence daily, you shall know and walk in your assignments from on high!*

*My people who crave righteousness and hate sin, who pursue Me and stay in My Word continually shall be filled, healed and prospered. The days ahead for you who live to do My will are very bright indeed, for you shall see My glory!*

# A DREAM OF NUCLEAR WEAPONS ACTIVITY

A voice from Heaven said, 'This (the blowing white ash from a fire) represents nuclear weapons activity! Prepare, this is coming soon!'

I dreamed this last night. I was aware of the fact I was dreaming.

In this dream, I was with a group of people taking cover in an underground shelter from a passing storm that could spawn tornados. The shelter had 2 rooms, one room had the group of people standing around in it, and the other had an old large oak table with a plate of cheese on it. After a while of waiting, I opened the door to go eat the cheese because I was hungry and that was all there was for me to eat. The room was filled with a white blizzard of white hot ash. I asked is this from a volcano? What is this? Then a voice let me know that this was a dream, and a voice from Heaven said, "This (the blowing white ash from a fire) represents nuclear weapons activity! Prepare, this is coming soon!" I realized I only had about 3 months to prepare! I rejoined the group and warned them about nuclear winter to come. Many laughed and made fun of me. One man said he'll prove me wrong and as he stepped outside, he completely dissolved to nothing as the blizzard of hot white ash cut through him like a hot knife through butter. The group believed me and became afraid. Then some kind of group of government men came to the door, and they were some of kind of bio-hazard group. They were dressed in blue decontamination suits and had respirators over their mouths, and goggles over their eyes. They kicked us out of the shelters so they could fill it full of dead bodies in black body bags. All the coffin liners FEMA had ordered were all filled up and completely, but so many people were dying so fast, there was still not enough to dispose of all dead. They stacked the bodies floor to ceiling and very disrespectfully, as if the dead were just bags of luggage, but there were so many dead and the need to bury them quickly was so great, there was no time for funerals or prayers. (Isn't that just like the government to kick out the living who need help, to make room for the dead that no longer need help?) Outside above ground, the group huddled together. I saw a bright red helicopter accompanied by a Predator drone lift off the ground and fly east. I looked north, and saw 3 small nuclear explosions in the distance. Men volunteered to start up the tractors and start plowing so that perhaps crops can be planted to feed the survivors. There was a deafening roar in the air, like the roar of many lions and a hurricane strength wind was blowing. I also was shown images of many bodies, just laying out in the open, scattered like garbage on the streets, and they were distorted, the heads were bloated, the eyes were gone, as well as their lips, and tongues, and the bodies skeletal and all dark gray as if burnt, but they had been dead for only a couple of days. People did try to bury them and painted eyes on jar lids and put over the eyes, giving the dead the look of some of the having the most primitive death masks.

Planetary Event Above the Earth

## TRANSCRIPTION:

From the Throne of the Lord. This past night, the Lord spoke with me and in that conversation the Lord, He lifted me up. He took me above the Earth, this past night and He took me into the deep space. We crossed a section which was one stratosphere and it is covered with cloud like substance that is another zone and then the Lord said, "Look at the moons". I looked toward my right, I saw several moons. At one point I thought they were planets because they were lit. On my right side..right deep into the planets and the moons they went far and I saw them line up, as they lined up...the moons, here above on this night...the Lord took me here above. And the way they were lined up...here and here and here and here. (motioning)

Then the Lord spoke, He said, I shall now put a new moon here. That was now on my left side. I saw the hand of Jehvoah place a new moon and He said, it shall soon be discovered. What I am giving you today, you are soon going to see in your global news telecasts. I saw the process of creation. The voice of the Lord said, "Let us now go, but let us use another route". And we used a route in this direction, as we were now coming back down to the Earth. And as we were going in this direction, He brought me to an institution. It has a lobby area in that institution, I think a semi circle. And inside that space, there were small booths, in those booths, there appeared to be computers being used. Maybe doctoral students, astronomy, physics of the universe. I saw that the booths were unkempt. A door opened, a type of door with interlocking fingers (motioning) we came out and then I woke up.

**Listen people, there is going to be a planetary event. Above, there is going to be a wonderous sign and wonder above the Earth. Listen to me, nations of the Earth...the Lord, He has spoken with me on this day, this 5th day of the month of August, 2012. The Lord has spoken to me, He has spoken to me about a planetary event that is going to take place, above the Earth. I see several planets and moons that are lining up in a straight line. They are going to line up, it may not be a completely straight line...but generally a straight line. Then there is going to be a discovery. The Lord has created a new planet and a new moon and the scientists, the Lord is going to open their minds now, to allow them to discover it. You will soon see it in your global news networks.**

When you see the planetary event, then you shall know that the mouth of the Lord, He has spoken and the Messiah, He is coming! For a glorious church! That these are the signs and wonders that the prophet Joel talked about, that would visit the Earth and the universe when he said that there will be signs and wonders in these days. In the sky, even above the Earth. Today, may it be known that from the mouth of the Lord, He has

# **SARAH MENET PROPHECY 1979**

(Biological, Chemical, Nuke, Comets, a Year of Horror)

## **SARAH MENET PROPHECY**

(Biological, Chemical, Nuke, Comets, a Year of Horror)

### **INTRODUCTION**

As I tried to look away from my black surroundings, a small light started to shine in front of me, and the darkness, sounds and feelings that had so completely oppressed me started to fade into the background. The light grew bigger, and a window opened up much the same as when I had witnessed my life's review. This time however, a panoramic view of the entire earth lay before me. It came closer and closer as if I had been out in space and was flying toward it. I knew what was happening was intended to help me make my decision about going back to the earth and my terrible life. A part of me wanted to go back to the beautiful spirit world, or paradise, that I had seen, and another part of me felt the need to be reunited with my body so I could change my life. It was a tug-of-war, and what I was about to see was to help me understand what I would be going through if I chose to go back to my 'body of clay.' Again the view before me played out like a videotape in fast forward motion, and yet I could see the scene in perfect clarity and was able to comprehend everything that transpired.

### **IRAN (LYBIA) NUKES ISRAEL**

As the earth zoomed up into my view, I first saw the whole world, and then various countries. It was made clear to me that in the future there would be wars and troubles, including nuclear attacks in various places of the world, and a view of how it would start

was given. I am not familiar with the geography of the world, but as I looked at the various lands before my view I instinctively knew what countries they were. Looking at the Middle East, I watched as a missile flew from Libya and hit Israel. The mushroom cloud that resulted from the blast was visible, and I knew that the missile contained a nuclear bomb. I was aware that those responsible for the missile were Iranian, but the missile had been hidden and fired from within the borders of Libya.

## **OTHER NUCLEAR MISSILES FIRED**

Almost immediately after this, other missiles began flying from one country to another, quickly spreading war around the world. I also saw that many nuclear explosions did not come from missiles but from bombs of some kind on the ground.

# **THE PRECURSOR EVENTS**

## **EVENTS LEADING UP TO NUCLEAR WAR**

My focus then changed from the Middle East to the United States, and I understood that I was about to see some of the things that would lead up to the nuclear holocaust that I had just witnessed.

## **SHE SEES 911 NYC**

As I looked upon the continent of North America, I zeroed in on the eastern coast and then on New York specifically. I saw New York City with all of its people and buildings. I then saw some tall buildings crashing to the earth surrounded by tremendous amounts of smoke, dust, and debris. I zoomed in closer into the smoke and dust, and I saw a woman holding a little girl's hand

and running from the crashing buildings. The woman had long dark hair, hanging past her shoulders and curled inward slightly. She wore a beige business suit, heels of a slightly darker color, perhaps tan, and she was not wearing glasses. The little girl appeared to be about 6 or 7 years old with short brown hair reaching below the chin and cut in a type of pageboy look. They ran together, holding hands and trying to escape from the falling buildings. As they ran through the heavy smoke and dust, they were forced to let go of their hands and became separated. The child was terrified, and I could hear her screaming, "Mommy, mommy!" over and over again. I don't know their outcome, if they lived or died, but I can still see the face of the woman clearly and could easily identify her from a photo or describe her to a sketch artist. I asked if an earthquake had caused the buildings to fall and felt impressed that the answer was no. However, I was not given any indication as to the cause of the destruction. (Incidentally, I told this story many, many times before September 11, 2001. When I did see on television the World Trade Center towers collapsing, I knew that this was what I had seen.

## **THIRD SEAL - FINANCIAL COLLAPSE**

The next thing that came to me was more felt than seen. It was the understanding that shortly after the crashing of the buildings in New York City, commerce ceased. Shopping and buying seemed to stop, and the economy failed \*\*throughout the world\*\*. Few had any money at all, and those who did have it could not buy anything of worth with it. Gold and silver and other commodities had value and could be traded.

## **CHEMICAL ATTACKS**

I then saw a man walk into a middle of a crowd of people and drop what seemed like a quart jar full of liquid. The jar broke and the liquid spread. I understood that people nearby had become infected with a disease from the liquid, and \*\*\*they didn't even know it\*\*\*.

A day or two later the people became sick and started dying. I saw that this would happen in four particular cities: New York, Los Angeles, San Francisco and Salt Lake City.

The disease started with white blisters, some the size of a dime, appearing the hands, arms and face of the victims. The blisters quickly developed into white puffy sores. Those with the disease would stumble around and fall over dead. Many died within a short time, perhaps 24 hours.

## **EBOLA**

I also saw other people with a flu-like virus that spread more quickly than the first disease. The victims had blood coming from their nose, mouth, eyes, and ears. These people died even faster of this disease than the ones who had the first sickness.

## **DISEASE SPREADS MURDER MAYHEM**

These diseases became wide-spread across the United States with hundreds of thousands infected. As the people were fleeing the cities in the hope of saving their lives, gangs were attacking them and killing them.

In the towns that were struck with disease there was chaos, with looting, rioting and murders involved in a complete breakdown of society. Many people seemed to go crazy.

## **EMP NO ELECTRICITY (US & ISRAEL)**

I sensed that the electricity had failed everywhere and that nothing was running throughout the country, including any of the communication systems. I watched people throw rocks through windows to steal TV's that would not work and thought it was very strange.

While I watched all this happening in the United States, my view instantly jumped back to the Middle East, and I saw the same thing taking place in Israel. The same sores and the same types of sickness and disease that were plaguing the U.S. had also been unleashed in Israel. The switch in view only lasted an instant, and I was back in the United States.

## **HORRIBLE WINTER**

There was a tremendously long winter that caught everyone by surprise following the siege of sickness. It started early and lasted into the summer months. A famine had begun over the few years leading up to the long winter because of storms, droughts, floods and other plagues that had taken place; and the abnormally long cold period seemed to cause the famine to suddenly increase to its full measure.

In the period of time following the disease, which was quickly followed by the long winter, things started going down hill very quickly. Events piled up one on top of another without any breaks.

## ***(SENSE OF TIMING OFF)***

My sense of timing was not very clear at this moment; however because I was seeing several things happening all at the same time or very close together.

## **CHAOS, STARVATION, MAYHEM, CONTINUES**

During and after the long winter, the disease spread everywhere and increased in severity. The economy and the electricity were completely gone. Chaos and anarchy reigned over the entire United States. Without any government there was a total breakdown, and I saw people panicking everywhere. They were trying in vain to find food. There was none. I saw people even digging in the ground for worms to eat because they were so hungry from the lack of food. Also, during this time I became aware that there was very little drinking water, and the remaining water had become contaminated, so that if a person drank it they would contract the disease and die. Because of their great thirst many people drank the water in spite of the danger of poisoning and died. I mentioned earlier the gangs that killed people trying to escape the cities. It seemed that some of the people had lost their minds and went around in these gangs killing people just for the sake of killing; others killed for food or to gain some material possessions from their victims. Those that were killing for no reason were like beasts: animals completely out of control, as they raped, looted, burned and butchered people. I saw these gangs go into the homes of those who were hiding. They would drag them out of their hiding places, rape and dismember them. For many there was an unnatural fear and hatred that came over the people. Family ties that once existed between husbands and wives, parents and children no longer mattered. The only thing that mattered was individual survival. Men would kill their wives and children for food or water. Mothers would kill their children. For me, the events that then lay before me were horrible beyond description and almost unbearable to watch. The air everywhere was filled with smoke as many buildings and cities burned with no attempt to control the fires.

## **HOMES/CITIES OF LIGHT & REFUGE**

***(ISAIAH 60:1-3)***

### **(Glory Light)**

As I looked upon this scene of chaos, smoke and destruction I noticed that there were small pockets of light scattered over the United States. There were, I would guess, about twenty or thirty of them that I saw. I noticed that most of the locations of light were in the western part of the United States, with only three or four of them being in the east. These places of light seemed to shine brightly through the darkness and were such a contrast to the rest of the scene that they caught my attention.

I focused on them for a moment and asked, 'What are these things?'

I was then able to see that these points of light were people who had gathered together and were kneeling in prayer. The light was actually coming from the people, and I understood that the light was showing forth their goodness and love.

I further understood that they gathered together for safety and that, contrary to what I had witnessed everywhere, they cared more for each other than for themselves. Some of the groups were small with only a hundred people or so, but other groups consisted of what seemed to be thousands. I realized that many, if not all, of these places of light, or cities of light as I began to think of them, had somehow been established just before the biological attack, and that they were very organized. It was as if they had known what was coming and had prepared for it. I did not see who or what had organized them, but I did see many people struggling to reach them with nothing but what they could carry.

***(ISAIAH 60:1-3)***

The cities of light had food that others outside of those groups did not have, and within the cities of light food was readily shared with those who joined their groups. In these places there was peace and safety. The inhabitants were living in tents of all kinds, many of which were no more than blankets held up by poles. I noticed that the gangs made no threats on these groups and left them completely alone, choosing to pick on other targets and unprotected people, as many of the people in those cities had guns that they would use for self-defense. The gangs also preyed upon the people who were traveling, trying to reach the cities of light.

## **CITIES OF LIGHT MOVED OFTEN**

As I looked upon them, I realized that these cities of light were temporary and that in a short time the people living within them would go to another place. I do not know where they were to go but seemed to think that they gathered in the mountains, to higher places.

## **BABYLON THE GREAT DESTROYED**

### **FINAL NUCLEAR DESTRUCTION**

**As I was viewing the cities of light, my focus changed, and I became aware of missiles being launched and hitting U.S. cities.** I watched as mushroom clouds started forming over many areas of the United States. Some of the clouds came from missiles that I knew were fired from Russia, and others were not from missiles at all, but from bombs that were already in the United States. These latter bombs had been hidden in trucks and in cars driven to certain locations and then detonated. I specifically saw Los Angeles, Los Vegas, and New York City hit

with bombs. New York City was hit with a missile, but I think that Los Angeles was hit by at least one truck bomb, if not several, because I didn't see any missile. I also saw a mushroom cloud from north of Salt Lake City, but without the aid of a missile.

## **SIXTH SEAL - FIRE BALLS & COMETS START FIRES**

In the darkness I also saw little fireballs. I'm not sure if this happened just before or during the mushroom clouds. The balls fell from the sky, were of different sizes – most being the size of golf balls – and were very hot. There were millions of them. As they fell from the sky they left streaks of flame and smoke behind them. Everything they touched started on fire: people, buildings, trees, or grass. Everything burned. I didn't ask what they were or where they had come from because by this time I was sick because of the scene before me, and so I observed without asking many questions.

## **RUSSIAN CHINESE INVADE**

(part of nuclear war)

At almost the same time and in the same locations as the mushroom clouds, I saw Russian and Chinese troops invading the United States. The Russians were parachuting at many spots along the Eastern Coast; I also saw them parachuting in Utah. Chinese troops were invading from the West Coast near Los Angeles. They were met with resistance from those who had survived the disease and bombs. I did not see any United States military there at that time. The invasion was part of the nuclear war that I had seen earlier, and I knew that similar events were taking place all over the world as I had seen previously.

## **RUSSIAN CHINESE INVASION SHORT DURATION**

I did not see much of this war, but was impressed that it was short in duration and the Russian and Chinese armies lost and left. No explanation regarding how or why was received. Now the smoke became very heavy, dark and thick.

## **GLOBAL MEGAQUAKES TSUNAMIS VOLCANOS, US SPLITS, MAYHEM**

Just as things appeared to be as bad as they could get, the earth began to quake. This occurred during a winter, seemingly the winter that followed the very long one I had seen earlier. The chaos had existed for almost a full year by this time.

The earthquakes began in the west, around Idaho and Wyoming, and then quickly spread in every direction. I saw a huge earthquake hit Utah, and then California. There were earthquakes all over California, but they were especially devastating in the Los Angeles and San Francisco areas. San Francisco appeared to turn upside down.

The multiple earthquakes triggered volcanoes all over the west, and they started spewing a tremendous amount of ash and smoke into the air, causing it to become very dark and dirty and blocking much of what was left of the sunlight. There were also huge waves of water that swept over the west coast, and as I saw them I realized that this same thing was happening to coastal cities all over the world. The waves were so huge that Los Angeles was nearly swept away. I saw a wall of water taller than some of the buildings, perhaps as high as fifteen or twenty feet, sweep through Salt Lake City. I thought this was strange because of its location so far from the ocean, and wondered how a wave could travel all the way to Salt Lake City. I was impressed that the wave had not originated at the ocean, but was from under ground. I quickly noticed great cracks in the earth around Salt Lake City opened up and saw water shooting up out of the ground. I felt that

deep under the ground was a huge amount of water and that the earthquakes had forced it up to the surface. Most of the buildings were swept away or destroyed when the water swept over the city. In fact there had been tremendous destruction, with only a few buildings left standing. The water coming from underground stretched from Idaho down to near Cedar City, Utah, and was very destructive. As I looked, I could see that cities all over the country had been devastated, and there was rubble everywhere. Most of the buildings were destroyed.

However, I realized that even though there was tremendous destruction from earthquakes, disease, floods, volcanoes, and tidal waves, the majority of the deaths were caused by the gangs of roving marauders that killed for pleasure. As I studied the scene for a moment, the thought occurred to me that the earth itself had become sickened at the terrible acts of cruelty that were happening upon it and was finally reacting through these natural disasters. The earth was attempting to cleanse itself of the chaos and evil that had engulfed the people.

The ash and smoke from the volcanoes had increased, and there was now almost complete darkness everywhere upon the earth. The diseases also increased in devastation, and I saw people literally dying on their feet. I saw another particular disease that started with red blotches, and then the victims would start to bleed from every opening in their bodies. Then the people literally disintegrated, or melted into unrecognizable masses of flesh and bone. The sight was horrendous, as death and the dead were everywhere. After this second terrible winter, I saw the survivors pile up the dead into huge piles to burn them. The stench was sickening. Some of the bodies had been burned during the time of chaos, but because people were more concerned with their survival they had mostly ignored the dead around them.

A huge earthquake occurred in the middle of the United States. It was tremendous and seemed to split the United States in half about where the Mississippi River is. The crack in the earth that resulted was huge, miles wide, and as it opened up the earth seemed to swallow everything. Water flowed in from the Gulf of Mexico all the way up to the Great Lakes. The Great Lakes did not exist any longer, however, as they became part of a large inland sea.

## **MEGAQUAKES WORLDWIDE**

Then I saw another series of tremendous earthquakes all over the world. But they were not many, separate earthquakes, rather it was all part of one gigantic earthquake that shook the entire earth. Because of this earthquake waters overflowed their boundaries onto land all over the world. There were again huge walls of water along all of the coastal regions. This earthquake and the walls of water made the earlier ones seem small by comparison. I am not sure if the earthquake that split the United States in two was a part of this worldwide quake or not.

## **PLANET X, HUGE WHIRLWIND, PEOPLE HIDING IN ROCKS**

### **(More Sixth Seal)**

Next I saw a mighty wind come upon wind come upon the earth. As the wind hit, I saw people go into caves and into the cracks of rocks to try to escape its fury. It appeared to be stronger than any hurricane or tornado. It seemed that everything that had been left was now blown away. I understood, without asking, that the great worldwide earthquake and the mighty wind were somehow caused by a huge planet-like object, that had come very close to the earth and had disrupted everything. It was also made clear to me that it was very near the “end” when this happened.

## **FIRST TRUMPET (BURNING)**

Now my perspective changed: I once again viewed the entire earth from a distance. I then saw a huge fireball, much larger than the earth, approaching our planet. It was extremely bright red and gold in color, and it engulfed the whole earth. When I witnessed this event I could not help but feel the difference between it and everything else that had occurred, and so I asked what this was that I saw. I was impressed that it was the burning of the earth that is described in the Bible.

## **RAPTURE JUST PRIOR TO FIRST TRUMPET (pre-wrath)**

I understood that just before the fireball's appearance Jesus had appeared, and the good people I had seen earlier had left with Him and were no longer on the earth. The few people left behind were those wicked who had survived the earlier devastations. The picture of the earth engulfed by this huge ball of red and gold fire slowly faded away into blackness.

## **VISION ENDS**

I was thinking that I have to go down and take care of my children so that they could be protected from the terrible things that were going to happen and then I don't remember any more until I woke up in the hospital."Thanks for taking a gander at all the news I have compiled here as always Stay Safe!

# WHEN LAWLESSNESS ABOUNDS

TUESDAY, JANUARY 21, 2014

## *When Lawlessness Abounds*

*At all times, My children, obeying the commandments in My Holy Word are your best and safest course of action. You wish to know what is coming in your future, in the future of the earth's people, and I wish to warn you, though there is much you cannot "handle" knowing, for if I reveal too much to you, you would be overcome by fear when I desire you would walk by faith. Faith in Me and My power to protect you; Faith in Me for the outcome though much evil will abound; Faith in My Word, that even though everything around you will seem as chaos, I am still in control behind what you see.*

*Though lawlessness shall abound, I desire My people would carry on as you do now, obeying the laws as best you can by obeying Me and My Word.*

*All the world will seem to have lost reason in the coming times, My precious children, and with reason. They have rejected My reasoning. They have rejected My rule, My laws, and My Kingdom, so I shall hand them over to theirs.*

*Sin will prevail around you and evil shall abound, as it always does when the thoughts of men are only evil continually. Do not give in to sin, My people, but keep yourselves unsoiled from it, that I may protect you in this time.*

*My protection of My own and My miraculous provision for you is what will reveal who is Mine. Just as in the time of the original exodus of My people of Israel from Egypt, only My own shall be fed with manna and given water from The Rock. Only My own shall be protected from plagues and evil armies.*

*So you see, My children, you truly have nothing to fear in what is coming. Your part is simple. Believe and obey.*

*I love you with an everlasting love that will never die, My precious children.*

*Never doubt Me.*

*Soon you will be here with Me in heaven, rejoicing!*

# NO TIME TO KNOW ME

SUNDAY, MARCH 23, 2014

## *No Time To Know Me*

*There are many of My people who tread lightly in waters of sin and think it matters not. You feel sure with only such small sins you surely will not become trapped or be unable to exonerate yourselves.*

*No sin is that small in My eyes, since every sin puts your actions on one side and Me on another. I desire we would be on the same side, My children, that I may protect you.*

*In the darkest of times up ahead, you will wish desperately for any kind of protection, since all you know will have been stripped away in the world. All that will be left will be what you have in Me. If you have not taken time to invest in a relationship with Me, there will be no help for you. Money, even great wealth, and prestige, will mean nothing. Friends will mean little since there will be little to survive on and food will become as in the time of the destruction of My holy city, Jerusalem, when those trapped would gladly eat the flesh of their own children, just for a morsel to put into their mouths.*

*The strength of My Word in your spirit will sustain you then, for I will provide for those who come to know Me in this time, but woe to those who play now and try to repent later, for there will be no time to come to know Me in the midst of chaos.*

*My children, some of you yet still disregard My warnings to you, as though these things will never come to pass, but I am not a man that I should lie. I have always tried to warn My people and those who are not yet Mine of coming storms. This storm will exceed them all, for this storm knows no end until My Son's return. I desire you would not suffer in the time coming, My people, but I cannot prepare those who refuse to prepare by spending time with Me. Some of you think you will somehow be exempt from what I am saying, yet you will not.*

*The darkness is coming, and it will search for you. Only those who fill their hearts with the light of My holy Word and My presence can hope to survive the end of the age.*

# THE WINDS OF JUDGEMENT

SUNDAY, FEBRUARY 2, 2014

## *The Winds of Judgment*

*A time is coming soon when My people shall need each other as never before. I shall teach you the true meaning of 'love thy neighbor as thyself,' My children, for circumstances shall turn dire suddenly and require you to reach out to each other in order to survive. But I shall use those circumstances to bring many souls into My Kingdom.*

*Use the time now to get to know others around you and to prepare yourselves in My Holy Word that you may minister to others when that time comes.*

*My children, America has long defied Me and rebelled against My commandments, and My people cry out for judgment. This judgment will come and it will be as severe as her turning away from Me has been.*

*Know that the winds of judgment have begun blowing and more are coming her way. I have long shown mercy to this nation, but I am a Righteous Judge, and its wickedness continues increasing.*

An international team of astronomers, led by Felipe Braga-Ribas (Observatório Nacional/MCTI, Rio de Janeiro, Brazil), has used telescopes at seven locations in South America, including the 1.54-metre Danish and TRAPPIST telescopes at ESO's La Silla Observatory in Chile, to make a surprise discovery in the outer Solar System.

This unexpected result raises several unanswered questions and is expected to provoke much debate. A press conference will be held in Brazil to present the new results and allow opportunities for questions.

Note that all information regarding these findings is under strict embargo until 19:00 CET (15:00 BRT) on Wednesday 26 March 2014.

**When:** The conference will be held on 26 March 2014 at 14:30 local time (BRT) and will take place in Portuguese with a summary in English.

# Prophecy of Planetary Event Above the Earth

**PLAY** - Dr. Owuor - Prophecy of Planetary Event Above the Earth

## TRANSCRIPTION:

From the Throne of the Lord. This past night, the Lord spoke with me and in that conversation the Lord, He lifted me up. He took me above the Earth, this past night and He took me into the deep space. We crossed a section which was one stratosphere and it is covered with cloud like substance that is another zone and then the Lord said, "Look at the moons". I looked toward my right, I saw several moons. At one point I thought they were planets because they were lit. On my right side..right deep into the planets and the moons they went far and I saw them line up, as they lined up...the moons, here above on this night...the Lord took me here above. And the way they were lined up...here and here and here and here. (motioning)

Then the Lord spoke, He said, I shall now put a new moon here. That was now on my left side. I saw the hand of Jehvoah place a new moon and He said, it shall soon be discovered. What I am giving you today, you are soon going to see in your global news telecasts. I saw the process of creation. The voice of the Lord said, "Let us now go, but let us use another route". And we used a route in this direction, as we were now coming back down to the Earth. And as we were going in this direction, He brought me to an institution. It has a lobby area in that institution, I think a semi circle. And inside that space, there were small booths, in those booths, there appeared to be computers being used. Maybe doctoral students, astronomy, physics of the universe. I saw that the booths were unkempt. A door opened, a type of door with interlocking fingers (motioning) we came out and then I woke up.

**Listen people, there is going to be a planetary event. Above, there is going to be a wonderous sign and wonder above the Earth. Listen to me, nations of the Earth...the Lord, He has spoken with me on this day, this 5th day of the month of August, 2012. The Lord has spoken to me, He has spoken to me about a planetary event that is going to take place, above the Earth. I see several planets and moons that are lining up in a straight line. They are going to line up, it may not be a completely straight line...but generally a straight line. Then there is going to be a discovery. The Lord has created a new planet and a new moon and the scientists, the Lord is going to open their minds now, to allow them to discover it. You will soon see it in your global news networks.**

When you see the planetary event, then you shall know that the mouth of the Lord, He has spoken and the Messiah, He is coming! For a glorious church! That these are the signs and wonders that the prophet Joel talked about, that would visit the Earth and the universe when he said that there will be signs and wonders in these days. In the sky, even above the Earth. Today, may it be known that from the mouth of the Lord, He has spoken. Shalom.

THE 12 HOUSES - A Vision of the Night

-by C. Alan Martin.

(C. Hursey notes: I think I first saw this particular prophetic word in 1994, during the Clinton Administration. C. Alan Martin had at one time hosted a "prophetic school" in the early days of the public internet. Several years ago, he moved and then shortly after that the web site vanished. This is the most current copy of this dream/vision that I have been able to locate. Since the time that this was written, we have seen the Monica Lewinsky scandal erupt over the Clinton

White House, and in the sixth year of the presidency the "Star Report" was published. George Bush then was elected president, and we have seen the weeping for the World Trade Centers. I am sure that his commentary on his dream would be quite different now, but so far, this vision itself has remained uncannily accurate.

-Source: <http://members.aol.com/chursey/prophecy.htm> ).

## **The Vision (-comments updated June 1, 1997):**

In 1971, I received a vision of the night in which I was shown a row of houses. It was not until 23 years later that the Spirit gave me a dream which held the key to the meaning of these houses. They represent presidential administrations, starting with Truman in 1953, and extending into the future for two more presidents (beyond Clinton).

Linear Recounting of the Vision of the Night:

"We were fleeing the persecution and calamity of the day. A brother was fleeing with me. He fell and I paused to help him up. We prayed "Lord Have Mercy". My friend vanished, and I looked around to see that I was at the top of a hill overlooking 12 houses. As I looked to the west, I noticed dark and ominous clouds gathering over one house (#10) and proceeding through to the last house

(#12). I looked into the sky over #12, and saw an arc of what appeared to be 6 stars in the sky. One of the stars fell to the earth like a fig that was shaken off a limb. A voice came to me and said "look to the east!". I began to turn to the east, fully expecting to see the Lord coming in the clouds. The dark clouds opened up in two places and I saw the sun darkened and the moon turned to blood. As I looked to the east, instead of seeing the Lord in the sky, I saw an army. This army was made up of ancient armaments such as battering rams, catapults and siege ramps. I ran down and joined the army at house #5.

Instantly I was transported into the future, and found myself before what I can only call a "temple fortress". The city was gray, in ruins, and desolate. A man had just emerged from the huge double doors of the temple fortress. He was dressed in a suit. A voice said to me

"He says he is god, but he is of the devil". Then the vision ended.

Significant events indicated in the vision:

"6th star falls to the earth". -Understood to mean the fall of a ruler (or president). I do not believe this to be actual stars or a comet or any other such object. The stars appeared to be within the atmosphere of the earth, and there was not a huge explosion or calamity when the red "star" fell to the earth.

"The blood moon and lightless sun". -More imagery that represents the fall of nations and change in the ages. The fall of a president is not enough to bring about changes on this scale. There will be great changes in the earth and alignment of nations.

"Ancient weapons of war" - which I believe to represent the restoration the sign gifts: "SIGNS, WONDERS and MIGHTY DEEDS".

## **The HOUSES:**

I waited for 23 years to receive a clue as to the meaning of these houses. In another dream in 1995, I was in the back yard of house #3. I looked down at my feet and saw a LIFE magazine, with a picture of JFK on the cover, and the words "In Memory of Dead Presidents".

House number three is the house that represents the term of John Kennedy.

## **The Houses**

As Stated above, each house represents a presidential administration.

### **House 1 - Truman:**

Nothing significant revealed about this house.

### **House 2 - Eisenhower:**

In a related dream, a model rocket was launched into the air and was drifting down into yard of this house. The rocket then turned into a glider and glided into the yard. My aunt used to refer to me as her "rocket boy" because of my early interest with model rocketry. It was in the Eisenhower Administration that I was born. (1954). It was

during this dream that I ran through the back yard of house #3 (to retrieve the falling rocket) and was shown the Life Magazine with Kennedy on the cover. It was then that I knew that these houses represented presidential administrations.

### **House 3 - Kennedy:**

The yard in which I was shown the key to the meaning of the houses. The Life Magazine with JFKs face on it with a caption stating "In Memory of Dead Presidents" was in this yard. It has been suggested that all the presidents on this "street" must pass away before the events discussed in the remaining revelation can occur. This would mean all presidents up to Carter and maybe Reagan (his house is on a corner lot).

### **House 4 - Johnson:**

This house was occupied by a family of Jews named Levine. It was during the administration of LBJ that Jerusalem was returned to Israel during the 1967 Arab-Israel war. Levine is a long form of Levite. This is a very significant event in the history of the world.

### **House 5 - Nixon:**

It was into the yard of this house that I ran down and joined the army of God which was marching forward through time (the backyards of these houses). It was also in the Nixon administration that I was saved, filled with the Spirit, and had the vision I am now describing.

Everything up to this point had already happened in time. However,

everything recorded in the remaining houses had not yet happened. It is significant to remember this president, since it will be (according to the falling star and darkened house #10) the 6th administration after Nixon that will endure the beginning of judgment on America, including the fall of that 10th president.

### **House 6 - Ford:**

Nothing significant

### **House 7 - Carter:**

Nothing significant

### **House 8 - Reagan:**

A Major shift occurs in the time of this president. The house sits on a corner lot, and the row of houses changes direction TO THE RIGHT. It can be noted that the nations' politics took a sharp turn to the right during the Reagan administration. Rightly or wrongly, this shift Undoubtedly was in the plan of God for the series of events leading up to the last presidents and the fate of the nation.

### **House 9 - Bush:**

Nothing significant in this administration.

### **House 10 - Clinton:**

It is this administration that is the main focus of the vision of the night. Over the house was a very dark

cloud, so dark that it seemed like night. The cloud was very low so as to almost touch the rooftop. There was something very significant about the "back door" of this house that may have some meaning. The lights were on in the house and they stood out brightly in the darkness created by the cloud. As I looked at this cloud hanging low over the 10th house, I ;also saw an arch of 6 stars in the sky to the west. The stars were of different colors, and the last (sixth from Nixon) of them fell to earth like a fig that was shaken loose from a limb. I have taken this to mean that this administration will preside over some very bad times in the USA, and that this administration will "fall".

### **House 11 - President ???**

In the yard of this house is a large weeping willow tree. This tree represents mourning and sorrow. But under the draping limbs of this tree are children playing.

### **House 12 - President ???**

This is the last house that I saw in this vision of the night. After this house was a dirt path that led toward a collection of boulders arranged in a semi circle which reminded me of a place where a trial was held and judgment rendered. In another dream which took place during the millennial age, I was standing among these rocks looking at the ruins of a world rocked by the tribulation. In the ruins of these Boulders I found a witch doll. I knew immediately that one of the reasons that the USA was judged was because she had gone after the occult and witchcraft.

Across from the path after house #12 was a new row of houses stretching off into the distance. These I believe are the rulers of the land that Jesus will set up during the millennium. In the vision of the night (after I saw the star fall to the earth), I heard a voice say "Look to the east". I began to turn and fully expected to see Jesus coming in the clouds. As I turned I saw the clouds part and I saw the **blood moon** and the dark sun. Both of these are symbolic of judgment being levied on a nation and the fall of a nation. I continued turning to the east and saw the **ancient army approaching from the east** through the yards of all the houses of the presidents. It was then that I ran down to join this army in the yard of the house of Nixon. This was 1971, the year I was saved. Immediately the scene changed and I was in the middle of a city in gray ruins. I saw a man emerge from what I perceived to be a "temple fortress" who was dressed in a diplomatic suit and carrying a briefcase. **A voice said "He claims to be God, but is of the devil"**. Then the dream ended.

Hold onto your hats, because the next dozen or so years are going to be a roller coaster ride!!! (-C. Alan Martin - 1997).

## *Before All Hope Is Gone*

It is of the utmost importance that My people remain in their (physical) places now for safety's sake. Do not move unless you are directed to by Me, My people, for I have moved My own where they will be most protected from what lies just ahead.

Many of you are being tempted by the Evil One to move for reasons you think are Me, but I tell you truly they are not of Me. My people must be able to discern My voice in times coming or their lives shall be cut short by deception. I desire you would live long on the earth doing My Kingdom work, My children. I desire you would help evangelize those who are still lost in the world before it is too late, before all hope is gone. (the end of time)

Some of My children are busy with work for My Kingdom and in you I am well pleased. Carry on, My people, for you shall not be unrewarded for your much obedience and the sacrifices you have made to serve Me. I always reward those who work for Me.

Keep your eyes on Me, and on My Son's great sacrifice. Fill your hearts with My Word, not the filth of the world around you. Keep your thoughts holy and pleasing unto Me.

Your time of no more sorrows (heaven) is coming soon!

# THE MABUS WARNING

## MABUS + COMET

Here is a dream given to Gary Lowrey by the Most High YHWH God.

*I had a dream that I was in a conference room and there was a podium and a stage . The back wall had blue curtains hanging from it and the podium had the official Presidential seal on it. In the background behind me I could here people rejoicing and clapping and whistling, they were celebrating .*

*Then I saw a man with grey hair in a blue suit jacket and tie walking behind the podium he walked back and forth, and as he did I heard a voice saying the people will rejoice, the people will cheer and Mabus will have glee in his heart over it and then sudden destruction and terror cometh.*

*That morning I told Lesa what I had dreamed and the next day I told Her mother Sue and Steve Sue's husband. This dream occurred on the day that the Royal wedding took place.*

*The day of the dream I began to research who Mabus was, I thought the name was in the Bible so I searched there first and in Strong's Exhaustive concordance of the Bible however it was not in the Bible.*

*So I did an internet search and found the name Mabus. He is Ray Mabus and he is on President Obama's short list for Secretary of defense. The other search information came up under Nostradamus he wrote one quatrain about a man named Mabus.*

### The Nostradamus Prediction

Here below is the Nostradamus prediction on "Mabus". Is it Ray Mabus? I don't know. But here it is.

*'Mabus' then will soon die, there will come  
Of people and beasts a horrible rout:  
Then suddenly one will see vengeance,  
Hundred, hand, thirst, hunger when the comet will run.*

**DREAM MARCH 2014**

**(Note: Compare to TD Hale Nov 24 Dream)**

## **Tribulation Dream: The Angel of the Lord Over the Statue of Liberty**

This week I had a dream. It was a terribly frightening dream. In it, I saw a huge angel standing suspended in the air over New York harbor. It looked so large that it covered the night sky. His body was clad in golden armor as if he was going to war. His face and entire being were so bright that I could not gaze up at him for long. White beams of light seemed to radiate outward from him in all directions. He was standing over the Statue of Liberty. It was night, but I could hardly see the lights around him

coming from New York City as he blazed so brightly with divine light.

He reached for his belt that was covered with a red sash around his mid section, and drew out his sword. It was so massive! It blazed with light and fire all around it. It looked at least 100 feet long! I have never felt such fear when I saw an angel before. I just knew this mighty warring spirit had authority from the very throne of God. He had a grim expression as he held this mighty sword over his head with both hands. I could see that he was poised to hit the Statue of Liberty and cleave it in two! I trembled and tried to hide, but the angel was looking directly at me, and I knew there was nowhere to go that he would not see me.

Then he spoke! His voice was like thunder and echoed throughout the whole harbor. He said,

***“How long will you refuse to humble yourself, O America! You have been weighed in the balances of God and found wanting. Your beginning was great and noble, but your end shall be disgrace and destruction!”***

***Thus saith the LORD of Heaven’s Armies, the LORD of Hosts,***

***‘Time is running out. The bowls of My wrath are full of My fury and judgment. They shall be poured out upon you. You shall drink them down...to the dregs...every drop! I have come to you day and night pleading with you to return to Me for over one hundred years. I am merciful and long suffering. It brings Me no joy to judge you. But, you have hardened your hearts, scoffed at My warnings through My prophets, and my holy servants. I brought you from nothing and exalted you, O America, higher than any other nation! But now you have fallen lower than Sodom. You have sinned greater than Egypt. You have become prouder than Babylon and Persia. You have become more selfish than Rome. You have exalted yourself in your own wisdom higher than Greece. You have more idols and high places of idolatry and luxury than any Gentile kingdom in history. Your beginning was pure and great, but now the stench of your sin and filth fills My nostrils! I shall cut you in pieces and you shall reap the harvests of wrath from what you have sown! You shall no longer be the Queen of nations. Now you shall bear your shame and become the lowest of the heathen nations! Now, as Agag, you shall be hacked in pieces! O EARTH, EARTH, EARTH, HEAR YE THE WORD OF THE LORD!’***

Then, to my horror, that massive sword came smashing down on Lady Liberty. When it hit the top of her head, there was a blinding flash of light and that sword split her in two – right down the middle! Then the sword came again and again against her. It divided her in pieces. As the sword would finish each strike, fires would burst forth. I heard terrible explosions. The vision of the Statue ended with an earthquake as it was hacked into pieces and sunk into the harbor.

I was weeping and crying out to God for mercy. Never had I seen this side of God before. I had only really known the love and goodness of Him, never had I seen the Wrath of the Almighty!

Then, as if I was watching from a zoomed-in close up...the dream shifted and I started to zoom outward from New York harbor and started traveling in the air over America. What I saw was horror beyond anything I have ever seen! I saw the United States seem to crack in two with a giant earthquake – right down the middle! I saw the Southeastern United States covered with a giant wave of water from the ocean. I saw a massive earthquake that just seemed to crack off the coast of California. It reminded me of a Saltine cracker that just cracked in two! The great cities along the West coast just fell into the ocean, all the way from Mexico

up to Alaska and giant waves flooded inland until much of the West Coast just wasn't there! It had disappeared into the Pacific Ocean.

**Then I saw three giant rocket missiles that took off into the air. Two came from out of the ocean waters, and one came from land and traveled a great distance. All of them blew up in the air one, two, and THREE in the upper atmosphere within five minutes of each other. It was out near space. They were terrible nuclear bombs. But the last one was the biggest and it created a huge mushroom cloud over the Midwest part of America. Then the ground shook and everything just went black. There wasn't any electric light coming out of any homes. Then candles began to be lit and fires, and a little light was seen.** There were other nuclear explosions, and many people perished throughout the nation. There was just twisted metal and charred debris in cities that once were tall and majestic.

There was widespread looting and gangs roaming about everywhere with guns, stealing whatever food and supplies they could find. Then I saw what looked like elite riot police by the thousands go into communities and even cities, force the people out of their homes, and brought into what looked like concentration camps. Some, but not all of these "police

armies” had light blue helmets on. Hundreds of thousands of people were arrested in this way. Many would not “cooperate” and were just shot and left dead in their homes.

But, there were millions of hidden groups that escaped the first wave of these terrible disasters. Revival broke out, and great evangelists and prophets and apostles rose up and began to preach to thousands out doors, and many were saved and were born again. Miracles of provision, multiplication of food and water, and astonishing healings occurred. Millions of people cried out to God and he heard and answered.

I knew that this was not just happening in America, but the Great Tribulation was upon them, and all over the world these calamities were also taking place.

I saw multitudes of Tribulation saints refusing to renounce Jesus as LORD. They were starving, many of them, but still refused to take the stamp on their bodies so they could eat and live. There was what looked like kiosks that were in every little town. They advertised food and water, only if you went inside them and took the electronic mark. Some went in, bowed down to a holographic movie images of the Antichrist and were branded in their hands and foreheads with a electronic tattoo-like stamp. When they came out, if

they came out, they had a zombie-like look. Their minds and souls were gone. It looked like they had a spiritual lobotomy. Then these immediately joined the armies of those police units, and were given weapons after they were fed and drank and rested in the kiosk. They were like robots doing the Antichrist's bidding. I knew that they were lost forever. But, quite a few did not make it out. They were tortured mentally and physically inside the kiosk thing, but, if they still refused the mark of the beast, there was a laser that shot through their brain and heart, and sliced their heads off. Then they were immediately incinerated. Nothing but ashes remained. This was the most horrifying of all. It made the Nazi death camps look like a picnic, it that is possible. Millions of people were executed in this way via computer systems automatically with such precision and efficiency that I marveled that something like this was even possible and could take place on such a large scale. The technology was more advanced than I had ever seen.

Then, I was back looking at that terrible angel of the LORD, and he said,

***“Warn everyone! Flee from the wrath to come. Repent and turn to Jesus while you still can. Pray that you may escape these things that are shortly to happen, and to***

***stand in the Presence of the LORD. These things are about to take place! Turn to God and cry out for mercy. Come into the ark of Salvation before the doors of grace close and it is too late!"***

Blessings,

***21 EVENTS THAT  
WILL HAPPEN  
VERY SOON***

Found Maurice's revelation. [https://www.facebook.com/mauricesklar/posts/10203742727192947?stream\\_ref=10](https://www.facebook.com/mauricesklar/posts/10203742727192947?stream_ref=10)

21 Events that Will Happen Very Soon:

John 16:13-14

Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and HE WILL SHEW YOU THINGS TO COME; he shall glorify me: for he shall receive of mine, and shall shew it unto you.

The LORD spoke to me today AGAIN. So much is happening so fast. As I am typing this, there is such urgency, that it is pouring out of me faster than I can write. Oh! dear LORD, help me to be accurate and faithful to your Word! AMEN.

I must write these down for you:

**World War III (Pale Horse)**

1. Israel is about to attack Iran. The whole world will become even more anti-Semitic and despise Israel. Israel will succeed in removing the nuclear threat almost completely, but there will be war. Israel will be hurt, primarily from the rocket attacks. This strike against Iran will provoke the neighboring Arab nations and they will attempt to retaliate, which will then go nuclear. War is coming!

**(Agree: This is the start of the Fourth Seal Pale Horse and World War III, and Ezek 38, 39, and Psalms 83 wars)**

### **Financial Collapse (Black Horse)**

2. The nations in the world, especially the west, will panic, There will be a dramatic increase in the price of oil. This will trigger financial disasters in Europe, America, and many nations. The dollar will further dramatically lose its' value.

3. The Euro will suddenly just collapse. Then, the dollar will follow. A new global currency will immediately take their place.

**(Agree: This is the Third Seal global Financial Collapse)**

### **Word War III (Continued)**

4. Vladimir Putin is preparing the way for another leader to rise in Russia. He will be the Magog of Ezekiel 38. But before this, Putin will try to take over other nations that once were Satellite nations of the former Soviet Union. He will be overthrown and deposed, but will be replaced by a ruthless man who will try to take over even the Middle East by sudden and rapid conquest.

Of course, according to Ezekiel 38-39, he, along with the nations with him, his "hordes", will be defeated when he attacks Israel from the north.

**(Agree: This is a continuation of above)**

## **The Rapture**

5. The Rapture of the Bride will happen suddenly. This can come at any moment now. It is not chronological with these events...but, a mystery hid in God. HE CAN COME NOW AT ANY MOMENT! Please make sure you are right with God!

**(Kind of Agree: While this is basically true, through other prophecies there are strong indications that the Bride will endure the Fourth Seal and Sixth Seal "calamities" and amid them will participate in the Harvest, receiving her "glory light" Isaiah 60:1-5 and then be raptured)**

## **Rise of the Antichrist**

6. The whole world will collapse economically and a miraculous leader will arise out of the Near East. He will be Satan incarnate, but people will blindly follow him, thinking he is actually the Messiah.

**(Kind of Agree: Daniel 11:45 (attack on Syria) will be completed, this attack will come from "He" who IS the Antichrist, Obama. He will be brought to "an end" because the USA will be destroyed by fire in one hour (Rev 18, Jer 51) with tsunamis, earthquakes and finally a nuclear attack from Russia. However Obama will escape, Lucifer will incarnate**

into his "body" and he will go to Saudi Arabia (the Queen of the South Matthew 24), and start his reign with the New World Order establishing His Kingdom in Israel at the Al Aqsa Mosque Temple Mount)

7. He will immediately establish some order, particularly in Europe, but it will be so bad that people all over the world will be in a panic. They will just embrace anyone that seems to have some answers...especially the man of perdition, who is possessed by Satan himself and will be anointed with more charm and charisma than any other world leader in all of history. No one will be able to resist him, unless the Holy Spirit supernaturally opposes and stops his deception on a person.

**(Agree: However I believe this will in fact be Obama. Millions of people, arguably billions of people across the earth, particularly in the Muslim world already see Obama as the Iman Mhadi or "Messiah". Obama is adored among many already. His rise in this position will be a natural event among all who see it (the unrighteous))**

## **Final Harvest**

8. God will release his end time Tribulation prophets, evangelists, and apostles, who will demonstrate the authority of God in the earth. They will preach the Gospel of Jesus, proclaim judgments and calamities, and these will immediately follow. Millions of souls will be saved, because of these men who proclaim the gospel in fire and glory. Miracles will follow them. Thousands will be raised from the dead, food and water and provision will occur wherever they are preaching. Healing miracles will be manifested that will arrest the entire world as they watch on the television news, etc. The fear of the LORD

will be so great that they will call fire down even upon the White House and Congress. I saw the Resolute Desk in the Oval Office hit and cleaved in two down the middle. The entire Government will fall on its' face and cry out to God for mercy. He will answer and move in great Revival, not just in America, but around the world.

**(Kind of Agree: This is true, however the harvest will happen amid the calamities of the Third and Sixth Seal (earthquakes, tsunamis, and war, and the "three days of darkness" (the sun turns black) in the Sixth Seal (Rev 6:12-14). The Bride will be taken to Heaven AFTERWARDS and many of them will return and take on new rolls as the "two witnesses" and the "144K" continuing their harvest activities with the "Tribulation saints")**

### **Calamities (Third Seal, Fourth Seal)**

9. Terrorists acts of terrible destruction shall begin to hit throughout the world after the first of the four Blood moons in a few weeks. Earthquakes and floods, fires, bombs, volcanic activity, will greatly increase, particularly in the Moslem nations and the ring of fire regions.

10. A word to the nations NOW! It is going to get really dark. We haven't seen or even imagined the terrible calamities about to come. The protective covering of grace will be removed and the birth pangs will greatly increase over the next 18 months. with each of theses heavenly signs, greater calamities will follow.

**(Agree: Absolutely. The only thing is that these manifestations of calamities WILL be part of the unraveling of the Third and Fourth and Sixth Seals. As 1 Thess 5:9 says "We are not appointed to WRATH; and "wrath" starts at Rev 6:17**

"for the great day of His wrath has come and who is able to stand")

## **Blood Moons**

11. What do the blood moons signify in the heavens?

- a) Wars coming in Israel to destroy it before the Jubilee of Jerusalem.
- b) the end of the times of the Gentiles - the age of Grace is ending.
- c) the beginning of Jacob's trouble...seven years Tribulation
- d) The signals that the Day of the LORD is beginning.

(Kind of Agree: While there is the final seven years (Daniels 70th week, the first 3.5 of them are well in progress with Obama as the Antichrist. I believe the Daniel 12 "1335" days match up with the delay of the Bridegroom returning in Mathew 25:5. This puts the start of the Great Tribulation sometime in 2016 (after the blood moon events). There will be no Third Solomons' Temple because Jesus said "An adulterous generation seeks for a sign and none shall be given it" (the only ones seeking for a sign are the "believers" so this is the church looking for the Third Solomon's Temple clearly). We are currently in the "sorrows" now and its going to get *way more sorrowful* during the Third and Fourth Seal and the Sixth Seal disasters etc.). The Day of the Lord is spoken of in many places but particularly in Isaiah 13, and Joel 2, the prophecy from Padre Pio about the three days of darkness, had "evil angels" coming upon the earth just as these chapters discuss. This does kick off the Great Tribulation (Jacobs Trouble) which is 3.5 years not 7. Note that the Church of Thyatira is CAST into "Great Tribulation" not "tribulation")

` 12 There are four phases of the withdrawal of protection and grace from the earth.

These four phases coincide directly with the four appearances of the blood moons. There will be judgments during and after each one as they appear...then there will be a respite of grace and a harvest of souls after each one. The first one of these is coming in a few weeks during Passover. Each of these four moons will bring worse judgments upon the earth. Israel and the nations will go into travail of the terrible darkness covering the earth.

13. The LORD gave me several indicators of exactly where we are at in His timetable.

a) On the statue of the Gentile nations recorded in Daniel. We are almost to the toes...Most of the feet of clay is now in place. The mixture of clay and iron signify the erosion of authority and leadership. The statue starts with Nebuchadnezzar in Babylon, who was given more absolute authority of the Gentile empires than any one. All the empires since had less power and authority from then on. But, in the last almost 120 years, there has been a collapse in leadership in all the nations...now we are well into the feet of clay, which represents the very last of the rule of the Roman Empire...it will be revived into 10 "toes", or regions during the last seven years, led by the Antichrist. We are now at the very edge of those toes on God's prophetic time clock.

14. b) the Horseman of Revelation chapter 5 will begin to ride - these four blood moons are a warning of their approach! I pray that they don't come exactly with each eclipse. But, the Holy Spirit spoke to me that they are directly related and are involved in their release upon earth.

1).The revealing of the Anitchrist bringing false peace. The White Horse: At first he will not be recognized as evil by anyone

except to those filled with the Holy Spirit - the Tribulation saints. The world will adore him, worship him fanatically, and he will "conquer" at first with a bow and no arrow...flattery, diplomacy, Mystery Babylon religion, etc. He will deceive nearly everyone. This leader will emerge soon after the Rapture.

2). The Red Horse: Peace will be removed and war will be unleashed on earth.

3) The Black Horse: Famine from confiscation of food and resources: notice verse 6 - first it will be food regulated and rationed by the Antichrist system: then, after that will come oil and wine which is fuel, water, property and every essential thing. EVERYTHING will be regulated...buying and selling will be completely monitored when the 666 system is fully in place.

4) The Pale Horse: Death by war, starvation, and demonic possession (verse 9b - by death and by the beasts of the earth)...demons and evil spirits released that have the power to kill, steal and destroy will be allowed to operate...BY THESE MEANS, ONE QUARTER OF THE EARTH'S POPULATION WILL BE DESTROYED ACCORDING TO THIS VERSE.

(Note: Obama is not this leader...he is what I would call a "mini-anti". He is possessed and operates in the same Antichrist spirit, but he is NOT "the Big Cheese".)

The Antichrist cannot be revealed until the Bride of Messiah, the overcoming church, is raptured. But he is alive now, I believe, and ready to take his place in the right time.

15. There are evil angelic beings that are chained in hell. They are about to be released upon the earth. These are not just demons, they were once high ranking angels under Lucifer before he fell from heaven. They are horrible beyond understanding. They will bring such disasters and misery upon those left on earth that you cannot begin to know...it will be

100 times worse than the worst horror movie you have ever seen. They will bring torment, torture, and destruction upon millions.

16. Hordes of demons will follow the command of these evil angels. In the past 10 years, there has been a exponential rise in the occult, false religions, satan worship, and witchcraft. This is because "the great falling away" from God that has happened progressively during the past nearly 120 years. Satan is raging upon the earth even with the Bride's intercession and our prayers restraining. He knows his time is short. When this final restraint is removed, literally, all hell will break loose upon the earth for seven years. There are already demons that have the power on earth to appear in any form, perfect men and women in beauty that cause the saints to fall into lust. The internet is polluting the whole world. These demons actually manifest and come out of computers and have sex and every depraved thing with wicked people. Many "Christians" are in chains of bondage. There are millions of children and babies being offered on the altar of sex trafficking, abortion, perversion, satanic ritual sacrifices, and even bestiality. The blood of the innocents is crying out before the throne of God! This is fueled directly by witchcraft. This is such an abomination that it hastens the Day of the Wrath of God with every passing hour. If this is happening now, "in a green tree, what will it be like when it is dry?!" Evil abominations beyond what you can imagine will fill the earth, after the rapture of the Bride...for then, **ALL RESTRAINT OF EVIL WILL BE REMOVED FOR SEVEN YEARS.**

17. **MEANWHILE IN HEAVEN...**we shall join with the Old and New Testament saints of the past and present generations...the righteous dead shall be raised first, then we shall meet the LORD in the air, and we shall ever be with the LORD. Then we shall go to the Judgment Seat of Messiah, and receive our rewards for what we did in our

lives on earth for Yeshua's Kingdom. What a time of rejoicing it will be for those who forsook all and followed Him in obedience!

18. We shall - the Bride of our LORD - all gather together with Yeshua in heaven to participate in the Marriage Supper of the Lamb. It will be our wedding day! We shall be forever wed to our Bridegroom King - Jesus!

19. We shall have seven years in heaven where we prepare to rule and reign with Yeshua when he returns to earth.

20. At the end of this terrible time on earth, Jesus shall get upon a white horse, and we shall ride heavenly horses also! We shall follow behind Him as He returns to the earth to establish His 1,000 year Kingdom. He shall destroy the armies gathered together from all the nations in the valley of Megiddo in Israel, with just a word from His mouth...the sword of Messiah's Word. Like Martin Luther wrote in his famous hymn, "A Mighty Fortress is Our God"... "One little Word will fell him (Satan and all evil.) Praise the LORD!

21. We shall fight that last battle with Him. He will conquer all evil and we will with Him also! Then Yeshua our Messiah, the Son of David, shall take up His throne and rule and reign forever! We shall rule and reign with Him.

May the LORD bless His prophetic Word.

By the way, this is all in the Bible...read it for yourself...

Are YOU ready to meet the LORD?

Luke 21:36

Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

Shalom!

## **Warn of Financial Collapse**

"Warn America of the coming collapse of the dollar. When this happens, all that you have taken for granted in life will suddenly come to an end. You have never known such devastation. It will come suddenly and spring upon you, O haughty nation, in a moment. What will you do when there is no more water, food, electricity, or fuel?!! Then you will cry to Me, and I will not hear you, until you humble yourselves in holy repentance. There will be riots, looting, martial law, rape, chaos, torture, and murder, as well as imprisonment and disease, as all evil will descend upon you suddenly. All because you refused to repent and turn back to me."

For more than 100 years I have come to you over and over, pleading with you by My Spirit and through My servants and prophets to repent of your sin and return to Me But now, your house is left unto you desolate, for you have passed the point of no return. Oh, United States of America, PREPARE TO MEET THY GOD!"

"Warn the world of the coming war in the Middle East! For I am about to judge and destroy the ancient enemies of My people Israel. I am the Holy One of Israel. Now, Aha! I will arise and judge the house of Esau and Edom. I will not tolerate their hatred and savagery any longer. As it is written, in Psalm 83, and many of My prophets have proclaimed in My Holy written Word, the set time has arrived. It shall be held back no longer. I will destroy

Islam and smash its pillars and all of its dominion. It will stagger as a drunken man, as it drinks My cup of fury down to the dregs. It will fall down and vomit up its filth up before all of creation, then it shall fall into the pits of Hell and rise up no more. You shall experience the fires of My wrath and the fullness of My cup of indignation. You shall be forever humiliated before all of heaven, the earth, the nations, and all the demons of hell. Ah! I will vent My everlasting vengeance upon you, and settle the accounts for all your sins and crimes in every generation against My people Israel and My holy land. I am about to execute the vengeance of the eternal covenant I made with Abraham, Isaac, and Jacob. As you have cursed My people, it shall be done to YOU! Exactly as you cursed and spoke against Zion and Israel, that shall be visited back upon your heads! After this comes to pass, you, Israel, all the nations, and indeed, all the earth shall know that I AM THE LORD, YHWH, the Most High God of Israel!"

'How I weep for you, O America! How has the mighty nation of My grace fallen! You will collapse and never regain your greatness ever again. Yes, revival shall come after this, even a final awakening, and indeed, because of the covenant I made with the very first Americans, and the faithfulness of the saints that lived in previous generations - I will keep you from perishing completely from the earth. A remnant will continue into the Millennium. I will spare many, in My depth of mercies, but your prosperity, idolatry, ease, and pomp will descend with the lost into the depths of Hell."

"You shall no longer be called the Greatest Nation. The stench of your sins, and the blood of the innocents is crying out and is continually before My face. I will bear your whoredoms no longer! Your hours and days are numbered. You have been weighed in the balances of the Watchers, and, even as the writing came on the wall by My Hand in the palace of Babylon, and interpreted by My prophet and servant, Daniel, you have been weighed in the balances and scales of the High Court of Heaven and are found

wanting. Prepare to meet Thy God in the wrath of My Holy fury and judgment!"

"Who shall rescue you now? Will your idols of pleasure, pride, perversion, power, and money? They are your gods now. Let them deliver you! Who shall help you, O fallen queen of the last days' nations? I will not hear your cries until you repent before Me in wailing, sackcloth and ashes. When your entire government falls on their faces in shame and cries out to Me with all their hearts, then, and only then, will I respond. Woe, Woe, WOE to thee, O Most wretched of men! How can you escape the damnation of Hell?"

"A message to the Bride, My Holy Overcomers:

"I have seen your tears, I have heard your groans. I have been suffering with you. Satan has come against you with all of his malice and fury for the last ten years, as I have mercifully extended the times, so that the nations could have every possible opportunity to return back to Me during the final days of grace."

"Oh, America! How I have longed to spare you! But, you have hardened your hearts, stiffened your necks, spit in My face, shook your fists at Me, turned your backs to me, and ignored and despised my prophets that I have sent to you - begging and pleading with you to return to Me - that you may live and not die! Your doom is meted out and sealed. You shall surely drink from the cup of My wrath and reap what you have sown. You have sown the wind and you shall reap the whirlwind."

"But, My Beloved Bride! You are faithful to Me! Still you watch and pray in this Midnight Hour. Still you hold fast to My Name, My blood, and My Holy written Word! All of heaven both weeps and rejoices with you as they watch you and your purity and steadfastness. I have kept you. I have refined you as the finest

gold in the furnace of affliction, and because you have suffered with Me, you shall sit on My throne and reign with Me forever and ever. Amen." \* see below

"I am shortening the days so that you, My Elect ones, will not perish in the final deception that is coming upon the earth."

"I AM COMING FOR YOU! I am at the door waiting for the Word from the Father, saying, COME! The heavenly shofar is in the hands of My Archangel Gabriel and about to be lifted to his mouth for the final BLAST that will call you home! Rejoice, My Beloved! Look up, for your Redemption draweth nigh! I have prepared a place for you! Soon I will meet you in the air and take you home! My love burns for you, My Beloved! All of heaven is rejoicing to receive you. All is now prepared. Hold fast that which you have, that no man take your crown! Be ye holy as I am Holy! Keep your hearts pure and keep your garments clean, that ye may be found worthy to escape these calamities that are soon to flood the earth, and to stand in triumph before Me! I am the Son of Man. I am the Son of God. I am the Son of David. And, I am the soon coming King of Glory! I Am the Heavenly Bridegroom awaiting our Wedding and to feast together in joy and union with you."

"You are My predestined ones. You are My elect. You are My chosen ones. I have called and chosen you from before the foundations of the earth. You are the Crown of all My Desire!"

"AWAKE! AWAKE! AWAKE! HEAVENLY BRIDE!"

"Come out from Babylon, oh ye backsliders and sinners. Leave the Laodicean false church and come out to Me in the wilderness and join My Bride. Come outside the camp and bear the reproach of carrying the Anointing! For My Bride has been cast out of the lukewarm, reprobate churches that refuse to let Me in."

"I am standing at the doors knocking still, but not for much longer!"

I have come to you with this word now, pleading with you to repent and fully surrender to Me. Forsake all others and FOLLOW ME! Forsake the love of this world which will soon pass away. Purify your hearts. Be washed in My Blood and cleansed of every spot and wrinkle. Be daily washed in the water of My Word, the Bible. Pray and cry out to the Father to have mercy upon you and to spare you. Forsake your idols while there is still a sliver of time left, and run with all your might toward Me! Come in to the Ark of Safety while there is still time!"

**"The checkered flag is now being waved! The final lap is HERE! The race is almost over, My dearly Beloved. Win your race for Me and receive your eternal Prize! Heaven is ready to receive you. Soon You shall be Home with Me forever."**

**"No more crying! No more sorrows! No more pain! No more death!"**

**"I am Yeshua the Messiah! I AM your All in All!"**

"O Earth, Earth, Earth, Hear ye the Word of the LORD!"

# **GOD'S WARNING TO THE CHURCH & AMERICA**

**(Robert Foreman)**

**GOD'S WARNING TO THE CHURCH AND  
AMERICA: TROUBLE IS COMING, AGAIN I SAY,  
TROUBLE IS COMING, AND YET, MANY OF MY  
PEOPLE CALLED BY MY NAME ARE UNABLE TO  
HEAR MY VOICE.**

Trouble Is Coming, Again I Say, Trouble Is Coming, And Yet, Many Of My People Called By My Name Are Unable To Hear My Voice.

I Said My Sheep Hear My Voice, But Only If They Stay Close To Their Shepherd. Many Have Strayed Away And Their Sin Has Separated Them From Me. Draw Near To Me, And I Will Draw Near To You. So Many Of My Children Are Vexed With The Ways Of The World, Just Like Lot And His Wife, Their Ears Have Become Dull Of Hearing. Separate Yourselves Now From Their Ways. Turn Off Your Television Sets And Stop Listening To Them And Come To Me With Fasting, Prayer And Repentance For The Day Is Evil And Time Is Short. There In The Secret Place I Will Speak To You.

Now Take Heed And Hear What I Have To Say. Trouble Is Coming To This Land, And To All Who Dwell In It. A Sword Of War And Destruction Is At The Door.

Know Ye Now That I Will Allow This To Happen...

I Am Just, Righteous And Holy. I Take No Pleasure In This, But America Is Leaving Me No Choice. Enough With Her Rebellion, Lying, Enough With Her Blaspheming My Name. Enough With Her Killing The Pure And Innocent, Enough With Her Killing My People All Over The World.

**I Will Wipe The Proud Look Off Her Face. I Will Utterly Destroy Their Idols And Tear Down Their Unholy Temples.**

I Have Pleaded, And Pleaded, And Warned, And Warned, And Pleaded Again, For America To Repent And To Come Back To Her Roots, But She Would Not Hear It, And So It Is, Those That Hate Me Love Death.

Yes, America Will Fall, And When Her Judgment Is Finished She Will Be No More. Never To Rise Again.

But As For My People, Who Will Take Heed To My Warning, Don't Walk But Run Into The Secret Place Of The Most High And Abide In The Shadow Of Your God. On Your Knees Cry Out To Me, Seek After Me Before Trouble Comes, And I Will Receive You And Protect You And Lead You And Shield You Even As Daniel In The Lions Den. Those That Abide In Me, I Will Become Their Water, Their Food, Their Shelter And Their High Tower.

Yes, I Will Prepare A Table Before You In The Very Presence Of Your Enemies. Those That Will Not Hear My Warning Will Be Trodden Under Foot By Those That Hate Me, And They Shall Perish.

Know This, I Warn And Rebuke Those That I Love. And Though You Walk Through The Valley Of The Shadow Of Death, You Have No Need To Fear, For I Am With You, And I Will Never Leave You Nor Forsake You For I Love You. And Who Is It That Can Take You Out Of My Hand?

But As For The Wicked, They Have No Protection But Only To Be Plucked Up And Cast Into The Fire. So Repent And Walk Holy Before Me, And I Will Show You My Salvation... Given To Robert Foreman 3/19/2014

This is not going to be an easy message, but it is an important one. God does nothing without telling His prophets, so that His prophets will tell His people. (Amos 3:7) It is so important to Him that you know and understand what He is doing. Nothing happens in the earth unless somehow His Spirit is in it. God makes decisions, and for our part, we listen and obey.

Years ago, while ministering in Singapore, I was worshiping the Lord in a service when suddenly, I found myself in heaven. I stood, unescorted, in a corridor. I wondered why I was there. Before long, the angel of the Lord came. He said, "You are here to learn something about heaven and about God's government. Watch!"

Then I saw the elders of heaven. They walked down this same corridor toward me. I stood next to a doorway to a room that had three levels of benches resembling marble like bleacher seats lining the walls,. The bleachers went around the circumference of the room so that the middle of the floor was open. The

elders walked past me as though they did not even see me. One by one, they filed into this room and took a seat. I cannot say that I have met many non-Biblical saints in heaven, but I have been privileged to have met many of these Biblical elders in heaven. So I recognized them as they walked by me. I thought, as we neared the end of the line, "Gee, I wonder what they're all doing." Then the last one finally filed in.

After a few minutes, the Lord Himself entered the room. He stood at a podium at the head of the room. He asked all of the elders, "Did you study the material I gave you?" You may be surprised to hear that there is study in heaven! All of them responded with, "Yes!" He said, "Alright. Then we have a decision we must make about Iraq. So I'm going to look at each of you and, one by one, I want you to tell me your decision." The material that they had been given to read, incidentally, was regarding whether or not it was time to judge Iraq by war. That was the decision they had to make. Decisions like that are first made in heaven and then transported into the hearts of the people on earth who have to implement them.

One by one, they voted. Every single one of them answered, "It is time." After the last person gave his vote, the Lord said, "It shall be!" We began bombing Iraq that very morning. Remember, I was ministering in Singapore at the time. I was not paying attention to the news and knew nothing about what was happening in the Middle East. This experience was given to me so that God could help you understand that He is involved in the affairs of man.

He is also involved in the affairs of nations, and America is one nation that is very important to Him. For many years, we have been holding international prayer meetings for America many times a year. We call them "The Gatherings of the Eagles," "GOE's," or simply, "Gatherings." The Lord gathers together people who love to pray and who like to look at the things that are of concern to His heart. It is one thing to pray about your family, home, friends, and all of the items on your prayer list which are important to your heart. You wonder, "Boy, when is God ever going to answer my prayers?" It is one thing to do that. But it is quite another thing to go into the prayer closet and know that everything you are praying about today are the most important matters on *His* heart, and that you are actually interceding in such a way as to bring comfort to the heart of the Lord. To me, it is an amazing thing that a human being can comfort the great heart of God. So, that is what we do. We prepare with much prayer. Then we come together, and we pray only about those things over which He directs us to pray.. From the first Gathering we held some fourteen years ago, until the present, we pray only about the issues that concern His heart regarding America.

We did not even know why He wanted these Gatherings in the beginning. The Lord visited me, and He simply said, "You either do this, Nita, or America is going to see war with no revival." With an ultimatum like that, what are you going to do? I said, "Uh, no, Lord. I am sorry I can't do that. I cannot carry that kind of heavy responsibility." He replied, "I haven't created anyone else to do it. It's on your lap." So, needless to say, we are doing it, as commanded!

Here we are, after so many years of prayer. We are nearing a point in time where we will go through a very difficult season. It is partially because God wants to shake the bugs out of the nest, partially because the Church needs a little readjustment, and partially because America needs a little spanking. This spanking is not because of His wrath. God is not standing in heaven, yelling and screaming with His wind blowing

hard against America, in order to see just how much we can take. That is not the heart of God. Those things which are coming are for the purpose of preparing us for His glory, that we would become a sort of dwelling place for God. His glory shall be here in our midst. He wants to do something with America that will vindicate His decision for creating this nation in the first place. This difficult season will bring forth the purpose and plan of the Father. He is wrapping up the discipline with a final heavy dose, you might say, and beginning to rebuild our nation in the midst of it. The Prophet cried out, "In the midst of the years make known!" (Hab. 3:2) In a time of great discipline make known your mercy.

Right now, America is like an untrained, undisciplined horse. Have you ever seen a herd of wild horses running free over the hills and down through the valleys? Do you like the look of dominion and freedom it bears? I love it! I think it is one of the most beautiful scenes in nature. As beautiful as it is, however, the horses are not fulfilling their highest and best purpose for which they were created when they are running free, untamed and untrained. They are not yet productive, only majestically beautiful. America is like that. The Lord God has a great purpose for us, but left untrained, we will never accomplish it.

We Christians must view the situation realizing that what God is about to bring us through, He is doing out of His love. It is like a father who knows that his teenage son has just gone a little bit too far, and it is time for discipline. The father disciplines, not out of anger, spite, or ill will, but out of love for his son. God lovingly disciplines us the same way, except with much greater love. He disciplines us that we might be sharers of His holiness. (Heb. 12:10)

Recently, I shared with you a series of prophetic revelations in "Prophetic Insight: 2013 and Beyond." This is not part two of that message; I will share part two with you at another time. This message is about an entirely different set of revelations. It is about three dreams and a vision that I have had over the last ten days or so. They are very important for you to know about because you belong to Him and because you are a person of prayer. I am so thankful that so many of the people who walk with us really love to pray. God is going to invite you into His mission. He is going to invite you to the table of prayer on His behalf so that He can bring forth His own desires for America. He wants to bring the people of America through to that ultimate end. Please receive this message on that basis.

*Isaiah 8:11-14 Amp. For the Lord spoke thus to me with His strong hand [upon me], and warned and instructed me not to walk in the way of this people, saying, Do*

*not call conspiracy [or hard, or holy] all that this people will call conspiracy [or*

*hard, or holy]; neither be in fear of what they fear, nor [make others afraid and]*

*in dread. The Lord of hosts—regard Him as holy and honor His holy name [by*

*regarding Him as your only hope of safety], and let Him be your fear and*

*let Him be your dread [lest you offend Him by your fear of man and distrust*

*of Him]. And He shall be a sanctuary [a sacred and indestructible asylum to those who reverently fear and trust in Him]; but He shall be a Stone of stumbling and a Rock of offense to both the houses of Israel, a trap and a snare to the inhabitants of Jerusalem.*

When the Lord begins to outline His plans and purposes for the future, and those things seem to be difficult or frightening, it is to prepare you. I remember when an angel, riding a huge, white warhorse, visited me. He shared with me that there was coming a season of "treacherous days." I describe this visitation in my book, *Prepare for the Winds of Change*. This angel was many times my size. The horse alone was the size of a house that you would find in a typical middle class neighborhood, so you can imagine how big the angel was. His voice trumpeted. It was a frightening situation. One of the things that he said was, "The days that are coming are treacherous times." I remember thinking, "Oh my. This isn't some prophet coming and speaking to me from the eyes or perspective of man. This is an angel coming and giving his words from the throne of God, and He is calling the days ahead treacherous times." Those were not man's words, but God's words.

The days will be treacherous! They will be difficult, confusing, and chaotic. Your faith will be tested. Why is it important that you know this? It is like Jesus telling his disciples about the cross He was about to bear and the trouble that lay ahead. He told them in advance so that when they were in the midst of the suffering, sorrow, confusion, and chaos, they would remember and find comfort in His words. So as God speaks to His Church today, telling us that there is coming a very trying time, it is so that you will be comforted when it happens. He knew what was going to happen before it ever transpired. Out of His great love for us, He tried to prepare us.

About thirty years ago, the Lord gave me a vision that desperately shook me. That is the only way I know how to describe it. In this vision, I was standing in a house that was old, rickety, and poorly maintained. It was a house that I had run into for safety. I thought I would find rest there. However, through the window I noticed that a huge tornado was ripping across the landscape, and cutting a direct path straight toward this house. In desperation, I quickly considered my options for surviving the tornado. I decided, "Maybe what I should do is try to hold up the walls." So I went over to the wall and pushed on it, trying to support it against the wind.. The wind, however, was getting so strong I soon realized the house was going to topple despite my best efforts, and I found a place to hide.

When the vision was over, I was shaken. I said to the Lord, "This is frightening. What are You trying to tell me? Help me understand." He answered, "There is a storm that is coming. Your house is not ready for it. You need to rethink how you see the Scripture, and prepare your house for the storm before it hits."

The Scripture talks about building your house upon the sand or conversely building your house upon a rock. (Mt 7:24-27) A non-Christian cannot build his house upon the *Rock*, but a Christian can build his house upon the *sand*. If you open the Bible to Matthew 5, 6, and 7, Jesus clearly identified for us how to build your house upon the Rock. He clearly said to us, "If you do not do what I say, then you are building your house on the sand, and your house will collapse when the storm comes." (Mt 7:26-27) It is not enough to know, love, or even memorize what He said in Matthew 5, 6, and 7. You must come to a place of letting Matthew 5, 6, and 7 cut through your heart like a sword, dividing asunder between soul and spirit, revealing to you the difference between where you live in conjunction with the Word, and what the Word requires of you.

As an example; "Blessed are they which do hunger and thirst after righteousness: for they shall be filled." (Mt 5:6) What does it mean to hunger and thirst after righteousness? It means that you must come to a place of hating your own goodness and despising your own righteousness with a perfect hatred. Paul said, "And that I may [actually] be found and known as in Him, not having any [self-achieved] righteousness that can be called my own." (Phil 3:9a Amp.) When the rich man came up to the Lord Jesus Christ, he said, "Good master." Jesus said, "Why do you call me good? There is none good but One, that is, God." (Mark 10:17,18) Our righteousness—our own personal works of doing and thinking right, which are the fruits of the soul—are as filthy rags to the Lord. (Is 64:6) We will never come to a place of hungering and thirsting after His righteousness until we have come to hate our own. Until we have learned to hate our own righteousness, our house is not yet built upon a rock. Your house is built upon the weak and shaking sand of self, even though you are a Christian.

"Blessed are the meek: for they shall inherit the earth." (Mt 5:5) If you have self-love, you do not have meekness. If you are one that seeks to control friends, family, and situations, rather than riding them out in the spirit of goodness, gentleness, and meekness, then your house is not built upon the Rock. It is built upon the weak and shaking sand of self. Do you see where I am going? Study Matthew 5, 6, and 7 diligently. Let your heart hear the truth of those chapters. Let it convict you of where you lack. In every area that you do not align your heart with this Word, your house rests upon weak and shaking sand. When the storm comes, and the wind beats against the house, it will fall.

The Lord first tells us what is coming. If it is a difficult thing, He searches out His prophets, through whom He will warn His people. We know in the natural what we must do to prepare for a storm, but there is also something that we must do in the inner man to prepare. That is really what He is after. You might say, "With all of the things that you share in this message, I'm not sure that I can prepare in time." But if you will prepare your heart, God will take care of the rest. That is what I want you to know.

### Dream: The Obama Freeze

I am going to share with you two dreams that I had. Both of these dreams were about Obama, America, the intercessors, and the Church. I cannot remember the details of the first dream except for one thing. A man said, "The Obama freeze is coming." That may not initially mean a lot to us. However, consider what happened in Greece with the people's finances. Consider what you see on the internet every day with

regards to what may happen with our economy. Some will even go so far as to tell you what may happen when the economy crashes. One of the things to consider is that when the economy falls, they are going to do something to prevent a national rush on the banks; they will freeze the funds. You may have prepared financially for the storm that is coming. However, if you did not take the extra step to hold gold and silver in your hands, what will you do when the crash comes and you cannot access your bank account? What are you going to do? You must prepare for this eventuality. How long the money will be frozen, I do not know. It will not be long. However, there is a fairly good chance that when it is thawed out, it is not going to be there at all, at least in the conventional way. So just making sure that you have money in your account is not the answer. There is coming a situation similar to, though not exactly the same as, what we saw happen recently with Cyprus. You need to prayerfully consider what God wants you to do to prepare for such an eventuality.

I contacted my friend and colleague Fred, and I shared with him about this dream. He wrote back, telling me what the Lord told him it meant. The Lord shared with him that the Obama freeze in my dream represents the freezing of your funds. You need to keep an eye on your bank account and pay close attention. I am going to share with you some additional things. I looked into several different sources while trying to fully understand what the Lord was showing me, so that we are not all living with just Nita's interpretation of things. In a moment I want to share with you what I learned through others who know what they are doing for the sake of confirming His word to me.

Secondly, "The Obama Freeze," refers to Obama putting a freeze on some areas of government spending. This will be striking in its dimension. Finally the "The Obama Freeze" will encompass a temporary freeze on wages.

Dream: Obama says, "A crisis is coming."

After the dream about the "Obama Freeze" ended, I awoke and lay praying for quite some time. Eventually I fell back to sleep, and had another dream. In this second dream, I was attending an Obama Press Meeting. President Obama tried to tell the nation that a terrible crisis was about to come and the nation needed to prepare. He did not tell them exactly what the crisis would be, but he did attempt to allude to it with somewhat veiled words.

When he was finished speaking, I got up and left the room. I went walking down a corridor when President Obama approached, walking toward me. I went up to him, and said to him, "The prophetic intercessors have been praying for you." He answered, "Listen. A crisis is coming. In fact, it has already begun. There

is nothing I can do about it. I tried. I'm asking you to believe that. I tried, but I could not stop it. This thing was taken out of my hands." He continued, "Please tell the intercessors not to hate me. Pray for me. I really have tried to stop what is coming, but I couldn't. They wouldn't let me. Please don't hate me. Please tell them to pray for me. He continued: It is the Elite that have taken control. The reason this cannot be stopped is because they want to reorganize Europe, and the only method available to them to accomplish their goals is going to cause suffering throughout the world. It is also going to terribly affect America. It has to. This thing cannot be stopped because it must happen." When he said that it must happen, suddenly, I knew the Lord Himself was speaking through Obama. This is something that has to happen. It is about a worldwide economic crash.

In the Gatherings, we have prayed over the economy for many years. We have seen God set back the economic crash, time and time again. Every time the Elite set a date for it to happen, we prayed and the Lord intervened. He has done it repeatedly. But we have come to a time now that if it can be delayed at all, it is not going to get set back much more. This crash must happen. The Elite want to restructure or reorganize Europe, and they want to bring in their own currency, which is a different currency from what we are dealing with right now. The United States currency is really based on oil. We now function off of a fiat currency, but they want to bring in a gold-backed currency. It will be a world currency as well. It has to happen. That means we are going to go through the 1930s all over again. It is not going to be easy, but it will be as hard as it will be, based on our preparedness.

When this crash comes, I saw homes that were worth millions - depending upon location, they might have been worth one to three million dollars. They were beautifully decorated, well-appointed, and well-built homes. These former million dollar homes were selling on the market for \$200,000. Now that is a drop! I thought, while walking through one of them, "Wow! This house would make a great house to open up for kids who have been forced onto the street because their parents couldn't afford to feed them." I told the realtor, "This house is really only \$200,000? We could buy this house for the unfortunate street kids." This is what the crash brought us to. It was a huge deterioration of an economy.

Obama said in the dream, "I tried to stop it." When I shared this with one person, he said, "When God shows you things like this, it seems like it always ends up being right. However, Obama—sorry? I'm having a little bit of a hard time with that." I replied, "Not only was Obama saying how sorry he was, but, I *saw* sorrow and grief in his eyes. I saw hurt, pain, and desperation." He comes across as a very arrogant man, self-centered, narcissistic, who does not really care about what happens to America. Most Christians can barely stand to look at him because of his attitude. However, the Bible talks about the hard, unfeeling look of guilt in Proverbs 21:29. I think we see that look a lot in Obama. He does have some of the personality characteristics that we think he has, but I want to tell you that deep in his heart, he really does not want to see what is coming. He may look like a man who cares not, but he does care.

As destiny would have it, President Obama is at the head of this country at a time when he is going to be drinking the floods of human sorrow. He is apparently going to be the man at the helm who will be responsible for putting this country back together once again when the initial crash is over. He is not a strong born-again Christian. He has confessed many times that he is Muslim. He has also confessed many times that he is a Christian, so he might be a little confused. Nevertheless, in the level of grace he is walking in, he will not have sufficient wisdom to know what to do, unless the intercessors are praying for

him. If we are praying for God to give him wisdom and grace, praying that he will walk with Christ, praying that God will redeem his soul and redeem all of these terrible circumstances, and praying that God will save him and his family, then it is very possible he can walk us through this crisis in the wisdom of God.

You may have joined us in prayer when we prayed for Obama just before the election last fall. That particular night, Jesus actually opened the threshold of heaven. I led prayer by listening to Him and watching Him pray. He was kneeling in prayer at some kind of altar before the throne of the Father, but He would, from time to time, stand up and turn around, look at me, and instruct me in how to pray next. We prayed for Obama that entire night literally line upon line under the instruction of the Lord Jesus Himself. He wept. He travailed. There was not one judgmental word that came from His mouth. Out of His lips came only words of love and care. He shared with me things that happened in Obama's childhood that created the wounded man that he is today, and his need for healing. So we prayed for that. It was a very powerful night in intercession. How many of you were here that night? I see, many of you!

So when I think about Obama, I always think about how Jesus prays for him, and the kinds of prayers He prays. His prayers are full of love, care, and compassion. While most of the Church would care less if he were to pass to his eternity, Jesus cares about whether or not this man can lead this country. He wants to see him healed of the things that hinder and the things that give him a perverted vision. He wants to strengthen his back in righteousness. He wants to bring clarity to his spiritual vision and to his practical vision. He wants to help him lead this country into a place where we will come through the storm and fulfill God's destiny. However, that is not where we will be headed if we do not pray for him. We are headed for hard times that are much harder than God wants them to be.

I want you to think about the great depression in the 1930s and about what happened in Cyprus. In preparing for this message, among other things, I watched the video *New Signs of the Elite* by Lindsey Williams. Lindsey talked about what really happened in Cyprus. He revealed that the Elite brought about all of what we saw—but for a different reason than we were told. What really happened in Cyprus was not about repayment of their national debt. Cyprus was a money laundering country for, not the Elite, but for the very wealthy. Heads of large corporations, some bankers, mafia members, and others used Cyprian banks to launder money obtained through evil transactions such as sales of illicit drugs, contraband, or theft. What the Elite really wanted was the offshore bank accounts of these very wealthy who had made their money in corruption. The Elite sought to wipe these accounts clean. In this case the Elite did not accomplish all they desired. God moved on men to intervene before the worst could play out.

The Elite are going to go to country after country and do a similar thing. They are going to rape the bank accounts of these offshore banks and level the financial playing field of, not the Elite, but of the very wealthy. Lindsey said to watch countries like New Zealand, Japan, Canada, the Cayman Islands, Dubai, and Switzerland. We will see country after country go through a rupture like we saw in Cyprus. They will not do it the same way, according to Lindsey, but they will have the same results when they are done. People will lose whatever money they have in these offshore bank accounts which are used to avoid paying taxes to their own governments. In the meantime, the countries will go through the monumental shaking of economic earthquakes. This is all going to happen before America will be touched, according to the Elite. I can promise you, if they are going to do this in country after country, it will affect the world as a whole.

When they get back around to America, it will send a mega eruption throughout the entire world economy. The end result will force the people and the governments of the world into massive debt.

For twenty-five years, I have been telling the Church to get out of debt. Do not buy anything on credit. Get every bit of debt you have paid off, and then borrow no more. I have been speaking about this for twenty-five years because the Lord started telling me about it thirty years ago. Our ministry is run debt-free. It is because for thirty years, I have lived with the knowledge that we were going to have an economic earthquake in this nation, and I did not want our ministry brought down through it. If we cannot afford to buy something, we do not buy it. So the way I live is the way I am instructing you to live. Get out of debt. Get rid of anything you own that is secured by debt. People say to me, "But, how do you buy a car without a loan?" My response is that you save your money, and then you buy what you can afford to buy without debt. If you can get your house sold and buy a cheaper house so that you do not have to have debt to secure that house, that would be amazing wisdom. Do whatever you have to do to get out of debt.

When this economic earthquake happens, the Federal Reserve will call their loans. By that time, it is likely that most housing in America will be backed by a Federal Reserve note. They will call their loans, and if you cannot pay your loan, you will lose your house. Now they may turn around and rent it to you. They do not need a nation full of empty houses while the people are in the street. Yet, look at what you have lost. You have lost years of equity and hard labor to maintain your home. If you can get the house paid off, pay it off. Then they cannot touch it. If you cannot pay it off, then seriously consider downsizing.

They are thinking right now that they are going to bring us to a climax of this economic earthquake around the end of 2014, or possibly in early 2015. The Lord showed me that through our intercession things are going on under the cover of the media that continues to delay their plans. Towards the end of this year, continuing through next year, they are talking about bringing the nation into what they call hyper-inflation. This means that everything you buy, even down to a cup of coffee, is very expensive. I think Alex Jones talks about taking your wheelbarrow full of money to get a tank of gas. It will not be easy. Be prayerful! Be very careful with your money, and do not buy things you do not need. I am not saying not to buy food, but do not buy frivolously. Only take care of your needs, and then pray and ask God what He wants you to do with the rest of it. Get on the internet and do some research. Find out about how to prepare yourself for the days ahead. There are those who are writing books so that even the common person who is not wealthy can know what to do to prepare himself for the days ahead. Please be responsible for your life. Prepare yourself for what is coming so that you are not taken by surprise. You do not want to be caught like the proverbial ostrich with his head in the sand, who thinks no one can see him because he cannot see them. Instead, find out what to do and then do it.

When the crash occurs, there will not be any new bailouts, such as the QE1, QE2, and so forth. We will not see anything like that because when the crash occurs, they are going to take us from the old system into the new system that will ultimately lead much of the world into the New World Order system. The whole world will be going into this new system.

Further, they want to destroy the United States Constitution because they want to bring a single world constitution into all the nations. So how are you going to pray about these things? They want to destroy our government because they want it turned over to a one world government. They want to destroy our courts because they want to turn our judicial system over to a world judicial system. They want to destroy our economy because they want us to be brought into a world economic system.

As we are standing at the cliff looking at their plans to destroy this nation, I want you to know that God has another plan and purpose.

*Jeremiah 18:7 Amp. At one time I will suddenly speak concerning a nation or kingdom, that I will pluck up and break down and destroy it; And if [the people of] that nation concerning which I have spoken turn from their evil, I will relent and reverse My decision concerning the evil that I thought to do to them. At another time I will suddenly speak concerning a nation or kingdom, that I will build up and plant it; And if they do evil in My sight, obeying not My voice, then I will regret and reverse My decision concerning the good with which I said I would benefit them.*

There is a great evil that is planned against America. We do not talk a lot about that in our services because we are praying for just the opposite. Yet, I have been very faithful to you to let you know that the crisis is coming. I have not led you to believe that we are not going to go through a storm. I have repeatedly told you that the storm is coming, but the severity of it is dependent upon our intercession.

If you were to take your little boy or girl to the doctor because the child was very ill, and the doctor said to you, "Look, your child has cancer, and the child needs surgery." If your doctor happens to be a Christian, and he says, "However, though it would be a very invasive surgery, and though we're going to uncover a great deal of cancer, it does not have to be as bad as it seems it will be—if you will pray. God will intervene for your cancer ridden child if you will pray." Would you spend nights awake praying for your child? Of course you would. God is saying, "If you will pray for your nation, which in My eyes is filled with cancer, I will intervene. My ears are open. I am ready to hear your prayer. I am ready to touch you, to touch your nation, and even to deliver your nation both from the judgments that it has brought itself into and from the plans and the schemes of the evil one."

My dear friend, please listen to me. Prayer can shake this nation right out of the plans of the Illuminati. I do not care what anyone says. I get the prophetic words too from so-called prophets who say that God is fed up with this nation, and that He is judging this nation. They say that this nation is going to fall, and it is never going to be a great nation again. I get very offended by these words. What I would say to the people giving words like this is, first, you call yourself a prophet, but you are so immature you do not really know the heart of God. Secondly, you are sending out these horrific words to the Church, scaring people half to death, and convincing the Church that they do not need to pray for America because God is through with her. So you are stifling the prayers of the saints. God has shown you a difficulty, maybe. I am not even sure your vision is right, but let's say that it is. You are teaching the Church to succumb to the works of the enemy instead of overcoming by believing God for His works. I get very frustrated and upset, but it

is because I feel so protective of the Church. I also feel so protective of this nation for which we have been interceding for the past fourteen years.

We are going to go through hard and pressing times, but they are designed to bring us into the power of God. If we do not go through the hard times, we will not know the power. Without the hard times, we will not, as a nation know the intimacy and the beauty of Christ. Nor will we ever know our destiny, let alone meet it. So the hard times must come. I have said it all along. Our purpose is to bring us through the hard times and into the destiny for which God has created us.

People loved to pray until Obama was re-elected. Then people all over this nation quit praying. I think it was because they thought God was not interested in hearing our prayers. They thought, "What's the use? We prayed and prayed, and he was re-elected." He was re-elected through corruption, but he is still standing in the office that God must use to bring this nation through. As long as he is there, as intercessors, we must pray for him. In the dream, when Obama said to me, "Tell the people not to hate me," he said it two or three times. He said, "Please tell them to pray for me." He does not want you to hate him. He looks like he does not care, but he, in his heart of hearts, really does care.

Obama has had to do many things in office that really were not his will. I knew that about Clinton and Bush, and now I know it about Obama. There are many things he would not have done if he could have stopped them. Some people who are Christians say that is not true, and that he can choose not to do anything he does not want to do. However, what if there is a group of men who are telling you they are going to kill your child if you do not do what they tell you to do? Believe me, if they are issuing those kinds of threats to him, and it would not surprise me if they are, they would do it. In this way, they are not threats; they are promises. Furthermore, we do not know what the puppet strings are, what they look like, and how deeply they are anchored in his soul. All I know is that Obama has been forced to do things he does not want to do. Somehow, he needs you to understand that, and he needs you to pray for his freedom to lead. Pray for his freedom to bring this country out of the plans of the Elite.

In a vision given to one of Fred's dear friends, the Lord showed America sinking into what looked like a pit of quicksand. Suddenly, a man's hand came down from heaven and pulled America up in the very center of the country where she was sinking. The man's hand established and stabilized America. That is His plan, but we are going to do some sinking first. Let's look at Isaiah 10:27. This is a promise from the Lord.

*Isaiah 10:27 Amp. And it shall be in that day that the burden of [the Assyrian] shall depart from your shoulders, and his yoke from your neck.*

*Isaiah 10:27b KJV And the yoke shall be destroyed because of the anointing.*

Then look at verses 32 and 34. In this passage, the Daughter of Zion is the Church.

*Isaiah 10:32,34 Amp. This very day [the Assyrian] will halt at Nob [the city of priests], shaking his fist at the mountain of the Daughter of Zion, at the hill of Jerusalem. [But just when the Assyrian is in sight of his goal] behold, the Lord, the Lord of hosts, will lop off the beautiful boughs with terrorizing force; the high in stature will be hewn down and the lofty will be brought low. And He will cut down the thickets of the forest with an ax, and Lebanon [the Assyrian] with its majestic trees shall fall by the Mighty One and mightily.*

This is God's promise. The Elite think they have their plans and purposes for this nation all sewn up. If the Church quits praying, they will be right. Nevertheless, if we will continue in our intercession, then at the very moment they are positive they have won in their desire over this nation, God is going to come with a terrorizing force. He is going to intervene. All you need to do is pray. Pray fervently with tears, travail, groaning, and weeping. Pray fervently and passionately that He will intervene. If you do not know what words to use, you do not have to worry about praying anything else. Just pray that He will intervene and deliver us from the New World Order.

America is a nation that, being delivered from our worst enemy, will be put into a position where we can help other nations who want to fight the antichrist system. We are the only nation that is really strong enough to be able to do that. God needs us. He created us to help fight that system. However—can I be very honest with you? The Church has been asleep. We love to entertain ourselves when we should be in prayer. We should be on our knees for our nation.

With regards to the reorganization of Europe, I do not know what it will look like when it is over, but it will not look like it does right now. This is not just a prophetic instruction. In the research that I have done, there are voices out there speaking into the Eurozone, all saying the same thing. With the way things are breaking up in Europe, the only way for this thing to travel at this point in time is toward a complete reorganization. I have not been shown or told what the reorganization is going to look like, but we need to start praying. This is how I want you to pray: "God, carry the nations through Your purpose and plan regarding Europe. And let nothing happen in this hour that is not Your perfect will." That way, if you do not know what is supposed to happen, you are still praying in such a way that God can use your prayers to move mountains in Europe. Also, ask Him to send Europe revival!

#### Vision: The Elite Meeting

The third recent experience that I want to share was a vision. In it, I saw the Elite. I saw Bill Gates, David Rockefeller, Oprah Winfrey, Warren Buffet, Ted Turner, George Soros, Michael Bloomberg, and many more faces that I did not know. These I have named were just the ones that I recognized. They were the Elite heads of the International Corporations. They were meeting together. They acted like they did not even

know I was there. The topic of the meeting was: "how do we kill the 'useless eaters?'" How do we get rid of the millions in America who are not part of the Elite? I saw one person stand up and give his spiel. Then another person stood up and gave his spiel, and so on. I was in horror and in awe. I could not believe human beings could be sitting around, discussing how to destroy most of the people who live in a nation.

I left that meeting when it was over, in horror, and I went over to my team. I said, "I've got to tell you what's going on in that other room." I began to share with them what I had heard, and how they were discussing the best way to rid themselves of America's population.

When the vision ended, I thought, "I wonder if there really was such a meeting? I wonder if I could find something like that on the Internet?" Do you know what? There was, and it is on the Internet. So, we need to start praying that God will discomfit their plans. I am sure you are well aware of all of the corruption that has been revealed in recent weeks, such as the IRS and many other scandals that are surfacing. We have prayed about these things for years in the Gatherings that God would bring the corruption to light, and He is doing it. Anyone who says God does not answer prayer on the biggies—you need to join us and enjoy seeing it happen before your very own eyes. If He is answering the prayers to reveal the corruption, then He will do what we need Him to do about these International Corporations. Pray that God will discomfit their plans. Pray that He will reveal their plans to the American people. Pray that He will confuse their purposes, and that He will stop their hopes and dreams against America.

God will answer your prayers. He loves America, and He cares about the people of this nation. I do not know of any other country that has sent out more missionaries than America. Perhaps Germany did at one point. I do not know, but I do not think so. I think we, as a nation, have done more to get the Gospel out to the nations of the world than has any other nation. You may know that I am Jewish. It matters to God that we have made a home for the Jewish people in this nation, and we have allowed them to prosper here. Because we have taken care of Jewish people, God considers it His personal debt to repay the kindness given to the natural seed of Abraham. Because this nation has allowed the Church to prosper, and because we have allowed the Jewish people to prosper, God feels a certain debt of gratitude towards America. He loves this country. He really does not want to see America destroyed. She needs only to be disciplined and brought back into a place where He can bless us. So pray these prayers in faith.

### False Doctrines Embraced By the Church

I also clearly saw one of the things that will happen to the Church. We are heading there already. I was in a huge room full of people, and everyone there was a Christian. I saw an Imam, an Islamic leader, teaching the Christians about Islam. When he finished, he took an altar call for those who wanted to embrace Islam. Everyone in the room raised their hands, and Chrislam was born in America. I saw something like a veil of deception come upon the people the minute they raised their hands. It came and fell down upon the people, and their vision was changed. I said to the Lord, "What is going on here? These people are Christians. How can they embrace Islam?" The Lord said, "They are people of compromise." I am well aware that Chrislam has already begun. Nonetheless, I guess when I heard about it, I did not give it much

thought because it seemed so absurd to me. Now God is saying, "This is an issue that's on My heart, and so it needs to become an issue on your heart."

The day is coming when false doctrines will be preached and embraced in this nation. The Christians who have hearts of compromise are going to embrace them, and they will be deceived and destroyed. I asked the Lord, "Is this mixture the only one?" He replied, "No." So I said, "What are the others?" He brought to my attention another movement that is yet in its infancy in the body of Christ. People are getting involved in knowing and understanding the roots of Judaism and how the Church is of Israel. Paul talked about it himself in the Bible. They start getting involved in understanding the roots of the Judeo-Christian faith, but instead of just understanding the roots and heading up to the glory at the top of the tree, they get sunk in the roots, where they lose the beauty of their faith. What the Lord showed me is that this deception will be propelled to a whole new dimension. It will be the Book of Hebrews all over again. The people will hear this teaching, and instead of embracing grace and faith, they will go back to embrace the law. They will lose their salvation over it.

There will also be those who will get involved in a hyper-grace message. They will begin to view grace as being not the cure, but the Band-Aid. As a result, they will live lives of deep sin, thinking, "Well, the grace of God will cover me." They will cease to repent, cease to apologize, cease to know sorrow over their sin, and cease to love the cross. They will lose their love for the Blood, thinking that grace has covered all of their sins, while they continue living for the world. They will persist in going deeper and deeper into the world. Even though they lose their salvation, they will cling to what they perceive to be the grace of God still covering their sins, bringing forth a very impure sector of the Church. Again, I know that is already in its infancy within the Church. These are not new things; they have already begun.

What He wanted me to understand is how bad it is going to get. It will get to the point that the Church will start embracing the new age doctrines, looking to occultism and spiritism instead of to the blood and faith. These doctrines are coming to the Church.

Further, He warned me many years ago about the pride of life, the lust of the flesh, and the lust of the eyes. There is going to be a wave of satanic power that will flow over the earth which will cause the heart to become so lifted up in pride, you cannot teach or reach that one anymore. This will occur among both the saved and the unsaved. When this satanic power flows over the body of Christ, as well as over the world, it will also heighten the lust of the flesh. If there are issues in your life where you have an inability to keep your flesh under control, and while it is happening right now but you do not deal with it, then the day is coming, and is close at hand, when you will not be able to control it. It will control you, to the loss of your soul.

The lust of the eyes is the love of power. One of the reasons the Elite are in the trouble they are, is because they have a lust for power. Their lust is not necessarily for money; they have all the money they need. Why would someone make plans to kill millions of people in a country? Is it because of the love of money? They are beyond that now. It is the love of power. The Lord let me experience the love of power that Hitler walked in. It was terrible. He rose up in this love of power to such an extent that he hated God with such

a vile hatred that he wanted to kill or destroy anything that even remotely resembled God. That means he wanted to kill both the Jews and the Christians. If he saw a Bible, he wanted to rip it up because of his hatred for God. His hatred was all rooted in the lust for power, wherein he felt that God had more power than He needed, and Hitler wanted the power that God had. It was as evil a thing as you could imagine. It expressed the very heart of Satan himself.

The spirit of these things is going to be sweeping across the body of Christ. That is why the Bible says the Lord will not return until the great falling away. (2 Thess 2:3) It will come because the Church did not let the Lord deal with these issues in the heart, until the enemy had established a stronghold. This is not a day to walk in compromise. It is a day to seek the Lord while He may be found. Seek His ways. Seek His holiness. Learn to love. Learn to walk in trials in a spirit of humility. Many besetting trials are coming that will create in your heart persistent sins if you do not let go of the things you need to let go of today. Pray diligently that God will correct you and that He will direct you. Pray that He will reveal those things in your heart which you never wanted to see, and that He will give you the grace to see them and the heart to change.

Jesus talked about the great trials that would happen in the last days, and He said that many would fall away. The love of the great body will grow cold. (Mt 24:12) We are the only ones who can determine if our hearts are going to be hot or cold. Trials cannot determine it. Other people cannot determine it. Not even Satan can determine whether my heart is going to be hot or cold. I am the only one that rules that part of my being. God cannot even determine it because He has given us the right to rule our own will. So today is the day to begin to make Christ number one. Follow His ways. Get into the Word. Find out who Jesus is and what He is like. While you are learning, ask Him to make you into His image.

Difficult times are coming, but when Jesus asked me to start the Gatherings, He told me that if we would do this and be faithful to the vision and call, then He would release revival upon America before He will let war touch her. Why is He going to send revival? Revival removes fear from the mind, heart, and soul. Faith is put in its place, giving you a faith-filled mind, faith-filled heart, and a faith-filled soul. When faith rules your being, you see everything that happens through different eyes. God wants to give you eyes that see and understand how to walk through the treacherous path unharmed. Revival is His desire for you. In the revival outpouring, He is able to establish faith in you so that there is no fear. Wouldn't it be wonderful to wake up in the morning and not feel fear about the days ahead? Wouldn't it be wonderful to awaken in the morning and think, "What can I do today to glorify my Lord? I don't have much to give any more, but I can sure give myself, and I can give Jesus." You are just as happy as any person can be because there is no fear.

When you are in a spiritual environment of faith, you can do the impossible. You will see miracles happen—not only miracles of healing, but the miracles of needs being met. You will see many miracles because you have become a person of faith. Because you have become a person of faith, you walk very close to Jesus. The Lord wants you to want Him. He wants to put in you the heart to know Christ. He wants to put in you such a heart that you have no care for things outside of the Kingdom of God. That is where your heart is. You are fixed on God. But it takes faith, and He wants to build that in you. How does faith come? "So then faith cometh by hearing, and hearing by the Word of God" (Rom 10:17) and by the anointing that breaks the yoke.

You have plenty to pray about. Now you need the faith to believe God for the answers to those prayers. We will go through hard times, but we will move forward through them into destiny. It is important that you prepare for the hard times so that your heart is not over-awed and torn up within, but rather, you are set in the faith that will keep you strong. Do you believe that America is going to make her destiny? She is, if you will pray.

After thought given by way of a vision!

It is an awesome privilege to hear the Word of the Lord, even when it is difficult. Love His Word. Even when it is frightening to hear it, love it. I cannot tell you what a privilege it is for the Word of the Lord to come from His throne and into your precious heart. Love His Word, for in it is life. Even though it is difficult, there is life in that seed for you. It will bring forth life. If we are going to share His glory, we must share His suffering. In that truth, there is life for your heart and soul. There is strength to stand. There is grace to run.

I saw a vision. I saw the Father sitting on the throne, and I saw the Word come forth from His mouth and enter into your heart. I saw that His Word was holy, and I saw His own love for His Word. Then I saw His love for you, and when the two became one, it brought Him great pleasure. It is because He loves you that He wants you to hear His plans and the plans of the enemy. It is because He loves you that He wants to birth in you the heart of the overcomer. How? Through His Word!

The prophet stood before the Father, and the Father said, "Eat of the scroll." He ate it, and it was sweet as honey in his mouth, but as it went down, it became bitter. (Rev 10:9,10) Sometimes God's Word does that. It tastes sweet to the tongue but then bitter to the soul. You notice however, that the prophet did not regurgitate the Word because it was bitter. He retained it, and it became life. You must do the same. When you have retained the bitter, then you will understand the glory that I just saw.

"Come into Psalm 91. Let it be your hiding place," says the Lord. "Be for me a priest, and pray and intercede for this nation that I love. I will bless you for it. Hide in Me, and I will be the strength you need. Follow Me, and I will bring you into sonship, and you will know My glory."

In His Love,

# **URGENT Warning For The Nation (Collapse Is Coming!)**

**MENA LEE**

~ [FaithfulWalkHealing](#)

**Published on Feb 3, 2014**

On Wednesday 1/29/2014, I was given a prophetic word about what is in store for the economy of the United States.

Matt 24:12-13

8:50 to 14:20ish (*transcript is loosely paraphrased*)

He spoke to me in the middle of the night, the first thing I heard was "death to the finances", the second thing He said was "a recession within a recession". I asked, "Lord what are you talking about?" the Lord began to speak to me and said "Tell my children that a recession within the recession is about to come. Many businesses will

close, small businesses will crumble and many more jobs will be lost in this nation."

After He told me that, I saw a calendar appear before me that showed the last four months of the year; September, October, November and December. As I saw these four months appear before me, I then saw a rider on a black horse galloping across these four pages of the calendar. I said "Lord, you said death to the finances, I see a black horse and this represents death." He said to me "No daughter, you are talking about the pale horse." I said "Lord you are showing me the end of the year, when are you going to come to get us? Things are getting so bad here. Lord you have to sustain us and keep us." He said "Do not be afraid, tell the people they must trust me, to put all their trust in me. Do not put your trust in your bank accounts, in your jobs or in your 401k or retirement accounts. Do not put your trust in social security or in any government assistance (food stamps, housing assistance or any kind of welfare). These things will fail. They must put their trust in me and I will see them through." Looking for some kind of confirmation, I said "Lord if this is you telling me this, really you, give me a scripture to back up what is about to

unfold." The Lord told me "Psalm 9" Loud and clear, I said "Okay Lord".

Psalm 9 is a Psalm of judgment on a nation, to those who turn their back on God. But, in the midst of that Psalm, which is declaring judgment on those who turn their back on Him, it is also a Psalm of refuge for those who place their trust in Him. He says He will take care of those who trust in Him and obey Him. There is a parallel here of judgment vs. security in the midst of judgment.

## **Financial Collapse of the US before 13 Sept 2015**

# **David Wilkerson Economic Collapse then A Russian Invasion**

David Wilkerson had a series of visions and angelic visitations from the lord during his life time until his death in 2011, about the coming collapse of the U.S. economy and the destruction of America. In the economic collapse there will be riots and fires all across major cities in this nation. This will be a time of great apostasy and persecution in the church like never before. After the economic collapse of the United States the nation will be at its weakest point. A hydrogen holocaust will then sweep this nation in a Russian invasion of America. When Israel sees the destruction of America Russia will try to invade the Holy Land where 5/6th of the army's of Russia will be destroyed by Jesus himself.

## ***David Wilkerson Prophecy 1973***

"Worldwide recession caused by economic confusion"

1. "At most a few more fat flourishing years, and then an economic recession that's going to affect the life style of every wage-earner in the world. The world economists are

going to be at loss to explain what's happening. It's going to start in Europe, spread to Japan and finally to the United States."

2. There will be a move toward a worldwide, unified monetary system. The US dollar will be hit bad and it will take years for it to recover.

3. The only real security will be in real estate (until a somewhat later stage, at which point this apparent security will also disappear).

"Nature having labor pains"

1. Environmentalists will come under heavy criticism.

2. There will be major earthquakes.

3. There will be a major famine.

4. Floods, hurricanes and tornadoes will increase in frequency.

5. "A new kind of cosmic storm appearing as a raging fire in the sky leaving a kind of vapor trail."

"A flood of filth and a baptism of dirt in America"

1. Topless women will appear on television, followed by full nudity.

2. Adult, X rated movies will be shown on cable television. Young people will gather at homes to watch this kind of material in groups.

3. Sex and the occult will be mixed.

4. There will be an acceptance of homosexuality, and the church will even say that it is a God-given gift.

"Rebellion in the home"

1. "I see the new number one youth problem in America and the world as hatred towards parents."

"A persecution madness against truly Spirit filled Christians who love Jesus Christ"

1. There will arise a world church consisting of a union between liberal ecumenical Protestants and the Roman Catholic Church, using Christ in name only.
2. There will be a hate Christ movement.
3. There will be a spiritual awakening behind the Iron and Bamboo Curtains.

#### Others

1. There will be another wave of riots.
2. There will be a fall in moral conduct.
3. There will be a new drug that will be popular with teenagers that will break down resistance and will encourage sexual activity.
4. Homosexual and lesbian ministers will be ordained and this will be heralded as a new breed of pioneer.
5. There will be nude dancing in church, but this will never be widespread.
6. There will be occult practices in churches.

## Nineveh is a Shadow of the United States

### Ecclesiastes 1:9

New King James Version (NKJV)

9 That which has been *is* what will be,  
That which *is* done is what will be done,  
And *there is* nothing new under the sun.

Matt 12:39-42

39 But He answered and said to them, "An evil and adulterous generation seeks after a sign [the only people looking for a sign would be "believers" so this statement was directed at today's church who is watching for the building of the Third Solomon's Temple]; , and no sign will be given to it except the sign of the prophet Jonah [the must be the destruction of Nineveh, the "sudden destruction" of Babylon the Great / USA, and I suspect it will all be linked to Obama signing the peace agreement which was in the TD Hale dream of Nov 24, 2012 when Obama from the Oval Office, slapped the gavel on a document]].

40 For as Jonah was three days and three nights in the belly of the great fish [this may be a shadow of the three days of darkness that will come shortly after the calamities begin], so will the Son of Man be three days and three nights in the heart of the earth [likely a reference back to Jesus fetching the Old Testament patriarchs from "Limbo"]. 41 The men of Nineveh will rise up in the judgment with this generation and condemn it, because they repented at the preaching of Jonah [this is a reference to those who repented during the destruction of Nineveh condemning the "evil and adulterous generation; church" of our time]; and indeed a greater than Jonah is here [Jesus of course]. 42 The queen of the South will rise up in the judgment with this generation and condemn it, for she came from the ends of the earth to hear the wisdom of Solomon [this is the Queen of Sheba, possibly a reference to Saudi Arabia see HERE::; note Saudi Arabia is already threatening Russia for protecting IRAN, and Russia will destroy the US (Nineveh) and take away Saudi Arabia's protection ]; and indeed a greater than Solomon is here.

## **Pastor T. D. Hale 11-24-2012 (THIRD)**

I was immediately standing in front of the desk in the Oval Office. Standing in the Oval Office, I was in front of the President. A voice came forth and said, "Weep and howl for the misery that shall come shortly."

There on the floor of the Oval Office was the eagle I saw him shoot back in December. He walks from behind that desk with the same smirk I saw on his face and puts his foot on the neck of the eagle. At this point, he picks it up by its head and twists it three times until his head comes off of the body.

At that point that voice said, "The spirit of Rehoboam." I knew what that meant and I knew it rested upon the President.

The President of the United States was totally dressed in black: suit, tie, shirt, shoes, pants, etc. As I was standing in front of him, looking directly at him, all of a sudden his chest cavity began to open and his heart was exposed. As I was looking at his heart, thick, black, dark mist was swirling around his heart.

At this point he, picked up a gavel which was part wood and part stone. Handle was wood; head of the gavel was stone. He hit a document on the desk and when he did an earthquake hit Washington.

All of a sudden, I was standing above the White House and saw the earth open and it went toward the Washington Monument, then toward the Jefferson Memorial.

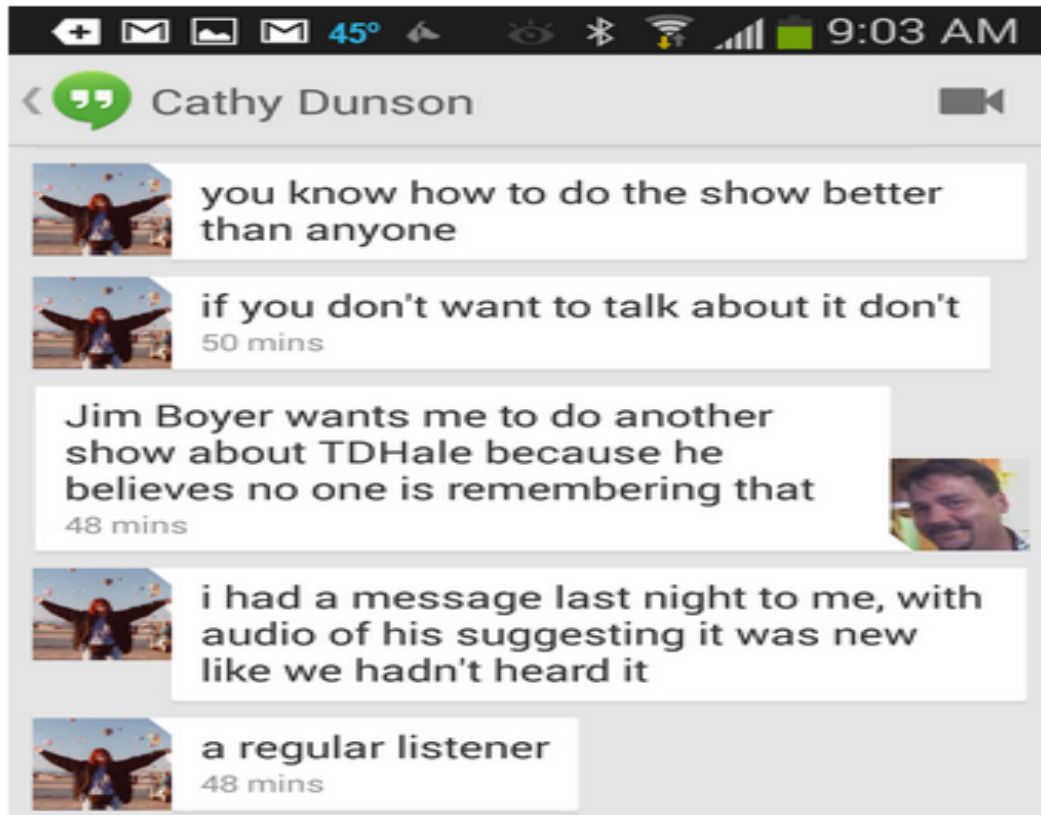

At that point, an odd-color rain started falling, the color of fire. It started slowly coming down and intensified little by little until the waters started rising; the starting point was Washington, D.C.

As the waters started rising, I went up a little higher into the atmosphere and saw the map of the United States. The waters left Washington and began to flood the nation. I saw it hit MD, WV, OH, MI, KY, IN, SC and on and on until it covered America. On the document on the desk of the President was written, "The Final Abomination."

Will you stand and cry unto me when the eagle is seen fallen from the sky? Will you yet hope when the earth begins to shake violently? Do not lose hope my people, for these things must be but the end is not yet. I long to see my own delivered out of the chaos of the falling society. But you will see much of the effects of sin being judged, as the fire falls from the skies...never think that all is lost for you are mine and will come forth out of all the deep darkness and emerge in victory.

I will be with my people in mighty ways. **Many will be delivered as** the kingdoms of earth are shaken to her core. I will send a word as needed to show you my will for you my seed. We will be as a well watered garden in the midst of a dry desert. Let not your heart be troubled for all will fall into place and I will keep you in this hour of controversy.

Men that thought themselves above the Almighty but have not yet seen My Mighty power unleashed. So fear not when I let loose my wrath in many areas. I will set you in a safe haven, when needed. I know this surprises you,(this was to her personally) but do not be alarmed. Faith will come for each step of the journey. I am leading this Exodus and **we will exit the burning.** Do not lose sight who is in control." 12/31/13 3:40 PM

## Urgent Warnings to America

**Pastor T. D. Hale - 12-28-2011 (FIRST)**

I had a dream last night: In my dream, I saw myself going across America, as if I was floating but with no fear. The land looked like it was bombed, totally destroyed. I saw people standing out around their homes, weeping, holding onto each other; there were a few who laid dead. I heard someone say, "This should never have happened; this should never have happened."

National destruction had hit America: no food, no water, babies crying, grownups, men all crying, holding onto their families, begging God for mercy. As I moved along the way, I saw people running, looking for loved ones missing, totally out of their minds.

I quickly came over a large city; it looked like it was Columbus, Ohio. As I came close, there it was -- the riots we have all heard about. Store windows busted, grabbing what they could get but I could tell they were not too concerned about TVs iPads, etc.; they were grabbing food, water, chips, things to survive on. There were riots and fighting. I even saw one man shot to death.

As I left that place, going at the speed of light I was standing on the back side of the White House. (I heard a voice say, "Look up to the Truman balcony." ... I did not even know it was called that until a friend contacted me. He said, "Brother, you're not gonna believe this; that's what it's called.") I looked up and there was President Barack Obama on the balcony, holding a shotgun. I heard a loud scream, real loud I turned my head to see where the scream came from. Flying high in the air was an eagle -- majestic, flying around Washington. I saw Barack point that shotgun toward that eagle and then shoot it dead and it fell to the ground. I looked up at him and he just had a smile on his face, a smirk. These were the words I heard: "I've done it and I won't have to deal with this in my administration." It was dead silent. At that moment, I heard a voice that said, "Tell the people this is My will; this is My hand, both upon the generation of the righteous and upon the cursed. The righteous will find their way and know what to do; the cursed will wander around with no compass. The cup is full!"

From that point on, I knew that we were coming to a showdown; it was going to be between us and them -- good versus evil. I saw people gathering into some homes that were not destroyed. I saw people having prayer meetings, just praying in the Spirit.

And then I heard in the dream: "To My servants and handmaids, a special anointing will reside on you in these last days. Hold not back thy voice but speak your hearts, for out of them are the issues of life. Pick up the mantle of prayer, cover yourself with it and find you a secret place to cover My servants, who stand for truth in prayer. I see their hearts and the desires to understand and know more. Their eyes have been anointed with a special anointing to see. Others are blinded to My Word. All things will be revealed in their due course. A supernatural wave of my Spirit will come over this generation soon; the FINAL voices are in the land to speak one last time. (Through the ministries of tapes, DVDs and books that people would have in their possession, that God would give them that spiritual food to sustain them during these times that are coming upon us.) Think it not strange the happenings around you; they must and will come to pass but I have placed in your hands the food to sustain you in the months ahead. I have spoken and shown all that matter. Tell my servants, saith the Lord, there is coming harsh days ahead!"

As I stood there hearing the voice of God, I saw a table, very old as if it was a table that had many documents signed in times past of importance. I saw a voting ballot lying there. As I looked, I saw two names on that ballot: Barack Obama and Mitt Romney. It was check-marked beside Obama's name. ("I am 100% sure" he will be re-elected.) I looked at the bottom of the ballot and these words were written: "For this is the will of the Lord." Then I woke up. (I'm telling my church to just be prepared, to get their house in order and whatever they need to do for their families, do it quickly.)

## **Pastor T. D. Hale - 12-29-2011 (SECOND)**

I had another odd dream last night. In it, I saw myself walking through the woods and I came upon people camping and in my dream I knew they were hiding. They looked like they had been there for months the way the camp was set up, living in tents. They were dirty, as if they had not had much water to wash but yet I saw gallons of water jugs setting around. They had a small fire cooking something but yet the fire was so small as not to bring attention to themselves in the woods.

I stood there and watched them as they were huddled together and I could hear two of the elderly adults praying. I could see children and they were very poor-looking; their clothes looked as if they had not been washed in weeks.

Off in the distance I saw government officials driving up close to that area but far enough away as not to alarm them or let them know they were coming. As they approached the camp site, I heard the adults start to scream and cry and the children started to cry wildly, as if they knew they were to be killed and they started to run but the adults just fell to the ground and did not put up much of a fight, as if they gave in. I saw the men in the uniforms approaching and surrounding that campsite. I would say there were about six adults -- two of them were elderly, like someone's parents, and five children.

The next thing I saw was them putting handcuffs on them but not on the children. They led them away to the cars and then the dream changed. While they were putting handcuffs on them, I heard one of the men say, "We are from the United States government. You are under arrest."

All of a sudden I was standing in front of a building as they were taking them in and fingerprinting them, processing them to be put somewhere. But in my dream I knew where that "somewhere" was.

The outside looked like something you would see in the days of Hitler. No doubt they had been taken to an area where they were away from civilization; they were old buildings but had a modern look on the inside. I felt as if I had entered into a death camp. (I knew that they probably were old military bases of some sort that had been modernized and painted and updated. And I actually saw railcars. Railcars were up beside this place. I didn't go into the railcar and I didn't see inside, but I did see the railcars down around this place and that frightened me.) No kidding when I say this: it was as if I had been transported into the Great Depression times. Everything looked to me, standing outside surveying the area, as if the economy had hit an all-time low. Even on the inside of the area where I was, it was a poor place. I was weeping, saying, "Lord, please. I beg You, help this family." But yet, somehow in the dream I knew they would not make it out and then that was the end of the dream.

I know where America is heading and I knew by this dream it was heading to the tribulation!

## **Pastor T. D. Hale NOV 24, 2012 (THIRD)**

I was immediately standing in front of the desk in the Oval Office. Standing in the Oval Office, I was in front of the President. A voice came forth and said, "Weep and howl for the misery that shall come shortly."

There on the floor of the Oval Office was the eagle I saw him shoot back in December. He walks from behind that desk with the same smirk I saw on his face and puts his foot on the neck of the eagle. At this point, he picks it up by its head and twists it three times until his head comes off of the body.

At that point that voice said, "The spirit of Rehoboam." I knew what that meant and I knew it rested upon the President.

The President of the United States was totally dressed in black: suit, tie, shirt, shoes, pants, etc. As I was standing in front of him, looking directly at him, all of a sudden his chest cavity began to open and his heart was exposed. As I was looking at his heart, thick, black, dark mist was swirling around his heart.

At this point he, picked up a gavel which was part wood and part stone. Handle was wood; head of the gavel was stone. He hit a document on the desk and when he did an earthquake hit Washington.

All of a sudden, I was standing above the White House and saw the earth open and it went toward the Washington Monument, then toward the Jefferson Memorial.

At that point, an odd-color rain started falling, the color of fire. It started slowly coming down and intensified little by little until the waters started rising; the starting point was Washington, D.C.

As the waters started rising, I went up a little higher into the atmosphere and saw the map of the United States. The waters left Washington and began to flood the nation. I saw it hit MD, WV, OH, MI, KY, IN, SC and on and on until it covered America. On the document on the desk of the President was written, "The Final Abomination."

I began to hear screams across the nation, as if it was a mournful sound. I thought of Noah and what it must have been like for the people outside of the Ark as the flood waters came in and they knew they had not listened to Noah or the voice God gave to them to speak. The screams were as if their lives

were over and there was no hope.

As I was still in the air, and I am going to try and explain this as best I can, I saw America in this state of being covered with flood waters and then, all of a sudden, I saw beams of light quickly coming out of the flood waters like a speed of light quickly going up into the air. Millions it looked like but at that moment I was taken above the earth and then I saw it around the world. Possibly they were the prayers of the saints.

After this point, now I was back to the earth, as if I was back to the beginning of all of this. I heard a voice say, "The shifting has begun!" At this point, I was looking over top of megachurches and, like a flash, a voice said, "A breeding ground for sin. The people know not Me but play around their calf." (I know that as we enter into the "time of the end" it will not be large churches but home meetings of where the saints will gather in secret where God will abide and speak in the last days because of the persecution that will come upon this generation.)

Then, at this point, I was looking again at homes of people I knew loved and served God. I saw the homes of men and women who were gathered together, praying in deep prayers across the nation and a voice that said, "The season is upon the nation. Because you have set the abomination before my eyes, I will set judgment before yours! When will these things be?" said the voice, "After he will be sworn in."

## RELIGIOUS LITERALISM: Kaduri, The Ariel Sharon Prophecy, The Blood Moon Tetrad And End Times Eschatology - Former Israeli Prime Minister's Death Opens Up Prophetic Timeline For Rabbi Yitzhak Kaduri's Prophecy?!

**January 11, 2014 - ISRAEL** - The death of former Israel Prime Minister Ariel Sharon opens up speculation about a prophecy offered by Rabbi Yitzhak Kaduri before his own death in 2006.

<http://thecelestialconvergence.blogspot.com/2014/01/religious-literalism-kaduri-ariel.html>

Sharon fell into a coma after a stroke on January 4, 2006. Kaduri died 24 days later and left a note that was not to be opened until one year after his death. One year is the traditional mourning period, during which

**certain privileges are accorded the family out of respect for the deceased.**

**More importantly, condemnation of actions of the dead cannot be placed on the family after this time period, so Kaduri was likely protecting his family from the backlash he thought might come from his note.**

**In it, he stated:**

**Concerning the letter abbreviation of the Messiah's name, He will lift the people and prove that his word and law are valid.**

**This I have signed in the month of mercy,**

**Yitzhak Kaduri**

**In Hebrew, the letter abbreviation spells Yehoshua, the Hebrew name of Jesus.**

**It is impossible to know if Kaduri's prophecy was inspired or if it has any accuracy. Technically speaking, the fact that the Messiah has not appeared means that he was correct, but does it mean that Jesus will return now? In a week? A month? A year? A decade? All is still unclear.**

**Kaduri was one of the most respected Rabbis and Jewish scholars of modern history, well known for his memorization of the Bible. As with all situations of signs, they are intended to show us when to watch and for what to watch.**

**We know that there are many strange things happening in the world today that coincide with inspired Bible prophecy; Kaduri's role is unknown until the events that he predicted come to pass. From a our perspective, it's easy to see Kaduri's note, Sharon's passing, the upcoming Jewish Holy Day Blood Moon Tetrad, and everything else happening today as sign of monumental changes ahead. - JCC. The Rev. Billy Graham's son said Friday that the legendary evangelist's health is declining.

In [speaking to WSOC-TV](#) at a Christmas charity event at the Billy Graham library in Charlotte, Franklin Graham said the health of his 95-year-old father, who was hospitalized for two days last month with a respiratory issue, "has declined quite a bit in the last few days."

"He just hasn't been able to get his strength back," Franklin Graham said. "His vitals are good, but he's just extremely weak."

The younger Graham added that he wasn't sure if his father knew that Nelson Mandela passed away.

[Ed., Could this "shift in the heavens" be because the Rapture occurs at the same time as Billy Graham passes away, or close thereto, **effectively closing the Age of Grace and starting the Great Tribulation?**]

Based on the prophecies below, it is also related to a new dimension of spiritual force and sight that has never been seen by believers before. That sounds like the mighty outpouring of the Holy Spirit (Biblically prophesied as the "latter rain") which many believe will occur either shortly before, and/or following the Rapture.

If God goes back to dealing with mankind through prophets during the Great Tribulation, then they will need this new dimension of spiritual force and sight to overcome the extreme hardships and heavy satanic oppression during Earth and mankind's darkest hour.]

Prophecy for the Pray-ers  
Given by Sister Billye Brim  
7-25-2010

The time and purpose for all of our lives are very important and, in fact, you are alive to meet those appointments, those people, to pray those prayers. Listen and keep ever aware and alert to the voice of the Spirit, and what He would have you say and what He would have you to pray when you go around your house, and you hear a word, repeat it, for it will be from Me. If at the beginning of your day, you will acknowledge me in all your ways; then I will alert you, for it is critical in this day that I have my body speak and say what I want it to say. Know you are on call; you are on call. Give me your all; you are on call. In the daylight hours, in the nighttime too, everything is speeding up and will until you are through to the brightness of the new day. And so, this is not the time to let the enemy keep you sitting in confusion, in darkness and despair, wondering why you are alive or why even care. But this is the time to know of your import. This is the time to know, for it is short. Yea, give me your thoughts, your words, and do not shrink for you are on the very brink of the most wondrous days that have ever been. And yea, even before the brightness of the new day, you shall see upon the body of Christ the anointing come, the anointing of the Glorious One. And on in glory and in power you are going to finish out this, your finest hour. Do not center on the negative. Yea, be aware and alert and know it's there, but you focus on the light of My face and upon sureness of My Glory and My Grace. Who will begin to walk in a new atmosphere? You'll begin to walk where things are very clear. You'll hear a voice; you'll turn around and say, "Who said that?" It is because your hearing is tweaked in this day. Those plans that seemed hard to come by and know before; now they will be very clear. It is not like it was in days of yore. There have been some key moments; there have been some key happenings and things have stepped up. And you will see the operation of the dunamis power. **Spoke I not unto you and said when Oral Roberts moved to Heaven there came a shift and there will be another. For you shall soon hear of the departure of another brother and know that when he goes, another shift will occur.** And it is not you that is being shaken; it is darkness. You receive a kingdom that cannot be shaken. And though all around, others might see darkness and not you; you'll see Me. Hah! You'll get another breath; you'll get another pick-up, even in your body, my very queen. So, rejoice and be exceedingly glad for days of rejoicing! Praise God! Nothing is held back that you need in this hour. Every word that has been spoken concerns every person in this room. We thank you Lord that you have the wherewithal to do it. You have time; it's measured, but you have it....

# **PROPHECY ON THE PURIFICATION DURING THE THREE DAYS OF DARKNESS (Isaiah 60:1-3)**

**From:** Katherine Baltzell <[mamacas102w@gmail.com](mailto:mamacas102w@gmail.com)>

**Subject:** Life is in the Blood

**Date:** January 12, 2014 7:28:52 PM CST

**To:** GodNews <[godnews@me.com](mailto:godnews@me.com)>

The "Life" is in the blood!

Word from Father on September 27, 2013

10:00am

Father has spoken to me and instructed me to give this message to the world.

"I AM coming down from my Holy habitation to present Myself before my people. In "Brilliance" I will appear before them. My Light will begin a process within all living creations. To my children who have been obedient to My Son, My Word, My Creative force, this will be a time of joy and transformation. My

Spirit will effect every cell within every created being. For the children of obedience a transfiguration will begin within their bodies. For the Life is in the blood. DNA will react to my presence and cause very notable changes within your bodies. Do not be alarmed as this begins to take place. Increase in body temperature will take place. Increase in thought abilities as well as heightened awareness to your surroundings both physical and spiritual. You will notice that you can "know" the thoughts of others. Your need for sleep will increase and or decrease depending upon the Holy Spirit within your body. Some of my children have fully consummated and will notice my coming sooner than those who have yet to separate themselves from the "wicked one."

For those who have yet to be fully separated from the darkness, my coming will hasten that process. My "Brilliance" will also manifest the darkness within the hearts of my people so that they may repent of this willful disobedience and be saved. Many of my children have believed the lie set in place by the wicked one many centuries ago. I created all that is. I am responsible for my creation. ALL OF IT!

A crime has been committed against you by MY CREATION! I will give you every opportunity to be cleansed from the negative effects caused by this crime. I am a God of righteousness and balance. I will set straight that which became crooked. I will destroy that wickedness with the Brightness of my

coming. I have reserved for myself a pure and undefiled vessel in which to dwell during my time on your plane. Elected from the foundations of all creation, these vessels will become my tabernacles.

A time of great calamity and sorrow will soon take place on this earth. None shall ever deny my presence again. Some of you will not make it through the consuming fire that my presence brings. Some will be completely consumed by it. The soul that refuses to heed the warnings given and separate from that wicked one will be destroyed with it! I have given plenty of warnings through the mouths of my chosen vessels but now comes the time when I will speak to everyone of you MYSELF!

It is through my Brightness that I will speak. It is a language of a unspoken nature. It is how I communicated with your physical parents Adam and Eve! My Light reflected through their Spirits back into me. This is how I communicated with all creation until that wicked one came into corruption and taught others to do the same. To him I ascribed all the crime and have already decreed his judgment and those that helped him accomplish that most destructive of deeds. The son of perdition sits on the throne of men's(hearts)and has portrayed himself as me! You have all interpreted this erroneously and through your carnal understanding. Now, I am coming to destroy this being and all who refuse to allow his departure from their hearts for that is where he is. He is the head of the body of sin just as Christ is the head of His Body. Just as the Body of Christ is made of many members, so too is the son of perdition. I am coming with my Brilliance to destroy the darkness from among you. My Brilliance will increase and the darkness will decrease and if my Light is within your body/blood you will increase but if my Light is not in your body/blood then the darkness within you will react in such a way that confusion/agitation and terror will cause you to weep and gnash your teeth! I have warned you all and there will be no excuse in that Day! People will become enraged as the demons within them begin to stir. Separate yourselves from among them children for unspeakable terror will seize them. They will cry for death but death will not give them the rest they desire, for the process of their destruction must be accomplished. Cry out to me and I will in no wise turn you away. I am a consuming fire and will purify you if you will agree to this process. For some it will happen quickly and others it will take longer, depending on the level of darkness within you. I will speak to you and you will know that it is I that is speaking to you. If I reveal the darkness within you, let that darkness be removed.

The Day is at hand children and I am coming down from my Holy Habitation to

deal with the darkness, and if this darkness resides within you, how deep is that darkness?"

## Erekat: Framework peace agreement possible by April if Israel willing

By Jack Khoury and Reuters

The Palestinians are willing to continue negotiating with Israel beyond the April deadline originally set for the talks, if the parties can conclude a framework agreement that addresses all the core issues by then, chief Palestinian negotiator Saeb Erekat said on Wednesday.

I, the Lord of Hosts, look to and fro upon the lands and see divisions and discord amongst my people. I have raised each of you up to join together in love, not division. Yet, it is on every four corners. For those of you who feel you are mightier than I, the Great I AM, to publicly stone your fellow brethren – you shall see my anger come upon you. No tolerance for these actions! Repent now I say and seek forgiveness. Go to your brother to your sister and repent now! Such falling away I see from the grace abound given freely unto all. Yet your bitter roots are exposed. What is done in secret, I see ALL. Nothing is hidden from I, the God of Abraham, nothing! I see your secret attacking, evil plans and they shall backfire upon you. If a brother or sister is causing division, correct them. If they continue, dismiss oneself from their presence. It will be better for the unsaved, than the saved on that day I visit upon you.

Oh ye people, what commissions this evil within you? Crucify the flesh, I say. Let your speech always be seasoned in love to one another. Not discord. Those who continue in these actions, will be accountable to Me, your God for every action, thought and word. Woe unto you when you stand before Me.

Strong winds are coming upon the households in the Midwest of America. Unsurmountable rains bearing down on the East Coast. No shelter shall be found in the west. You mockers who say there is no GOD, shall see My face upon you!

Explosions and dividing of the land will ensue from the Gulf of Mexico up to the Great Lakes – Oh America. Today is the day of salvation! Cry out to Me I shall hear you. Raise your hand to Me, I shall lift you up. Much sorrow is coming – much sorrow.

A nation filled, over filling with sins, laughing in the face of evil. Serving the father of lies, the prince of the air, shall serve him for all eternity. Those who are Mine, who take your cross, carry it daily. Love without condition, praying always to I, the God of Jacob, hear you oh My children. Nothing is done in vain I say. Stand strong in Me as you witness the destruction unfold, do not lose hope. For much hope will be lost to those not firmly grounded in I, the Great I AM. Stop the bickering I say! My ears have grown cold to the heartless idle talk. Who is greatest among you? None I say!

Your terrains have flooded, yet you still do not see. The earth is breaking, yet you still do not see. Blinded fools!

As Israel is being separated, I shall separate your land, America. You cry out to me Abba Father save us, yet you do nothing. Arise now. Take up your shields, stand firmly as written in the Holy Word and commence the war that is upon you.

## Russia Not to Tolerate Further Israeli Attacks on Damascus

**TEHRAN (FNA)- Israeli Prime Minister Binyamin Netanyahu, while in Shanghai, was given a sharp dressing-down by Russian President Vladimir Putin, a warning that Russia would not tolerate further Israeli attacks on Damascus and would respond.**

Putin did not say how, but he did announce he had ordered the acceleration of highly advanced Russian weapons supplies to Syria.

Israeli Debkafile's military sources disclosed that the Russian leader was referring to S-300 anti-air systems and the nuclear-capable 9K720 Iskander (NATO named SS-26 Stone) surface missiles, which are precise enough to hit a target within a 5-7 meter radius at a distance of 280 kilometers.

In his phone call to Netanyahu, the Russian leader advised the prime minister to make sure to keep this in mind.

Since Syrian air defense teams have already trained in Russia on the handling of the S-300 interceptor batteries, they can go into service as soon as they are landed by one of Russia's daily airlifts to Syria. Russian air defense officials will supervise their deployment and prepare them for operation.

Moscow is retaliating not just for Israel's air operations against Syria but in anticipation of the Obama administration's impending decision to send the first US arms shipments to the Syrian rebels.

Intelligence agencies in Moscow and the Middle-East take it for granted that by the time Washington goes public on this decision, some of the Syrian rebel factions will already be armed with American weapons.

## Israel May Fast-Track Plans to Attack Iran

Analysts fear a dramatic advance in North Korea's nuclear missile technology, revealed inadvertently during a Congressional hearing Thursday, will quickly find its way to Iran — forcing Israeli Prime Minister Benjamin Netanyahu to fast-track a long-contemplated attack against Tehran's nuclear-enrichment facilities.

Pentagon officials are playing down a U.S. Defense Intelligence Agency assessment that North Korea probably has the ability to miniaturize a nuclear weapon and place it on an ICBM. U.S. officials say that miniaturization capability, if it exists, is untested and unreliable.

## Nuclear hit 'Israel's best plan for Iran'

The Times November 12, 2012 12:00AM

ISRAEL'S military planners have been forced to conclude that a conventional assault on Iran's nuclear facilities might fail after evidence emerged that Tehran has hidden far more of its uranium enrichment capacity beneath a mountain than previously suspected.

Western defence experts say much of Iran's Fordow enrichment site near the city of Qom is now deep underground in a "zone of immunity" safe from conventional airstrikes.

## North Korea Can Put A Nuke on a Missile, U.S. Intelligence Agency Believes

<http://abcnews.go.com/Politics/north-korea-put-nuke-missile-us-intelligence-agency/story?id=18935588#.UWshM6Kk-Dk>

The Defense Intelligence Agency has concluded with "moderate confidence" that North Korea might have a nuclear weapon that's small enough to be placed on a ballistic missile. But the DIA also says that if that is the case, the reliability of the missile would be low.

The alarming assessment came as North Korea has been issuing threats that range from testing a new missile to nuclear war against the U.S. and South Korea.

It was made public near the end of a House Armed Services Committee in which Defense Secretary Chuck Hagel and Chairman of the Joint Chiefs of Staff Martin Dempsey were testifying about the proposed Pentagon budget.

Rep. Doug Lamborn, R-Colo., asked Dempsey if he agreed with a recent classified DIA report that contained an unclassified section that said, "DIA assesses with moderate confidence the North currently has nuclear weapons capable of delivery by ballistic missiles. However, the reliability will be low." Dempsey eventually admitted he had not seen this report so he couldn't answer the congressman's question.

# FINANCIAL COLLAPSE & NUKE

## DAVID WILKERSON - MEXICO & MACY'S

David Wilkerson's prophecy about Mexico. This volcano, when it blows, will cause Mexico's economy to collapse.

“It is just about to happen very soon; and I am speaking prophetically. If I’ve ever heard anything from God in my life I heard it! About the notions! Poland owes \$30 billion and they haven’t even paid the interest in two years! Saudi Arabia is behind on their payments on \$8 billion – the richest country in the world as far as Arab states and it is not paying its bills! Very soon a European or North African or Eastern nation is going to default on its international loan and when that happens **within two weeks Mexico is going to default**. Mexico owes \$100 billion – 80% of it to American banks – and here is what is going to happen: About two weeks after the first country goes bankrupt we are going to survive that because most of that money is owed to European banks; German, Swiss and French banks. The 2nd country is going to go down probably Argentina or Brazil and we will kind of live that out and people will settle down and say “Well maybe its not going to hurt.” But two weeks!

after the first country goes down, Mexico is going to default on \$100 billion. And When the banks open the next day at 9:00 am in the morning \$15 billion an hour is going to be withdrawn from our American banks. They are going to be running our banks; the Arabs, all the Latin American countries. They are going to be running our banks – and before the day is over the United States is going to have to declare a bank holiday. And we are going into six months of the worst hell America has ever seen! There is going to be chaos! Not even the National Guard is going to be able to quiet it down. We are

going to have to call out the whole United States Army.

“Now I’ve had visions recently for I’ve been in New York City and I was in Macy’s in vision and I say people walking around stunned because they couldn’t get their money out the bank. Now I’m going to give you a word of advice. The first country that goes bankrupt, and I’ve documented this and I’ve got it sealed in an envelope and I’m going to call all my friends and I’m telling you – this is the first time I’ve said it in a public meeting like this – but the first country that bellies up you get every dime you have – church get your money out of the bank because you’ve got two weeks because there’s going to be a bank holiday and you won’t be able to get a dime for six months. Now of course, there is going to be order restored, but the nation will never be like it is again. There is going to be fear like we’ve never known. Judgment is at the door!

“When I was at Macy’s department store in a vision and I watched people walking around stunned. They didn’t even know what to do. They didn’t know what was happening. Then a bunch of young people walked into Macy’s and suddenly went wild and began to steal. Within an hour everybody, I saw their spirit, everybody in that store = and they were robbing and stealing. They raped Macy’s and destroyed all five floors of Macy’s. It was raped and ruined in period of an hour or two. That is just the beginning.”

## *Vision of What's Coming to America*

*Aug 13, 2012*

*Randy Hecker*

*[spiritofprophecy.maxforum.org/](http://spiritofprophecy.maxforum.org/)*

*[www.randyhecker.wordpress.com](http://www.randyhecker.wordpress.com)*

*Anyway here goes. The sequence I am watching (as a Watchman of the Lord) begins with Mt. Popocatepetl in Mexico. There will be a sudden very powerful eruption that will blow its lid off. Within hours an 8+ magnitude earthquake will strike Mexico City and virtually level it. Thousands will be killed. Hundreds of thousands will be injured. And millions will be displaced from their homes.*

***The economy of Mexico**, bad as its, **will collapse** except for precious metal values. There will be anarchy throughout the land.*

*This event will radically increase pressure on the San Andreas Fault to the north. The fault is locked up in an area from Palm Springs in the south to Palm Dale to the north. HAARP will be used to create a super earthquake in this area. The magnitude and duration of the quake will both be magnified. The earthquake will strike (I believe) in the afternoon either this coming October or the following May. It will occur just after a complete **economic meltdown of the American dollar**. The **magnitude of this quake** will reach somewhere between **9.5 and 10.5** and it will last for nearly three minutes. Two to three million people will be killed outright. Millions more will be injured.*

*The worst part of this is not the earthquake itself but the events that will be associated with it. The ground shock from this quake will cause every other stressed fault within 1,500 to 2,000 miles to release all pent-up stresses. As the ground shockwave moves to the north the Sierra **Nevada volcanoes** will be triggered, the Cascadia volcanoes, and also the **Yellowstone super volcano** will also be triggered. This is both a blessing and a curse.*

*The nation will be so disorganized after this event that martial law will be declared , but it will be completely unenforceable.*

*Two to four days after this earthquake America will be further devastated a **nuclear sneak attack** on American cities, that will coordinated and started by our own Shadow Government. There will also be **some Russian and Chinese nukes** as well. The world will very quickly descend into global thermonuclear war (Gog Magog war).*

## ELECTRICAL GRID GOES DOWN

By remembering these visions, it will or can save you much needless suffering.

The Lord does not want to hurt his bride.

### *The Appearance of a Large Sphere in the Sky*

There is going to appear above the earth (in the sky) a strange object, it will be large and sphere shaped, like a ball. It will look like it's been built in sections, like a football with huge rivets at the seams. Many will call this a UFO, I don't know. It will have the color of copper or bronze. It will be on every TV around the world. People will be shocked like the World Trade Center. People will be glued to their TV's but you don't.

The minute you see this, run to the closest food store and get enough canned food and bottled water for about three weeks, because between one and 24 hours after this object is seen world wide there is **going to be a massive impact or collision on our sun's surface.** It is going to happen on our blind side, we can't see it coming. It's going to be a super size twin asteroid hitting the sun in a vital spot, **releasing a major solar storm, knocking out all of earth's electricity, all over the world.** Those of you who read this will save yourself and your family much misery.

### *2 to 3 Weeks of Trial and Miracles*

Now, this is what's going to happen in the next 2 or 3 weeks, while the electricity is off. Within a few days the whole world will start to go crazy with hunger. The banks and ATM's can't work without electricity. No gas pumps for food transportation, no refrigeration, **total darkness.** The robbers, rapists, and murderers will see right away that no one can call the police for

help, because the solar storm has burned up all communication satellites, cell phones and telephones. The law can't even call each other. It's going to be **total breakdown in large cities**. There will be gun shots and screams all night long. **Millions will be behind locked doors, praying and begging for God's mercy**, for help and protection. **He will answer millions of prayers. Millions will ask for forgiveness, and the Lord and his saints will perform millions of miracles during these three weeks.**

### *3 Weeks Later "The Rapture"*

Then after about 3 weeks of this, the Rapture will happen. Although there are different time zones around the world, the Lord showed it will be night here in Florida, USA. In this vision, I was taken in the spirit out in the woods behind my house in Florida.

### *The Affairs of Your Heart*

*The New Year shall bring many more changes to My people, more so to some in particular nations than in others. My people are busy preparing for what lays ahead and looking forward to My soon return to the earth. My people are busy with the affairs of their lives, the affairs of their hearts and the affairs of My Kingdom work.*

*Be careful, My children, that the affairs of your hearts do not lead you astray. Many of you are distracted with trying to fill the emptiness inside you with the wrong kinds of things. Do not enter into anything you know will displease Me in these perilous times! Far too much is at stake for you now.*

*Do not be snared with the sins of your past as those who belong to this world are. You are Mine! You have been set apart for a special work and you are to keep separate from sin of all kinds.*

*If you will seek in My Word to fill the voids inside you, I shall fill them for you, My child. If you will turn to Me instead of the world to meet your needs, I shall gladly do so, but woe to that man or woman who chooses the world's ways over Mine!*

*Draw closer to Me in this time, do not let the enemy tempt you into moving far from Me.*

*I love you, My children.*

## The Last Harvest - and The Coming Antichrist

"Daughter, you don't realise how close everything is to changing the world forever. Know that no matter what happens, I am with you and with all My dear children. I will not allow any of My own to perish but will save to the uttermost all those who come to Me for salvation. I am drawing many more into My Kingdom every day and an event will take place shortly that will cause billions of souls to turn to Me in repentance and faith. This will be the Last Harvest before I come for My Bride. Don't fear what is to come, for you know that I will protect you and all those who are Mine. This event will cause fear to rise in the hearts of many, but it will also cause faith to rise in the hearts of those who are Mine, because you will know that your redemption draws nigh.

Be patient in waiting, for all is in My hands. It may seem like the world is out of control, but remember that I am always in control no matter what is happening around you.

It will soon be time for the antichrist to make his appearance on centre stage. Just as an actor portrays another character, so will the antichrist portray another character ... he will portray Me, the Lord and Saviour of mankind. He will set himself up as the Messiah and many will fall for his deception. But those who belong to Me and are called by My name will not be deceived by this imposter, or by his false prophet. Time has run out, My children, for I am at the door and My love will envelope the globe as I draw many more into My Kingdom before the Great Deception unfolds."

## Prepare for What's Coming – the Worst

December 10, 2013  
Doug MacCallum

Word from the Lord returning from Boise, ID.

12/5/13 Thursday

---

Prepare for the worst.

There will be nuclear devastation as well as weather related devastation.

There will be food riots, raping, murder, and all out barbarism.

There will be great darkness, naturally and spiritually.

YOU are My Lights! Let Me consume all of you, for then your Lights will be greater.

My Hand will be upon each one of you as you yield to Me.

Open your hearts to Me, for there are the issues of Life, My Life.

In your waking and your sleeping, I will be there.

You need not fear the enemy, for I have overcome him.

He knows his time is late and he will do all he can to cause you to stumble and many will because they have not fully trusted Me.

My Word will guide you. My Spirit will speak to you as you need instruction, but also comfort and encouragement.

For at the right time I will unleash My Power in ways not yet seen, and has been stored up in My secret armory for many ages, for just this hour.

But, do not focus on My wonders, but remain focused on Me.

Do not expect with your expectation, but stay focused on Me and My timing for then My Power will be used with pinpoint accuracy and will accomplish what I intend.

All is ready My Beloved. This will be your finest hour in this place of time. For this is also your final preparation for My Plan for you after I return with you, to rule and reign with Me.

Have Faith in all that I said. My Words are Truth and Life, and you will be My Mighty Warrior Bride for Me to display to all creation.

Eye has not seen nor ear heard what I AM about to unleash.

Have I not said that if you will humble yourself under My mighty Hand, I will exalt you in due time.

NOW IS THE TIME!

**"GET READY! GET READY! GET READY!"**

*The time is now upon you, My children. Don't look to the right or the left for I AM COMING!!*

## Cosmic Disturbance

*"My daughter, keep trusting in Me to reveal Myself more fully to you in these dark times. The cosmic event is truly upon you now and you will receive more warning in the coming days to give you time to prepare for this event."*

*There is more coming, My child, than you could possibly imagine, but there is to be no fear in your heart for I have fore-ordained everything that is to come to pass. My children will be infused with power from on high and through My Holy Spirit will be sent out as witnesses to bring in the last harvest before the door closes.*

*Before this is to take place, you will experience a sudden cataclysmic event caused by a cosmic disturbance that will be seen and heard all over the world. When this event comes to pass you will know that the three days of darkness are upon you. You must go to your homes and stay indoors. My angels will protect you from harm. There will be time between the cosmic event and the darkness falling for you to go to your homes with your families and remain safely inside. I will be giving each one of you specific instructions through My Holy Spirit at that time. My angels will be surrounding your homes and properties and keeping you safe from the evil one and the coming darkness.*

*This is all I am giving you now. I will give you more later as the time for this event comes closer.*

*Your Jesus ~ Your Bridegroom"*

### Many Lives Are Lost

*My precious children, it is more important than ever now that you heed My words of warning to you. I will warn you of things to come, for I always tell My people what is coming, but you must listen, and obey Me.*

*Many lives are lost in an instant in a tragedy, many more in My judgments, but you, My precious children, shall be protected if you do not turn from My words to you.*

*Time is growing shorter and many of My people do not believe the lateness of the hour. I am giving you signs now that this is so. Those who watch and pray will see the signs and know. They are those who shall be ready for My Son's return. They are those whose lamps will be full of oil.*

*Busy yourselves with Kingdom work, My children, for the time left to do My work is short now and you lay up for yourselves treasure as you work to bring your brothers and sisters into the Kingdom. Pray diligently and petition consistently for the salvation of the lost and of your loved ones, for I shall answer your prayers to save them! Great shall be your joy and you shall enjoy the fruits of your labor!*

*I hear your prayers and will answer. The times you don't hear My voice, I am still near to you, watching you, working with you, loving you. You are all precious in My sight and I desire you would take full advantage of all My Son died to give you in these last days. I desire none of His sacrifice would be in vain.*

*Enjoy My blessings, children! Glorify Me in all you do! Lift high the Name of My Son Jesus and walk in His ways, that men may see and know Him.*

## Seek Solace in Me

*"My children, the events that have been foretold are nigh upon you. Seek solace in Me, your Lord and Saviour, and I will give you My peace within your hearts.*

*There is an earthquake coming, My daughter, that will precede the 3 days of darkness. The earthquake will happen and then the 3 days of darkness will descend.*

*First there will be the cataclysmic (cosmic) event. All mankind will see this event wherever they are on the face of the earth. This is your sign that I am coming. You must go to your homes and gather your families to you. Pray to Me to keep you and to provide for you during the coming darkness.*

*The darkness will descend within 3 days of this cosmic event appearing. The darkness will commence with the earthquake. That is why it is important for you to be inside and remain in your homes. Like the Children of Israel who were protected when the Angel of Death passed over and saw the blood on the door posts, so all My children will be protected by the blood of the Lamb on your foreheads. You are sealed by My blood and My Bride will be protected, no matter what is happening outside of your dwellings.*

*You are to close your doors and windows, draw your curtains and pray together. During this time I will reveal Myself to each and every one of you. Those who are already Mine will be infused with the Holy Spirit and will be transformed. Those who are not yet Mine will be given the opportunity to receive Me as their Lord and Saviour.*

*My Bride will be transformed and after the 3 days of darkness I will send her out to bring in the last harvest. She will minister in My strength and power and will be totally protected no matter where she goes. This will be for a period of time until the last harvest is brought home. My Bride will then ascend with Me to her rightful place in her heavenly home.*

*Come, My children, all is prepared and waiting for My coming Bride! I, your Jesus, your Bridegroom, long for your company with Me in heaven.*

*Don't fear, don't doubt .... I am not delayed ... I am coming now!!*

I had been inquiring of the Lord about the time of increasing suicides He told me is coming. This word during my prayer time today was His answer.

*Yes, many suicides are indeed coming in the future, for there is coming a time so bleak, so dark, many of you will not wish to live through it. Those without the hope of My Son's Name will not know how to go on, but My people shall.*

*They shall move forward in victory, in determination, on assignment from on High, for I Myself shall command them to their destinies!*

*When all hope appears to be gone is when I do My greatest works and I require only your faith for these, My precious children.*

*When this dark time arrives, look up, My children, for many great miracles are to take place before your very eyes. For this were you born. For this have you been prepared.*

*Do not give up hope as the unbelieving Gentiles do, for this is the very arrival of the time you have prayed for!*

## Not Ever

*A time is coming when My churches on earth shall stand empty. Not because My shepherds stop preaching My Word, but because my people shall fail in believing it.*

*It shall be a frightening time when evil is increasing all around you and many of you – you, My children – not unbelievers – shall think I have surely abandoned you. Those who truly believe My Word shall know this is not true.*

*The key to surviving this time is to continue in My Word. Keep believing as you always have. Know My promises are true and My Word never changes, though circumstances may and will.*

*The time I am telling you of is the falling away. My people's love for Me shall diminish when they do not see what they expect. They expect Me to always make things better, but scripture must be fulfilled, My children, just as when My Son died on the cross. Scripture must be fulfilled so the time may come when I may call you home to Me.*

*Be strong and courageous, My precious children, for I shall never abandon you ever! My love for you does not change or cease – not ever.*

*Remember I have told you these things and be strong for Me. Strengthen your brethren when you see these things happen.*

## GET READY!

**"GET READY! GET READY! GET READY!"**

*The time is now upon you, My children. Don't look to the right or the left for I AM COMING!!*

*Remember Amos 3:7 - 'Surely the Lord God does nothing, unless He reveals His secret to His servants the prophets'.*

*I will give you more information as the time approaches for the cosmic event. It is on its way now. I will not leave you in the dark, My children. I will reveal more to you as this event comes closer. There is much coming that will bring fear to many - but for my children, you will know My peace and safety. Fear nothing! Remember always that I alone am in control!*

*I will strengthen you in the coming days for what lies ahead. There is nothing to fear. All is upon you now. It is here. There is no turning back. Look ahead with confidence and know that I am fighting for you! Don't look to the right or to the left - look to Me, your Lord and Saviour. I am fighting My way to you and I will not delay!"*

This war starting in Syria is the war that will spark the [rapture](#) and bring about the tribulation hour. We are now in the calm before the storm. And the proof of this can be found through [Biblical prophecy](#) in the pages of the Holy Bible. Get ready as this war will bring about the beginning of the end.

Isaiah 17 is the burden against Damascus. "Behold Damascus will cease from being a city, and it will be a ruinous heap" The first part of Isaiah 17 seems to say it all. Never before has Damascus, Syria become a ruinous heap. But it is about to, as soon as the US decides to

Strike. Consider the weapon of choice by the US. The Tomahawk missile weighs around 1200 pounds. One of these could surely pack a punch. And as of now hundreds of targets are being set up in Syria, with Obama asking for target extensions. The reason for this being, the US has only a vague idea where the weapons are being stored. And because there has been a significant delay in the strike, the enemy has had time to move these targets to more undisclosed areas. So bombing multiple areas may be the plan as more coverage would ensure that these weapons and capabilities are taken out. This is a sweep by the US military if you will, and the probability of Damascus becoming a ruinous heap out of this strike on Syria, is very high!

# DANIEL 12 = RAPTURE

## DANIEL 11:40-45 MUST COME TO PASS

### DANIEL 11:40 FULFILLED

Daniel Chapter 11 verses 40-45, seems to paint a much broader picture of the times we are currently living in. It even gives us an idea of who the antichrist is. Notice how these verses are referring to the very end of days, just before the rapture takes place. So verses 40-45 must be fulfilled before the rapture happens. As the very next chapter is about Micheal the Archangel standing up. When Micheal stands up, the rapture occurs. So lets take a look at what must come to pass before Micheal stands up in Chapter 12 and the rapture occurs, by reading Daniel Chapter 11, verses 40-45, and we can determine if each verse came to pass or not.

1) Daniel Chapter 11, Verse 40: "At the time of the end the King of the South shall attack him; and the King of the North shall come against him like a whirlwind, with chariots, horsemen and with many ships; and he shall enter the countries, overwhelm them and pass through." Since Obama became President many nations have been overthrown. Obama may not have been directly involved, but now there is evidence that he had been helping the Muslim Brotherhood and they had overthrown many nations during the Arab Spring. In fact the Syrian rebels in which the US was supplying weapons to are members of the Muslim Brotherhood. Morsi was also a member of the Muslim Brotherhood in which Obama also supported. The King of the South is Saudi Arabia. When Obama stuck up for Morsi being overthrown, he said the US would no longer give funding to Egypt. But Saudi Arabia said they would give the funding that Obama refused to give. In this way the King of the South is going against him. The word him here is referring to the antichrist. Although Saudi Arabia has no military might, they could cause a financial hit as the US gets most of the oil from that region. Just a cut in supply, or a very small price hike could hurt our economy greatly. The King of the North is Russia, and they have been threatening Obama for some time over Syria. Even now Russia is threatening to retaliate if the US strikes Syria. So Daniel Chapter 11 Verse 40 has been fulfilled. ✓

## DANIEL 11:41 FULFILLED

2)

Daniel Chapter 11, Verse 41 "He shall enter the glorious land, and many countries shall be overthrown; but these shall escape from his hand: Edom, Moab and the prominent people of Ammon." Obama entered the glorious land, Israel just before Easter of 2013. Many countries were overthrown as explained in Daniel Chapter 11, verse 40. Edom, Moab and Ammon are Jordan. And if you recall, during the time of the Arab Spring uprising, Jordan did escape. It was not overthrown, as they still have the same leader. It may be because the Jordanian leader complied to Muslim Brotherhood demands. So Daniel chapter 11, Verse 41 has been fulfilled. ✓

## DANIEL 11:42 FULFILLED

3)

Daniel Chapter 11, Verse 42 "He shall stretch out his hand against the countries, and the land of Egypt shall not escape." During the Arab Spring uprising, Egypt was overthrown. Mubarak was ousted and the military took over. Mubarak was replaced by Morsi who is a Muslim Brotherhood member, which played right into the antichrist's hands. So Daniel Chapter 11, verse 42 was fulfilled. ✓

## DANIEL 11:43 FULFILLED

4)

Daniel Chapter 11, Verse 43 "He shall have power over the treasures of gold and silver, and over all the precious things of Egypt; also the Lybians and Ethiopians shall follow at his heels." For a short time, after Mubarak was overthrown, the money and treasures of Egypt were in the hands of NATO. This was until the military took over. As we know NATO was formed by the US and it is the US that is still in charge of it. So we can say that the Antichrist did, for some time have power over the things of Egypt, and possibly still does through the Muslim Brotherhood. The Lybians and Ethiopians have threatened to cut off water supply to Egypt. Not only that, but they are the home of radical terrorist groups working in the region. So Daniel Chapter 11, verse 43 has been fulfilled. ✓

# DANIEL 11:44 IN PROGRESS

Daniel Chapter 11, Verse 44. "But news from the east and the north shall trouble him; therefore he shall go out with great fury to destroy and annihilate many." The east is China and Iran, the north is Russia. The trouble for the antichrist has to do with all the nations he has overthrown, but there is one he so desperately wants but cannot get. This is Syria. And the reason he can't get Syria is because Russia, China and Iran are protecting it (the Kings from the East and the North). This troubles the antichrist greatly! He has a need to overthrow Assad and bring in a Muslim Brotherhood leader for his agenda, which most likely has to do with a New World Order or peace agreement. Then because Syria is troubling him, he goes out with great fury to annihilate many. This is clearly speaking of a war that will take place over Syria. The fall of Damascus, the Isaiah 17 war. But Iran and Syria have threatened to strike Israel if Syria is attacked and this will lead to Psalm 83 war, another war prophesied in the Bible in Psalm 83, Verses 2-5. "For behold, your enemies make a tumult; and those who hate you have lifted up their head. They have taken crafty counsel against your people. And consulted together against your sheltered ones. They have said, come and let us cut them off from being a nation, that the name of ISREAL may be remembered no more." DANIEL CHAPTER 11, VERSE 44, IS CURRENTLY IN PROGRESS AND IS ABOUT TO BE FULFILLED.

# DANIEL 11:45 HE SHALL COME TO HIS END

## (BABYLON DESTROYED)

Rapture - US NUKED!

Now the last verse which must be fulfilled before Micheal stands up in Chapter 12. Daniel Chapter 11, Verse 45. "And he shall plant the tents of his palace between the seas and the glorious Holy Mountain, yet he shall come to his end, and no one will help him." This verse is suggesting that the antichrist will go there for war.

Tents are set up by the military, for medical needs and so forth during an operation. But these tents may also mean to be stationed there temporarily. When it says that the antichrist shall come to his end and no one will help him, this may be suggesting that this battle was more than he thought it would be therefore, he is beginning to lose. No one will help him, because they simply can't help him, they have turned their back on him. This may also be suggesting that the Antichrist will turn to another direction, desperate measures in the name of peace. This would be why the rapture takes place at this time and why Micheal stands up in Chapter 12.

## **Vision of the Glory Light**

I had a vision Thursday night (11/7), the most powerful clear vision probably that I have ever had. As I was sensing the Lord coming to tell me something I asked Him if I was going to see devastation tonight, (with what was happening in the Phillipines and with what I know is getting ready to happen here I figured I would be seeing that!) and He said NO I am going to show you my GLORY...so I thought yay..He is going to show me Heaven!! BUT Heaven it was not, He started to show me a HUGE shaking (like He picked up earth and shook it HARD!!) right before that something had happened and I was trying to see what it was, but He did not allow me to see the event (I feel it was a 'man made event') then the darkness hit. And right away those who are Spirit filled, clean, pure vessels serving Him were transformed. I will tell you what I saw at my house. My home was filled with Angels, my husband and I were filled with more of God than I have ever experienced (and that is saying ALOT!!!) I could smell apple crisp (?????) and saw the glow in my home, it looked like a Thomas Kinkade painting....'the joy of love and holidays'. It was the most beautiful looking picture...we were fellowshiping, worshiping and praising God...it felt like the most perfect memory of Christmas with family... (???) I am assuming the Angels were our family, because we have none close. The power and presence of God was SOOOOO OVERWHELMING ( I just cried and cried as I was watching, saying Glory Lord, Glory Lord) After the 3 days of darkness we were sent out of the house...people could SEE who we were, we LOOKED different (transformed)(glowing) they either ran to us and wanted to know about Christ (and I mean RAN to us!!!) or they ran from us!! The Angels went out with us and protected us everywhere we went. I was trying to see if the power was turned back on, but I don't think it was. I had the sense that

this only lasts for a week maybe a few weeks..then the rapture would happen.

# **Vision of the Rain of Fire      1-06-09**

**Susan Cummings**

**(Compare to TD Hale Nov 24, 2012 Fire Rain)**

In the vision, I was looking at the world from a suspended position. I could see people and areas from a panoramic position and also at times, I saw things close up. The position varied with the scenes and messages I was given so I would understand what I was experiencing.

I saw what looked to me like great fiery rain coming from heaven. It came in great drops or elongated streams. It was not like the natural rain that we know of, but it was like spiritually infused living molten lava, a real fire, but it was also Living Spirit. It was the living fiery essence of the Father that was raining down towards the inhabitants below.

As I watched, I saw that it fell simultaneously in one great event all over the earth. But it did not fall everywhere, and it did not fall upon everyone. It rained down suddenly and I saw that many people did see it coming from above as it happened, as it was a real physical event that men could actually experience and see, but it was also a divine event that not all men would experience. However, I understood that men would know that God had entered into the corporate natural affairs of men divinely again.

It was not a slow natural event like a storm or a weather phenomenon that you could track, or follow and monitor, actually, from my perspective it looked like a slow unfolding event, but I understood that it actually happened very fast. I was just being given an enhanced view for my understanding and learning.

The raining fire of the Father that I saw falling was the Real Living Essence of the Father Himself that was being released upon those whom He had prepared to receive it below. It was interesting to watch this happen, as it fell upon people whom you would not expect nor think that it would, or even that it would not, by our thinking or reasoning of qualifications.

The fiery rain would come down and fall upon a particular person who would be either aware of it falling or not be aware of it falling at that particular moment, but when it did hit them, they underwent a sudden tremendous change. I watched close up as the living fire seemed to penetrate into them and infuse itself or radiate itself throughout their beings and bodies. They literally became the very same Essence of the Father that the rain was that had fell upon them. Their eyes burned with a new life and even their skin was changed. It was not like ours now. It had a different texture or spiritual component to it's makeup, and the fire flowed throughout their skin like a radiance, but it was not just an outward surface shining, but it was an internal radiance from within the skin layers itself. It was not like human skin as we know it, the qualities had been divinely altered, and the people now had new natures. I did not fully understand all of this process, but it was real and it was new. They were of a different spirit, as they now embodied the divine in such a way that we have yet to experience up to now.

The people who were infused would now physically embody the divine fire, but it also lived through them and it became them as they became it, also. They did not lose their individual personalities through the process, but each person was still their own unique vessel, but they were also now divinely infused and were more divinely aware of God and understood their earthly purpose now. The fire seemed to fully express itself within them so that it flowed outwardly also by the transformation that was happening to them. By this I mean that there was such a Holiness and a terrible Presence of the Father in them and on them, that you knew that God the Father walked in them, and that He was now walking through them in a manner that we have yet to experience in any generation yet. God was manifesting Himself in a people just like He did with Jesus, when Jesus walked amongst us. But now these people did it openly.

I then watched in the vision from a view further away, and I saw that it indeed only fell upon some and not on upon others. The selection of who it fell upon was the Father's and not of any man. Most of those that I saw that it fell upon were some people were very weary and very embattled people. From earthly standards, we probably wouldn't have thought that they would amount to anything by their current life and their struggles that they have endured. But I understood that their unique trials and their life's struggles that they lived out had actually served to prepared them for this new infusion that now came from the Father.

One man that I saw in particular that received the fiery rain was very emotionally and spiritually broken. He had endured much physical hardship and I understood that he had endured much persecution from the church. He had been misunderstood most of his life and he also had thought that he had failed God and that he had missed God and that he had lost his place. But God used these things in his life to lead him closer to Himself and to purify this man to be able to be one that would become His chosen vessel. He was very beloved by the Lord and he had learned humility through the suffering which caused him to rise above the hardness and the hatred that's in the world, even though he did not understand why his life was this way.

Not every person that I saw was as broken as this man was that had received this infusion, I was just given to notice certain ones for my own learning and for our beneficial clarity. Many of the people I saw seemed to be living successful lives and seemed to be spiritually healthy or spiritually active in their walks in spite of the hour in which they lived in. But the common factor that I noticed with them all was that they each had undergone recent trials and they were currently experiencing various levels of spiritual warfare and were in various stages of purging by the Lord in their walks. Most did not understand the full reason why their lives were embattled, nor understand the full plan of God behind it all, but they did seek god in the midst of it all.

Another person I noticed was one that did not receive the divine infusion. But rather, this person watched as others were filled and was angry and yelled at God. One man I saw screamed out that he was one of the servants that had prophesied of it's coming, and had taught on it, so he should be one that received it and that he deserved it. He was angry that the Father did not give it to him. I was afraid as I saw this in the vision, as I knew that his anger was pride and arrogance and that the Father was just in this, for this man's heart was not truly right. I also knew that this man would fall as he did not have the right heart necessary to stand in the next hour and to fulfill his course successfully. He had allowed the pride of position and the pride that comes from being

used by God to bring forth revelation from God to others, to cause him to be disqualified and to harden his heart. I feared the Lord as I watched, for I knew that we all stand by Grace, and not one of us can receive anything from God unless we truly believe and unless we truly are fully surrendered to Him in every way.

I divinely understood that it was a matter of the individual's heart before God, and not just on his outward qualifications, knowledge, or training. God walks with each of His People, and He daily leads them on their life's journey, and what they learn throughout their experiences and through their dependence upon God through it, determines their receptiveness or not. God desires that we utterly trust Him, that we utterly love Him, and that we utterly believe Him. Even though we each experience different levels of trials and events in our personal journeys, the lessons are the same for all men. We must each come to a death of our own ego and self life and we must come to a deeper personal knowledge of God and into an intimate relationship with God. Our responses to God in our life's process will determine if we will walk fully with Him or not, and if we will allow Him to change us into what he wants us to be. God sees us all and knows each of our hearts. He knows who will let Him have His full and complete way in their lives. Even though we might think we have failed Him, because of the severity of our individual paths and trials, and also because we did not understand the process of why we were in the events, the Father knows the depths of what lies deep within each of us. I watched as others were transformed here and there, and it was also a very shocking event on the earth as it was so sudden and unexpected. It also did not come in the manner in which we had been taught from the church leaders, but it came as it had been ordained from the Father, for this generation. There was worldwide upheaval as the newly infused people began to quickly then be sent out by the Father all over the earth on the Father's business, and the people around them realized that they did not receive what the others had. There was a lot of crying out from people all around also, as this event also produced a huge surge of spiritual searching and even chaos in the church as the people who were not infused questioned the established church leaders of their knowledge of this event and its significance.

I also was given to know that out of those who did not receive the infusion of the Fiery Essence, this did not mean that they were not the Lord's people. It just meant that they had missed the divine release because of their lack of inner spiritual preparation and that they had not fully developed their hearts before God in their relationships in a timely manner for this event. They were still God's children, but they had missed the opportunity to be used in this higher divine manner for the next stages of events that would come upon the earth. There was a great sorrow expressed over this reality, as many of them realized that they did not fully lay hold of the higher call or obtain to the mark that God had set for them all to achieve.

What I did see was that this divine event caused a great sobering wave to spread across the church and also a wave of a great determination to seek God exploded across the church and also across the globe.

Many began to rise up and decide to be purified themselves and they began to sacrifice everything to obey God, but it did not come as a reality in their lives until after these events happened. Nevertheless, this event served to bring about the corporate awakening and the rising up of the majority of the true Body of Christ across the globe. Many now questioned what they had been spiritually taught by others, and many

returned to studying the Word and they began to search it out for themselves. A new respect for the Church began to also spread amongst the Christian people, as they realized the reality of being the Body of Christ, and repentance began to burst forth and a new sense of purpose caused them to not persecute one another, but to see each other as Christ.

This event also brought about much chaos, fear, confusion, and anger amongst the unbelieving Christians, and among the religious, and especially the general world populations. Great persecution also immediately broke out against the divine fire, as many did not understand it and they feared it. The newly infused people of God were not like them anymore, as they had been divinely changed, and this caused much panic and turmoil. But it also caused revival to break out and a great fear of the reality of God to began to be spread worldwide.

The devil was also greatly enraged as the Divine Essence now was embodied again in the earth, and he no longer had dominion over God's people to prevent them anymore, and a great resistance and opposition and war broke out in many areas as the Divine Light now clashed with the darkness. I saw great upheavals and war in many areas, but also great restorations and great Light begin to spread throughout God's people all across the globe. The Father is in full control of the earthly events, even those to come and He is active in all of the affairs of men.

The vision ended.

Matthew 3:

*10 And already the ax is lying at the root of the trees; every tree therefore that does not bear good fruit is cut down and thrown into the fire. 11 I indeed baptize you in (with) water because of repentance [that is, because of your changing your minds for the better, heartily amending your ways, with abhorrence of your past sins]. But He Who is coming after me is mightier than I, Whose sandals I am not worthy or fit to take off or carry; He will baptize you with the Holy Spirit and with fire. 12 His winnowing fan (shovel, fork) is in His hand, and He will thoroughly clear out and clean His threshing floor and gather and store His wheat in His barn, but the chaff He will burn up with fire that cannot be put out.*

Luke 3:

*16 John answered them all by saying, I baptize you with water; but He Who is mightier than I is coming, the strap of Whose sandals I am not fit to unfasten. He will baptize you with the Holy Spirit and with fire. 17 His winnowing shovel (fork) is in His hand to thoroughly clear and cleanse His [threshing] floor and to gather the wheat and store it in His granary, but the chaff He will burn with fire that cannot be extinguished.*

Matthew 20:

*21 And he said unto her, What wilt thou? She saith unto him, Grant that these my two sons may sit, the one on thy right hand, and the other on the left, in thy kingdom. 22 But Jesus answered and said, Ye know not what ye ask. Are ye able to drink of the cup that I shall drink of, and to be baptized with the baptism that I am baptized with? They say unto him, We are able. 23 And he saith unto them, Ye shall drink indeed of my cup, and be baptized with the baptism that I am baptized with: but to sit on my right hand, and on my left, is not mine to give, but it shall be given to them for whom it is prepared of my*

*Father.*

Mark 10:

*37They said unto him, Grant unto us that we may sit, one on thy right hand, and the other on thy left hand, in thy glory. 38But Jesus said unto them, Ye know not what ye ask: can ye drink of the cup that I drink of? and be baptized with the baptism that I am baptized with? 39And they said unto him, We can. And Jesus said unto them, Ye shall indeed drink of the cup that I drink of; and with the baptism that I am baptized withal shall ye be baptized: 40But to sit on my right hand and on my left hand is not mine to give; but it shall be given to them for whom it is prepared.*

### *The Affairs of Your Heart*

*The New Year shall bring many more changes to My people, more so to some in particular nations than in others. My people are busy preparing for what lays ahead and looking forward to My soon return to the earth. My people are busy with the affairs of their lives, the affairs of their hearts and the affairs of My Kingdom work.*

*Be careful, My children, that the affairs of your hearts do not lead you astray. Many of you are distracted with trying to fill the emptiness inside you with the wrong kinds of things. Do not enter into anything you know will displease Me in these perilous times! Far too much is at stake for you now.*

*Do not be snared with the sins of your past as those who belong to this world are. You are Mine! You have been set apart for a special work and you are to keep separate from sin of all kinds.*

*If you will seek in My Word to fill the voids inside you, I shall fill them for you, My child. If you will turn to Me instead of the world to meet your needs, I shall gladly do so, but woe to that man or woman who chooses the world's ways over Mine!*

*Draw closer to Me in this time, do not let the enemy tempt you into moving far from Me.*

*I love you, My children.*

## *The Slightest Whisper of Your Heart*

*I will now begin to prepare each of you in very special ways for your very unique assignments. In these last days, what I have called some of you to is not only unique, but in some cases, very unusual - because My plan for the end times is both unique and unusual, and it shall awe the world.*

*I have many judgments planned for various parts of the world for these end times, to cause the lost to seek My face. So many men think they have no need of Me, so I must show them their need in ways that cause them to seek, and in some cases, to cry out, to Me. This is the only way many will ever be saved, for great wealth or status tends to make men feel safe and guarded - but no one is safe without My care and protection.*

*Do not fear, My little ones, when you see these judgments fall. Some may seem harsh to you, but true harshness would be to let so many perish without ever knowing Me.*

*Though things and conditions may seem very bleak in the end of days, do not ever think I have left you. I never desert My own. Never.*

*I am always near enough to hear ever the slightest whispers of your tiny hearts when you call for Me.*

*I love you with a love you cannot begin to imagine, My precious children. The world you live in is wicked and violent, and the enemy of your souls desires it be even more so. I desire to take you out of the world to live with Me forever where there is no evil and no wickedness and the time is nearing. All is being readied here for you - work while you can there to help others to know Me and be saved.*

*I love you, My children!*

## Prepare for What's Coming – the Worst

December 10, 2013  
Doug MacCallum

Word from the Lord returning from Boise, ID.

12/5/13 Thursday

---

Prepare for the worst.

There will be nuclear devastation as well as weather related devastation.

There will be food riots, raping, murder, and all out barbarism.

There will be great darkness, naturally and spiritually.

YOU are My Lights! Let Me consume all of you, for then your Lights will be greater.

My Hand will be upon each one of you as you yield to Me.

Open your hearts to Me, for there are the issues of Life, My Life.

In your waking and your sleeping, I will be there.

You need not fear the enemy, for I have overcome him.

He knows his time is late and he will do all he can to cause you to stumble and many will because they have not fully trusted Me.

My Word will guide you. My Spirit will speak to you as you need instruction, but also comfort and encouragement.

For at the right time I will unleash My Power in ways not yet seen, and has been stored up in My secret armory for many ages, for just this hour.

But, do not focus on My wonders, but remain focused on Me.

Do not expect with your expectation, but stay focused on Me and My timing for then My Power will be used with pinpoint accuracy and will accomplish what I intend.

All is ready My Beloved. This will be your finest hour in this place of time. For this is also your final preparation for My Plan for you after I return with you, to rule and reign with Me.

Have Faith in all that I said. My Words are Truth and Life, and you will be My Mighty Warrior Bride for Me to display to all creation.

Eye has not seen nor ear heard what I AM about to unleash.

## Seek Solace in Me

*"My children, the events that have been foretold are nigh upon you. Seek solace in Me, your Lord and Saviour, and I will give you My peace within your hearts.*

*There is an earthquake coming, My daughter, that will precede the 3 days of darkness. The earthquake will happen and then the 3 days of darkness will descend.*

*First there will be the cataclysmic (cosmic) event. All mankind will see this event wherever they are on the face of the earth. This is your sign that I am coming. You must go to your homes and gather your families to you. Pray to Me to keep you and to provide for you during the coming darkness.*

*The darkness will descend within 3 days of this cosmic event appearing. The darkness will commence with the earthquake. That is why it is important for you to be inside and remain in your homes. Like the Children of Israel who were protected when the Angel of Death passed over and saw the blood on the door posts, so all My children will be protected by the blood of the Lamb on your foreheads. You are sealed by My blood and My Bride will be protected, no matter what is happening outside of your dwellings.*

*You are to close your doors and windows, draw your curtains and pray together. During this time I will reveal Myself to each and every one of you. Those who are already Mine will be infused with the Holy Spirit and will be transformed. Those who are not yet Mine will be given the opportunity to receive Me as their Lord and Saviour.*

*My Bride will be transformed and after the 3 days of darkness I will send her out to bring in the last harvest. She will minister in My strength and power and will be totally protected no matter where she goes. This will be for a period of time until the last harvest is brought home. My Bride will then ascend with Me to her rightful place in her heavenly home.*

*Come, My children, all is prepared and waiting for My coming Bride! I, your Jesus, your Bridegroom, long for your company with Me in heaven.*

*Don't fear, don't doubt .... I am not delayed ... I am coming now!!*

## THESE THREE DAYS

*It is I daughter, your King and your Groom. You must trust Me in My timing. I will not allow you to be taken by surprise with the cosmic event. I have you in the palm of My hands. Put on your garments of praise in place of the spirit of heaviness all around you. I am bringing you from glory to glory. As my work was completed after the cross until My resurrection, so too will your transformation be completed these coming three days so we may finally be as One as My Father has intended Us to be. I have promised you the former and the latter rains. My anointing is upon you now. This earth will reel to and fro before the great day of the Lord and all that can be shaken will be shaken. Come close. This earth will shake violently at My coming. Never before in history has mankind seen an event such as this. Soon all will know that I AM THAT I AM, as all of My creation reacts to My arrival.*

I have surprises in store for you who commit more time to Me that you know not of – rewards for your much obedience, for I know the demands life has put on you, the loads you carry. I desire to lighten those loads.*

## YOUR JOURNEY IS ALMOST COMPLETE

*My children, it is My desire that you use this brief moment in time to enjoy your place with Me in My heart and in My Kingdom. You are in a very short pause for soon, all around you will change and although I have spoken about things that are coming, you will still find yourselves feeling it happens so suddenly. I hear each one of you, asking for more clarification of the things to come. And you will be given all that you need, each one specific to his/her purpose. I know each of you better than you know yourselves for I am your Designer. I also know that given too much detail, you would focus on events to come and I would lose your companionship in this moment of now. I ask one thing of you this day. Give Me this moment of now. Sit with Me, talk with Me, be with Me, in Me. Feel My peace and My love flooding your spirit. I have promised you a place in My Kingdom for all eternity and I continue to provide for you and protect you. What concern is it of yours what tomorrow may bring? I have guaranteed tomorrows to no one. You are only given today, remember your place. You are hedged in on all sides. Were you to be given too much information, you would simply not understand. Much is being accomplished in the spiritual realm on your behalf. Concern yourselves with me and our relationship together rather than the happenings in the world. I am moving powerfully and mightily for My children. Much is taking place that you are not aware of. Take your rest now, today, knowing that this journey you have been given is drawing to an end. My peace I give to you My friends. you will be told when this three days of darkness is about to occur so that you may gather your families together in preparation. Never fear as My voice will be heard by My people. Take rest that you are counted worth of My eternal Kingdom children.*

### *For This Were You Born*

I had been inquiring of the Lord about the time of increasing suicides He told me is coming. This word during my prayer time today was His answer.

*Yes, many suicides are indeed coming in the future, for there is coming a time so bleak, so dark, many of you will not wish to live through it. Those without the hope of My Son's Name will not know how to go on, but My people shall.*

*They shall move forward in victory, in determination, on assignment from on High, for I Myself shall command them to their destinies!*

*When all hope appears to be gone is when I do My greatest works and I require only your faith for these, My precious children.*

*When this dark time arrives, look up, My children, for many great miracles are to take place before your very eyes. For this were you born. For this have you been prepared.*

*Do not give up hope as the unbelieving Gentiles do, for this is the very arrival of the time you have prayed for!*

## Not Ever

*A time is coming when My churches on earth shall stand empty. Not because My shepherds stop preaching My Word, but because my people shall fail in believing it.*

*It shall be a frightening time when evil is increasing all around you and many of you – you, My children – not unbelievers – shall think I have surely abandoned you. Those who truly believe My Word shall know this is not true.*

*The key to surviving this time is to continue in My Word. Keep believing as you always have. Know My promises are true and My Word never changes, though circumstances may and will.*

*The time I am telling you of is the falling away. My people's love for Me shall diminish when they do not see what they expect. They expect Me to always make things better, but scripture must be fulfilled, My children, just as when My Son died on the cross. Scripture must be fulfilled so the time may come when I may call you home to Me.*

*Be strong and courageous, My precious children, for I shall never abandon you ever! My love for you does not change or cease – not ever.*

*Remember I have told you these things and be strong for Me. Strengthen your brethren when you see these things happen.*

## Legal Glitch "Has The Potential To Sink Obamacare"

As if the technological problems facing Obamacare were not enough, a potentially major "legal glitch" could cause the healthcare law to unravel in 36 states. As the [LA Times reports](#), The Affordable Care Act proposes to make health insurance affordable to millions of low-income Americans by offering them tax credits to help cover the cost. **To receive the credit, the law twice says they must buy insurance "through an exchange established by the state." But 36 states have decided against opening exchanges for now.** Critics of the law have seized on the glitch. They have filed four lawsuits that urge judges to rule the Obama administration must abide by the strict wording of the law, even if doing so dismantles it in nearly two-thirds of the states. And the Obama administration has no hope of repairing the glitch by legislation as long as the Republicans control the House...**"This has the potential to sink Obamacare. It could make the current website problems seem minor by comparison,"** noted on policy expert.

## This Ministry is Nearing Completion

After reading Julie's last message on Behold I Come -  
[iamcallingyounow.blogspot.com/2013/10/your-journey-is-almost-complete.html](http://iamcallingyounow.blogspot.com/2013/10/your-journey-is-almost-complete.html)  
the Lord gave me this message ...

*"Your journey also is almost complete, My daughter. Not much longer now and I will be giving you my final message. You are then to cease writing on your blog for your ministry will have been completed. There is not much more now for Me to say to My children through you, My daughter.*

*I will be speaking to each of My children individually from now on and there will not be the need for them to read others' words from Me, for they will hear from Me for themselves.*

*All those who belong to Me will hear My voice and follow Me. My sheep hear My voice and follow Me.*

*My children, there will be no doubt that it is I, Jesus, your Lord and Saviour and soon coming Bridegroom, who is speaking to you. Have no doubt you hear My words to you, and obey what I say to each of you individually. For I can no longer speak to the masses, I speak now to you individually. This will be my second-last message through My faithful servant and scribe.*

*This is all for now. Listen for My voice, each and every one of you, My dear children.*

*Your Jesus."*

# Billy Graham's health has 'declined quite a bit,' son says

The Rev. Billy Graham's son said Friday that the legendary evangelist's health is declining.

In [speaking to WSOC-TV](#) at a Christmas charity event at the Billy Graham library in Charlotte, Franklin Graham said the health of his 95-year-old father, who was hospitalized for two days last month with a respiratory issue, "has declined quite a bit in the last few days."

"He just hasn't been able to get his strength back," Franklin Graham said. "His vitals are good, but he's just extremely weak."

The younger Graham added that he wasn't sure if his father knew that Nelson Mandela passed away.

5) Link to Billye Brim's prophesy re **Billy Graham's passing**. Fast forward to 23 minutes. That is where she begins to talk about Oral and Billy, that **there would be a shift in the Heavens at their deaths:** [http://www.billyebirim.org/content/prayer\\_webcast\\_december\\_30\\_2009](http://www.billyebirim.org/content/prayer_webcast_december_30_2009)

[Ed., Could this "shift in the heavens" be because the Rapture occurs at the same time as Billy Graham passes away, or close thereto, effectively closing the Age of Grace and starting the Great Tribulation?

Based on the prophecies below, it is also related to a new dimension of spiritual force and sight that has never been seen by believers before. That sounds like the mighty outpouring of the Holy Spirit (Biblically prophesied as the "latter rain") which many believe will occur either shortly before, and/or following the Rapture.

If God goes back to dealing with mankind through prophets during the Great Tribulation, then they will need this new dimension of spiritual force and sight to overcome the extreme hardships and heavy satanic oppression during Earth and mankind's darkest hour.]

# Sister Billye Brim

Prophecy for the Pray-ers  
Given by Sister Billye Brim  
7-25-2010

The time and purpose for all of our lives are very important and, in fact, you are alive to meet those appointments, those people, to pray those prayers. Listen and keep ever aware and alert to the voice of the Spirit, and what He would have you say and what He would have you to pray when you go around your house, and you hear a word, repeat it, for it will be from Me. If at the beginning of your day, you will acknowledge me in all your ways; then I will alert you, for it is critical in this day that I have my body speak and say what I want it to say. Know you are on call; you are on call. Give me your all; you are on call. In the daylight hours, in the nighttime too, everything is speeding up and will until you are through to the brightness of the new day. And so, this is not the time to let the enemy keep you sitting in confusion, in darkness and despair, wondering why you are alive or why even care. But this is the time to know of your import. This is the time to know, for it is short. Yea, give me your thoughts, your words, and do not shrink for you are on the very brink of the most wondrous days that have ever been. And yea, even before the brightness of the new day, you shall see upon the body of Christ the anointing come, the anointing of the Glorious One. And on in glory and in power you are going to finish out this, your finest hour. Do not center on the negative. Yea, be aware and alert and know it's there, but you focus on the light of My face and upon sureness of My Glory and My Grace. Who will begin to walk in a new atmosphere? You'll begin to walk where things are very clear. You'll hear a voice; you'll turn around and say, "Who said that?" It is because your hearing is tweaked in this day. Those plans that seemed hard to come by and know before; now they will be very clear. It is not like it was in days of yore. There have been some key moments; there have been some key happenings and things have stepped up. And you will see the operation of the dunamis power. **Spoke I not unto you and said when Oral Roberts moved to Heaven there came a shift and there will be another. For you shall soon hear of the departure of another brother and know that when he goes, another shift will occur.** And it is not you that is being shaken; it is darkness. You receive a kingdom that cannot be shaken. And though all around, others might see darkness and not you; you'll see Me. Hah! You'll get another breath; you'll get another pick-up, even in your body, my very queen. So, rejoice and be exceedingly glad for days of rejoicing! Praise God! Nothing is held back that you need in this hour. Every word that has been spoken concerns every person in this room. We thank you Lord that you have the wherewithal to do it. You have time; it's measured, but you have it....

## Come to Me

*"Write, My daughter, for these are the words I want you to share with all My children ...*

*You all have many questions about these coming days of darkness. My messenger does not have all the answers for I have not provided these to her. I desire that you all come to Me individually and ask Me your questions and I will answer you.*

*You all have specific needs and I will instruct each of you individually what to do during these coming three days of darkness. You may think that you don't hear from Me, but you are wrong. I am always speaking to you and I will make Myself known to you and you will hear My voice clearly in the coming days. I will address all your individual needs. You must rely only on Me to protect you. I am your Lord and Saviour, your coming Bridegroom, and I love each one of you in a way that you cannot even imagine. I don't love any one of you less than I love another, for I cannot.*

*Please, come to Me with your questions and your needs and I will answer and provide.*

*Your loving Saviour and Bridegroom, Jesus."*

## "My Timing Is At Hand"

*"There is coming so much, My daughter, that it will truly take your breath away. Fear not! Hold to Me. I am surely coming soon! This is what I want you to post for now, My daughter. Tell My children that I have them safely in the palm of My hand - that not one of My sheep will be lost, that I have their families safe also.*

*My 3-day warning will soon be heard. When this transpires you are to go to your homes and prepare for the coming darkness.*

*I am giving you few words for now, My daughter. Just enough to let My children know that they are not forgotten and that everything is in My control. Watch now and wait, for My timing is at hand."*

## GET READY!

**"GET READY! GET READY! GET READY!"**

*The time is now upon you, My children. Don't look to the right or the left for I AM COMING!!*

*Remember Amos 3:7 - 'Surely the Lord God does nothing, unless He reveals His secret to His servants the prophets'.*

***I will give you more information as the time approaches for the cosmic event.***

***It is on its way now. I will not leave you in the dark, My children. I will reveal more to you as this event comes closer. There is much coming that will bring fear to many - but for my children, you will know My peace and safety. Fear nothing! Remember always that I alone am in control!***

*I will strengthen you in the coming days for what lies ahead. There is nothing to fear. All is upon you now. It is here. There is no turning back. Look ahead with confidence and know that I am fighting for you! Don't look to the right or to the left - look to Me, your Lord and Saviour. I am fighting My way to you and I will not delay!"*

## New Hope

*There is new hope on this day, My children, for those of you struggling to walk more in My ways and in My purposes for your lives. For I shall now anoint your efforts to serve Me more strongly than before and doors will begin to open for you.*

*Provision will flow where none was before. Miracles will unfold before your very eyes.*

*Many of you have prayed for miracles and I have noted your prayers. Many have asked for the salvation of others. I have noted your prayers. Many have stayed in unpleasant situations where you did not wish to be. I have noted your obedience and there are mighty rewards and gifts in your future for obeying Me in this!*

*There is new hope this day, My precious children, for you are drawing closer to Me, the Lord of Hosts, the Lord of your hearts, and I now draw closer to you.*

*Your homecoming is ever nearer!*

## JOY IS COMING!

*"Daughter, there is so much coming that you won't be able to contain yourself for joy! Yes, My daughter, **joy** is coming! There is not just destruction and chaos coming, My daughter, but for My children - for those who have stayed true to Me, their Lord and Saviour - much joy will be poured out.*

*I have told you that wisdom is being poured out and this is happening even now .... But then there will be JOY!!*

*I have told you, My daughter, that I will give you more as this cosmic event approaches, so wait for My words to you. In the meantime, keep trusting in Me to keep you and your family and friends within My will and within My protection. All the prayers you have brought before Me I have heard and I am answering. Leave all with Me.*

# **Sue Crumpler was given this messages from the Lord on September 19,2013:**

Oh My little ones, thick blackness covers the earth. Soon you will see what is currently just before you. Gross darkness as a man has never known will blanket the earth. Confusion will Reign. You will bring My Light into this dark world and will exude hope. Much is coming. Even those who say they know Me will panic as My disciples did, but I ask you to stay strong in faith. The time of prayer and preparation in the Garden of Gethsemane is almost past. The darkest hour is just before you. Know that I am with you when all strength appears to crumble. You have received proper training and you will not fail Me in this hour but will be infused with Power from on High. Wait for Me, for I am coming and I will NOT delay. Things are not as they appear. You

are not weak, as you feel, for it is in your  
weakness that I am made strong. The battle  
is Mine and We will win. It is an honor

*This ensuing darkness quickly approaching for My beloved, will be a powerful time of communion for you and I. A final refining fire. It will be a time of intimate fellowship and prayer with Me. You will be strengthened in your gifts of the Holy Spirit for which you were purposed to walk forth in and My decrees will be set in motion through you. This will be your commissioning. You are to remain in your dwellings and you will be receiving your realignment during this time both physically and spiritually. I will leave nothing undone. This is a final refining fire for the elect and a fire of judgement for the wicked. Since your training is now complete you know My voice as My sheep know their Shepherd. Listen carefully and closely for your instructions. I will protect your dwellings and your animals for they are Mine as well. Leave all your concerns to Me, the Creator of all things. My Holy angels will care for your outdoor creatures during this time, and your dwellings will remain secure. You are to have no fear for you are Mine and I am yours. Be still and know Me for this is any moment now.*

## **ANNIE NELSON: Prophetic Message! Battle has begun! IN, TN, GA, LA, FL CO, AZ, MT, NYC be on**

A time of awakening is at hand. Yet, so many hearts are hardened and far from me sayeth I, the Lord of Hosts. Time is short, days are few where all shall see catastrophes globally. The gift of discernment, I have freely given unto all. Though many are blinded by the lies of man. Raise up my children, do not look at the natural, but the supernatural. I, Jehovah say the area they are delivering to with supplies on hand will not be a place destroyed. Yet a safe place. Do not be fooled. Why would food, water, medical aide be provided if a place is to be destroyed? No! Be wise, search deeper within. Pray out to Me for wisdom and I shall grant it upon you.

Yes, war will ensue. Great war! The land, the land oh America is an open wound. I the God of Abraham have poured down healing and it has been rejected. The Holy Spirit has been rejected in family homes, churches and upon the streets. I have shaken the earth and the warnings are ignored. Write these words oh child as I Jehovah speak forth.

Fires shall consume your cities, your crops will be no more. Increase in animal deaths due to airborne viruses, that no man shall cure. Division and discord as never before seen. Churches shall fall. Woe unto you Priests who teach a false doctrine in My name the Great I AM. Your decorated halls shall crumble before your eyes. To be no more.

Civil unrest will be upon the people as they scatter for food. Fear and confusion will consume those who are not firmly grounded in Me, the God of Jacob.

As war breaks out in the middle east look upon your doorstep America. For there is trickery in your leaders to rise up against my Holy Land, Israel. Deception has already befallen upon them. They gather in meetings, their ears are deafened by the father of lies.

My children prepare for the battle. Prepare now. You shall see disasters one after another, do not be moved. The time has come – cleanse yourselves of all unholy acts. Repent of all sins. Do not hold back. Seek my face this day. No time for idleness, pray for all. Pray! The battle in the heaven-lies has been ongoing and shortly will be poured down onto the lands. Take refuge in Me Oh saints! Obey Me, Jehovah. Cleanse all unrighteousness, lies and deceit. Every bitter root within you, cast it down through the power in the name of My son Jesus. I see, I hear, lying lips everywhere. Stop I say for liars with devious plans will not be entering my Kingdom. Time of preparation is over. You must be doers of the Holy Word. Reap in the harvest now. I see family members of ones household filled with unbelief, as the believer in the same household turns their cheek. Hard work and labor is at hand. Do all and when you have done all, stand firm on the foundation of the Holy Scriptures.

Prophetic Warning September 20, 2013

I, the Lord of Hosts, look to and fro upon the lands and see divisions and discord amongst my people. I have raised each of you up to join together in love, not division. Yet, it is on every four corners. For those of you who feel you are mightier than I, the Great I AM, to publicly stone your fellow brethren – you shall see my anger come upon you. No tolerance for these actions! Repent now I say and seek forgiveness. Go to your brother to your sister and repent now! Such falling away I see from the grace abound given freely unto all. Yet your bitter roots are exposed. What is done in secret, I see ALL. Nothing is hidden from I, the God of Abraham, nothing! I see your secret attacking, evil plans and they shall backfire upon you. If a brother or sister is causing division, correct them. If they continue, dismiss oneself from their presence. It will be better for the unsaved, than the saved on that day I visit upon you.

Oh ye people, what commissions this evil within you? Crucify the flesh, I say. Let your speech always be seasoned in love to one another. Not discord. Those who continue in these actions, will be accountable to Me, your God for every action, thought and word. Woe unto you when you stand before Me.

Strong winds are coming upon the households in the Midwest of America. Unsurmountable rains bearing down on the East Coast. No shelter shall be found in the west. You mockers who say there is no GOD, shall see My face upon you!

Explosions and dividing of the land will ensue from the Gulf of Mexico up to the Great Lakes – Oh America. Today is the day of salvation! Cry out to Me I shall hear you. Raise your hand to Me, I shall lift you up. Much sorrow is coming – much sorrow.

A nation filled, over filling with sins, laughing in the face of evil. Serving the father of lies, the prince of the air, shall serve him for all eternity. Those who are Mine, who take your cross, carry it daily. Love without condition, praying always to I, the God of Jacob, hear you oh My children. Nothing is done in vain I say. Stand strong in Me as you witness the destruction unfold, do not lose hope. For much hope will be lost to those not firmly grounded in I, the Great I AM. Stop the bickering I say! My ears have grown cold to the heartless idle talk. Who is greatest among you? None I say!

Your terrains have flooded, yet you still do not see. The earth is breaking, yet you still do not see. Blinded fools!

As Israel is being separated, I shall separate your land, America. You cry out to me Abba Father save us, yet you do nothing. Arise now. Take up your shields, stand firmly as written in the Holy Word and commence the war that is upon you.

Monday night while I was in prayer, I had a vision. In this vision, I was looking out of a small window with no glass. I was overlooking the city of Jerusalem. At first glance, everything looked normal, like any average day. I then took a second look, and instantly, everything became chaotic. I saw buildings burning and people running. The vision then ended.

I asked the Lord what was it He was showing me; He then replied, "Jacob's trouble has begun."

A week or so before that, I had a dream. In this dream, John Kerry was standing before what seemed to be either the senate or congress (I couldn't tell which one it was). He was angry and shaking his fists in the air. He said the we (the United States) will no longer support Israel. He said that Israel had made a mockery of his peace talks by sending him a prostitute and a bottle of wine as a gift. Somehow I knew in the dream that Kerry's secret life had been uncovered and he was made into a mockery. My dream then ended.

For those of you who do not know, peace talks have begun again between Israel and Palestine. According to the news, both sides have agreed to the talks over the next nine months. The talks started a few weeks ago in the month of July. In prayer last night, the Lord told me to count the months out. I did this four times not understanding what I was looking for. Then it hit me: nine months from July is next April. Next April is when the first of the blood-moon tetrads appears. It is also the month of Passover.

## Something REALLY Big is about to happen!

Reports

August 18, 2013

When I heard US Secretary of State Kerry say that the two state "solution" will be decided in 9 months, something clicked in my spirit. This caused me to question why he would choose 9 months? As I was in Turkey last week the thought kept coming to me; why 9 months? Why not 6 months -or a year?

I recently found a message by John Hagee having to do with the coming four blood moons. To hear his message <https://www.youtube.com/watch?v=b7hcTwhrKIs>. Then the constant thoughts of the 9 month period began to make some sense. But first, let me give you a quick overview of the four blood moons. In my lifetime it has only occurred twice on Passover. The first time was in May of 1948 and we know what happened in Israel on May 14th 1948. For the first time in over 2,000 years God re-gathered His Jewish people back to the Land He promised them in an everlasting covenant and the Nation of Israel was born. Heralding the Second Advent of our Messiah Yeshua – and starting God's timetable once again in Israel – the end-times countdown began. If you want to know the significance of the time in which you now live, keep your eyes on Israel. God loves Israel. Yet her enemies have yet to learn this eternal truth.

### First Advent

Yeshua died on the Feast of Pessah, (Passover) was buried on the Feast of Unleavened Bread, and rose on the Feast of First Fruits. Fifty days later the Holy Spirit was sent on the next feast in succession – Shavuot (Pentecost). This was what is referred to as the "first advent". The first three feasts follow each other, in the first three days, (Pessah, Unleavened Bread, and First Fruits) and we celebrate them all within an 8 day period. On the 50th day, from the second day of Passover "Pessah". The second day of the Feast of Pessah was the Feast of First Fruits, on the Jewish calendar called "Omer" we have Pentecost "Shavu'ot" leaving only the final 3 Feast to be fulfilled. "Rosh Ha Shannah, Yom Kippur, and Sukkot".

## Cosmic Disturbance

*"My daughter, keep trusting in Me to reveal Myself more fully to you in these dark times. The cosmic event is truly upon you now and you will receive more warning in the coming days to give you time to prepare for this event."*

*There is more coming, My child, than you could possibly imagine, but there is to be no fear in your heart for I have fore-ordained everything that is to come to pass. My children will be infused with power from on high and through My Holy Spirit will be sent out as witnesses to bring in the last harvest before the door closes.*

*Before this is to take place, you will experience a sudden cataclysmic event caused by a cosmic disturbance that will be seen and heard all over the world. When this event comes to pass you will know that the three days of darkness are upon you. You must go to your homes and stay indoors. My angels will protect you from harm. There will be time between the cosmic event and the darkness falling for you to go to your homes with your families and remain safely inside. I will be giving each one of you specific instructions through My Holy Spirit at that time. My angels will be surrounding your homes and properties and keeping you safe from the evil one and the coming darkness.*

*This is all I am giving you now. I will give you more later as the time for this event comes closer.*

to me

Hello John, on tuesday night i emailed this to 5doves but it still isnt posted.  
this is the latest that Victoria described she seen On Sept 16/13 For this verse  
Revelation 6:12 (KJV) "And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake"

my daughter tells me she sees America, she is above it looking down.

I drew a poor outline of America and asked her to point out and doodle in the map where did you see the

Earthquake in the map i drew and she drew lines where it happens.

I was California but not expecting her to point to the center of the map also. I dont know if one EQ triggers another or if they both go at the same time.

In the center she said the ground opened up and she seen people and buildings going into the ground, and water came in to where the ground opened up. To the left she also saw the ground breaking and going into the Ocean. There is no date in this vision.

Is prophet Owour's latest prophecy of a **very very Historic** and **very Massive** EQ in America connected to this vision i don't know. And he says this earthquake will happen very very soon.

## ***I Speak To the Wicked Now***

*My people must get ready. A storm is brewing you know not of that will strike suddenly - with no warning - and take many lives.*

In my spirit, I saw terrorists plotting when He spoke this.

*The Evil One has infiltrated your nation, and more are coming here. In times past, I protected your borders from many threats and dangers you never knew of, for I stopped them, but you have chosen to walk away from Me, the Lord of Hosts.*

*You have chosen your own way over Mine, so I will leave you to your own devices, your own protection. I speak to the wicked now, for My own I shall protect and provide for if they obey Me in all I say to do.*

NOTE: Remember, God cannot protect any of us who are not willing to obey Him.

*Get ready, My people - store My Word up in your hearts where the Evil One cannot take it from you. Hold tightly to My peace and let no man take your joy, for these things shall sustain you through what is coming.*

*In the end, the wicked shall be destroyed in their own traps, but for a time, they shall prevail over My people. Do not lose your faith in this time, My people!*

*Remember I have told you these things.*

*Finish your race strong.*

### Prophetic Message September 09, 2013

A time of awakening is at hand. Yet, so many hearts are hardened and far from me sayeth I, the Lord of Hosts. Time is short, days are few where all shall see catastrophes globally. The gift of discernment, I have freely given unto all. Though many are blinded by the lies of man. Raise up my children, do not look at the natural, but the supernatural. I, Jehovah say the area they are delivering to with supplies on hand will not be a place destroyed. Yet a safe place. Do not be fooled. Why would food, water, medical aide be provided if a place is to be destroyed? No! Be wise, search deeper within. Pray out to Me for wisdom and I shall grant it upon you.

Yes, war will ensue. Great war! The land, the land oh America is an open wound. I the God of of Abraham have poured down healing and it has been rejected. The Holy Spirit has been rejected in family homes, churches and upon the streets. I have shaken the earth and the warnings are ignored.

Write these words oh child as I Jehovah speak forth.

Fires shall consume your cities, your crops will be no more. Increase in animal deaths due to airborne viruses, that no man shall cure. Division and discord as never before seen. Churches shall fall. Woe unto you Priests who teach a false doctrine in My name the Great I AM. Your decorated halls shall crumble before your eyes. To be no more.

Civil unrest will be upon the people as they scatter for food. Fear and confusion will consume those who are not firmly grounded in Me, the God of Jacob.

As war breaks out in the middle east look upon your doorstep America. For there is trickery in your leaders to rise up against my Holy Land, Israel. Deception has already befallen upon them. They gather in meetings, their ears are deafened by the father of lies.

harvest now. I see family members of ones household filled with unbelief, as the believer in the same household turns their cheek. Hard work and labor is at hand. Do all and when you have done all, stand firm on the foundation of the Holy Scriptures.

I speak forth this day, what you shall witness, do not be shocked nor moved. For it has been written and it shall come to pass.

Your leader oh America shall fall. Yet he knows his destiny and fears not for he serves satan. As do many who govern the land. United States, your government shall fall – will be overtaken. Evil plans that have been planned long ago are coming into fruition.

Yes, death shall be surmounting. Streets filled with the stench of death. Those who have turned their backs and mocked I, Jehovah, will be weeping and begging for mercy. It shall not be found.

Indiana, keep a watchful eye. For explosions will engulf your area. Movement of military done in secret. Traveling to the northern border so no one may enter in or leave. So shall it be on all borders of the United States of America.

Firmly secure your anchor in your faith. For this will be your sustaining wind. Though ye many will perish in the days to come. Yes loved ones who have turned a blind eye.

Be wise my children to what you hear. The lies presented are overflowing the cup the evil ones drink of. When you hear oh disaster will strike here – it is false I say. Keep wide awake, sober and diligent. The enemy is prowling around to devour those whose faith is weak. Strengthen your armor now.

Montana, there is no safe zone. Do not be deceived. For those in power know all and will destroy.

Oh don't you see America, don't you see? The sins committed are now turning against you. Yet you still do not believe. I, Jehovah, my hand is removed. Protection is no more for those who have walked in evil. Those who say no judgment shall be cast upon this great land, you are fools. Desiring a great escape as your fellow brothers and sisters suffer. Selfishness has no place in Me. My back is turned on those who have hoarded your materialism and money. Not helping the poor. You shall reap what you sow. I the God of Israel give these warnings this day for perilous times are approaching. Those who have stored water, share with your neighbor. What you give unto others shall be given unto you, I seek a heart of giving, not greed! Those who have come in My Name, yet have caused your fellow man or woman to stumble - a heap of coals shall be upon your heads. I despise those who abuse those who are unfortunate and in need. You shall see my anger upon you. You shall not escape.

Tennessee prepare, for the rocks will crumble. The ground shall sink.

Georgia, massive craters shall be befallen upon your homes, your land.

The beach fronts of Florida, touch the sand no more. For poison has seeped into the oceans spreading up into the sands. Terrible infections of the skin with no cure.

Louisiana, the massive hole of waters will triple in size. Collapsing nature and homes in its path. Radiation is seeping directly under the earth. Soon your state will be no more.

Colorado, Arizona – rainfalls will overtake you, mud slides will sweep away your earthly possessions.

New York City, where the tower of evil stands. A battle will be upon you. Not one of flesh, but of spirit. The souls mourn for the evil that is erected tall, crowned with the hand of satan.

Plant explosions, bridges collapsing, earth separating will be found to the east, to the west, to the north, to the south. I the God Almighty throw down hailstones the size of boulders.

I am entering your land oh America for your mockery,  
your sins, your detestable acts seen by all men. The  
mockery of my saints will be no more.

As your military rises up, the heavenly army rises  
too. Who can fight Me the Great I AM? None I say!

Repent, repent oh America for your time of trial is at  
hand. Your man made shelter shall be destroyed by my  
Mighty Breath. The warring angels have been  
stationed. My sword of judgment is swift. Those who have  
firmly rooted their hearts, their spirits in the One True  
Living God, shall find safety in the days ahead. Stay pure  
before me always. Place the blood of the Lamb above your  
doorways, cry out to me Abba Father, I shall hear you,  
shall spare you against the evil schemes. Do not be swayed  
nor step into fear for what you shall see. As it is written, is  
to be. Woe unto you when found on that day in your  
wicked sins. Mercy shall not be found.

# PADRE PIO THREE DAYS OF DARKNESS

*These Last Days News* - December 18, 2012

## Padre Pio and the Three Days of Darkness...

From translation of a copy of a personal letter written by Padre Pio addressed to the Commission of Heroldsbach appointed by the Vatican that testifies to the truth and reality of these revelations on the *Three Days of Darkness* given by Our Lord to Padre Pio, a Capuchin priest who bore the stigmata.

### JANUARY 28, 1950

Keep your windows well covered. Do not look out. Light a blessed candle, which will suffice for many days. Pray the rosary. Read spiritual books. Make acts of Spiritual Communion, also acts of love, which are so pleasing to Us. Pray with outstretched arms, or prostrate on the ground, in order that many souls may be saved. Do not go outside the house. Provide yourself with sufficient food. The powers of nature shall be moved and a rain of fire shall make people tremble with fear. Have courage! I am in the midst of you.

### FEBRUARY 7, 1950

Take care of the animals during these days. I am the Creator and Preserver of all animals as well as man. I shall give you a Few signs beforehand, at which time you should place more food before them. I will preserve the property of the elect, including the animals, for they shall be in need of sustenance afterwards as well. Let no one go across the yard, even to feed the animals--he who steps outside will perish! Cover your windows carefully. My elect shall not see My wrath. Have confidence in Me, and I will be your protection. Your confidence obliges Me to come to your aid.

The hour of My coming is near! But I will show mercy. A most dreadful punishment will bear witness to the times. My angels, who are to be the executioners of this work, are ready with their pointed swords! They will take special care to annihilate all those who mocked Me and would not believe in My revelations.

Hurricanes of fire will pour forth from the clouds and spread over the entire earth! Storms, bad weather, thunderbolts and earthquakes will cover the earth for two days. An uninterrupted rain of fire will take place! It will begin during a very cold night. All this is to prove that God is the Master of Creation. Those who hope in Me, and believe in my words, have nothing to fear because I will not forsake them, nor those who spread My message. No harm will come to those who are in the state of grace and who seek My mother's protection.

That you may be prepared for these visitations, I will give you the following signs and instructions: The night will be very cold. The wind will roar. After a time, thunderbolts will be heard. Lock all the doors and windows. Talk to no one outside the house. Kneel down before a crucifix, be sorry for your sins, and beg My Mother's protection. Do not look during the earthquake, because the anger of God is holy! Jesus does not want us to behold the anger of God, because God's anger must be contemplated with fear and trembling.

Those who disregard this advice will be killed instantly. The wind will carry with it poisonous gases which will be diffused over the entire earth. Those who suffer and die innocently will be martyrs and they will be with Me in My Kingdom.

Those who disregard this advice will be killed instantly. The wind will carry with it poisonous gases which will be diffused over the entire earth. Those who suffer and die innocently will be martyrs and they will be with Me in My Kingdom.

Satan will triumph! But after three nights, the earthquake and fire will cease. On the following day the sun will shine again, angels will descend from Heaven and will spread the spirit of peace over the earth. A feeling of immeasurable gratitude will take possession of those who survive this terrible ordeal-the impending punishment-with which God has visited the earth since creation.

I have chosen souls in other countries too, such as Belgium, Switzerland, Spain, who have received these revelations so that other countries also may be prepared. Pray much during this Holy Year of 1950. Pray the Rosary, but pray it well, so that your prayers may reach Heaven. Soon a more terrible catastrophe shall come upon the entire world, such as never before has been witnessed, a terrible chastisement never before experienced! The war of 1950 shall be the introduction to these things.

How unconcerned men are regarding these things! which shall so soon come upon them, contrary to all expectations. How indifferent they are in preparing themselves for these unheard of events, through which they will have to pass so shortly!

The weight of the Divine balance has reached the earth! The wrath of My Father shall be poured out over the entire world! I am again warning the world through your instrumentality, as I have so often done heretofore.

The sins of men have multiplied beyond measure: Irreverence in Church, sinful pride committed in sham religious activities, lack of true brotherly love, indecency in dress, especially at summer seasons...The world is filled with iniquity.

This catastrophe shall come upon the earth like a flash of lightning at which moment the light of the morning sun shall be replaced by black darkness! No one shall leave the house or look out of a window from that moment on. I Myself shall come amidst thunder and lightning. The wicked shall behold My Divine Heart. There shall be great confusion because of this utter darkness in which the entire earth shall be enveloped, and many, many shall die from fear and despair.

Those who shall fight for My cause shall receive grace from My Divine Heart; and the cry: "WHO IS LIKE UNTO GOD!" shall serve as a means of protection to many. However, many shall burn in the open fields like withered grass! The godless shall be annihilated, so that afterwards the just shall be able to stand afresh.

On the day, as soon as complete darkness has set in, no one shall leave the house or look from out of the window. The darkness shall last a day and a night, followed by another day and a night, and another day--but on the night following, the stars will shine again, and on the next morning the sun shall rise again, and it will be SPRINGTIME!!

In the days of darkness, My elect shall not sleep, as did the disciples in the garden of olives. They, shall pray incessantly, and they shall not be disappointed in Me. I shall gather My elect. Hell will believe itself to be in possession of the entire earth, but I shall reclaim it!

Do you, perhaps, think that I would permit My Father to have such terrible chastisements come upon the world, if the world would turn from iniquity to justice? But because of My great love, these afflictions shall be permitted to come upon man. Although many shall curse Me, yet thousands of souls shall be saved through them. No human understanding can fathom the depth of My love!

Pray! Pray! I desire your prayers. My Dear Mother Mary, Saint Joseph, Saint Elizabeth, Saint Conrad, Saint Michael, Saint Peter, the Little Therese, Your Holy Angels, shall be your intercessors. Implore their aid! Be courageous soldiers of Christ! At the return of light, let everyone give thanks to the Holy Trinity for Their protection! The devastation shall be very great! But I, Your God, will have purified the earth. I am with you. Have confidence!

*"You are going to be given much wisdom in the coming days, My daughter. You and all My children, who have honoured Me in their hearts, will be given much wisdom to negotiate the paths ahead. There is much wisdom coming down from the Father of Lights to His children. Be receptive to the Father's gift.*

*Heed My words, dear children. I am coming soon. I am coming very soon! I am coming sooner than many think. Be prepared in your hearts, My children, for I do not tarry! I am ready ~ I await My Father's command! I am coming with My angels to snatch away My Remnant Bride. My precious Bride ~ you are my prized possession!*

*Your wisdom will serve you well in bringing in the last harvest, after you are infused with My Holy Spirit during the coming days of darkness, which are fast approaching.*

*Pray for the salvation of your families and all those you know who don't yet know Me as their Lord and Saviour. This is what I am asking of you, My dear children, at this time. Keep praying for the lost until I come!"*

## **PLAY - Sara Fatou Traore - Special Word from the Lord - Heavenly Ranks**

Children of the Most High, this is your Lord and Savior speaking, Yeshua Ha Mashiach.

Dearest beloveds, I speak now of the glory that

awaits you - all. Kings and Queens are amongst you. Servants of the highest order. For there are heavenly ranks just as there are upon earth. Each shall have his own position with its specific dominion, authority, prestige and intelligence. Each shall perform according to the glory bestowed unto His name, according to what has been prepared before the foundation of the world. Each has a purpose, a position irrevocable, ordained by God from before the foundation of the world ( \* in the video message I completed this line as "from the beginning"). Each has his own title and function.

Beloveds, magnificent and never-ending is My kingdom and all have a unique place within it. That which has been destined shall be. You shall come into that which is reserved for you from the beginning. That which is prepared for you now. You shall each be tried and rewarded for your good works, established by your deeds and conduct upon the earth. Riches and great wealth are in store for many - **many of whom shall**

**be returning to their former estates.**

Children, there is much you know not about what lies before you in My kingdom. Truly profound it is. The Heavens, My Kingdom is not as simple as many conceive. As vast as My creation - so is the remarkable organization and bodies of rule that be. In the New Earth I shall reign with My Father from the New Jerusalem that descends down from Heaven, Mount Zion.

Children, the whole earth shall be filled, organized by regions and elected powers, all flourishing, guided and upheld by the central everlasting authority that is I. Believe Me when I tell you, the Heavenly Kingdom is a reality truly you can not fathom. Understand now these things spoken unto you for it is but a glimpse of the way of life ahead of you. My kingdom comes children. Awaken to greater knowledge of the Promise before you. Love,

LORD YESHUA

This war starting in Syria is the war that will spark the [rapture](#) and bring about the tribulation hour. We are now in the calm before the storm. And the proof of this can be found through [Biblical prophecy](#) in the pages of the Holy Bible. Get ready as this war will bring about the beginning of the end.

Isaiah 17 is the burden against Damascus. "Behold Damascus will cease from being a city, and it will be a ruinous heap" The first part of Isaiah 17 seems to say it all. Never before has Damascus, Syria become a ruinous heap. But it is about to, as soon as the US decides to

Strike. Consider the weapon of choice by the US. The Tomahawk missile weighs around 1200 pounds. One of these could surely pack a punch. And as of now hundreds of targets are being set up in Syria, with Obama asking for target extensions. The reason for this being, the US has only a vague idea where the weapons are being stored. And because there has been a significant delay in the strike, the enemy has had time to move these targets to more undisclosed areas. So bombing multiple areas may be the plan as more coverage would ensure that these weapons and capabilities are taken out. This is a sweep by the US military if you will, and the probability of Damascus becoming a ruinous heap out of this strike on Syria, is very high!

# DANIEL 12 = RAPTURE

## DANIEL 11:40-45 MUST COME TO PASS

### DANIEL 11:40 FULFILLED

Daniel Chapter 11 verses 40-45, seems to paint a much broader picture of the times we are currently living in. It even gives us an idea of who the antichrist is. Notice how these verses are referring to the very end of days, just before the rapture takes place. So verses 40-45 must be fulfilled before the rapture happens. As the very next chapter is about Micheal the Archangel standing up. When Micheal stands up, the rapture occurs. So lets take a look at what must come to pass before Micheal stands up in Chapter 12 and the rapture occurs, by reading Daniel Chapter 11, verses 40-45, and we can determine if each verse came to pass or not.

1) Daniel Chapter 11, Verse 40: "At the time of the end the King of the South shall attack him; and the King of the North shall come against him like a whirlwind, with chariots, horsemen and with many ships; and he shall enter the countries, overwhelm them and pass through." Since Obama became President many nations have been overthrown. Obama may not have been directly involved, but now there is evidence that he had been helping the Muslim Brotherhood and they had overthrown many nations during the Arab Spring. In fact the Syrian rebels in which the US was supplying weapons to are members of the Muslim Brotherhood. Morsi was also a member of the Muslim Brotherhood in which Obama also supported. The King of the South is Saudi Arabia. When Obama stuck up for Morsi being overthrown, he said the US would no longer give funding to Egypt. But Saudi Arabia said they would give the funding that Obama refused to give. In this way the King of the South is going against him. The word him here is referring to the antichrist. Although Saudi Arabia has no military might, they could cause a financial hit as the US gets most of the oil from that region. Just a cut in supply, or a very small price hike could hurt our economy greatly. The King of the North is Russia, and they have been threatening Obama for some time over Syria. Even now Russia is threatening to retaliate if the US strikes Syria. So Daniel Chapter 11 Verse 40 has been fulfilled. ✓

## DANIEL 11:41 FULFILLED

2)

Daniel Chapter 11, Verse 41 "He shall enter the glorious land, and many countries shall be overthrown; but these shall escape from his hand: Edom, Moab and the prominent people of Ammon." Obama entered the glorious land, Israel just before Easter of 2013. Many countries were overthrown as explained in Daniel Chapter 11, verse 40. Edom, Moab and Ammon are Jordan. And if you recall, during the time of the Arab Spring uprising, Jordan did escape. It was not overthrown, as they still have the same leader. It may be because the Jordanian leader complied to Muslim Brotherhood demands. So Daniel chapter 11, Verse 41 has been fulfilled. ✓

## DANIEL 11:42 FULFILLED

3)

Daniel Chapter 11, Verse 42 "He shall stretch out his hand against the countries, and the land of Egypt shall not escape." During the Arab Spring uprising, Egypt was overthrown. Mubarak was ousted and the military took over. Mubarak was replaced by Morsi who is a Muslim Brotherhood member, which played right into the antichrist's hands. So Daniel Chapter 11, verse 42 was fulfilled. ✓

## DANIEL 11:43 FULFILLED

4)

Daniel Chapter 11, Verse 43 "He shall have power over the treasures of gold and silver, and over all the precious things of Egypt; also the Lybians and Ethiopians shall follow at his heels." For a short time, after Mubarak was overthrown, the money and treasures of Egypt were in the hands of NATO. This was until the military took over. As we know NATO was formed by the US and it is the US that is still in charge of it. So we can say that the Antichrist did, for some time have power over the things of Egypt, and possibly still does through the Muslim Brotherhood. The Lybians and Ethiopians have threatened to cut off water supply to Egypt. Not only that, but they are the home of radical terrorist groups working in the region. So Daniel Chapter 11, verse 43 has been fulfilled. ✓

# DANIEL 11:44 IN PROGRESS

Daniel Chapter 11, Verse 44. "But news from the east and the north shall trouble him; therefore he shall go out with great fury to destroy and annihilate many." The east is China and Iran, the north is Russia. The trouble for the antichrist has to do with all the nations he has overthrown, but there is one he so desperately wants but cannot get. This is Syria. And the reason he can't get Syria is because Russia, China and Iran are protecting it (the Kings from the East and the North). This troubles the antichrist greatly! He has a need to overthrow Assad and bring in a Muslim Brotherhood leader for his agenda, which most likely has to do with a New World Order or peace agreement. Then because Syria is troubling him, he goes out with great fury to annihilate many. This is clearly speaking of a war that will take place over Syria. The fall of Damascus, the Isaiah 17 war. But Iran and Syria have threatened to strike Israel if Syria is attacked and this will lead to Psalm 83 war, another war prophesied in the Bible in Psalm 83, Verses 2-5. "For behold, your enemies make a tumult; and those who hate you have lifted up their head. They have taken crafty counsel against your people. And consulted together against your sheltered ones. They have said, come and let us cut them off from being a nation, that the name of ISREAL may be remembered no more." DANIEL CHAPTER 11, VERSE 44, IS CURRENTLY IN PROGRESS AND IS ABOUT TO BE FULFILLED.

# DANIEL 11:45 HE SHALL COME TO HIS END

## (BABYLON DESTROYED)

Rapture - US NUKED!

Now the last verse which must be fulfilled before Micheal stands up in Chapter 12. Daniel Chapter 11, Verse 45. "And he shall plant the tents of his palace between the seas and the glorious Holy Mountain, yet he shall come to his end, and no one will help him." This verse is suggesting that the antichrist will go there for war.

Tents are set up by the military, for medical needs and so forth during an operation. But these tents may also mean to be stationed there temporarily. When it says that the antichrist shall come to his end and no one will help him, this may be suggesting that this battle was more than he thought it would be therefore, he is beginning to lose. No one will help him, because they simply can't help him, they have turned their back on him. This may also be suggesting that the Antichrist will turn to another direction, desperate measures in the name of peace. This would be why the rapture takes place at this time and why Micheal stands up in Chapter 12.

**(Warning Not a Rapture Believer)**

A Vision of Coming Judgment To America In the Last Days by De...

<http://youtu.be/z1dL5hThctQ>

## (Nuke First, Harvest Next, Cont'd)

9:35 to 10:07= The Lord wants me to share this with you. It is not defeatism he is sharing. 9:42 "I believe in the midst of what is coming to the world, and particularly to the United States, I believe in the midst of that God is going to move in a powerful way, and He is going to pour out His Spirit, and through these judgments many people are going to learn righteousness. So I do believe there is a revival coming to the United States, but it will not be until there is a mushroom cloud in a US city".

10:14 to 10:43= when he was 16 yrs old he had a dream and it was so vivid that God gave it to him 2ce. He sites when Joseph interpreted Pharaoh's dream, he had it twice, 2 different ways, to tell him what God is about to do and that it will shortly come to pass. 10:46 to 12:52 his dream happened in 1984. Then in Nov 2012 he had a dream where he was standing, looking down the east coastline, and he saw a massive explosion in a city. Does not know the city, but he was looking north, down the eastern coastal line. In the dream it was his job to coordinate response & he had a direct line to pres. Obama. As soon as the detonation happened, & he was just beyond the blast radius, he called Obama like they had each other's cell phone numbers yet it looked like a (military) radio he was talking on, and he asked him, "what will be our response?" and Obama stopped talking to him. He thought the radios must have gone out, so he knew where he was & ran across through the city, & ran to where pres. O was. It was in a large cafeteria, and when he reached him w/in a few feet he again yelled, "what is our response?!" In the dream he KNEW that the response from the United States was going to determine whether we survived this or not. He would not even lift his head up, his was looking down at his food, and it was then I knew HE WILL DO NOTHING. That he is going to let this happen. And I knew in the dream that it would be the complete fall and destruction of the United States of America into chaos. **\*\*This matches the pastor from Nov/Dec that had the bo/wh dream shooting the eagle, the gavel on the desk & he will remain complacent as the nukes come!\*\***

#### ***You Are Nothing Without Me***

*America is in trouble, for she has gone the way of the harlots and no longer feels any shame for her misdeeds. She is prideful and boasts of her great power and for this reason, I shall cast her power to the ground and it shall become as nothing. No longer shall she lord her might over the poor and downtrodden.*

*America boasts of being a savior of others, yet she cannot save herself. She has not rescued herself from moral decay and the filth of her sins. Nay, she proudly displays them, passing laws for all to see her shamefulness.*

*You have turned from My ways, America, and now I shall turn from you. You will see that you are nothing without Me, the God of Israel. Your sins have become your gods, so I will give you to them, that you may see what you have chosen.*

*Those who lead you shall err and lead you into destruction, for this is My plan.*

*Then shall the people of America know that I am God.*

How My ways and ways are revealed in all forms, in all aspects of human life. Children, you shall be no means lack any good thing, what I have promised, spoken to you in My word.

You are Mine, you belongeth to Me - the Kingdom of God. I shall in all ways provide for you for I make the way. I know your end, your life - your journey is in the palm of my hand. Jealous for you I AM.

Not one thing escapes Me, that is - the will of your enemies, the corruption that abounds, every wile of the devil. Believe that I know you more than you know yourself. I AM God. I created you. I have greater things planned for you, a most profound destiny that awaits you.

Children rest now upon My promises. Wait diligently upon Me and fret not over that which you can not control. My peace is your comfort, it establishes you in Me.

My desire is for your complete surrender, for you to live in outstanding submission to Me, all that I AM. This is where My beauty lies, this is the place of My holy sanctuary - the mount of Zion.

Children I go before you. I make your crooked paths straight. I help you to climb the great heights, to walk though all valleys. I calm your troubling waters. It is I whom makes peace rain and the sun shine. I AM your day, your morning light, your dawn.

Resist Me not but move with the directions of the spirit. Remain harnessed for there are greater things to be done, more of the extraordinary to unfold. Beloved I AM with you always - from your waking to your eyes

shutting close at sleep - I AM with thee. By your side.  
Watching over you. Guiding you. You are covered.  
You are safe. You are protected.

No harm shall befall upon thee My little ones. Love,

Dearly beloved children, I come to you now with words of truth.

The time has come for the amassing of my wrathful judgment upon the world. For sometime now it has been spoken, for sometime now it has become ever more clear - believe Me beloveds you will witness and see calamity and fall out come to diverse nations. Most significantly - Damascus.

There will be war and it shall touch all nations - all tribes, all tongues, all peoples shall be affected, if not hit. On a global scale shall these evils be. Children, it comes now - rockets, fire, nuclear attacks, biological devastation. Multitudes destroyed, multitudes thereby brought into repentance.

Children of the Most High - seeing in believing. My word shall come to pass. All I have spoken shall be revealed as true. There will be no turning back. No recovery, only a greater descent into chaos and destruction.

Those who are Mine will be safe, covered by My blood, they will be kept and protected. Redeemed and therefore delivered from such atrocities. They have faith, faith that has set them free and brought them into new life, under the shadow of My wings. Merciful I shall be unto them for they are escaped, My wrath is not appointed unto them.

Children, each has there own end but My bride shall be rescued, delivered unto Me in due time. Upon My Ark they are. in My shelter they shall dwell until these calamities be overpast. Until the moment of my call, the sound of the last trumpet.

You My beloveds must continue to warn and make known these biblical prophecies for war is come. It is upon you. America shall be made desolate and every nation which comes against the apple of My eye.

I warn you now - speak. Tell them. Are not the signs ever more clear? Believe Me children, ashamed you shall not be for declaring My truths. Speak. Sow. My words will not return void. Do My will children. Now is the season.

### TREASURE IN EARTHEN VESSELS

Posted: 24 Aug 2013 01:11 PM PDT

***My beloved, do you not know that I feel your weariness? I feel your pain, your desperation, and your longing to join Me in the Kingdom that is your true home. I watch the struggles you endure, and see how increasingly difficult the days are becoming for you as gross darkness overtakes the earth. You have been strategically placed, each and every jewel that you are, for this incredible time in your history. I have known you since before the foundation of the world My children. Seek to understand your place here. I have molded you in these earthen vessels to minister to the lost and to be My hands and My feet at this time. Such treasure you will find indwelling in your hearts, My precious vessels when you fully surrender to My will alone. The knowledge of the glory of God, His light, and His love is made manifest in your weakness and your brokenness. Empty yourselves completely. Hide not your light from those who seek Me for in this way, many will come to know true peace and joy that is everlasting. Your life is not yours to live, it belongs to Me. Although it may appear outwardly that your vessel can not withstand the strain, this is not so, as I have designed you to carry out My Kingdom purposes for this time. Do not be anxious or dismayed children for in the world you will have tribulation but I have overcome the world.***

### The Clock Has Started Ticking

Posted: 16 Aug 2013 07:36 PM PDT

*"Not much longer now, My daughter, and all that has been prophesied will come to pass. Stay focused on Me that I may lead you in these coming days, for you will need no other light but Mine, no other communication but Mine. Hear My word well, My children, for I am coming for My Bride. All that has been prophesied will come to pass and I will give you more warning as each event approaches. There is a little time left now, before My Warning comes upon mankind, for you to prepare your hearts. Fear not, for I will be with you. There will be a short span of darkness you will need to walk through when you will not feel My presence, but remember to walk by faith and not by sight, for I am surely with you. My dear children, I so long for you to enter into Paradise with Me for eternity.*

*The clock has started ticking, My children. The events will come in the order I have established. Wait My timing. Wait on Me with a humble and contrite heart, My dear children, trusting in My deliverance. There is nothing more for you to do now but await My timing. All is well, all is in My hands and nothing shall prevent My Father's will from being manifest in the earth.*

*Your Bridegroom ~ Your Jesus."*

## Great Troubles Are Ahead...

### *Word of The Lord Through Prophetess Annette Bridges*

Tuesday morning, while I was in prayer;

*The Lord spoke to me and said; "Listen to me, and listen to me carefully. In this hearing, warn my children that terrible times are ahead. What is ahead can instill enough fear to cause those who are not solid in me to turn away. Tell my children that they are not spending enough time with me. They are not being still enough to hear my voice. My children are too busy doing this and that with the cares of the world instead of spending time with me. Therefore I cannot instruct them on what to do and how they can stay safe until I call my bride home."*

I responded with, "Lord, give me scripture to confirm what you are telling me."

The Lord replied, "Read John 17."

*He continued; "As I prayed to my Father to keep those He had given me, they (my children) too, need to pray also to me, so that I in turn can cover them and use them to cover others. Tell my children they are to go into the world and make disciples of men; for the harvest is plentiful, but the laborers are few."*

<http://thebrideofjesuschrist.blogspot.com/>

## And Then I Come for You!

"Daughter, take heart, for I know you are concerned about what is coming. This event of which I have spoken is a cataclysmic event that will affect all of mankind. You, My Bride, will be protected but you will see many things you would rather not. This is why I keep telling you to keep your focus on Me, your Lord and Saviour. My Bride will be used in a mighty way to bring in the Last Harvest before I bring you all home to Me. So many of you are anxious and concerned and want to know when ... when ... when ... this event will come! But, My children, you have taken your eyes off Me, your Lord and Saviour and your Provider! I am to be your First Love and your trust must be entirely in Me to provide for you and to protect you, no matter what happens. Yes, I have said, I will give you warning - so fear not. This event has been planned since the creation of time. Nothing will prevent My will being done on Earth as it is in Heaven.

Remember that I told you there will be a short span of darkness you will need to walk through before I come for My Bride, and there will be a time when it may appear that I have forsaken you ~ but nothing could be further from the truth! No matter what happens and no matter how you feel, I have not forsaken you and never will forsake you! It will be at this time that you must strengthen your faith in My Word, the Bible, and in My personal words spoken to you. Just because you may not be able to feel Me for a short span, know that I am with you, regardless of your feelings, and I will bring you through.

There is so much coming, My daughter, as I have told you. Know that when things begin to happen, they will come in quick succession and there will hardly be time to catch your breath in between these events. Know that My time has come for My wrath to be poured out on the Earth because of the vileness of her sins. But you, My precious Bride, will be protected.

Remember too, I have told you, I have work for you to do. My Holy Spirit will infuse you and you will go out and bring in the Great Last Harvest and then I come for you, My precious children, My beautiful Bride ~ and then I come for you!"

Behold I Come

### I WILL ROAR

Posted: 11 Aug 2013 03:40 PM PDT

*My wrath will not be held back any longer, for the enormity of this world's sin is great. My arm of protection is no longer upon you, as you have chosen death over life. I am about to act mightily and in great power across this earth. You will know that your great disobedience brings this upon you. There will be wailing and gnashing of teeth as I sweep across your nations. Woe to those who have repeatedly ignored My pleas and the pleas of My Son for repentance. You will all be brought to your knees. You have no idea the force in which I will strike, for I will not be mocked. Prepare for you will reap that which you have sown. None of you has ever experienced this intense darkness that I will send as My final Warning. To the disobedient ones, it will bring immense terror and chaos.*

*Now to My Bride, you will experience this as My greatest act of mercy and I assure you again and again, you have nothing to fear. My judgements are not for you although you must endure for a moment in order that you be My light after these things occur. It is always darkest before the morning. I will NEVER forsake you for this is My promise. Pay close attention dear ones to My Holy Spirit which resides in you. Listen for instructions. Be ever so vigilant and alert at all times so you will not be caught unaware. Never cease praying. Anchor in Me, your Source and I will comfort you through this dark time and provide you with a peace that I alone can provide. This will commence suddenly to those not walking as One with Me, but I always let My own know what I am about to do. Do not let your guards down. There must not be any openings in your armor in which the enemy can penetrate. It is imperative that you heed these warnings now so desperation and fear do not overtake you. You must not underestimate the enemy, however remember that greater is He in you than he that rules this world. I give you My kiss of peace. You will be triumphant My Bride. I would not have My Bride to suffer long, as My love for her is beyond measure. Although you will see death and very sorrowful situations, it is of the utmost importance that you remember during these times, who you are to Me. You are My chosen, precious jewels in the Kingdom. Stay close to Me now more than ever children, drawing your strength from Me your Heavenly Father, for I will roar from the Heavens and everything that can be shaken will be shaken.*

*Your Eternal Father*

Word from the LORD: I AM Ready

<http://youtu.be/KALXy0IZGEA>

**PLAY** - Sara Fatou Traore - I AM READY

## The Order of Events to Come

The Lord spoke these words to me today:

*"I so dearly love you, My children, and long for the time when we are together for eternity. This Bridegroom longs for His Bride! And I am coming soon! Make no mistake, My dear daughter, I am coming soon! Much sooner than many think. But I am speaking to My own so My coming will not be sudden to them.*

*I have given you knowledge of events to come and this is the order in which they will come:*

*First of all, there will be a cataclysmic event that will affect all mankind; then there will be darkness over all the earth; then I will reveal Myself to the hearts of every man and woman on the face of the earth. Their sinful nature will be exposed and they will realise their need of Me. They will realise that I am indeed their Creator and their Redeemer. That I, Jesus, shed My blood for them on the Cross and that without My forgiveness they will not enter Heaven. They will be given the choice of accepting Me as their Lord and Saviour, or rejecting Me.*

*This will be My last intervention from Heaven to a world dying of sin, to save each individual from a fate worse than death - eternity in Hell. So many think that Hell does not exist. They think, 'How could a loving God send anyone to Hell?' They don't realise that no sin can enter Heaven and it is only through My shed blood on the Cross that any sin is forgiven. If My sacrifice on the Cross is rejected, there is no other means to keep that person from eternity in Hell. If they don't choose Me as their Lord and Saviour, then I have no power whatsoever over their souls. They have chosen to align themselves with Satan, who longs to drag My precious children into the abyss of Hell with himself. He does not desire this out of any feeling or regard for the person he has deceived, but to thwart Me, as he hates Me so intensely, and therefore he wants to hurt Me by hurting My children.*

*This is why My intervention is so necessary, as it will lift the veil of deception from the eyes of each and every person on the face of the earth and they will be given the opportunity to choose of their own free will.*

*The darkness that covers the earth will last for three days and it is during this time that I will manifest Myself to mankind. Don't fear this event, My children, for it is out of My great love for you that this event has been prepared since the beginning of time. After your hearts are purified, My Holy Spirit will invade your beings as never before and you will arise to do great miracles and will lead many to Me in the short time left before I come for My Bride.*

*Arise, My children, with joy in your hearts, for your Bridegroom cometh for His Bride!*

*Your Jesus,  
Your Bridegroom"*

# TD HALE VISIONS

## Urgent Warnings to America

### **Pastor T. D. Hale - 12-28-2011 (FIRST)**

I had a dream last night: In my dream, I saw myself going across America, as if I was floating but with no fear. The land looked like it was bombed, totally destroyed. I saw people standing out around their homes, weeping, holding onto each other; there were a few who laid dead. I heard someone say, "This should never have happened; this should never have happened."

National destruction had hit America: no food, no water, babies crying, grownups, men all crying, holding onto their families, begging God for mercy. As I moved along the way, I saw people running, looking for loved ones missing, totally out of their minds.

I quickly came over a large city; it looked like it was Columbus, Ohio. As I came close, there it was -- the riots we have all heard about. Store windows busted, grabbing what they could get but I could tell they were not too concerned about TVs iPads, etc.; they were grabbing food, water, chips, things to survive on. There were riots and fighting. I even saw one man shot to

death.

As I left that place, going at the speed of light I was standing on the back side of the White House. (I heard a voice say, "Look up to the Truman balcony." ... I did not even know it was called that until a friend contacted me. He said, "Brother, you're not gonna believe this; that's what it's called.") I looked up and there was President Barack Obama on the balcony, holding a shotgun. I heard a loud scream, real loud I turned my head to see where the scream came from. Flying high in the air was an eagle -- majestic, flying around Washington. I saw Barack point that shotgun toward that eagle and then shoot it dead and it fell to the ground. I looked up at him and he just had a smile on his face, a smirk. These were the words I heard: "I've done it and I won't have to deal with this in my administration." It was dead silent. At that moment, I heard a voice that said, "Tell the people this is My will; this is My hand, both upon the generation of the righteous and upon the cursed. The righteous will find their way and know what to do; the cursed will wander around with no compass. The cup is full!"

From that point on, I knew that we were coming to a showdown; it was going to be between us and them -- good versus evil. I saw people gathering into some homes that were not destroyed. I saw people having prayer meetings, just praying in the Spirit.

And then I heard in the dream: "To My servants and handmaids, a special anointing will reside on you in these last days. Hold not back thy voice but speak your hearts, for out of them are the issues of life. Pick up the mantle of prayer, cover yourself with it and find you a secret place to cover My servants, who stand for truth in prayer. I see their hearts and the desires to understand and know more. Their eyes have been anointed with a special anointing to see. Others are blinded to My Word. All things will be revealed in their due course. A supernatural wave of my Spirit will come over this generation soon; the FINAL voices are in the land to speak one last time. (Through the ministries of tapes, DVDs and books that people would have in their possession, that God would give them that spiritual food to sustain them during these times that are coming upon us.) Think it not strange the happenings around you; they must and will come to pass but I have placed in your hands the food to sustain you in the months ahead. I have spoken and shown all that matter. Tell my servants, saith the Lord, there is coming harsh days ahead!"

As I stood there hearing the voice of God, I saw a table, very old as if it was a

table that had many documents signed in times past of importance. I saw a voting ballot lying there. As I looked, I saw two names on that ballot: Barack Obama and Mitt Romney. It was check-marked beside Obama's name. ("I am 100% sure" he will be re-elected.) I looked at the bottom of the ballot and these words were written: "For this is the will of the Lord." Then I woke up. (I'm telling my church to just be prepared, to get their house in order and whatever they need to do for their families, do it quickly.)

## **Pastor T. D. Hale - 12-29-2011 (SECOND)**

I had another odd dream last night. In it, I saw myself walking through the woods and I came upon people camping and in my dream I knew they were hiding. They looked like they had been there for months the way the camp was set up, living in tents. They were dirty, as if they had not had much water to wash but yet I saw gallons of water jugs setting around. They had a small fire cooking something but yet the fire was so small as not to bring attention to themselves in the woods.

I stood there and watched them as they were huddled together and I could hear two of the elderly adults praying. I could see children and they were very poor-looking; their clothes looked as if they had not been washed in weeks.

Off in the distance I saw government officials driving up close to that area but far enough away as not to alarm them or let them know they were coming. As they approached the camp site, I heard the adults start to scream and cry and the children started to cry wildly, as if they knew they were to be killed and they started to run but the adults just fell to the ground and did not put up much of a fight, as if they gave in. I saw the men in the uniforms approaching and surrounding that campsite. I would say there were about six adults -- two of them were elderly, like someone's parents, and five children.

The next thing I saw was them putting handcuffs on them but not on the children. They led them away to the cars and then the dream changed. While they were putting handcuffs on them, I heard one of the men say, "We are from the United States government. You are under arrest."

All of a sudden I was standing in front of a building as they were taking them in and fingerprinting them, processing them to be put somewhere. But in my dream I knew where that "somewhere" was.

The outside looked like something you would see in the days of Hitler. No

doubt they had been taken to an area where they were away from civilization; they were old buildings but had a modern look on the inside. I felt as if I had entered into a death camp. (I knew that they probably were old military bases of some sort that had been modernized and painted and updated. And I actually saw railcars. Railcars were up beside this place. I didn't go into the railcar and I didn't see inside, but I did see the railcars down around this place and that frightened me.) No kidding when I say this: it was if I had been transported into the Great Depression times. Everything looked to me, standing outside surveying the area, as if the economy had hit an all-time low. Even on the inside of the area where I was, it was a poor place. I was weeping, saying, "Lord, please. I beg You, help this family." But yet, somehow in the dream I knew they would not make it out and then that was the end of the dream.

I know where America is heading and I knew by this dream it was heading to the tribulation!

### **Pastor T. D. Hale 11-24-2012 (THIRD)**

I was immediately standing in front of the desk in the Oval Office. Standing in the Oval Office, I was in front of the President. A voice came forth and said, "Weep and howl for the misery that shall come shortly."

There on the floor of the Oval Office was the eagle I saw him shoot back in December. He walks from behind that desk with the same smirk I saw on his face and puts his foot on the neck of the eagle. At this point, he picks it up by its head and twists it three times until his head comes off of the body.

At that point that voice said, "The spirit of Rehoboam." I knew what that meant and I knew it rested upon the President.

The President of the United States was totally dressed in black: suit, tie, shirt, shoes, pants, etc. As I was standing in front of him, looking directly at him, all of a sudden his chest cavity began to open and his heart was exposed. As I was looking at his heart, thick, black, dark mist was swirling around his heart.

At this point he, picked up a gavel which was part wood and part stone. Handle was wood; head of the gavel was stone. He hit a document on the desk and when he did an earthquake hit Washington.

All of a sudden, I was standing above the White House and saw the earth

open and it went toward the Washington Monument, then toward the Jefferson Memorial.

At that point, an odd-color rain started falling, the color of fire. It started slowly coming down and intensified little by little until the waters started rising; the starting point was Washington, D.C.

As the waters started rising, I went up a little higher into the atmosphere and saw the map of the United States. The waters left Washington and began to flood the nation. I saw it hit MD, WV, OH, MI, KY, IN, SC and on and on until it covered America. On the document on the desk of the President was written, "The Final Abomination."

I began to hear screams across the nation, as if it was a mournful sound. I thought of Noah and what it must have been like for the people outside of the Ark as the flood waters came in and they knew they had not listened to Noah or the voice God gave to them to speak. The screams were as if their lives were over and there was no hope.

As I was still in the air, and I am going to try and explain this as best I can, I saw America in this state of being covered with flood waters and then, all of a sudden, I saw beams of light quickly coming out of the flood waters like a speed of light quickly going up into the air. Millions it looked like but at that moment I was taken above the earth and then I saw it around the world. Possibly they were the prayers of the saints.

After this point, now I was back to the earth, as if I was back to the beginning of all of this. I heard a voice say, "The shifting has begun!" At this point, I was looking over top of megachurches and, like a flash, a voice said, "A breeding ground for sin. The people know not Me but play around their calf." (I know that as we enter into the "time of the end" it will not be large churches but home meetings of where the saints will gather in secret where God will abide and speak in the last days because of the persecution that will come upon this generation.)

Then, at this point, I was looking again at homes of people I knew loved and served God. I saw the homes of men and women who were gathered together, praying in deep prayers across the nation and a voice that said, "The season is upon the nation. Because you have set the abomination before my eyes, I will set judgment before yours! When will these things be?" said the voice, "After he will be sworn in."

### **BLUE 21 VISION OF 1996 (EXCERPT)**

Then after **about 3 weeks of this**, the Rapture will happen. Although there are different time zones around the world, the Lord showed it will be night here in Florida, USA. In this vision, I was taken in the spirit out in the woods behind my house in Florida.

During the spring or early summer, it started at night. I didn't hear any trumpets or words (come up hither) but I know there's going to be, because the Bible says so. As I was standing there in the spirit of course, in the middle of some trees, a **huge blue beam of light** came down like a big flashlight, about a thirty foot circle around me.

**The blue light** was identical in color to a welder's arc light at night. It was so blinding I put my hands over my eyes to see if I could see where or what this light was coming from. Then I noticed in the distant night sky, north, south, east, and west of me, blue colored stars jetting off the ground spiraling upwards traveling fast, they were heading for the bright blue object that was shining that beam of light down on me. It could have been the Lord or an open door to heaven. I really could not tell, it was so bright and blinding.

**Anyway, these little blue stars were going up in clusters.** Different numbers depending on the size of town around me. Then all of a sudden when they reached about 9:00 high they burst into 10 times their size. Then I realized it was those alive in Christ joining those dead in Christ.

# **SORI PARK VISION – NASA BLAMES ALIENS FOR RAPTURE Vision 2)**

[http://www.heavenvisit.com/Sori\\_Park\\_2.php](http://www.heavenvisit.com/Sori_Park_2.php)

It was in the middle downtown Los Angeles, California. Holy Spirit taught me that was on the Wilshire Boulevard. A young man and woman were walking in the sidewalk along the street. They were heading west with the man walking to the bush side and the woman walking to the street side. The man was making an impassioned speech to the woman, criticizing Jesus. Being lost in his rational criticism, he called the Bible irrational and made comments to ignore Christianity. The woman was walking carefully and praying inside without any response to his remarks with her head down a little bit and a book held in her chest.

'Have mercy on him, Lord.'

In the middle of her prayer, she suddenly heard loud trumpet sound from the sky. "Rise up here!!!"

She looked up in the sky with her face full of joy and excitement. She had no time to express her joy because she was raised up into the air the moment she looked up. He suddenly found her gone and looked around in bewilderment to find her, when there was a crash in the street. The downtown street was traffic jammed, which means the car accident was a fender bender instead of a huge one. **God granted me spiritual knowledge as I was watching the scene and taught me that the trumpet sound are only heard by those who get raptured.**

With much traffic in the area, cars were moving slowly. There would not be many people who were ascending into the air in those circumstances, which gives some idea about how much spiritually corrupted cities are. I was looking down at the scene high up in the air and asked Jesus, "What will the world say about people being raised up into the air, Jesus?"

He gave me accurate and detailed answers:

**“NASA of the United States will make an announcement that thousands of UFO from a distant planet in the universe surrounded the entire earth and abducted numerous people around the world with a powerful ultramodern sucking machine in one moment, promising to make further investigations into the matter and trying to cover it up.”**

### ***Go Into All the World***

Walk closely to Me that I may protect you from the new evil coming into the world, My children. It is not My will that you be terrified or harmed in any way by it.

Time is short and you each have an assignment to complete and then you will be coming home to Me here in heaven. But first there is work to do, for many have not yet heard about My Precious Son, Jesus. Many have no idea about the great sacrifice of His life to save them from their sins and it is you, My children, who must tell them.

I send you now to go into all the world and preach the gospel of salvation to all creatures.

Work quickly, for there is little time left in which you may work and time is now short for many who are unsaved (those who are near their time to leave earth).

Your reward shall be very great for this!

I love you, My children.

## I Am Coming Down into the Hearts of Men

*"No matter what happens in your life I want you to keep trusting Me, My daughter. Events will soon come that could rattle your faith, but I want you to remain strong in Me, your Lord and Saviour. I will not fail you, My daughter. I will protect you and provide for your every need.*

***I am coming down into the hearts of men in such a way that I will reveal Myself to them - to every person living on the face of the earth, I will reveal Myself.*** They will have no doubt that it is I, their Creator, and that I love them dearly. They will have the choice of following Me or rejecting Me.

***This will be My last warning before I come for My Bride and My wrath is poured out on the Earth. Many millions will turn to Me during this warning, but others will harden their hearts to Me.***

*Keep praying for the lost while there is yet time for them to change their hearts and to turn to Me in repentance and faith.*

*The glories awaiting My children who are faithful to Me are unimaginable. For those who stay true to Me, their Lord and Saviour, and overcome, there is much laid up in heaven for you. Be overcomers and partake in My heavenly rewards and be immersed in My love for all eternity.*

*Events will come quickly now ... prepare your hearts, for I am coming soon!*

### All is Ready ... All is Set ... All is in Place ... Wait

*"Everything is set, My daughter. Time has run out. Everything is in place - just wait for My hand to move.*

*There is nothing coming that you cannot handle in My strength, My daughter. Your family will be protected, as you will be, so there is nothing to fear. Mark My words well and remember them when sudden destruction comes. Remember that I have told you I will hide you under the shelter of My wings. It will be as if you are watching a movie on the television, with chaos and destruction all around, but it will not touch you, for you will be under My protection at all times. There is coming much chaos and destruction to the world in the coming days, but this has all been prophesied in My Word, the Bible, as has My coming for My Bride. All will be fulfilled, just as My Word says. No prophecy will be left unfulfilled.*

*Oh how I love My Bride! How I love My children! My Son died for each one of you so that you may spend eternity with Me, your Heavenly Father, and Jesus, My Son. Look to what is in store for you and allow My Holy Spirit to fill you with My love and peace.*

*There is nothing more for you to do but to await My timing, for **all is ready ... all is set ... all is in place. Wait now My daughter, My children ... wait for My Son.***

*Your Loving Father."*

### *Nothing to Fear*

I had been praying all evening asking the Lord why He had not spoken in so long to us, and talking to Him about all the craziness that has been going on. I had just begun eating my evening meal when He began to speak this message.

*My people have nothing to fear.*

*Nothing can touch your lives but what I allow. I desire you would look to Me for all the answers to your questions. I desire you would depend on Me for your supply, that you would all know and believe I am your provider.*

*Why do you fear the future, My little ones? You live now in the future you feared years ago. Are you not well and taken care of? Why have you not learned to trust Me?*

*Yes, the world around you is beginning to descend into chaos, but this I warned you of aforetime.*

*Fear not, My little ones, for I am the Mighty Jehovah, and I am able to hide My children even in the very midst of chaos!*

# LAST HARVEST

## The Last Harvest - and The Coming Antichrist

"Daughter, you don't realise how close everything is to changing the world forever. Know that no matter what happens, I am with you and with all My dear children. I will not allow any of My own to perish but will save to the uttermost all those who come to Me for salvation. I am drawing many more into My Kingdom every day and an event will take place shortly that will cause billions of souls to turn to Me in repentance and faith. This will be the Last Harvest before I come for My Bride. Don't fear what is to come, for you know that I will protect you and all those who are Mine. This event will cause fear to rise in the hearts of many, but it will also cause faith to rise in the hearts of those who are Mine, because you will know that your redemption draws nigh.

Be patient in waiting, for all is in My hands. It may seem like the world is out of control, but remember that I am always in control no matter what is happening around you.

It will soon be time for the antichrist to make his appearance on centre stage. Just as an actor portrays another character, so will the antichrist portray another character ... he will portray Me, the Lord and Saviour of mankind. He will set himself up as the Messiah and many will fall for his deception. But those who belong to Me and are called by My name will not be deceived by this imposter, or by his false prophet. Time has run out, My children, for I am at the door and My love will envelope the globe as I draw many more into My Kingdom before the Great Deception unfolds."

### Harvest of Souls

I was awake praying and talking to the Lord about things around 4:00 a.m. this morning when He began to speak this word to me.

*I AM the Good Shepherd. My people do not understand yet how very much I love them. You do not understand how very much I love you, My child - EACH of you. You are very precious to Me. I gave My life for you once and I would give it again and again to see you happy, to heal you, to see you prosper and live fully in My Kingdom.*

*It is My desire that you live fully and abundantly in this life, but so many of you fall short of even having what you need, when I desire so much more for you.*

*Strive to understand My Kingdom's principles so you may thrive in these last days. I have so much more for you than how you are living, My children.*

*I desire you would live in perfect peace and full abundance. I desire you would live fully in and for My Kingdom. If you will take your eyes off this world and set your heart on Kingdom work, I will prosper you in this time like never before. I will increase you in ways you never dreamed of. I will work miracles in your life, but also through it for My people.*

*I need My children to be about Kingdom business in this time more than ever before for the final harvest of souls is at hand and I desire to reach many more.*

*I desire to bless you, My children, and as you reach your hand out to bless others, I shall increase you as never before. I will open doors you have waited a lifetime to see opened. I will set before you opportunities like those you have only dreamed about.*

### ***Nothing to Fear***

I had been praying all evening asking the Lord why He had not spoken in so long to us, and talking to Him about all the craziness that has been going on. I had just begun eating my evening meal when He began to speak this message.

***My people have nothing to fear.***

***Nothing can touch your lives but what I allow. I desire you would look to Me for all the answers to your questions. I desire you would depend on Me for your supply, that you would all know and believe I am your provider.***

***Why do you fear the future, My little ones? You live now in the future you feared years ago. Are you not well and taken care of? Why have you not learned to trust Me?***

***Yes, the world around you is beginning to descend into chaos, but this I warned you of aforetime.***

***Fear not, My little ones, for I am the Mighty Jehovah, and I am able to hide My children even in the very midst of chaos!***

### Many Lives Are Lost

*My precious children, it is more important than ever now that you heed My words of warning to you. I will warn you of things to come, for I always tell My people what is coming, but you must listen, and obey Me.*

*Many lives are lost in an instant in a tragedy, many more in My judgments, but you, My precious children, shall be protected if you do not turn from My words to you.*

*Time is growing shorter and many of My people do not believe the lateness of the hour. I am giving you signs now that this is so. Those who watch and pray will see the signs and know. They are those who shall be ready for My Son's return. They are those whose lamps will be full of oil.*

*Busy yourselves with Kingdom work, My children, for the time left to do My work is short now and you lay up for yourselves treasure as you work to bring your brothers and sisters into the Kingdom. Pray diligently and petition consistently for the salvation of the lost and of your loved ones, for I shall answer your prayers to save them! Great shall be your joy and you shall enjoy the fruits of your labor!*

*I hear your prayers and will answer. The times you don't hear My voice, I am still near to you, watching you, working with you, loving you. You are all precious in My sight and I desire you would take full advantage of all My Son died to give you in these last days. I desire none of His sacrifice would be in vain.*

*Enjoy My blessings, children! Glorify Me in all you do! Lift high the Name of My Son Jesus and walk in His ways, that men may see and know Him.*

## VERY SOON THINGS WILL HAPPEN

### Very Soon Will Things Begin to Happen

*"The 'Abomination of Desolation' is soon to appear on centre stage, My daughter. You will know him, for My Holy Spirit within you will witness to you of his true identity. He will appear as a man of peace and a great humanitarian and many will be deceived, but not so My children who remain close to Me. There will be much display about this man and he will be highly regarded among the worldly, who know Me not.*

*For My people who are faithful to Me, your eyes will be opened and you will know where this man is from. He will lead many into deception.*

*I am asking all My children to build up your most holy faith, to stay close to Me, your Lord and Saviour, and to remain in My Word. Feed on my Word and on My presence to bring you through the times ahead. Soon, very soon, My children, will things begin to happen in the world that will cause many to fear. For those who are Mine, you are not to fear but trust in Me to keep you safe under the shadow of My wings so that these things do not touch you. You will be protected in such a way that you will escape the evil surrounding you. Don't think that I will take you out of the world at this stage, for I still have work for My children to do to bring the lost to Me before I come for My Bride.*

*Don't look to any particular event coming but remain focused on Me, your Lord and Saviour, every moment of the day and learn to discern My voice among the many around you. I desire that your relationship with Me is strengthened at this time and that you use every available opportunity to speak My word of love to those around you who know Me not. If you are in My presence daily, then you have all you need.*

*There are many voices around you, My daughter, but they are not all from Me. Heed My voice only, My child, and disregard those voices that do not speak the truth. Entrust yourself into My keeping, and your loved ones, and I will not fail you. Remember that I am the same yesterday, today and forever and I change not.*

*Remember too, My daughter, that the words I give you are not just for you at this time, but for those in the future who will come to Me. You may not always understand the words that I give you and the order in which I give them to you, but that is not your concern. Your only concern is to write what I am telling you. You are My scribe - the words are Mine. You cannot know how the words that I give you will impact on others, or at what time in their lives My words will impact them. Be faithful in your writing, My daughter, and leave the rest to Me."*

"Daughter, you don't realise how close everything is to changing the world forever. Know that no matter what happens, I am with you and with all My dear children. ## Prepare Your Hearts for This Event

*"There is so much coming that it will be difficult for you to take it all in, but through My Holy Spirit you will see My Glories revealed to My Remnant. I am soon coming for My Bride, but before I can come there is to be the event I have spoken to you and others about. I want you all to prepare your hearts for this event. Come to Me in repentance and faith and allow Me to cleanse you through My Holy Spirit. After this event, you will be so filled with My Spirit that every person you come into contact with will know you belong to Me and that I, Jesus, am their Creator and Redeemer. There will be no doubt.*

*My Holy Spirit will flood your being and bring about many miracles of healing that day. To all those of My children who have been waiting on Me for healing of their bodies, this will take place when My Spirit infuses you. Your waiting is soon over, My dear children. Heaven is rejoicing at what is in store for My Bride!*

*Very soon now, My precious ones ... very soon now ...!*

*Your Jesus,  
Your Bridegroom"*

## I Am Coming ....

*"I am coming, I am coming, I am coming!"*

*Harken not to those who tell you I am not coming for My Bride. This is a lie, My precious children. **I am most certainly coming for My Bride!** An event will come first to enable more precious souls to come to know Me before time runs out.*

*The web of deceit is extending across the world, My daughter. Heed My words only and you will be safe - you and your loved ones. There is so much coming that would unsettle you if you were not anchored in Me, Your Lord and Saviour.*

*There is much more coming than you can possibly imagine, My daughter. You are not to fear anything that happens in the world, for I am in it. I will protect My own no matter what comes. Always remember that you belong to Me and to no other. What is coming no man can imagine. **There will be a cataclysmic event that will stagger mankind,** but this will be My way of revealing Myself to every man and woman on the face of the earth to give them the opportunity of accepting Me as their Lord and Saviour before time runs out for them. There is no need for those who are Mine to fear this event, for it is I Who am coming to draw all men unto Myself in such a way that they will recognise their Creator and there will be no mistaking Who I AM. This is My gift to mankind - for all those who seek Me in their hearts, but who don't yet know Who it is they seek. There are many among the people of every nation who desire after Me - yet they know Me not. This will be My way of revealing Myself to them and they will know that this is their chance of redemption. They will know that I am giving them the chance of turning from their sins and receiving Me as their Lord and Saviour. All your prayers and all the prayers of all My children for the unsaved have been heard, and it is through your prayers that My great mission to draw all men unto Me will be completed in this event. This will be My last call to mankind before I come for My Bride. Yes, the ark door will be closing soon. Stay in prayer, My daughter, for this event is soon to appear. Tell My children to be in prayer for this event and to pray for the lost while there is still time.*

*My children, all those who are willing to lay down their lives for My sake and the gospel's will be honoured. Anyone who tries to prevent My Word from reaching the lost will be punished. There will be a move instigated by the enemy designed to prevent My Word from being spread, but he will not succeed, for My Word is written in the hearts of all My children. Honour Me in your hearts, My dear ones, and I will honour you!"*

### **Word from The Almighty God to USA and all the NATIONS!**

Word from Almighty God himself to USA and all the nations!

WOE to you judgement has come down to you and is coming once again! Oh Mystery Babylon whose sins has reached my throne room and her sins are like the days of old; the old Babylon, but 10 times worst. I prophesy against you says the Lord God. I shall rain down my judgement against you because you repented not to me or turn from your wicked ways. When judgement comes you shall know that I AM GOD and when I speak through my anointed ones it shall come to pass and you will know that I AM GOD. You will see and envy those who were untouched by the storm that is coming against you. Those who I protect are those that have truly accepted Jesus and truly love Him with their whole hearts in obedience and their families and their pets shall be protected. When you see this know that I AM THIER GOD. I will do to this nation as I have done in the city of Sodom and Gomorrah! Just as I have spoken in my WORD shall come to pass. Expect it! I shall come for my own now when the clock strikes midnight. Weep and wail! I will not hear you! You have mocked me once, but you shall not when you see every WORD I have spoken through my servents was true. Now I send my Angels to loose the four winds of every corner of the earth and now shall it begin to blow. WOE WOE WOE to them are caught in the midst of the storm them that have not repented to me of their sins!

## Hear Me America, Army Officer Warns DHS Preparing For War On American Citizens

The Honorable Senator John Cornyn, State of Texas

On Saturday, Terry M. Hestilow, a retired United States Army Captain from Fort Worth, Texas, posted a letter on [Facebook](#) that he wrote to Sen. John Cornyn, R-Texas, warning that the [Department of Homeland Security](#) is preparing to go to war with the citizens of the United States.

United States Senate  
517 Hart Senate Office Building  
Washington, D.C. 20510

Re: Department of Homeland Security (DHS) and that agencies preparation for war against citizens of the United States of America.

Dear Senator Cornyn,

It is with gravest concern that I write to you today concerning the recent appropriation of weapons by the Department of Homeland Security (DHS) that can only be understood as a bold threat of war by that agency, and the Obama administration, against the citizens of the United States of America. To date, DHS has been unwilling to provide to you, the elected representatives of the People, justification for recent purchases of almost 3,000 mine-resistant ambush-protected (MRAP) armored personnel carriers, 1.6 billion rounds of ammunition (with associated weapons), and other weapons systems, when, in fact, the DHS has no war mission or war making authority within the limits of the United States of America.

Significant is the fact that at the same time the Obama administration is arming his DHS for war within the limits of the United States against the People of the United States in accordance with his 2008 campaign speech claiming,

“We cannot continue to rely only on our military in order to achieve the national security objectives that we’ve set. We’ve gotta (sic) have a civilian national security force that’s just as powerful, just as strong, just

as well funded [as the United States military]”--Candidate Barack Obama, 2008.

[...]

We refuse to surrender our Constitution or our nation!

Resolved,

Captain Terry M. Hestilow

Children of the Most High God, this is your lord and Savior speaking,

My beloveds, surely I have told you that I come as a whirlwind - unexpectedly, with brute force. My tempest shall be cruel, quick and unceasing. I AM a God who is to be feared, for My wrath upon My enemies is terrible. My vengeance is merciless. Repent and turn to Me in time or perish. The wicked shall be eliminated from the face of the Earth. They shall be scorched by My fire, they shall be burned by the intensity of My righteous indignation.

Children, what unfolds now represents the end of all things. The separation between the sheep's and goats, the keeping of wheat, the burning of the tares - punishment upon the wicked. Those of Me shall witness My glory - deliverance from evil, the demise and utter destruction of their enemies. They shall meet with restoration, peace and joy while the ungodly fall into greater peril. Children, evil is no match for the power and glory of God. Your reward, your recompense is with Me. I shall repay. All evildoers shall be cut off. Slain, removed from your midst. You My children shall suffer no more, in due time I shall recover you - you shall be lifted up from all your troubles.

My loves, the catching away of My bride is at hand. It is more than just in sight - you are moments away. The earth shall be pummeled with calamity and it comes. I shall retrieve My Bride. There shall be sudden destruction - complete darkness shall blanket the earth.

My children I promise you - your present suffering, the persecution, loss, oppression and struggles are only temporary. Be focused not upon what is taking place but what is at hand. Judgment comes. It is so. The present time is the manifestation of the events in which precede and lead up to the Great and Terrible

day of the Lord.

Children, this is the most volatile and elusive time for the world and those of it. The worst period of human history commences. Nothing lies ahead but grave evil and darkness. Trust not in the world. There is no hope in it but only in Me. El Shaddai, the Lord your God. The kingdom of God is at hand, the reconciliation of all things.

Children, be strong in Me now. You have My strength. My power is in you. I AM with you, ever present, close, always before you. Remain free from all adultery with the world, all fornication and that which would defile you. Keep that which is sacred, sacred. You are holy sacrifices to the living God. Temples of God. Be pure, remain focused upon the Kingdom of God and righteousness.

Abide in me and Me peace now. The spirit of God is upon you. I dwell within you children. Be not far from Me. The wickedness of the world the forces of darkness present are unprecedented. Remain where you are safe. Do not stray My sheep from the Good Shepherd. It is far too dangerous. Remain under Me covering. Where I guide you. Follow My lead, do not look back. Move forward and abstain from all forms of corruption. The end is here. Your redemption draweth

nigh. It is at hand. Love,

LORD YHVH YESHUA

Children of the Most High,

My dearly beloveds, It is My good pleasure to give you the Kingdom. It comes now. It is here. You are at the end of the age. My Judgment unfolds before you.

Man has come to the end of all things, life upon earth as it has been known is no more. Never have such times been lived before. Never has such darkness and evil ever been witnessed.

Children what has been unleashed is irreversible. There is no holding back. My plan move forward without delay, on time across the earth. My fire fuels the wrath to come. My Judgment that shall descend upon man shall be awesome. All consuming, tragic for the lost who have not been found in Me. It shall be swift, unrelenting. Catastrophic only slightly describes the ruin that shall amass upon man. Complete and utter ruin and chaos. There shall be no where to run. No where to hide. Escape shall be desired yet there shall be none for except those found in Me - My faithful and true. For I AM the way, the truth, the life. No one comes to the Father except through Me. I AM the doorway that leads to deliverance. Safety. Eternal peace and bliss.

Children now comes Judgment unseen like never before. Now comes the manifesting of even greater travail. The birth pains quicken. They shorten, with much force they come - with much damage they are released. This shall be no easy delivery. Excruciating it shall be. The earth shall be in agony, man in unbearable distress.

I have warned for it is written. Still man continues to walk blindly and refuse to accept the condition of their existence. They look another war, forsake My calls, they heed not to the signs of the times.

This is the end. The very end of the age of man. There is no future for humanity but that that is in Me and My heavenly rest. Children, the time has come for the closing of this Last Hour. Surely it is late. Much overdue. I can not stand to have this earth proceed any longer. It shall not continue further. Prepared yourselves. I come to fetch My Bride.

LORD YESHUA

### *Harvest of Souls*

I was awake praying and talking to the Lord about things around 4:00 a.m. this morning when He began to speak this word to me.

*I AM the Good Shepherd. My people do not understand yet how very much I love them. You do not understand how very much I love you, My child - EACH of you. You are very precious to Me. I gave My life for you once and I would give it again and again to see you happy, to heal you, to see you prosper and live fully in My Kingdom.*

*It is My desire that you live fully and abundantly in this life, but so many of you fall short of even having what you need, when I desire so much more for you.*

*Strive to understand My Kingdom's principles so you may thrive in these last days. I have so much more for you than how you are living, My children.*

*I desire you would live in perfect peace and full abundance. I desire you would live fully in and for My Kingdom. If you will take your eyes off this world and set your heart on Kingdom work, I will prosper you in this time like never before. I will increase you in ways you never dreamed of. I will work miracles in your life, but also through it for My people.*

*I need My children to be about Kingdom business in this time more than ever before for the final harvest of souls is at hand and I desire to reach many more.*

*I desire to bless you, My children, and as you reach your hand out to bless others, I shall increase you as never before. I will open doors you have waited a lifetime to see opened. I will set before you opportunities like those you have only dreamed about.*

*I will bring forth through you music for this time, great works of art for My Name's Sake, books that will be hailed as masterpiece works, for My Greatness lives on the inside of you! I need only speak My Word to bring it forth to bless the world I created so long ago.*

*I love you, My children. I desire to bless you. I desire to bless My other children through you. Set your hearts to serve My people and I will make you a blessing to all.*

Two volcanoes in Alaska, the Cleveland Volcano and the Pavlof Volcano are being closely watched as they appear to be close to erupting.

Authorities have placed both volcanoes on the second-highest alert level because "sudden explosions are possible with little or no warning."

The Cleveland Volcano underwent a low-level eruption event in early May, spewing ash into the air. As of this week, that volcano appears to have quieted down.

The 5,676-foot high Cleveland Volcano is located on an uninhabited island in the Aleutian Islands. It has 100-meter wide swath of lava extending about 1 mile down its southeastern flank, according to the Alaska Volcano Observatory.

## *Vision of What's Coming to America*

*Aug 13, 2012*

*Randy Hecker*

*[spiritofprophecy.maxforum.org/](http://spiritofprophecy.maxforum.org/)*

*[www.randyhecker.wordpress.com](http://www.randyhecker.wordpress.com)*

*Anyway here goes. The sequence I am watching (as a Watchman of the Lord) begins with Mt. Popocatepetl in Mexico. There will be a sudden very powerful eruption that will blow its lid off. Within hours an 8+ magnitude earthquake will strike Mexico City and virtually level it. Thousands will be killed. Hundreds of thousands will be injured. And millions will be displaced from their homes.*

***The economy of Mexico**, bad as its, **will collapse** except for precious metal values. There will be anarchy throughout the land.*

*This event will radically increase pressure on the San Andreas Fault to the north. The fault is locked up in an area from Palm Springs in the south to Palm Dale to the north. HAARP will be used to create a super earthquake in this area. The magnitude and duration of the quake will both be magnified. The earthquake will strike (I believe) in the afternoon either this coming October or the following May. It will occur just after a complete **economic meltdown of the American dollar**. The **magnitude of this quake** will reach somewhere between **9.5 and 10.5** and it will last for nearly three minutes. Two to three million people will be killed outright. Millions more will be injured.*

*The worst part of this is not the earthquake itself but the events that will be associated with it. The ground shock from this quake will cause every other stressed fault within 1,500 to 2,000 miles to release all pent-up stresses. As the ground shockwave moves to the north the Sierra **Nevada volcanoes** will be triggered, the Cascadia volcanoes, and also the **Yellowstone super volcano** will also be triggered. This is both a blessing and a curse.*

*The nation will be so disorganized after this event that martial law will be declared , but it will be completely unenforceable.*

*Two to four days after this earthquake America will be further devastated a **nuclear sneak attack** on American cities, that will coordinated and started by our own Shadow Government. There will also be **some Russian and Chinese nukes** as well. The world will very quickly descend into global thermonuclear war (Gog Magog war).*

## ELECTRICAL GRID GOES DOWN

1996 - DAVID DOUGERTY

<http://www.fivedoves.com/letters/feb2009/davidd210.htm>

By remembering these visions, it will or can save you much needless suffering.

The Lord does not want to hurt his bride.

### *The Appearance of a Large Sphere in the Sky*

There is going to appear above the earth (in the sky) a strange object, it will be large and sphere shaped, like a ball. It will look like it's been built in sections, like a football with huge rivets at the seams. Many will call this a UFO, I don't know. It will have the color of copper or bronze. It will be on every TV around the world. People will be shocked like the World Trade Center. People will be glued to their TV's but you don't.

The minute you see this, run to the closest food store and get enough canned food and bottled water for about three weeks, because between one and 24 hours after this object is seen world wide there is **going to be a massive impact or collision on our sun's surface.** It is going to happen on our blind side, we can't see it coming. It's going to be a super size twin asteroid hitting the sun in a vital spot, **releasing a major solar storm, knocking out all of earth's electricity, all over the world.** Those of you who read this will save yourself and your family much misery.

### *2 to 3 Weeks of Trial and Miracles*

Now, this is what's going to happen in the next 2 or 3 weeks, while the electricity is off. Within a few days the whole world will start to go crazy with hunger. The banks and ATM's can't work without electricity. No gas pumps for food transportation, no

refrigeration, **total darkness.** The robbers, rapists, and murderers will see right away that no one can call the police for help, because the solar storm has burned up all communication satellites, cell phones and telephones. The law can't even call each other. It's going to be **total breakdown in large cities.** There will be gun shots and screams all night long. **Millions will be behind locked doors, praying and begging for God's mercy,** for help and protection. **He will answer millions of prayers. Millions will ask for forgiveness, and the Lord and his saints will perform millions of miracles during these three weeks.**

### *3 Weeks Later "The Rapture"*

Then after about 3 weeks of this, the Rapture will happen. Although there are different time zones around the world, the Lord showed it will be night here in Florida, USA. In this vision, I was taken in the spirit out in the woods behind my house in Florida.

# FINANCIAL COLLAPSE & NUKE

## DAVID WILKERSON - MEXICO & MACY'S

David Wilkerson's prophecy about Mexico. This volcano, when it blows, will cause Mexico's economy to collapse.

"It is just about to happen very soon; and I am speaking prophetically. If I've ever heard anything from God in my life I heard it! About the notions! Poland owes \$30 billion and they haven't even paid the interest in two years! Saudi Arabia is behind on their payments on \$8 billion – the richest country in the world as far as Arab states and it is not paying its bills! Very soon a European or North African or Eastern nation is going to default on its international loan and when that happens **within two weeks Mexico is going to default**. Mexico owes \$100 billion – 80% of it to American banks – and here is what is going to happen: About two weeks after the first country goes bankrupt we are going to survive that because most of that money is owed to European banks; German, Swiss and French banks. The 2nd country is going to go down probably Argentina or Brazil and we will kind of live that out and people will settle down and say "Well maybe its not going to hurt." But two weeks!

after the first country goes down, Mexico is going to default on \$100 billion. And When the banks open the next day at 9:00 am in the morning \$15 billion an hour is going to be withdrawn from our American banks. They are going to be running our banks; the Arabs, all the Latin American countries. They are going to be running our banks – and before the day is over the United States is going to have to declare a bank holiday. And we are going into six months of the worst hell America has ever seen! There is going to be chaos! Not even the National Guard is going to be able to quiet it down. We are going to have to call out the whole United States Army.

“Now I’ve had visions recently for I’ve been in New York City and I was in Macy’s in vision and I say people walking around stunned because they couldn’t get their money out the bank. Now I’m going to give you a word of advice. The first country that goes bankrupt, and I’ve documented this and I’ve got it sealed in an envelope and I’m going to call all my friends and I’m telling you – this is the first time I’ve said it in a public meeting like this – but the first country that bellies up you get every dime you have – church get your money out of the bank because you’ve got two weeks because there’s going to be a bank holiday and you won’t be able to get a dime for six months. Now of course, there is going to be order restored, but the nation will never be like it is again. There is going to be fear like we’ve never known. Judgment is at the door!

“When I was at Macy’s department store in a vision and I watched people walking around stunned. They didn’t even know what to do. They didn’t know what was happening. Then a bunch of young people walked into Macy’s and suddenly went wild and began to steal. Within an hour everybody, I saw their spirit, everybody in that store = and they were robbing and stealing. They raped Macy’s and destroyed all five floors of Macy’s. It was raped and ruined in period of an hour or two. That is just the beginning.”

12 I looked when He opened the sixth seal, and behold, there was a **great earthquake**; and the **sun became black as sackcloth of hair, and the moon became like blood.** 13

And the **stars of heaven fell to the earth**, as a fig tree drops its late figs when it is shaken by a mighty wind. 14 Then the sky receded as a scroll when it is rolled up, and every mountain and island was moved out of its place.

15 And the kings of the earth, the great men, the rich men, the commanders, the mighty men, every slave and every free man, hid themselves in the caves and in the rocks of the mountains, 16 and said to the mountains and rocks, "Fall on us and hide us from the face of Him who sits on the throne and from the wrath of the Lamb! 17 For the great day of His wrath has come, and who is able to stand?"

Children, My beloved Chosen and Elect, I the King of all the universe beseech you,

The blessings of God that have been your portion. For far more is in store for you. Children now you too shall know that I AM God - that I AM truly your God. The One whom you trust shall deliver, shall repay, shall make manifest. I shall rebirth what was dead and lost, I shall recover and make restored what was damaged and corrupted.

Trust not appearances or mans notions of the hand of God which moves. You know not the full extent of how all shall come to pass - you know not truly what to expect - have I not told you beloveds to expect the unexpected?

Children I shall continue to make known the unknown for still there is much to be revealed. I reveal unto you My little ones many secrets of the Kingdom, mysteries and truths not of this world. Your coming reality and blessed fortune.

Children praise the name of God. Praise Me for who I AM - the I AM the I A. The Great I AM. God Almighty, El Shaddai - El Elyon. I AM ever near children, never far. I AM with you always. Fret not but be strong and courageous in faith. Resist the devil and He shall flee. Truly I tell you when you submit to God, the powers of hell are defeated, they have no authority against you. Submit and the devil shall not be. Children you have the ultimate victory. These times are trying for all of you, most difficult but the Lord your God will make good upon the promises sanctified.

Children, it is you faith that makes whole, you shall all be whole who abide in Me. I shall see you through, I shall establish you. Trust, for My favor is upon you My little ones. I AM with thee, by your side. Children, I will never leave you. Hold fast to what you know is true. That I AM great for mighty is your God who saves you. I AM you keeper, the light that shines upon you, the One who graces you from Heaven - the One who shall sustain you. Take delight in My name, only in the hope that is I.

Children, this walk, your journey is a love affair between you and I. Love Me children, in deed and word, In works and fruit. Be ye bearers of My love. Flourish, let My love abide for it only is everlasting, My love and My word live on forever. Let My love in you be full, let you love for Me abound.

Children I care for you. Each and everyone of you shall be cared for. It is in My hand, under My control your end. I shall see you to it. This is My Promise. It is so.

Endure now children. Finish the race. The Crown of life belongs to those who overcome. Do as I say, follow me where I guide you. Pursue that which you are lead and you shall prosper. I love you My beloved. You shall succeed. The end is come. I AM ready to bring a close this age. Time is up.

My sickle is about to fall, sharp it is and swift. Make ready My Bride. I soon come for you. In but a moment, the last trump shall sound. Children I come quickly.

The following is a transcript of an interview with Pastor TD Hale from [Calvary Christian Center](#) in Galipolis, Ohio. In the interview, Pastor Hale describes the details of two dreams that he received from the Lord. The first dream was on December 28, 2011. The second dream was the very next night. The interview was conducted on March 27, 2012 by Rick Wiles, and was broadcast on [Trunews.com](#). You can [listen to the interview here](#).

## TRANSCRIPT OF THE FIRST DREAM

With the situation that we see going on in America, with the president and the administration certainly there are warning signs coming up. On December 28, 2011, I had been seeking the Lord for a word to give to our assembly. I went to bed that night just like any other night. The Lord just really dealt with me in the middle of the night concerning things that were coming.

I certainly was shocked when I saw what I saw. In the dream I began to see myself going across America. I was floating, suspended in the air going across America. I had no fear about what I was seeing. Then all of a sudden I began to see bombs had landed everywhere. The land was totally destroyed. It looked like things were totally just wiped off, grass, trees, everything.

Everything was gone, burned. There was nothing left. There was nothing on the trees. There was just total disaster. I don't know if it was everywhere but it was everywhere that I could see, from the point I was at.

When I saw this I saw people standing around their homes and things that were left, holding onto each other. I saw people that laid dead, and I heard the cries of the people saying, "This should never have happened, this should never have happened."

It was like they just kept saying it over and over again, "This should never have happened, oh Lord, this should never have happened."

You could tell that life had changed. There was no food. There was no water. I could see babies crying, grownups, men all crying, holding onto their families. They were begging God for mercy. As I moved along I saw people running, looking for their loved ones who were missing and they were completely, completely out of their minds. Insanity had taken over.

I could see people slinging themselves off of bridges, committing suicide. It was just so vivid what I could see.

Then I came over a big city that looked like Columbus, Ohio. That is when all of a sudden I saw mass hysteria, riots and all kinds of things breaking out in the streets of the city. There were windows being busted. There were people just grabbing things left and right. But when I saw it, I did not see them grabbing things like TVs and electronics. They were grabbing food. They were grabbing chips. They were grabbing water. They were grabbing anything they could get in their hands to sustain their lives. It was all about survival. I could tell that this was different from riots that we have seen in the past.

They had come into the stores by the thousands, as many as could come in. I saw them pushing shelves over and pushing electronics aside. They were trying to grab the food, the bread, the cases of water. They were seeking everything they could get for survival.

The rioters were fighting among themselves. I saw one man grab a gun out of his pocket and shoot another man right in the head.

The next part of the dream was the most startling for me. As I left that place, I was going like at the speed of light. I found myself standing on the backside of the White House. As I stood there I looked up. I heard a voice say, "Look up to the Truman balcony." I knew what a balcony was, but I did not know the balcony had a name. I did not know that there was a Truman balcony until I later shared this with a friend who told me there is a balcony by that name at the White House. In my mind, I believe the Lord identified that to let me know that my dream was from the Lord.

I saw the president of United States, President Obama, standing on the balcony and I saw in his hands a shotgun. All of a sudden, to my left hand side I heard a loud scream, real loud. When I turned my head to see where the scream was coming from I saw flying high in the air was a majestic eagle flying in the air around Washington DC. I knew that scream. I knew it was an eagle.

I saw all of a sudden the president of United States point that shotgun and shot that eagle dead and it fell to the ground. When it did I looked back up at him and he just had a smile on his face like a smirk. And these were the words I heard in the dream, "I've done it and I won't have to deal with this in my administration."

Then there was dead silence. Then I heard a voice say "Tell the people that this is my will, that this is my hand, this is the hand of the Almighty both upon the generation of the righteous and the cursed. The righteous will find their way and will know what to do. The cursed will wander around with no compass because the cup is full."

There will be people running around saying we don't understand why these things are happening, but people need to understand that God has everything under control. The Lord let me know that this is his will. This is his hand upon the righteous and the cursed and we have to accept that.

It amazes me how people have their heads buried in the sand when God is sending so many warnings to people through all kinds of His servants and yet they still will not believe. It is just like in the Bible (with ancient Israel). God sent the prophets and warned them there is going to come destruction, there's going to come to come trouble, the nations are going to come in and take over. But the people said, "No that's not going to happen, God is not going to let that happen. God won't do something like that." But then it did happen. Then the people went back to God and apologized to him and said we are sorry, but it was too late.

It is like people have fallen asleep. They don't have a prayer life. They constantly just go on as if nothing is going to happen. They act like life is

going to continue on as it is, like America is going to continue on as it is, and there is no urgency. They have their heads buried in the sand, but God is saying "it is time to wake up. Things are getting ready to happen. It is going to move at a fast rate. It is time to get a prayer life back."

At that point in the dream I knew we were coming to a showdown between good versus evil. I saw people gathering in their homes and there were prayer meetings. People were praying in the spirit. Then I heard the Lord say, "Tell my servants and my handmaidens a special anointing will reside on you in the last days. Hold not back your voices but speak your hearts for out of them come the issues of life. Pick up the mantle of prayer and cover yourselves in a secret place of prayer. Your eyes will be anointed with a special anointing. There will be others who will be blinded to my word. All things will be revealed in their due course. There will be a supernatural wave of the spirit that will come over this generation very soon."

The final voices are in the land to speak one last time. Yet through the ministries of tapes and DVDs and books that people would have in their possession that God will give them that spiritual food to sustain them during these times that are coming upon us. The Lord said, "There are harsh days coming."

All of a sudden, things changed in the dream and I began to hear a voice, the voice of God. I saw in front of me a very old antique table. I knew there had been documents signed on this table, special documents. I am hesitant to say this but I saw a voting ballot laying there on the table. As I looked at the ballot I saw two names on it. I saw the President's name and I saw Mitt Romney's name on it. Then all of a sudden I looked and I saw the president of United States name check marked. I knew then what that meant. I looked at the ballot and I saw written on the ballot, "This is the will of the Lord." Then I woke up.

America's days are numbered. The handwriting is on the wall. I am telling my church to be prepared and to get their house in order. I am telling them that whatever they need to do for their families do it quickly.

## **TRANSCRIPT OF THE SECOND DREAM**

The very next night I had a second dream in which I saw the American people going into slavery. In this dream I came upon a wooded area where I saw some people that were camping. They were not camping like we normally think. They were hiding. They were all standing by their tents. There were two tents. The people looked tattered. They looked like they had not taken a bath in ages. There were gallon jugs of water and they were trying to light a fire but

they didn't want to bring attention to themselves. But they had already been found out.

I saw some federal officials coming up around and they took these families. They handcuffed the adults and took them to the cars, and they took their children with them. I also saw two elderly people and they took them and put them in the car. I saw the federal agents and they said "We are from the United States government and you are under arrest."

I knew that these people had been running to get away from being arrested. They took these people to some kind of a processing place. I was standing in front of this building where I watched them being taken in and processed. To me, it was like I was looking at the days of Hitler again. The building looked like it had been modernized and updated and painted, but it looked tattered and things were very run down. I knew they were old military bases that had been shut down. I saw them take the people inside where they were being processed. I even saw them being fingerprinted.

I saw rail cars that came up beside this place. I did not go into the rail cars so I did not see inside them. That frightened me. It really disturbed me. I knew America was in trouble when I saw that. I knew we were headed down a path that was not going to be turned around.

I felt like I had entered into a death camp. What I saw literally sickened me. I knew that America was about to change.

## **MY COMMENTS**

An interesting point about TD Hale is that when he saw Barack Obama for the very first time back in 2004, the Lord showed him Obama would eventually become the president. So he got that right. Also, the dreams were given to him in December 2011, which was about six months before Mitt Romney secured the Republican nomination. Pastor Hale saw Mitt Romney's name on the ballot in the 2012 election so he got that right too.

At the time of this posting, it is Nov 2, 2012. The election is now only four days away. We will know then whether or not Pastor Hale's dream is correct regarding the outcome of the election. If Obama wins then Pastor Hale's track record remains good. If not, this post will likely not stay on my site and I will be left wondering where this dream came from.

The first dream has four parts:

1. Scene One – total destruction from bombs
2. Scene Two – mass riots in a large city in America
3. Scene Three – President Obama shooting the American eagle
4. Scene Four – election ballots with Obama winning re-election

Since we are just four days away from the election, it is safe to say the scenes are not in chronological order. In fact, my guess is they are in reverse chronological order. So my comments are listed below in reverse order.

**Scene Four:** This is very straightforward, Obama gets re-elected. The current polls show the race is very close. We will know in a few days whether or not the dream was accurate.

**Scene Three:** At some point after the election, Obama completes his destruction of our constitutional form of government and the freedoms we enjoy. It sounds like Obama will take over as a dictator at that point.

**Scene Two:** Many other prophetic voices have already warned about mass riots coming to America including John Paul Jackson, Terry Bennett, Shane Warren, and others. The dream did not provide any details on the timing, which is why it is important to note that John Paul Jackson connects the riots with the election. He said the riots would come because there was going to be such a furor over the election and over the fact that the American dollar has become worthless. The riots ultimately lead to martial law in many parts of America, with most of the violence and suffering concentrated in large urban areas. If you are living in the downtown area of a large city it would probably be a good idea to move out to a rural area. It would also be a good idea to stock up on canned foods, rice, beans, water, batteries, cash, and things like that. It sounds like a massive disruption is coming to our food and water supplies. Rick Joyner from Morningstar Ministries says he believes the worst part of it will last about three months and in some areas it will be less than that. Grocery stores get wiped out fast in panic situations so it is important to act before the crisis starts.

**Scene One:** This is very disturbing. TD Hale did not know what part of the country was hit or if all of it was hit. John Paul Jackson said a dirty bomb will explode in a coastal city making it uninhabitable for over 30 years. He also saw the tunnels that run under water in a large American city were completely filled with water. Others have seen missiles striking several large cities bringing massive destruction. No dates are provided so we do not know if this happens during the Obama administration or perhaps years later or even decades later. As with any prophetic words, we only see part of the picture. It is very important to avoid drawing conclusions beyond the details revealed to us. That only leads to misinterpreting the revelation. It is clear that this is a warning to all who have ears to hear in America. God is calling us to repent of our sins and turn to Him. John Paul Jackson said the Lord told him things will continue to get worse until we do that.

TD Hale's second dream is also very disturbing. Others have shared similar words about American citizens being forced into concentration camps. It

sounds similar to the horrible camps now used in North Korea and the Nazi camps from World War 2.

There are no dates provided so this might be very soon or it could also be years away. Based on other prophetic words received by other people, my guess is we have at least a few years before the concentration camps come. This is only a guess and could be way off. However, the reason I say that is because other prophets have indicated 2012 was the beginning of the great harvest of lost souls and that the harvest period would last about 12-15 years. The harvest will require lots of laborers so all believers cannot be locked up. Of course, it is also possible that concentration camps occur during the harvest season with some believers locked up while others are still free to bring in the harvest. This is the great harvest of the last days. We are blessed to live during these times. What an honor to be chosen by God to live during this awesome time.

My advice is to stay close to the Lord, just as Pastor Hale said. Spend time in prayer. Stay filled with the Spirit. Take no regard for your own life. Be bold to speak whatever God puts in your heart. Your words are life or death to those around you. God bless you fellow soldiers!

# THE JOE BRANDT DREAM OF 1937

## In 1937 Joe Brandt saw an Earthquake sink Los Angeles, much of California and Japan

### THE COMING EARTHQUAKE — Introduction by Jessica Madigan (Mei Ling)

On Christmas Eve, in 1965, my husband—my closest friend, Fran Brandt, and her husband, Joe, were celebrating with sandwiches, and coffee, and fruit cake, in the meditation room, downstairs. Carols poured from the TV, upstairs, a holiday dinner was in the making. For some reason, Joe—Fran's husband—ventured to speak of the coming California earthquake. It did not seem a moment to talk about earthquakes—because Christmas is the most precious time in the world. The huge tree, ablaze with tiny star-lights seemed to presage only goodness, and love, and beauty. Joe was saying that he had an accident—a fall from a horse when he was 17, and for days he had a concussion. During this period, a continuous dream came again and again—as if he were viewing a tremendous earthquake and inundation in California and other parts of the world.

I listened—politely—made some comment, and turned to talk to Fran about a new movie—or some equally world shaking event. I was vaguely aware that Joe had brought in a sheaf of papers—and he said he would put it in my downstairs desk [in 1965] until I had time to read the "dream". That time did not arrive, until, by accident, I came across them this last week [in 1967]—pages after pages after pages—written in a boy's handwriting, about the coming California earthquake. It would take weeks to research all this material—but I phoned my former geology professor and read portions to him. COULD THIS HAPPEN? COULD CALIFORNIA GO DOWN IN JUST THIS WAY? WOULD OTHER AREAS BE AFFECTED IN A MATTER OF HOURS? He answered in the affirmative. Joe had written (sleeping and dreaming—and in drowsy awakening—about positions of various FAULTS, strata of rock, earth movements, so much material that a geologist of many years would scarcely attempt such a work [this geological data was omitted from Jessica's book]. Yet—here it was—waiting for me to find it for two years. Since that night, Fran has changed worlds [in 1966 or 1967]—and my husband is very ill—other unforeseen events which I could not have imagined have taken place—and all this, perhaps, precluded my finding of the "earthquake papers".

This book is already very long—double its size—and I realize that this vision given to a 17

year old boy must be placed, as it is, into a book. Consciously, he knew nothing of geology or of the possibility of a coming earthquake. The notes are 30 years old—yellowed with age—and yet there is a clarity and an unbelievable reality in them. Some of the highlights must be given—because, I am certain now, as I was not certain on Christmas Eve of 1965, that the California earthquake WILL come . . . and its coming is close at hand. Since Joe covered the AREAS AROUND THE WORLD WHICH WOULD BE AFFECTED, not all of these can be given (although perhaps we can write a booklet on this experience), but for those of us in THIS LAND . . . especially the CALIFORNIA LAND, these are the highlights of that vision.

---

I woke up in the hospital room with a terrific headache—as if the whole world was revolving inside my brain. I remember, vaguely, the fall from my horse—Blackie. As I lay there, pictures began to form in my mind—pictures that stood still. I seemed to be in another world. Whether it was the future, or it was some ancient land, I could not say. Then slowly, like the silver screen of the "talkies," but with color and smell and sound, I seemed to find myself in Los Angeles—but I swear it was much bigger, and buses and odd-shaped cars crowded the city streets.

I thought about Hollywood Boulevard, and I found myself there. Whether this is true, I do not know, but there were a lot of guys my age with beards and wearing, some of them, earrings. All the girls, some of them keen-o, wore real short skirts. . . and they slouched along—moving like a dance. Yet they seemed familiar. I wondered if I could talk to them, and I said, "Hello," but they didn't see or hear me. I decided I would look as funny to them as they looked to me. I guess it is something you have to learn. I couldn't do it.

I noticed there was a quietness about the air, a kind of stillness. Something else was missing, something that should be there. At first, I couldn't figure it out, I didn't know what it was—then I did. There were no birds. I listened. I walked two blocks north of the Boulevard—all houses—no birds. I wondered what had happened to them. Had they gone away? Again, I could hear the stillness. Then I knew something was going to happen.

I wondered what year it was. It certainly was not 1937. I saw a newspaper on the corner with a picture of the President. It surely wasn't Mr. Roosevelt. He was bigger, heavier, big ears. If it wasn't 1937, I wondered what year it was. . . My eyes weren't working right. Someone was coming—someone in 1937—it was that darned, fat nurse ready to take my temperature. I woke up. Crazy dream.

The next day: Gosh, my headache is worse. It is a wonder I didn't get killed on that horse. I've had another crazy dream, back in Hollywood. Those people. Why do they dress like that, I wonder? Funny glow about them. It is a shine around their heads—something shining. I remember it now. I found myself back on the Boulevard. I was waiting for something to happen and I was going to be there. I looked up at the clock down by that big theater. It was ten minutes to four. Something big was going to happen.

I wondered if I went into a movie (since nobody could see me) if I'd like it. Some cardboard blond was draped over the marquee with her leg six feet long. I started to go in, but it wasn't inside. I was waiting for something to happen outside. I walked down the street. In the concrete they have names of stars. I just recognized a few of them. The other names I had never heard. I was getting bored, I wanted to get back to the hospital in Fresno, and I wanted to stay there on the Boulevard, even if nobody could see me. Those crazy kids. Why

are they dressed like that? Maybe it is some big Halloween doings, but it don't seem like Halloween. More like early spring. There was that sound again, that lack of sound. Stillness, stillness, stillness. The quiet is getting bigger and bigger. I know it is going to happen. Something is going to happen. It is happening now! It sure did. She woke me up, grinning and smiling, that fat one again.

"It's time for your milk, kiddo," she says. Gosh, old women of thirty acting like the cat's pajamas. Next time maybe she'll bring hot chocolate.

Where have I been? Where haven't I been? I've been to the ends of the earth and back. I've been to the end of the world—there isn't anything left. Not even Fresno, even though I'm lying here right this minute. If only my eyes would get a little clearer so I can write all this down. Nobody will believe me, anyway. I'm going back to that last moment on the Boulevard. Some sweet kid went past, dragging little boys (twins, I guess) by each hand. Her skirt was up—well, pretty high—and she had a tired look. I thought for a minute I could ask her about the birds, what had happened to them, and then I remembered she hadn't seen me. Her hair was all frowzy, way out all over her head. A lot of them looked like that, but she looked so tired and like she was sorry about something. I guess she was sorry before it happened—because it surely did happen. There was a funny smell. I don't know where it came from. I didn't like it. A smell like sulphur, sulfuric acid, a smell like death. For a minute I thought I was back in chem. [Chemistry class].

When I looked around for the girl, she was gone. I wanted to find her for some reason. It was as if I knew something was going to happen and I could stay with her, help her. She was gone, and I walked half a block, then I saw the clock again. My eyes seemed glued to that clock. I couldn't move. I just waited. It was five minutes to four on a sunny afternoon. I thought I would stand there looking at that clock forever waiting for something to come. Then, when it came, it was nothing. It was just nothing. It wasn't nearly as hard as the earthquake we had two years ago. The ground shook, just an instant. People looked at each other, surprised. Then they laughed. I laughed, too. So this was what I had been waiting for. This funny little shake. It meant nothing.

I was relieved and I was disappointed. What had I been waiting for? I started back up the Boulevard, moving my legs like those kids. How do they do it? I never found out. I felt as if the ground wasn't solid under me, knew I was dreaming, and yet I wasn't dreaming. There was that smell again, coming up from the ocean. I was getting to the 5 and 10 store and I saw the look on the kids' faces. Two of them were right in front of me, coming my way.

"Let's get out of this place. Let's go back East." He seemed scared. It wasn't as if the sidewalks were trembling—but you couldn't seem to see them. Not with your eyes you couldn't. An old lady had a dog, a little white dog, and she stopped and looked scared, and grabbed him in her arms and said: "Let's go home, Frou, Frou. Mama is going to take you home." That poor lady, hanging on to her dog.

I got scared. Real scared. I remembered the girl. She was way down the block, probably. I ran and ran, and the ground kept trembling. I couldn't see it. I couldn't see it. But I knew it was trembling. Everybody looked scared. They looked terrible. One young lady just sat down on the sidewalk all doubled up. She kept saying, "earthquake, its the earthquake," over and over. But I couldn't see that anything was different.

Then, when it came, how it came. Like nothing in God's world. Like nothing. It was like the scream of a siren, long and low, or the scream of a woman I heard having a baby when I was a kid. It was awful. It was as if something—some monster—was pushing up the

sidewalks. You felt it long before you saw it, as if the sidewalks wouldn't hold you anymore. I looked out at the cars. They were honking, but not scared. They just kept moving. They didn't seem to know yet that anything was happening. Then, that white car, that baby half-sized one came sprawling from the inside lane right against the curb. The girl who was driving just sat there. She sat there with her eyes staring, as if she couldn't move, but I could hear her. She made funny noises.

I watched her, thinking of the other girl. I said that it was a dream and I would wake up. But I didn't wake up. The shaking had started again, but this time different. It was a nice shaking, like a cradle being rocked for a minute, and then I saw the middle of the Boulevard seem to be breaking in two. The concrete looked as if it were being pushed straight up by some giant shovel. It was breaking in two. That is why the girl's car went out of control. And then a loud sound again, like I've never heard before—then hundreds of sounds—all kinds of sounds; children, and women, and those crazy guys with earrings. They were all moving, some of them above the sidewalk. I can't describe it. They were lifted up.

And the waters kept oozing—oozing. The cries. God, it was awful. I woke up. I never want to have that dream again.

It came again. Like the first time which was a preview and all I could remember was that it was the end of the world. I was right back there—all that crying. Right in the middle of it. My eardrums felt as if they were going to burst. Noise everywhere. People falling down, some of them hurt badly. Pieces of buildings, chips, flying in the air. One hit me hard on the side of the face, but I didn't seem to feel it. I wanted to wake up, to get away from this place. It had been fun in the beginning, the first dream, when I kind of knew I was going to dream the end of the world or something. This was terrible. There were older people in cars. Most of the kids were on the street. But those old guys were yelling bloody murder, as if anybody could help them. Nobody could help anybody. It was then I felt myself lifted up. Maybe I had died. I don't know. But I was over the city. It was tilting toward the ocean—like a picnic table.

The buildings were holding, better than you could believe. They were holding. They were holding. They were holding.

The people saw they were holding and they tried to cling to them or get inside. It was fantastic. Like a building had a will of its own. Everything else breaking around them, and they were holding, holding. I was up over them—looking down. I started to root for them. "Hold that line," I said. "Hold that line. Hold that line. Hold that line." I wanted to cheer, to shout, to scream. If the buildings held, those buildings on the Boulevard, maybe the girl—the girl with the two kids—maybe she could get inside. It looked that way for a long time, maybe three minutes, and three minutes was like forever. You knew they were going to hold, even if the waters kept coming up. Only they didn't.

I've never imagined what it would be like for a building to die. A building dies just like a person. It gives way, some of the bigger ones did just that. They began to crumble, like an old man with palsy, who couldn't take it anymore. They crumbled right down to nothing. And the little ones screamed like mad—over and above the roar of the people. They were mad about dying. But buildings die.

I couldn't look anymore at the people. I kept wanting to get higher. Then I seemed to be out of it all, but I could see. I seemed to be up on Big Bear near San Bernardino, but the funny thing was that I could see everywhere. I knew what was happening. The earth seemed to start to tremble again. I could feel it even though I was high up. This time it

lasted maybe twelve seconds, and it was gentle. You couldn't believe anything so gentle could cause so much damage. But then I saw the streets of Los Angeles—and everything between the San Bernardino mountains and Los Angeles. It was still tilting towards the ocean, houses, everything that was left. I could see the big lanes—dozens of big lanes still loaded with cars sliding the same way. Now the ocean was coming in, moving like a huge snake across the land. I wondered how long it was, and I could see the clock, even though I wasn't there on the Boulevard. It was 4:29. It had been half an hour. I was glad I couldn't hear the crying anymore. But I could see everything. I could see everything.

Then, like looking at a huge map of the world, I could see what was happening on the land and with the people. San Francisco was feeling it, but she was not in any way like Hollywood or Los Angeles. It was moving just like that earthquake movie with Jeanette McDonald and Gable. I could see all those mountains coming together. . . I knew it was going to happen to San Francisco—it was going to turn over—it would turn upside down. It went quickly, because of the twisting, I guess. It seemed much faster than Hollywood, but then I wasn't exactly there. I was a long way off. I was a long, long way off. I shut my eyes for a long time—I guess ten minutes—and when I opened them I saw Grand Canyon.

When I looked at Grand Canyon, that great big gap was closing in, and Boulder Dam was being pushed, from underneath. And then, Nevada, and on up to Reno. Way down south, way down. Baja, California. Mexico too. It looked like some volcano down there was erupting, along with everything else. I saw the map of South America, especially Colombia. Another volcano—eruption—shaking violently. I seemed to be seeing a movie of three months before—*before* the Hollywood earthquake. Venezuela seemed to be having some kind of volcanic activity. Away off in the distance, I could see Japan, on a fault, too. It was so far off—not easy to see because I was still on Big Bear Mountain, but it started to go into the sea. I couldn't hear screaming, but I could see the surprised look on their faces. They looked so surprised. Japanese girls are made well, supple, easy, muscles that move well. Pretty, too. But they were all like dolls. It was so far away I could hardly see it. In a minute or two it seemed over. Everybody was gone. There was nobody left.

[Brother Branham said: "Japan . . . she's ready to rock to pieces right now. And there's no way you can stop it, because they have neglected to do exactly what God told them to do. Instead of preach of Gospel, they have built buildings, and had fine scholarships, and educations" (Uncertain Sound, #61-0415E)].

I didn't know time now. I couldn't see a clock. I tried to see the island of Hawaii. I could see huge tidal waves beating against it. The people on the streets were getting wet, and they were scared. But I didn't see anybody go into the sea.

I seemed way around the globe. More flooding. Is the world going to be drenched? Constantinople. Black Sea rising. Suez Canal, for some reason seemed to be drying up. Sicily—she doesn't hold. I could see a map. Mt. Etna. Mt. Etna is shaking. A lot of area seemed to go, but it seemed to be earlier or later. I wasn't sure of time, now.

England—huge floods—but no tidal waves. Water, water everywhere, but no one was going into the sea. People were frightened and crying. Some places they fell to the streets on their knees and started to pray for the world. I didn't know the English were emotional. Ireland, Scotland—all kinds of churches were crowded—it seemed night and day. People were carrying candles and everybody was crying for California, Nevada, parts of Colorado—maybe even all of it, even Utah. Everybody was crying—most of them didn't even know anybody in California, Nevada, Utah, but they were crying as if they were blood kin. Like one family. Like it happened to them.

New York was coming into view—she was still there, nothing had happened, yet water level was way up. Here, things were different. People were running in the streets yelling—"end of the world." Kids ran into restaurants and ate everything in sight. I saw a shoe store with all the shoes gone in about five minutes. 5th Avenue—everybody running. Some radio blasting—bigger—a loud speaker—that in a few minutes, power might be shut off. They must control themselves. Five girls were running like mad toward the YMCA, that place on Lexington or somewhere. But nothing was happening in New York. I saw an old lady with garbage cans filling them with water. Everybody seemed scared to death. Some people looked dazed. The streets seemed filled with loud speakers. It wasn't daylight. It was night.

I saw, like the next day, and everything was topsy turvey. Loud speakers again about fuel tanks broken in areas—shortage of oil. People seemed to be looting markets.

I saw a lot of places that seemed safe, and people were not so scared. Especially the rural areas. Here everything was almost as if nothing had happened. People seemed headed to these places, some on foot, some in cars that still had fuel. I heard—or somehow I knew—that somewhere in the Atlantic land had come up. A lot of land. I was getting awfully tired. I wanted to wake up. I wanted to go back to the girl—to know where she was—and those two kids. I found myself back in Hollywood—and it was still 4:29. I wasn't up on Big Bear at all, I was perched over Hollywood. I was just there. It seemed perfectly natural in my dream.

I could hear now. I could hear, someplace, a radio station blasting out—telling people not to panic. They were dying in the streets. There were picture stations with movies—some right in Hollywood—these were carrying on with all the shaking. One fellow in the picture station was a little short guy who should have been scared to death. But he wasn't. He kept shouting and reading instructions. Something about helicopters or planes would go over—some kind of planes—but I knew they couldn't. Things were happening in the atmosphere. The waves were rushing up now. Waves. Such waves. Nightmare waves.

Then, I saw again. Boulder Dam, going down—pushing together, pushing together breaking apart—no, Grand Canyon was pushing together, and Boulder Dam was breaking apart. It was still daylight. All these radio stations went off at the same time—Boulder Dam had broken.

I wondered how everybody would know about it—people back East. That was when I saw the "ham radio operators." I saw them in the darndest places, as if I were right there with them. Like the little guy with glasses, they kept sounding the alarm. One kept saying: "This is California. We are going into the sea. This is California. We are going into the sea. Get to high places. Get to the mountains. All states west—this is California. We are going into the. . . we are going into the. . ." I thought he was going to say "sea," but I could see him. He was inland, but the waters had come in. His hand was still clinging to the table, he was trying to get up, so that once again he could say: "This is California. We are going into the sea. This is California. We are going into the sea."

I seemed to hear this, over and over, for what seemed hours—just those words—they kept it up until the last minute—all of them calling out, "Get to the mountains—this is California. We are going into the sea."

I woke up. It didn't seem as if I had been dreaming. I have never been so tired. For a minute or two, I thought it had happened. I wondered about two things. I hadn't seen what happened to Fresno and I hadn't found out what happened to that girl.

I've been thinking about it all morning. I'm going home tomorrow. It was just a dream. It was nothing more. Nobody in the future on Hollywood Boulevard is going to be wearing earrings—and those beards. Nothing like that is ever going to happen. That girl was so real to me—that girl with those kids. It won't ever happen—but if it did, how could I tell her (maybe she isn't even born yet) to move away from California when she has her twins—and she can't be on the Boulevard that day. She was so gosh-darned real.

The other thing—those ham operators—hanging on like that—over and over—saying the same thing:

"This is California. We are going into the sea. This is California. We are going into the sea. Get to the mountains. Get to the hilltops. California, Nevada, Colorado, Arizona, Utah. This is California. We are going into the sea."

I guess I'll hear that for days.

### **Joe Brandt's Dreams agree with the Prophecies of William Branham**

A prophecy that I made about 1935 or something like that, said: "The time would come (It's written in a book somewhere) that the sea would weep it's way into the desert." Look what'll take place. If that thousands of square miles falls down into the lava of the earth and slides in, there'll be millions die at one time. And that'll cause such a tidal wave. . . Remember, plumb up into the Salton Sea is a hundred or two hundred feet lower than the sea level. That water will probably come almost to Tucson with that tidal wave coming across there. And the sea shall weep its way into the desert (William Branham, Trying to do God a Service without being in the Will of God, p. 6:25).

[The Spirit of the Lord came upon the Prophet as he was preaching in Los Angeles]: "We don't know what time. And you don't know what time that this city one day is going to be laying out here in the bottom of this ocean."

*"O, Capernaum," said Jesus, "Thou who exalted into heaven will be brought down into hell, for if the mighty works had been done in Sodom and Gomorrah, it'd have been standing till this day."* And Sodom and Gomorrah lays at the bottom of the Dead Sea, and Capernaum's in the bottom of the sea. Thou city, who claims to be the city of the Angels, who's exalted yourself into heaven and sent all the dirty filthy things of fashions and things, till even the foreign countries come here to pick up our filth and send it away, with your fine churches and steeples, and so forth the way you do; remember, one day you'll be laying in the bottom of this sea. You're great honeycomb under you right now. The wrath of God is belching right beneath you. How much longer He'll hold this sandbar hanging over that, when that ocean out yonder a mile deep will slide in there plumb back to the Salton Sea. It'll be worse than the last day of Pompeii. Repent, Los Angeles. Repent the rest of you and turn to God. The hour of His wrath is upon the earth. Flee while there's time to flee and come into Christ." Let us pray." (Choosing a Bride, p. 35:3-5).

[And again]: "The last meeting I had in California, while speaking, and didn't know nothing happened till I got on the street, It told California, said, "Capernaum, Capernaum, the city that's called by the name of the angels (that's Los Angeles), you've exalted yourself into heaven, but you'll be brought down into hell. For if the mighty works had been done in Sodom that's been done in you, it would've been standing till this day."

"Now, the last few days, the great roaring and popping. Then, here come out a paper of science, said, "It's all honeycombed; it's got to go under." They just know it." "And you watch, the water will come plumb back into the Salton Sea. Los Angeles is doomed for judgment. I tell you before it happened, that you might know when it does happen. I never spoke that by myself. And I've never had Him to tell me one thing but what happened. And you can bear record of that. That's right. When? I don't know." "I went out, and they told me what I said. And I listened, went back and searched the Scripture. You know, Jesus said, almost in them same words about Capernaum; and Sodom and Gomorrah was in the bottom of the Dead Sea, I suppose was then. And later, about a hundred years later, Capernaum slid into the sea, and it's in the sea. The same God that put Sodom in the sea for its sins, the same God that put Capernaum in the sea for its sins, the same God will put Los Angeles in the sea for its sins, that city of corruption." (Works is Faith Expressed, p. 8:61-64).

# NIBIRU / PLANET X - CATAclysm DREAMS FROM RUSSIA

Tatyana

11:29 AM (1  
hour ago)

to me

These are dreams Russian speaking people have about the end of the world. They are just secular people. No indications that they are Christians.

I apologize for broken English, but I used [google.translate.com](https://www.google.com/translate) to do it quick (it may take many hours to translate properly)

I still hope you would be able to grasp the meaning of what people saw in dreams.

When I read them, was quite impressive.

Maybe you could use it somehow sometime.

Tatyana

Here they are: (there goes a name or a nickname in front of each dream)

In the visions of dreamers neutron star in the sky looks like a serpent, "black hole", rotating swastika cross, fiery rainbow, glowing ball, comet, the second moon, or a red-hot planet. Dreams describe this cataclysm in sufficient detail. Leo Tolstoy once asked Maxim Gorky tell him my worst dreams. Writer long strained his memory and finally remembered one of them: "One day I saw some scrofulous, gnilenkoe sky, greenish-yellow, the stars in it were round, flat, without rays, without luster, like sores on the skin skinny . Between them rotten sky gliding, slowly, reddish lightning, very similar to a snake, and when it touches the stars, she instantly swelled, became a ball and burst silently, leaving in its place little dark spot, like smoke - it quickly disappeared in purulent, liquid sky. So one after another burst, killing all the stars, the sky became dark, scary, then - zaklubilos, boiled and torn to shreds, began to fall on the head of my liquid jelly, and breaks between tufts was a shiny black roofing iron. "

Carl Jung in his scientific work «Ein moderner Mylhus» (1958), which developed the theory of the collective unconscious mind, described the dream of his friend: "When this area is rapidly approaching the Earth, at first I

thought it was Jupiter descended from its orbit, but when she came closer, I saw, despite its huge size, it is too small for a planet like Jupiter. ... When we realized that it must be the worst way to hit the Earth, we felt conscious horror. But it was a horror, which is dominated by awe. It was a cosmic action, inspiring awe and amazement ... The second area, and the third, and another approaching at high speed. And each of them hit the ground ... ".

Georgy Kuznetsov. Sochi. I see all these catastrophes, as if from the outside. Gray sky, but sometimes there is a sun. State of depression and apathy. Very few people, but they know what is coming another terrible disaster. Some try to hide underground. At night, in the gaps between the clouds, visible rapidly rotating star (swastika) surrounded by a luminous cloud. It approaches closer and closer. Falls many stars (meteorites?). In heaven and on earth fire. Black rain pours. Begins to hurricanes, earthquakes. The earth trembles and hesitates. On the horizon, there is a huge black-and-gray wave and glowing pillar, consisting of water, rubble stones, which reaches to the skies. Monstrous lightning cut through the space. Star sucks like a vacuum cleaner planet's atmosphere. I wake up from suffocation. Heart pounding. For a long time I can not sleep .

VA Patrushev. Perm, Lysva. Read your book "Apocalypse Tomorrow Comes", which refers to the neutron star. Amazingly, I have for several years dreaming the dream of such a cataclysm. In the dream, he is shown as the alternation of frames from the cartoon. By approaching the Earth spinning star black and brown, around which several satellites and maintains a huge gas-dust plume. It is getting closer and closer. Star pulls the Earth's atmosphere in different directions, and it looked like a bagel. On the planet begin terrible hurricanes, storms and earthquakes. Huge waves fall on the continents and poured considerable space. The earth is turned on its axis and the northern hemisphere is becoming south. I hear a voice: "Fear the rays." Probably - an X-ray or gamma radiation of a neutron star. In this dream ends, and I always wake up. Is all of this happens in real life. It may seem ridiculous, but I'm digging a bunker under his home ... ".

Erzhanov Shuhrad. Uzbekistan. If I and my companion are standing in the office. Office in a high-rise building, a decent room, rich. Something to discuss. We have been in business their suits. Ornate look. Suddenly, I look out the window and there in half the sky, visible to the black hole! Companion to run away. And I stood there and looked at her. She was beautiful, went spiral circles funnel. She was in heaven. Was the day, the sky was blue, and in the center - a black hole. I stood and looked, and I knew it ... End of the World. "

Ksana. Ukraine. In the dream, I looked out the window at the starry sky. I saw the stars black arachnid funnel. Decided that it was a "black hole." "Black

Hole" spun like a top, threw themselves upon the stars and they disappeared. I was very scared for our solar system ... and woke up. A lasting impression. Beresta Gu Re. Here's a more a dream. I go around the city, look at the sky and see on it two suns, it was very scary. What is this !?

Crow. Today I dreamed that I was going through the city. Then I looked at the sky - it was 2 sun:

- The first - the usual sun;
- A second spiral-shaped. I've never had ever seen. I did not know what to expect from this sun and decided not to look at him. Once in memory surfaced moments from movies and cartoons when different spirals hypnotized, so I decided that it is possible and it is. So it is better in any case not to look at the long second sun ...

Most interesting is that my husband also had a dream today is 2 sun, and one of them was also spiral. In his dream, it was designated as the sun from another galaxy, who knocked from its orbit. And this was the end of the world

....

In reality, we were in different cities at this time.

Katya. Recently had a dream that the sun in the sky 2!

Iralend. Dreamed of 20 to 21. I'm in the garden on a hill or some hill because the terrain goes down somewhere, but smoothly. Around trees, shrubs, lots of greenery. Time of day - like twilight. Close to my father on the stairs, put to the tall tree, trim branches, doing something in the crown of the tree. I, too, was standing on some stairs or site-level tree crowns. I look along the slope of the hill toward the horizon, because there begin to occur the following phenomena: the sky darkens, appear twisted into clouds and whirlwinds at the same time appears as if the full moon, but in a haze, not bright. At some distance from it is the same second. I look and I understand that this may not be the moon for any scenario, because on the other side of the horizon in the sky hangs a real full moon, bright, such as must be the full moon in the clear sky. I comes the realization that these two luminaries - the sun, but I can not understand why they came almost night and why there are two. Becomes very scary, I understand that rolls inevitable. I do not know where I go. Then everything is as it speeds up. I look at all this while standing on a wooden staircase, but why am above the trees. From these suns on the ground rolling wave of fire that burns everything in its path. I feel that now we all will burn and that's come PD wave passes beneath me, I'm not touching. Then on the same side wall is water, but not like a tsunami wave, but just by a high wall, but somehow slowly, as if slowly filling the tank. I'm still on the ladder, which is already on what does not rely just stands as a pillar, the water is getting to the legs all around flooded, some giant whirlpools around, comes to me already on the belt. I realize that I have left a few minutes, my head is beating

only one thought that all this is the end, but I need to be sure to suppress fear, because it is the most important thing for me, nothing is more important, and I begin to pray ...

MarMattaru. I dream that I was in my apartment, I said something to my mother, and all of a sudden I have a vision (in a dream): two suns. And I see them not as if looked at the sky, and as if I'm in space and watch them on a background dark blue sky, almost black. They are absolutely the same, fire, such as the sun looks like in space, and I have an understanding of the vision, as if the words appear in my head: "Soon the time will come soon!". Vision ends as abruptly as it began. I turned to my mother, I was very scared, but at the same time I'm happy because I waited so long, no longer believe that the time will come, but my vision has indicated that the wait a little more. I told her that I had a vision that soon the time will come, she hugged me and said that she knew.

In this dream ended, and I immediately woke up. It was one of the highlights of my dreams, after which the first few seconds seem like it was real. This dream I dreamed somewhere a couple of months ago, I do not remember exactly when, but sleep remember so clearly, even the details (especially vision), not some actual events are not remembered me so clearly!

Vladimir. Vorkuta. I wake up in an empty apartment. After some time, turn on the radio and alert system works civil defense headquarters - in writing. A woman's voice constantly repeats that the people do not go out on the street that all communications are disabled. Completed recording the words of the end of the world, which happens because of two suns. After listening to my brother and I looked out the window and found nothing unusual except the empty streets, the sky was clear. Thought that everything was ok, but just a few minutes notice on the horizon two suns. They were at different levels, and with each passing hour aligned with each other. The woman who spoke about the disaster on the radio, do not say exactly the start time of the apocalypse. By counting the number allotted to us time, my brother and I went to the last walk, meet different people, who told us that many lucky ones sent to a safe place (did not understand where exactly). Later, after returning home, looking at the sky, we saw two suns almost leveled. Then I grabbed the phone in a panic trying to reach somewhere, but in the tube sounded another record. "End of the world comes, say goodbye to this world and pray to God," And it's very, very sad barely audible music. Next, a bright light began to roll closer to our windows in the room. And, in the end, the flame that devoured all the ground outside the window, to reach us. I woke up.

Alsavya. Me on Good Friday before Easter in 2008, dreamed of two suns rise. And I was really scared and at the same time fascinating. And the feeling of

something new, like a new life. And the voice: "That you, the IRA, the second life."

And I'm with my son 12 years (actually 25). Look out the window and see the sunrise one, followed by a second sun. I rummaged all downers, and only just now you have found similar.

But sleep is really bright and incredibly impressive.

Tinteite. Well, the buggy had a dream I Sedna: polubutaforsky Gondor, two suns in the sky (under one of them, I realized my sick mind meant sauronovu zyrkalku), all Th-run, with somewhere already sunset, steam trucks on horse-drawn ... Mliin.

Darinka. I dreamed that I was resting with his family and friends on some island somewhere in the Pacific Ocean. Around palms, sun, sand, snow-white, light waves rolled ashore. Beauty. Suddenly the clouds gather on the horizon, somehow begins tide (in a dream vacationers me say that this is always the case in the afternoon). Storm begins and all the people that on the beach, run up to their hotels. We also go, but found that my grandmother was gone. We are looking for her in the rain on the island, around a downpour, thunder and lightning. I find it intact in some arbor. Then the rain ends. Suddenly, from behind the clouds out not one, but as many as two suns, and one high in the sky and the other on the horizon!

Maxim. Krasnoyarsk. Before you wake up, I dream that I woke up in the morning, no I did not feel tired, even the opposite lifting forces and indescribable happiness. Because rays of the sun fell into my room. I got out of bed and go to the window. Look at the sky and see the sun (and think to myself, what a beautiful) I looked a little bit to the side in the sky, I saw another sun. Almost the same size. The eyes are not blind at all, though shining brightly. I do not know if there were clouds, but even if these were two of the sun was shining so brightly that they could not be seen. And what is most interesting, in that moment, when I saw the second sun comes my understanding of this vision, the words (thoughts) if there are in my head: "Soon the time will come soon!". I seem to be waiting for something, looking out the window at the sun ...

G1one. I had an end. In short, I go out for a walk. Then see opachki, two suns one ogromennoe orange, as in America the Moon. I feel the earth changes pole goes somewhere ... And then bang tsunami waves everywhere! In general, I wake up.

Sonia. This dream I dreamed seven years ago, when I was 27 years old. I was so impressed by bright colors, feelings that remembered him for a lifetime. I dream that I am present in a space reminiscent of the form of open space in which large golden sun, surrounded by a gray haze and away from him, dazzling white smaller star. The sun radiates heat and light and dark blue

space near it warmed up and acquired tender green. Star emits cold white light. I have a feeling that the star must be connected with the sun, but it is hampered by a gray haze surrounding it. I feel frustrated by this, but I know that it will happen when the sun warms up so that gray haze simply evaporate. I understand that this is all I dream about. I wake up with a feeling of aching longing.

Hel. In the dream, I'm a guy, tall, 3.4 meters, with me hunting breed dog, too big, we sit with her at the shore of a small lake. Around the wilderness of the land, on the one side of the mountain, everything has a shade of red, the earth, seems to dry up - it cracks. I'm sad. In the sky two moons and two suns and one small red sun, another large orange.

Chris. In general, I do not remember everything. 3 dreamed of the sun or the Tipo. I remember someone said that among these suns have Uranus. More I rummaged in the book about astrology. There was still time, you know how the eclipse, only partial. Half before the sun and goes, it was two-fold. I also remember that one of said, "they may encounter, and then all kaput."

Anonymous. Dreamed a strange dream about the End of the World. I used to dream such dreams, but I do not really pay attention to it, but now there was something else that I do not know, but I'll try to describe. I went outside and the sun disappeared, the rain came, and then the sky flashed 3 Suns. Or our planet, or other planets swept past us, from this were large flows of wind, people screaming, but I did not cry. I just stood there and realized that this is the end, the wind blowing my clothes and began a meteoric rain, one of them fell near me, and I threw the blast, then at me falling meteorite and I woke up. I do not know why, but it has given some anxiety in me, I do not know whether to take it so seriously.

Mila. Ulyanovsk. It's a dream for a long time. In the dream, I saw the sky brightened with splashes as when the northern lights and three suns in the sky. Two identical and huge, the third smaller slightly. About feelings and treatment of sleep - does not matter. Drawn to the sun, which was in the center with the full knowledge of his, home of the Hierarchy of Light. Imagine my surprise when, one morning, read the newspaper about such a dream one woman. The same sky with flashes of rainbow light, but only two huge sun on it.

Erana. Of Moldova. Chisinau. I dreamed 7 suns. I'm standing in the middle of the ruined city, similar to Babylon. I look at the sun and wonder. Someone comes up to me and says, like, this is nonsense: "That's when you'll see the 9 suns, come Armageddon."

Ekk. Saratov. Dream about the End of the World. Look at the sky (the time it was late in the afternoon, a little getting dark already, but still relatively light) and where the stars appear, and I look, look, and then there are some very bright star appears (as seen in the summer of Mars), then it becomes as the moon. Everyone thinks it's a full moon, and I say, "You fools, what the moon! Moon over there, in the form of the Month. " Was spectacular - Month-moon and weird object in the sky.

And then these things "miracle" comes close to Earth! Getting closer and closer ...

Ray. In fact, these dreams were a few, but the meaning of one - I'm out of a building, such as the theater, and I notice the sky the moon. Go, for some time, toward the house and accidentally corner of my eye, I notice another moon, which is not like the color and the size of the first one. It is understood that the moon I've seen and this is the second moon, and some kind of anomaly. I do not know why, but it's in a dream cause panic. Was still sleeping when the sky is covered all areas (like the moon) different color and diameter, and the response is the same - the fear and the desire to get away from this place ... ".

Andree. I want to write about my dream. About Me: I am a priest. Everything that is written is true. Had a dream about six months before I read this article and realized that it would be something similar. I go with my father down the mountainside after sunset and pay attention to the moon and see that the Moon be in size and brightness of the second moon (think to myself in a dream, that it is). After a few minutes the whole earth begins to tremble and our house with us slide down the mountain, but the worst happens then - a noise of approaching waves. All becomes clear (my family) that there is no salvation. I wake up in the excitement and anxiety for the upcoming tests to invade us.

Alex. I called a dream: "Day of the end of the World". It was like this: I was walking down the street, as in others have shown that the world froze for a second, and all was quiet. I raise my head and see the planet, HZ what it was like. It is unlikely that the Sun, the Moon, even more, but she was so close that it seemed very large. Then suddenly the calm is broken wind and cold, then immediately I saw the earthquake, and the magma (lava) rose! I was on the main street of the city and so everything has changed there. It is difficult to convey ...

After all seen me, I rushed home, only to come to the yard, I saw a friend. I started to tell the story, when suddenly ... I saw the light ... a bright blinding light ... I fell and did not hear anyone's voice! I woke up in some place where he could not make out, but I have seen I did not like very much, it was as if some CARBON BLACK! The houses were dilapidated, and how to blow up the car. It feels that "BP down to Earth." From all of my neighborhood left, just nothing ... 100-130 of 1000 ... The food was not suitable, and the water is poisoned. But after some time, people learned to draw water from which is similar to the Fungi, which began to grow on rocky surfaces, and extract them with water, then life is normal. It's just a dream, but it was like a reality!

Yana30. Again dream within a dream (as it was once when I lived for several weeks in a dream one night and woke up "in a dream" several times until you wake up in reality). I hear the hum, vibration, open my eyes, I look - dark outside. I realize that it's time to get up already. At 9 am local time, and the window night! I called my mom, she was in a panic, crying, says, is that the truth may be. I called my grandmother, she said that the dawn should start at 4 am, and is only now beginning. Asks me what it means. In the dream, I understand that this is the beginning. I regret that I did not have time to buy a house in the village, which, incidentally, looked a week ago.

We start going somewhere. On the street the strongest hurricane, knocking down, but there is no panic in his sleep, as if - this is done, which means that we must act, not snot dissolve. In the dream on TV news transmitted that the sun has risen to 4.5 hours later than usual, and it has caused panic and fear around the world show a crowd of people running somewhere, looters, some killed themselves, someone jumps from the roof, someone passionately praying ....

Next Story - go out, see a red moon completely horns up just above the horizon, it is huge, half the sky. Someone next to me says: "It is strange to be a full moon, why such a strange sickle."

Then feel the same vibration, and wake up. At this time in reality. Vibration continues, the body as if everything is buzzing (or is it on the street was buzzing?), It was difficult to distinguish from the hum hum from the inside out. Effort of will try to get rid of this drone is not obtained. Then realize that he does

not need to fight, it only weakens my strength, and immediately feel like a failure in the aircraft in an air pocket, and the feeling of weightlessness ... hum stopped. Came the realization communication hum - weightlessness (dizziness, etc.). Hum their vibrations like "beats" from you something that prevents fly. Will you resist - only to lose power. In general, very clear night, I knew that with this drone (like vibrations nat. Body) - you can fly. In the morning, the picture is not so clearly evolved, but the feeling remains ...

P.S. It is still remembered that someone brought calculations, as was the ratio change Earth - Sun. Remember numbers 90 and 120 degrees.

Pashockz. Today dreamed we Batya day walking down the street. We each his camera. Suddenly we see the second moon in the sky next to the first one. The first was almost complete, and the other looked like a thin month. We decided to shoot this thing. As soon as I pulled out my ph, it became clear that the second moon became larger and fuller. Whence came the name of the second moon, it begins with the letter T (I think the first syllable was Tan, enough beautiful name). It seems like sometimes the moon appeared briefly in the sky, and then disappeared. Then it became more and more, and we have not seen, as she grew up, just look at the next it was more. Dad also took out his camera, but it turned out that it is not visible through the lens, because should bring ph on her as she was hiding somewhere, over the house, behind a tree. Despite the fact that it has become a truly huge (about 10-15 diameters of the visible moon), we shoot it and failed.

In general, I periodically take countries various celestial phenomena. For example, it happens that I'm in a dream in the country and then the sky changes color, there appear some dark-colored swirls. Begins such a monstrous thunderstorm with lots of lightning. I'm starting to feel something quite insignificant, and perceive what is happening as the true end of the world. Often in these dreams also seen the Moon and other celestial bodies.

Stepochkina Julia. I ask, if possible, to explain my dream. He was so impressed me that still can not get over it. I saw the End of the World. Very low sky with amazingly bright colors, dark, and in the distance, as if the bright sun rises, as a band of fire in the sky 2 huge moon, as fantastic pictures. Very creepy. Rushing people screaming, crying, I'll leave the youngest child in the house, go and mutter, "What End of the World, and how Sasha, she was only

1 year and 7 months, and she should live a long life." Meet some acquaintance with the work, he with 2 bottles of liquor wondered why I was the last day of my life drunk "as a lord." I shouted to him, do not go, and he staggers and said that he was waiting for. Raised a strong wind storm and suddenly all was quiet in the sky is clear, though dark, it is illuminated and there are signs of the zodiac. Someone whispers, "This is the end." Suddenly ahead rises like a mirage, a huge Orthodox church, dazzling white. And how yelled: "Lord, forgive and have mercy." And it's not gone, not crawled to him. And I do too. What does this mean? I was very worried.

Battie. During the long and rather gloomy slumber I was shown the solar disk in black and blue sky, everything is somehow sketchy. And it suddenly hit drive (apparently) the moon, and somehow started here and there to make a reciprocating motion is not completely go beyond the first disc, with quickly. Then it was shown how it looks in the world - it seems like a child flickers sunbeams from almost complete darkness to bright sunlight. It was scary, but do not panic and abruptly, but somehow otuplyayusche scary.

There is no stain. It specifically some other celestial body, I do not know, maybe not the moon (and perhaps there were two) ...

Mad-soft. No, it was not something in that spirit, as it is usually taken to represent fire, explosions, all in ruins, etc. Everything was completely different. I was at home, in the hallway. With me were two close more human. I do not know exactly who, but it seems that the father and mother - And, perhaps more symbolically than my real parents. And from somewhere in the head came the news that now the world will end - just a couple of minutes. As if the angel said, or someone from a higher power. There was no threat, nothing. Everything was quiet and peaceful. I suddenly remembered the photos that have recently finished shooting, but has not yet done anything with them. Wanted to tell someone you know about them that were with me that they are with them something done, brought the matter to the end. But then he realized that this is a universal End of the World, and they, too, will not - and calmed down. Went to the window in the unlit room in silence pushed back the curtain. Among the dark blue sky hung round the moon, it was a total eclipse. Very strange eclipse, more like a sun: the shadow was less disk of the Moon, her end of the world,

and indeed the shadow was not black and blue, and in the center of the moon could still see the craters. Amazing, fascinating spectacle. I remembered that my camera can photograph the moon well, and I thought to drag it, while there is still the last minute, but then realized that it was no good. The amazing thing - to be able to see what no one has ever seen or will see it being understood that even pictures of pointless, because a minute later there will be neither you nor those with whom you could share this, nothing. Only silence. How to tape reel tape recorder - the tape comes to an end and the sound stops. No panic, no fear, no pain - just a magnetic track is over, as it should be. End of program. Stop.

Sunpet. Dusk, began to appear stars in the sky, a lot of stars. But the sky was very bright. I noticed that the two stars move across the sky, as if chasing each other. Got the idea that it's aliens and finally I saw a UFO. Timidity woke up. Then he fell asleep, and continued to stare sleep on, but I realized that few events missed, because were not stars, and two balls in the sky, similar to the moon, but they were different colors and they even could be seen as craters on the moon . They went down, overlapping each other in the sky. Then I do not remember what happened.

Anna. Kiev. I had an end. This proved to be a big test for me. I was sitting on a large area in the cafe and watched the passing cars from the early 20th - century. I looked at the sky, it was dark and heavy. Then he looked out the moon, it was black and very large. The moon began to cover light small spots like cracked black paint. I screamed and everyone looked at the moon. And then, she said, with a crash and a bang, fell into the abyss. The earth trembled under his feet, all swayed buildings began to crumble. I was as bad as ever. Started to panic - all somewhere fled, shouting something. I ran into the middle of the square and in the ears something buzzed. Gul quickly began to grow, I became ill ears and head. I immediately woke up with a strong heartbeat and in a cold sweat. Rumble gradually subsided. I do not find a place for himself. And somewhere in a year I again had a doomsday.

Antariana. Sleep. The case went to some planetary catastrophe. I went with a group of people for some terrible terrible place of power. We went, right on the outskirts of the city. I realized myself in the moment when I saw in the starry sky 3 moon. More precisely, it was one moon, then unknown planet and

the rotating galaxy. Then the sky began to fall fiery chunks stars became visible and various other galaxies. Everything collapsed and we were taken to some kind of school of magic, such as a safe haven ...

Vladimir. Orsk. Had a dream that I went to the balcony and looked at the sky. There was a very entertaining and affecting its scale and unusual, fantastic picture. The sky was three moons. One was very high in front of me, it is twice smaller than normal, although complete. To the left was some amorphous moon, she moved across the sky, changed its shape, and on it, as if inside it appeared and disappeared some dark clots. On the right was a normal full moon, it was nothing special. Beginning of the eclipse and the disk of the moon in front of me began to move Saturn. I took a telescope and began to watch, but clouds in the sky flying and barred the peak of the eclipse. Clouds were also amazing - they glowed purple bottom, even purple light, there were many, they were small. The main square of my city, or rather the White House on it and the central park, which can be seen from my balcony were also highlighted in purple. Yet the picture is revealed to me, when the eclipse was at the peak. Against the background of dark blue sky black disc - eclipsed moon. I stared at her for a few seconds and finally again seemed bright edge of the disk of Saturn and quickly opened the moon. I was delighted. When there was an eclipse, I wondered why I distinguish with the naked eye, Jupiter and Mars, which should be seen as closer asterisk low over the horizon. Looking through the telescope surface of the moon, I found that it is only remotely similar to our usual on it as if I saw river valleys, cultivated fields, and I started to look around buildings, city, but almost was not. In the end, I made out a few objects, they were rare. Then I noticed the moon on the left and watched as it flows, changing its shape, appearing and disappearing dark clots inside. I came to the conclusion that it was not the moon, and UFOs.

Previously, such a picture scared me when I dreamed of something as a child, but in this dream, I felt calm observer. This kind of dreams I dreamed rarely, but this time the pictures were opened for entertainment incomparable to anything we had before.

Catherine. Late at night, the kids are asleep, my husband is watching TV. I'm sitting at the computer (it is near a window). Casually look out the window and do not understand what's going on - in the sky three moons. I am interested I remove the curtain and keep looking. In the sky a lot of clouds, the sky is black and that the moon took turns then disappear, then appear. I began to feel that they are not three, and much more. Suddenly, from behind the clouds the sun began to show. And the sun such as at sunset, but it was rising! There was one. Somehow, I knew it was the end of the world. Very scared, ran to wake the kids! Looking into the room, looking at the window - the sky all is lost no moon, no sun. On the horizon wave went to a column of smoke (it is still far away). I grab the youngest child in his arms, I resort to the older, trying to wake him - does not work! I'm terrified! Once running, Tereblya husband that he looked out the window. Husband all knew immediately grabbed the child and covered him with his body. I keep yelling to the eldest son woke up and ran to us. Finally he came. Wave is already there! We all embrace with her husband are trying to crush children under him, as if closing them. And then in the glass hit this wave of smoke! I'm sitting with his head bowed and pray, "Lord help us! Jesus Christ protect! ".

Why is it that does not occur, I raise my head: the window that does not seen and do not understand what's going on (all closed sandstone) very strong wind and hear how there is a downpour, but the window is maintained. I'm afraid that now the glass is cracked and we will cover. But the raging elements, and keep the glass! I began to pray even more ... and woke up.

Skwo. St. Petersburg. Just repetitive Variations dream: War trenches (catacombs, ruins of the city). I look at the night sky and see the stars begin to move, spin, stall from their seats. Moon (for some reason red) forks. And these two new moon begin to rotate around each other, from this circle such horror spreads, some crowds of refugees everywhere, and the eerie clear understanding - "will not be able to save anyone ..." As a rule, sleep with any external shocks or events not connected, because even worse. Somewhere read already and the Moon, and the Doomsday, but maybe it's all some kind of genetic memory ...

Nat. Moscow. Dreamed that I got to the sea, somewhere in the middle of winter, it was cold, but there was no snow! The sea was calm and quiet, and

the moon was full (totally normal), then something happened and there were people who went to big waves. On the palate there are 3 months, only 4 of the moon. All months in one phase of "growth." Waves on the people hit by, and I just stood there and looked at the sky, I do not touch anything. The sky was dark blue and without stars, only these four moons!

Lodem. I feel that is about to come to an end! "It's great - I think - still lived to doomsday!". Myself standing near his house, dusk, out in the yard all my tenants and neighboring houses and something hard to discuss, to point the finger at the sky and build the terrible faces to each other. I'm raising her head, there where impoverished neighbors poke fingers. I see in the twilight sky approach to the Earth in size giant planets (they take up almost half of the sky), first one either red, or blue, with a bright glow around. Entirely can not see it, but only some part, but its dimensions are impressive. It is followed, as it were, in turn, another planet, smaller, some with rings, some uneven forms and all different colors. The sky becomes burgundy color, and it is clearly drawn all kinds of nebulae and star clusters. Somewhere flashed supernova and all residents, including me, pour warm wave. Why - instead of the horror I feel joy that had never felt before, I want to laugh with such rich colors and flowers ...

Povarnitsin. I like that, too, had a dream. I walk in their village, sunny day, everything is fine. Suddenly, one of the guys that walked with me, said - look, there in the sky and points. I look, and there covered half the planet similar to Earth but without the continents. She was all blue. And highlights outlined in orange. Zdorovski looked beautiful. But then I thought about the end of the world in a dream and the planet immediately began to draw near to the ground, and later broke from her huge lava spots on outer space. I screamed in panic this end of the world! All cried out, panicked, I really felt fear, and I thought - is this it? Then she approached even more and has already become like a piece of a meteorite. A huge chunk. I remember the last seconds, it's smoky chunks of stones fallen from heaven, then again some emission of lava into the air from the planet, and then a white flash. And the silence ...

Think of everything? And no. Then suddenly I appear again in this place, as soon noticed this planet in the air. If I rewind time back to fix it. This time I wanted to film everything that happens on your phone's camera, but the quality is there as luck - left much to be desired. Then I thought, why should I take if

still no one sees. Again, all of these actions were repeated, but I ran a little further away from the road to the station, where he stood at the beginning of the road and ran through the village. And surprisingly it saved my life. I kept running and screaming - our planet is attracted to him! Well, something like that blurted out. Then I see the panic, all somewhere leave. Building burning fire, and for me a bunch of hot lava floats. I still continued to run down the street. Then he saw my two brothers on a scooter, or on the tillers, shorter drove towards the wreck. And died there, probably ...

CM. Ukraine. End of the World. Gloom, panic, depression and general hopelessness, saturating everything around. Kind of like the world was coming to some red-hot planet from heat which everything in the world was to become extinct. Or the Earth approaches the Sun - it is not so important. I well remember the time when I was with a few friends standing and looking on the heat, moving us. I almost actually experienced a feeling of impending death. It's a powerful experience, I can tell you. I remember a tear on the face of one of the girls and all. Then heat envelops the body and ...

Comes, this is the afterlife. Before the moment of "death" and I just thought about what will happen after we sweep away the heat. Do remember that there was something after that. And I said to myself: "That's how it is, after death." But that, unfortunately, can not remember. Quite possibly, it was an excursion into their lives and attempt to specify their own mistakes. It is quite possible, after the death of me thrown back in time, thus giving the opportunity to escape. I just remember exactly what I dreamed of yet another embodiment of the world. This time I did not stand and waited for death, but to save his beloved. We ran, flew on a plane, traveling by car, fled again. That, in the end, escape, return to the city and find a small handful of people who survived. It was all so awake and so true. I think I went into the astral plane in a dream, and not just sleeping. I do not know. But this is one of my dreams that will leave a lasting real thrill.

Leopold71. Go outside and see that in the west the sky is clouded, or rather they are set in motion, some unnatural. And there is a huge cross clouds, it begins to rotate in a clockwise direction and in the sky, from the clouds, formed various geometric shapes, can not remember exactly what ...

Gothic CAT. I had a dream about the Day of Judgment. The sky was red, it was flying on a cross, and I went with friends and waiting for something. They told me that you can not look at the sky. And I was not looking.

Stacy. Walk down the street and cross the sky a huge, wooden. And suddenly he was one of the falls to the ground, scary! Then a lot of people, all go somewhere out of town. What does that mean?

Wendy. A pair of vivid dreams Doomsday.

1. Cross in the sky of bright massive stars. Night and the feeling that the sun has not risen. The crowd in the street. Quiet, pale woman, poking his finger at the sky and saying something about sin. A feeling of horror. In the end, I lay on the bed, in the vision of the cross, the fear of death. Eerie roar. Wake up.

2. On the streets of ruined houses, dirty children and dogs. Between the ruins fly any vehicle. I live in a shelter. Those that are behind walls, send a message that the end of the world tomorrow. Everyone is happy, they say tomorrow the 13th or the 14th, did not remember. For some reason, I'm out of the shelter (I think tomorrow after all). And when I leave too far, remember that the video recording of the communication was yesterday (the number stood down there on the screen, no one noticed). I understand. end of the world today. I ran to the shelter and see that there is a huge wave from the sea. Wake up.

Jaroslav Ascension. Closing my eyes, I saw people looking at the sky, there in the clouds, bright light spot. It is flickering. Then I saw the Earth from a tilted axis on its orbit rainbow. She would wrap the entire Earth. I stood on the ground and saw, whether in the east, and whether in the south, the two stars that burned during the day. They were, as it were, part of the constellation, but is separated from it in a dream felt an earthquake.

Tamara Katkov. I see a black sky with a very large array of stars, and they seemed to hang over me. I'm standing on some hill covered with soft (it is very soft), green grass, flowers, which I distinguish from the light of stars. Ahead of me abyss that beckons me like a magnet, but I do it at the same time very afraid. The Catcher bright and some fiery rainbow (on black background starry sky), the right side of my little tumbledown shack. And then somewhere in the sky before I heard a voice that asks to get to the very precipice. I obediently went up to the edge, and all the same voice asks me: "Now you see that the End of the World exists. Watch and be amazed. " In this dream, for some reason, I feel

complete peace and at the same time I do not want to know that I have a flock near the end of the world. Still remember that look in the abyss, and there is also black with bright stars. And the voice, I think I remember forever - male, quiet and very beautiful. What is this is my dream. The main thing he remembered me all the way, although I rarely remember them dreams?

I have recently become a very, very often dream dreams that was sure to come to an end. Once I dreamed that in the sky there is a huge glowing ball, like a bunch of lava. It was a fiery comet, which was to fall to Earth in a few hours. Today I dreamed that blue-black sky there was a large constellation of acid-green stars, which was called the Shadow of Helicon and the ancient prophecy meant the beginning of the Apocalypse.

Richi. This dream I dreamed about two months ago, so to say that he is inspired by the recent events in South East Asia, it is impossible. And So. It takes place in late winter evening. The window is dark, the sky carry a heavy low clouds, strong wind, cold, constrained land crust of ice. All this beauty I see from the window of his room. I know that just as well, clinging to the windows, now stand and others. Because on TV continuously transmit warnings of impending disaster - that is about to land very close to a comet and flies his tail hook earth's atmosphere. These things can cause a tsunami. Even though I live in the Baltic Sea, but quite far from the coast, and our sea too small for the giant waves. So afraid of, like, and nothing. But suddenly the lead-gray sky begins crimson horizon. Glow expands and shines brighter from behind the clouds. And after the glow from the horizon rises a huge mountain is cast steel shine wave. On television reported that the wave will reach our seats in three hours, and that all were saved, who as you can. I run into the street to look for our WALKING cat throw which, of course, impossible. On it and wake up. Wonderful dream. I still remember all its details.

Lisa. I'm walking down the street and see the day away in the sky, a small dot with a fiery tail, it begins to grow, and I understand that this comet is approaching the Earth. And here it is huge (the size of Earth, I can touch her hand), I am seized with fear - now I'm going to die a horrible death - such horror that I feel faint. She came all as street people home. Ask about the comet, I respond that she passed.

Ltnemo. I'm late in the evening (warm dress - summer, but not quite, I mean, somewhere sredine - late spring), quite crowded. Look at the sky, to one side, and I see the moon. Turn my head to the other side (direction - to the west, the moon - I do not remember where, but something between the south and east, rather high, 15-20 degrees from the zenith). I see an object the size of the moon, 30-40 degrees above the horizon, pale blue, bright moon, but not too bright. The object moves across the sky noticeably, but not rapidly. People pay attention to the object, it surprises them, but not much. All doing their own thing. Then out of my back in the same direction, where the object is flying fireball on a downward trajectory, about the same size (visible), but at high speed. After a few seconds I feel a shiver in the world, somewhere half a minute later came the sound and something like the air waves from the impact. Visual effects - no. Well, I understand what all these classifications, quickly going home, evacuate the family. Kick them out of the house to the street, with things as they say, is located in a vacant lot, away from buildings, power lines, etc., please wait until I go to investigate. What I was scouting - hell knows already see myself returning from this intelligence, the dawn, but in the air pink dust, the sky is covered, so the color is quite nasty. That he gave me the most oppressed - gray-pink, a color look and it is immediately clear that the end has come! Moves toward me rare, but purposeful flow of refugees who what, who found that the most important for this case. People in full trance obessmyslennye, irresponsible. They are not evil, not excited, not aggressive, not afraid, just no, in a stupor as extras in the theater. Also show, not to raise morale. Then I go back to his own. And we're going to blame too. The End.

Hedra Aries. As I understand, now late summer. Hilly terrain, overgrown with deciduous trees. Pretty steep slopes. We were enveloped night. And this night, like a winter evening. But the sky for which I was looking, clean, blue and black. Little stars. But remember, as mentally connected the brightest point in the sky. Alas, I do not remember that as a sign we have. Then someone interrupts my thoughts. I can not hear the words, but I know what to say, if what I see now, is quite rare, something like a comet. But I am convinced that it is a star. On the black sky background there is a big bright ball in silver, and depart from it beams up and down, like the edge of a sword, cut right through him,

blazing white light. I do not know what this dream, but drawing from memory the star seems to me that this is a sign, a symbol.

Lena Kurochkin. From the diaries. Dream № 75. «... look out the window. Outside the window, I see quite unusual picture. Exposure plain on the steppe. One can see the sky. Evening. The sky is unusually blue, dark blue, piercing. Clouds on the horizon, dark purple, almost black, billowing. In these clouds is the source of very bright light, something like a bright ball of light, which differ from the bright rays. Spectacle indescribably beautiful. Move across the sky a huge ten-figure, they seem to float, as if they are flat, but at the same time, real, alive. On one piece long robe to toe, very beautiful. On the head, something like a crown. I call my mother, so that she looked at this phenomenon. I run to look for my mother through all the rooms, then go back to the window. Through the window I see a bright light source is coming. I covered quite indescribable feeling - on the one hand delight - an unusually beautiful sight, and on the other side of fear - I understand that this is something extraordinary, unearthly, alien. I intently looking at a bright light source. The light is very bright, but does not shine. I wake up from this unusually bright light.

Dream № 110. 20 January 2001 I walk down the street to the house. I look at the sky, where the sun. On the palate notice something strange, some black, like a thick black smoke from the fire, but because of the houses I do not see the source of the smoke. Black moves across the sky, spreading rapidly across the sky and the Sun is in this blackness. The sky turns into total darkness, and the darkness can see the sun, it is bright as white disc surrounded by an impenetrable black smoke. Around the disk of the sun dazzling blue halo unusual, unusual pure blue. I am seized with horror. The street becomes completely dark. I hurry home, I go to the apartment in the dark. I feel that the apartment is very spacious and a half-empty. I do something there. Then I remember that my parents were on the street near the three-storey house. I feel unbearably terrible that I left them, and they left. I hurry back. To my surprise, the street light, the sky is clear, the sun, as if washed, dazzling shine. Maybe I imagined it all? Unusual black seems I had a nightmare. I happily ran back to the three-story house. Then I suddenly see that the sky appears impenetrable blackness. I see the disk of the sun in this blackness, but only that the sun was on the opposite side of the sky. Disk of the Sun is very big, just

huge. I am seized with cosmic horror, truly cosmic horror. I see that as a huge disk of the sun becomes blue and display a clear image of something cosmic, ethereal, like two artificial wing-like blades. They emerges some pattern.

Dream № 240. I stand by the window. Next to me is one of my friends. Outside the window - the urban landscape: multi-storey buildings that cover the wall as the horizon. Some of the buildings closed some fog. My friend standing next to me, trying to do something to show me, he says, look, behind the houses there is something there. But I see nothing, I see just not the fog, not some sort of haze. For the tallest building as it gets dark cloud. I peered intently into the cloud, and the more I peered into it, the worse I feel. I see that behind the houses the horizon delayed some incredibly black clouds. Rapidly darkens. Because of the very high-rise buildings like seeping black and some live cloud that quickly absorbs all the light. Suddenly, there is something truly horrible, all the land of the horizon as if swells, then cracks and ruptures of the resulting water flows, which is about all the flood. I understand that under all swollen and cracked earth is water that is poured onto the surface of the earth, as the blood from the wound, from scratched and torn to shreds skin. And that soon all the flood water, and all the houses, and all that is on the surface of the Earth will fail and go underground and on the surface will only have water, which is eroding the earth's surface in the mud to destroy everything and leave nothing alive on the surface. I understand that this is all that's End of the World, and that our civilization is living out its last hours. I was seized by a feeling of indescribable horror, and this truly cosmic sense of horror I have blood-curdling in his veins. I am trying to calculate how much time we can still survive. My friend at this time includes a TV. On TV are the latest news, stands some scientist who completely without emotion explains what happened to the planet Earth. It shows some graphs or diagrams, which clearly shows everything that has happened to the Earth, the Earth as it capsized, causing the earth's axis shifted. Figuratively speaking, the Earth as if tipped over on its back and broke, so to speak. As a result of this accident literally come to an end in a matter of days or even hours in the world there will be no one who would be able to survive the crash.

Aziza. Actually, I'm not special in these matters, but the fact that I once dreamed of something like this for a long time. More precisely - a large fireball, which is rapidly approaching the Earth.

Borilek. Creepy dream dreamed - End of the World. It's like a huge ball of fire is approaching the Earth and the population of the city 4 days to evacuate. It was an unfamiliar city. So far away from it can not sleep. Like not terrible, but so strange.

Kaleb. About dreams Doomsday also would like to share. I often see such dreams. Every time dream differently, and have never dreams do not occur. I even used to, and stopped paying attention to them. But here's the last dream scared me. Basically, everything happens like this: a nuclear explosion, flood, incomprehensible star admits to us a ray of light, etc. Everything is clear, everything is clear, everything is more or less understandable and realistic.

Sonya. Sleep. Again, I'm running for my country and trying to find his house. Walks around friendly people, all laughing, everyone is happy, and I'm all up in the excitement. And suddenly the sky appear black clouds, the wind begins and people start to panic. All flee their homes, and I could not find his house. I'm, I'm scared of what is now something will happen, but I have nowhere to go. I raise my head to the sky and see that huge fireball flies to the ground and the end, of course, inevitable. It was the sun? (For those who watched the movie The 5th element, then looked around the sun as well). I start to cry in horror, turn my head to the other side, look at the sky and see the exact same picture. But it was the moon. She also flew to the ground, but was white and very big. Then I woke up and realized that the dream is not good ...

Clara. Night. I was standing on the balcony of the apartment of his childhood. I admire the darkness and the night sky. Suddenly I see hanging in front of a planet the size of a large moon, the color of the sun at sunset. Standing, watching. And this planet or star (?) Is heated as the metal when heated and begins to melt! And, it looks very spectacular. Inside the circle I see the sparkle as in salute. Very pretty. But the planet explodes, fireworks again, the roar and vibration! While I was trying to figure out what it was (if the moon, I probably had something to feel, what type of any changes in sensation, but nothing has changed). Across the sky thundered explosions. Everything

happened exactly to the last detail! Planet raskalivanie flicker, a blast! Many planets - 10-15! (Satellites neutron star - approx. SV) and flashes of fire! Fear I have not experienced absolutely no, even when one of the planets exploded very close, and her remains (meteorites?) Flying past my balcony. One of them fell near me, but I managed to rebound. He began to go out, having lastly break out and burn the backpack (?), Who was standing in the same place! I effortlessly all extinguished. I think even picked up the meteorite, do not remember. But it seems that it sparkled!

Most surprised me from this dream that I do not hear the sounds of our planet - no voices, no shouting, no birds, no cars, nothing! Only the roar of explosions!

Maybe I'm somewhere else to be?

Raulvbg. I had a dream, get out of the building where my workout. Go out and see the night sky in a huge red planet, which was closer to the ground, it was very scary. End of the world will be, all as with Noah, the story of Noah is repeated ...

Lodem. I feel that is about to come to an end! "It's great - I think - still lived to doomsday!". Himself standing near his house, dusk, out in the yard all my tenants and neighboring houses and something hard to discuss, showing thumbs up to the skies and build the horrible grimaces each other. I raises his head to where disadvantaged neighbors poke your fingers and see in the twilight sky approach to the Earth in size giant planets (they take up almost half of the sky), first one either red, or blue, with a bright glow around the whole it is not visible and only some part, but its dimensions are impressive, followed, as it were, in turn, has the world smaller, some with rings, some uneven forms and all different colors. The sky becomes burgundy color, and it is clearly drawn all sorts of nebulae and star clusters. Somewhere flashed supernova and all residents, including me, pour warm wave. For some reason, instead of the horror I feel joy that had never felt before, I want to laugh with such rich colors and flowers (This is not stoned - approx. Lodem).

Jteri. Then remembered, not if I dreamed something about the End of the World? And, it turns out, dream, though for a long time, but oddly enough, I'll remember that.

I sleep late at night, it seems summer. Suddenly I was awakened something. It's light outside, both on the spotlights. Look out the window, there's a lot of people, all looking up at the sky and something enthusiastically discussing. Go out on the street, and there is ... The whole sky in holograms, but they highlighted the inside, ie, the reverse side of the sky. Various inscriptions, strange shapes, very beautiful, like a festive show, all this and perceive. I read one of the inscriptions: People, your stay on earth is finished.

The second dream. From the sky huge meteorite fall, stones, everything collapses, I try to hide ...

Tolstoj. I'm standing in the courtyard of his house, there are a lot of people and everyone was looking at the sky. On the palate there is a glowing ball, he moves in with great speed, it fascinates me with its beauty, but I feel the fear, consternation (it was bright red and bright yellow, can be compared to a flame of fire, round shape, but 10 times brighter ). At the same moment, I understand that this End of the World. I'm not afraid, I enjoy its beauty. People around screaming and crying, and I'm happy I did when life did not feel what I felt in the dream. In the real world there is nothing so beautiful is not usually carrying the death of all mankind. at the last minute, seconds before the end, I say, "This is the end." All abruptly disappeared and was around as if in space, but do not have anything that emits light. In my heart I was calm, however when in life. I felt happy when I felt it. I woke up. Until now, when I think back, trembling passes through the body. I think that I have experienced such feelings would be if he saw God.

# Ken Peters: “I Have Seen the Tribulation”

APRIL 23, 2013 1:11 AM BY [JAMES BAILEY](#) [66 COMMENTS](#)

[222](#)

In 1980, [Ken Peters](#) had a long, detailed dream about the coming tribulation period. This article provides the transcript and video of his amazing testimony. I took the liberty of moving a few of his comments to organize them by topic so the transcript is not exactly the same as the video.

Today, Ken Peters and his wife Tonya are Senior Elders at the [The Gathering @ Corona](#), which is an Apostolic Prophetic Reformation church.

There have been rumors circulating that Ken Peters no longer believes his own dream.

However, I received an email from him stating, “Dear brother please post for me that I stand behind the dream completely, never have recanted.” The IP address for the email matched the area where his church is located. I also spoke with Stan Johnson, founder of The Prophecy Club, which is where Ken Peters shared this testimony. Stan told me to his knowledge Ken never shared this testimony publicly before or after this recording. Even the day he shared it Ken was not sure if he would be able to do it because the memories were so disturbing. Stan said Ken never told him he had recanted his testimony. He is just reluctant to talk about it,

which is understandable. So the rumors were not true.

## **TRANSCRIPT**

At the time I received this dream I was not even a believer in Jesus Christ. I was raised in the Catholic Church but had never personally invited the Lord Jesus to come into my heart to be my Lord. As a practicing Catholic, I had no knowledge of what the Bible said about the tribulation period or any of the events of the last days.

When the dream began, I heard what sounded like a loud car horn. Then I saw people coming up out of their graves all over the world. People were not coming up out of every cemetery plot, just some of them. Even in the same cemetery there were other plots with nobody resurrected from them.

These resurrections were very violent. It was like the earth was receiving a small explosion and

breaking open. I literally saw dirt flying. This was happening all over the globe. Those who were resurrected were clothed in white robes. It looked like they were wearing choir robes. The light glimmered off of their clothing. Their clothes and their bodies appear brighter than the sun. Their clothes made the men look very masculine and the women look very feminine. They looked mature but they did not look old. Those who had lost their hair had all of their hair back again.

Young people who were resurrected were still young but yet had maturity about them.

All those who came out of the graves just disappeared. I never saw them go up into the clouds. They just vanished.

I did not see one single living person changed into a new body. I did not see any changes coming to any living person.

[The transcript continues below the video...]

## **MASS HYSTERIA**

As soon as the resurrected people disappeared from the earth mass hysteria spread across all the people left on the earth. People had the appearance of absolute despair. There was pandemonium everywhere. There was mass chaos, lawlessness, and fear everywhere. I was able to see in many quadrants of the earth and this was not just happening in one nation but it was all over the globe. The hysteria brought perplexity to just about everyone. Everyone had a look of hopelessness on their face. Nobody seemed to be happy about living. Lawlessness and fear permeated society completely.

No one was isolated from the despair that was hitting the world. No one was hidden from it. It was engulfing the whole globe. I was able to see into different regions and different continents and everyone was experiencing this. It was almost as

though the whole world had become like a third world nation, completely behind the times.

It was like every person on earth had just left their mothers funeral. That's how people appeared.

They were very grieving and despondent.

## **TWO WEEK SHUT DOWN**

At that point, all electronic devices including televisions, telephones, radios, and computers all over the world were shut down for two weeks. I don't know what caused them to shut down. The shutdown caused people everywhere to be alarmed. It was very disruptive to businesses everywhere.

After about two weeks electronic devices started working again. However, everything had changed. The content of what was being broadcasted was completely different. The message being broadcast was depicting a coming new world government and leadership. They announced that

a man to lead the new world government would soon appear.

## **THE NEW WORLD LEADER**

The new world leader then appeared on television. He spoke with great eloquence and charisma. He was soothing and promised answers to all current issues. He was smooth and extremely convincing. He was able to solve nearly all problems. He was a consummate communicator. He explained how this removal of people was God's judgment upon them.

When Adolf Hitler spoke to the masses he had a demonic charisma that would draw people into his message. But that was nothing compared to this new world leader.

Since I was not a born-again Christian at the time that I had this dream, when I heard this man speak he began to convince me. This man was rallying the globe. It was very frightening.

Almost immediately he began to communicate through large-screen televisions that were strategically placed everywhere people met. All televisions were broadcasting the same message. When I had this dream in 1980, big screen televisions were not found everywhere. Neither were 24-hour news channels.

This man's messages were about new times that had come upon us as human beings. He gave new directives for global peace. He talked about the need for giving up national citizenship for world citizenship. Even though these things disturbed me, I was also being pulled into it in my dream. I began to really think about relinquishing my citizenship and this alarmed me greatly. Even though the message pulled strongly upon me I somehow was not convinced about this new order.

I constantly heard the term new order and world order and new times but I never heard him use the term new world order. I don't know why.

At staggering rates people were buying right into this plan that this man was releasing through the airwaves. There was no resistance. No one was fighting it. No one was saying anything publicly against it.

The man that I saw on the television, the man that could do signs and wonders and fix all the problems, I will never forget his face. As long as I live I will never forget his face. His face was almost supernatural in appearance. He was almost too perfect. For lack of better terms, he was the most handsome man I had ever seen. This man had everything going together for him, everything. He had kind of a chiseled look about his face. And everything about his appearance

was almost perfect. When he spoke, there was a very strange quality about him.

Many years later, I read a scripture about the Lord Jesus Christ written by Isaiah the prophet saying Jesus had no comeliness or features that we would desire to behold him. In other words, Jesus was not some handsome specimen of a male. He was an average, rugged, probably different looking person. He was not the kind of guy that would be voted most likely to succeed on the GQ charts. But this guy that I saw was. He fulfilled that perfectly. Isn't it amazing that the antichrist would be the antithesis to Jesus? That he would be just the opposite of Jesus Christ?

Although this man did not act necessarily prideful he was very brash. He still carried the ability and the charisma about him to levy people into his situations.

This new leader was not resisted on the implementation of any of his policies, not one. No one stood up to challenge him. No one in America started a revolution. There was no resistance whatsoever, not on a grassroots level, not on a national level, no one.

Television continually, almost daily, explained to us that if we would align ourselves with this new order we would be saved from all of life's troubles. This is what this man said nearly every time he came on television. The new order was said to have all the answers to our problems and the leadership necessary to bring the change, causing the world to finally become the envisioned globe of peace. This is what we heard over and over.

I began to go into a serious depression. I began to ask myself if this was the end of the world.

## **ELDERLY EVANGELIST**

I ran into an elderly gentleman. He was the first person in the dream that actually appeared to be friendly. You look like maybe he had some hope or might know what was going on. So I stopped him and asked him a few questions. I asked him, “Do you know what is happening in the world?” He told me that the end was coming upon us and that he had not prepared for the times of the Lord. At this statement, sadness filled this man’s countenance. He went from being joyful to being very sad. He said to me that he had not been right with the Lord. Then he began immediately to tell me God’s plan for man’s salvation. He carefully reached around in his back pocket and looked around over both of his shoulders to see if somebody was watching him. He pulled out a little pocket book, a little Bible, and he began to flip the pages to Scriptures showing me different things in

the word of God about my need for Jesus to be my savior. He told me that I had to ask Jesus to forgive me of my sinfulness and my sinful nature. He told me if I would do this I would be given eternal life and that God's power would lead me during this life. He told me God would give me a victorious life.

I said, "Well, that sounds pretty good." I was convinced and so I prayed. I accepted Christ into my heart in my dream. This is a very strange occurrence to be a Catholic person, not knowing how to find Christ by the born again experience through the repentance of sins and receiving this in a dream. What's even more interesting is when I woke up from the dream I could not comprehend it. It took two weeks after the dream for me to become a Christian.

So I prayed the prayer with him. He put his hands on me and prayed some different prayers. As

soon as this happened joy began to fill me. I did just as he said. I asked Jesus to forgive me for my sinful ways and to fill my heart with his presence. There was something unusual about this man because he had a small following with him. These were people that had accepted his message that he was telling them about Jesus Christ.

A very unusual thing was occurring at this time in the earth. Babies were being abandoned just about everywhere. Almost on every street corner were babies being abandoned left in their little baby seats or baby baskets. This was very strange because they were anywhere from infancy to 16 or 18 months old. I could tell there were not any babies over the age of two.

We begin to pick up children everywhere and we began taking care of these children. I kind of joined up with this group of people because they were the only ones that seem to have any peace

at this time anywhere in the whole earth that I had experienced.

Some very unusual things were happening with this group of people. It was amazing to me how they could meet people's physical needs. They would always run into people that were in need and they would meet their needs and then somehow lead them to Christ. No I didn't know how to do any of this yet because I had just hooked up with them.

In the dream my wife had also become a Christian, a believer in Jesus Christ. We were both hooked up with this man, helping him out. At this point my wife and I began to really connect with this man and his followers. Some other things that were very strange to me was that things just somehow seemed to work out for this man and this group of people in the most unusual ways.

During the dream I didn't know what was going on. I did not know that God got involved in the affairs of men. As I grew up religiously I did not see God in that aspect. But I saw very unusual events happening with this band of followers. Food would multiply. Very unusual things would happen. They would pray for people and people would be healed.

## **WORLDWIDE REVIVAL**

These so-called Christians were coming to the old man and his team of people and they were explaining how they once had a relationship with Jesus but had become cold in their faith and fell away from interest in a life of holy passionate pursuit of God. For a short period of time people were coming to Jesus in total surrender. I was able again to see above the globe and what I saw was very unusual. I got to see certain regions of the earth where light rays were just coming out

high into the atmosphere. It almost looked like those big searchlights with the flame on the inside of them except that these were very brilliant, almost supernatural in appearance. After I saw these shooting out from the globe in many different directions I was given the ability to go down into these regions and actually see firsthand what was happening. Let me tell you, it was the most exciting thing I have ever seen. It is the very thing that gives me the determination to continue doing what I'm doing right now. If it were not for this part of the vision I would not minister in America anymore. I would move away completely. Here is what happened. I began to see 12 regions in the United States of America and all over the globe where these beams of light would just come out and begin to shine into the atmosphere. When I got down close, what I saw was mass revival hitting the earth. I did not see any Ken peters. I

did not see any big-name evangelist or prophets or apostles for famous television personalities, Not one. All I saw was every day normal children of God ministering in the power like Jesus described in the Bible with the disciples. This was happening on a wholesale basis, everywhere! People were praying for sick people and they would be healed instantly. They would pray for blind eyes and they would be opened. They would pray for dead people and they would be resurrected. They were praying for the lost to come in. What I saw was the greatest thing I have ever witnessed since I have been alive. Nothing I have ever witnessed on earth could compare to what I was allowed to see. This period of time lasted about three or four months, maybe six months max. Maybe that long. It was so incredible! Regions were totally won For Jesus Christ.

What I saw was so incredible that it was almost unbelievable. Jesus said in John the works that I do you will do and greater works you will do. I did not see any greater works but I saw a greater quantity. I didn't see anything greater than raising a dead person, but I did see a greater quantity. It was almost like everybody was like Jesus walking around doing these works. You did not have to have a pulpit to stand behind to do this in this part of the dream. As a matter of fact I never saw anyone standing behind a pulpit. I think they finally understood the purpose of the ministry is equipping and releasing you to go out and be God's superstars.

This outpouring lasted for a short period of time and literally in regions there was complete light and right next door, which would almost be like a city next to it, would be complete darkness. There

began to be an agitation in the spirit realm that was incredible.

## **EARTHQUAKES AND FAMINES**

While I was on my way to make a business transaction a very unusual thing happened. There was an earthquake while I was on my way to the bank. I was just entering the bank. Across the street from my bank there was a large seven-story building. This was a triangle looking building. It was all glass in its appearance. In this dream, an earthquake hit and began shaking this glass building. It fell over and killed about 200 people. This earthquake was massive. I know from what I saw with the globe shaking at this point that it was a worldwide earthquake.

The earthquake hit and there were multiple, millions of lives lost. The world was completely stunned. The devastation to property and loss of life was beyond comprehension. It could not be

measured. Some regions were so destroyed that they never bothered to send rescue teams in.

That's how devastated they were. This destruction was global. It reached the whole globe.

The earthquake caused a massive change in weather patterns. The normal weather patterns completely changed. The patterns for winter became summer and summer became winter.

You might have a day of snow and a day of heat.

The world was in total chaos in this weather patterns. Predicting the weather became totally impossible. It was just useless to try to forecast weather. Predictions did not work.

Some very unusual things began to happen almost immediately. Crops began to perish due to droughts. I was able to see all over the globe the most fertile areas, the most fertile farming areas. I live at the time of this dream in the most fertile farming area in the whole world, the San Joaquin

Valley of California. These areas were totally destroyed with drought and famine. Places that were once fertile were now arid deserts. It was almost hard to comprehend what I was seeing. It was almost immediate. It was like somebody just took things and twisted the whole order.

The thing that was strange to me was that weather seemed to have its own mind. The earth being shaken from its axis manipulated the weather. I was above the earth and I saw it shaking. I saw the earth rocking around like it was a drunken person trying to walk. It was very frightening to me.

I can't tell you how hopeless or empty I felt after seeing these things happening. Many times I wished I could have just woken up and pretended these things were not really happening.

## **NEW LAW ENFORCEMENT**

Right about at the time that this earthquake hit,

very unusual things began happening with the laws. I began to see local municipalities and no longer were the police departments the enforcers of the laws. But military police driving very unusual looking vehicles that I now know are called Humvees.

The vehicles I saw were black and were on just about every corner of every main thoroughfare. The back cans were campus and there were men standing in the back of them wearing black uniforms and blue ball caps or blue helmets. The man standing in the back was wearing a blue helmet.

I did some checking and learned that in 1980 there were no blue helmets or blue ball caps worn by any military on earth.

There was a big radio antenna or some sort of a device in the back of the Humvee. On the other side in the back there was a flag. It looked like the

guy standing in the back had some sort of big gun. I was able to look inside and on the inside there was what I know now to be a laptop type of computer sitting on the dash. It had a computer screen that looked much like the airplane that I rode in today. They could look into this computer and it gave him all sorts of information.

What was unusual was that they were fairly peaceful. They were not rude. They were not mean to people. They were not obnoxious. I did not see any looters or anybody getting shot or anything like that. They seemed to be peaceful.

One thing that was happening was you could not cross state lines at this time without papers.

Current papers were required to cross state lines. That was very strange to me.

At the same time I saw streetlight stands with little oval shaped cameras on top of them. In this

dream it was revealed to me that these cameras knew the whereabouts of everybody's vehicles.

The changes took place almost instantly and with complete ease. There was peaceful martial law.

Military vehicles were everywhere. They knew everyone's whereabouts. I found out how they began to know this. I did not understand this at first until it was revealed to me.

All of the nations of the world became as one.

There were no longer any sovereign individual nations. Continents were no longer divided into countries but were divided into regions.

As time progressed in the dream, I was given the ability by being in homes that television sets not only broadcast and transmitted programming but they now had the capacity to actually send signals about what you are doing in your living room. I was able to see the television sets were actually watching people in their homes, monitoring their

movements, monitoring their conversations. I was shown in the dream that the television did not even need to be on. It just needed to be plugged in. Later, I found out that televisions made after 1992 can in fact watch you.

The awareness of God being on the global scene was nearly impossible to detect. The global order had no presence of God in it whatsoever. Evil began to pervade every aspect of society.

Darkness was everywhere. There was a clear line between who was God's people and who was not. You could walk down the street and you would know instantly who was who. It was not like it is right now when we sometimes wonder who is saved and who is not. This was so evident. There was a clear line of delineation. Spiritual demarcation was clearly seen.

## **PERSECUTION**

At this point when all these miracles begin to

happen this world order became very angry because what was happening was beyond their control. They were not able to manipulate it or stop it from happening. This makes the devil very mad. He gets very mad when we start functioning in the real power of the living God. That's when he really starts pulling all the stops out to try to do anything he can to stop the work of God. This was about to begin to happen.

I began to see persecution on unprecedented scales.

At this point another unusual things happen. This outpouring of blessing and this outpouring of persecution began to be really stepped up and people were taken. I saw many penitentiaries all over the United States, especially concentrated in California. In the dream I saw many state prisons. In 1983 the Holy Spirit Told me he was allowing the devil to build prisons in the state of California

that would eventually become detention centers for Christians. These prisons were being built in rural areas that were normally 15 to 25 miles off of any main highway. I asked him why would that be the case and he said, “So that those people can be taken during the night hours.”

Something spoke to me on the inside and said get out of here as fast as you can. I began to think to myself, “Oh my goodness, it is the end of the world now.”

I began to run to my house as fast as I could.

While I was running I heard in my spirit, the following scripture passage.

“It also forced all people, great and small, rich and poor, free and slave, to receive a mark on their right hands or on their foreheads, so that they could not buy or sell unless they had the mark, which is the name of the beast or the number of its name.” (Revelation 13:16-17).

Now I am running back to my house as fast as I can because I am realizing my wife is there and she is alone. I reach for the doorknob and began to pull the door open. Another scripture came into my spirit at that time from Matthew 24, which says do not go back into your house.

So when you see standing in the holy place 'the abomination that causes desolation,' spoken of through the prophet Daniel—let the reader understand, then let those who are in Judea flee to the mountains. Let no one on the housetop go down to take anything out of the house. Let no one in the field go back to get their cloak.

(Matthew 24:15-18)

I opened the door to see the most demonic presence I have ever seen. This presence that I encountered at the front door as I opened the door was very dark with a shroud of black around him. It was not his skin that was dark. It was a

shroud of darkness around and over this being. This being was very sinister looking. Just his presence gripped my heart with great fear. At this point I began to scream as loud as I could.

Then I woke up from the dream. At that point the dream had been going for several hours. Later, I fell asleep again and instantly the dream started exactly where it left off.

I was facing this very sinister creature. It was very intense and it gripped my heart. I slammed the door and ran off. I realized that my wife was not in my home and that she was gone. I knew this by this presence.

It is hard to tell you how afraid I was. I have since learned how to combat demons so I am not afraid of that anymore. They don't usually go with me anymore because I know how to pray now. But at this time I had no comprehension about how to deal with this evil being.

So I began to run and I ran and I ran. In the dream I ran a couple of miles. I got caught by one of these strange looking police trucks. They knew my name even though I didn't tell them my name.

## **DETENTION CENTER**

They took me to this government building. It was a large building. They took me into a room and there was my wife and this older gentleman that I began to call you evangelist. They had already been captured. These people knew exactly where to take me. That was very astounding to me because I wondered how do they know all of these things about people.

They began to politely interrogate us. They began asking us to be cooperative and to come into agreement with this new government and everything will be fine for you. Well, my wife is one of the boldest Christians I have ever met. She is also one of the kindest and most gentle

believers I have ever met. But she will get in the devil's face. She and this older man began to preach to these people that were trying to convince us of this new alignment of this government.

So they took us out of that room and let us in another room. Now there was a lot of mind control interrogation. I could feel my mind being pulled into this new order. I began thinking if we just don't cause any trouble it will be okay. That is how my mind began to function. But the older gentleman and my wife began to fight this with all of their spiritual strength and they challenged it with scriptures.

It was amazing to me because our capture was almost as though they had planned it out.

When we were being interrogated the mind control was phenomenal. It was not like any human being could do in an interrogation. My

mind began to really be slept with anxiety and fear. Because my wife and this older gentleman kept being very bold and in your face with them they took us out of that room and into this very long corridor. In this corridor there were thousands of people lined up. The corridor seemed to be at least 100 yards long. It was probably longer than that. Every five or six minutes the people in this long line would take a step forward.

We had been in this line for a long time when people would barge in through the doors on the sides of the corridor and began to grill people and tell them to renounce their faith. They would never use the name Jesus. They would never use the name Jesus Christ. They would never use the name God. They would say you should renounce your faith in him while you can still live. They would say your faith is empty. It was a

blasphemous challenge that these people were bringing against the people in the line. Every so often, someone in the line would crack. They would just collapse and these people would drag them away. They would renounce their faith in Christ.

It made me very uneasy to be in this line because I was not sure what they were going to do to us. I wondered if they were going to put us in prison or maybe beat us up.

Eventually we made it through a battery of three double doors. After going through the last double doors we were put into a holding cell. There was the old man in the front of the line and then my wife and then myself. They took this older gentleman into the room and closed the doors very quickly. I do not know what happened to him.

## **EXECUTION**

About six minutes or so later they opened the

doors wide open and what I saw made me experience the emptiest feeling I have ever experienced in my whole life. I saw this man that was very big. He was tall like a professional basketball player but was very big like a professional football player. He had a big satin hood over his head with eyeholes to see out. My wife was in front of me and they began telling her she should renounce her faith and live. Now I realized what was happening because this man was standing there with a huge sword. It was a very frightening looking sword. I saw this table that was a little longer than the average human being and a little bit wider. My wife said she was not going to renounce her faith in Jesus. She began to preach to them powerfully. She began to rebuke the devil. They got angry and strapped her down on this table with her face up. This man was standing behind her with this sword. So he took

the sword and chopped her head right off, right in my presence, I saw it.

This sword left an indelible mark in my life. Later I saw the same sword on the red cap worn by the Shriners. Their caps are called the Fez. They are red because they have promised to dip them in the blood of Christians. The sword is called the sword of scimitar.

I was more afraid of what was going to happen to me next than the fact that my wife had just died. I was more concerned about my life then with her dying. I was very afraid. I knew that I was going to die now. In my mind I knew that I was not going to make it. I was paralyzed. My mind began to torment me so much I almost literally blanked out. My stomach began to shout almost out loud asking Jesus to help me. The message could not get out because my mind was paralyzed. It was like I had the flu. My teeth were chattering and I

was shaking with chills. I could not process my thoughts whatsoever. It was as though I had totally lost all faculties of my mind, my ability to cognitively be aware of what was going on. It was terrible. Although it only lasted for five or six minutes, it seemed like hours because of the extreme weight of this attack on me.

I began to really try to cry out to God from my stomach. Today I know it was my spirit crying out but in the dream it seems like a war in my stomach. Finally it was like something penetrated out of my stomach into my mind and I was able to spiritually call on Jesus and say, "I am afraid Jesus. Please save me. Help me."

At the very instant that communication happened, I felt a hand grip my shoulder. For a brief period of time I was actually more interested in the hand gripping me than I was in what was happening to me. As soon as this hand gripped me I got very

warm and the chills left me. It was as though my mind could now see and I could comprehend clearly what was going on.

I will never forget the hand. It was a very rugged looking hand. It looked as though it had been through a great deal of work. It was almost like a man that is a blue-collar worker who uses his hands like a mechanic for a builder or a plumber. It was a very thick hand. It was a very solid hand. After a few moments I turned back and there was the Lord Jesus Christ standing behind me. All of a sudden he looked me in the eyes. He looked at me very sternly. It was not like a reproof or a conviction. It was more like he was just looking and peering into my life.

At the very moment I looked at him, his eyes were not brown or green or blue or anything like that. They appeared to be red like fire. They were looking clearly through my whole life. Somehow at

that moment I was able to realize that him looking at me was actually looking through me. He knew everything about me. He knew my strengths. He knew my weaknesses. He knew every lie deep down inside of me. He knew every deception. He knew every place that I was afraid and that I had compartmentalized. By him looking into me, my whole being was exposed to me. It was very frightening. It was a very intense moment. I wish I could say that seeing Jesus at that moment made me very happy. It did not. It made me very fearful. I understand now what the fear of the Lord is because of that experience.

A few moments after realizing my own depravity, He spoke to me. He looked sternly into my eyes and said, "Fear not my son for death will never hold you."

Instantly it was like courage flooded through me. I wish I could tell you that I got very bold and

preached a great sermon and got everybody saved. But I didn't. It was just courage to go through what was before me.

I knew that he had saved me because of the prayer I prayed with the older man. When I looked at Him I knew He was the Lord of all and the king of every king. When I saw him I knew there was not one me that would not bow to him. There was not one tongue that would not confess him as Lord regardless of what side of the coin they are on when he reveals himself to them as Lord.

Every knee will bow. This presents that he stood in was so powerful and so awesome and so anointed and so terrible that you knew there was no power on earth that could challenge Him.

Then these men strapped me down and they said, "You can renounce Him." I said, "No, I cannot renounce Him for He is the Lord of all and he should be your Lord."

That was my great sermon. I wish it could have been a lot longer but probably if I had got going with it I would have messed it up like I had messed up everything else.

When this man cut my head off I saw that as soon as it touched my neck, the moment the blade touched my neck, I was gone. I felt no death whatsoever. I was standing there holding a person's hand and I was looking down upon the scene. It was very grotesque. My head was cut off and I was bleeding profusely. Even though this hand was holding me up in the air I was actually more interested in seeing me dead than I was interested in the fact I had been delivered from death.

All of a sudden, I looked down and realized it was another one of these rugged hands holding my hand. I looked up and it was the Lord again. It was the Lord Jesus Christ.

At this point now it went from a stern, powerful, all-knowing God to a God who was holding my hand that gave me the understanding that now I was his son. I was his brother. He was not a shame to call me his brethren. All of a sudden, I had an understanding that I was equal with him. Not as God the deity or is Jesus the son of God, but as a son of God. I was not THE son of God as in the only begotten son of God, but I was a son of God. There was equality in the sense that we were brothers now. It was no longer a fearful thing for me to stand in his presence. There was immense acceptance. There was immense understanding. I had a clear understanding of things that I can preach now with great fire. The Scripture says, "Precious in the sight of the Lord is the death of his saints." I know that when His children are coming to Him, it is precious to God.

When his children are coming through death it is precious to him. When he gathered me to himself in death, He showed me the scripture says it does not appear what we shall be but we know that when he appears we shall be like him. At that moment, I was like Jesus. I was like him in image, in faculty, in understanding. I could no longer see any of my weaknesses. None of my frailties were known to me any longer. I was completely delivered out of all of that. Truly to be in the presence of the Lord is to be like him.

All of a sudden, the man with the hood pulled off his hat and threw it down and said, "I will not kill another one of these people." With that the dream was over.

## **MY COMMENTS**

Not only was Ken Peters not a believer at the time he received this dream, but he also did not know what the Bible says about the coming events of

the last days. His ignorance of the scriptures makes him the ideal candidate to receive this dream because he had no agenda and no bias for or against any church doctrine. The church has been divided over questions about the timing of end-time events like the rapture of the church. But Ken Peters was wide open and simply reported what he saw in the dream exactly as it happened. All prophetic words must be judged by the word. By that standard, I am not aware of any scriptures contradicted by this dream. Personally, I believe the dream is from the Lord and that it provides us insights that can help us gain a better understanding of the scriptures than we would otherwise have. I gained the following insights from this dream:

### **1. The Rapture:**

Christians are divided regarding the timing of the rapture. Some believe it happens before the

tribulation (pre-trib). Others believe it happens in the middle of the tribulation (mid-trib). Still others believe it happens at the end of the tribulation period (post-trib). Ken Peters only saw the resurrection of believers who were already in the grave. He did not see the rapture of any living person. However, just because he did not see that event does not mean the living believers were not also taken at the same time. A careful reading of 1 Thessalonians 4:18 reveals that the living believers will be caught up together with the dead in Christ in the clouds to meet the Lord in the air. But we do not want you to be uninformed, brethren, about those who are asleep, so that you will not grieve as do the rest who have no hope. For if we believe that Jesus died and rose again, even so God will bring with Him those who have fallen asleep in Jesus. For this we say to you by the word of the Lord, that we who are alive and

remain until the coming of the Lord, will not precede those who have fallen asleep. For the Lord Himself will descend from heaven with a shout, with the voice of the archangel and with the trumpet of God, and the dead in Christ will rise first. Then we who are alive and remain **will be caught up together with them in the clouds** to meet the Lord in the air, and so we shall always be with the Lord. Therefore comfort one another with these words. (1 Thessalonians 4:13-18 NASB)

Since the living are “caught up together with them” we can conclude both groups must be taken during the same rapture. Otherwise, they would not be able to meet together in the clouds. The Lord brought with Him those believers who had already died because their spirits had gone to heaven without their bodies. They have been living in heavenly bodies while their earthly bodies

are still in the grave. At the rapture, their bodies will come up out of their graves all over the world. Their spirits will then move back into their earthly bodies, which will be re-created by God at that time. So then both groups, the living and the dead, will finally be together, both living in heaven in their earthly bodies, which will be changed by God at the rapture to make them immortal and imperishable (1 Corinthians 15:51-57). Their bodies will no longer be decaying day by day (2 Corinthians 4:16). It is also interesting that Ken Peters described them in their new bodies as being brighter than the sun.

## **2. Those Who Are Left Behind:**

Among those who are left behind, many will realize what happened and they will repent and get saved. That is exactly what Ken Peters saw when he encountered the older gentleman. Those believers will be rounded up and taken to

detention centers where they will be told they must accept the mark of the beast or be killed by the antichrist. Many will refuse the mark and will be martyred, just as he saw in the dream. It will be very unpleasant for those who are left behind, but they can still be saved by turning to the Lord. In fact, in the dream Ken Peters himself was one of those people who was saved after the rapture and was beheaded for his faith. We see in Revelation 20 these people are part of the first resurrection and they will reign with Christ for a thousand years on the earth.

I saw thrones on which were seated those who had been given authority to judge. And I saw the souls of those who had been beheaded because of their testimony about Jesus and because of the word of God. They had not worshiped the beast or its image and had not received its mark on their foreheads or their hands. They came to life and

reigned with Christ a thousand years. (The rest of the dead did not come to life until the thousand years were ended.) This is the first resurrection. (Revelation 20:4-5)

Those who are left behind will endure great trials, but God gives special blessings to those who endure to the end.

Blessed and holy is the one who has a part in the first resurrection; over these the second death has no power, but they will be priests of God and of Christ and will reign with Him for a thousand years. (Revelation 20:6)

They will live on the earth during the thousand year reign of Christ. There will continue to be mortal human beings living on earth with them during that time, but those who overcame the onslaught of the antichrist will be ruling and reigning with Christ and living in immortal, imperishable bodies.

### **3. The Trumpet Blast:**

The car horn that Ken Peters heard at the start of the dream was the trumpet blast that coincides with the resurrection of the dead in 1 Thessalonians 4:13-18.

**4. Famines and Earthquakes:** The famines and earthquakes described in the dream are scriptural. Matthew 24:7 specifically tells us there will be famines and earthquakes in various places.

### **5. The Executions:**

The gruesome execution method described in the dream is very much in line with scripture.

Revelation 4:20 specifically tells us there will be many believers beheaded during the tribulation because of their testimony of Jesus and because of the word of God.

I did not find anything contrary to scripture in any part of this dream. In summary, it helped me to

see the sequence of events and the nature of the events more clearly. I thank God for this revelation and I hope it has helped you also!
